In Memoriam

JAMES M. DOOLEY

Born in 1899

Passed Away in 1951

Brother Dooley was converted early in life and called to preach. He studied at the Wesleyan Methodist Bible School, Miltonville, Kans., Tabor, Iowa Bible School and Chicago Evangelistic Institute. He served as pastor of five Pilgrim Holiness Churches in California, conducted a Radio Broadcast, filled the office of Assistant District Superintendent and held membership on various Church and School Boards. Brother Dooley was a lovely soul. He reflected the Spirit of Jesus to an eminent degree; one marked trait being his appreciation of others. He was lavish with words of encouragement. His last sermon was preached in Adams Memorial Church. God's glory came down as the Haworth Sisters sang, "We Shall Shine as the Stars of the Morning." His soul was so blessed that he requested the repetition of the song. All of Brother Dooley's children are working in the Lord's Vineyard.

MRS. FLORENCE SCOGIN

Died August 10, 1951

Sister Scogin was an ordained Deaconess of the Pilgrim Holiness Church. For years she worked tirelessly in the Fifth Street Mission of Los Angeles. For many years she preached in the Los Angeles County Jail, being affectionately called "Mother" by many whom she helped in their troubles. She was a "Mother in Israel." We miss her bright spirit in our Conference.

DAVID T. GROUT

Died November 23, 1951

A fervent soldier of the Cross has laid down his sword. Brother Grout was a man of prayer, burdened for the lost. All his children, two sons and one daughter, are in the ministry. The work of the Sunday School majored in his interest. In his later years, his sight failed until he became blind, but his spiritual sight grew keener. As his life was slipping away he cried, "Hello! hello! O! how beautiful!

MRS. RUTH HAHN

An ordained Deaconess of the Pilgrim Holiness Church, Sister Hahn adorned the Gospel which she loved. A full consecration laid the foundation for a very rich ministry with her husband in Africa. It was while engaged in missionary work there, that she met with a fatal accident. Her body was laid away in the National Holiness Compound in Kenya Colony, Africa. Such a loss to the Church is shrouded in mystery and sorrow, but we know Divine Love doeth all things for the best. May His blessing abide in great measure upon Brother O. G. Hahn, her surviving husband.

MRS. JENNIE VAN NAME HUGHES

An ordained minister. Laid away from Rees Memorial Church, Pasadena, Calif., Dec. 2, 1951. She and Dr. Mary Stone founded the Bethel Missions in Shanghai and Hong-Kong, China. She personally reared thirty-seven Chinese children, many of whom are now Christian leaders. Bethel Missions now maintain two hospitals, two city missions and three orphanages. She is survived by several nephews and nieces, most of whom reside in California.

MRS. CALLIE HUDDLESTON

Died July 30, 1951

Mrs. Huddleston was from Owensboro, Kentucky. She was a great preacher of Second Blessing Holiness. Since coming to California, she held her membership in Highland Park Pilgrim Holiness Church. She did a great work among the colored people of Los Angeles. Her death was triumphant.

NELLIE GREEN FOSS

Born in Kasota, Minn., 1880

Died March 26, 1952

Sister Foss was converted at the age of 10 and sanctified while yet in her 'teens. She attended Deets Pacific Bible College in Los Angeles. While there she became afflicted with Tuberculosis, but after a night of prayer by the Principal, she was healed. Returning to the College, she taught there to pay her way through. Several years were spent in evangelistic singing. For seven years she was assistant pastor of E. Pasadena Church. Always busy in the Lord's work, she continually thought of others. Stricken with Cancer, she suffered much in the last years, but triumphed to the end.

ROBERT M. GRAHAM

Licensed preacher, and member of Highland Park Church, Brother Graham was laid to rest in December, 1951, at the age of eighty two years. He was an evangelist and Mission worker, witnessing and preaching wherever he went. He faithfully reproved sin, but had a burden for the sinner. He left a lovely heritage to his family of a gracious life, and kept the glory to the last, as his face lit up with radiance and joy.

DISTRICT SUPERINTENDENT'S REPORT

June 26, 1952

To the Thirtieth Annual Conference of the California-Arizona District of the Pilgrim Holiness Church, convened at El Monte, California, June 26, 1952.

Greetings, in the name of Jesus who loved us and purchased us with his own blood:

God, in His great providence, has allowed us to meet in another Conference to do business for Him.

As we look over the past year, we wish to thank God for grace, strength and help He has given us for his work. While the problems have been many, the Lord has been a very present help in time of need. With God's help we submit the following report.

Spiritual Progress

God has blessed a number of our churches with Spirit-filled revivals. For this we are thankful, for we realize the spiritual life of the church depends on an outpouring of the Holy Ghost upon us.

Ministers

We thank God for the ministers of the California-Arizona District. We believe God has given them a burden for the work, and, for the most part, they are striving to advance the cause of Christ.

One of our active pastors, Rev. James M. Dooley, was called home to be with the Lord shortly after Conference last year. Brother Dooley had served this District for fifteen years as pastor and evangelist. He also served as Assistant District Superintendent, and for many years as a member of District Councils, School Boards and in other places of responsibility. He is missed greatly from our midst, but is enjoying the things that God has gone to prepare for those who love him. Rev. D. T. Grout and Nellie Foss, both retired ministers and members of the Rees Memorial Church were also taken home. My God bless their memory to our hearts.

New Buildings and Maintenance

The Oak View Church is coming along well with their new church auditorium. They are paying as they build and expect to have this fine edifice completed by this Fall.

San Dimas is in the process of building Sunday School units. This will be a real improvement to the church property. The church building itself has been replastered inside and redecorated.

The Tucson Church has built a small, but very nice, parsonage which will be enlarged later. This has been done with very little indebtedness. They are also in the process of building a new church. This will be an excellent building when completed, and the people have a mind to work, and expect to be using one unit of the building by early Fall of this year.

The property owned by the Ventura Church has been purchased by the School District, and a corner lot across the street from the present building has been purchased, and they will be starting a new church and parsonage soon.

Our churches as a whole are doing a splendid job of improving their property with new paint, plaster, lawns, shrubbery and so forth.

A considerable amount of improvement has been made on our District Conference Grounds, which is quite noticeable. This has been done by the combined efforts of the School and District. Included in this is the cafeteria, which has been painted inside and out. New curtains for the dining hall, and tile on the kitchen floor, and new ranges have just been installed. New lawns have been planted on a good part of the grounds.

District Home Missions

The ground work had been laid before last Annual Conference for the starting of two new churches. One in Yucaipa, California, and the other in South Phoenix, Arizona. The two churches just mentioned, started services the same day, July 22, 1951. Yucaipa was privileged to start in their own building which was dedicated the afternoon of the opening services. This work is doing well under the leadership of Rev. and Mrs. T. L. Willingham. It is not organized but has wonderful prospects. They are making plans for a parsonage. This property is valued at \$7,500.00 with an indebtedness of about \$2,450.00.

South Poenix, under the capable leadership of Rev. C. J. Meyers, is doing well, and has the prospects of becoming a strong church. While they are still worshipping in a rented building, they have made some definite progress, as they were organized May 4 and have 11 members.

The folk in Coolidge, Arizona, worshiped in a rented building for fifteen months; but have been in their own building since January 1, 1952. The foundation for the church was poured the first week of October, 1951, and with much hard work was near enough completed for use within three months. This building is made of pumice stone blocks and is 30x50 feet in size, besides the vestibule. It is furnished with new pews that any church would appreciate. The property with its furnishings was recently appraised at over \$16,000.00, with an indebtedness of less than \$3,000.00, beside the amount due the District. The Coolidge church was organized April 5, 1951, with eight members and now has thirteen. The new building was dedicated April 6 of the same year.

A very splendid building has been rented on the main highway going through Tucson, Arizona, with Rev. G. L. Keene in charge, who is endeavoring to open a Second church in this growing city. Brother Keene has announced a sixty-day revival for the months of June and July, and reports the prospects are encouraging and new people are attending as the meetings progress.

Membership

We had anticipated a good increase in membership for this year, and while we do not have the complete report at this time; the gain will be very small; however, a number of churches report prospective members. We have lost quite a number on the District by death the past year.

Youth Work

Our Young People's Executive Secretary, Brother Martin Horine, has worked hard to see the Young People's work go forward. Some from the various churches have worked with him at Mile High Pines, to improve the Youth Camp. Rallies, both Zone and District, have been well attended and blessed of God.

Sunday School

Rev. David E. Olson, Sunday School Promotional Secretary, and the Sunday School Committee have endeavored to keep something before the churches to increase the interest and attendance. Some of the Sunday Schools have made splendid gains; some have suffered losses and others have remained about the same.

We feel that if the Church and Sunday School goes forward, the laity as well as the ministry must get a fresh vision of the importance of the work of Christ, and recognize the responsibility that is theirs.

Pilgrim Bible Institute

We believe our School is a real benefit to the District and has produced some excellent ministers and is continuing to do so. Our President, Rev. C. W. Thomas, and Dean, Rev. Paul D. Beck, along with the splendid faculty, are putting their very best into the School. We are greatly in need of more facilities and are working and planning toward an extensive building program. We would like to see many of our older people remember the School in their wills.

Finances

We appreciate the way the Lord has blessed financially. We are thankful for the effort most of the churches have made to meet their budget. Some of the churches have been unable to pay their budget, but we are praying they shall make definite plans to do so the coming year.

Personal Report

During the past year I have visited all of the churches several times. I have spent considerable time in Home Missionary effort and feel the harvest is white. I have preached 121 times with 38 seekers, also visited most of the churches during revival meetings and other services. We held two revival meetings, besides week-end meetings; Conducted, with the help of Brother Hill, one Ministerial Meeting; Conducted 28 Annual Meetings, 60 board meetings, 3 school board meetings, 18 District Council meetings; took care of district correspondence; organized 2 churches; dedicated two churches; preached two funerals; officiated in one wedding and assisted in another; worked several days on church buildings at Yucaipa and Coolidge; and travelled in the interest of the District, 23,345 miles. I received in love offering at the 1951 camp meeting, \$124.00; for one revival and other special services conducted, \$115.00. My salary and travelling expenses are paid in full.

I appreciate so much the help and cooperation of our good Assistant Superintendent, Rev. Lundy Hill, who took our place at the Superintendent's Meeting in Indianapolis, and helped in other places as needed.

We appreciate the splendid District Council with whom we have had the opportunity to work; also the good pastors and laity of the District.

We cannot say we are satisfied with the accomplishments of the past year but we are in His hands and thank Him for what has been done.

Respectfully submitted,

CLIFFORD L. MORGAN,
Dist. Supt.

President's Report
PILGRIM BIBLE INSTITUTE
June 26, 1952

To the 30th Annual Conference of the California-Arizona District of the Pilgrim Holiness Church, greetings: I am happy to have this opportunity to report to this conference for the Pilgrim Bible Institute for the year of 1951-52. The Lord has given us a very good year, for which we are thankful. We have made definite progress in every phase of our work. The following brief survey will give some indication of our efforts and accomplishments.

Spiritual Condition:

The Lord has blessed us richly with many spiritual blessings throughout the entire year. Two gracious revivals were conducted in conjunction with the El Monte Pilgrim Church. Brother Clinton Jones was with us the first semester, and Brother Paul W. Thomas was here the second semester. At the conclusion of the last revival, every member of the high school and college student body was able to give testimony to being saved. Many had found the experience of sanctification. To my knowledge, this was the first time we ever had a student body 100 per cent for Christ. There has existed throughout the semester, a high spiritual tone. We pray God to ever keep our faculty and students on fire for God.

Enrollment:

College	33
High School.....	61
Grammar School.....	80
Total	172

Finances:

Separate report attached.

Personal Report:

I have served as president over the three departments of the school. In addition to the usual administrative duties of the president, I have acted as the business manager for all three departments, as high school principal, and have taught 15 hours per week. I have traveled almost every Sunday with the Gospel Team doing deputational work, visiting every church, but two, in this district and in the Northwest District. I attended the Ministerial Conference of this district and that of the Northwest District, and the Superintendents' and Presidents' Conference in Indianapolis. In all, I have traveled over 15,000 miles in the interest of P.B.I. By permission of the school board, I held two revival meetings in this district.

As a salary I received \$2,000 in cash, plus my house, utilities, tuition and meals, estimated at \$1,000.

Building Plans:

Because of the growing need of more classrooms, and administrative offices, the Administration of the school feels that we must build a new administration building to adequately accommodate the serious and pressing need which we are now facing. The school board has given permission for this building to be planned for, for funds to be raised, and a building committee has been appointed to administer in this respect.

They have stipulated that we have in cash at least \$10,000 before we begin to build. We realize this is only a part of what it will take to construct this building. But we are praying that God will lay it upon the hearts of the business men of our church, upon the laity at large, and upon all who may be interested in Christian education, to help in a substantial way that this building may be erected in this coming year.

We earnestly feel, that if we are to advance in the proportion and respect that God wants us to advance, we must not hesitate to take this step, but must diligently seek to do our best to build buildings that will house our classes and administrative offices in a respectful way; that we may well be proud to send our children to P.B.I., that we may recommend it to every young man who seeks to enter training for God's work. We must train our men to be loyal Pilgrims, to love God and the church. P.B.I. can help do this very thing. "Let us arise and build."

Respectfully submitted.

CLIFFORD W. THOMAS.

REPORT OF EXECUTIVE SECRETARY PILGRIM YOUNG PEOPLE'S SOCIETY

To the Annal Conference of the California-Arizona District, held June 26, 27, 1952. at El Monte, California.

Greetings, in the name of our Lord and Savior, Jesus Christ.

This has been a very peculiar and amazing year in many respects. From the comments we have had, some of the best district rallies were enjoyed this year that have ever been held in our district; but when the services were over and we had made our way home, it seems as though the most of our people forgot the pleas that were made for support of our youth work, financially, physically, and spiritually.

We feel that without question if it had not been for six churches and ten or twelve faithful workers we would not have our Youth Camp today. This is a shame and ought not to be. I think it would do each of us good to stop and ask ourselves the question, How much have I contributed to the work? and then pledge ourselves by the grace of God we will do better.

We have visited every church that we have been invited to and a number that we didn't receive an invitation to.

We traveled a little over 7,000 miles in the interest of the Youth work. This does not include the mileage to the National Youth Convention.

We have received \$130.00 in love offerings.

The activity at Mile High Pines has been very gratifying. We had a splendid group of workers for Junior Camp. 91 Juniors registered and 43 of this group knelt for prayer, accepting Christ as their Saviour.

Our Young People's Labor Day camp registered over 200, with the largest first-night registration in the history of the camp. 14 of these knelt in prayer, making a total of 57 through our summer camps.

We have had many Youth groups and Sunday School classes to use the facilities of Mile High Pines through the winter months, for which we are very thankful. We urge every church, Sunday School and Young People's Society to take advantage of this wonderful opportunity.

We wish to report on the improvements at Mile High Pines.

During the Christmas holidays, a large wood heating stove was purchased and installed in the dining room. Also, real windows, with real glass, were purchased and installed. The siding was finished on two cabins. One more was built and the floor was laid down for another, and piers were laid for the third. Cement floors and steps were laid in the rest rooms. Two large combination work and table-tennis cement tables 5x9 feet were completed and the third nearly finished.

We also purchased a much needed generator. This was a government surplus item valued at \$2,000.00. We bought it for \$500.00.

Many other improvements were made, which are too numerous to mention.

The house project has been held up, waiting for the sale of several other houses that were built by the same party. Let's pray the Lord to help in the sale of this property, so that our house can be built. This should mean at least \$3,000 for Mile High Pines.

We have received a good deal of money from outside sources. One man, not of our denomination, made us an offer of dollar for dollar, for every dollar we raise over \$100, up to \$200, on a given Sunday. We have already collected \$100 from him. The offer is still open, so let's do our very best when these opportunities come our way.

May the Lord bless you as Pilgrim Youth and help you to March On.

Yours in His Service,

MARTIN F. HORINE.

REPORT — DISTRICT SUNDAY SCHOOL SECRETARY

June 26, 1952

Greetings to the Conference officers, ministers and delegates gathered at El Monte, June 26-27, 1952.

My report as your District Sunday School Secretary does not take shape as anything gigantic, and I recognize that we have fallen short of the goal for increased attendance set by the Conference last year. For this I offer my personal regrets.

Twenty-seven Sundays during this conference year were spent in supply pastoring. One revival was held. Every invitation to visit the churches of the district for a Sunday School service was accepted, about four hundred miles being traveled specifically in the interests of Sunday Schools. Three Sunday School Committee meetings were held and three convention services presided over. About five hundred forty pieces of mail were sent out.

I have enjoyed the fellowship and cooperation of the good Committee members as well as that of the pastors and teachers in the Schools I have visited. May the Lord bless and help us as a District to go forward in our Sunday Schools, for the rescuing of boys and girls and the replenishing of our church ranks.

Respectfully,

DAVID E. OLSON.

Standing Resolutions from Previous Conferences

(1)

Be it resolved that the California-Arizona District purchase all the books listed in the Manual for the study courses, that are not in the Pilgrim Bible Institute Library. All books in the School Library to be available to ministerial candidates of the District on a circulating basis of a two weeks' period with privilege of renewal. District Council to work out all details.

(2)

Whereas the stress and strain of the times in which we live are such as to tax the strength of the busy pastors of our district, be it resolved that each church of the district give their pastor a two weeks' vacation with pay.

(3)

Resolved that love offerings be taken monthly for pastors of each church and that the delegate sees that this is done.

(4)

Be it resolved that the local churches pay the traveling expenses and entertainment of their delegates for the Conference business sessions. This does not include camp meeting.

(5)

Whereas, the General Conference has made provision that newly organized churches in established districts assume one-fourth of their General Budget obligations the first year after being organized; one-half of their budget the second year; three-fourths the third year, and beginning with fourth year pay in full;

Therefore be it resolved that on this district we apply the same percentages in regard to our district budget.

(6)

Be it resolved that the following items be paid out of the District Expense Fund.

1. Utilities for the home of the District Superintendent.
2. Publication of the Pilgrim News.
3. District office expense.

(7)

Be it resolved that the cafeteria and lunch stand be considered part of the camp meeting operations and all monies pertaining thereto be held in the Camp Meeting fund.

(8)

Be it resolved that ministers coming to this district from other denominations be interviewed by the District Council before their credentials are presented to the Conference.

(9)

Whereas in the past important papers have been lost and a considerable loss of time and finance were necessary to secure new papers, therefore be it resolved that all local churches of the district forward to the District Council, for filing, all legal papers pertaining to the ownership of the local church property.

(10)

Whereas the District owns shares in the Lexington Blvd. Mutual Water Co., therefore be it resolved that the following five district officers, by virtue of their office, be appointed to represent our shares in the Water Co.: The District Superintendent, Assistant Superintendent, Treasurer and Secretary, and the President of the Board of Trustees. And be it further resolved that the representatives vote the shares as a block as instructed by the District Council on matters of policy.

(11)

Be it resolved that the School Board for the Grade and High School shall be comprised of five members. One elected for 4 years, one for 3 years, one for 2 years, and two for 1 year. And be it further resolved that all subsequent elections be for a full three years.

(12)

Whereas the Pilgrim Holiness Church of the West Coast is in need of a more adequate Bible School, where our young men and women will receive recognized Bible training within our church, thereby retaining them for our denomination, be it resolved that the District Council and the School Board make plans to expand our present Bible School facilities, either by a building program on our own beautiful campus, or by investigating some worthy project elsewhere in the immediate future.

(13)

Be it resolved that the District Council and following committees and boards meet one day prior to the annual Conference to take care of such work as they have on hand. The Resolutions and Ways and Means Committees, and the Educational and Examining Boards.

(14)

Be it resolved that each church on the district be responsible to furnish at least two man days labor in preparation of the grounds for camp meeting, subject to the call of the District Council.

(15)

Be it resolved that the emphasis being placed on the work among the children of the Sunday Schools shall not be lessened, but that a greater stress shall be placed on the work among our young married folk and adults, thus building into our Sunday School program a definite place for the family as a complete unit.

(16)

We recommend that each self-supporting church put forth a home missionary campaign and try to establish at least one new church.

(17)

Be it resolved that all plans for the construction or remodeling of church buildings be presented to a committee on which there shall be an architect, a builder, and a financier for their suggestions.

(18)

Resolved that no pastor employ an evangelist without the endorsement of the District Superintendent.

(19)

Resolved that before licensed or ordained ministers coming from other churches shall be received into the local churches, the pastor shall consult with the District Superintendent and Council regarding said minister.

(20)

Be it resolved that each pastor be granted the privilege of holding at least one revival each conference year.

(21)
