BUSINESS SESSION OF THE SEMI-ANNUAL ASSEMBLY OF THE HOLINESS CHURCH

April, 1940

Chino, Calif., April 9, 1940

The Semi-Annual Assembly of The Holiness Church met in business session at 10 a. m., President J. R. Adams in the chair. After song and prayer, Brother Adams read Luke 17:26-33, and spoke on the importance of our being prepared for the future in God's service. There are great opportunities before us. The work of God advances through the sacrifice of His people.

PARTIAL REPORT OF THE BOARD OF ELDERS

We, the Board of Elders, extend greetings in the name of Jesus and submit to you the following report:

Encouraging progress has been made by several of our churches during the past year. Revivals have been held with more or less success and additions have been made to the membership. It is with regret we admit this is not true of every local church, and we desire the earnest prayers of the assembly for our weaker churches, and that a great awakening may come in every portion of our field of labor.

The work in the South (Kentucky and Indiana) under the superintendency of Bro. J. H. Kiehl, is in a favorable condition. The church in Owensboro, Ky., is showing very encouraging progress under the able leadership of Bro. Henry W. Kiehl. Owing to weather conditions and other hindrances, the Tell City Tabernacle was closed for the winter, but it is expected to be opened again, with renewed efforts, this summer.

The mission on Towne Ave., under the leadership of Bro. Frank Mills, has been doing a wonderful work for the Lord in bringing souls to Christ and helping them to become established. Truly this is the work for which the mission was built. As there is a financial strain at this time, much prayer and co-operation is needed.

The Holiness Evangelistic Institute is nearing the close of its eighth year of beneficial service under the able leadership of President J. R. Adams and the wonderful,

God-sent faculty. A number of revivals have been held during the year. This has been a record year for our Bible department.

Our church paper, Standard Bearer of Bible Holiness, under the management of Bro. Ray W. Chamberlain, assisted by Brothers Robinson and Kalb, is a great blessing and spiritual help to many. The campaign for subscriptions last month has brought in about one hundred new subscriptions and renewals. Let us continue this effort until the paper is put on a paying basis.

Bro. Fred Getso sends encouraging word from Alaska. He has purchased a building, and expects to open services in the near future. A young couple has the call of God on them to help in the work there. They need our prayers and co-operation.

The work in Palestine under our faithful Sister Shoucair is still going on. The school that was closed for several months is open again. We thank the Lord for His blessing on the work there. She asks for our prayers and support. Reports will be read later.

Sister Grubb, who spent many years in China and on the border of Tibet, witnessing to the saving and sanctifying power of Jesus, has returned to the homeland, and we welcome her to the Assembly.

The work in Peru, under the faithful leadership of Bro. and Sis. Spencer and native workers, is in a very good condition. New work is being opened in several places over the field. Sister Naoma Greer, who went there recently, is a great blessing and help. Good reports come from the Andes, where Sis. Louise Van Metre and native helpers are laboring so faithfully for the Lord. Souls are being saved and a church has been organized.

Communications were read from the following: Ida M. Kelly, Mary Bicker, Eva Creswell, A. H. Clark, Fred K. and Ethel Wells, M. W. Hester, Bessie Moorman, Hannah McIntyre, Fred Getso, Dora Wells, Pearl Boeck. Adjourned.

HOLINESS EVANGELISTIC INSTITUTE

We, the Board of Trustees of the Holiness Evangelistic Institute, wish, at this time, to extend our greetings in Jesus' name, to The Holiness Church now in session, and to make a report of the school for the past year.

We wish to thank God for His rich blessings which He has so wonderfully bestowed upon every capacity of the school, and we do desire God's richest blessings upon all of those who have so earnestly stood by with their prayers and offerings, which has made possible the greatest year of the school, both in material and spiritual capacities.

We are truly thankful for our President, J. R. Adams, and his untiring efforts for the success and spiritual uplift of the school. We thank God also for our godly faculty, who have worked faithfully together in harmony and true Christian love for the up-building of true Christian character in every student.

The Lord has truly blessed the school the past year and we have been able to come down to the close of the school year with evidences of its being the best and greatest year since the school began, eight years ago.

We are looking to the Lord for a greater year for our school in the next, and we are asking that every one who knows the worth of real prayer and cheerful giving, will lend every effort of co-operation to make this possible.

The greatest need that we have at the present time is the completion of the grade school buildings. Pledges have been given for this purpose but this has all been used for the material which has been placed on the grounds.

Further pledges and offerings will be needed and we urge the co-operation of all in this behalf.

we are grateful to Him, the church and our friends. We received from all sources \$702.56 and paid tithe to the Standard Bearer Editor and the church the sum of \$88.35.

With thanks to all who gave, and to those who prayed for us, and to God Almighty, we submit this our report, and pray that the future may reveal greater things for all of us.

Your humble servants,

Brother and Sister J. R. Adams

Offering for our President, \$14.98.

REPORT OF SCHOOL PRESIDENT

August 1, 1940

To the General Assembly now in session at El Monte, California: Greeting in Jesus' name. I herewith submit my annual report as President of the Holiness Evangelistic Institute.

This closes the eighth year of the school, and we are glad to report the best one in its history. The co-operation of its faculty and their loyalty to the school has been above criticism, their attitude toward the students has been always to try to lead them to a better experience in Christ, and their sacrificing spirit has kept them from complaining at the small sum of money received for their untiring work. Surely the Lord will repay them in some way.

Our student body has grown spiritually and the efforts put forth by them in the Mission, the Gospel Team, and the groups that went to assist in the new work over weekends, has proved worth while. It has also developed our young people in more ways than one.

I took a group of young men through the middle of the State during the year, held meetings in seventeen different places, had ten seekers, drove 1,600 miles, started with \$17.00 and arrived home with \$15.45 left, and a development in every one of the young men's experiences.

Report of money received from the school as President for the past year, \$51.50, for which we are thankful to God.

I feel keenly the lack of interest in the school on the part of the church. I feel you do not realize its value in the success of our work, and I trust something may be done to bring us to the place of greater co-operation and advancement.

Yours for the advancement of the church,

President J. R. Adams

Alice Cline, Alta Adams, and Fred Wells as directors for the ensuing three years. This having been done, the above were declared elected.

Partial report of Board of Elders was read, received, and recommendations acted upon. The following recommendations were adopted:

I. We, the Board of Elders, recommend the General Assembly to make a statement concerning the interpretation of Section 13 of our Book of Rules, clause as follows: "Every member should lay aside a certain stated amount of his or her income or wages for instant use in God's cause, and all money, goods or produce so laid by for God should be held as sacred and not used for any other purpose." The meaning of this clause is that every member should tithe, and their tithe is to go to the local church of which they are a member.

II. We, the Board of Elders, recommend the following: Each church decide approximately what they can give to their pastor monthly. This amount shall be governed by the financial ability of the church. When the tithe percentage fails to reach this amount, the local church should appoint someone to take the necessary steps to bring up the shortage. When the amount is \$50.00 or more, above utilities and parsonage, the pastor shall be required to devote full time to church work.

ANNUAL REPORT OF THE PRESIDENT

To The Holiness Church met in General Assembly at El Monte, California: Greeting in Jesus' name. It is with a heart full of gratitude to God for His unspeakable riches and gifts to us the past year that I present to you my annual report.

The past year has been a very busy one in the service of the Lord and the church, and yet I feel I have come far short of doing all that should have been done or that I desired to do. I see so many things to advance the work, but have not had time to accomplish them. We do thank God for the effort and advance some of our churches have made, and the co-operation of our pastors and people. As we see and hear of the terrible apostasy that is sweeping the world, we are thankful for a people who desire to stay by the old paths of true holiness and stand for the right. Old time holiness is the same today as it ever was, and is not ashamed of the light. Thank God for holiness.

The Lord has wonderfully supplied our needs, for which

2. That a committee of three be appointed, who are strongly interested in the Standard Bearer, to have charge of this responsibility.

3. That the churches be divided into three districts by the above committee, and that each committee-man be over a district and responsible to chairman of said committee.

Business Session of the Annual Assembly of The Holiness Church

August, 1940

El Monte, Calif., August 6, 1940

The General Assembly of The Holiness Church met in business session at 10 a. m., President J. R. Adams in the chair. After worship, Bro. Adams read Philippians 2, and gave some important exhortations and warnings to the church. A season of prayer followed.

PARTIAL REPORT OF THE BOARD OF ELDERS

To the General Assembly of The Holiness Church now in session at El Monte, California:

We, the Board of Elders, send greetings in the name of our Lord and Savior Jesus Christ, and submit the following report:

The condition of The Holiness Church in general is quite favorable. The revival efforts in the churches have been of a substantial nature and greater fruitage is anticipated. In the new fields the outlook shows brighter prospects than for years.

THE STANDARD BEARER

The Standard Bearer of Bible Holiness under the able efforts of our Editor, Ray W. Chamberlain, has gone forth on its weekly mission with the message of "Holiness unto the Lord." A concerted effort has been put forth to increase its subscription list, with favorable results. We recommend that steps be taken at this time to try to secure 500 more subscriptions.

LOS ANGELES MISSION

Bro. and Sis. Frank Mills, Superintendents of the Los Angeles Mission at Fifth and Towne Sts., with their co-workers, are laboring faithfully for the salvation of souls. The monthly reports published in the Standard Bearer show the substantial work that has been done. Much prayer and co-operation is needed for continued success.

LAGUNA BEACH

During the past year a church has been organized with

seventeen members, and a charter requested, which was granted. Brother M. W. Hester has been called as pastor and is working faithfully, with great courage, on his chosen field.

NORTH REDONDO

The untiring efforts of Brother and Sister David Olson in the North Redondo field have brought definite results, and eternity alone will reveal the great good that has been accomplished there. The tent meeting just closed was conducted by Evangelist J. L. Allen, with some visible results.

HOLINESS EVANGELISTIC INSTITUTE

The school has closed its eighth successful year with excellent results, especially on spiritual lines. The Christian character of our student body has developed very noticeably under the able leadership of our godly faculty. A more detailed account will be given in our school report.

KENTUCKY AND INDIANA

The work in Kentucky and Indiana under the superintendency of Bro. John H. Kiehl, is in a very favorable condition. The Owensboro church under the leadership of Henry W. Kiehl, pastor, is showing a marked increase, both in attendance and spirituality.

A request has come from Tell City for a charter to be granted to a group of seventeen candidates for membership.

ALASKA

The work in Alaska under the faithful efforts of Bro. Fred Getso is progressing as rapidly as possible under present conditions, but is needing assistance both in workers and finances, and we desire the prayers of the saints that we may be able to accomplish this by the opening of next spring.

PERU

The work in Peru under the able leadership of Bro. and Sis. J. M. Spencer is advancing steadily. Sis. Naoma Greer has gone to the Southern District of the Andes to relieve Sis. Van Metre in that great field. It is imperative that Sis. Van Metre return to America for a furlough.

PALESTINE

The war clouds are hanging very low over Palestine, where our faithful missionary, Sis. Shoucair, is laboring, making the work in that field very difficult. Reports come that her work this year is encouraging; one of her fellow-laborers, a teacher, has united with our church and is standing faithfully by her. Prayer should be made without ceasing for this work.
