Several hundred seekers.

Amount received on the charge...\$2032.43

This has been one of the best years of my ministry. I never loved pastoral work so well as at the present time. Several hundred seekers have found their way to the altar and many of them have prayed through, and out of the number some good material has been added to the Church. The Preaching of radical truth, on old fashioned Bible lines in the Spirit of Jesus, will win its way into the hearts of men.

GEORGE DAFOE, Clerk.

This has been a good year for our church in all ways, and the Lord has blessed us greatly, for which we praise Him and give Him all the Glory. Two services have been held in the church every Sunday during the year and sometimes three, except the last Sunday of Camp Meeting, when we had no service. Prayer meetings were held in the church every Thursday evening during the year except during revivals; several cottage prayer meetings were held every week and during the winter months we have had Bible study one evening each week, which has been very profitable to all. During the summer months several street meetings were held every week, and many people were reached. We have members in the church now who were reached in this way. During the summer Bro.

Shattuck with Bro. Howard Dafoe, Bro. Fred Thomas, Bro. William Clark, and Bro. Dave Daniels held street meetings out on the west side, also on the East side where the Lord certainly blessed their labors. Feeling the need of continuing services in that community and after much prayer and consideration we decided to purchase a lot and erect a building suitable for services. Sunday School and preaching services are held there every Sunday afternoon, and the Sunday School is doing well.

Bro. Cliff has given us three quarterly meetings, and they have been an encouragement to us. Bro. Elliott and the Dunkelberger Sisters gave us a good revival in February. Over the third and Fourth of July Bro. Nakada gave us a splendid Missionary meeting and several souls prayed through to victory. Sister Pound, outgoing Missionary to China, and also Bro. W. Bierns were each with us for one Missionary meeting; also Bro. Miller. In December Bro. Hendrickson and Bro. and Sr. Garrett gave us a revival meeting. Bro. Surbrook gave us a meeting in behalf of B. H. S.

One of the best things that have come our way this year was the coming of Sr. Currie. She has endeared herself to the whole church and has been so faithful in her calling and encouragement to the sick. We are truly thankful to the Lord for letting her come to us.

G. B. Kulp
Report

I herewith submit report of work, remembering that for four months and a half I have been laid to one side owing to too strenuous labor and official cares, that no one man ought to have borne. God is restoring me and in April I expect to begin again my work in meetings believing God for souls and victory. I preached twice in the last few days and saw about forty at the mourners bench and God's seal upon my ministry. I am full for the summer, also part of next summer.. I preached 205 sermons while I was able to go besides twenty-one lectures at Cincinnati Bible School and a number of ordination services. Traveled twenty-one thousand miles and had all my needs supplied, have proven it, too, that the old gospel has lost none of its power, but that the man that will abandon himself to God will have more open doors than he can enter, and God and all heaven is interested in him. I love you brethren, and haven't a single murmur in my soul but one gust of praise to God, unto whom be Glory and Power and Honor forever. Yours in Him.

Paul and
Myrtle Haines
Report

Annual Report of Paul and Myrtle Haines from Seoul, Korea, Reported by mail. To the brethren and Sisters in session at the Michigan State Convention, greetings in the name of our Blessed Lord: We are glad to be able to send a few lines of victory to be added with the rest of the reports from our colaborers in the vinyard of the Lord. The Lord has most graciously granted to us a year of victory, not only in a few ways but we feel that in no way has he suffered us to take a backward step.

Upon our arrival in the Orient we were detained in Tokyo, Japan for a few months at our headquarters there, as it was necessary that Bro. Kilbourne should go to Korea. While we were there the Lord blessed our labours and gave us souls.

About the last of June we were permitted to come on to Korea, the needy land to which we started when we left Michigan over a year ago. Our entrance into Korea was quite a thrilling occasion indeed, as we landed in the middle of the night and had to cross swollen streams and ride thru mud carrying the baggage on our backs, which our baggage carriers refused to carry when we were yet a long way from the home of Bro. and Sister Orkney, in whose home we were first entertained when we reached Korea. God has given us souls since coming here and already we feel that we have not come to Korea in vain.

We are now studying the language and feel that the Lord is giving us special help, as he has enabled us to pass our examinations on the first terms work with good marks. Your faithful prayers have helped and are helping us. May God help you to continue.

Mrs. Haines is also being blessed in song in these lands where the songs of true gladness have entered, comparatively few hearts. She is also teaching music in the Bible Training Institute, and is thoroughly enjoying her work for the Master.

We have preached about twenty-five times. I have seen over one hundred souls seek God. We are expecting greater results as the language becomes more and more our own. The one thing that encourages us here is that souls are hungry enough to seek God, even after getting a message second hand thru an interpreter. What will they do if they get the message direct? Please pray for us fervently.

Let us keep filled with fire and the Holy Ghost until we pass beyond the smoke of battle and stack our arms on the other side. Amen.
Your Brother and Sister in Bonds of Christian Love.
