REPORTS OF COMMITTEES.

PRESIDENT'S REPORT.

In accordance with the provisions of the Discipline, I do hereby submit my official report as President of the Thirty-Second Annual Session of the South Carolina Conference, ending November 25, 1924.

Dear Brethren:—To my mind we have passed and are passing one of the most critical periods thus far in our history. We have many things for which to be thankful, and many other things are claiming our undivided attention and prayerful consideration and hearty co-operation.

Permit me to say further that this has been a most wonderful year to me. In the midst of labors abundant, and in conditions very abnormal, I have found the superabundance of God's grace my all sufficiency. I, too, have found the pastors congenial and willing to co-operate along lines for the furtherance and best interest of the cause of Christ. It has been a delight to serve the Conference and to find so many of our people standing loyal to the Church and the Bible standard of holiness. The Conference has received nothing less than our best.

STATE OF THE WORK.

Dear Brethren:—Greetings in His precious name! To give the true state, condition or crisis would require more than I am able to render. However, I am glad to report that God's people are still possessing the land, if they are not taking much territory. There are some as good people in our churches and conference as will be found anywhere. Those of whom I speak have stood loyally by the cause, and are the working force of the Church. We deplore the fact that many are non-progressive in their experience or methods in promulgating the gospel.

In a part of the work the people are pushing ahead and having revivals, raising their budget, taking their Church paper and Missionary Magazine, working through their societies, following their pastors and are ready to do their best for the cause. This per cent might be raised by more closely obeying Paul's admonition as recorded in 2nd Corinthians 6:1-11, "We, then, as workers together with Him, beseech you."

To the discouraged, read Rom. 8:28-39, "And we know that all things work together for good to them that love the Lord." There is hope, an open door, a white harvest and a living Saviour for us all. Let us arise and go forward in the strength of our Christ, "that the desert may blossom as the rose."

SOUTH CAROLINA CONFERENCE

In conclusion, I may say, there is a chance for us all to make good, to do better, love more, and to become thoroughly awakened to the need of the School, Missions and Orphanage work, and do a type of evangelism that will stand till Jesus comes. "Servants, obey in all things your masters according to the flesh: not with eyeservice, as menpleasers, but in singleness of heart, fearing God: and whatsoever ye do, do it heartily, as to the Lord, and not unto men, knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ." Col. 3:22-25.

W. D. Correll, Committee.

THANKS.

The Committee on Thanks desires to express on behalf of the Conference its deep appreciation of the cordial hospitality accorded it. The splendid entertainment both by the residents of College Hill, the town of Central, and the College will not be forgotten. May the God of all grace add His blessing to these dear people.

J. W. Miller, Committee.

RESOLUTIONS.

Resolutions Adopted in 1898.

Resolved, 1st. That as a body in Conference assembled, we will not allow our pulpits or churches to be used by those who do not give evidence of being sound in the doctrines of the Wesleyan Methodist Church and true to our polity.

2nd. That as ministers and laymen we will use our best endeavors to prevent the promulgation of doctrines or usages not in accord with the Wesleyan Methodist faith.

Resolutions Adopted in 1905.

Resolved, 1st. That the law with regard to complaints or violations of orders and resolutions found on page 37 of our Discipline, and beginning with the words, "When the President," shall apply to all cases of the violators of our Discipline, and no charges shall be entertained by the Judiciary Committee without said previous investigation and labor.

SOUTH CAROLINA CONFERENCE

2nd. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

Resolutions Adopted in 1907.

Resolved, 1st. That we affirm our faith in the soundness of the position taken by the Wesleyan Methodist Church of America in denying any of its members membership in any secret society.

2nd. That we believe that the preaching of Holiness that does not include a clear and distinct opposition to all secret societies is seriously lacking in the essential elements and must be more or less displeasing to God.

3rd. That we believe that the right type of Holiness preaching and teaching is the most effective means by which to induce men to separate themselves from all lodge entanglements; therefore, we will do our best to double our diligence in this line of effort.

4th. That we affectionately admonish our people to avoid all compromise with secrecy. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents or teachers of any Sunday Schools that are held in our churches if they hold membership in secret societies; furthermore, those belonging to secret orders shall not be allowed to hold services in our churches.

5th. That we seriously urge upon all our brethren and sisters that they may be careful to maintain a consistent, but radical, attitude of opposition to all organizations, secret or open, which are opposed to Jesus Christ and His doctrine and principles of righteousness.

Resolutions Adopted in 1914.

Resolved, 1st. That all of our Licentiates not receiving any appointments to pastoral or evangelistic work be required to preach at least once a month, or twelve times during the Conference year.

2nd. That in addition to the above resolution, we earnestly request all preachers not receiving a regular appointment by the Conference, except those attending school preparatory to the ministry, to hold, if possible, a two weeks' revival during the year.

3rd. That all preachers unemployed by the Conference during the coming year be urged to select a fellow-laborer with whom they can work harmoniously, and go out and try to build up new works as they may have opportunity, and revive the desert places.

SOUTH CAROLINA CONFERENCE

4th. That in order that the foregoing resolutions may have the greatest effect possible, and that each preacher may have a higher estimation of the dignity of his calling, and that the burden for souls may be increased, and that they may feel the sympathy of the Church to which they belong, we urge each charge to pass like resolutions.

5th. That it is not only the duty, but binding on each Circuit preacher of our Conference, to receive whomsoever the Conference may designate as Quarterly Meeting Evangelist, and give him their hearty support and co-operation.

Resolution Adopted in 1919.

Be it Resolved, That the Committee on Public Worship consist of the President of the Conference, the pastor of the charge where the Conference is held, and the pastor's delegate.

Resolutions Adopted in 1921.

Regarding the Orphanage.

Resolved, 1st. That we as a Conference continue W. D. Correll as Committeeman until next Annual Conference; also to act as Manager of the institution from this Conference.

2nd. That we meet the balance of \$7,000.00 on the purchase price of the property. We suggest that \$1.00 per member be asked for throughout the Conference, for 1924.

3rd. That a Committee of two be elected to associate with W. D. Correll as Committeeman.

4th. That this Committee appoint such financial agents or agent as necessary to carry on this work throughout the Conference, and that said agents be secured on such terms as can be agreed thereon by Committee and agents.

5th. That a special effort be made between now and the first of January by the pastors and Financial Agents to collect the amount subscribed during this Conference, and to add to it if possible, thereby saving interest and deferred payments.

6th. That the Conference Treasurer handle all cash and receipts on both the up-keep and the purchased price of the Orphanage; and that the produce be sent directly to Miss Bettie Tyler.

W. D. Correll,
D. O. Powers,
L. H. Kelley,

Committee.

SOUTH CAROLINA CONFERENCE

Resolution Adopted in 1922.

Regarding Tithing.

Resolved, That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.

Resolution Adopted in 1923.

Resolved, 1st. That it is the sense of this Conference that our houses of worship should not be opened to any evangelist or minister of any other church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however that usual denominational courtesies be extended to other ministers in occasional appointments.

2nd. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary; provided, this shall not interfere with previous arrangements between pastor and charge.
