# KANSAS PILGRIMS

Volume 12

NOVEMBER, 1967

Number 3

## From The Superintendent's Desk

We were privileged to be the speaker at the recent Central Pilgrim College alumni banquet and urged the listeners not to be influenced by the spirit of the

day which says, "there are yet four months and then cometh harvest." The Master suggested 1900 years ago that NOW is the time. In our house to house calling, in visiting the sick, in Sunday School

expansion and revival planning, may God help us to remember that NOW is the time.

I have been in nearly every area of our District work in recent days. Numbers of revivals have been in progress and others will be soon. The quarterly reports show that a number of good victories are being won and I thank God for these.

With the going of the Rovenstines from Hill City we are faced with a real need, the need for someone to serve in this field. Please join me in prayer that God's man for this place may be speedily found.

The combined meeting of the Polity Committees of the merging churches will be held in Indianapolis in a few days. Our General Board meeting will then follow. Many important items are on the agenda for consideration that will affect the structure of our new church.

Due to these General Church meetings that will be called again in early spring, our ministerial convention date has been changed to March 19-21. The location has not been decided but the committee will have something to tell us soon. Rev. P. W. Thomas will be the speaker. Every minister should be making plans NOW to attend.

You will be glad to know that Lakin is making fine progress on their new church building. It is a thing of beauty and should serve as an inspiration to any church that has a need of this kind.

## Church News

**Argonia**—Bushman—The Lord gave us a great time of blessing on our Rally Day and Homecoming. This was in conjunction with a week-end meeting in which we greatly enjoyed the ministry of Rev. H. K. Busby with Dr. and Mrs. Ernie Lewis and family as singers. Two were saved and one sanctified. We have received two more members into the church.

**Big Bow**—W. Plummer—Our people enjoyed and profited much by the Johnson revival. Several of our younger generation folk were converted. Praise the Lord.

**Bird City**—Schendel—Brother and Sister Moffett are on vacation in Kansas City visiting relatives. They plan to spend some time in the Ozarks. Brother and Sister Schendel spent a few days in Salem, Oregon visiting Sister Schendel's father. He will soon be ninety years old.

**Brewster**—Keller—Mr. and Mrs. McKendrick and Rev. Geo. Farr brought the Sunday messages while the pastors were in a meeting at Bird City. Mr. Leonard Kinkade spoke at the evening service, October 29.

**Fall River**—Stewart—Rev. Florence Stewart was dismissed from the hospital Friday the 27th. She was not able to be with us for services Sunday. We are praying that she will soon be able to be in the services again.

**Goodland**—Solter—We are to have a revival, November 2-12, with Rev. Irene Weitert as evangelist. Have had some wonderful prayer services in preparation for these special meetings. Have several away on vacation which always lessens the home crowd. A White Christmas was observed, October 29. The National Workers received an offering of \$32.00, our missionary \$45.00 with more to come in.

**Hill City**—Mrs. Raymond Lynn has been helping us with our Sunday ser-

vices. We are praying for a permanent pastor. Pray with us.

**Howard**—Ware—Our attendance is good, God has been blessing. We have one new family with five children. They were reclaimed. Several new folks coming.

**Hutchinson**—Mrs. Merle Springer of Aguilar, Colorado attended several services while visiting her mother, Mrs. Baker. Our poor pastor—after three months he finds himself moving again. We are sure they will enjoy the extra room though. They are moving into a four bedroom home on 126 W. 7th.

**Iola**—Bell—Rally day. It was a thrill to break our record in attendance, we had 55. We are having cottage prayer meetings on Wednesday. Brother Busby brought us a wonderful message, October 29.

**Salina**—W. Rovenstine—We are happy to welcome several new ones in our services. We have converted the old parsonage into a Sunday School Annex.

**Scott City**—Owen—We welcome the Bergrens and McQuires to our Sunday school. Many new families were contacted during our recent contest. We thank God for a renewed interest in the work of God. A Halloween party was given on Tuesday. Plans are made for attending the Sunday School Convention.

## Church News Around the District

**Argonia—Bushman—**Praise the Lord for His goodness to the children of men. He still answers prayer. He has given us a good number of seekers during a recent weekend revival with Rev. Jerry Bunch and the Gospel Mello-Aires as workers. We've also had some victories around the altar in our regular services. We are praying and working to strengthen our outreach.

**Big Bow—W. Plummer—**It was nice to have John and Beverly Jones and children home over the Thanksgiving season. They are doing missionary work with the Indians in Farmington, New Mexico.

**Bird City—Schendel—**The Thanksgiving season brought home the students from college. Eileen Willis, Central Pilgrim College, Lonnie and Patricia Willis, Manhattan, Larry Willis and family came from Kansas City to visit his mother. It was a real joy to have the Central Pilgrim Choir with us Sunday night, November 19. Nearly 300 attended the service.

**Brewster—Keller—**Our mortgage burning will be December 17, with Rev. Busby as speaker. God has marvelously helped us in getting our debt erased. We heard the C. P. C. choir at Bird City.

**Fall River—Stewart—**Robert Latham from Central Pilgrim College has been coming for our Sunday services while our pastor has been unable to conduct them. We appreciate Brother Latham's help so much.

**Fowler—Ireland—**Rev. and Mrs. L. J. Cherryholmes clearly presented Bible truth during our revival. It was under the

anointing of the Spirit. Seekers were happily rewarded at the altar and a definite spiritual trend is evident in the church. Our Self-Denial offering came to practically \$10.00 per resident member. We thought that was extra good considering we had just closed a revival.

**Garden City—Aslin—**Our Sunday School attendance is slowly picking up this fall. The pastor plans to be in California for Christmas.

**Goodland—Solter—**Three families away during most of the month has caused quite a loss in the average. We had a good revival with Evangelist Irene Weitert as guest speaker. Several victories for which we are thankful are to be reported. The Christmas spirit is in the air if decorations are any indication of it. The fact is that December 25 is not far down the road and preparations and plans are made for the Christmas program. Seven trees have been removed from the church yard. This certainly improves the looks. Before another report can be given we say "Merry Christmas and a Happy New Year to all."

**Hill City—Mrs. Raymond Lynch** of Alton, Kansas has accepted the call to fill the vacancy left by the Rovenstines. We have been able to keep our attendance up. We are thankful we could find some one to help us at this time.

**Howard—Ware—**Interest here is good and God is blessing. We have several new ones coming. We are glad to have the Nusz's back from harvest. Our pastor had the funeral for his wife's uncle, November 19, at Fredonia.

**Humboldt—**We will be in a revival December 3-10 with Rev. Robert Rogers. We have missed our pastor the past two Sundays while he was on tour with the Central Pilgrim College choir. Ministerial students Ken Blake, Wilber Clark, and Jerry Etheridge filled the pulpit during the absence of Brother Kelly. We appreciate the help of the students very much. May the Lord richly bless them. Mr. Roush is in the Santa Fe Hospital, Topeka, Kansas. He underwent major surgery December 1.

**Iola—Bell—**We have three new families attending our services; the Lewis Seal, Vern Peterson and Lewis Young families. There was a good crowd at the Sunday School Convention held in our church. The Wylie family played a beautiful musical number during our Thanksgiving service November 22.

**Johnson—Burton—**The board has approved a planning committee for a new parsonage. Our goal is to start next fall. New furniture has been ordered for our nursery and we plan to re-decorate it soon.

**Lincoln—Elliott—**New non-transparent glass has been installed in the windows

## From The Superintendent's Desk

Rev. Howard K. Busby

These are tremendous days in a world that groans beneath a burden that seems too heavy to bear. In spite of this, our thoughts gather about the manger once more and we should all pause to pay homage. Lowly shepherds or no, what a Savior! Stable or no, what a Savior!

The old year passes and a new one beckons. For some of us it is a final call while others will be left to serve. Outside of Christ it is to

be a year crowded with uncertainties. However, we need not be appalled. The promises of God will not fail us and the foundation of God standeth sure.

Please make a careful study of the financial report on page four of this issue. We are grateful that so many churches are paying their budgets in full and we are sure that others have paid up their budgets since the District Treasurer issued this report. In the last report that I received from the General Secretary-Treasurer, the Kansas District ranked number one in percent of United Stewardship Fund assessments paid. We salute pastors and people alike for this achievement. We sincerely believe that a 100% payment of budgets by each church this year is not only a distinct possibility but an excellent opportunity to glorify God through our giving.

It might be of interest to you that at the recent joint meeting of the Polity Committees for the merging General Conference it was recommended that the magazine for the merged church be called "The Wesleyan Advocate." The site of the new merged church headquarters has not been decided on but is under study.

We have been receiving fine reports out of Bartlesville on the progress of our Bible college. The January issue of the Kansas Pilgrim will be especially devoted to Central Pilgrim College with many interesting articles concerning C. P. C. and our Kansas students that are enrolled there.

## The Missionary President Speaks

A few days ago I received the following letter from Mrs. Donald Wood, Zambia, Africa to whom the District Missionary Societies sent the dresses for the girls in the Chaboboma Mission School:

"Dear Mrs. Solter: One day about three weeks ago a large box arrived from overseas and inside was some beautiful blue uniforms. We were quite puzzled about this and wondered how our church headquarters would know the style of uniform our mission school uses. Another missionary from another station said she had heard Bertha Joy say many times how she wished our girls could have some uniforms from the States. But still we could not figure it out, and we were thinking of writing immediately to headquarters to find out about this box of uniforms when two more boxes arrived. Then more followed the next week. Then came a long letter of explanation from Miss Meeks telling us that the Kansas District took this as a project and that Miss Joy had made this request to Miss Meeks before death.

Your district has certainly done very neat work and the color and pattern of the uniforms are beautiful. It must have taken great cooperation on the part of everyone involved to get this large project completed. I might add timing is also perfect. Our school year will start in January so any uniforms for the coming year would be in the process of being ordered this coming month. So you see, the uniforms came just at the right time. Also this month, we received the duty money that the Kansas District Missionary Societies raised. Please extend our thanks and appreciation to all.

Girls are the same the world over and you can be sure the mission school girls will be delighted with the lovely blue uniforms. This will be the nicest dress many of them will have as most of these girls come from villages and parents who have little in the way of clothing as well made or of such good quality.

May God bless each one who took part. I never realized in how many ways the Missionary Societies were such a blessing to the missionaries until I became a missionary myself. If Miss Joy were here she would say in the language of the Chitonga people we serve, "TWA-LUMBA, CINICINI"—"Thank you very much."

REV. GARRY D. PLUMMER, District Youth President

## The Youth President Speaks

In youth, as well as in the reclining years, how quickly the time goes by. The Hutchinson camp with its several youth activities is now but history. Our first "Wesleyan-Pilgrim" youth camp has come and gone, leaving us with the memories of another fine camp. The zone rallies slip by rapidly month after month.

I hope you are taking advantage of the opportunity to attend the youth zone rallies in your area. I have attended two rallies in the North-West zone and one in the South-Central zone.

Yet as the time goes by, we must not forget to plan for the future. The annual Youth Week is almost here. The week of January 28-February 4 is Youth Week with this year's theme "That the World May Believe." Let us challenge our youth with the opportunity of preparation for service, participation in service, and of fellowship while serving.

It's only seven more months to Youth Camp! Remember to reserve the third week of August for a "Rock Springs Ranch vacation." The exact dates and other necessary details will be worked out at the combined Pilgrim-Wesleyan Youth Cabinet meeting schedule for January 18 in Salina.
