## NEWS FROM THE CHURCHES ROSEMEAD

The Rosemead Pilgrims enjoyed a good revival from October 19-30 with Rev. Omar Fenton as evangelist and the Middletons, song evangelists. Our church as a whole felt they were a very excellent group of workers. Bro. Fenton is as good an evangelist as we have ever had, and the Middletons carry a real burden for the meeting and sing in the Spirit. Beginning with the first Sunday morning, we had seekers every service except one through the remainder of the meeting. To God be all the glory.

The Rosemead Pilgrims are a splendid group with which to work. A spirit of unity prevails which creates an atmosphere recognized and enjoyed by all.

At present we are in a Sunday School contest with Rees Memorial. The percentage gains have been very close. The contest concludes Christmas day. We feel this special effort has been a good thing for both churches at this season when the attendance has a tendency to lag.

## SAN FERNANDO

We just concluded a one week revival with Rev. and Mrs. Deotis (Dee) Zahner as evangelist and singers. The Zahners are some of our fine students in Western Pilgrim College. Bro. Zahner, under the anointing of the Holy Spirit, delivered powerful messages. Also during the meeting we were privileged to have with us others of our splendid students to sing and play instrumental numbers: Rev. and Mrs. Harlan Cannon, Walter Thomas, and Leon West. We certainly appreciate these young people and thank the Lord that we have such fine talent among our Pilgrim youth being used to God's glory. During this one week meeting the Lord was here in a mighty way and seven precious souls found victory. We praise God that He still saves in the old fashioned way and sanctifies all who are of a humble and contrite spirit. We are thankful for young ministers such as our evangelist and others who assisted in the meeting who believe in being born again and in second blessing holiness. Thank God the standards of holiness still wave in this the younger generation and may these banners always wave within the Pilgrim Holiness Church.

## SANTA ANA

After being out of the active ministry for some time, the Lord saw fit to open the way for us to take a pastorate again. We had to dust off the old barrel and polish the Damascus blade a bit, but, God has been helping us and giving the spirit of love and ministry again. It seems if possible even more and better than ever before in our lives. Amen.

We praise God for the good work Bro. and Sis. Park were able to do previous to our arrival on the field last September. God bless them.

We have had some battles and problems, also some Giants to fight, but Canaan land is still ours, and we are encouraged to press with holy vigor on.

There are some of the best people on earth here—loyal, spiritual saints, tried and tested. God bless them.

One of our greatest needs is a building program to enlarge our present plant. Many times it has been too small to house the Sunday School so we feel we cannot grow much until this problem has been solved. Please help us pray in this matter.

During the week of Nov. 13-20 God favored us with the wonderful ministry of Rev. Clinton Jones. He is a prince in Israel among us. His singing and preaching were well received and used of God. We also enjoyed having his good wife and fine family with us several times during the meeting. Several souls were at the altar for spiritual help.

RALPH AND ESTHER STEELHEAD, *pastors*.

## DIXON

Everything is doing fine here. Getting ready to plaster, fill cracks and paint. The Lord willing, and we have strength to keep on, we will be moved into the new building by February 1. We are making new friends right along and hope to have new faces when we move to new quarters.

## MISSIONARY BALLOON SUNDAY

On November 27, 1955, eighty-three Sunday School scholars at the South Mountain Pilgrim Holiness Church released a balloon for the Lord.

A two-cent card was attached to each balloon. On one side of the card was our pastor's name and address, on the other a scripture verse.

We prayed that the cards would seek out the lost, comfort those in trouble, and bring back the backslider.

Now we are just waiting for God to work and the cards to be returned. In two weeks we will let you know the result of this project.

Our missionary offering was \$33.00.

## REPORT OF THE DISTRICT SUNDAY SCHOOL RALLIES

With a desire to stimulate interest and encourage greater enthusiasm in the work of the Sunday School in our churches, the District Sunday School

Committee planned a series of Rallies in eleven of the churches of the California-Arizona District. The first of these services was held the evening of November 28, and the last on December 13.

It was a great privilege to travel with our District Superintendent, who took of his time from an otherwise busy schedule to travel in interest of Sunday School promotion. I have found Brother Hill to be both a fine gentleman and a Godly

Congratulations to the Los Angeles First Church for having the largest numerical and percentage gains for the month of November. May the blessings of the Lord be yours as you continue to march ahead.

## ADVANTAGES IN ATTENDING WESTERN PILGRIM COLLEGE

Generally speaking, we believe, largely, the way we are taught in our youth. If we are taught skepticism, we will be skeptics; if we are taught Calvinism, we will be of that belief; if we are taught orthodox Christianity, we will be conformed to that belief and life. Therefore, it behooves us to select prayerfully our school of learning.

The teachers at W. P. C. are exceptionally careful in selecting proper textbooks that will give the student adequate training and build Christian character. The cardinal virtues of Christianity must be the working principles of life. The faculty of our school has the soul of every student at heart. His interest is their interest, and in everything God is given His rightful place.

The spiritual environment is a mighty molding factor in the lives of all who contact it. A conscious absence of the evils of the world, such as smoking, drinking, swearing, dancing and card playing, is a blessing in itself. But the powerful influence of positive virtues—of unceasing prayer, constant clear ringing testimonies, kind words, thoughtful deeds—who can measure their worth upon the mind of youth? Also Christian activities outside of school create an impetus to all that is noble and good.

We offer a well rounded curriculum. By this we mean the all-sidedness of teaching that proportionally develops the student. The elementary and high school courses are planned to prepare the students to live useful Christian lives. Special emphasis is given to preparation for advanced courses. The college offers three majors: Theology, Music and Religious Education. A standard two-year Junior College course is also offered especially for the benefit of high school graduates who wish to continue their education under a Christian environment. The Bible is specialized in its respective departments both by synoptic and analytic methods. Believing that "the fear of the Lord is the beginning of wisdom," we point out the various phases of education in its arts, sciences, and philosophies, in the Bible. The false theories are discarded and the truth is upheld as the standard of right living.

Our rates are very reasonable. No Bible school attempts to meet the operating expenses upon the sole income of tuition received. The cost of board, room and tuition is placed at a moderate rate and believed to be within the reach of the average individual. In consideration of

the protection of the faith of youth, an institution of this nature is inexpensive at any cost.

No guarantee of a polished product is made, but we do believe, as one of old, that if you will come along with us we will do thee good.

C. W. THOMAS, Pres.  
*Western Pilgrim College.*

## EASTERN ZONE YOUTH RALLIES

The Eastern Zone is going forward. The Lord has blessed in all three rallies of the year. The second and third almost doubled in attendance over the first. The second rally was held at Chino and featured a roundtable discussion by the pastors of the zone on the subject, "Youth Problems in the Church." The third rally was held at San Dimas. Dr. Brubaker and the girls' quartet from Upland College were the engaged workers. The challenging message and good singing were enjoyed by all. We thank the Lord for all these blessings. Corona took both banners at both rallies.

MRS. ERMA HACKER,  
*Zone Chairman.*

## DISTRICT NOTES

Brother Weller is much improved and continuing his labors at the South Phoenix Church.

★ ★ ★

Brother C. J. Meyers has been very sick while in meetings in the East. He has regained his strength and would appreciate slating some meetings in our District. As most of you know, Brother Meyers has been a successful pastor and evangelist. He would give your church a good meeting.

★ ★ ★

The campus and camp grounds are being renovated and new lawns are being started. Thanks to pastors and members who are giving their time during the Christmas vacation to beautify the grounds.

★ ★ ★

The superintendent had the privilege of covering the District with the District Sunday School Promotional Secretary, Brother John Newby, and Brother Martin Horine. These meetings were, in my estimation, very helpful. I trust the challenge has been accepted by all to have "BIGGER AND BETTER SUNDAY SCHOOLS."

★ ★ ★

A new camp meeting dorm is in the making. The Lord, through His servants, has sent in \$2,000.00. Recently a member

in the East Pasadena Church paid his pledge of \$500.00, and a member of Rees Memorial, who pledged \$500.00 for the District Superintendent's room in the new dorm, paid the pledge, making a total of \$2,000 received to date. This amount is far below half that pledged during camp, and we trust that those who pledged will be able to pay before the conference year is too far spent. I do feel that the Lord would have us to rise up and build. Let us build a bigger and better camp.

progress being made on the recently acquired school building on an acre of ground. It promises to be the making of a fine church. After a fine meal prepared by the Casons, we drove through the fog to the city of Dixon. There were about 15 present and a good spirit prevailed. Bro. Hill served as chairman in all of our services. Bro. Horine discussed the matter of contests and gave some very worthwhile comments about the same, after which the main message of the evening was given. One carload came around seventy-five miles in order to be in the service. This great interest in the Sunday School is appreciated. We pray the Lord will bless our folk at Dixon in their plans for a strong church.

FRESNO—Tuesday we drove to Fresno, where we greatly enjoyed the fellowship of Rev. and Mrs. Herschel Hughes and family. The delightful meal prepared by Sister Hughes was excellent. Special honor goes to this church whose entire staff, with exception of one or two, turned out for the rally. This interest in Sunday School will precipitate real success when the much needed facilities are provided. The same general program was followed at each of these rallies. There were around forty present in spite of the heavy fog. After this rally everyone enjoyed a time of fellowship with pie and coffee being served by the ladies of the church.

OJAI—The Committee had planned a rally to be held at the Ojai Church but, upon receiving a letter from the pastor, Bro. Beck, stating that the church was in a financial bind and that other churches in the area did not want to dismiss prayer meeting to attend, it was therefore cancelled. Due to illness in our home I returned to Pasadena on Wednesday and Bro. Hill and Bro. Horine met with the people of the Oak View church and had a fine service with Bro. Horine as the speaker. No offering was received in this rally.

## YOUTH NEWS

The first week of February marks an important time of the year for Pilgrim Youth. This is national youth week and during this time a very special effort is made to improve our youth activities. If your Young People's Society does not have a project this is an excellent time to select one. Perhaps the improvement of a Sunday School room or buying road signs advertising your church would be appropriate to your group. During Youth Week would also be an excellent time to subscribe to Pilgrim Youth News, individually or as a group. Other special information about Youth Week is available from your pastor or Y. P. president so be sure to hear these special announcements.

It is encouraging to report that our District Youth work is going ahead. Some churches that have not had societies have started one, and some churches have organized previously unorganized groups.

Remember this important date: March 2, 1956. This is the time for our District Youth Rally at the El Monte Tabernacle. This will be a musical program and every church is being asked to provide a special musical number of either a vocal or instrumental variety. Please remember this and come prepared!

The March of Dollars is just around the corner and now is the time to start planning to help your society go "over the top." The aim of this drive is to raise one dollar for every church member for District Youth Work. If each society makes a real effort to succeed in this "March of Dollars" it will be a big boost to California-Arizona Pilgrim Youth.

Four important things: Youth Week, Pilgrim Youth News, District Youth Rally and March of Dollars. Let us support each of these important phases of our youth work.

## ADAMS MEMORIAL REPORTS

The New Year has brought encouragement and praise. A lady who has had very deep trouble came to the altar deeply penitent. She has shown the fruits of a transformed life, not only in her testimonies, but in bringing another lady to the altar. Prayer is requested for the latter, who has a very serious disease and who is seeking to be reclaimed. We entered the New Year with much joy in God's service.

## REPORT FROM YUCAIPA

The Pilgrim Holiness Church, Yucaipa, California, is the California-Arizona District Home Missions Church, located in the midst of the great Yucaipa Valley nestled in the foot hills of the San Bernardino mountains. (Only twenty-two miles down the mountain and around the corner from our Calif.-Ariz. Mile-Hi Young Peoples camp.) We are happy to report at this time the blessings of the Lord in our special services through the Christmas season including our special New Year services.

On Wednesday night, just preceding Christmas, we welcomed some fifty-five persons to our Christmas program, over half of whom took part in the program itself.

Then on January 1st we were privileged to start out the New Year with our District Superintendent, Reverend Lundy Hill as our guest in the Sunday morning services. Brother Hill addressed our Sunday School which God blessed with an attendance of thirty, and through His blessing and Brother Hill's encouragement we are praying that we might go forward never to see the "twenties" again. In the 11:00 a.m. church services Brother Hill preached under the anointing of God's Spirit.

Pray for the work here in the Yucaipa Valley, and with God's help and your prayers, "Watch Us Grow."

## NOTICE TO ALL PASTORS AND MINISTERS

The annual ministerial convention will be held at Rees Memorial Church in Pasadena, March 27 and 28. Workers are Dr. Wm. Kirby and other ministers of the district. This is our annual gathering; please be on hand. The date was set at the time of our annual conference last year, and appears on the back of the 1955 District Minutes, so we will expect each pastor and worker to have prearranged his schedule accordingly, in order to be present for the very first service.

## The Four-Point Plan

A four-point plan was instigated at our General Board meeting last November, and was launched officially at the District Superintendents and Workers convention in January at our General Headquarters. God in a great way placed His approval on this forward move by making the last day of the convention a highlight because of the pouring out of His Holy Spirit upon all who were present. The four-point program is as follows:

1. DEVOTIONAL LIFE.  
The deepening of the devotional life of our people.
2. BRANCH SUNDAY SCHOOLS.  
The branch Sunday school program has already proven its merits. We therefore recommend the following goals for a branch Sunday school program:
  - a. One branch Sunday School organized at a ratio of one each year for each twenty churches where the district is not organized into zones.
  - b. Where the district is organized into zones, we recommend that each zone start one branch Sunday school each year.
  - c. Any district with less than twenty churches shall strive for one new branch Sunday school this year.
3. NEW CHURCHES.  
We recommend that we set our goal objective for new organized churches as follows: One new church for each twenty churches or major fraction thereof in each district conference.
4. MEMBERSHIP INCREASE.  
That we urge and exhort all our pastors to strive for a 5% increase in membership this year.

(Continued next page)

Rev. P. F. Elliott will hold a one-night service in Phoenix, Los Angeles area, and in Fresno in April for the purpose of getting this program upon the hearts of the people. You will receive more information later.

## WESTERN PILGRIM COLLEGE

The doors of Western Pilgrim College opened for the beginning of the second semester on January 23, with approximately the same number of students enrolling as did last semester.

In the first chapel service of the new semester a wholesome, spiritual atmosphere pervaded the assembly, and gave promise of a rich year spiritually for the student body and faculty. The entire campus seems to give evidence of God's holy presence, and the fulfillment of the plan of the college—to build up her students in the faith of Jesus Christ — seems a surety.

The administrative staff here at W.P.C. has expressed the earnest desire that this semester will be one in which the constituency of the college will make a great spiritual impact upon this part of the Pilgrim Holiness Church. In order to accomplish this, the college is offering the services of several deputational teams that have been organized. Musical groups, including trios, quartets, and the college choir are available, and members of the faculty, including Dr. C. W. Thomas, Dr. G. A. Hodgkin, and Rev. C. W. Jones, are available for preaching engagements. In addition to these, members of the student body ministerial association are available for pulpit duty, and would appreciate being of service.

The pastors of the churches are urged to invite these Christian workers from W.P.C. to come and offer their assistance. No church needs to wait for a formal announcement from the college. If the services of someone or a group from the college are desired, a letter addressed to Rev. C. W. Jones, in care of the college, will be acted upon as an invitation from the church.

## YOUTH RALLY

A large crowd gathered at the East Pasadena Church for the Central Zone Youth Rally, Friday, January 13.

The song service was led by Jim Wilkins of Rees Memorial. Prayer was offered by Brother Gonzales of Los Angeles First Church. Special numbers included: Two selections by the Claiborne quartet from East Pasadena; a solo, "It's In My Heart," by Betty Artz from El Monte; a duet, "The Light in the Window of My Heart," by the McCoy sisters of So. San Gabriel; a mixed quartet from Rosemead; accordion solo by David Hecker from Los Angeles First Church; a solo, "I'd Rather Have Jesus," by Bob Wilkins of Rees Memorial; a duet from Rosemead. The scripture lesson was presented by Chairman David Hecker.

Competition for the banners was very keen, all societies being well represented. The first banner was awarded to the Rosemead society, the second to Los Angeles First.

## DISTRICT SUNDAY SCHOOL RALLIES

(Continued from last issue)

EAST LOS ANGELES—Thursday evening the Sunday School Party was composed of Bro. Hill, Bro. Eldon Stohr, and myself. Due partly to the rainy weather this was one of the smallest rallies with about ten present. There were representatives from two of the churches involved.

Here again there was an unwillingness on the part of two of our churches to give up their prayer services in order to attend. One of the greatest needs in our District is a spirit of genuine co-operation with the programs of the District. I long for the day to come when this indifferent attitude will no longer exist. The San Fernando people were unable to attend as they were in the midst of a Revival. Those present enjoyed Mr. Stohr's presentation of the importance of the Teacher Training program, as well as the service in general.

EAST PASADENA—Friday evening representatives from all six of the churches of the Central Zone gathered at East Pasadena for another rally. There were approximately sixty in attendance. The Promotional Secretary was the main speaker of the evening. A fine spirit prevailed in the service and there seemed to be a desire to see our Sunday Schools grow. A fine offering was received in this service as was received in most of the other rallies.

This brought to a close the first week of rallies in which we had travelled some eight hundred miles. The main slogan for these rallies was YOURS FOR BIGGER AND BETTER SUNDAY SCHOOLS—DISTRICT GOAL, 2500.

COTTONWOOD—Again Brother Hill and I made up the party for the Arizona rallies. We left early Monday morning and after a full day of driving we arrived at Cottonwood in time to have an evening meal prepared by Rev. Bernard Richards in the absence of his wife. We greatly appreciated their kindness to us. The service was an interesting one with about fifteen in attendance. A real interest in the work of the Sunday School was manifested by those present. With such an interest I am sure they will see success.

PHOENIX FIRST—After thawing the frost from our windshields we made our way across the fields and hills toward Phoenix. We found the Williams just returning from a revival in Colorado. A fine time of fellowship was enjoyed with Rev. and Mrs. Williams and family. Again the fine meals and accommodations were appreciated. The service was well attended by the people of the Phoenix First Church and South Phoenix Church sent representatives. There were around sixty in attendance and one of the largest offerings was received at this rally. A real desire for continued growth was manifested. Both these churches at present are showing a fine growth.

We enjoyed a visit with Brother Ray, pastor of the West Phoenix Church, but were sorry that his people were not able to attend the rally due to a revival that was in progress.

TUCSON—After an enjoyable time with the Williams family we left for Tucson. Upon arriving there we were warmly welcomed in the home of Rev. and Mrs. E. W. Hall. The hospitality manifested by our pastors has made this trip very enjoyable. Mrs. Hall had pre-

pared a luscious meal for us, which was greatly appreciated. This church was in many ways the most enthusiastic church that we visited. They receive credit for having the largest number in attendance.

It seems that all of our churches in Arizona are faced with a tremendous possibility for growth and development. We are praying that the Lord will help them

to realize the desires of their hearts.

RIVERSIDE—We left early Thursday morning for a service to be held in one of our newest churches. After a tiresome and long day of driving we arrived at Riverside weary in body but zealous for the Lord just in time to prepare for the service. The small representation from the other churches in the area was very

discouraging and may be significant of the reason why they are having such a struggle. We appreciated those that were present and trust that they were rewarded for coming. May God send us a revival of interest in the program of the church. When this comes I am sure there are better days ahead of us as a District. The enthusiasm of Rev. and Mrs. Paul Miller, pastors of the Riverside church was noticed as they accepted the challenge given and under God promised to do their best toward the building of a strong church.

There were seventy-six in attendance with a good representation from the Parkview Church. It was really heartening to see a church that has such a desire to do things for the Lord and His church. After a good song service led by Miss Doris Hutchinson with Rev. Ila Miller at the piano, the District Superintendent gave some stirring remarks in favor of Sunday School and then presented the Promotional Secretary as the main speaker of the evening. The service was enjoyed by all.

CHINO—We were sorry that our District Superintendent was not able to attend this rally with us. This rally was another which showed poor representation. There were about fifteen in attendance. As one Sunday School worker has said, "We cannot hope for bigger Sunday Schools until we have better ones," and I am persuaded that one step toward the building of better Sunday schools is through the area of CO-OPERATION. This would include more interest in programs like the rallies just past. May God awaken us all to the great possibilities in the area of Sunday School work and help us to show more interest in strengthening this *great* arm of the church.

LONG BEACH—Our last rally was held Tuesday evening in the Long Beach church. We drove through several miles of fog to be present at this rally. There was an unusually good spirit in the service in spite of the rather small attendance. Many were kept from coming due to the fog. We were glad to have representatives from the Redondo Beach church as well as several from Long Beach. We are hopeful that these rallies will start a reaction of spontaneous growth. After the service we enjoyed a season of fellowship with Brother Fenton, pastor of our Long Beach church.

May the Lord richly bless our churches and make this the most successful year in our history because of His presence. Remember we are all laborers together and success can only come for the District as we in the local churches do our part faithfully.

Yours for Bigger and Better  
Sunday Schools,  
John M. Newby,  
Promotional Secretary.

### Ministerial Meeting

The advantages in attending your ministerial meeting are many. Let us all arise to the support of the ministerial meeting because of the profit that is ours by attending every service. Some advantages are: 1. A deeper spiritual experience awaits each of us. Dr. Kirby is rich in resources and can lead the ministers into new areas by drawing from his years of experience and acquaintance with the Word. There will be times of prayer and singing that will tend to take us deeper with God and to challenge each to a greater service for Him. 2. A greater appreciation for our co-laborers will result from the development of friendship and fellowship with each other. Our churches are many miles apart. From our church at Dixon, Calif., to Tucson, Arizona, the distance is better than 970 miles. It is only by meetings of the above mentioned nature that our ministers begin really to know each other. "Heaven gives us friends, to bless the present scene; resumes them to prepare us for the next."—Young. 3. A restful change in Pasadena, which is called the "Crown City." Personally, I think with its mountain views, beautiful civic center, schools, churches, parks and other attributes, Pasadena is one of the most loved cities in the U.S.A. The facilities of our own Rees Memorial Church are beautiful and this, added to our appreciation of the marvelous work for the Kingdom accomplished by this body of saints, both past and present, will greatly add to our enjoyment of the coming meeting. Let us all meet at the Ministers' Meeting at Rees Memorial Church, March 27 and 28.

### Dr Clifford Thomas Re-elected

Another annual Board of Directors' meeting of Western Pilgrim College is history. The board gave Brother Thomas a unanimous vote on the first ballot to serve as President of the school for a term of two years. This speaks very highly of the President. "A man's character is the reality of himself. His reputation is the opinion others have formed of him. Character is in him; reputation is from other people—that is substance, this is the shadow."—H. W. Beecher.

### Coming Events

The time of our annual meetings is drawing nearer. There are three things that should disturb each of us: 1. What is the spiritual condition of the church? If a pastor plans to stay (Lord willing) or if he is leaving (Lord willing) he will be charged to give an account of his

Pasadena, California

stewardship. We all must plan, pray and push as though Jesus would appear at the close of this conference year, regardless of whether we plan to go or to stay. 2. What gains have been made? In looking over the work, can we see where there could be a greater increase to the glory of God if we would intensify our Sunday School efforts, or sponsor church membership drives? The district must show a 50% increase in membership to meet the goals set by our General Church. Failure will mean disappointment to our General officials. 3. What about the budget? The least our churches should send in is the District (which includes General Budget) and School budgets. To do so is to vote for the progress of both school and district. We must rally in our giving to Western Pilgrim College, or the amount contributed this year will be far below that of last year. This is causing the officials much concern. Will you share with us the burden? God bless you.

### REPORT OF HOLINESS ASSOCIATION

The Pomona Valley Holiness Association fellowship meeting was held at the Yucaipa church on January 13. Two previous meetings of the year were at San Dimas and Corona. The Lord has been very near in every service, making these meetings little camp meetings to our hearts. The attendance and interest in these services has been very encouraging. The day at Yucaipa was crowned with a wonderful altar service. The Association, comprised of the churches in the Eastern zone of this district of the Pilgrim Holiness Church, was organized with Rev. Joseph Fillmore elected President; Rev. J. A. Doane, Vice President; and Rev.

### REPORT FROM BUENA PARK

The Buena Park Church enjoyed a revival meeting January 17-29, with Rev. and Mrs. Ray Williams of Indiana, as the workers. The church appreciated their wonderful spirit-filled messages and the real blessing they were to us who were privileged to meet them. On account of the weather and much sickness, crowds were not as large as we expected, but there seemed to be conviction every night. We did not see the results we would have liked or desired, but some were helped and some still feel the revival spirit in our hearts and are praying and expecting results.

### PHOENIX FIRST REVIVAL

Phoenix First Church very recently reveled in the blessings of a more than ordinary revival. It was a week-end evangelistic endeavor composed of only five services. By reason of the direct providence of God, Reverend Bob Simonds was the select ministerial messenger whom God so beautifully anointed, directed and inspired to preach to perishing and pious mortals. Every message was freighted with much-needed, searching, practical and challenging truth. Repeatedly the convincing influence of God the Holy Ghost placed hallowed, Divine approval upon both God's man and God's message.

Mention should also be made of Mr. Dean Cowan, local youth singer, whose musical ministry was so genuinely blessed and enjoyed.

Phoenix First Church will long cherish the memories of those sacred moments when God's transforming, cleansing and healing power was so gloriously evidenced. Lives were enriched, visions were enlarged, faith was increased, courage was strengthened and responsibilities were multiplied. Eternity alone will make revelation as to the far-reaching and monumental accomplishments of this short, but blessed revival. Phoenix First Church has a dynamic challenge that can only be realized and accepted by Spirit Filled people.

Congratulations to these hard working churches and their workers. May we continue to grow in the months to come.

We appreciate the fine cooperation in the recent Workers' Institute held at the Rees Memorial Pilgrim Church. We feel that it was a profitable Institute and we trust that your teachers and staff received many good and useful ideas. We are sorry that the churches were not better represented. I still am a firm believer that one step toward having Bigger and Better Sunday Schools is to have a better group show up for such meetings as the one just past. We are praying for that day to come. A composite report will be sent to the churches at a later date. We are thankful for the fine gain in our District this month. Let us work to keep it up. Remember, we are still falling short of our goal of an average of 2500 in attendance in our District Sunday Schools.

Yours for Bigger and Better Sunday Schools.

## SUNDAY SCHOOL WORKERS' INSTITUTE—1956

The Rees Memorial Pilgrim Church has just been privileged to have the Annual Sunday School Workers' Institute here on February 23 and 24, 1956.

The theme was "Bigger and Better Sunday Schools." Each speaker was a top specialist in his field. Workshops demonstrating new and helpful methods for training were given. Every speaker brought

forth the necessity of having Christ pre-eminent, indwelling and filling the teacher with love for each pupil. The teacher must pray for each pupil individually and carry a concern to see him or her brought to accept Jesus Christ as his own personal Saviour. The teacher must be full of enthusiasm and zeal, tempered with wisdom and knowledge; always prompt, faithful, and full of love and joy. We should take seriously the task with its

responsibility as God gives us the opportunities.

Rees Memorial Church enjoyed being host to all the representatives and friends from the District churches. The attendance was over 250 and delicious meals were served to around 220 in our lovely new Youth Building. It is up to us as individuals to put into practice that which we have learned, to prove this to have been a successful conference.

## YOUTH NEWS

What is your Young People's Executive Committee doing? The following minutes are representative of a regular Committee meeting. As you read these minutes, think about how you can help to make these plans become useful realities.

DANIEL CHAMBERLAIN,  
Y. P. Exec. Sec'y.

### Minutes —

#### District Young People's Council Saturday, February 11, 1956

Meeting convened in committee room of the Western Pilgrim College at El Monte. Members present were Daniel Chamberlain, Paul Bufkin, David Hecker, Martin Horine, and Gene Daffern.

The minutes of last meeting were read and approved.

In a financial report on the rose parade lunch stand, Mr. Bufkin stated that \$150.00 had been secured through this means.

Mr. Chamberlain then cited tentative agenda as follows: 1. Youth Rallies, 2. March of Dollars, 3. National Youth Convention, and 4. Youth Camp.

Motion carried that we consider business in fore-mentioned order.

**YOUTH RALLIES.** It was informally decided that each church should provide a musical number, (either vocal or instrumental) at our coming rally.

It was also definitely established that the next district rally is to be March 2, rather than March 3.

Motion carried that someone be appointed by the chairman to take charge of the devotional at our Youth Rally.

There was an informal decision that J. E. McCoy should be a member of the welcoming committee.

**MARCH OF DOLLARS.** Motion carried that authority be vested in Martin Horine to purchase pencils, etc., and have them engraved in support of the March of Dollars.

**NATIONAL YOUTH CONVENTION.** A prize of a trip back to the National Convention was discussed, but rejected because of the lack of finances. It was decided that only the delegates should be sent.

Motion carried that the recording secretary write Dr. Elliot to solicit information about the delegate system, and to become informed as to what the general church is prepared to do about transportation.

**YOUTH CAMP.** It was formally declared that Martin Horine is in full charge of the rental, maintenance, and improvements of our Youth Camp.

Motion carried that we request the District Sunday School Committee to join the District Youth Society in providing free passes to Mile High Pines.

Motion carried that Daniel Chamberlain and Gene Daffern bring recommendations for successfully getting local young people's leaders to Youth Camp.

It was formally decided that Junior Camp, ages 7-10 shall be August 13-18, and the fee shall be \$12.50. And that the Intermediate Camp, ages 11-13, shall be August 20-25, with a fee also of \$12.50. The Young People's camp shall be August 27-31, and the fee is yet undetermined. Labor Day Camp will follow from August 31 to Sept. 3.

Motion carried that our Young Peoples Camp begin Monday, August 27, and close Friday, the 31st.

**WORKERS.** Motion carried that Bro. Hill and Bro. Chamberlain choose the workers for Mile High Pines.

Motion carried that Bro. Chamberlain, Bufkin, and Hecker compose the transportation committee. (For Youth Camp.)

The next meeting was set for Saturday, March 10, at 7 p.m. and is to be held in the committee room of Western Pilgrim College.

A motion of adjournment was carried.

Respectfully submitted,  
GENE DAFFERN, Rec. Sec'y.

## EVERY BODY IS DOING IT

Doing What? Joining the "March of Dollars." Come on, young and old, let's join the annual March of Dollars, and make this the greatest year.

Remember, this year the dollars go to build Youth Fellowship Hall at Mile High Pines. From the looks of things, we have many, many more joining the March than ever before. If we get a hall built in time to use for next camp, it is going to take everyone of us doing our very best.

Talk to mother, dad, brother, sister, friend, and neighbor. Our goal is at least \$1000.00 for March. Say it with me: "WE WILL BUILD."

The church that has the largest offering per church member will receive one pass to a summer camp. Second highest will receive one-half pass and third highest will receive one-third pass.

(Did you forget your pledge you made at Mile High Pines last Labor Day?)

## Y.P. ZONE RALLY

Friday, January 27, the Yucaipa Valley Church was host to the other churches of the zone for a Youth Rally, with Rev. Thomas Hamon, East Pasadena pastor, as special guest speaker. Brother Hamon preached a powerful message under the anointing of the Holy Ghost. God came in upon the scene in the entire service and blessed in a mighty way, with five

souls finding victory at the altar, including a local young couple who were born into the Kingdom. Pray for this fine family (they have four fine young boys) as they begin their new life in Him. Praise the Lord for His wonderful full and free salvation!

## NORTHERN ZONE REPORTS

The Northern Zone Youth Rally was held on February 18th at the Ojai Church. The (Indian) Thomas Family brought an evening of Spirit-filled music and songs. We were also favored with an instrumental number from the Ojai church.

Between Oak View, Ojai, and Ventura there were 101 in attendance. Interest has been keen with all churches pressing hard for the banners. Ventura took both banners home.

Rev. Stanley Miller, the new pastor at Oak View, gave an inspiring message from the 12th chapter of Isaiah, "Therefore with joy shall ye draw water out of the wells of salvation." Eight hands were raised for prayer.

## A NOTE OF THANKS

We wish to thank all of those who have shown us such kindness and consideration during our recent "hospital experience" and we greatly appreciate the prayers which were offered in our behalf. We had felt that God would have us slip quietly into the hospital but the news seemed to get out and we appreciated those whom God also seemed to send to pray for us in our time of need. We also want to take this opportunity to express our appreciation to the several visiting ministers who spoke in our different special services during the month of January as well as those of the brethren who filled in for us during our disability. Throughout, God has supplied an abundance of grace and enabled us to overcome every trial and, greatest of all, He has given the increase. Praise His name!

## NEW CHURCH AT POMONA

The new Pilgrim Holiness Church at Pomona, California was dedicated free of debt March 18, 1956. There were nearly two hundred people in attendance. The District Superintendent, Rev. Lundy Hill, was in charge, and gave a challenging message on the subject "Christ's Answer For This Age." The male quartet from the local church, a mixed quartet, and the young people's choir brought special musical numbers.

The old church had been sold and 1 $\frac{3}{4}$  acres of land purchased, on which the new church was built. The auditorium is 30x64 feet. The first wing is 22x47 and is now being used for Sunday School rooms. The city of Pomona has valued the property at \$24,000.00. The actual cost, not counting the labor donated by pastor and people is \$10,250.00.

A new parsonage will be built in the near future on the same acreage. There is room for additional Sunday School rooms and a larger auditorium to be built in the future. This new plant is located in a new subdivision where many new homes are being erected.

It is amazing what a small group of self sacrificing people can do in a short time when each has a mind to work. Such is the group of saints in Pomona.

## YOUTH NEWS

Life has been described as a series of emergencies and such a description certainly applies to our District Youth Work. The month of March has been our annual March of Dollars and this makes *now* a time of crisis. The success of this drive will largely determine when our Youth Fellowship Hall can be built. If you have sent in your one dollar per church member—thanks; if you have collected your money but have not mailed it—do so; if your church was unable to raise its quota perhaps you would like to do as some others have done and take the necessary amount from your Y. P. Treasury. We are looking forward to a 100% effort on this very important project.

Already the press of Youth Camp planning is upon us. Some workers have already been chosen and others are being selected. Pray with us that this year's camps will be the most successful we have ever known and plan now to attend or to send a worthy child or young person.

Another item of immediate concern is our Mile High Pines water system. Improvement of the system and purification measures are essential *right now* before our camps can open this summer. This will be a major expense of \$600 to \$800, so pray and give that this need will be met.

## TESTIMONY

I would like to give a personal testimony. On February 1, I underwent surgery for gall bladder. For five days and nights I lay between life and death. Praise God for a church that stood behind me in prayer. God undertook and brought me back. I hope I never forget His sweet presence. I believe He brought me back to work for Him. I want to do all I can for Him and let others know how good God is to me.

## SUNDAY SCHOOL REVIVAL

April 1-May 13

No doubt you have received material from the General Headquarters concerning this matter. Let us do our best to make This a real time of soul-saving as well as of increasing our attendance. It would be

interesting to make each Sunday during this Sunday School Revival serve as a round of a ladder and then see if your attendance won't climb a step each Sunday as you PREPARE, PLAN, AND PRAY for Success.

I would like to have each church report to my office your attendance each Sunday of this Revival. Please send your card the Monday following each Sunday. I will compile the attendance and mail you back the attendance of each church. The church with the highest numerical gain will be crowned the CHURCH OF THE WEEK.

Think what our churches could do if during this Revival each person who reads this article would bring one new person to his Sunday School and Church. I challenge you, under God, to make these seven Sundays the best of the year.

Yours for Bigger and Better Sunday Schools in California, Arizona,

## BRIEFS FROM THE CHURCHES South Phoenix

Birds are flying at South Mountain. We have started a new contest with the girls being "redbirds," and the boys "bluebirds." When a new student is brought in, a bird flies up in the tree. In spite of a black cat, a hawk and a crow, we had three blue birds and six red birds in the tree. We had 96 in Sunday School. We give God all the praise.

RUTH E. LONG, *Reporter*

## San Diego

We are rejoicing in the Lord for His blessings. The church has undergone some inward and outward redecorations. The new white coat has brightened the outward appearance of the building. The floors have all been refinished and carpeted, with draperies to match. We are keeping warm with a new wall furnace. For the material blessings of the church we praise Him but most of all for the six souls that have recently sought and found Christ as personal Saviour. We are looking forward to a victorious year. Praise His name.

RUSSELL JOHNSON, *Pastor*

## East Pasadena

The East Pasadena Pilgrims and friends were lifted and inspired recently by the voices of the choir from Western Pilgrim College. Dr. C. W. Thomas, the college president, warmed our hearts as he spoke from the Word. This was truly an outstanding service which was marked with heaven's sanction and blessing. We are most thankful for a deeply spiritual school.

## WESTERN PILGRIM COLLEGE

The newly formed Financial Committee of Western Pilgrim College met for the first time March 10, 1956, at the college, to discuss ways and means of dissolving the indebtedness of the school system.

An analysis of the financial program of the school for the period ending about September 1, 1956, showed that the school would require five thousand dollars in addition to the funds that will come in through tuition and the other normal monetary income avenues, in order to liquidate the entire operational expense of the school. The Financial Committee has, therefore, adopted a resolution whereby this deficit can be entirely erased by September 1, through the cooperation of all of the people and the churches on the Western Educational Zone.

The plan that has been drawn calls for a contest to be held in and throughout the three districts of the zone, including all of the churches of the districts, the students of Western Pilgrim College and High School, and the Alumni Association of W.P.C. The goals have been budgeted

in the following ways. The California-Arizona District has been asked to raise \$2,000.00, the Idaho-Washington District, \$500.00, the Pacific Northwest District, \$800.00, the students of W.P.C. \$1,000.00, and the Alumni Association \$1,000.00. Because of an already heavy assessment, the California-Arizona District is taking its assigned budget as its goal. The churches in the Great Northwest are being asked to raise at least two dollars per member, with a minimum of thirty dollars per church for those churches with less than fifteen members.

The awards that have been set up for the winners of the contest will be given on the basis of one hundred dollars to each of the three districts and the student body of W.P.C. as well as the Alumni Association. The contest will actually be carried on within these separate units, and competition will be limited to within these separate units. To be eligible for the contest, each church must reach its goal. Awards will be given only on those districts and to those organizations which reach their entire goal. For example, should the El Monte church win the contest in the California-Arizona District, they would receive the award only if the entire district as a whole reaches its goal of two thousand dollars.

Each district will be allowed to determine the award winning church on its district, on a basis of the most money raised above the set quota. The winner will then receive a choice between a paid round trip fare by bus to the NATIONAL PILGRIM YOUTH CONVENTION in beautiful Winona Lake, Indiana, and the equivalent on a year tuition scholarship to Western Pilgrim College. The winning churches will determine how the awards are to be used. The student body and alumni groups of W.P.C. will each receive one hundred dollars to dispose of at their own discretion, providing also, that they reach their goals.

C. W. THOMAS, *President*

## REPORT OF MINISTERIAL CONVENTION

Rees Memorial Church, March 27-28

Rev. Lundy Hill, Chairman

Rev. John Newby, the host pastor, gave the address of welcome. Response was given by the District Superintendent, Brother Hill. Personal longings were expressed for closer conformity to Christ, and for larger degrees of His grace. "We must talk more about the vital things of the Lord."

Delicious meals were served in the new dining hall. Every attention was given to

(Continued on Page 4)

(Continued from page 3)  
the comfort of convention guests. We are grateful to Bro. Newby and his people for their excellent planning.

One highlight of the convention was the "Problem Clinic," a panel discussion by pastors Lee, Beck, Hamon, Wells, C. Morgan, Hughes, Fenton and Mr. Bickmore. Such questions as the following were discussed:

How does a pastor know when it is time to leave a pastorate? Does the value of cooperation with district functions and ministerial meetings merit the cost? How does a minister know when he is "called?" How can we increase attendance at our Sunday evening services? Is there anything we can do to get people to sit in the front seats?

Daniel Chamberlain spoke on "Mile High Pines, Our Youth Camp—Its Value and Its Needs." Large numbers have been saved in this camp. The most pressing need is for a reconstructed water system, without which we cannot open camp. Each Young People's Society is urged to send in at least their quota of "March of Dollars," which is one dollar per member. Another need is for a Youth Fellowship Building. Services must now be in the open, or in case of rain, in the dining hall, which is not acceptable with Forestry Personnel.

C. W. Thomas, President of W.P.C., moved our hearts by his address on "Do the results warrant the expenses of our Western Pilgrim College?" Brother Thomas pointed out that the smallest segment of the church is the college age group, with high school group next, yet our school has more than doubled in eight years. We build around the Bible as a major, with sacred music also a major. With all other subjects we are doing as good a job as any other school. I wish some of our young people who are going elsewhere could wake up to this fact. The teachers are consecrated and dedicated. Our objectives result in the finer things of character building in young people. The College Choir is an example of what we are trying to do. Every one of the first twenty listed in "Who's Who" attended a Christian College. Eighty per cent of ministers of all churches have come from

small Bible Schools. Large colleges figure that one third of their expense must come from outside sources. We have had only one fifth. From the District, we have received one and six-tenths of District monies. *We are giving our lives.* Money is cheap compared to that. The school is seriously in arrears. May 15th is the deadline to pay teachers. Let everyone do his best.

Rev. Clinton Jones preached on II Tim. 1:6 "Rekindle God's gift." Paul was not elderly but aged by burden and adversity. In a prison cell, his concern was strong for Timothy, his young helper. Was Timothy losing his nerve? Pastoring any church has problems and tensions. Was Timothy tempted by city ease and luxury? Demus had been. We plan so much and yet the days leave us with so much undone. Maybe Timothy felt the same way. Examine ourselves. Churches rise no higher than their leaders. Every commitment we made back there is still a commitment. We should endeavor continually to lift our spiritual status. We need a sound mind to keep from blowing up and a steadfast heart to keep from giving up.

Rev. Arnold Hodgin preached three messages—Tuesday morning on Jer. 23:33 "What is the Burden of the Word of the Lord?" We must show a keen sense of responsibility to the lost. The subject Tuesday evening was "The Cross," Heb. 9:13, 14. 1. The Purchasing Power of the Blood, 2. Its Cleansing and Purifying Power, 3. Its Preserving and Keeping Power. If I feel my heart getting cool I read again the record of the cross. One has said, "No doubt, Jesus came to see it was a mistake to go to the cross." It was no mistake—He died for me. There is not a waking moment but the demand of God to us is Holiness.

Wednesday afternoon, Dr. Hodgin used as a text I Cor. 1:29-31 "No flesh should glory in his presence . . . He that glorieth, let him glory in the Lord." Jesus is made unto us "Wisdom." God can put it into a soul that is attentive to Him. There is a danger in the holiness movement of losing our lines of demarcation. That is why you can attend a holiness church six months or even a year and never hear a sermon on hell. Jesus is made unto us "Righteousness." God can make a man who is

crooked and sinful so changed that he can live conviction on those who know him.

## HOME MISSIONS

A new work has been opened recently in Escondido, California. Rev. Omar Fenton has resigned his pastorate at Long Beach and is spearheading the Escondido work. This work has been made possible by the contacts made over a period of one year with a business man in the city, Mr. W. E. Tomkinson, and with the help of others who were interested in a spiritual church. The good people are now worshipping in the Women's Club, but have already outgrown these quarters. We must rise up to help these people get a more suitable place where there will be room for expansion. Thanks to Brother Fenton who resigned a very good church to pastor this new work. Already God has proved Himself to him and he is encouraged in the work. Brother Fenton's address is Route 5, Box 460, Escondido, Calif.

## THE FORWARD MOVEMENT RALLIES

The California-Arizona District is getting under the burden of the FORWARD MOVEMENT. This was evidenced in the fine response of the pastors and laymen as they drove many miles to attend the rallies conducted by Dr. P. F. Elliott. Some drove as many as 130 miles one way.

The first rally was held at Phoenix First with total attendance of 112. All the pastors in Arizona were present. These workers are really anxious to go forward and they are pushing ahead in every way. The speaker, Dr. Elliott, gave a stirring address on the Forward Movement. Those who were privileged to hear his message will never be the same. The pastors of Tucson Second, Rev. Ila Miller and Rev. Doris Hutchinson, led the group in singing and also rendered a special number.

The second rally was held at the Rees Memorial Church with a total attendance of over 250. Several churches were not represented, however this proved to be an outstanding meeting. The message was well received for the Lord did honor Brother Elliott. The Western Pilgrim College, under the direction of Professor Ernie Lewis, furnished the music. Our new work that has recently been started at Escondido was represented by the pastor, Rev. Omar Fenton, and several laymen.

There were two other rallies held, one at Western Pilgrim College and the other at Fresno. There were 167 in attendance at the College and 54 at Fresno. Both services were very gratifying.

At the close of the rallies at Phoenix and Rees Memorial, Brother Elliott took an offering for the new work at Escondido, California. The total given was \$217.75 in cash and \$594.00 in pledges to be sent to the District Treasurer within 60 days.

The California-Arizona District has joined in this Holy Aggression in building the kingdom of God by building Pilgrim Holiness Churches.

## GOSPEL GREETINGS FROM OREGON

Though absent from the district, the Lord's presence is ever present in our hearts. We rejoice daily that He deems us worthy to be in His service. Recently we were privileged to visit our Indian school in Bernalillo for two weeks, preaching, teaching and working. Three found victory for their hearts and lives. Never have we addressed a more courteous and reverent group of students; they are reflecting the teachings and lives of the fine superintendent and his wife, as well as their fine co-workers, the David Hills, Misses Baker and Keller. Calling in the Indian village Jemez with Mrs. Barefoot and Mrs. Smith, reading and praying in the homes was not only interesting, but quite revealing in many ways. We should pray much for these consecrated and sacrificing young people who are giving their all that the Indians might live.

Last year we conducted a Bible story hour each week in our home, with from 18 to 23 mostly in each class. Also, we have been kept busy supplying and taking appointments for preaching and Sunday School work, having more appointments at times than we had time to fill. We are available for evangelistic and Sunday School revivals and are doing our best to "redeem the time while there is time to redeem."

## YOUTH NEWS

Everyone likes to be a success and everyone likes to be connected with a successful movement. Most of our churches have been informed about our great need for a Youth Fellowship Hall; all have agreed that the project is necessary and important. During our March of Dollars, each church was given the privilege of contributing one dollar per member to make the project a success. Several churches responded and several others have made definite promises to contribute. How did your church do? What did you do? If you are ashamed of your answer to these questions then ask your society to take a special offering for this project or take the needed amount from your treasury. Remember: When \$2,000 is in, the building will begin. We have a little over \$1,000 now; help us go over the top!

You probably noticed that when the dates (Aug. 27-31) were given for the Teen-Age Camp, no price was stated. The Young People's Committee has now set this at the very reasonable rate of \$10.50. Young people desiring to stay for both Teen-Age and Labor Day Camp may do so for only \$17.50. This is a real bargain! Plan now to attend, if you are 13 to 17, and if you are older, plan to send a worthy high school student.

This summer will mark the second annual Youth conference held at Mile High Pines. The delegate system was new to many last year and some churches were not fully represented. Each church has the following minimum representation: 1. Pastor; 2. Y. P. President; 3. Official Delegate. If your church has *all three* of these people present for the business meeting Monday, September 3, your society will receive a free half-pass to the 1957 Labor Day Camp. Let's see if at least twelve churches can win such a pass!

In the very near future a contest plan is to be announced to help your Sunday School grow by sending your children and young people to Youth Camp. What better combination can you imagine? The Sunday School to plant the seed with a Youth Camp to help *your* church reap the benefits of the harvest. Let us get behind this contest and make it a real success.

APPRECIATION: I have greatly appreciated the way that the Pastors and Sunday School Superintendents have been co-operating in sending the monthly report cards to my office each month. This month they were all in the office early. We are grateful for a 100% report.

We are happy for the way the Sunday School Revival is progressing. Your co-operation is greatly appreciated. Let us strive to see many new converts in the remaining weeks of the Revival.

## REVIVAL

The Ventura Pilgrim Holiness Church closed a fifteen day meeting on April 15 with Rev. Fred K. Wells as our evangelist, and Rev. and Mrs. Gene Arnone as song evangelists.

The Lord came down and met the need of every one who would let Him. The Holy Ghost was present in every service. The Lord used the evangelists mightily. Personally, I never have heard Rev. Wells preach as he did in this meeting. He truly is a man of God.

The Church was strengthened in a marvelous way. There were over fifteen persons who bowed at an altar of prayer, some for the first time. The last Sunday night, four new members were taken into the Church. Some of the members said that they had never seen or heard anything like it before. Truly the old fashioned way is the best and it is what really counts at the judgment bar of God.

And that is not all: The Sunday following our revival, at the close of the morning service, a man about 68 years of age wanted to be saved. It didn't take long for him to pray through to victory. Praise God.

Pray for us here that this Light House will continue to shine out and that men and women, boys and girls will find the One precious to their hearts.

## SOUTHEAST ZONE YOUNG PEOPLE'S RALLIES

The second rally of the year was held at the Bell Gardens Church, Rev. Mrs. Jemima Walker, pastor, with fine attendance, and the "Indian Family" giving a special musical program that was enjoyed by all. Rev. Omar Fenton gave a stirring message, and surely every heart was moved closer to God and stirred to do greater things for His glory. Buena Park took home the Banner from this rally.

Our third rally was held at the North Redondo Beach church, Rev. Garnett L. Palmer, Pastor. There was very good attendance at this gathering; special songs and music were rendered by groups from the different churches. Rev. Robert Simonds was the special speaker. The Long Beach Church was the winner of the banner at this rally.

East Los Angeles Pilgrim Church, Rev. Wm. Rugh, pastor, was the place of the next rally. Some scheduled workers for this rally were not able to be present, as well as had been the case at North Redondo. The Zone Churches represented provided the special numbers in song and music. Rev. Clifford Thomas, President of

our Western Pilgrim College, was the speaker of the evening. The Santa Ana Church carried home the Banner. We feel God surely is indeed blessing in these special services and the hearts of the young and old alike have been strengthened and encouraged to press on for the way of righteousness and true holiness.

## RECOMMENDATION

This is to recommend Mr. Walter Lee Thomas, as song evangelist and musician, to our churches in the California-Arizona District of the Pilgrim Holiness Church. Mr. Thomas has recently conducted a two-week meeting for our church in San Dimas, and we have found him to be a fine singer, splendid song leader, and an excellent musician. Moreover, he is a good Christian gentleman; cooperative, enthusiastic, and has a real interest in souls. It will pay you to write to Mr. Thomas at once. His address is 2502 North Hoyt, El Monte, California.

## NEWS FROM ADAMS MEMORIAL

Since parking ordinances prevent the building of an addition on our lot, we are improving the building we have. The church has been redecorated; new aisle carpets have been bought and an electric organ installed. The old piano has been replaced with a better one. We are grateful for these improvements and thank the Lord. Our greatest desire however, brethren, as yours also, is the salvation of souls and the building up of God's kingdom.

## IN MEMORIAM

### Fred Charles Rosentrater

Fred Rosentrater was born Dec. 23, 1886 at Dwight, Nebraska, and departed this life March 25, 1956, at his home in Upland, California.

Mr. Rosentrater, with his wife, the former Mildred Colegrove, spent nearly three years in Haiti translating and printing the New Testament and Psalms into the Haitian language—a masterpiece of work and an invaluable aid in the spreading of the Gospel in that place.

Brother Rosentrater has been a real testimony of Holiness throughout his life. His last hours here were filled with praise, and he often spoke of his desire to go home to be with the Lord.

Brother Rosentrater labored faithfully in helping build the New Pilgrim Holiness Church in Pomona, where his presence and radiant testimony will be greatly missed.

Left to mourn their loss are four sons, one daughter, four brothers, two sisters, 13 grand children and many friends.

## W.P.C. CHOIR

On Sunday evening, April 22, a yellow bus bearing the name "Western Pilgrim Schools" stopped in front of the Ventura Pilgrim Holiness Church. Out clamored the members of our school choir with their director, Prof. Lewis, who was serving as bus driver.

This was an introduction to a wonderful blessed evening of music and preaching of the Word by our school choir. The Lord richly blessed the service with His Holy Spirit from the very first song. The singing of the choir and the special numbers by the trio will long be remembered by all of us. We were all blessed even to our pocketbooks. We thank the Lord for the wonderful offering that was given for our school.

Bro. Bill Moore, a member of the choir, gave us a rich inspiring message on "The Two Ways." Thank the Lord for the consecrated young people we have in our school. We know that our future church is wrapped up in these young people.

May God's choicest blessings be upon our school and upon Prof. Lewis and this good choir that came Ventura way.

## NEWS FROM THE CHURCHES

### DIXON

Mother's Day we had a wonderful service; children taking part, and the pastor's message being from I Samuel 1:9-22 and Proverbs 1:8 on the subject of "Mothers." A wonderful spirit prevails in our services. Mothers of our Sunday School children present were: Mrs. Ann Webster, Mrs. Ringer, Mrs. Crow, Mrs. Casterline, Mrs. Monk Moore and two sons, and Mrs. Anders, and our regular members. We also rejoice that Rev. Helen Schmidt, a member here at Dixon, gave us a check for \$100 for our building fund.

### EAST PASADENA

The young people of East Pasadena are in a forward movement for Christ. For the last month, six have given their lives to Christ. Three of them came forward during our Sunday evening service. Dr. Clifford Thomas was the speaker. Three others accepted Jesus in our recent revival with Rev. Adrian Grout. We desire your sincere prayers.

## CAMP NOTICE

The time for another camp is upon us. Just a reminder that we need bedsteads and mattresses badly. Full beds, three-quarter, or single beds in good condition are needed. Won't you please do your part this year to make this the best camp in history. May the Lord bless you.

## PRAYER REQUEST

These are great days to be a worker in God's vineyard. Great grace can be ours as we reap the harvest that is so over-ripened. The time in which we have left to work is so short. His coming draweth nigh. So let each of us strive to be found faithful at the task He has given.

The time for our District Camp and Conference is at hand. We earnestly request that all our people will pray much for these coming meetings that God will have His way and will lead and direct in all matters pertinent to the advancement of His Kingdom. The Lord can and will answer prayer. May God bless each of you.

## FINANCIAL NEED AT WESTERN PILGRIM COLLEGE

Rev. Clinton W. Jones, Vice President of Western Pilgrim College, will be visiting the churches of the District during the month of June to acquaint the people with the desperate financial need of the school at this time. Income from the churches the past year has been \$2,000 less than for the same period last year, and the school has been placed in serious circumstances financially as a result. Will you help us pray that God will grant us our heart's desire to see our school close the year with all teachers' salaries and all operational expense bills paid in full. Any financial assistance from any individual and from the churches will be sincerely welcomed and gratefully appreciated.

CLIFFORD W. THOMAS, *President*

## REPORT OF ROY E. AND MINNIE MORGAN

We felt perhaps we should report a little of our labors in the vineyards of the Lord.

We left Kansas early Monday, April 2. We had our first revival in the Pilgrim Holiness Church of Garden City, with Rev. John Rovenstine and his fine people. This is a Home Missionary Church, but they have a fine Sunday School and a splendid group of young people. The Rovenstines are a fine family and have worked hard, and God has blessed their work. The Lord gave some good results in this meeting, as it was one of the easiest places to preach, and several young folk sought the Lord. We were entertained in the new home of Mr. and Mrs. Henry Sager, who were so very kind and hospitable. She is a sister of Rev. George Farr, one of the good preachers of the Kansas District.

Our next meeting was with the Syracuse Pilgrims, and a grand large group of saints they are. They have more chil-

dren in this church than any we ever labored in, I believe, and they all came faithfully to the revival, even though some had to travel over thirty miles to get to service. Night after night they were there. Rev. L. L. Miller and his fine wife are pastoring the Syracuse Church. Brother Miller was District Superintendent on the Island of Barbados for many years, and field Superintendent of the Caribbean area for several years. They spent sixteen years on the mission field. They are wonderful folk to labor with and it was indeed a pleasure to be in their home and enjoy the wonderful fellowship. The pastor and wife of the Superior, Nebraska Pilgrim Holiness Church, Rev. and Mrs. Leroy Feleburg, were the special singers and musicians, and also conducted children's services. They also had a fine children's chorus, which was a blessing in the meetings. The Lord blessed in this meeting with conviction and salvation, and several souls sought the Lord at the altar of prayer. We give to God all the glory.

We arrived home May 2nd. Our Chino Church was supplied by Rev. David Olson and family, Rev. Harry Smith, and on the last Sunday we were away, Brother Ernie Lewis and a group of students from Western Pilgrim College ministered to the Chino Pilgrims. We appreciate the help and blessing these workers were to our Chino people, and the Chino Church enjoyed their ministry.

We are thankful the way the Lord has helped in our Sunday School in Chino the past three months. The increase has not been spectacular, but small and slow; but we were so low for so long, it has taken a long time to get up any momentum. But recently several new children and young people have come in and are attending regularly.

After prayer meeting last Wednesday night a fine group of the Chino Pilgrims surprisingly broke in upon us at the front door of the parsonage and upon coming in began to congratulate us upon our soon coming wedding anniversary. They presented us with a service for six stainless steel silver set, and loaded us with a table full of food. Also a lovely, fine cake was placed on the table, and after a time of congratulations, and greetings, we enjoyed a time of social Christian fellowship with refreshments served, which our good people had brought along. May God richly reward them.

## IF YOU SCATTER SUNSHINE

THOMAS H. COLLINS  
Lynwood Church

As along life's way you go,  
Hindered oft by ice and snow.  
In their stead, sweet flowers will grow,  
If you scatter sunshine.

Rain and clouds along the way,  
Perhaps may be your lot today.  
But they too will drift away,  
If you scatter sunshine.

Try to drive the gloom away  
From some lonely heart. 'Twill pay.  
Lend a helping hand today.  
Try to scatter sunshine.

Someone you meet may need a smile.  
And you'll find it well worthwhile.  
'Twill give you joy, give it a trial.  
Each day, just scatter sunshine.

## REPORT OF DISTRICT CONFERENCE AND CAMP

The thirty-fourth annual conference of the California-Arizona District has come and gone. The outstanding thing about the conference was the conscious presence of the Spirit of God. There was a manifest spirit of unity upon the people. Every officer was elected on the first ballot. The gains in all departments were gratefully acknowledged. The stirring messages and the able leadership of our presiding officer, Rev. Melvin Snyder, were appreciated.

The beautiful spirit of the conference was carried into the camp. Again the cries of penitent seekers and the shouts of blessed saints characterized the services. Rev. Ivan Williams and family, in charge of the music and singing, contributed greatly to the service as God used their talents to bless and inspire the people. Rev. Melvin Snyder preached without fear or favor the unsearchable riches of Christ, messages which stirred the Christian as well as the backslider and sinner. Rev. Melroy Ward preached in tenderness the judgment of God as well as the sufferings of Jesus and His love for the world until all were drawn nearer to the heart of God.

The fourth of July was an outstanding day in Zion. Rev. R. C. Hawkins gave the people a report on what the General Church Extension Department is doing to evangelize and establish churches in the un-churched areas of the United States. Rev. Ernal Wilson gave a stirring message on the great need of foreign missions. The people responded by giving liberally in cash and pledges to the pleas made by these great men of our church.

The children's services were well attended. Mrs. Mittie Reading had charge of this part of the camp again this year.

The first Sunday afternoon of the camp was given to Western Pilgrim College. Rev. Clinton Jones brought a stirring message that moved the hearts of the people. The service the last Sunday afternoon of the camp was given to the Forward Movement, with Rev. Snyder in charge. Rev. Hawkins spoke on the need of organizing new churches. This was indeed a wonderful occasion. God honored the services with a mighty visitation of His spirit. Many hearts were touched and moved upon. The work of the District will never be the same because of this service.

The District auditorium was crowded to capacity at several of the services. The last Sunday afternoon and evening a number were unable to find any place in the packed auditorium. It is the desire of the camp management that the El Monte Camp will continue to grow and expand to meet the great need to serve the people in our generation.

## YOUTH NEWS

One of the greatest Camp Meetings we have ever had is now history but with the same spirit of prayer and enthusiasm our greatest Youth Camp season lies just ahead. Already much time and effort have gone into the plans for our summer camps but *your* help is essential if we are to have a good camping season.

Help is needed to get our camp into shape and this will be done each Saturday until Youth Camps start. Remember then, work days begin July 14 and follow each Saturday. Help is needed to finish our restrooms and begin work on our new Fellowship Hall. Each Youth Society should choose at least one Saturday as the time they will have a good group at Mile High Pines to help these projects go forward.

An excellent corps of workers has been selected to staff our camps this year. Ila Miller and Doris Hutchinson will lead the junior camp while Bro. Fox will again guide our intermediate camp. Rev. Clifford Morgan along with Rev. Daniel

Chamberlain will be in charge of the camp for those 13 - 17 years of age, while Rev. Sherwood Eddy will be the main speaker in our Labor Day Camp. In addition to these leaders many fine workers and counselors have been secured to give the guidance and leadership so important in these camps. Plan now to attend the camp for your age group or to send your child or some other deserving young person for a time of fun, fellowship and inspiration that will pay eternal dividends. Applications are available from your S. S. Superintendent or your Youth President. Obtain one now and mail it to Mrs. Betty Bufkin, 2656 Doreen, El Monte, California. If you are unable to secure an application, request one from this same address and you will receive it by return mail.

For those who were not at Camp meeting let me attempt to give you a bit of inspiration gained and generated in the Youth Services. One service, about the General Youth Convention, helped all present recognize that Pilgrim Youth are on the march. El Monte presented a unique missionary program through music and readings of Scripture and poetry. A stirring message by Rev. Snyder clearly showed the advantage and necessity of Youth Camps while Rees Memorial stimulated an interesting discussion on the place of Youth in the church of today. Sunday night was the crowning service with special musical numbers from many of our churches. It was a wonderful thrill to see the response to Bro. Horine's appeal for funds to build the Youth Fellowship Hall. This "vote of confidence" amounted to well over \$1,000 and assures the immediate beginning of this much needed structure. Truly God's blessing is on California Youth! Let us pray that this blessing will not only continue but multiply.

DANIEL CHAMBERLAIN,  
Y. P. Exec. Sec'y.

## OBITUARY

In memory of James Paul Walker, born on July 4, 1893, at Carter, Kentucky, and departed this life on June 4, 1956.

James Walker was the son of Mr. and Mrs. Joseph E. Walker. On July 4, 1911 he was united in marriage to Jemima Pack and to this union was born six

children, one having preceded him in death. Surviving are four sons: LeRoy, Ralph, Paul, Melvin, and one daughter, Mrs. Maxine Smith, also one brother, William Walker of Akron, Ohio; nine grandchildren and two great grandchildren.

The family has resided in Los Angeles and Montebello for the past 26 years.

Brother Walker was converted January 21, 1943 and has faithfully worked with his wife in mission and community church work, and for the past seven years, in pastoring the Pilgrim Holiness Church of Bell Gardens, California.

He was always ready to help wherever there was a need. Truly the church has lost a saint of God, and he will be greatly missed by a host of friends and relatives. His Godly Christian life was a blessing to all with whom he came in contact.

We rejoice today that Brother Walker has joined the host of saints that sing around God's throne, about which he so often sang in his favorite hymn:

"How oft in holy converse  
With Christ, my Lord, alone,  
I seem to hear the millions  
That sing around His Throne."

Hallelujah, Amen, Hallelujah, Amen  
Hallelujah, Amen, Amen, Amen.

The funeral service was conducted in the Nazarene Church in Monterey Park with Rev. Lundy Hill and Rev. C. L. Morgan officiating. Burial was at Rose Hills.

## A WORD TO THE CALIFORNIA PASTORS AND MEMBERS

Inasmuch as Arizona is now a District of its own and will not be sending any District and General Budget to our treasurer after theirs has been paid in full to July 17, it will be necessary for all of our churches to pay their budgets in full.

Please let every pastor start immediately to see that his church raises its share of the amount necessary for the budget as outlined by the conference. Some of the churches did not pay the full budget last year. All must do so this year if we are to carry on the task that is ours. Can we count on you?

The Manual is very clear in stating that the budget must be paid before the church is to take on any outside interest that would involve any finance, regardless of the nature of such interest. Pastors, if your church has not raised the budget to date, please discourage any or all requests for funds that would hinder your ability to raise your District and General quotas. The budget is the life line of the work of our church.

### Correction of Last Issue:

Dixon is an organized church. It was listed as an unorganized church in last issue. Sorry for the mistake. J.M.N.

## ARIZONA CONFERENCE

The organizational conference of the Arizona District was held at Phoenix First Church July 17 and 18. Rev. R. C. Hawkins, General Church Extension Secretary presided. The General Executive Council appointed Rev. Wayne Quinn, District Superintendent, Rev. B. Ivan Williams, District Secretary, and Rev. E. W. Hall, District Treasurer. Rev. G. L. Keene and Rev. Bernard Richards were elected by the conference to serve as advisory members of the District Council. Other district officers were elected by the conference. There was a very good spirit throughout the entire meeting. There is a great future for the Pilgrims in Arizona. Plans call for a mid-winter camp, as well as an annual summer camp meeting to be held in the area of Prescott, Arizona.

## EVER FORWARD!

The words "ever forward" ought to be our theme as we think in terms of Sunday School and the direction we must go. It seems that everything is pointing that way. I am sure that the future is as bright as our faith in God.

Most of you know by now that I have resigned from the office of Sunday School Promotional Secretary. Because of my many duties as a pastor, I was unable to do the job as I felt it needed to be done. I have greatly appreciated the patience of the pastors and their people over the past two years. Your co-operation has been very gratifying. We are hoping for greater gains in the future than ever in the past. We further appreciate the hard work of the Arizona Pilgrims. They have done a noble job in helping the District to show a gain. We hope for them real success as they become a District and will have their own Promotional Secretary.

May the blessings of the Lord be with Rev. Robert Simonds as he assumes the duties of S. S. Prom. Secretary. Please address all correspondence to him from now on. We are expecting the Lord to use him to lead the California Pilgrims forward to great success this year. Let us remember to pray for him, and support him as you have supported your retiring secretary.
