STANDING RULES AND RESOLUTIONS

1. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.
2. That we affirm our faith in the soundness of the position taken by the Wesleyan Methodist Church of America in denying any of its members membership in any secret society. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents or teachers of any Sunday schools that are held in our churches if they hold membership in secret societies.
3. That we earnestly urge all our Licentiates not receiving any appointments to pastoral or evangelistic work to preach at least once a month, and also to hold if possible a two weeks revival during the year.
4. That the Committee on Public Worship consist of the President of the Conference, the pastor of the charge where the Conference is held, and the pastor's delegate.
5. That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.
6. That it is the sense of this Conference that our houses of worship should not be opened to any evangelist or minister of any other Church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments.
7. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary.
8. That the pastors be required to raise their Minute Money and send to the Conference Treasurer within sixty days after they receive their Minutes.
9. That this Conference elect a Tithing Secretary, as provided for in our Discipline, whose duty it shall be to visit each charge at least once a year, if possible. Each church visited shall raise at least the traveling expenses of the Secretary at the time of his visitation.
10. That each local church or charge elect a Tithing Secretary,

whose duty it shall be to thoroughly canvass the membership of the church or charge each quarter and labor most earnestly to induce each member to strictly tithe his income and to place the same in the church treasury for the purpose of meeting all the claims of the church, both locally and generally. This Secretary shall report at each Quarterly Conference the percentage of the membership who are tithing in keeping with this plan, the percentage who are giving in other ways, and the percentage who are not giving at all. Each pastor and church shall coöperate with these Secretaries in every possible way in order to make the entire membership of this Conference strict tithers.

11. That we as a conference put forth every possible effort through education, pulpit preaching, voting, and other means to advance the cause of temperance and to secure legislation for abolishing the sale of beer, wine, and whiskey for beverages.

12. That the Trustees of the South Carolina Annual Conference, together with the President of the said Conference, be and they hereby are empowered to execute all necessary papers, mortgage deeds, and papers of a like character, when necessary to secure loans to the South Carolina Annual Conference or to any church needing funds to liquidate Conference, church, or parsonage indebtedness, provided that the party or parties requesting such action shall set forth in writing the true nature and purpose for which the loan is requested (and this writing is to become a part of the permanent record of the Trustees), and that the Trustees and President of said Conference are satisfied that the object for which said loan or loans is sought is both necessary and desirable. And the Trustees of said South Carolina Annual Conference are also hereby empowered to sign any or all deeds and papers for the transfer of real property that is now or hereafter may be held in trust by said trustees, where the sale of Conference, church, or parsonage or other real estate has been approved or authorized by the President of the Conference with the concurrence of his entire Advisory Board.

13. During the interim of Annual Conference the Missionary Board shall be duly authorized to draw on the funds for Conference Work, Church Extension and Conference Evangelism, and General Conference Travel, as it deems best for the interest of the Conference, and the Treasurer shall be authorized to make payment from these funds upon written order signed by the President and at least one half the other members of the Missionary Board.

14. Any church which secures aid from the Conference must have its property deeded to the Conference Trustees, as is required by our Discipline; and any church which engages in a building or remodeling project must have the plans approved by the Conference Board on Church

and Parsonage Building and Location, according to the requirements of our Discipline, if said church is to receive aid from the Conference for these building projects.

15. Any Superannuated Elder shall receive not more than fifty cents (.50) per month for each year of service he has given in the Conference. The widow of an Elder shall receive not more than twenty-five cents (\$.25) per month for each year of service which she and her husband have rendered together in the Conference. It is understood that these are the maximum amounts and dependent of course upon whether or not sufficient money may be available from the fund for Superannuated Ministers.

16. All pastors shall have their Statistical reports in the hands of the Statistical Committee by 8:00 a. m. Thursday of Conference.

17. The salary of the outgoing pastor shall close on Sunday preceding the opening of Annual Conference and the church is required to include the week of Conference in the incoming pastor's salary.

REPORTS

Report No. 1

PRESIDENT'S REPORT

To the members of the South Carolina Annual Conference: As we are now assembled in our forty-ninth annual session, I especially desire that Christ, the great Head of the Church, shall be pleased with all deliberations, and that in all our problems we will be governed by divine love.

As your Conference President I have endeavored to push every arm of the work, serving in every capacity possible without partiality; watching over each of you with a jealous care. I have enjoyed splendid health and a degree of the favors of the Lord upon my labors.

We feel very keenly the loss of three of our ministers, who passed away during the Conference year. On Sunday, March 2, 1941, Rev. W. B. Clubb was suddenly called to his final reward. He attended the morning worship, manifesting his usual Christ-like spirit while his pastor preached, then passed away in the early afternoon.

On April 6, 1941, Rev. J. F. Mason, an outstanding local preacher of the Oakway Church, answered his final call. He was a man with a strong personality, great faith in God and was mighty in prayer.

On April 28, 1941, Rev. J. R. George finished his labors and suffering on earth and went to be with the Lord whom he loved and served. He gave thirty odd years of ministry to the Wesleyan Methodist Church. Through his efforts many churches and parsonages have been built. In the final reckoning day, I believe, that there will be many that will rise up and call him blessed.

We shall miss the fellowship of these who have gone. We trust that the gap made by their going will be filled by young men and women who have God and a vision for our Church.

As we have supervised the work of our Conference, we note with a great pleasure any progress that is made. The Carlisle folks have built a five room parsonage and paid for it during the Conference year. This will help to meet the needs of their good community.

The Rev. F. H. Pressley and his good people of Fountain Inn are adding more Sunday-school rooms to their church.

The new church and parsonage at Glenville are quite an asset to our Conference. The church was dedicated Sunday, May 3, 1941. This work is in a fine condition.

Due to the untiring efforts of pastor and people the debt has been lifted from the parsonage at Glendale.

Since the last Annual Conference there has been a church built at Laurens. The work is progressing nicely under the leadership of its pastor, Rev. M. C. King.

The Greenville Church, since building their Sunday-school Department, has made some commendable improvements on the main auditorium.

The Glenwood Church has the principle part of the funds layed by to install a heating system in the near future.

Miller Memorial Church has had a splendid year. They had one gracious revival, paid a full budget, reduced the church debt from \$1100.00 to \$227.00.

The Spartanburg Church is launching a building project. A more desirable location has been purchased on Magnolia Street and the plans are now being perfected for a new building that will be in keeping with its surroundings.

The Tucapau Church has just completed a new building. They held the opening service Sunday, June 8, 1941, at 3:00 p. m. The building has a basement with Sunday-school rooms and it is located in one of the most desirable places in town.

Whitmire has added two rooms to the parsonage, brick veneered the church, enlarged the auditorium, having done the interior with celotex. This adds to the beauty as well as to the value of the building; they have also installed a gas heating system.

No doubt other pastors and churches are making progress worthy of note that I am not mentioning here. I say God bless you and may you not lose your reward in that final reckoning day.

My beloved fellow laborers as I mature in years and experience I am learning to appreciate more and more the Wesleyan Methodist Church and the principles for which she stands

EDUCATIONAL SECRETARY

Brethren of the Conference: It is a pleasure to report to you that there has again been a small gain over the previous year in the amount of Educational Budget raised. We are glad to see this gradual gain over a period of several years. It is of interest to know that there were twenty churches of the Conference which raised a full Educational Budget. This is good, but we had hoped to see a gain over the previous year. Let's redouble our efforts to raise a full budget.

Another source of great joy is the fact that the first unit of the New Dormitory for girls is nearly completed. This will certainly be a great asset to our school.

Central College is of tremendous importance to the success of our work. Let's do our best for it by raising a full budget, encouraging our young people to attend there, and by boosting it in every way possible.

Yours for a larger and very deeply spiritual school.

Signed: J. B. HILSON, Educational Secretary.

Report No. 9

COMMITTEE ON MORAL REFORM

In view of the fact that we are living in a world of moral chaos, we, as a Wesleyan Methodist Connection, should bestir ourselves and do all

we possibly can through our pulpits, the press, and over the air to turn loose a torrent of scriptural truths to counteract these awful moral evils.

There is the commercial world with all of its schemes of dishonesty to deceive, cheat, defraud, and enslave the masses of mankind with debt. We, as a Church, should lift our voice against all such. We should teach our people to live honestly and to beware of those who would try to obligate us beyond our means or ability to pay.

The social world is so full of moral decay that we, as a Church, should set ourselves to the task of presenting to the social world a society of moral purity. We can do this by doing as Saint Paul said to young Timothy, "Keep thyself pure." Let us as a people called Wesleyan Methodists set before the world pure moral standards. We can do this better by our example, as well as by our precept. There should not be one among us who would taste or handle in any way intoxicating liquors. We should also cast our vote every time an opportunity is given against this awful diabolical evil.

The modern dance with all of its demoralizing features, with the public swimming pools and movie industry should be taught and preached against as some of the most blighting moral factors of our day.

There is also the evil practice of disregarding and desecrating the Lord's holy Sabbath day which has always brought God's wrath and disfavor. Let this be far from us as a people.

We should not only decry the awful moral evils of our day and generation, but we should teach our people right wholesome moral standards for there is a right positive side to our moral living as much as there is a negative bad. Doing the right thing in the wrong way is many times the demoralizing feature in life. That same thing done in the right way would be a wholesome uplifting condition of life. So let us, as a Church, live on the positive moral side of life in all phases of living and show to the world there is a better way to live than the negative bad side of life.

Signed: MRS. HARRIET E. MILLER, Committee

Report No. 11

COMMITTEE ON HERESY

As far back as we have had the true religion, we have had the false, the imposter of the real. When Moses, a Holy man of God, was endeavoring to lead the Israelites out of the wilderness, we find a record of them turning aside to the false.

They had as their leader a man with a God-given mission. Moses had succeeded in getting them away from the horrible bondage of slavery and out in the foreground stretched the promised land of their inheritance, Canaan Land.

When their food supply was gone and they were hungry and alone in the wilderness, God daily gave them manna from above. Yet in an hour when they should have had their faith anchored in God, they turned aside to worship the golden image.

The Apostle Paul lived in an age when heresies were rampant in the country, yet, he cried out against false doctrines in no uncertain sound. In Galatians 5:20, 21, Paul tells us that those who follow after heresies shall not inherit the "Kingdom of God." We find, too, in his letter to

Titus, Paul admonishes him to reject any man who is a heretic. Again to the Corinthians, Paul says, "There must be heresies among you, that, they, which are approved may be made manifest."

We, as a Church of the true and living God today, would not miss the mark in following the advice of our spiritual forefathers. We are facing a world that is filled with sects and creeds, which according to God's Word, are only shams or imitations of the genuine or the real.

What shall we, as the ministry of the Wesleyan Methodist Church do? Shall we sit idly by and see our own turn aside after idols? Or, rather shall we not muster all the courage, zeal, and power that God gives His anointed, and fight to a finish this battle, in which through God we shall conquer heresy?

Signed: P. C. LUSK, Committee.

Report No. 12

TITHING SECRETARIES

I have conducted six services in the interest of tithing during the past Conference year. The people have shown a good interest in this work and many people have publicly pledged to adopt the tithing method in their support of God's work. The pastors have also shown a fine spirit of coöperation. I have received offerings to the amount of \$24.65 for this work.

Signed: J. F. PARTON, Spartanburg District.

Brethren of the Conference:

An examination of the reports of the pastors of the Central District reveals that there are 963 members in the district and that 295 of them are tithing. This means that 30% of our members are tithing. According to the reports, five of our churches are without tithe.

We thank God for those who are faithful in bringing God's tithe into the store house. It is largely the faithful tithers who have made the material and spiritual progress of our churches possible. Our great responsibility in this matter is to get the remaining 70% of our members to give God the tithe.

As secretary, I recommend that there be a renewed emphasis on tithing. This may be accomplished by distribution of tracts, constant preaching on the subject, personal testimony to the blessings derived from tithing, and in various other ways.

I shall be glad to try to assist any pastor in securing tithing literature and shall be glad to arrange for a special tithing service at any church desiring my service.

Respectfully submitted,

R. C. MULLINAX, Central District.

Report No. 13**SUNDAY SCHOOL SECRETARY**

Our people are beginning to realize the importance of the Sunday school and this enabled us to do a splendid piece of work this past year; and causes us to anticipate greater things in the future. It has been our privilege to work with our people in the interest of our Sunday schools and the Lord has blessed us as we labored in this capacity.

Report of Activities

I traveled 284 miles and delivered six messages to our Sunday-school workers. By grouping the Sunday schools we contacted one half of our Sunday schools in the five rallies we held during the year. This arrangement made it possible for all Sunday schools to be contacted, but for various excuses one half failed to avail themselves of this opportunity. We sent out several pieces of mail to our pastors. We received \$6.20 to help defray our expenses.

Some Accomplishments of the Year

During this Conference year two new Sunday schools were organized. We had a fair response from the Sunday schools for the Thanksgiving offering for our Orphanage but trust we will do better next year. Central, Second Church sent the largest offering of any Sunday school in the Connection. For the first time in the History of our Conference two of our Sunday schools, Central First, and Second, conducted a D. V. B. S. and report much good accomplished. We hope to see others follow this example.

Recommendations

Our Connectional Sunday-school Board has adopted a Five-point Program that will put new life in our Sunday schools if put in operation. I recommend that we put forth every effort possible to reach this goal. For our benefit I shall briefly state that goal:

1. Increase our attendance by 10%.
2. Conduct a D. V. B. S. in each Sunday school.
3. Further training for each teacher by taking a course in Teacher Training.
4. A definite evangelistic effort to win more for Christ.
5. Lead more into the Church. I further recommend and urge all our pastors and Sunday-school workers to put forth special endeavor to raise our Standard of Efficiency.

It has been a pleasure to serve you, and if I can be of service to you in the future, I shall be glad to do so.

Yours for a better Sunday school,

V. A. MITCHELL, Conference Sunday-school Secretary.

Reports

PRESIDENT'S REPORT

To the Official Board and to each member of our beloved South Carolina Conference of the W. H. & F. M. S.

My Dear Co-Workers:

First, I thank God for preserving my life when I was at death's door. It was in answer to prayer that I am enabled to write you today. I do thank you for your prayers.

Then, I thank Him for this Official Board and for the entire Conference who have stood by me through the entire year.

The suggestions that are being made in this report are: (1) that the reading of the blanks by the various Delegates be omitted. This will mean a saving of several hours' time for other business, and the Delegates can read all this work in the Conference minutes. (2) that the election of Conference Officers be held immediately following the making of the roll of Presidents and Delegates. This seems to give the business a good impetus or start. (3) That Rev. Karl Johnston be given the place of Y. M. W. B. Director for the coming year. (4) that because of certain contingencies which I am expecting to arise, I am asking that the pledges made for the mountain work be as liberal as possible.

Regarding my activities during the year, I have made no contacts with societies except through correspondence. I have done more writing during the past Conference year than for the past six or eight, I believe.

I am praying that this session of our Conference may be remarkable for the outpouring of the Spirit of the Lord and for His guidance.

Yours in Christ's bonds,

INA GAINES.

AUDITING COMMITTEE REPORT

Having examined the Treasurer's Book, the Committee did not find an error. We wish to express our appreciation to Sister Kendrick for her splendid work and efficient service.

MRS. J. C. GALLOWAY,

MRS. C. T. BRYANT,

Auditing Committee.
