DISTRICT SUPERINTENDENT'S REPORT

To the 42nd Annual Conference of the California District, Pilgrim Holiness Church, convened at East Pasadena church, June 22, 1964, greetings in Christ!

With deep Christian joy we report the following work in our churches for this Conference year. We give thanks to God for His most gracious presence and for the outpoured Holy Spirit's blessings upon our work.

On the Spiritual Horizon

In almost every respect this has been a gracious year. Most of our churches have had some type of revival or evangelistic emphasis, and I have also conducted several Spiritual Life Conventions during the year.

It is very encouraging to note the progress made this year. The Statistician's figures show that we have made a 7.2% gain in church membership; an 8.8% gain in average S. S. attendance, and in youth society membership this year, an overwhelming gain of 57%! This certainly rejoices our hearts and causes us to render praises to God for these gracious gains.

These gains have been made largely because our people have had a mind to work, and the Lord has prospered their labors.

Temporal Progress

We mention here only those churches where building or improvement has amounted to \$300 or over in value. Other churches have made excellent progress in various ways. Some have paid more USF this year than last, and this is also deeply appreciated.

Adams Memorial is just ready to start their new church building program.

Beaumont has completed the interior of a new unit for their church.

Bell Gardens is planning to build an considerable addition onto their church for more church and S. S. room.

Buena Park is in the process of adding a S. S. unit and making needed improvements in their sanctuary. The Fentons are doing excellent work there, too.

Corona church has also made considerable improvements this year.

Dixon has seen its parsonage completed this year, thanks to Rev. Clayton Schletewitz and his father-in-law who did the work. The new building is valued at about \$15,000.

E. Pasadena has completed considerable work on their S. S. department this year.

El Monte has made considerable interior improvements in their sanctuary. They have had a fine school year, too, in their elementary school.

Long Beach has placed new pews in their sanctuary this year. Although the pastor has not been well, the people have worked and it is remarkable what progress has been made there.

Los Angeles First church has made considerable improvements in their parsonage, and have completely redecorated it. Plans are under way to build a new church as soon as arrangements can be made for this.

North Redondo Beach has made all plans for a new building.

Pomona church has placed a nice parking lot out in front of the church, and made certain other helpful improvements.

Rees Memorial has made remarkable improvements in landscaping and has made other improvements.

Riverside church has borrowed several thousand dollars, has added two much needed rooms onto their parsonage, and has done some helpful improving on the church grounds.

Rosemead has made improvements in the primary S. S. department.

Sacramento has connected city water to their church, with the gracious help of the community about the church.

San Dimas has been making progress in their building plans and should soon be ready to break ground for their new church.

South San Gabriel has not built anything except a neat little nursery room this year, at a nominal cost, but the miracle here is in what has happened to the church itself. At Conference last year it was up for sale. Under the capable and God-blessed ministry of the Palmers, we were able to re-organize there the last of May. They reported about 33 members. Praise God for this remarkable work.

District Home Missions

This has been a very successful year in District Home Missions. We had planned to try to fortify what work we have, rather than open up more; however, as the year unfolded, God gave us some new works, for which we are grateful.

Beaumont has suffered the loss of the pastor, Rev. Haskell Robinson, who had to give up the work because of illness this spring. Rev. Seelig has been placed there as pastor and is getting hold of things nicely.

Los Gatos was fully organized last August. They have received several new members and are being brought into Conference as a fully organized church this year. Rev. Charles T. Elkins and wife have done a fine work as the new pastors, following the Parmenters who were there for about three years as the originators of the work.

Rialto was opened up last fall in the Hogle home, where weekly meetings were held for several months. This spring we were able to secure a building and start regular services. Rev. Fred Wells was placed as pastor by the District Council. In April, we organized there with eight charter members. They now have 10 members, with others to follow. Attendance has been encouraging. They are to be commended for their splendid financial strength. They have already begun to pay USF, even though they will not be admitted into Conference until at least a year later. They are also paying the pastor's traveling expenses and will likely begin paying partial salary for him soon. Besides, they are now setting aside 20% of all their regular offerings for their building fund.

This church has cost the District Home Missions fund less than \$300.00 so far. We deeply appreciate the several pastors who held services there in the early days, and the work of Brother Wells. We also appreciate the contribution made by the Riverside and Corona churches, from whose congregations some of the people came to help start this work.

Arcata, California, is far to the north, just beyond Eureka. This spring we received word from Rev. Gilman Welch there, through the good services of Brother Victor Klein, that he had a group interested in opening a new Pilgrim church.

Early in April the District Superintendent visited there and found a blessed group of people, ready to unite with our church. Seven members were received into the original membership, with others to be received later.

This is our newest church. So far there has been no cost to getting this work started, except the expense of my trip up there. We have here a fine group

of deeply spiritual people and we look forward to a successful work there.

500 Club

During a share of this year Rev. Haskell Robinson has represented the 500 Club in special services in our churches. Most of the churches were visited and the response has been appreciated. Brother Robinson did all this work gratis. We paid only his travel mileage.

A word of due appreciation also goes to Rev. L. B. Smalley who has collected the funds for the 500 Club during the year. Assisting him was Mr. Bud Lester, who did much of the clerical work.

District Property

We were able finally to get the District property sold last fall and winter. The Treasurer's report will show financial figures, but it cannot show the long, hard hours of work and headaches and the time it took to get this finished to the present.

The money received from this sale has been duly placed in Crown Savings as directed by last Conference. Two loans have been made from it. The Board of Directors found, however, after more careful study, that if we continue to use the program set up at last Conference for loans, we will soon exhaust the funds and have only a few churches helped. After careful study and advice from various persons and financial institutions, we are offering a completely new plan of operation for the Loan Fund, whereby it will be available only on **short term** loans. Upon the completion of a project for which it is borrowed by a church, that church will secure a real estate loan, and the District Loan will be repaid to the Fund. In this way, many more churches can be helped by the Fund. This new plan will be presented, as outlined by the Board and written up by our attorney.

Personal Remarks

This has been a gracious year for us as we have traveled from church to church. Mrs. Deal has been able to accompany me and add a blessing to the services from time to time, as she ministered in Sunday School or youth services.

Despite the fact of years of service in this work, it has taken a share of this year to get really adjusted to this District and the work here. Pastors realize that when going to a new charge, almost a year is required to get one's feet down and really get adjusted to the new work. It is little different with a District Superintendent. The first year is quite largely a year of adjustment and re-adjustment, for both the Superintendent, the pastors, and the churches. The pastors and churches have received us most graciously everywhere. We are deeply grateful for this, as it has made our work much easier.

Much time has been taken up this year with property affairs, which hereafter will not be so. Despite this, I have held numerous meetings in the District. All outside meetings have been cancelled, except a summer camp, and I have given my whole time to this work, not even taking the extra meetings which I am allowed, nor have we had any vacation.

I have most deeply appreciated working with the District Council. Each member has made excellent contributions. It is regrettable that Brothers Lee and Morgan had to resign during the year, but Brothers Smalley and Morrell have given splendid service as new members. In the past 16 years I have worked with many District Councils, and I can truly say this has been a most fine and cooperative group. Altogether, hundreds of man hours have gone into their unselfish, dedicated services to this District this year, in some 25 or so meetings. We have spent literally over 160 consecutive hours in this work, or about four full working weeks. This is a lot of dedicated time, on the part of these men. I'm sure you, as a Conference, appreciate this work.

The splendid work done by Rev. Daniel Chamberlain, District Youth President, for some time, has been deeply appreciated by all. He is retiring from office this year at his own request, but is serving as Vice President on the District Youth Board. Rev. David Eaton was elected by the past Youth Conference to succeed Brother Chamberlain.

Rev. Ellis Morrell, S. S. Promotional Secretary this year, has done a fine piece of work, despite his very late start. The S. S. Seminars were well attended and this group did a most commendable piece of work, too.

Mrs. Gertrude Beck, District Missionary President, has done a fine work this year as usual. She is to be commended for how well she has gotten her work done.

I have also appreciated every committeeman on all the District committees and boards, who have worked so faithfully during the year. They have done a very commendable work. Special thanks are due to Mrs. Marianne Troyer, who has edited and put out the **California Pilgrim** this year. Her unselfish service is deeply appreciated.

Together let us look forward to a most gracious year of victory in Christ as we face the coming year. It will be filled with a thousand opportunities, beset by unnumbered trials, but also freighted with untold blessings. We accept its challenge in the name of our Christ, and in His name set our banner forward. We shall enter it shouting triumphantly,

"Then forward still, 'tis Jehovah's will,
Though the billows dash and spray;
With a conquering tread, we will push ahead,
He'll roll the sea away."

Respectfully submitted,
William S. Deal

REPORT OF THE DISTRICT YOUTH PRESIDENT

To the members of the Annual Conference of California District of the Pilgrim Holiness Church, convened at E. Pasadena June 22, 1964.

Another year of youth activity is history. In many ways this has been the most faithful and productive Youth Council with which I have worked; they have matched a vision of the needs with a proposed program to meet those needs. This conference will do much to determine the eventual effects of this planning.

The Central zone has exhibited a much improved program; the Western zone has had an encouraging increase in participation; the Northern and Eastern zones have maintained an active and well-supported program. A hearty thanks to Marianne Troyer, Rev. James Crowder, Marcia Fain and Sarah Smalley for the fine work they have done as zone chairmen. Rev. Gene Lee accepted the position of treasurer after the year was well under way; I appreciate the ex-

cellent job he has done under difficult circumstances. Special recognition is due Evangeline Deal for her effective and efficient service as secretary; her contributions to the Youth Council are deeply appreciated.

Several promising programs have been initiated during this past year. A Christian Education Conferette was conducted in conjunction with the Sunday School Committee; this was of great value to all who attended. Plans for Youth participation in our coming Camp Meeting include concerns for the spiritual, social, physical and intellectual growth of our young people. Youth Camp plans have also been greatly altered; it is anticipated that this new approach will improve participation and strengthen the total youth camp program. Growing concern for our "college and career" young people has led to planning a special youth camp for them to run concurrently with our family Labor Day Camp.

Statistical Report

During this past year I have presided at eleven meetings of the District Youth Council; attended fourteen committee meetings relating to youth work; made fifteen visits to churches; conducted two district rallies; made nine visits to zones for rallies or organization; traveled in excess of 2,500 miles; written letters and made telephone calls too numerous to tabulate.

I regret that precedent requires such a statistical accounting be given because such reporting emphasizes **activity** not **accomplishment**. Such reports attempt to tell what the church or its representatives have **done** when our first concern should be what the church is or **should be**. Indeed, there is often the tacit implication that more miles, more meetings and more committees will guarantee an improved program. Success should be measured in terms of objectives; our basic goals have been, and are, both laudable and Scriptural, namely, making men fit for heaven and better men as they journey toward heaven. Our means of attaining these goals, however, need constant re-examination. We must ask: Are our present plans, programs and organization those best calculated to reach our goals? While we must be constantly alert to the danger of substituting a program for purpose, we must also avoid the opposite problem of having pious ends but no programs for making them realities. Thus, the challenge that faces our youth, our district and our denomination is this: we must develop a program and organization that is geared to meeting present problems and at the same time it must be redemptive in meeting constant and eternal needs. In planning such a program we must combine a passion for the lost with a compassion for the needy; we must distinguish between Biblical requirements and man-made traditions; we must substitute meaningful answers for pious platitudes; we must emphasize the spirit of Christ as we search for Christian solutions to the problems of today. We must stress meaning over meetings, men over miles, commitment over committees. We cannot continue to confuse rigidity with firmness; we must distinguish between principles and the *status quo*; we must recognize that what is old must receive the same careful scrutiny we give what is new; we cannot assume that what is, is right.

The future will only be bright as we work, under God, to make it so. At the national level we have fine leadership with a real grasp of the magnitude of the problems before us. I trust California will be in the first ranks of those supporting the imaginative reorganization and full orb'd youth program now being suggested.

As I leave the office of district Youth president, I trust that my successor will have your prayers and support; I pray that seeds planied during these last ten years may yet bear fruit.

Respectfully submitted,
Daniel Chamberlain

DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the members of the 42nd annual conference of the California District of the Pilgrim Holiness Church convened at East Pasadena, California June 22, 1964. Greetings:

We would like to take this opportunity to thank each of you, and the officers and teachers of our local Sunday Schools, for the cooperation over the past year. I deeply appreciate the understanding and patience of everyone who took into consideration the handicap under which we laboured. We sought to accomplish, as promotional secretary, in seven months what should have taken a full year.

Shortly after having been appointed promotional secretary we rushed into the annual Superintendent's banquet. This was a success because of the fine committee with which we were privileged to work. The banquet was well attended and we shall long remember the message given by Dr. Clinton Jones.

The spring victory night banquet at Clifton's Cafeteria was also well attended. I am certain everyone enjoyed the evening and will long remember the message of Dr. Ted Engstrom.

The major emphasis of the committee over the past few months was that of conducting Sunday School Seminars. We wish it would have been possible to have conducted these in every area but due to distance, shortness of time and conflicting dates, this was impossible. Our first Seminar was in the El Monte church and included the Rosemead, South San Gabriel and Bell Gardens Churches. The second was in the Pomona church and included the San Dimas, Glendora and Chino churches. The third was in the Long Beach church and included the Santa Ana, Redondo Beach and Buena Park Churches. The last was conducted in the Solana Beach church and included the San Diego and Escondido churches.

Our teachers were well qualified. The Seminar was divided into two major sessions, each about forty-five minutes. In the first session Sr. Margaret Beckman lectured to the adult teachers concerning how to teach with "reaching and keeping" in mind. Sr. June Hill spoke to youth teachers concerning the importance of appealing to youth and making Christianity appeal to them. Sr. May Heck spoke to children's teachers emphasizing the importance of child evangelism.

In the second session Bro. Richard Troyer pointed out the importance of adults meeting together in fellowship and sought to encourage adult teachers in this neglected activity. As Bro. Troyer spoke to the adult teachers, Bro. Mervin Wright spoke to the Superintendents, calling attention to the importance of making and keeping accurate and permanent records. Sr. Marianne Troyer sought to point out to youth teachers what IS wholesome recreation for our youth. Sr. Evangeline Deal demonstrated to the children's teachers the art of visual aids in teaching children.

There were three speakers who lectured to the entire group. Bro. Charles McKay gave the keynote address entitled: "Why Do I Teach?" Sr. Jean Hogle spoke on the Decade of Progress and your Promotional Secretary concluded the Seminar with emphasis on lay visitation.

We deeply appreciate the faithfulness of our committee and the teaching staff. God has blessed the endeavors over the past year and we feel somehow the labors were not in vain. Committee and teachers all traveled at their own expense and some as yet have not been reimbursed for materials purchased. The reason will be obvious as we proceed further and hear the financial re-

ports relative to incoming budget finances.

Respectfully submitted,
Ellis Morrell
Promotional Secretary

ANNUAL REPORT OF DISTRICT MISSIONARY SOCIETY PRESIDENT

June 1, 1963 to May 31, 1964

To the Annual District Conference, Greetings:

Our new year began with camp meeting activities. It was a joy to take the responsibility of making the beds for the District guests, with all our new

bedding that the missionary societies had furnished. Also towels and wash cloths. Thanks to our societies.

Then our missionary room demanded our attention throughout camp. We greatly appreciated Mrs. Ruby Tschinkel assisting in the arrangement of the room. A number of the societies brought in posters and a display of things they made throughout the year.

Our District Committee being responsible for the missionary services each morning from 9 to 10 A.M. and one morning service from 9 to 12 A.M., and presidents' luncheon at 12 noon, kept us busy throughout camp. All missionary presidents reported during the morning, each one telling of their activities during the year. These services were especially good with Rev. and Mrs. Charles Lewis and Rev. and Mrs. Paul Downey from Brazil. Every minute was enjoyed. The minutes were not long enough. During the summer months a good part of our time was given to the new presidents on the district.

On Wednesday before Thanksgiving we went north for the Thanksgiving convention with the four churches in the north, Rev. E. L. Wilson being the guest speaker. It was a wonderful time of fellowship, and Brother Wilson was at his best in the three services of the day.

In January our District convention met at the East Pasadena church. A convention means a lot of planning and work. Rev. John Newby's family and Rev. and Mrs. O. I. Lehman, both from Africa, were the guest speakers. This was a gracious time with these missionaries. It was our privilege to take Mrs. Lehman to her speaking appointments on the district, and she grew dearer to us on every trip.

In the fall we had the happy privilege of spending two hours with Rev. Paul Meeks and family on their way to the Philippines, and indeed another privilege of greeting Rev. Wayne Wright and family this spring as they were returning from the Philippines for their furlough. They arrived on Thursday evening and got a plane for home on Saturday morning. It is indeed a joy to know our missionaries. May the Lord bless each one of them.

Our Missionary Society's work has been outstanding in many respects this year. Their help through the church extension department in sending Christmas boxes to ten families in the low income brackets was greatly appreciated. One family of six was receiving only \$20 a week. I am sure if all of you could meet this one family, and see the appreciation they expressed, you would all want a part in the church extension work or home missions. Another family of five accepted a call to a church with no promise of any support. These Christmas packages have proved a real blessing and encouragement to the receiver.

We shipped five barrels to the Philippines this year.

AUDITORS' REPORT

The Auditing Committee has examined the books of the Sunday School Committee Treasurer and find them correct.

We have examined the books of the District Youth Society Treasurer and find them now adequately kept and currently correct.

We are submitting a recommendation to the Ways and Means Committee concerning future proper procedure for keeping financial records of said District Youth Society.

We have examined the District Treasurer's books and find all accounts to be accurate and in order; however, we with the treasurer are unable to arrive at a current balance.

By-Laws Governing the California District of the Pilgrim Holiness

Church Loan Fund

Purpose

1. The California District of the Pilgrim Holiness Church shall maintain a fund to be known as the CALIFORNIA DISTRICT LOAN FUND. The purpose and use of this fund shall be to lend money to churches in the California District under the supervision and jurisdiction of the California District Council for the purpose of construction, relocation, improvement, and repair of church buildings and parsonages. No loan shall be made for a period of more than 12 months except upon approval by a 2/3 vote of the Board of Directors.

Control

2. This fund shall be under the control of the District Council, also known as the Board of Directors.

3. The District Treasurer shall maintain this fund in the Crown Savings and Loan Association of El Monte, California, in a separate account from all other funds of the church. The District Superintendent shall be Chairman of the Board of Directors. He shall carry on all correspondence relative to this fund. All monies shall be paid through the office of the District Treasurer, and he shall keep all records and papers of same.

4. The District Council shall govern the size of the loan by the funds available and the value of the property on which the loan is to be made.

Composition

5. This fund shall be accumulated from monies received from the sale of the District Headquarters property, sale of other district properties not otherwise designated for other purposes, special contributions and low interest loans, or investments by individuals.

6. All monies collected as interest shall be added to the capital of said fund. No gifts shall be made from this fund for any purpose, nor shall it be used except for making loans.

Processing

7. The directors shall prepare an application form to be filled out by the church making application for a loan. The note and mortgage shall be signed for the church by the local trustees, if any; the pastor, district superintendent, and district trustees. It shall be secured by a mortgage on the property and such other security as may be required by the directors. Loans shall be made only when title to such property is written according to the Manual of the Pilgrim Holiness Church or is vested in the California District of the Pilgrim Holiness Church.

8. All applications are to be made by the local trustees and pastor on behalf of the local church after they are instructed to do so by the local church board. The application shall then be submitted to the District Council for consideration and disposition. A committee from the District Council shall investigate the property on which the loan is to be made. The investigating committee shall then report their findings to the District Council and a two-thirds vote of the entire council shall be necessary to grant a loan. All checks drawn on this fund must bear the signatures of both the District Superintendent and the District Treasurer.

Repayment

9. Interest at the rate of 5.5% per annum will be charged on all loans. Full repayment shall be due at the end of the loan period. The District Board of Trustees shall be empowered to negotiate a real estate loan for the local church at the end of the loan period, if necessary.

10. These by-laws governing the CALIFORNIA DISTRICT LOAN FUND may be changed by a two-thirds vote of the District Conference. Such changes shall not be retroactive.
