Camp Meeting Report

The 1948 campmeeting was blessed of God with the Word of Truth reaching the hearts of the people through the preaching of Rev. William H. Neff and Rev. M. C. Kittle. Our two evangelists certainly gave us splendid messages: in the day services the sincere meat of the Word that feeds the soul of God's people and that helps them to grow in grace and in the evening evangelistic services their gospel messages stirred the heart of the backslider and sinner to seek forgiveness at the foot of the cross and the unsanctified believer to seek the glorious experience of heart purity through the infilling of the Holy Spirit.

The annual Conference was held July 21-23 just preceding the campmeeting at which time reports were given that showed an increase on the district. The following officers were elected for the coming year: District Supt., Paul W. Thomas; Assistant Dist. Supt., J. Maxey Walton; District Secretary, Donald R. Washburn; District Treasurer, Joe Potts; additional council members, J. M. Dooley, M. C. Kittle, L. F. Wilson. Rev. Clifford Thomas was elected by the school board to the presidency of Pilgrim Evangelis-

tic Institute.

Let us all pray and work toward a great year for the Lord in 1948-1949.

THANK YOU!

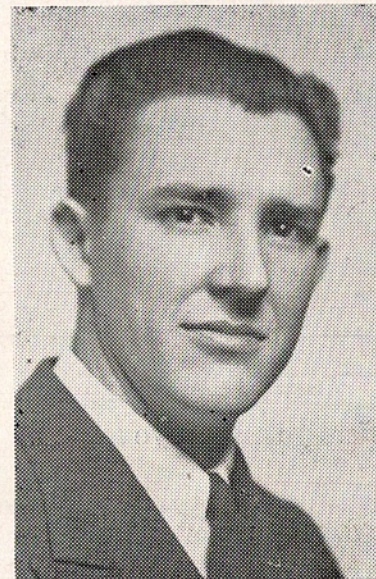

The past three years have been years of blessing along many lines, spiritual development, financial increase and numerical growth. The gains have not been great but do indicate that we are making progress. The youth camp is in its third year and has proven a very real blessing. The bookroom and printing plant though costing much more than the original expectation is now doing \$800.00 per month business. You loyal Pilgrims of the California-Arizona district have made this possible.

It has been a real pleasure to serve as your district Superintendent for the past three years and we wish to take this opportunity to say, Thank you! and tell you how much we appreciate your prayers and loyal support. We have accepted the pastorate of the Fresno Church and with you, we will be doing our part to make this the best year our district has ever known.

Sincerely,

GEORGE AND ANNE MORAN
