## REPORTS

### PRESIDENT'S REPORT

Dear Brethren of the Champlain Conference:

It is a great honor to address this 110th session of the Champlain Annual Conference and to realize that we are members of a corporation which has stood true to God's Word through a period in history unparalleled along all lines. We are proud, and justly so, of this record of integrity, and resolve that we should emphasize the need of propagating the work and intensifying our zeal and diligence as the lengthening shadows cast their ominous and dark forebodings over the world about us. Thank God, we are not of this world, but we recognize our responsibility of saving men from this world and bringing them into a fellowship which has for its objective the advancement of God's kingdom.

It has been more than my fondest dreams could anticipate to have had the privilege of serving the Conference as president for six years. Words can never express the deep emotions of our soul as we go on the pathway of memory back over the scenes of these fleeting days. Let us pause to see briefly the road of advancement which God has led us over. There was the purchase and renovation of a president's home in West Chazy, N. Y. which you paid for in full within one year. Then there has been the enlargement of the Camp grounds, dining hall, kitchen and facilities; and the liquidation of the entire indebtedness on the properties at Springfield, Ticonderoga, Schenectady and Malone. Also, there has been reduction of the indebtedness very definitely in several other places. Several new additions have been made to our older churches and are paid for, such as Corinth, Brant Lake, Lisbon, Heuvelton, Acorn Hill, and Bakers Mills, as well as additions to parsonages and pastor's new garages, viz. Hague, Willow, Springfield, Colton, Morley, West Chazy, and Forestdale. Others have improved their properties very decidedly. Ticonderoga has built a new church and parsonage and paid for the same. We have a new church at Wynantskill, N. Y. In this period a new church and parsonage have been built at Springfield, Mass. conservatively valued at \$50,000.00. Also, a beautiful and commodious parsonage has been obtained at Heuvelton. We have a church building at East Pitcairn, N. Y., and a fine group of people. There are parsonages at Cooks Corners and at Chichester. Canaan Hill has a new church and parsonage.

Our personnel has grown too. We have organizations now in Springfield, Northside, Cohoes, and Canaan Hill. There are preaching appointments in West Sandgate, Vermont and in Cambridge, N. Y. Our membership has increased about 9%. Several fine preachers have

## THE CHAMPLAIN CONFERENCE

---

come to join our ranks and are doing good work. They are Ray Morgan, Gerald Matson, Robert Wolcott, Charles and Roberta McCallum, Thomas Boghosian, Otis MacDonald, Stanley Hill, Quentin Hayes and William Otis. Others are looking this way from our schools and course of study. We bow reverently and gratefully, giving God the Glory.

There have been times when it would have been possible to have made a bigger splash; but after prayer and consideration the various committees and boards have deemed it wiser to refrain from plunging into unadvisable projects. To these committees, boards, and individuals we can not fully express proper appreciation. The wonderful personnel of Conference officers has been lavish in their help and cooperation. This is without exception.

There are so many things to thank you all for. Please forgive the unadvisable words and actions of these years. We were in a bad situation six years ago. Rev. Price Stark had sailed for Africa and it was said, "O, there is nobody fit to be president." God has helped us to do together what no individual could do. Now, we are again seeking a president for the Champlain Conference. Let us, after prayer and counsel, choose a man from our number, and assure him as we start him out that he can, through God's grace, do the work whereunto God hath called him. Let us provide, promote, and provoke such an one. We have a number of Godly, sagacious, mature men who are fully fitted and equipped to fulfill the duties of the office of president. May our hearts and eyes be open as we plunge into the days before us.

Respectfully submitted,  
*Charles A. Dayton*

## RESOLUTIONS OF THE CHAMPLAIN CONFERENCE

Probably there never has been a time in the history of the United States of America when honesty, integrity, courage and Christianity was more needed than now. In the beginning the founders of our great country believed in God, said so, and acted as if they believed in the necessity of such a stand. Our Country has gone a long way from that. Progress has been made in the way of invention (for convenience and speed in travel, in lighting, in power, transportation and many other things we call every day needs.) However, somewhere along the way, perhaps only a little at a time, which finally did become noticeable, the people of this great Nation have "FORGOTTEN GOD." It might have been neglect at first. At any rate it is noticed by all thinking people here and now. Great newspaper writers, and magazine editors, and large corporations pay for advertising space to call attention to it; bill boards of the secular world proclaim the necessity of a return to the worship of God. The evangelists have been, and are—with faithful pastors and laymen—telling the world that this is the hour of decision. And we are "being weighed in the balances and found wanting." It is high time we spend more time in prayer, in talking with folks about their need of salvation, in inviting non-church goers to church, and then to Christ.

Therefore be it resolved that the Champlain Conference be called to certain days for special prayer for ministers and Christian workers, for those in high places in our Government, for missionaries in this Country and throughout the world. (Perhaps on each Friday.)

Be it also resolved that we exert all our powers as citizens, and see that we are eligible to vote, and then VOTE. Also to let our Congressmen and U. S. Senators know how we feel regarding certain big issues—such as Ambassador to the Vatican, Universal Military Training, selling beer to members of our armed forces, (even letting brewery companies send "free" beer), and kindred evils. God help us if we remain silent on such issues!

Be it further resolved that we as a Conference actually work toward the goals of our general Church program . . . Two new Churches,

## THE CHAMPLAIN CONFERENCE

---

two new members per church, and two "won for Christ" by each member. We can if we will!

And, finally, be it resolved that we promote through the Sunday Schools, the Young People's Society, the Missionary Societies, as well as through the regular Church services, a Christian attitude in word and deed to win the people of our communities or constituency, that will draw men to the Church and to Christ.

And that when there are converts they "be added to the Church such as shall be saved," and do it while they are fresh in the glow of their Christian experience, and not wait until they grow cold—or present members grow cold, so that they may be dropped from the roll. So called "back door revivals" are not revivals at all, and generally reveal that someone has failed in their Christian duty to assist these babes in Christ at the crucial time.

Let us then "labor while it is day, for the night soon cometh when no man can work."

Walter F. Lewis,  
Arthur O. Northrup.

### Recommendations

- (1) Continue the 4 Star Program:
  - \*A DVBS on each charge.
  - \*A Teacher's Training Course on each charge.
  - \*Worker's Meetings on each charge.
  - \*10% Increase in Average Attendance on each charge.
- (2) The budget be 20c per member in main school, to be paid in the 1st quarter of this Conference year, if possible.
- (3) The Sunday School Secretary hold a service on each charge, and that a Sunday School Convention be held in each of the four districts this year.
- (4) The Sunday Schools may compute their yearly average attendance of 48 Sundays, dropping off any 4 Sundays that they wish, thus making some allowance for attendance slump caused by severe weather or epidemic, and absenteeism caused by attendance at Conference and Camp.
- (5) That Home Visitation and Personal Evangelism receive the emphasis it merits by virtue of its importance in relation to the growth and Spiritual life of our Sunday Schools.

The Executive Committee met at 10:00 A.M., July 1, 1952 with the entire Committee present; Marjorie Stevenson, Ruth Hill, Myrtle Larabee, Vina Hewitt and Florence Northrup.

The problem of Dormitory rooms was considered. Motion made and carried that the recommendation presented by Mrs. Stevenson concerning rooms be submitted to the Society for adoption. We recommend:

1. That there shall be a Matron of Dormitories and Cottages appointed annually who shall in conjunction with the Executive Committee assume full responsibility of the Dormitory rooms:
  - a. Receive reservations.
  - b. Admit and dismiss occupants of rooms.
  - c. Receive payment for rooms.

## THE CHAMPLAIN CONFERENCE

- d. Be responsible for the proper furnishing of each room before the beginning of Conference.
- e. Be responsible that the rooms be left in proper shape following the close of Conference.
2. The funds received and disbursed shall be itemized and be presented to the Annual Conference.
3. These funds shall be voted out by the Executive Board of the Woman's Missionary Society of the Champlain Conference for furnishing and maintenance of rooms, a nominal salary for the matron, and should funds permit for the building of additional dormitory facilities.

The Work Shops were discussed for the coming year. It was recommended that we have 2 Missionary District Conventions instead of four, and that the "Work Shop" idea be kept in the background. It was further recommended that we try to secure the Home Missionary Secretary as our speaker, and that we emphasize Men's Fellowship and Church Extension within our Conference. We were adjourned.

### **Friday P.M.**

He said that the need of India was a positive witness and a revival. Mrs. Coleson concluded by giving us a word picture of how the witness works in India.

The Quartet sang, "All Hail The Power of Jesus' Name!," and the offering was taken. We were dismissed with prayer after which the Colesons showed their slides of India.

A skit written by Mrs. Roberta McCallum depicting the past 50 years of Y.M.W.B. history was presented. The guest speaker was our own Mrs. Mary Lane Clarke who has been so much a part of this fifty years of progress. The Jubilee offering was taken and we were dismissed by Mrs. Clarke.

## REPORTS

### REPORT OF THE PRESIDENT OF THE CONFERENCE WOMAN'S MISSIONARY SOCIETY

#### Report No. 1

To our co-laborers in the Lord, Greetings:

This has been a good year in many ways, not the least of which is the fact that there has come an increased revelation of the high and holy honor of being a co-laborer with our matchless Lord and Savior. True it is that we have a duty to perform, but its heaviness and drudgery fade and disappear in the recognition and enjoyment of the glorious privilege that is ours.

Last fall for a month's deputation work, Rev. and Mrs. Ferdinand Witthuhn of Haiti came to our Conference. Their ministry was blessed and refreshing. This spring in our four district conventions held at Hadley, Schenectady, Mooers and Norfolk, Rev. Hugh Newcomb of the Onondaga Indian Reservation was our guest. We appreciated his humble, sincere and zealous contribution to the enlargement of our vision. At the district conventions were held the Workshops which as a whole were beneficial. We wish to publicly thank Mrs. Vina Hewitt and Mrs. Ralph Seaman for their sacrificial giving of time and strength to make these conventions a success.

Our Conference was asked to participate in the continuous prayer chain maintained throughout the Church by Conferences. Being well up on the alphabetical scale we were assigned the month of April. Mrs. Ruth Hill, our Conference Vice President, superintended this work with efficiency and interest. However, we were disappointed to learn that only sixteen of the thirty-two societies made any response to her request. 212 individuals took specified time for prayer; these, I am sure, could testify to the blessing it was to them.

Your President was present at the four district conventions of our own Conference. Also it was her privilege to be one of the guest speakers at the three district conventions of the Rochester Conference this spring. It was a time of practical benefit and spiritual blessing.

The Conference Society is happy to welcome into our midst and fellowship the new Pitcairn Society, organized February, 1952. May we remember to give them our consistent prayer backing!

Though it was in no official capacity, your President was happy to have the privilege of accompanying her husband to Haiti in the interest of missions and feels because of it God has opened their spiritual eyes more widely to the urgent and awful needs of these people. Because of this trip we have been privileged to contact several so-

cieties with the message of Haiti's need both in this Conference and elsewhere.

Besides the regular monthly contribution to the *Challenger* frequent correspondence has gone out to the local societies concerning missionary visitation, district conventions and financial reports.

Your President wishes to personally thank every one who has contributed in any way with gifts or prayer, for whatever has been accomplished by human effort in the advancement of God's Kingdom, and to publicly thank our Heavenly Father for the needed wisdom and grace which He has never failed to provide.

Respectfully submitted,  
Marjorie Stevenson

### Recommendations

1. I wish to recommend that in place of a lump sum the Woman's Missionary Society of the Champlain Conference make payment of the financial obligations incurred in the operating of the various offices of the Woman's Conference Society, said payment being made from an itemized expense sheet submitted by each officer or committee appointed by the President.

2. I wish to recommend the handling of the dormitory rooms according to a plan approved by the Executive Committee of the Woman's Missionary Society. SEE EXECUTIVE MEETING REPORT.

Marjorie Stevenson

### PLAN OF WORK

#### Report No. 6

For each local W.M.S. we recommend:

1. The effort to secure every woman of the congregation as members, and to enlist the men as honorary members unless they have a missionary organization of their own.

2. The formation of an active prayer partner group with a prayer partner secretary reporting to the Conference prayer partner secretary by 60 days after Conference. It is also urged that a prayer and fast day be observed monthly.

3. The election of officers who are subscribers to and readers of the Wesleyan Methodist and the Wesleyan Missionary and that effort be made to place the Wesleyan Missionary in every home.

## THE CHAMPLAIN CONFERENCE

---

4. The continuation of sending goods, usable clothing, notions, pictures and medical supplies to our home missionaries.

5. That we forward promptly all Sunday School charts and flannel-graph material to our foreign fields, remembering to enclose the charts in their original pasteboard rolls.

7. The sending of silverware, dish towels and other supplies for the Camp Ground.

8. That at a meeting before Conference, officers for the coming year be elected, including a magazine solicitor and a delegate (other than the church delegate, if possible). ### REPORT OF NURSERY COMMITTEE

#### Report No. 10

We suggest that a fenced in, covered play ground equipped with a sand box (and spoons and pails) and cast off toys contributed by those who will bring them be constructed for the use of little children. This play ground could be supervised by the mothers. A Bible story hour and choruses could be a regular part of the morning activities.

We further suggest that more extensive equipment might be furnished by various Missionary Societies as a project for the year.

Hopefully submitted,  
Erma Seaman, Marion Smith,  
Marcia Earl, Elizabeth Dayton.

### STANDING RULES

#### Report No. 11

1. The standing rules of the Conference Missionary Society shall be printed in the Conference Minutes each year.

2. The local treasurer is to send a statistical blank to the statistician two weeks before Conference convenes. Send the delegates credentials to the Conference Missionary Secretary two weeks before Conference. Receipts and disbursements must be made to balance before being sent, also giving rating according to efficiency standard. Take one blank home after Conference to read to the local society.

3. The voting body shall be composed of Conference Officers, Y.M. W.B. Superintendent, Presidents of local societies, lady pastors, Pastor's wives, and one delegate from each local society.

4. The Plan of Work should be read quarterly to our local societies to keep us enthused in our work.

5. We recommend that the Treasurer of the Conference Society be elected as a committee of remembrance with authority to send flowers or other suitable tribute to those of our number who shall be called to their eternal reward. We further recommend that this shall include all pastor's wives and officers of our Conference Missionary Society.
