REPORT OF THE SPECIAL COMMITTEE ON CONFERENCE EXTENSION

During the course of the year, your committee has met on five occasions. One of them composed of a partial committee for the purpose of studying the work of Conference Extension and to make recommendations for the promotion of this very vital phase of our Home Mission endeavors in our Conference.

As a result of these studies, we beg to submit the following recommendations:

1. We recommend to the Conference that a Special Committee on Conference Extension be elected for another year to study further the problems of Conference Extension.

2. We recommend that for 1951-1952, workers be employed by the Conference Missionary Board when occasion demands. We further recommend that the Conference officials be permitted to arrange their schedule to visit churches where there is a need, provided an official visit is made once a year with each church in the Conference.

3. We recommend a minimum goal of \$2.00 per member for Conference Extension work to assist new and weaker churches and that the stronger churches should not expect assistance, except in case of emergency.

If the total amount raised in the Conference during the year is in excess of this \$2.00 minimum goal, all such excess shall be placed in a sinking fund, with the thought in mind of providing additional supervision.

4. We further recommend that a program of education and promotion be used for the purpose of acquainting our people with the projects.

In order to set up and launch the above program, we recommend that the Home Missionary Secretary, or some other competent person be secured and that work with the Conference Extension Secretary to survey the field and to work with the District Superintendents and other constituency, to more fully acquaint them with the development and possibilities of Conference Extension.

We recommend further that there be nominated by the Pastoral Relations Committee and elected by the Conference, one man in each of the Conference Districts who will assist the Vice-President in the carrying out of the Conference Extension work.

5. We have surveyed the field and find there are many worthy communities, but we recommend that for the coming year, our special projects be Lawrence and Muncie.

Respectfully Submitted,

V. Van Mater, Chairman,
E. Kierstead,
R. Woodhead,
George Ott,
A. Minx,
M. Enyeart, Secretary.

It was shown that the work of the Church in the fight against sin demanded that we get our heads together. The final and all important point was that the "Enthroned Christ will make an ideal Wesleyan Methodist Church." This message should be a lasting challenge and inspiration to the Indiana Conference.**Recessed**—Recessed by limitation of time.**Benediction**—The Rev. 13. January 9—Appointed Don Grandlinard pastor of the newly organized Valparaiso Church.
14. January 26—Received a church of eleven members at Winchester,

organized by the Rev. Vestal Van Matre, and declared the same to be a Wesleyan Methodist church.

15. January 26—Having received a recommendation from the Winchester Church for Russell W. Castle to travel under the direction of the conference and also a request that he be appointed as their pastor, I granted the request and appointed Brother Castle as supply pastor of the newly organized Winchester Church.

16. March 24—Accepted the resignation of Pliny Cox from the pastorate of the Wesley Chapel Church, his resignation being due to ill health.

17. March 24—At his request, I transferred Pliny Cox to the Superannuate List.

18. April 6—Received a Letter of Standing for Watson Goodman, an ordained minister of the Pilgrim Holiness Church in the Ohio Conference.

19. April 9—At the request of the Wesley Chapel Church, by unanimous vote, I appointed Robert Kenworthy as their pastor, this action being approved by my Advisory Board.

20. April 20—Accepted the resignation of Asa Ault from all conference offices, the Advisory Board concurring in this action.

21. June 1—Referred the vacancy on the Camp Meeting Committee, which vacancy resulted from the above stated resignation, to Rev. V. S. Vardaman, Chairman of the Committee on Vacancies.

23. June 19—Received a recommendation to study and travel for local preacher, Andrew Wilson, from the Richmond Church and, at his request, appointed him to the work of Conference Evangelism and granted him a Letter of Transfer to the Dakota Conference.

25. July 2—Received notice from Rev. V. S. Vardaman, Chairman, that the Vacancy Committee had appointed Frank Noggle to fill the vacancy on the Camp Meeting Committee and I thereupon approved the appointment.

26. July 19—took the Advisory Board to Carthage where a joint meeting of the Blue River and Carthage Churches had been called. At this meeting we learned that both churches had voted to ask the Conference to divide the circuit at its next session. Also a satisfactory plan had been worked out for the division of the parsonage interests. So after learning that both churches were enthusiastically favorable to the division, and with the Advisory Board concurring, I approved the division of the Blue River circuit with the understanding that the adoption of the report of my official acts by the Conference would complete the division, thus making the Blue River and Carthage Churches each separate stations.

27. July 20—At their request, I granted Letters of Standing to Elders E. Sterl and Marie Phinney.

28. August 8—Received a Letter of Transfer for Elder L. Edmund Van Order from the Ohio Conference.

Report No. 12

REPORT OF THE COMMITTEE ON RESOLUTIONS

We recommend the adoption of the following resolutions:

1. We recognize Godless Communism as a present, subtle influence that is seeking to supplant our Democratic way of life, which guarantees religious freedom. We also recognize that the present trend toward a welfare state is the opening wedge of Socialism which leads to materialistic Communism. Therefore, be it resolved: That our ministers and our church leaders sound a warning and inform us as to the danger of this false security offered by Socialism. We urge our people to exercise their privilege to vote against this evil whenever possible.

2. Since many of our own young men are being called to the armed forces to defend Democracy, let each local church pray fervently that each serviceman experience a saving knowledge of Jesus Christ, continued growth in grace, and God's protection. Besides maintaining frequent personal correspondence, let us co-operate wholeheartedly with the Wesleyan Servicemen's Commission.

3. In comparison of the average attendance in Sunday school with the large enrollment, we recognize the need for a renewed effort to more thoroughly train our children, to hold our young people, and to make a spirit-directed, evangelistic appeal to all classes of society.

By adoption of this report the conference re-affirms the historic stand of the Church on matters of Christian doctrine and practice. We urge strict adherence to the discipline as to the standards of dress, Sabbath observance, parental authority, and reverence for holy things. Also, let us cry out vigorously against the use of alcoholic beverages and the growing menace of the narcotics trade.

5. In view of the importance of Christian education in the work of the Church and the increasing difficulty of maintaining Marion College, be it resolved: That the Indiana Conference pledge itself to give its very best support to Marion College, both by earnest prayer and by financial aid.

6. We recognize the service that can be and has been rendered to the Church through outright gifts, grants, estate notes, annuities, and other financial contracts. Whereas the Indiana Conference with assets of one and one-half million dollars and with liabilities totaling only 6% of this amount; therefore, we urge our ministers and other authorized persons to make contacts with interested parties or prospects, and to report the same to the Conference Board of Trustees.

Respectfully submitted,

Thomas A. Wildey, Chairman;
George Sundstrom,
Richard Howell,
C. G. Lawrence,
Byron Tippey, Secretary.

Report No. 14

SUNDAY SCHOOL'S REPORT

We, your Conference Sunday School Board respectfully submit the following report:

Under the help and blessing of the Lord our Sunday Schools have enjoyed a very good year. The enrollment is the highest in the history of the conference. In our hands is placed a great group of children, young people and adults, with many outside of the Grace of God. May we put forth every effort this year to win these to the Lord and tie them to the Church. Also let us do our best to reach a goal of 10% gain in average attendance.

We recommend that the two Sundays of Camp Meeting not be counted in the year's average attendance.

The first Junior Bible Camp proved to be a success in every way and we recommend that another be held next summer the week following Youth Camp.

We recommend that Rally Day be October 7 and that the Rally Day offering be applied on Conference Extension, and may be counted on the \$2.00 per member goal.

We recommend that, when there is opportunity, the larger schools open branch Sunday schools, especially in new housing additions.

We recommend that the districts remain the same except that Victory Chapel, Bethel, and Martinsville be placed in District Eight, Winchester District 7. We further recommend that the Superintendents be as follows, and that the Conventions be held on the dates and at the places herewith indicated:

District	Superintendent	Time and Place
1	Richard Howell	October 11, Albion
2	Thomas Wildey	October 10, Shiloh
3	Robert Klatt	October 12, Nelson St.
4	Don Polston	October 9, Logansport
5	Walter Titus	October 26, Lafayette
6	Joe Sawyer	October 24, Summitville
7	Russell Klinger	October 23, Richmond
8	Wilbur Killin	October 25, Sheridan

If the people cannot get in to the convention of their district we urge them to go to one of the other district conventions.

Respectfully submitted,

C. A. Hoover, Sunday School Secretary
Arthur Personette
Don Grandlinard

The conference bar was fixed as the first six rows of seats including the rostrum.

A motion was made and carried that we seat pastors in the conference bar granting them the privilege to speak on any question: and that a committee be elected to make recommendations concerning the seating of pastors.

The conference consented to extend the session to take care of the recommendations in the president's message. The recommendations were as follows:

1. That the Committee on Ways and Means devise a plan that will place on the hearts and minds of our district presidents a greater challenge and vision for the promotion of the youth work of our conference. Such plan to be in the form of visitation and mail with any other means advisable. Such plan to be under the supervision of the president and the executive council.

2. We recommend that our Committee on Ways and Means devise a plan for a crusade to be sponsored by the Indiana W.Y.P.S. Conference. We further recommend that an offering be taken during camp meeting for this purpose.

3. We recommend the Committee on Ways and Means consider the feasibility of a conference tour similar to the one which was conducted two years ago this coming December. This conference tour to be either

in place of or with the district rally visitation which has been customary in our conference. Upon motions these recommendations were adopted.

WAYS AND MEANS COMMITTEE

I. Rallies

A. We recommend that each District co-operate with the following Conference program as to Rallies:

1. Quarterly rallies and, if possible, monthly rallies to be held in each District, and that each church be notified at least two Sundays previously, and that notices of said rallies be sent to pastors and local presidents.

2. An additional promotional rally to be held in each District, in the month of September, if possible, under the supervision of the Conference Executive Council, and that they be authorized to secure the Area President or another member of the Haiti Crusade for these rallies.

3. That there be a state-wide rally held on the Campgrounds on Memorial Day.

4. The following point system for district banner awards be adopted: local society president at rally, 5 points (if president is absent the vice-president shall receive the same number of points), Pastor present, 5 points; current number of Wesleyan Youths taken, 1 point each subscription; an organized society, 10 points; for each 1% of the active society members present (to be based on the current number of members), 1 point; 1 point for every other person present; and for each mile traveled to the Rally site, 1 point. Each special organized youth service, such as jail services, hospital visitation, street meetings, etc., 5 points. The society with the highest total is to be the winner.

5. The District President call a meeting of the district officers and advisors as soon as practical after the promotional rally for the purpose setting definite goals, including more rallies in the district, better planned programs, better promotional plans.

Report No. 1

PRESIDENT'S MESSAGE

Dear Women of the Indiana Conference W.M.S.

Another quadrennium has passed. We trust many of you were privileged to attend the General Conference. Gains along various lines were reported. Goals were set of which we can familiarize ourselves in the coming year.

The Indiana Conference had a splendid report with a grand total of \$151,855.11 or a gain of \$59,353.00 over the previous quadrennium. The magazine subscription list made a very commendable advancement from 1132 in 1947 to 2027 in 1951, a gain of 895. This figure may not be accurate but Indiana was among the first to go over the top and was well in the lead with renewals. We express our personal appreciation for the fine spirit of cooperation shown in the campaign.

The General Conference made a 25¢ per active member assessment for the Administrative Funds. Do not confuse this with your dues. The dues are still \$1.00 per year. We trust the membership roll will not be affected by this action of the General Conference. We would recommend that you vote out of your treasury the 25¢ per active member assessment rather than make individuals feel responsible for paying it along with dues.

For the past twelve years we have served in the capacity of president. This responsibility fell upon us in April 1939 in the home of Mrs. Ida Hopkins. No president has had a more loyal group with whom to work. You have been most co-operative. I do not remember of a single instance when any district, Society or individual failed. My blunders have been many but you were very considerate. We now feel that the Lord is releasing us and we are retiring from this office. We thank you for every prayer and every kindness and pray that our successor may be shown the same wonderful spirit of cooperation. May the work of spreading the Gospel continue until all have heard of God's wonderful gift to a lost world.

Mrs. Vernia Jackson

Report No. 4**PLAN OF WORK**

We, the Committee on Plan of Work, submit the following recommendations:

1. Because of world conditions with the powers of darkness arrayed against the Church today and because of the soon coming of our Lord, we recommend that we give ourselves to more prevailing prayer not only in our society meetings, but that each society have a prayer circle with a secretary who keeps records and reports to the conference prayer partner secretary.

2. That we secure every woman in the church as a member of the society or bring about a ten per cent gain in total membership, the dues of \$1.00 per member to be sent directly to the conference treasurer.

3. That each local society elect an efficient magazine solicitor and that a concerted effort be made to maintain the subscription list of THE WESLEYAN MISSIONARY, submitting renewals as well as securing as many new subscriptions as possible.

4. That we widen our missionary vision by actively participating in the Reading and Study Course of the W.M.S., urging each member to use the credit system for missionary reading.

5. That we endeavor to balance our giving, distributing to all arms of the work through the conference treasurer, not omitting 25¢ per member for the Australian home work which gives budget credit and 25¢ per member for the general administration fund (not to be applied on budget).

6. That all monies and receipts be sent to the conference treasurer quarterly.

7. That the officers of each society study the Efficiency Standard and the Plan of Work and incorporate them into the year's program.

Respectfully submitted,

Eilene Kindley, Chairman;
Lois Frank,
Lucille Peacock.
