# Standing Rules

Edited by the Secretary

**No. 1 Date of Conference:** The annual session of the Lockport Annual Conference, Inc., shall convene the Tuesday evening preceding the second Thursday of August, with adjournment scheduled not later than Friday afternoon.

**No. 2 Board of Trustees Report for Final Action:** Resolved, That all matters involving the expenditures of money to be appropriated from the Conference Treasurer, be referred to the Board of Trustees for their consideration, and to be reported back by them to the Conference for final action.

**No. 3 General Conference Delegates:** Resolved, That it is the sense of the Lockport Conference that no person should accept the position as delegate to the General Conference unless he expects to be present during the entire session. The President is required to communicate this resolution to the delegates three weeks before the General Conference begins.

**No. 4 Pastor's Moving Expenses:** The church calling a pastor to serve them shall pay his expenses to the charge, the same not to apply on his salary.

**No. 5 Statistical Report:** June 30th shall be considered the close of the Conference year for statistical purposes. The pastor shall send to the Conference Treasurer all monies and receipts with both copies of the statistical report made out (except the Budget Item, which the treasurer will fill in and sign) by July 8. The Conference Treasurer in turn shall pass the reports to the Auditor of Statistical reports by July 15. The Auditor shall correct the reports and shall pass one copy to the Statistician and one copy back to the pastor by July 22. He shall audit the statistician's report and send the Budget Chairman the membership of the churches, Sunday schools, and the W.Y. The Statistician and Auditor shall give pastors opportunity to explain apparent errors till the time that Conference convenes.

**No. 6 Temperance, Sabbath Observance, and Public Morals:** Resolved, 1. That we are definitely committed to the prohibition of the liquor traffic rather than its regulation. We consider that the legalizing of the liquor traffic is sin. We urge our people to do all within their power to elect men to public office who will outlaw the liquor traffic. 2. That we hereby affirm our belief and conviction that the Christian Sabbath was appointed as a day of rest and worship and should be so observed with resolute consistency. 3. That we believe that the highest and noblest conception of public morals is to be achieved through the regeneration of individuals rather than through the collective reformation of society. 4. That for the successful maintenance of the positions above indicated we are fully committed to the support of every valid effort for the preservation of our denominational rights of free speech, a free press, and free religion against all encroachments of dictatorial regimentation of thought and action whether in State or Church.

**No. 7 Pastor's Vacation:** Each charge shall grant to its pastor each year a two week's vacation with pay at a time he shall elect.

**No. 8 Passage of Ministerial Character:** One month before the first day of Conference the President and his Advisory Board shall appoint a Committee on Ministerial Character. All character blanks, filled out in duplicate, shall be mailed to the President's office not later than two weeks before the opening day of Conference; one shall be returned to the ministers, and the other to be given to the Pastoral Relations Committee. The pastor shall read Item 3 of his statistical report. The Statistician shall place his copy of the pastor's statistical report in a convenient place at conference where they may be examined by persons who are interested. When the pastor's name is called, he shall state that he has, or has not, passed in the examination of his

character, and briefly state his religious experience, and report on his religious work. The delegate shall also be given the same opportunity.

**No. 9 Adjustment of Pastor's Salary:** Resolved, (1) That churches which enter into a financial agreement with the pastor shall, when needful, make adjustment of this obligation at each quarterly meeting. A full settlement of the pastor's salary shall be made before the time of the Annual Conference. (2) That the churches of the Conference be urged to pay mileage for the use of the pastor's car in church work at the rate established by the Conference trustees for conference work. Any financial agreement on salary entered into by a church and pastor shall not be of force after the end of the Conference year for which it is made, unless it is renewed by the contracting parties. The financial obligation of each church to its pastor shall be in force throughout the Conference and Camp Meeting period. He shall receive his salary the same as if he were on the charge conducting services. The first Sunday of September shall be the first Sunday of the new Conference year.

**No. 10 Delegates' Credentials:** It shall be the duty of the pastors to forward to the Conference Secretary not later than one week before the Annual Conference convenes the church (not missionary) delegates' credentials from his charge.

**No. 11 Budget Apportionment:** The Budget Committee shall base their appointment of the budget for Foreign Missions, Home Missions, Education, Hephzibah Orphanage, Administrative, General Conference Travel and Entertainment, Australia, and General Sunday School on the rate per member recommended by the Board of Administration. The Pension Budget shall be the rate per member recommended by the Board of Administration, except when the Conference Pension Sinking Fund shall fall below \$200.00. When this occurs, the Pension Budget for the next year shall be 10 cents more per member than the amount recommended by the Board of Administration. The Conference Sunday School budget shall be at the rate of 10¢ per member. The Conference budget shall be the sum recommended by the Board of Trustees, the same to be disbursed upon their recommendation and approval of Conference. The Conference Entertainment Budget shall be the amount recommended by the Board of Trustees, the same to be disbursed upon their recommendation and approval of Conference. The W. Y. budget shall be determined on the rate per active member of the W. Y. according to the Discipline; the Conference W. Y. budget shall be determined on the rate set by the Conference W. Y. The Budget for the Conference President's salary shall be the amount recommended by the Board of Trustees, the same to be approved by the Conference. (The Sunday School Budget shall be determined by the number of persons in the Main School.)

**No. 12 Budget Credit:** Nothing but cash shall count on the Sunday school, Conference, or Conference Entertainment budgets. Money paid on L.S.U. pledges, or interests paid on Educational Notes and all money paid for current expenses of Houghton College shall count on the Educational budget. Cash and receipts acceptable to the Missionary Boards shall count on Orphanage, Home and Foreign Missionary budgets. Items which apply on budget credit shall be so marked by the Conference Treasurer.

**No. 13 Date for Taking Pastoral Vote:** The pastoral vote shall be taken throughout the Conference the first Sunday following May 15.

**No. 14 Communion Service:** The Conference Annual Communion Service will be observed on Tuesday evening following the preaching service, the communion table to be prepared by the stewards of the Houghton Church.

**No. 15 Conference Missionary Board and Conference Board of Church Extension:** 1. The annual conference shall elect by ballot an Extension Secretary. This is to be a non-salaried office, receiving remunerations only for travel expenses and time

spent away from regular duties in the interest of the church extension work.

2. The Annual Conference Missionary Board shall also serve as a Conference Board of Church Extension. Membership will include the President of the Conference, the President of the Conference Woman's Missionary Society, the Conference Extension Secretary, and the President of the W. Y., these four ex-officio and two lay members elected by the Annual Conference. Whenever the duties of Conference President and Conference Extension Secretary are filled by the same person the sixth member shall be an elder elected from the Conference floor.

3. The duties of the Extension Secretary shall be:

- A. To act as Chairman of the Conference Board of Church Extension, when this committee meets as such.
- B. To have supervision, with the Conference Board of Church Extension, of the Conference Extension work.

4. The duties of the Conference Board of Church Extension shall be:

- A. To survey the Lockport Conference territory to determine the most suitable location for extension projects.
- B. To give general counseling as to the development of pioneer work in co-operation with the Conference President.
- C. To allocate such funds as are received for the proposed designated projects.
- D. To publicize throughout the local churches the work of the department.
- E. To render to the Annual Conference a detailed report of the work of the past year.

5. The treasurer of the Conference Board of Church Extension shall be elected by the Board from their number and be authorized to receive funds for this extension program, and that all funds be sent directly to the treasurer of the Conference Board of Church Extension.

6. That the Pioneer Envelope plan shall be used as a means of raising funds for this program. All offerings and contributions received in extension service shall go into this fund.

7. All pioneer works and those organized works certified to the Board by the President and his Advisory Board shall be considered as eligible for assistance from the Conference Board of Church Extension. In general, it shall be policy not to give financial assistance to any work for a longer period than three years.

8. That the Board schedule one of our missionaries to visit the churches in the interests of missions at least once each year. This will in no way conflict with the present policies of the Woman's Missionary Society.

**No. 16 Fire and Extended Coverage Insurance on Owned Church Property:** That it be required that each charge furnish the Chairman of the Board of Trustees (1) a copy of the deed of all church and parsonage properties, (2) a certificate of insurance on all church and parsonage properties and that this be brought up-to-date at each insurance renewal. Further, the Conference highly recommends that each charge obtain Fire and Extended Coverage Insurance on all owned church properties to cover at least 80% of the current appraisal value and it shall be the duty of each pastor to bring this recommendation before the local Board of Trustees.

**No. 17 Election of Local Church Officers:** The officers of the local church shall be elected in the month of June and their term of office shall be from July 1 to July 1. The quarters of the fiscal year shall be September 30, December 31, March 31, and June 30.

**No. 18 Superannuate Pension Plan:** All ministers receiving full time service credit shall belong to the Superannuate Pension Plan. The Federal Social Security

shall be recognized as a substitute plan where such is to the advantage of the individual. They shall comply with the above within two years from the time they become eligible. It is recommended that the local church assist the pastors in belonging to the Federal Social Security who also belong to the Superannuate Pension Plan.

**No. 19 Delegate to N.A.E. and N.H.A.:** The President of the Conference shall be the delegate to the annual convention of the National Association of Evangelicals and the representative to the annual convention of the National Holiness Association. The Vice-President shall be the alternate delegate to each convention.

**No. 20 Standards of Auditing Procedures:** 1. The confirmation of bank balances by the appointed auditors. A certified bank statement shall be furnished by the treasurer by the opening date of conference. This bank statement shall be as recent as possible before the treasurer leaves for the annual conference session.

2. The auditors shall test-check receipts and expenditures for a designated period during the conference year.

3. The auditors shall list notes payable and notes receivable and other obligations due or owed by the conference trustees; check on current payment or receipt of interest.

4. The auditors shall reconcile the books with the annual report of the treasurer.

5. The auditors shall issue an official certificate of their finding of all treasurer's books audited.

6. Treasurers shall have their books ready for audit immediately upon the opening of the conference.

**No. 21 Nominating Committee:** That there be elected on Wednesday morning of Annual Conference a Nominating Committee to submit a slate of nominations for all conference officers. This committee shall consist of three elders constituting the Committee on Temporary Organization plus two laymen elected from the floor. The committee will nominate two names for each office which requires a ballot election (trustees excepted) and one name for those offices not requiring a ballot election. In all cases nominations may be presented from the floor.

## THE PRESIDENTS REPORT

We have gathered here at Houghton in this 97th session of the Lockport Annual Conference, expectant of the Lord's richest blessing and guidance in these days that we spend together. Let August 12-15, 1958, be days of real spiritual conquest in the

name of the Lord. In greeting you this morning, my mind goes to Psalms 73, where I read in Verse 25, "Whom have I in Heaven but Thee? There is none upon earth that I desire beside Thee. My flesh and my heart faileth: but God is the strength of my heart, and my portion forever." The Psalmist in Verse 28 says, "But it is good for me to draw near to God: I have put my trust in the Lord God, that I may declare all thy works." This, I believe, states very simply the expression of our hearts to be wholly devoted unto God and His service in the consciousness of His enabling power. We rejoice in the mighty in-working of the Holy Spirit in our hearts and our lives; in the purging and the filling, that we might be vessels that are sanctified and meet for the Master's use, prepared unto every good work.

It has been our privilege to visit each of the churches during the course of the year in public services. In most of them we have also held business meetings and been in conference with the local pastors and the local people in relation to the progress of the Lord's work in their community. We have been well-received and on many occasions the blessing of the Lord has been manifest, for which we praise Him. In the early part of the Conference year, however, we spent our time serving the church at Blossom until there was made the appointment of a pastor early in September as the Rev. O. G. McKinley came to us from the Rochester Conference. We enjoyed these days in fellowship with the people in Blossom and are expectant of the Lord's continued blessing upon them.

We have been overjoyed with the response of the Lockport Conference in the International Headquarters Campaign; specially as that campaign was presented in the Operation Personal Participation. We find at the end of this campaign, that 26 of the churches participated, a total of \$12,185 was subscribed, which means that more than \$10 per member of the Conference was subscribed to this denominational program. We are most happy to have this money go to the use of this great project. We wish to say "thank you" to each of the churches which participated and also to each of you pastors who pushed the campaign, and to the district chairmen, who were the Rev. Adrian Everts, the Rev. Lloyd Mack, the Rev. Martin Cox, the Rev. Michael Schell, the Rev. Price Stark, and the Rev. Daniel Heinz. Thank you every one for your part, and let's keep praying that God may meet the entire need for our church in this project. We find in comparing our response to other conferences, that certainly the Lord has helped us, and we give praise to Him. We personally appreciate and wish to express our appreciation for the labors of Dr. O. G. Wilson in our midst in behalf of this campaign.

During the course of the year there have been many special events which have marked the Conference calendar. Silver Creek dedicated their new building on June 9, 1957. The Higgins Church dedicated a new parsonage on August 7, 1957. The Opening Day service at the Hamburg Parsonage-Chapel was held on November 3, which was a real cause for rejoicing, due to the fact that now public services could be held in the village of Hamburg. December 8, 1957, marked the mortgage-burning for the Batavia Church, a time that had been look-forwarded to. The Lockport Church dedicated its new church school unit on November 24, a very precious service in which Dr. Paine brought the afternoon message. Very recently our Hamburg group dedicated their new parsonage-chapel, on August 3, 1958. The main floor of the sanctuary was full and an eager group of people responded to the challenges that were presented by the Rev. Martin Cox and others who participated in the service. In all of these special events are indications of the Lord's blessing and some evidences of progress as we work together to see His kingdom advance.

Ministerial counsel has been basically carried out through letters of correspondence and through our three ministerial fellowships held throughout the course of the year. In the first of these fellowships, held in the month of October, there was emphasized our youth program and its interests and the disciplines of the Wesleyan Methodist Church relating to the secret society issue. It the month of January there came to us a group of four men from Rochester Conference who shared with us in two

ministerial fellowships held at Silver Creek and Houghton, in the emphasis of evangelism. We have expressed our heart-felt appreciation to the men of the Rochester Conference who thus shared with us in this time of fellowship and instruction. It was a real challenge, and we believe the foundation for a new impetus in the area of evangelistic advance in our midst. In the month of May there was held another ministerial fellowship in each of the districts of the Conference, at which time there was emphasized a report from our National Holiness Association meeting, and also the presentation of the historical background of Methodism, its message, and its disciplines as they pertain to our modern day. This message was presented as a book review from the book entitled, "Living in Two Worlds," written by Dr. Mary Alice Tenney, head of the English Department in Greenville College, Illinois. These times of ministerial fellowship were times of real challenge, and we believe of profitable sitting together in the consideration of the interests of His kingdom.

interests of His kingdom.

District activities were led by Conference and district leaders in promotion of several Conference-wide interests.

In the month of November there was held a series of Sunday school conventions led by Rev. Robert Lewis, in the behalf of the Sunday school interests of the Conference. These were well-attended in general, though the finances did not completely cover the expense involved. In the month of March there was held a series of district youth conventions, at which the Rev. Forrest Gearheart, Area Chairman, was the principal speaker. God blessed in these services and we were conscious of His help in the work of our youth. To the best of my knowledge, there has been held very few district holiness conventions during the course of the Conference year. For this we are deeply disappointed. We feel that we ought seriously to consider ways and means of promoting these district fellowships for the benefit of laity and of pastors as a means of revival impetus in our midst. May God help each district chairman to do his part in the promotion of this work in cooperation with each pastor, who ought loyally to support these services and believe God for the mighty workings of revival as a definite emphasis is placed in our district meetings on the working of the blessed Holy Spirit in the heart and life of the believer.

We would also like to express our appreciation for the efforts put forth by the Committee on Evangelism to sponsor and to further greater prayer fellowship among the pastors. This was carried out very advantageously in several areas of the Conference for a good period of the winter months. We feel our hearts were blessed and warmed in praying together and believing God for revival. We trust that even in a larger sense this may be carried out in the new year as we unite in prayer unto revival.

In the area of church extension, we have sought to fully cooperate with the Church Extension Secretary in the promotion and development of new churches. We have given a good amount of time to the development committees of North Pembroke, Hamburg, Cleveland Drive and Machias. In some cases we felt that this time was very well spent. In other cases, perhaps we need to improve our efficiency if we fulfill all of our purpose in these gatherings. We will leave it to the Church Extension Secretary to analyze the progress made in each of these points, though you will notice in our Official Acts that the church at Cleveland Drive has been organized with a membership of 14 active members and one associate. For this we praise the Lord and express our appreciation to the faithful labors of Brother and Sister Schultz in this strategic pioneer field. We are trusting God for good days ahead for this work as the people walk with God and are wholly yielded to His will and to His purpose, that God might be glorified in all. The prospects for the development of a work in Mt. Vernon-on-the-Lake will doubtless be presented by the Church Extension Secretary, so we will give no further detail in relation to this except that it is our expectation that in another year there may be launched this full-time project with a worker in the field with property being secured for the development of this work. Let us pray to this end.

We will seek to give a further report concerning our trip to the National Association of Evangelicals and to the N. H. A., held in the month of April in Chicago. This was a very wonderful time of challenge, of blessing and of fellowship. We will seek to share with you a bit of the message at these two great conventions. We do say thank you for all of your kindness in sending us.

The President's Report would not be complete without some statistical analysis of the progress of the work during the course of the past year.

In statistical analysis we are hindered in giving the fullest picture which you desire. However, we are prepared to present some basic facts.

In the area of church property, we find all churches properties are valued at \$1,092,350. This represents an increase of \$155,000 in values over last year. In facing the problem of liabilities you will find the total indebtedness decreased \$30,000. Parsonage indebtedness increased \$39,000.

Pastor's receipts show an increase of \$22,000 this year. \$19,000 of this increase is represented in the salary column. This indicates a strengthening pastoral support program.

In the budget report you will find a response that is generally good. In the general budgets, administrative and General Conference entertainment and travel had small unpaid balances in the totals. In our Conference budgets, there were small amounts unpaid in each item, I observe. A bit more carefulness in planning could help us meet all of these items in full with God's help.

In the area of Sunday school activity you will find the year showed a total enrollment in the main school of 3265. This was only an increase of 96. However, average attendance, which totalled 2453, represented an increase of 191. The average attendance increase in V. B. S. was 351.

Have we made any growth membership-wise? Yes. The present total membership is 1490. This represents an increase of 87. Both associate and junior membership show a good gain. The present full membership is 1174 — a gain of 20. The church at Cleveland Drive represented a good share of this gain. May we pray for greater gains as we walk with God.

It will be well for you to study the Official Acts carefully, inasmuch as in these Official Acts you will find listed many of the events which have transpired in relation to property transactions of the Conference. At Houghton you will note the acquiring of the Beach property for the future enlargement of the work and the transfer of all present-held properties in the name of the Lockport Annual Conference. There has also been a completion of the deeds of the North Pembroke property in the name of the Conference. There has been added three lots to the Hamburg property, part of which was used as an exchange item to obtain the necessary frontage on Sharon Avenue. A very modest parsonage property is presently being secured in the North Pembroke Work. Almost immediately it is expected that construction will start on the new Ellicott Wesleyan Methodist Church, a very lovely edifice as designed by Mr. Ort, an architect from Buffalo. At Ashwood there has been added one large plot of ground for the future expansion of the work. A church basement has been under construction at Rich Valley. Building plans are presently being completed for a new church structure in Olean. Other projects formerly started have received much additional labor toward completion. The original enlargement project at Forestville has been completed, and with the obtainment of the old schoolhouse building, the renovation of the building will result in a lovely hall for general gatherings. May we continue to pray that as the Lord blesses and helps, there may be a wise usage of each of these buildings that are dedicated fully to God and to His service.

This Conference will begin the pre-Centennial period of preparation unto the remembrance of 1961 as our Centennial year. The Centennial Committee will be making their report of their recommendations, but let me note with you at this present time that our motto will be, "In 1958-59, United in Prayer Unto Revival." Actually this motto expresses three very basic needs in our Conference group. First of all, the

need for unity in every area of our living, and obedience unto Jesus Christ. The disunity and confusion among us at many times has been a source of real heart grief to myself and to others. We must live together if we are going to work together. May God help us to consider one another, that we may be united when we pray. Let us remember as we look forward to this Centennial period, that our use of the means of prayer, calling upon God in expectation for the outpouring of His Spirit, will largely determine the outpouring; and may we not fail to ask God for large things. There is no greater thing that we can ask God for than revival. By revival we mean the revival of His people. LaTourette stated, "The only answer to the continuation of the church is the frequency of revival. Certainly during the course of the past year we have had many manifestations of God's blessing unto revival. However, we have had no general revival throughout our Conference group. For this we long and for this we pray. May we believe and live together unto this end. As you find in the reports presented from the various departments of the church, varied emphases for this pre-centennial period will be presented, we are believing that God will make them effective unto true revival in our midst. Let us believe God to this end.

This Conference session will mark the close of our quadrennial period. There has been much of activity and we trust some of it may prove to have eternal quality. Let us look forward to the General Conference session with prayer and expectancy, believing that God shall give guidance in the future of His great church as we work with Him. Especially may we give ourselves to prayer concerning the proposed union with the Pilgrim Holiness Church.

During the course of the year we have sought faithfully to fulfill the obligations entrusted to us, although not all of them may have been fulfilled to the complete satisfaction of everyone. We thank you for your longsuffering and your patience and cooperation. We are assured of God's presence; we are seeking Him for His guidance that in each of our lives His perfect will may be worked out for the glory and the praise of His name. We are united in prayer unto this end.

## REPORT OF CONFERENCE MISSIONARY BOARD AND BOARD OF CHURCH EXTENSION

The work of Conference Church Extension has suffered a real loss this year in the resignation of Burnett Thompson as the Extension Secretary.

Progress has been realized in the organization of the Cleveland Drive Church on August 1 with 14 full and 1 associate members.

In North Pembroke the church building and lot has been secured and deeded to the Conference. A parsonage property is in the process of acquisition. Attendance at the services has shown a very encouraging increase.

The year has seen sufficient completion of the parsonage-chapel building at Hamburg making possible the official opening of the work there on November 3rd. Attendance, interested and financial progress is most gratifying.

While we rejoice in the progress of the past we cannot relax our efforts in the extension of Christ's Kingdom for there is much land yet to be possessed.

A call comes to us from Mt. Vernon-on-the-Lake, a housing area in the township of Hamburg. A house-to-house survey revealed a definite interest on the part of many families that are ready to invest a sizeable amount for the securing of property.

The faithful prayer support and offerings from the churches of the conference has made this progress possible. Your constant interest in this missionary work is necessary if it is to continue to advance.

The following budget is proposed for the coming year:

|                                                |            |            |

## Report No. 13

The Woman's Missionary Society present the following report to the Annual Conference:

We have continued the support of Louise Lytle, our missionary to Colombia, South America. At last campmeeting time ample funds were raised to complete the transportation expense for the Huff Family's return to Sierra Leone.

The transfer of McConnell Hall from the Woman's Missionary Society to the Campmeeting Association was effected in August, 1957.

During the spring of this year Rev. Warren Woolsey toured the conference presenting to our churches the missionary challenge anew. The local response was gratifying. Some time during the fall months Miss Rebecca Bibbee, a missionary to India under the Missionary Bands, which group has now united with our church, will be visiting the local churches.

Total receipts from the societies of the conference for the Headquarters Building Fund now stands at \$1,378.84. Other totals for the year are as follows: 608 active members; 128 honorary members; 555 Wesleyan Missionaries taken; total receipts (including old balance) \$27,393.87. The disbursements: Home Missions, \$2,884.36; Australia, \$280.75; Jewish Evangelism, \$91.00; Foreign Missions, \$13,135.97; Medical Student Fund, \$103.25; Hephzibah Budget, \$318.07; Hephzibah Gifts, \$677.40; Education Budget, \$694.53; Education Gifts, \$1004.04; Honorary Enrollment, \$229.00; Local Church Work, \$2,366.67; Membership Dues, \$368.00; Administrative Fund, \$160.50;

Conference Extension, \$41.00; Conference W.M.S. Working Fund, \$158.75; Other objects, \$4055.44; Total Disbursements, \$26,568.73; New Balance on hand, \$825.14; Grand Total, \$27,393.87.

We recognize that without the support of faithful pastors and loyal laymen these goals could not have been reached. To you we are grateful indeed, but to God belongs the glory for His enabling in our work together for Him.

Respectfully submitted  
Helen F. Stark, President

**Report No. 17****REPORT OF COMMITTEE ON EVANGELISM**

The Committee on Evangelism has met several times during the past year in the interest of the promotion of a spirit of aggressive evangelism is our God-given responsibility. "Ye shall be witnesses unto me in Jerusalem, Judea, Samaria, and unto the uttermost part of the earth." We are exhorted to do the work of an evangelist. This we must do.

It remains, however, that if we are to be effective in the task we must maintain that relationship with Christ continuously for which we strive periodically in revival effort. To come short of "continuous revival" is to come short of Christ's standard, and contributes to the fearful lack of vital spiritual fervor.

It is with this in mind that your Committee recommends to all who feel it would be of benefit, the program of pastoral exchange for the promotion of revival. In this plan each participating church and pastor would receive the help of another pastor and give of their pastor to assist another church.

A suggested list of names of pastors thought to be the most desirable could be of help in the arranging of the schedule. The services of the pastors would be without remuneration except for travel expenses to be paid by the church receiving the help. The supplies for the pulpit of the absent pastor to be provided by the absent pastor's church.

This suggested plan is intended in no way to interfere with the local program of any church but rather for the furtherance of the spirit of revival leading to effective evangelism in the churches.

About one-half of the churches have already indicated an interest and desire to participate. If there are others who wish to be included in the schedule, make your desire known by writing to the office of the Conference President.

Respectfully submitted,  
A. Gordon Wolfe

**Report No. 18****REPORT OF THE CONFERENCE SUNDAY SCHOOL SECRETARY**

It has been a great privilege to serve the conference in the interest of the Sunday School as secretary. There is no doubt in my mind that the Sunday School is the greatest opportunity there is in reaching children, young people, and adults to the saving knowledge of the Lord Jesus Christ and to maturity in Him. Last November it was my privilege to travel the conference in many rallies and in conventions. God worked, souls were stirred, and today we are hearing results of what God did at those meetings. We do praise Him for all He has done, but my heart is burdened as I realize the needs in our conference as far as the Sunday School is concerned. A number of churches have reported a loss in attendance. May God lift our eyes to the thousands around our churches who need Christ and are waiting for the laborers to come.

Most of the churches have reported a gain in Sunday School average attendance. May God continue to add, multiply and increase our Sunday Schools daily that His church may go forth.

The Ellicott church received the plaque for the "Outstanding Sunday School of the Year." They certainly earned it and we praise God for what He is doing through the willing and obedient servants He has at the Ellicott church.

As an aid to building greater Sunday Schools for the coming year, I would like

to suggest the following:

1. That each Sunday School organize a strong prayer center with "Circles of Light," and all the church united in prayer unto revival.
2. That every Sunday School organize for extensive visitation.
3. That a list of absentees and prospects be prepared each week and volunteers secured to visit those some time during the week.

That every Sunday School give wholehearted cooperation with the denominational program of Autumn Advance.

May the love of Christ so fill our hearts, and may the Holy Spirit be so pre-dominate throughout that we be volunteers and see the Kingdom of God advance with great strides through willing and obedient lives.

We appreciate the work of our Child Evangelism director, Rev. Milton Putnam. He has labored and God has blessed him in his work at Crusader's Camp. He has been asked and has accepted this position for another year subject to approval of this action by the conference.

**RESOLUTIONS**

We your special committee to prepare a Statement of Attitude on Prudentials recommend the adoption of the following resolution:

We of the Lockport Conference recognize that true spirituality will ever be measured in terms of vital and continuing union with Christ and that a meticulous attention to details of life often falls short of this. Realistically, however, we are faced with an increasingly strong worldly impact in the direction of extremism in dress, adornment, and appointments. This fact, and also the statements of Scripture and of our church Discipline in this field, seem to us to indicate clearly that here is a proper matter for our attention.

While we realize that our great God-given mission is to bring the lost to Jesus Christ, we also do have a deep responsibility and concern for the carefulness of life which commends us to the grace and approval of God and ministers to the witness and promotion of the Gospel.

We, therefore, affirm our desire as a conference to be circumspect and responsible in this area of our Christian life, and to give attention to the basic principles taught by our Discipline and by the Scripture. These basic requirements we believe to include the following:

A willingness, even desire, to be set apart from the world.

A carefulness to avoid the wearing of clothing which does not adequately and properly clothe the person.

A carefulness to avoid display and needless ornamentation.

Avoidance of needless expenditure for our clothing and appointments.

We suggest that the discussion and study of these principles may profitably be promoted by our pastors and people, with due regard to opportuneness of time and place. It would seem to us that initially such discussions could well engage some attention of the more mature and spiritual members and that these principles, within their context of Scripture and of Disciplinary statement, can be held before those seeking admission to membership, in hope that in these considerations we as individuals and as a people may be helped by the Holy Spirit to a carefulness which, while free from harshness and legalism, shall be pleasing to God, and a positive factor in the spiritual life of our churches and people.

## Report No. 1

## WESLEYAN YOUTH PRESIDENT'S REPORT

Greetings to the members of this 26th session of the Lockport Conference Wesleyan Youth annual business meeting. We should give praise to God for the evidence of His blessing upon the youth work of our conference this past year.

The executive council met three times during the course of the year. The council appointed the Rev. Richard Weber as youth camp director for 1958 and the Rev. Paul Markell as young adult director. In that annual conference was moved to August, the council voted to hold the annual business meeting during youth camp. Last fall, September 17-19, our vice president, Robert Lewis, and your president attended the Houghton Area youth council meeting at Rochester, Pa. Plans were laid at that meeting for the area convention to be held here at Houghton the last week of this month.

There are several highlights of this year's activities. Our youth camp of 1957 under the direction of Rev. Martin Cox saw a record high registration of 135. Many of these young people found victory and help during camp. Again this year we have a fine group of campers and a capable staff. Our young adult weekend during the last weekend of our camp meeting has proved to be very helpful in reaching a number of the older young people and married couples who would not get to camp otherwise.

During the week of March 17-20 your president travelled with our Houghton Area president, the Rev. Forrest Gearhart, to each of the districts of our conference where youth rallies were held. These rallies were well attended and we trust they were an encouragement on the district level. Our spring youth convention was held at Silver Creek May 2-3 with some 200 in attendance. One pioneer project this year has been the purchasing of 500 new folding chairs for the Hamburg chapel. A total of over \$600 has come in to more than cover the cost of the chairs. One new local has been organized at Big Tree during this conference year.

It has been a real joy and privilege to serve as your president for the past three years. We have been conscious of God's help and we appreciate the fine cooperation we have received. I feel that my work in this capacity should end this year and therefore I would desire that my name not be considered for the coming year.

Respectfully submitted,  
Nelson D. Crowell

#### Report no. 2

#### President's Report

To the members of the sixty-fifth session of the Lockport Annual Conference of the Woman's Missionary Society convened in Houghton, New York, on August 12, 1958:

Greetings in that name which "is above every name."

We join with you in humble gratitude to God for His gracious help throughout the year that has passed. In so many ways we have throughout the year that has

passed. In so many ways we have been aware of His undergirding and enabling in the responsibility assigned us. We are also grateful to our local officers for the cooperation and response you have given as we have contacted you from time to time throughout the year. Here in, we believe, lies our hope for progress in the future.

In accord with the vote taken at last year's conference session, we negotiated the transfer of McConnell Hall from the Missionary Society of the Houghton Campmeeting Association on August 15, 1957. That association has made some much needed repairs and changes. More remains to be done. We hope the Missionary Society may still carry some responsibility for improvements and maintenance of this dormitory. We shall be saying more about this later. Patience will be in order this year during the period of transition in management.

On December 12, we requested Helen Kilpatrick to become chairman of a centennial committee in our organization. She has done splendid work in this capacity and will be presenting plans to you on Thursday morning of this session. We have represented the Woman's Missionary Society on the conference Centennial Committee. Along with the conference, it is our purpose as a society to "unite in prayer unto revival" throughout this first year of the centennial observance.

It has been my privilege to visit personally our local societies at Cleveland Drive, Blossom and Ellicott. I only wish I could have met with more of the locals.

With approval of the executive committee, the following interim appointments were made on March 28: Checker of annual reports, Marion McKinley; auditor, Analee Schultz and statistician, Erma Swanson. We pause here to thank these ladies for their work in carrying out the duties assigned.

Your committee on temporary organization met in Olean on August 5.

This spring we arranged the conference tour for Rev. Warren Woolsey. His ministry, we are certain, was a real blessing to the local groups.

With our sights trained on the year ahead, may we urge each of you to deeper devotion to God and to greater diligence in His service. As women who have been elected to places of leadership in the local groups, let us soberly face the fact that we are somewhat responsible for the maintenance of that deep, spiritual life without which our efforts are only chaff and stubble. If the conference does "unite in prayer unto revival," then many of us must yield ourselves anew to God for this all-important labor of love. May God help us so to do!

Helen F. Stark  
President

**Report no. 4****COMMITTEE ON RESOLUTIONS REPORT**

1. That we covenant to pray for the salvation of our families in the local church, in our Conference area and throughout the world; that, in recognition of the sacrificial devotion of our workers here and abroad, we pledge ourselves, each, personally, to new lives of crucifixion, in giving, in praying, in witnessing, as true lay missionaries at home.
2. That we deny ourselves by praying and giving, so the new Headquarters Building may soon be a reality.
3. That we pray for God's guidance of our nation's leaders, in the decisions of international problems.
4. Since delinquency begins at home, we would urge that parents purpose to train their children by example and by Biblical standards for vital Christian living, and for future leadership in the church; and that we promote where possible some active spiritual program for youth of our community.
5. That we express our appreciation for the meals and our entertainment during Conference.

Respectfully submitted,
