REPORT No. 12. MORAL REFORM

In as much as the followers of Christ have the responsibility of exercising their influence upon the home, school church and government, we feel it necessary that a voice be raised in proper support of these and other established institutions.

FAMILY- The family is the foundation of our society and therefore must be strong in its influence. This can best be accomplished through daily family devotions, group activity and family discussions. The family heads should seek to protect the family interests through the consciousness of such threatening influences as divorce, unprofitable radio and television programs, unwholesome music and literature.

CREATION- We reaffirm our faith in the creation of man

by the immediate creative act of God according to the Bible account, and not by the process of evolutionary transition from a lower form of animalism to his present physical and intellectual condition. We abhor the present day teaching of the Darwin Theory of evolution because of its undermining influence of the basic principles of the Holy Writ, and its lack of scientific and Biblical proof. We believe that true science and the Holy Bible are not in conflict.

SOCIAL VIRTUES- The youth of today are faced with severe moral problems. We recommend that parents fulfill diligently their duty, by informing the youth of the facts of life, so as to help prepare them to face the realities of living. An urgent need exists for proper respect of authority and of the evils of tobacco.

SOCIAL INTERGRATION- Believing in the dignity of the individual and in the "right of personal choice", we urge continued opposition to the movement of social intergration in our schools, intermarriage, and other such traditional institutions. We believe that every man has the right to choose who shall be his friends, etc. We believe that the recent "sit-down" movements are not consistent with Christian conscience, because it takes away the right of a business way to traditional reservations. In all of these matters we urge careful thought and a prayerful approach to the solution of these problems.

CHURCH- We urge that each Church support whole-heartedly the general evangelistic program of "Operation Outreach". The church must fall on its face crying out for revival! We must present Christ as the answer to the world's problems. Our people should give special attention to the preaching and practicing of heart holiness according to the Wesleyan tradition. We recommend a greater use of the Fundamental Hymns of the Church, and we call for more doctrinal preaching and teaching from the pulpit. Our churches should endeavor to arrange youth recreation based upon Christian principles. There is a greater need for our people to be more diligent in church and prayer meeting attendance. Full support is urged for the District and Conference activities such as camp meetings, conventions, etc.

POLITICAL AND RELIGIOUS FREEDOM- We bring to the attention of all freedom loving people the threats to our political and religious freedom, and urge continued dedication to our historical position of the principle of separation of church and state. We request that our people keep this in mind when they cast their secret ballot in the upcoming national presidential election. Because of the historical "religious-political" philosophy of the Roman Catholic Church

we believe that no Catholic President can be loyal to the Constitution of the United States and at the same time be loyal to the Catholic Church.

Be it further resolved that the Georgia Conference of the Wesleyan Methodist Church of America continue to oppose the admittance of Red China to the United Nations and also to oppose United States recognition of Red China. We further object to the visits to this country of high level members of the Soviet and other Communist nations.

Committee: Mrs. Mollie Brogdon
Clyde V. Hicks

REPORT No. 13. EDUCATIONAL SECRETARY

Greetings in the Name of our Wonderful Lord who has given strength for every task during the past year.

As part of the promotion of education, and especially of our College at Central, I submit to you the following statistics:

55 Catalogs have been distributed,

15 Letters of general information were written,

26 Brochures of Central College were mailed,

13 Posters concerning College Days were mailed,

A letter to each pastor requesting the names of prospective students of his congregation was mailed;

Acquired 85 names of young people through the North Georgia Youth Camp as prospective students.

In addition to the above statistics, education was promoted in a general way with the principle in mind that as we are children of God, we should crave knowledge, and should seek to know the truth in all matters. Therefore, we should each promote education both formal and practical, as a gift to our churches and Conference, using it as an instrument of growth with an end to glorify God.

James C. Meaders,
Educational Secretary

REPORT No. 14. TITHING SECRETARY

Tithing, a great privilege, is also a duty to every child of God supporting His glorious Gospel. We believe that if everyone would be true to God and His Word, we would see greater and more spiritual churches in our land. Every member of our Wesleyan Methodist Churches has made a vow to support his church with tithes and offerings as God has prosper-

ed him.

It is the duty of the Pastor to keep the storehouse plan of tithing before his people. May we be good stewards and may the Lord bless the tithes and the offerings.

James D. Griffin, Tithing Secretary

REPORT No. 16. CHILD EVANGELISM SECRETARY

"Even so it is not the will of your Father which is in heaven, that one of these little ones should perish." Mtt. 18

I have given six examinations on the Olympiad Course of Study, with six certificates granted. Mrs. M. A. Walker and Mrs. Fulton Carter completed section "B", having given 36 public lessons. I contacted every pastor in South Georgia about Bible Crusaders work. One responded. There is much to be done in Children's work and my prayer is, "Oh God strengthen my hands" that I might do more for our children.

Our Christian Director has asked that we take the course The Wesleyan Evangelical Teacher Training Course. Anyone wishing to start, please contact your newly elected Child Evangelism Secretary. There is much to be accomplished by studying this course. Those who are already taking the course of Olympiad lessons will want to finish them before starting the new WETT course.

REPORT #3 - PRESIDENT'S REPORT

To the members of the first Annual Session of the Georgia Conference, Greetings!

"I will praise thee, O Lord, with mine whole heart; I will shew forth all thy marvelous works. I will be glad and rejoice in thee; I will sing praise to thy name, O thou most High." Psalm 9:1-2. How thorough and sincere should be our praises to the Lord for all His marvelous works. If we have not seen them about us, it is not because they are absent, but rather that we have not recognized His workings. How much of a marvel it is that we are privileged to live in our beloved America under freedom's flag, with the privileges of the gospel so free to each of us. Who are we that we should not have been born into another country now torn by strife and discontent. Is it not the marvelous workings of our God? Why do we still have the freedom of worshipping our Redeemer without fear? Is it not one of God's marvelous works? Why were we privileged to hear of the saving grace of the Lord Jesus Christ and what it can do to and for a sinful heart? How is it we are fed by the Holy Spirit from His Word not only in our private devotions, but also each Sunday by a god-fearing minister? How is it our families are clothed adequately with the added portion of Divine blessing upon our homes? Why are we gathered here today with the power to conduct business as we feel in our hearts is pleasing to God? Is it not the marvelous workings of our God?

I have thoroughly enjoyed laboring in the capacity of president of the United Conference since March 24. I was privileged to be in Marion, Indiana the last week of March, at which time I conferred with Mrs. Helen Stark about conference business and completed arrangements for her visit to our annual Conference. We are most delighted to have her with us. Correspondence with the World Missions Department has also brought Rev. Crosby to our Conference session. And, plans have been made for Rev. Arthur Calhoun to tour our Conference October 24 - November 27 inclusively. You will be receiving an itinerary of his travels as soon as it is completed. One hundred and four pieces of mail have been sent out since March with the total expense of \$6.22. We have begun the publishing of a monthly paper to each president that is entitled "Missionary Messenger". Two issues have been

sent out.

Thank you so much for the privilege of serving you for these months. It has become one of the deepest desires of my life to actively promote the spreading of the gospel in unevangelized areas.

Respectfully submitted,
Nancy Swauger, President

REPORT #4 - Y. M. W. B. SUPERINTENDENT

Madam Chairman: To the members of the Georgia session of the Woman's Missionary Society, and delegates, greetings-

We give special praise to the Lord who has so freely given of His grace and guidance as we have endeavored to serve as Y. M. W. B. Superintendent. We thank you each one for your splendid cooperation and your patience in our blunders. We do praise the Lord for the spiritual and financial growth in the work this past year. The bands have moved forward and taken on new courage and faith to go forward for missions, praise the Lord.

It has been a pleasure and a wonderful spiritual privilege to have served as your Conference Superintendent for the past four years. The past year I have sent out fifty-eight pieces of mail. It has been a wonderful privilege to have been able to visit several of the bands. July 5, I mailed out the plan of work for the bands. August 2 visited Liberty Church the night of the organization of the new band under the leadership of Mrs. W. M. Phillippe, Jr., and gave the organization of the Y. M. W. B. by Rev. George Clarke.

August 1 I sent out instructions to all the bands of how to make the Y. M. W. B. tree. September 3, made year books for Bethlehem Church. December 20 worked with Bethlehem Y. M. W. B. Superintendent on a Christmas program with a public meeting in the interest of Hephzibah Home with a love offering being taken; also collected several boxes of clothing for home.

March 24 attended the meeting at Macon to officially join North and South Georgia W. M. S. April 21, 22 and 23, I visited Central College and took four prospective students.

Again we do praise the Lord for the progress the bands have made and give God the glory. Last year we had five bands, this year nine; members last year 98, this year 197; funds last year \$126.76; this year \$241.43. We have doubled in members and funds this year in which we give God the credit and praise.

My expense for stamps and stationery for year, \$6.15; received for desk fund \$1.50 Number nine on your work sheet. The bands were asked for 2 cents per member to be used as Conference Superintendents expense to General Conference. Nothing was received on this request. Brunswick band received the pennant award.

-Mrs. Nathan Poppell, Superintendent.

REPORT #6 - MISSION STUDY

In our Holy Bible, which is the all powerful Study Book, we find these words: "Study to shew thyself approved unto God; a workman that needeth not to be ashamed."

The Mission Study Books have not been read as much as we would like to see and this next year I trust that we will take more of an interest in reading them.

The Northside W. M. S. has several women who have read three books each and they are hoping to complete all the required number before General Conference. We commend the Atlanta First W. M. S. for their good report.

At the end of the four years, after General Conference, certificates will be given to those who have read the required number of books.

Respectfully submitted,
Mrs. Betty Meaders,
Mission Study Secretary

REPORT #7 - MAGAZINE SOLICITOR

As Conference Solicitor this last year I didn't get to mail out any cards or the tracts that were sent me for each society. I am sorry about this, but at the time they were needed I didn't have the money to do it. There was no money given from the Conference for stamps to mail these.

REPORT #14 - Executive Committee

The Executive Committee with the two Area Chairmen met at 2:00 p. m. Wednesday, August 3, Mrs. Swauger presiding. Mrs. Carol Pressley was appointed Women's World Fellowship Secretary. Rev. Arthur Calhoun will tour the Conference October 24 through November 27.

It was decided that the cash offering and pledges at the public Missionary Meeting would go to Colombia.

We discussed the possibility of Y. M. W. B. Superintendents being given voting power but it cannot be done against the Constitution. It was suggested where possible the superintendents could be elected as delegates.

It was decided that item 16 as follows be added to the Standing Rules: Time shall be given the Conference Y. M. W. B. Superintendent to conduct a workshop during the Annual Conference Session.

In the effort to raise money for the area projects, it was decided to designate the second Sunday in October to the second Sunday in November as the month in the fall and March as the month in the spring for collection of money in mite boxes, with representation of plaque on top. A plaque will be given to the society in each area giving the most money; plaque to be charged in project. The District Chairmen are in charge of this contest and will send report of results to President to be included in the Missionary Messenger.

Respectfully submitted,
Mary Alligood, Secretary
