1. Let it be clearly understood by every member of the Conference that aside from the provisions of the Pension Plan the Conference has no fund upon which to draw to meet the financial needs of the superannuated or permanently incapacitated ministers or their dependents.

2. Let it be further understood by the membership of the Conference that following the rise of the 1952 Indiana Annual Conference any eligible minister who has failed to join the plan will have voluntarily waived his right, and that of his dependents, to any financial aid from the Conference in the case of his superannuation, or physical disability, which forced him to retire from active service within the Conference before or after the age of retirement.

Item II. Superannuate Pension Plan.

When a pastor fails to raise, in full, the Superannuate Pension Budget, he shall report to the character committee a satisfactory reason for not doing so. Also the question, on statistical blank read to conference, shall be answered, "Are you a member of the Superannuate Pension Plan?"

Any person receiving a pastoral or general evangelist's appointment, after rise of this conference, excepting those who are now serving, shall be required to become a member of the Superannuate Pension Plan.

Item III. That the Sunday School Apportionment be 20¢ per enrolled member in the main school as reported in the conference minutes of the preceding year, under: (Total in main school).

Item IV. That the Conference Minutes be 50¢ per copy with a minimum of one copy for every six members of the church and should any deficit occur, that it be paid from the Conference Expense Fund.

Item V. That the General W.Y.P.S. dues be \$1.00 per active members of the W.Y.P.S.

Item VI. That the President shall have general supervision of the Work of the Conference.

A. Visitation of Churches: We recommend that the president be left

to his own discretion as to his church visitations, so that he may visit the churches or pastors as he feels there is need and that the vice president visit each church in the conference at least once during the year. That the vice president report each visit to the president on blanks formulated by this committee.

B. The Vice President shall be responsible for the supervision and the promotion of the Extension Work of the Conference, subject to the counsel and approval of the Missionary Board. Each quarter he shall visit each church, or pastor of church, which is regularly receiving conference support and/or under the direction of the Missionary Board, to counsel, advise, and help those pioneer pastors with their problems. The pastors of these churches are asked to make monthly reports to the Vice President and to the superintendent of the district in which the church is situated. The Vice President shall pass on these reports either to the Missionary Board or its Executive Committee at least quarterly. He and the district superintendents shall be responsible to seek for openings throughout the Conference and report the same to the Missionary Board. It shall be the duty of the Vice President to see that funds are raised for Extension work, and he may secure assistance as he may deem necessary to successfully carry out the same.

C. The minimum goal of \$2.00 per member be raised for Conference Extension. At the suggestion of the Sunday School Secretary, we recommend that the Rally Day offering go for the establishment of the 2nd Church in Fort Wayne.

D. 1. We further recommend that there be nominated by the Pastoral Relations Committee and elected by the Conference, a District Superintendent for each of the Conference Districts, who will assist the Vice President in carrying out the Conference work.

2. We further recommend that each church elect annually a Local Conference Extension Secretary whose duties shall be to keep the needs of Conference Extension before the people and to act as their prayer reminders.

3. It shall be the duty also of the District Superintendent to inform the Vice President of any possible openings for the extension of the work of the church in his district. The District Superintendent shall assist in the raising of Conference Extension Funds. The pastors in each district are urged to co-operate and expected to do so.

Item VII. All quarterly meetings shall be arranged for by the pastor and his advisory board, and shall be held near the close of each fiscal quarter. The pastor shall report quarterly to the President and Vice President on blanks formulated by the President. This report shall be sent in immediately following the quarterly business meeting.

Item X. We recommend that the Conference Trustees take definite steps towards the purchase of, or building of, a conference parsonage No. 2.

Item XI. We recommend that the President and Vice President employ secretarial help as needed, to be paid from Conference Expense.

Item XII. We recommend the following concerning the INDIANA WESLEYAN MESSENGER:

A. That the President and Vice President constitute the Executive Committee of the Wesleyan Messenger.

B. That the President be the Editor.

C. That the executive committee be empowered to select some person as Business and Circulation Manager.

D. That the executive committee be authorized to employ an assistant as the need demands, to be mailing secretary for the business manager.

E. That the departments which use the columns of the Wesleyan Messenger regularly shall make contributions toward the expense of the same.

Item XIII. We recommend that:

A. The President call a closed meeting of the ministers, and their wives in the different parts of the conference early in the conference year.

B. The purpose of this meeting is to promote the work of the conference. The President shall set forth goals, suggest means of attaining these goals, and in general seek to promote greater interest in the Conference program.

C. All pastors shall be required to attend this meeting, except when a legitimate cause may hinder.

Item XIV. We, of your Committee, are not satisfied with the growth and progress of the Conference, we believe that our gains are entirely too small. We have been studying "plans for closer co-ordination between churches, pastors, and Conference Officials," but we have arrived at no satisfactory conclusion and have nothing better to present than that which we have presented.

We recommend that during the coming year the Committee on Finance and Appropriations continue to study plans for improvement, growth, and progress.

C. D. Crabill,

Report No. 14

REPORT OF THE RESOLUTIONS COMMITTEE

We, Your Committee on Resolutions beg leave to submit the following report.

1. That the Indiana Conference reaffirm the historic position of the Church on matters of Christian doctrine and practice. We believe it important that we have an increased emphasis on The Wesleyan Doctrine of Perfect Love or Entire Sanctification and that our people be constantly urged to seek its attainment as a personal crisis experience. We urge adherence to the Discipline as to standards of modest dress, parental responsibility, and reverence for holy things including the sanctuary of worship.

2. We urge that our pastors seek uniformity in interpreting the rules of the discipline governing the reception of members into our fellowship.

3. We condemn the growing tendency on the part of selfish and godless interests to turn the Sabbath day into a day of commercialized sports, amusements, and business. We believe our people should refrain from participating in such sports and amusements on this day. We urge our people to make practical application of their religious profession by patronizing the businessman who shows his respect for the church and its ideals by closing his place of business on the Lord's Day.

4. Our youth are being constantly propagandized by the tobacco and liquor interests through radio, television, newspaper, magazine, and billboard advertising. Therefore we recommend that our people give active support to the Indiana Temperance League and the Woman's Christian Temperance Union in their organized attempts to get more effective scientific temperance and narcotics education into the public schools and that our churches through public meetings, the Sunday school Temperance lesson, the Daily Vacation Bible School, and other cooperative methods, seek to build in the community the ideals of total abstinence. We recommend also that every pastor preach at least one temperance sermon during the conference year.

5. We also go on record as favoring the historic attitude of the public schools toward the Bible and religious principles and commend public school superintendents, principals and teachers who are today striving to maintain religious idealism in their schools.

6. We commend our conference and youth leaders for the splendid youth camps which are being held on the campground each year and urge our pastors and people to get their young people to these camps for their social, intellectual and spiritual development.

7. We would also commend our pastors, evangelists, missionaries and college staff members who in a day of phenomenal wage and salary scales in industry and business, still sacrificially dedicate themselves to their heaven-appointed tasks. The Church could not live without their heroic devotion.

8. While the United States at the moment is not committed to active fighting on any front, yet the threat of war persists and our young men are being called into the various branches of the Armed Services. We recommend that our pastors and churches cooperate whole heartedly with our Wesleyan Service Men's Commission, which keeps a line of contact between the church and our service personnel, both in this country and abroad.

9. We recommend that in the early years our homes begin the indoctrination of our children in the fundamentals of the Christian faith. That our church periodicals be on the reading table of every home and that we seek to develop in our youth a desire for something better than the so-called comic strip (which contains no humor) or the sexy magazine so commonly found on our news stands. That the church provide for Sunday school teachers, a series of short lessons on the beliefs and standards of the church for presentation, once a month, for instruction of the children of the church.

10. Protestantism is threatened today both by godless Communism and authoritative Catholicism. Either will crush the Protestant Church if it can. The separation of Church and state guaranteed by the Constitution will be maintained only if Protestants exercise their God-given right of suffrage at the ballot box and put into public office men or women who believe in their right to worship God according to the dictates of their own consciences.

11. We commend the President of the United States for his constantly reiterated emphasis upon the need for a spiritual revival in our country. We also commend the Congress of the United States for the establishment of a prayer room in our nation's Capitol building. Our Master emphasized the value of human personality "ye are of more value than many sparrows," hence we believe Wesleyan Methodists should fully approve the present attitude of our government in seeking to maintain for

all minority groups the full rights of citizenship in a Christian political economy.

Respectfully submitted,

George Russell, Chairman;
C. L. Mack,
Harry Blaich,
Fred Helsel,
W. F. McConn, Secretary.

Report No. 15

SUNDAY SCHOOL REPORT

We appreciate greatly the gains made in the Sunday School Department. A gain of 616 in average attendance reveals some good planning and visitation. Our goal for this year is 10,000 in average attendance. Let us work together with every effort to meet this goal.

We urge that all Sunday school workers try to attend the National Sunday School Convention to be held at the Cadle Tabernacle October 12-13-14-15.

Having secured Rev. P. F. Elliott, Sunday school leader of the Pilgrim Holiness Church, as speaker, we recommend there be four conventions as follows and that all pastors and Sunday school workers plan to attend one of these—

October 19, Mt. Zion, Henry Co.
October 20, Bakers Corner
October 21, Marion, 8th Street
October 22, Argos

We recommend whole hearted co-operation with the denominational program with September designated as a special emphasis month, and Rally Day being October 3. We recommend the Rally Day offering be received for the new church at Ft. Wayne and that this count toward our Conference Extension goal.

We recommend the District Superintendents be as follows—District 1, Wilbur Wolf; District 2, C. I. Mowrer; District 3, Garl Beaver; District 4, H. I. Fraker; District 5, Noel Winterholter; District 6, Earl Surface; District 7, Owen Heinzman; District 8, Edward Smithee; District 9, Kenneth Mitchener; District 10, Harold Rainbolt; District 11, Robert Conley and District 12, Robert Kenworthy.

We recommend that the Junior Bible Camp be held the week following youth camp.

We recommend the two Sundays of Camp not be included in average attendance.

C. A. Hoover, Sec'y,
Russell Klinger,
Wilbur Killin.

Greeting to the Sixty Annual Session of the Indiana Conference Missionary Society.

I greet you today in the name of Jesus our Lord. It is because of His love that we have been permitted to meet in this conference session.

We can say with the author "Praise God from Whom all Blessings flow, Praise Him all Creatures here below, praise Him above ye heavenly host, praise Father, Son and Holy Ghost."

In retrospection we can think of many ways the Lord has helped and blessed during the past year. Due to the fact that this was an eleven months year, we did not have the gain we were anticipating. But we are glad for the gains in finances and membership. But the question comes to our mind, "did we do our best?" The needs are so great, and the appeals are coming from the various departments of the church, we are made to wonder which is the most important and which has the greatest need. It is all the Lord's work. We are workers together—let us as a conference accept the challenge to pray more and to give more.

The young people who are serving on foreign soil today are doing it because they had a vision and a passion for the lost in heathendom. God called and the call meant more to them than material gains, therefore they are spending and being spent of the Lord.

Our Home Missionaries are living on meager salaries, in remote places and under conditions that the most of us would shrink from.

Our college is making a contribution to the church, training and sending forth young people into the various vocations. This is made possible because there are Christian men and women willing to sacrifice and give of their lives in the training of these young people.

We have the need of Church Extension not only within the church in general but within the Indiana Conference. Let us deny ourselves so that others might hear about and learn to know our Christ.

We had Rev. Gordon Wolfe returned missionary to Japan as the speaker for the Spring Conference tour. We appreciated his messages and feel that he contributed much to the Indiana Conference. The attendance was good in all of the conventions.

During the year three special appeals were made. The White Gift at Christmas time was designated for the Puerto Rico Church. Rev. Wolfe presented the need of books translated into Japanese and the Self-denial offering in April was designated for the church in Australia. We appreciate the fine response we received from these appeals.

As we launch into another conference year let us seek God's will and purpose in our hearts to take a closer walk with the Lord, and pray much for our missionaries and deny ourselves so that when we stand before God, we can hear those words, "Well done, thou good and faithful servant, thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

Report No. 6

REPORT OF THE WAYS AND MEANS COMMITTEE

I. Rallies

A. We recommend that each district co-operate with the following conference program as to rallies:

1. That quarterly rallies and, if possible, monthly rallies be held in each district, and that each church be notified at least two Sundays previously, and that notices of said rallies be sent to pastors and local presidents.

2. That an additional promotional rally be held in each district, as soon as possible after conference, under the supervision of the Conference Executive Council, and that they be authorized to secure the Area President or another denominational leader.

3. That the district president call a meeting of the district officers and advisors as soon as practical after the promotional rally for the purpose of setting definite goals, including more rallies in the district, better planned programs, better promotional plans, and a definite evangelistic emphasis.

4. That the following point system for district banner awards be adopted: local society president or vice president present at rally, 5 points; pastor present, 5 points; for each new subscription to the WESLEYAN YOUTH since the last rally, (that new subscriptions shall be those who have not been subscribers within the last year) 5 points; an organized society, 10 points; for each 1% of the active society members presents (to be based on the current number of members), 1 point; for each non-member present, 1 point; for each mile traveled to the rally site, 1 point. The reports of at least the highest two shall be read at the rally and the society with the highest total is to be the winner.

5. That the conference print and distribute to the local societies suitable blanks to implement the point system.

6. That there be a state-wide rally held on the Campgrounds on Memorial Day, and that the state banner be awarded using the district rally point system except that the president or vice-president, pastor, members, and non-members be counted for each service. New subscriptions for the WESLEYAN YOUTH shall be counted from the preceeding conference.

II. Projects

A. For conference project we recommend the following:

1. In keeping with the emphasis of the church extension program, that we offer services on finances needed for at least one evangelistic campaign or survey this year, and that this assistance be rendered in such areas as deemed advisable by the Conference Board of Trustees, and to such an extent as deemed advisable by the Executive Council.

2. That we participate in the crusade plans sponsored by the General Conference W.Y.P.S.

B. For local society we recommend the following:

1. That the General W.Y.P.S. Efficiency Standard be adopted and promoted, and that each society rating be reported in the annual statistical

reports.

2. That each society plan visitation programs and special meeting with members of the society such as jail services, hospital and shut-in visitations, distributing tracts, radio programs, and street meetings.

III. Finance

A. For finance we recommend the following:

1. That the area president receive entertainment and traveling expenses while traveling our conference, the same to be paid by the group asking his service.

2. That the salary of the conference officers be as follows:

- a. President—\$120.00
- b. Vice President—\$50.00
- c. Secretary—\$35.00
- d. Treasurer—\$65.00
- e. Assistant Secretary—\$10.00

Said salary to be paid in equal payments, on December 15 and the other June 15.

3. That the desk and traveling expenses of the president, vice president, secretary, and treasurer, be paid from the Conference Expense Fund; and the desk and traveling expenses of the Youth Camp Committee be paid from the Youth Camp Treasury and the said expenses be paid at least quarterly. That traveling expense be figured on the basis of 6 cents per mile.

4. That the budget for the following year be as follows:

- a. General Dues, \$1.00 per active member of the society.
- b. Conference Budget (based on Church membership)
 - 20 cents, Conference Extension Fund
 - 25 cents, Conference Expense Fund
 - 15 cents, Youth Camp Fund
 - 5 cents, General Conference Entertainment Fund

c. That above funds be sent in quarterly on remittance blanks furnished by the conference. Inasmuch as this is based on church membership, the church should feel its responsibility to aid the society when necessary.

d. That all pastors assisted by Conference Extension Fund shall report church attendance, finance, and spiritual condition monthly to the Conference W.Y.P.S. President, who shall in turn report the same to district chairmen.

5. That the Executive Council shall have power to appropriate money from the Conference Expense Fund for the general promotion of the youth work.

6. That all offerings above the operating expenses of the District Rallies be sent to the Conference Treasurer to apply on conference projects.

7. That all monies raised within the society for missions be forwarded to the W.Y.P.S. Conference Treasurer for departmental credit and that said money be raised by monthly missionary offerings, and be sent in quarterly with the W.Y.P.S. budget.

Lee Haines, Chairman,

Report No. 8

REPORT OF THE RESOLUTIONS COMMITTEE

We, the Committee on Resolutions, humbly submit the following report:

- A. Be it resolved:
 - 1. That we, the Youth of the Wesleyan Methodist Church of the Indiana Conference, renew our faith in God as revealed in the written Word of God, in the personal revelation of Jesus Christ, and in the individual ministry of the Holy Spirit;
 - 2. That we reaffirm our belief in the divinely-granted possibility and divinely-ordered necessity of personal salvation through faith in Jesus Christ, and the demand for the Christian believer to live a life holy before God, and separate from the world as taught by the Scriptures and emphasized by our church discipline.
- B. Be it resolved:
 - 1. That in the vigor of our youth we approach the problems of this troubled age with a spiritual aggressiveness and apply ourselves diligently to the development of strong Christian character;
 - 2. That in view of the wicked concentrated attempts of the liquor and narcotics interests to degrade the youth of our nation with appetites calculated to enslave and destroy the human image of God, we vigorously reject their temptations and privately and publicly exhort our fellows to do the same;
 - 3. That the needs of the vast, unevangelized multitudes of our generation be envisioned as a challenge to our youth, and that we as youth give special attention to Paul's exhortation, "Be filled with the Spirit." In so doing let us progress spiritually, financially, and numerically;
 - 4. That the need for young Christian medical doctors, teachers, and preachers, for the mission fields be recognized, and that we pray, give and go as God directs.
- C. Be it resolved:
 - 1. That we sincerely support the leaders of our youth organization on general, conference, and locals levels;
 - 2. That we recognize and fulfil our responsibility to our local churches in regular and special services;
 - a. That each local society give special emphasis to services held for the less fortunate such as: 1. Jail services. 2. County homes.
 - 3. Nursing homes, etc.
- D. We offer the following recommendations:
 - 1. That youth rallies be very carefully planned and appealingly advertised, and that the local societies give their whole-hearted support to the same;
 - 2. That Youth Week be observed by all local societies, and that speakers, as the spirit directs, deal with the more serious phases of youth problems;
 - 3. That each local society give their whole-hearted support to the Conference W.Y.P.S. project this year;
 - 4. That each local society strive to increase their subscriptions on the WESLEYAN YOUTH by at least 5%.

Respectfully submitted,
 Wayne E. Tippey, Chairman;
 Robert L. Kenworthy,
 Bill Klinger, Secretary.
