CALIFORNIA ANNUAL DISTRICT CONFERENCE

Journal of Proceedings

First Sitting, June 27, 1967

The forty-fifth conference of the California District of the Pilgrim Holiness Church convened at Azusa Pacific College Hillside Campus, Glendora, California, at 9:00 A.M.

Congregational singing was led by Jack Gilbert. Lundy Hill offered prayer.

District Superintendent Thomas Lee introduced General Superintendent J. D. Abbott, presiding officer of the conference. Rev. Abbott spoke from the Scripture, I Thessalonians 4:1-8 upon the subject of holy living. Holiness, he pointed out, is a doctrine of purity, of uprightness, of righteousness, the opposite of impurity, wickedness, vice. The Christian's life is to be the pure life; the Christian's life will be just the kind of life that person wants it to be, the kind of life he is willing to pay the price for. The speaker concluded the message by quoting 10 practical traits of the sanctified.

Conference business opened by roll call to which 42 ministerial and 47 lay delegates responded.

The District Superintendent moved to receive into the conference Rev. Wilbur Smith, pastor of Los Angeles First Church, pending receipt of proper transfer papers. Motion carried.

The conference bar was established as the first seven rows of seats in the auditorium and the tables at the front.

The chair referred to general conference action making it unnecessary for the district conferences to formally accept ministerial transfers.

The preacher faces the enemy of the souls of men, charged to preach the eternal truth; let him be aggressive in giving the truth.

The candidates stood before the altar and responded to the covenant as read by Rev. Abbott. As they knelt at the altar, Thomas Lee offered prayer. The ordination council lay hands on the candidates as Rev. Abbott ordained each one individually.

The Lord's presence was especially manifest as the congregation greeted the newly-ordained before the altar.

Thomas Hamon dismissed with prayer.

DISTRICT SUPERINTENDENT'S REPORT

To our General Superintendent, Rev. J. D. Abbott, my fellow ministers, delegates to the forty-fifth Annual Conference of the California District of the Pilgrim Holiness Church, and friends, greetings!

I would indeed be an ingrate if I did not preface this report with praise and thanksgiving to God for His blessings upon His people this past church year. There have been gratifying reports of divine visitation in revival power upon many of our churches, resulting in the salvation of sinners, and the purifying of believers. This is the whole purpose of our existence, and without it everything else we do is without real point or purpose. Though the problems of the work may abound, yet if God is in our midst, His love constrains us to labor in faith, and in love, for the glory of His great name.

District Leaders. I cannot speak too highly of the services of those who have labored with me as Conference leaders through this past year. The advice and cooperation of the men on the District Council, their long hours of wrestling with the many problems, their patience, and their faith, has been inspirational.

Rev. Lundy Hill has been a considerate and helpful assistant. His words of counsel have been of great value. Tribute should be given to *Rev. Joseph Fillmore*, District Secretary, and to *Rev. L. B. Smalley*, District Treasurer, for the faithful discharge of their duties, and rendering many services beyond this point, out of sheer love for God and the church. *Charles McKay* has continued to give able spiritual direction, and promotional versatility, in the leadership of our District Youth program. His report will be found in the minutes of the District Youth Conference printed in our Conference Journal. *Rev. Eugene Lee* has ably, and industriously directed the efforts of the Sunday School Committee in giving leadership to the District program. The recent Victory Night Banquet was well planned and attended, and was a fitting climax to the year's activities. *Mrs. Gertrude Beck* has had a fruitful and continuing ministry as President of our District Missionary Society. With the fine cooperation of her husband, Rev. Paul Beck, she has performed service far beyond normal in her conduct of the office. Under her able leadership our societies have functioned cooperatively, and effectively, in behalf of mis-

sions at home and abroad. We are debtors to her for the many arduous hours spent in behalf of the church. It is certainly worthy of our appreciation.

A Forward Look. At our Area Leaders Conference held at Colorado Springs, Colorado, last December, our General Superintendent, Rev. J. D. Abbott, forcefully emphasized the need of our people for: (1) A Spiritual Renewal, (2) A Deeper Loyalty, (3) A More Effective Outreach. This emphasis so warmed the hearts of District Leaders in attendance that we plan to make this the pattern for the dominant theme on our Conference for the coming year. We solicit the prayers and cooperation of our people in the implementation of this program. As we look toward the consummation of merger with the Wesleyan Methodist Church, let us pray for a merging of spirit as well as a merging of numbers and material assets. If we move in this vein, God will be glorified, and we shall realize genuine benefits to our own Conference, and throughout the new Wesleyan Church.

LOCAL ADVANCES:

Sacramento. One year ago I reported to the Conference that our church at Sacramento was rapidly moving toward assuming total responsibility for the operation of the work in our state capitol. I am happy to report to this Conference that, under the able leadership of Rev. Lundy Hill, the congregation has been completely independent of District financial support since December 1, 1966. In addition to this, the last report from the District Treasurer indicated that they have supported the District and General Church in U.S.F. participation alone, in excess of \$850 for this church year. Praise God for this fine church and pastor!

Corona. God has signally blessed the teamwork of the Corona Pilgrims as they have labored with their pastor, Rev. Clifford Morgan, to advance God's cause. This year they have acquired a much-needed property adjacent to the church for the sum of \$9000. This property sold two years before for \$13,300. Improvements consist of a two-bedroom house on a spacious lot, a double garage, screened patio area, and a large storage room. The members have completely redecorated the interior, and it is presently being used to house a portion of their expanding Sunday School. In addition to this purchase, they have installed a new chancel rail and altar in the sanctuary, and acquired an organ for the sum of \$722. Congratulations, Corona!

El Monte. The El Monte Pilgrims, with pastor R. M. Greene at the helm, have just completed a beautiful new sanctuary, complete with office facilities, nursery, pews, and pulpit furnishings. The appraised value of this new structure is \$85,500. Due to the industry of the pastor and his people it has been erected for approximately \$50,000. El Monte church is to be complimented for this splendid structure.

Escondido Church with Rev. Thomas C. Hamon as pastor, has implemented a major move to insure growth and outreach in the city. They were providentially enabled to secure acreage, in a rapidly growing area, that will permit expansion of their facilities as numerical growth warrants. The old church property has been sold, and all buildings have been moved to the new location. This move has resulted in the saving of thousands of dollars in materials, and expedites continuation of their program without loss of time. The congregation looks to the future with high anticipation of wholesome development in Kingdom building.

McKinleyville, our newest work, is looking forward to being able to build a first unit in which to worship, in the near future. This group has been meeting in a building scarcely larger than a double garage, and a larger facility is a real necessity. Pastor Gilman Welch reports numbers finding the Lord, and it is my sincere opinion that they would more than double attendance in a very short time if they had space in which to put them. The people are praying and giving to keep their work in operation, and looking to God to enable them to begin their building program. Perhaps some of you who listen may be able to help answer these prayers with a substantial contribution.

Oak View, with Rev. Eugene Lee as pastor, is laboring to hold the line against great odds that militate against the progress of the work. However, as a result of memorial funds given in honor of two former members, Guy Watson, and Earl Short, they have completely renewed the platform and pulpit areas of the sanctuary, and provided a beautiful floor covering with pulpit furnish-

ings. The people are courageously rallying to meet their needs and are pressing forward with faith and optimism.

Ojai Church reports the renovation of several Sunday School classrooms in the church building. New floor covering, repainting, and enlarging of these rooms has added much to the beauty of God's house. Pastor W. H. Robinson is the leader of this congregation.

San Dimas Church is going "full speed ahead" to complete the first two units of their new plant. There have been a number of financial hurdles to overcome, but with continued hard work, pastor L. B. Smalley and his people are pressing this project to completion, and hope to be using their new facility very soon.

Long Beach reports extensive remodeling of their Sunday School Annex to provide better accommodations for their Sunday School. This has involved plaster repair, floor covering for two rooms, and the painting of three rooms and a hallway. Pastor Rev. James Adamson and members contributed many hours in making this improvement possible.

Sylmar Church. Rev. Jack Gilbert, pastor, has painted the entire church building on the outside, and interior of all classrooms. They have also painted the parsonage inside and out, and provided it with drapes, and a refrigerator. In addition to this, much lawn and shrub work has been done to keep the property presentable. Besides a great deal of hard work, about \$850 has been paid out for paint and repairs.

Redondo Beach. Pastor Lee Sorenson reports that due to the generosity of a couple attending their church, the floor of the sanctuary has been completely covered with wall to wall carpeting. New drapes have also been added and fresh paint in various areas of the church has greatly added to the appearance of the place of worship.

Rees Memorial Church. As I am writing this report, Pastor George Harris informs me that Rees church is in the process of purchasing a lovely new parsonage. The congregation is responding enthusiastically to supply finances to complete the transaction. May the Lord continue to assist in this much-needed project.

Many of our churches have made fine progress in numbers, finances, and in spiritual blessings but did not get their reports to me. Even some I have mentioned failed to respond to my appeal for a report, but I have given a sketchy report anyway. Perhaps our pastors are too busy making history to record it.

Finances.

The Treasurer's report will reveal that this has been our best year in U.S.F. giving for many years. The cooperation of our churches has been encouraging. It is my feeling that those who have not responded have been victims of over-extending themselves in previous years in building programs. Key members have moved away and left the congregation too weak financially to meet basic commitments. There is a real emergency existing in some churches because of this. I should point up to this Conference, however, that if the 12% had been paid in full it would have met only about 65% of our General U.S.F. commitment and left the District to operate all arms of the work with less finances than a number of our local churches have with which to function locally.

The District Home Missions "500 Club" giving has been the best recorded for the past four years. The spirit of unanimity that prevails amongst our people bodes well for the years ahead in God's service. May the Lord continue to give us a solidarity that will assure progress in every area of kingdom building.

Respectfully submitted,
Thomas E. Lee,
District Superintendent.

DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

JUNE 1, 1966 — MAY 31, 1967

To our General Superintendent Rev. J. D. Abbott, District Superintendent Rev. Thomas E. Lee, and members of the forty-fifth Annual Conference of the California District of the Pilgrim Holiness Church, greetings!

Several of our Sunday Schools have made this past year one of outstanding achievement as they have made strides toward the realization of their potential. Others have found it to be a year of extreme frustration. That last caption is descriptive of our circumstances, for while we have expended a great amount of time and energy, we certainly have not set the world on fire.

The keen interest of our local leaders in the work of the Sunday School was in evidence at the Superintendents' Banquet on September 9, 1966. Eighty-eight Pastors, Superintendents and Assistant Superintendents, along with their companions were in attendance. The Sunday School Committee's program for the year was introduced with a strong emphasis on the Teacher of the Year and Superintendent of the Year award system. The four-fold purpose of the Sunday School was presented: To contact and bring in the unsaved; To win them for Christ and the church; To train them for effective Christian service; To support the total program of the church—local, district, and general.

One of the great desires of the Sunday School Committee is to establish a closer line of communication. A quarterly publication known as the "Sunday School Standard" was first published in November, 1966 to help achieve this aim.

I personally feel the need for a closer working with the Sunday School personnel at the local level. One step in this direction was the establishment of some organizations. Zone organizational meetings were conducted on three zones. However, because of the divided interests and responsibilities of these zone officers and the limitation of our own time, this phase has not yet been fully carried out.

The District Christian Education Conferette was once again a joint project sponsored by the District Youth Society and the District Sunday School Committee. The theme of this Conferette was "Alive Unto God." This project will be under the auspices of the District Christian Education Committee in the years to come.

The Victory Night Banquet of May 19, 1967 was well attended by 213 loyal Sunday School teachers and workers. Forty awards were presented to well deserving Sunday Schools and individuals. The outstanding Sunday Schools were as follows: Highest percentage gain in average, Sacramento, 84%; Highest numerical gain in average, Corona, 66; Highest average attendance, El Monte, 201. The Superintendent of the Year was Mrs. Kathryn Tolton of Corona. The Teacher of the Year was Miss Debra Hall also of Corona.

Our district has seen a gain in Sunday School enrollment during this past year of 13% and a gain in average attendance of 3%. I have personally traveled over 3000 miles and given over 350 hours in the interest of District Sunday Schools. I have conducted six Sunday School Committee meetings, three Zone meetings, two local meetings, and been in charge of two banquets. The job of publishing the Sunday School Standard and the publicity for the Conferette also fell my lot. As a direct result of this position, I served as a member of the Mile High Pines Board and of the District Christian Education Committee.

The members of the District Sunday School Committee have served admirably. Their faithfulness and cooperation has been greatly appreciated. They are Rev. Mrs. Myrna Deal, Mrs. Marianne Troyer, Rev. Fred Wells, and Rev. Dale Kelley.

Newly acquired responsibilities and a distance factor force the necessity of our resignation from this position. May I thank the conference for having had the privilege of serving in this capacity. Let us continue to labor for the salvation of souls and the upbuilding of God's Kingdom.

Respectfully submitted,

Eugene E. Lee,
Promotional Secretary

DISTRICT MISSIONARY SOCIETY PRESIDENT'S REPORT

July 29, 1967

To the Annual District Conference, Greetings:

We are one year nearer the coming of our Saviour and King and my hope and confidence is in Jesus Christ our blessed Lord.

The past year opened with our Camp Meeting convened in Rees Memorial Church, where it was our privilege to have Rev. David Keith and Miss Dorothy Hall as our missionary speakers.

Fifty-four individuals completed the reading course and received their certificates at Camp Meeting.

In the month of November, Mrs. Margaret Hankins covered the district, from San Diego to Sacramento, as our deputational worker. She is an inspiring speaker and was appreciated by every church where she ministered.

Many of our churches have been blessed and profited by the ministry of Rev. and Mrs. Paul Miller and family, who are again ready to leave for another term of service in Africa. They will be missed from our midst here, but eager hearts await their services across the waters. Our prayers will follow them as they take up their new duties as field superintendent, with residence at Mt. Frere, Cape Province.

I wish to take this occasion to thank the members of the District Missionary Committee, who have assumed their duties faithfully, as time and circumstances permitted. I would like also to commend the presidents of the local societies for their outstanding leadership and untiring efforts in the projects which were assigned them.

Only the Lord, who knoweth all, can properly give credit for all the diligent labors of the faithful members of the societies; but I am sure that He is keeping the record. It has been a real pleasure to work with the different groups throughout my term of service.

This brings to a close the ninth year of our organized missionary work on the California District and the eighth year that I have served as your president. I have requested that my name be omitted from the list of nominees for the ensuing year.

It has been gratifying to note that the missionary giving on the district has increased every year since the beginning of our organized work in 1958, without an exception.

 - a. That each church when renewing pastoral relations, shall vote during the last full week of March.
 - b. That each local church secretary shall forward to the District Superintendent the results of such vote within five days following the time of voting.
 - c. That each pastor shall forward to the District Superintendent his reply within 15 days of the time of voting. (See 1966 Manual, Section 55, Paragraph 3.)
 - d. That each pastor who does not plan to renew pastoral relations shall notify the District Superintendent on or before the 15th day of March. (1963)
11. It is recommended that before licensed or ordained ministers coming from outside the California District, or from other denominations, be received into local church membership, the pastor shall consult with the District Superintendent and the District Council regarding said minister.
12. Local churches calling pastors from outside the confines of the District shall pay the necessary expenses involved in the changing of automobile license and registration. (1963)
13. Any church becoming two (2) months delinquent in United Stewardship responsibility shall feel obligated to call upon the District Superintendent and/or the District Council to help regarding this matter. If any church fails to take such action, the District Council shall arrange an appointment to render such help, on the recommendation of the District Superintendent. (1966)
14. Before candidates for license are presented to the local church board, the pastor should counsel with the District Superintendent with regard to the fitness of such candidates. (1966)
15. Rental allowances, called for under our agreement covering two Life Leases at El Monte shall be paid for from interest accruing to the Revolving Loan Fund, instead of from the principal. (1966)
16. Monies accruing from interest on Revolving Loan Funds shall be placed in the District Home Missions Account, to be used for the promotion and support of District Home Missions after the life leases have been paid monthly. (1966)
17. This Conference shall adopt and implement the program as outlined by the Board of General Superintendents for the current quadrennium:
 1. To deepen the spiritual life of both pastor and people, by

- (1) Investing more time in the study of God's Word;
 - (2) Engendering a genuine and significant prayer life;
 - (3) Maintaining a regular family altar;
 - (4) Witnessing daily through life and word.
2. To set as a goal the establishing of a branch Sunday School by each church, both large and small. (1966)
18. The Pilgrim Holiness members of the Mile High Pines Board of Directors, or their representatives shall be granted the privilege of presenting the program and needs of Mile High Pines to the people of the District along with the privilege of conducting at least one service annually in each church, and of taking a free-will offering. (1966)
19. Full privilege and opportunity shall be given to the Board of Directors of Mile High Pines Youth Camp to publicize the need for and to solicit capital funds among the constituents of the respective partner denominations. (1966)

Missionary Society Committee	2%

—38% to General Stewardship Fund; and if the said 38% shall exceed the annual General Stewardship Fund responsibility of this District, then the amount received over and above our annual General Stewardship responsibility shall be used for District Home Missionary work. (1967)

DISTRICT YOUTH PRESIDENT

To our District Superintendent, Rev. Thomas Lee, and California Pilgrim Youth convened in annual conference at Arrowhead Springs Hotel, June 3, 1967, greetings.

The year so recently begun and so rapidly passed has been a year of pleasure, of challenge, of concern to your Youth Council.

We have experienced genuine pleasure in working together towards a common goal — a pleasure that was made possible by the wholehearted participation of each member of the council and enhanced by the fine cooperation of pastors and laymen throughout the district.

The challenges have been plentiful. Our goal has been singular in purpose. That purpose has been one of communicating the Gospel of Jesus Christ to a generation that is increasingly resistant to sound doctrine . . . but after their own lusts heap to themselves teachers . . .

Our concern for today's "turned-on" youth was verbalized in the year's theme. This concern has deepened as we have witnessed the difficulty of penetrating the shield of shallow sophistry which is stylish by "Mod" standards.

Our theme for the year — "Persevere, Evangelize, Power—in Christ" — was introduced at camp meeting and the acronym "PEP in Christ" became our battle cry. This theme was carried through Youth Camps, District Rallies and the Christian Education Conferette.

For the year's highly successful Youth Camps we owe a sincere "thank you" to our Business Manager, Ray Wells, and the entire youth camp staff for their dedicated efforts.

The following activities must be included in evaluating the year:
DISTRICT RALLIES: The Fall rally was held in Glendora in October. Lt. Dale Grubbs, U.S.N. (now serving in Viet Nam), brought the inspirational message. The Spring rally was held at Mile High Pines in April and was a first. District Youth and District CYC joined to present two separate all-day programs simultaneously, thereby ministering to our youth of all ages.
PEP RALLIES: This completely different program was designed to communicate, to involve and to shake those who might be apathetic. A PEP Rally was held in each of the five zones. I deeply appreciate the wonderful cooperation of the PEP Team which included: Rev. Jack Gilbert, Vice President; J. E. McCoy, Treasurer; Evangeline Deal, Secretary; Ray Wells and the PEP Tones—Jim Wilkins, Stan Bonner, Marvin Lee, Margie Artz, Loretta Greene, and Dare McCumber.

YOUTH COUNCIL MEETINGS: Your District Youth Council met 13 times at breakfast meetings and the attendance set a new record for faithfulness.
ZONE ACTIVITIES: All zones had a very active year and this report would be far from complete if I did not express my thanks to the zone chairmen who gave of themselves with such unselfish devotion to the cause of our Saviour. To Dale Kelley, Eastern; Lee Sorenson, Western; Charles Lack, Northern; Ray Wells, Central; and Melva Hill, Capitol; we must say "thank you, you are excellent partners and you made my job pleasant and easy."

Now as we look forward to a new year, we must all share the vision of partnership in order to be more effective in touching the hearts of young people with the great good news of life!

Respectfully Submitted,
Charles A. McKay
California District Youth President
