JOURNAL OF DAILY PROCEEDINGS

The seventy-third annual session of the Kansas Conference of the Wesleyan Methodist Connection, (or Church), of America assembled in the Conference Tabernacle at Miltonvale, Kansas at 10:00 a. m., Tuesday, August 3, 1943 with the President in the Chair.

The opening devotions were led by Rev. W. D. Correll, one of our Camp Meeting Evangelists. He called on Brother William A. Smith to offer prayer. Whereas, sin is contrary to the constitution of God's moral universe, and,

Whereas, His revealed attitude toward sin is that of complete destruction and positive prohibition, and

Whereas, He has pronounced a curse upon the liquor traffic in these words, "Woe unto him that giveth his neighbor, drink, that putteth thy bottle to him, and maketh him drunken," and

Whereas, therefore the truly Christian and temperance attitude is eradication and positive prohibition of alcoholic beverage traffic, and

Whereas, since the adoption of the Constitution of the United States the liquor traffic has been unconstitutional within her borders, therefore,

Be it resolved, by the Wesleyan Methodist Church in Kansas Conference assembled, that it pledge itself to fight the liquor traffic upon the aboved named grounds and to the end that the Congress may speedily be brought to submit to the states for their action the following proposed amendment to the Federal Constitution:

"The manufacture, importation, exportation, transportation, sale, purchase, possession or use of whisky, brandy, rum, gin, wine, ale, porter, beer, cordials, hard or fermented cider, alcoholic bitters, ethyl alcohol, all malt liquors and all other alcoholic liquors for use as beverages, and the use of personal or real property for any of said purposes, is hereby prohibited.

REPORTS

PRESIDENT'S REPORT

"Hitherto the Lord hath helped us."

"If it had not been the Lord who was on our side, now may Israel say;

"If it had not been the Lord who was on our side, when men rose up against us;

"Then had they swallowed us up quick, when their wrath was kindled against us;"

Truly all that has been accomplished is a monument to the goodness, help and blessing of the Lord. Official acts reveal only one Mission organized, and one dedicatory service for this year. Not the results we should have obtained. Some fields are being cultivated which should bear fruit.

COMMITTEE ON BOUNDARIES

We, your Committee on Boundaries, wish to make the following recommendations:

That the new church at Wichita be known as the West Side Wesleyan Methodist Church.

That the Conference be divided into six districts as follows:

District 1—Kansas City, Missouri; Overland, Missouri; Kansas City, Kansas; Easton, Ottawa, Lawrence, Leavenworth, Topeka First, Topeka Gage Park, Quinton Heights, North Topeka, Oakland Mission, Willis, Williams Chapel, Eskridge.

District 2—Manhattan, Clay Center, Wesley Chapel, Bethany Chapel, Abilene, Antioch, Miltonvale, Salina, Idana, Milford.

District 3—Concordia, Hall, Belleville, New Hope, Morgan Chapel, Heber, Hollis, Greenleaf, Union Valley.

District 4—Wichita First, West Side, Wichita Seneca Street Mission, Hopewell, Grace Chapel, Hutchinson, Arkansas City.

District 5—Mankato, Wesley Center, Formoso, Victor, Hardy, Red Cloud.

District 6—Cedar, Gaylord, Phillipsburg, Iowa Union, Inglewood, Naponee, and Englewood, Colorado.

We wish to recommend further concerning the sale of Easton church and parsonage which was referred to your Committee on Boundaries by Brother Smith.

Inasmuch as repeated effort to revive the work at Easton has failed

and it promises no established work and that the remaining members request the sale of said property, and that Brother Smith and the Conference Trustees feel it advisable, we do hereby recommend the sale of the church and parsonage to W. B. Stafford at the following offers: church \$150.00; parsonage \$200.00. In view of the fact that consideration was given to allowing Leavenworth to have the parsonage, we recommend that \$150.00 be given to them from the sale of this property subject to the action of the Missionary Board.

E. H. COOK, Chairman.

MORAL REFORM

We are living in days of uncertainties, days when the scenes of our national life are shifting and changing as the days come and go. Thrones are tottering, and dictators arising. Securities that seemed impregnable now are trembling. The Church is not escaping the shocks of modernism and deadening effects of apostacy.

But the voice from the Word of God through the ages past is still saying that "Righteousness exalteth a nation, but sin is a reproach to any people." The repeal of the eighteenth amendment has opened the flood-gates to drinking, drunkenness and moral corruption such as we have never known. Immediately after repeal the breweries had this to say, "Not one-tenth of one per cent of the youth of America know the taste of alcohol. It is up to us to educate them." They are succeeding well—until liquor or alcoholic beverages can be had from many markets. It is said that there are enough barmaids that they standing side by side, would reach one thousand miles.

Its twin evil, the cigarette, has fastened its deadly fangs into the life of our youth and is wrecking the lives of both boys and girls. Smoking and drinking among women has increased at an alarming rate and strikes hard at the foundations of our homes. Children born of such mothers are inheritors of blindness, heart trouble, insanity and other diseases. The pages of our magazines are smeared with their advertisements and their stories are subtly written into the books of our children.

The viciousness of vice and immorality, the greed of the demonized liquor traffic to open doors of temptation and sell the souls and bodies of our boys in training, should awaken us to take definite measures to destroy these evil forces in their behalf. These conditions together with the evils of Sabbath desecration and pleasure seeking are enough to bring the judgments of God on any nation.

O Church of the Living God, is it not for such a time as this that Jesus said, "Ye are the light of the world, a city that is set on a hill cannot be hid." Are we not to arise and shine as a light in a dark place when multitudes are in confusion and know not the way to go? Will we suffer

THE KANSAS CONFERENCE

a blackout of the Cross of Jesus Christ in this time of greatest need? Is this the time to become careless and at ease? Can we afford to drift into coldness and worldliness and lose the passion for the lost? Can we afford to become less spiritual by compromising our standards and holy convictions by wearing short sleeves, short skirts, slacks, anklets, no hose, cosmetics, jewelry or other needless ornaments, or dress our children in such nudity that they will lose all sense of modesty and become easy victims of sin and lust?

We, as Christian parents, should teach our children obedience and discipline in the home and early reverence for the house of God. Parents should also stand guard at the library table and safeguard the minds of their children by knowing the reading material perused by them and also the music on the piano.

Shall we not heed the call of the prophet Isaiah to "Awake, awake, O Zion, put on thy strength"; arm ourselves for the fight to keep spiritual, and in deep humility and contrition pray earnestly, for a fresh anointing to come upon the ministry, that the trumpet give no uncertain sound, and that upon us all will come a mighty out-pouring of Pentecostal power that will enable us to stand before Him guiltless in that Great Day?

WESLEYAN METHODIST CHURCH

SUNDAY SCHOOL REPORT

"For the moral and religious instruction of our people, and for the promotion of Bible Holiness, and the propagation of other doctrines essential to the development of Christian character, we consider the Sunday School a necessary and indispensable institution of the Church" (Wesleyan Methodist Discipline).

Today this is vitally true when we consider the following facts:

1. There are 27,000,000 boys and girls under the age of twelve in the United States alone without any religious instruction.
2. Two out of every three children in America are in no Sunday school. They are the future of the nation.
3. To save a man is to save a soul, but to save a child is to save a soul plus a life.
4. 85% of the church members come from the Sunday school.
5. Because of the overwhelming increase in the number of young criminals, investigation shows that scarcely any of them ever came under the influence of a Sunday-school teacher.
6. Because "it is not the will of your Father which is in Heaven, that one of these little ones should perish" (Matt. 18:14).

2844 miles were traveled in Sunday-school visitation. This includes a trip to our church in Denver, Colorado.

STATISTICAL GLEANINGS

Once again we have reached the place where we pause to review figures which are assembled from the various pastors' reports, showing work done for Jesus during the past twelve months. Presented herewith are

THE KANSAS CONFERENCE

figures showing totals and comparisons, as well as percentages in certain items of interest. Reports reached the hands of the committee from all the churches except Ash Creek, which was inactive during the year, and Hopewell, whose report reached the hands of the committee too late for insertion.

The membership reported is 1513, a gain of 43. 657 Wesleyan Methodists are received. (542 last year.) There are 79 more Wesleyan Missionaries, and 31 more Young People's Journals received than last year. 47 Sunday schools are reported, (46), and the average Sunday school of the Conference had an average attendance of 67, or an increase of 19 per Sunday school.

The pastors' cash salary is \$35,867, a gain of \$10,864 over last year. This is an average weekly cash salary of \$14.07. (\$10.45.) 44 church buildings are reported, with a total valuation of \$126,700. This represents an increase in valuation of \$5,650. The total indebtedness of the churches shows a decrease of \$2,300. We join heartily with the Kansas City, Kansas Church in rejoicing because of the liquidation of the long-standing debt on their church. The total valuation of churches and parsonages is \$182,320, and the total indebtedness on the same represents but 14½% of the valuation. The total indebtedness decrease is \$6,335.

The Conference raised 108% of the budget, with the following percentages for each item: Foreign Missions, 101%; Kansas Conference Home Missions, 104%; Hephzibah, 103%; Connectional Home Missions, 104%; Education, 101%; Conference Fund, 100%; Superannuated Ministers, 99%; Connectional Sunday School, 96%; Connectional Young People's Work, 99%; Campground Maintenance, 97%. 38 churches raised every item of the budget, or over. In the interest of conserving space the names of those churches may be found in item ten, of the Statistical Report.

The total amount raised for all purposes is \$106,374, which is \$33,622 more than last year. This represents an average of \$63.50 per member of the church.

LORIN P. MILLER, Chairman.

REPORTS

MORAL REFORM

These are indeed dark hours of spiritual crisis when it behooves us to stand forth as examples of Christian piety and faith. We are on proving ground where we must set forth a standard that is scripturally consistent. Let us, therefore, have that holy boldness that dares to raise the standard high and keep it there. Let us refuse to drift with the worldly tide. Let us prove what is the will of God by prayerful study of the Word and oft repeated seasons in the secret closet. We will find that the will of God will reform us unto the world instead of conforming us to it.

"And be not conformed to this world, but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God." Romans 12:2.

RAYMOND RIST,

LUCILLE HENDERSON.

SUGGESTIONS FOR THE W. Y. P. S.

We, the Committee on Suggestion, submit the following report: We suggest—

1. That we strive for a deeper spiritual society with spirit-filled workers as leaders.

2. That we plan a District Convention twice a year, with Delegates expected to be present returning with a detailed report of the same to be given before the local society.

3. That each member be assessed fifty cents for Connectional assessment for expenses of the W. Y. P. S. Superintendent.

4. That the names of weekly leaders be posted not later than two weeks before each quarter to give ample time for careful preparation of the lesson.

5. That in each society we raise fifty per cent of the church budget for the Conference pioneer work.

THE KANSAS CONFERENCE

6. That each society elect a visiting committee to report the number of visits at the quarterly business meeting.

7. That the President of each local society be responsible for at least one service a quarter, to promote greater interest.

8. That each society assess each of its members the amount of five cents for the General Fund of the Conference W. Y. P. S.

9. That the suggestions of the committee be read at least twice a year.

10. That the pastor deliver an evangelistic message once a quarter as a definite appeal to Youth Evangelism.

11. That each society send statistical report to Secretary one week before camp.

12. That each member of each local society contribute twenty cents for a young people's worker.

GERALD CARRY,
MARVEL FESSENDEN.

REPORTS

PRESIDENT'S MESSAGE

"Redeeming the time, because the days are evil."

Time is a very choice and precious possession. It is short, uncertain, fleeting and pregnant with future consequences. Dr. Marden says, "The man is yet unborn who rightly measures and realizes the value of an hour."

Time plays an important part in the lives of individuals, communities and nations. Opportunities have come and gone for individuals; they have been lost because of failure to act at the proper time. Time is proving an important factor in the waging of this, the greatest of all wars. Movements of vast armies are timed, as well as the minutest details of individual attackers. A Pacific correspondent and observer recently made this statement concerning one of our Axis enemies, and at the present time, it seems

THE KANSAS CONFERENCE

to be too true, "All that she requires now to make her the world's greatest power is time in which to exploit and develop her new empire and to unite the people under her leadership. And she is getting that time. Behind a network of defenses which we have not begun to penetrate, she is using every minute to achieve the military, economic and political consolidation of her kingdom. Whatever method of attack we may use later, they are making use of the time we are giving them."

Time, in Christian work is something that must be taken into account. The wise man of old said, "To everything there is a season, and a time to every purpose under heaven." As surely as these words are true there are some times more propitious than others for the advancement in Christian work. There perhaps never has been a time in the history of the work on our foreign fields when conditions have been more promising. Rev. Floyd Banker said in a recent letter, "These are the harvest days." In spite of certain curtailments brought on by the war, steady advancement has been made on the fields. There is a vast field for service during these troublesome times. Funds are more plentiful than they have been in other days and probably more than will be in future days. Let us harness a goodly share of them and turn them into channels for the Master's use.

The days are evil, so much the more reason for being at our best for the Savior. Paul said, "and that, knowing the time, that now it is high time to awake out of sleep." While the Church waits, Satan is utilizing every moment of time strengthening his strongholds, gaining new footholds and planning further aggression. Shall we not then be wise and redeem the time which is so precious and is given into our hands to use?

We were glad a substantial gain was registered in each branch of the missionary work during this Quadrennium. We trust that under the blessings of the Lord and the leadership of the Holy Spirit we may continue to go forward the next four years.

I have attended to the routine business of the office and carried on the necessary correspondence. We arranged for the printing and mailing out of the Program Booklets. MORAL REFORM

In these days of stress and strain may we, as Christian women, accept the hour in which we live as a challenge to "earnestly contend for the faith," and in the name of Jesus our mighty Captain, advance, warring against the forces of evil and the powers of darkness, ever cherishing the doctrines and principles of our Church, not alone as standards of the past but as a guiding factor for the future.

May we, as wives and mothers, be holy in all manner of conversation and conduct, creating a godly atmosphere in our homes so that our children and young people will be attracted to the Christ we profess to love and serve, while we endeavor to rear them in the nurture and admonition of the Lord, as a safeguard against the vicious tide of worldliness, dissipation, and immorality which is sweeping our America.

Shall we not as older women "be in behavior as becometh holiness teaching the young women to be sober, to love their husbands, to love their children, to be discreet, chaste, keepers at home."

May our beauty not be in outward ornamentations but rather that inward adorning of the spirit of one hid with Christ in God revealing the beauty of holiness.

We are in need of a revival of the family altar, the secret places of prayer, careful study of the Word, strict observance of the Sabbath Day, and faithfulness in attendance to every means of grace, which will build for us mighty bulwarks of Christian faith and liberty.

As we recognize the great need, with it is presented a great oppor-

tunity for intercessory prayer and devoted service. May we accept the challenge and as did Moses, **Use that which is in our hands.**

Respectfully submitted,
ORPHA LEDY,
ELIZABETH FREEBORN.
