REPORTS OF COMMITTEES

PRESIDENT'S REPORT.

To South Carolina Conference of the Wesleyan Methodist Church:

Dear Brethren:—During the past Conference year the following items of business came before me and were acted upon with the consent of the Advisory Board:

1. Received the transfers of Rev. M. R. Harvey of the North Carolina Conference and the Revs. L. L. and Anna K. Folger of the Illinois Conference.

2. Granted to Rev. H. C. Bedford a transfer to the Indiana Conference.

3. The resignation of Rev. W. E. McEntire, of the Golden Grove Circuit, was accepted May 12, 1919.

4. The Golden Grove church was added to the Greenville circuit, and Tucapau to the Gaffney circuit.

5. Rev. S. W. Wright was assigned to the Central charge as supply at last Conference. When he became President of the school he was unable to keep the work. Rev. Allen Connor was appointed supply until a pastor could be secured. He served until the middle of October, when Revs. L. L. and Anna K. Folger came and took charge of the work.

6. There were two churches organized during the year:

At Liberty, S. C., July 27, 1919, a class of eight members were received. Rev. G. E. Crenshaw was appointed pastor of this work.

At Tuckaseegee, N. C., on October 11, 1919, a class of seven members was organized. This was the fruit of the labor of the Revs. M. R. Harvey and C. C. Churchill. This class was added to the Greenville circuit. We raised \$493.00 in cash and pledges for a church building. This mountain work is one of the most prospective fields in the South Carolina Conference.

7. In August we sold the Oneal church property for \$425.00. By virtue of its being deeded to the Connection it took it out of our control. With the consent of the Connectional Treasurer, Rev. J. S. Willett, we were granted permission to use the money in erecting new church buildings.

SOUTH CAROLINA CONFERENCE

Of this amount Whitmire received \$100.00, Liberty church received \$100.00; \$200.00 was loaned to G. E. Crenshaw for six months at 8 per cent interest. I promised \$125.00 to the Tuckaseegee church, to be paid when the note for \$200.00 was due. Balance of this amount, \$100.00, on hand.

I have conducted six revivals, attended Fifth Sunday Conventions, preached 330 times, had about 100 professions, organized three Y. M. W. B.s and two W. H. & F. M. Societies.

STATE OF THE WORK.

Your Committee begs leave to submit the following report:

We entered our work at the close of the Conference and continued throughout the year. We found some of the churches in low spirit, but they expressed their desire for a revival. We found others with a good degree of grace and with a spirit of enthusiasm, who are still looking, praying, believing and receiving the out-poured blessings of the Lord.

There are many homes without the Church paper and book of Discipline. We deplore the fact that some of our people are still asleep to many of the vital interests of the Church, yet there is an increase in the enrollment of subscriptions to the Wesleyan; also a ready response to our new missionary magazine, the Wesleyan Missionary. It is through these publications that our people will be enlightened.

The revivals throughout the Conference have been great, and as a result of these good meetings our membership has increased 108 during the year.

The Church met her financial obligations more easily than ever before. The interest of tithing is growing, and when a call for money is made there is always a ready response. There has also been an increase in the salaries of our pastors, yet there is still a much needed increase.

We are delighted to report that through Divine help the Camp Meeting Committee has been successful in locating a permanent camp site at Greer, S. C., where our Conference camp meeting will be held annually, the last of August. A tabernacle 80x110 feet is being erected. The leading preacher for the coming year is Rev. Will H. Huff.

Respectfully submitted,

W. D. Correll,
J. M. Hames,

Committee.

SUNDAY SCHOOL COMMITTEE.

There is no channel of church work through which greater good can be done than the Sunday School. It is designed for no special class, but for all. By the use of the literature or lesson materials, it is made possible to reach all, from the Cradle Roll to the Bible class, and by a working Home Department it also reaches those confined to their homes.

The Sunday School affords boundless opportunities for both old and young, but especially the child. In a regular religious service, where the pastor or some one else delivers a sermon, the mind of the child is sometimes drawn to consider his spiritual need; but when he is placed in a Sunday School class, under the influence of a good child teacher, and direct questions are asked it, then it begins to feel that it has a part in the school, consequently it becomes interested.

Again, the Sunday School is co-operative with the home, in "bending the twig" while tender; which characterizes the form of the tree, when full grown.

Some impressions abide forever. So the fundamentals of true religion can be deeply impressed on the mind and heart of the child in the Sunday School, which will make a lasting impression.

WESLEYAN METHODIST CONNECTION

The pastors who take a special interest in their Sunday Schools and seeks to promote their highest interests, will in a short time see every arm of the church work advancing. For by the Sunday School can be easily determined the spiritual condition of the church.

Every Sunday School should be a missionary Sunday School. If it is, it is in possession of two great advantages, viz., in raising missionary funds in the school, in which the children will most gladly participate, and at the same time creating an interest in the hearts of the children for this great work; then, the children having received early Christian training, hear the call of the Lord to the whitened harvest fields, and by His help they can say, "Here am I, Lord; send me."

May the Lord deeply stir our hearts to be more loyal to this great arm of the Church, and seek earnestly to promote its greatest interest.

Respectfully submitted,

I. F. McLeister,

M. R. Harvey,

Allen Connor,

COMMITTEE ON EDUCATION.

Without doubt the youth of this generation are facing the most strenuous days, the most tremendous problems, calling for the most indomitable faith, the most thorough training, that have ever confronted the young manhood and womanhood of any generation since the beginning of time.

The cause for all this is not far to seek. The conditions of the times in which we live are unparalleled in history. The world has become one great neighborhood community. With the present developments of rapid transportation and communication, in only the early stages of which we probably find ourselves today, New York, San Francisco, Hong Kong, and Liverpool are brought closer together than were Boston, Philadelphia and Charleston in the days of our Revolutionary fathers. Such terms in daily usage as "world war," "world peace," "League of Nations" give one an idea of the changing conditions. He who cannot see in terms of a world vision and think in terms of world problems will not serve the present age nor his calling fulfill as he ought to do.

SOUTH CAROLINA CONFERENCE

And along what lines are these great problems to be solved? It seems that every plan and device of human wisdom has been tried and still the world faces a terrible unrest. Then supposing we try for once Divine wisdom. The Word of God that alone offers hope to the weary earth is so assailed on almost every hand that one wonders still if when the Son of Man cometh will He find faith in the earth. What, then, is the problem that faces us as a Church in relation to these problems? Is it not this, to give to the world a generation of our young people who are able to see the problems just as they are and then to apply to those very problems the Word of God?

This brings us, then, squarely to our obligation to provide for our young people a thoroughly efficient and thoroughly Christian education. In order that this education be thoroughly Christian, it will require that the work in our educational centers be in the hands of those who stand four square for the rugged, vital truths of the Word of God and who will give no place nor quarter to the destructive teachings that would sap its life, put God in the background, and exalt man as the wonderfully evolved monarch of all he surveys. I feel that I am fully within the bounds of truth when I say that the faculty of the Wesleyan Methodist College fully meets these conditions and esteem it a great privilege to take this very stand on these matters. In order that this education may be thoroughly efficient, it will require that our facilities must be of the highest possible order. In this we seem to have caught the vision. It can hardly be questioned that the goal of efficiency for us lies in the higher ranks of accredited colleges. Neither are we unmindful of the task that faces us as we climb toward this goal. We feel that the obligation that the General Conference has laid upon us in the raising of \$100,000 during the next four years for education is a reasonable requirement, and we are determined to take up the matter with zest and enthusiasm according to the well-laid plans that will be handed down to us at the proper time. Nor are we unmindful that the work of the Church is an indissoluble unit. All the other requirements are as vital and reasonable and as essential to our educational work. Hence we feel that our quarter million share of the great Forward Movement Fund is a challenge to the metal of which we are believed to be made and of which we believe ourselves to be made. Our answer lies stretched out over the next four years, it is true, but by faith we bring it nigh.

COMMITTEE ON MORAL REFORM.

Your Committee on Moral Reform respectfully submits the following report:

Having had a thorough knowledge of the Wesleyan Methodist Church for over sixty years, we are fully convinced that it is an organization that God has chosen to teach and spread Bible holiness in the earth, by taking an aggressive stand against every form of sin and error.

We present the following as some of the most dangerous popular evils against which we as a Church stand opposed, namely:

Intoxicating liquors of every kind, one of the greatest curses of humanity and most destructive of human life. Published statistics give a statement of a cost of over a billion dollars each year, and a loss of a hundred thousand lives from this one curse; aggregating the enormous total of fifty billion dollars, and five million deaths in the last half century.

Tobacco and snuff, chewed, eaten or smoked, at a cost of six hundred thousand dollars a year, and causing twenty-five thousand deaths annually, aggregating a total of thirty billion dollars, and a loss of one million two hundred and fifty thousand lives in the past fifty years.

Cards and baseball, and all games of chance played only with a motive to outdo or beat others, scripturally termed "emulation," and positively forbidden.

The theatre and moving picture shows, which always produce a debasing influence on old and young, ruinous to soul and body.

The dance, which allows an intimacy and liberty between the sexes that leads to the ruin of more girls and boys than any other one public and popular evil.

The immodest and indecent fashion of wearing low-neck and short-skirt dresses, indulged in by girls and encouraged or permitted by parents, and often leading girls to shame and ruin.

Secret societies of every kind, the spirit of them all a system of clannishness and selfishness, compelling the candidates to foreswear themselves to do what they as yet have no knowledge of, and what many or most of the candidates never would if they were not solemnly foresworn to do it. Hence we are compelled to see the whole secrecy business as a systematic snare of the devil.

Church fairs, suppers, raffles and parties for the purpose of raising money for church purposes, we cannot but regard it all as ungodly and an unscriptural method of doing God's business.

SOUTH CAROLINA CONFERENCE

We regard God's financial plan as given in the Bible as systematic and cheerful giving of tithes and offerings; which will always be sufficient for church needs.

Believing that all these evils should be denounced in strong and unmistakable terms, therefore be it

Resolved, That every minister and member of the church should be urged to do all in their power to correct these evils of the day by example, precept, circulation of literature and any other means in their power, and that they seek the co-operation of all Christians in the effort. Be it further

Resolved, That we cannot see how any one can be a Christian and not use his ballot against the manufacture and sale of all alcoholic beverages in our country, and to take an active interest in all law enforcement.

REPORT FROM DR. WATSON.

1707 Third Avenue,

Los Angeles, Calif, Oct. 27, 1919.

Rev. W. D. Correll, Central, S. C.

Dear Brother:—I learned that your Conference will meet November 18th in Greenville, S. C. I have failed to make my report for some years, and I now wish to make a report of my work to be read to your Conference, as I cannot be there myself.

I hold my credentials from the South Carolina Conference of the Wesleyan Methodist Church, signed by W. H. Kennedy. I have been living at the above address for several years past. In 1914 I made an evangelistic trip to Japan and Korea to give Bible instruction to the young preachers in the Oriental Missionary Society. I have been evangelizing in various places in Canada and the United States for four or five years past. In the winter time I rent a hall in this city and give Bible expositions every Sunday afternoon, and the Lord has graciously blessed my ministry in gathering out a good congregation from the various churches to hear the subjects expounded concerning the deeper Christian life and the things in connection with the coming of the Lord.

WESLEYAN METHODIST CONNECTION

Last March, April, May and June I spent in the East, holding evangelistic meetings in Indiana, Ohio, Pennsylvania, Maryland, Virginia, North Carolina and Illinois. I had an urgent invitation to go to New Zealand the last of August and spend a year there in evangelistic work. I got my passport from Mr. Lansing, the Secretary of State, and made all my plans to sail September 8th, but when I reached San Francisco I could not get a permit from the British Ambassador at Washington to go to New Zealand, so all my plans were upset and I returned here and opened my work again in the Berean Hall in this city.

I have issued two books during this year, one volume called "God's Eagles," published by the Revivalist of Cincinnati, Ohio, and the other volume called "God's First Words," published by Fleming H. Revell Co. of New York. These books are having a rapid sale and God is wonderfully blessing them to all who read them.

I expect to remain here until next March and then will likely make another evangelistic tour in the East, and I am hoping to hold some meetings in the South next fall—in Greensboro, N. C.; Greer, S. C.; Lumberton, N. C., and other places as the doors may open.

A year ago I held a ten days' meeting with the Wesleyan Methodist pastor at Durham, N. C., and I want to plan for several meetings among our Wesleyan Methodist pastors in the South for next fall. I would like for the brethren of the Conference to put my name on the ministerial list in the minutes as a General Evangelist.

I pray God to give you great blessings at your Conference this year, and would be very glad to be with you if it were possible.

Your brother in Christian love,

Geo. D. Watson.

COMMITTEE ON PUBLIC WORSHIP.

On motion, the following resolution was adopted by Conference:

Be it Resolved, That the Committee on Public Worship consist of the President of the Conference, the pastor of the charge where the Conference is held, and the pastor's delegate.

RESOLUTIONS

Resolutions Adopted in 1898.

Resolved, 1st, That as a body in Conference assembled, we will not allow our pulpits or churches to be used by those who do not give evidence of being sound in the doctrines of the Wesleyan Methodist Church and true to our polity.

2nd, That as ministers and laymen we will use our best endeavors to prevent the promulgation of doctrines or usages not in accord with the Wesleyan Methodist faith.

Resolutions Adopted in 1905.

Resolved, 1st, That the law with regard to complaints or violations of orders and resolutions found on page 37 of our Discipline, and beginning with the words, "When the President," shall apply to all cases of the violators of our Discipline, and no charges shall be entertained by the Judiciary Committee without said previous investigation and labor.

2nd, That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

Resolutions Adopted in 1907.

Resolved, 1st, That we affirm our faith in the soundness of the position taken by the Wesleyan Methodist Church of America in denying any of its members membership in any secret society.

2nd, That we believe that the preaching of Holiness that does not include a clear and distinct opposition to all secret societies is seriously lacking in the essential elements and must be more or less displeasing to God.

WESLEYAN METHODIST CONNECTION

3rd, That we believe that the right type of Holiness preaching and teaching is the most effective means by which to induce men to separate themselves from all lodge entanglements; therefore, we will do our best to double our diligence in this line of effort.

4th, That we affectionately admonish our people to avoid all compromise with secrecy. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents or teachers of any Sunday Schools that are held in our churches if they hold membership in secret societies; furthermore, those belonging to secret orders shall not be allowed to hold services in our churches.

5th, That we seriously urge upon all our brethren and sisters that they may be careful to maintain a consistent, but radical, attitude of opposition to all organizations, secret or open, which are opposed to Jesus Christ and His doctrine and principles of righteousness.

Resolutions of 1914.

Resolved, 1st, That all of our Licentiates not receiving any appointment to pastoral or evangelistic work be required to preach at least once a month, or twelve times during the Conference year.

2nd, That in addition to the above resolution we earnestly request all preachers not receiving a regular appointment by the Conference, except those attending school preparatory to the ministry, to hold, if possible, a two weeks' revival during the year.

3rd, That all preachers unemployed by the Conference during the coming year be urged to select a fellow-laborer with whom they can work harmoniously, and go out and try to build up new works as they may have opportunity, and revive the desert places.

4th, That in order that the foregoing resolutions may have the greatest effect possible, and that each preacher may have a higher estimation of the dignity of his calling, and that the burden for souls may be increased, and that they may feel the sympathy of the Church to which they belong, we urge each charge to pass like resolutions.

5th, That it is not only the duty, but binding on each circuit preacher of our Conference, to receive whomsoever the Conference may designate as Quarterly Meeting Evangelist, and give him their hearty support and co-operation.
