ARTHUR LELAND WHITING

1859-1949

Arthur Leland Whiting was born in Claremont, Dodge County, Minnesota, December 3, 1859. He was called to his heavenly home, January 3, 1949, at the age of 89 years.

He was married to Alice Josephine Ingall in Minnesota, and later moved to California, settling at Redlands in October, 1884.

Brother and Sister Whiting came in contact with the Holiness Association and joined under the leadership of James W. Swing.

In the year of 1892 Sister Whiting felt the call to the active ministry and Brother Whiting adapted all his life plans to helping her in the work through the rest of her active life. After she was unable to continue in active work Brother Whiting found employment with the Los Angeles City School System; thus employed he continued to support the home until Sister Whiting's death in January, 1934. He continued to work until he was retired on a small pension just before he was 80 years old.

He lived with Brother Blanchard in El Monte, also moved with Brother Blanchard to Santa Barbara, California, where he was a faithful co-worker in the Holiness Church at that place.

His life was made up of giving to God's cause and helping in every phase of the work of God's kingdom. His son, in looking through his father's check book said the record looked more like a foreign missionary report than a personal checking account.

"And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." (Rev. 14: 14).

SIMON F. BICKER

1861 - 1948

Simon F. Bicker was born in Freeport, Illinois, in 1861.

He was converted at an early age, and after moving to California came in contact with the Holiness people and was sanctified wholly.

His first pastorate was the Holiness Church at Etiwanda, California, in 1898. He served as a minister of the gospel, pastoring several churches for about 30 years.

Brother Bicker was elected to the Board of Elders of the Holiness Church in 1905 and served on the Board until 1939, at which time the church made him Elder Emeritus.

He often praised God with shouting and was outwardly expressive of inward joy for deliverance from carnality.

He passed away in victory October 24, 1948, at the age of 87 years. His last words were "How wonderful are the ways of God."

"I have fought a good fight, I have finished my course, I have kept the faith; Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing."

Be it further resolved that the district young people's business meeting be conducted on the last Saturday afternoon, and that the district young people be granted the privilege of taking an offering in the last Saturday night service.

WAYS AND MEANS COMMITTEE REPORT

Standing Resolutions Adopted by the Conference

No. 1 Be is resolved that the part of the District Superintendent and other district officer's expense, relating to the propagation of the district home missions, be so designated, and paid for out of district home mission funds.

No. 2. Be it resolved that the District Superintendent's salary for the ensuing year be continued at \$3,400.00 per year, in addition to his residence, utilities and traveling expense.

No. 4. Whereas the present distribution of the 10% tithe from local churches, namely 20% General Administration, 25% Conference Expense and 55% Conference Superintendent, has proven satisfactory. Therefore be it resolved this present plan be continued for the ensuing year.

No. 5 Be it resolved that the former Camp Meeting Association be reactivated, with membership fee being \$1.25 per member per year, and be it further resolved that the envelopes be printed and that they be placed before the members as the District Superintendent makes his visits to the churches.

No. 6. Be it resolved that the District Home Missions offerings be divided as follows: General Home Missions 10%, District Home Missions 90%.

No. 7. Be it resolved that the District Young Peoples' and the Sunday School Committee's financial reports be submitted as a yearly report to the District Conference.

No. 10. Inasmuch as some of the churches have inquired about the various assessments, percentages and offerings which they are to send in each month and how they are to figure them. Therefore, for the benefit of all, the Ways and Means Committee lists below all items of importance which are to be standard procedure in each church:

Notice To All Churches

- (1) With each remittance from your church, please include a remittance sheet so that each amount can be credited to the proper account.
- 9 (2) 10% of regular offerings and tithes after deducting building funds and rentals, same to be used for District and General Administration expense.
- (3) 10% of regular Sunday School offerings to be used for district Sunday School work.
- 8 (4) District Assessments as follows:
 - a—Assessment for General Conference, 15c per member.
 - b—Assessment for District Superintendent, \$1.50 per member.
 - c—Assessment for Camp Grounds Maintenance, 35c per member.

NOTE: Assessments are to be pro-rated to a monthly basis and remitted each month. Assessments are based on total membership, with exemptions provided for those regularly engaged in Christian work such as active missionaries and evangelists and all non-voting members.

(5) Ministers Retirement Plan:

If your pastor is participating in the Retirement Plan, you will deduct 2% of his salary and send in each month. Along with this your church will contribute the equivalent of 4% on his salary (or twice the amount he paid) and send along with the 2%, keeping each percentage separate in your remittance sheet. If you send in a remittance to the Minister's Retirement Fund, please include two copies (original and duplicate) of the Pension Plan Remittance sheets and keep one copy for your own files. Be sure the form is clearly and correctly filled out.

- (6) Monthly Missionary offerings alternate between Foreign Missions and Home Missions. Months of February, April, June, August, October and December are for Home Missions. The other months are for Foreign Missions. Specified Missionary offerings should be clearly labeled so that proper disposition can be made.
- (7) All Sunday, School birthday and thank offerings go to the District Home Missions.
- (8) Pilgrim Evangelistic Institute offerings are to be taken monthly on the basis of 50c per member per month. This is not an assessment but a challenging basis.
- (9) School, home and foreign missionary offerings should be paid through your local church, same to be sent in with other remittances of the district.
- (10) All churches should use the budget system. Obligations should be met weekly and sent monthly to the District Treasurer. All offerings should be mailed so they will reach the District Treasurer by the 10th of the month. This will make for easy and prompt handling of all accounts.

No. 11. Whereas the local churches have been paying for the pastor's traveling and housing expenses during camp meeting and conference, and whereas some of the pastors have to leave full time or part time secular work to attend such camp and conference, thereby cutting off part of their source of income and creating a financial problem. Therefore be it resolved that each church assume the responsibility of seeing that the local pastor's temporal needs are adequately supplied during this time.

No. 12. Whereas the P.E.I. has operational control of the Conference grounds the greater part of the year, therefore we recommend that the matter of a maintenance man for said grounds be left to the consideration of the District Council and the school board.

No. 14. Inasmuch as the District Conference has voted a certain parcel of property to the Pilgrim Evangelistic Institute, and whereas there will be a county and state tax on same in the amount of approximately \$300.00: Therefore be it resolved that the Pilgrim Evangelistic Institute assume the pro-rate tax on the above mentioned property for the year 1949.

Standing Resolutions from Previous Conferences

(1)

Because of the increase in the expense of printing, be it resolved that the price of the District Minutes be 25c per copy, the same to be paid out of the local church funds not later than thirty days after received.

(2)

Whereas the program of the Sunday School Committee has been expanded to include:

1. Provision of a Sunday School Secretary.
2. The holding of local teacher's institutes
3. Advertising.
4. The regular District Sunday School Convention.

Whereas the 50% of the 10% of the Sunday School offerings is inadequate:

We recommend that the 50% be increased to 70% of the 10% of the Sunday School offerings.

(3)

Whereas the stress and strain of the times in which we live are such as to tax the strength of the busy pastors of our district, be it resolved that each church of the district give their pastor a two weeks' vacation with pay.

(4)

Resolved that love offerings be taken monthly for pastors of each church and that the delegate see that this is done.

(5)

Be it resolved that the local churches pay the traveling expenses and entertainment of their delegates for the Conference business sessions. This does not include camp meeting.

(6)

Whereas the last General Conference made provision that newly organized churches in established districts assume $\frac{1}{4}$ of their General Budget obligations the first year after being organized; $\frac{1}{2}$ of their budget the second year; $\frac{3}{4}$ the third year, and beginning with the fourth year pay in full.

Therefore be it resolved that on this district we apply the same percentages in regard to our district budget.

(7)

Be it resolved that the following items be paid out of the District Expense Fund.

1. Utilities for the home of the District Superintendent.
2. District Superintendent's traveling expense.
3. Publication of the Pilgrim News.
4. District office.

(8)

Be it resolved that the District Superintendent be given a month's vacation each year with pay.

(9)

We recommend that the District Secretary and Treasurer be allotted a gift of seventy-five (\$75) dollars per year each for their services.

(10)

Be it resolved that the cafeteria and lunch stand be considered part of the camp meeting operations and all monies be held in that fund.

(11)

Be it resolved that no person shall be granted license as a deaconess by the district until she has served two years as a local deaconess, with the District Secretary providing proper credential.

(12)

Be it resolved that upon the completion by the candidate of the two years as a local preacher or deaconess, he shall be interviewed by the District Council as well as the Educational and Examining Boards, before being issued his first district licence.

(13)

Be it resolved that all candidates recommended for ordination shall meet with the District Council relative to their ordination.

(14)

Be it resolved that ministers coming to this district from other denominations be interviewed by the District Council before their credentials are presented to the Conference.

(15)

Whereas in the past important papers have been lost and a considerable loss of time and finance were necessary to secure new papers, therefore be it resolved that all local churches of the district forward to the District Council, for filing, all legal papers pertaining to the ownership of the local church property.

(16)

Whereas the detailed bookkeeping of the Conference requires a great deal of time: Be it resolved that the District Council be authorized to employ a part time bookkeeper to assist the District Treasurer. This help to be reimbursed from the district fund.

(17)

Whereas the District owns shares in the Lexington Blvd. Mutual Water Co., Therefore be it resolved that the following five district officers, by virtue of their office, be appointed to represent our shares on the Water Co.: The Superintendent, Assistant Superintendent, Treasurer, Secretary and President of the Board of Trustees. And be it further resolved that the representatives vote the shares as a block as instructed by the District Council on matters of policy.

(18)

Be it resolved that the School Board for the Grade and High School shall be comprised and be it further resolved that all subsequent elections be for a full three years.

(19)

Whereas the Pilgrim Holiness Church of the West coast is in need of a more adequate Bible School, where our young men and women will receive recognized Bible training within our church, thereby retaining them for our denomination, be it resolved that the District Council and the School Board make plans to expand our present Bible School facilities, either by a building program on our own beautiful campus, or by investigating some worthy project elsewhere in the immediate future.

(20)

Be it resolved that the District Council and following committees meet one day prior to the annual Conference to take care of such work as they have on hand: The Resolutions, Ways and Means, Educational and Examining committees.

(21)

Be it resolved that each church on the district be responsible to furnish at least two man days labor in preparation of the grounds for camp meeting, subject to the call of the District Council.

(22)

Be it resolved that the emphasis being placed on the work among the children of the Sunday Schools shall not be lessened but that a greater stress shall be placed on the work among our young married folk and adults, thus building into our Sunday school program a definite place for the family as a complete unit.

(23)

We recommend that each self-supporting church put forth a home missionary campaign and try to establish at least one new church.

(24)

Be it resolved that all plans for the construction or remodeling of church buildings be presented to a committee on which there shall be an architect, a builder, and a financier for their suggestions.

(25)

Resolved that no pastor employ an evangelist without the endorsement of the District Superintendent.

(26)

Resolved that before licensed or ordained ministers coming from other churches shall be received into the local churches, that the pastor shall consult with the District Superintendent and Council regarding said minister.

(27)

Be it resolved that each pastor be granted the privilege of holding at least one revival each conference year.

(28)

Be it resolved that the district limit the use of our district camp grounds to one camp each summer other than our own.

(29)

Be it resolved that our district Educational Board be instructed to secure a set of questions covering the course of study prescribed by the manual and make the same available to those desiring to take the Study Course.

(30)

Be it resolved that the reports of the Examining and Educational Committee be included in the body of the minutes.

(31)

We recommend that our District Superintendent or his Assistant shall, when possible, conduct quarterly meetings at each church, at which time he shall preach a gospel sermon and administer the sacraments.

(32)

We recommend that, whereas we now have a standing Statistical Committee to function during the conference year, be it resolved that all reports be made in full and sent to the Statistical Committee not later than one week before the conference date.

(33)

It is recommended that the district create the office of District Sunday School Secretary, which person is to be nominated by the District Sunday School Committee, the nomination to be ratified by the District Council, and said secretary shall be an ex-officio member and responsible to the Sunday School Committee.

(34)

Resolved that when recommendation for credentials is presented to the Conference the candidate be present, or send a written testimony to accompany the recommendation.

(35)

Whereas the devastating influence of the liquor traffic in America is gaining such momentum, be it resolved our church and ministry take a more militant stand against the sale of the same.

(36)

Be it resolved that our District Superintendent appoint an editing committee comprised of the District Secretary and one or two other members to edit and publish our District Minutes in order to expedite publishing of same,

((37)

Insamuch as the ministerial directory in the district minutes does not differentiate between missionaries in foreign lands and ministers in the homeland, therefore, be it resolved that in the future these be shown in two separate lists.

38)

Be it resolved that the necessary data for the General Statistician be placed in our District Minutes.
