In Memoriam

of

Dr. J. Robert Swauger

During the Conference year of 1927-28 there appeared in the Conference circle a young man who had just completed his work at Asbury College. Evidently he was dissatisfied with his church affiliation because of the drift toward liberalism prevailing in the denomination where he had pastored during his time of schooling, and was looking for a more congenial atmosphere wherein to pitch his spiritual tent. Having found a group of kindred spirit he joined the Sandy Lake church and from it received a recommendation to the Annual Conference of March 1928. This Conference was held at Templeton, Pennsylvania, where Sister Florence E. Heath (later Salisbury) was hostess pastor. Rev. Swauger had previously held a meeting for Sister Heath who had been favorably impressed, and hurried to proclaim this young man's worth to all and sundry.

Rev. Swauger was accepted by the Conference as readily as he had

been by Sister Heath. It seemed to be a case of 'Love at first sight' for both Rev. Swauger and the Conference. He had found his desired haven, and the spiritual fellowship for which he longed, and there he pitched his tent. The Conference of 1928 gladly accepted Rev. Swauger's recommendation and he was appointed as pastor to the Titusville church where he remained until 1932. His next appointment was the New Castle church where he served from June 1932 to December 1935 when he concluded his where he served from June 1932 to December 1935 when he concluded his pastoral life to assume the presidency of the Conference.

Pointing up the completeness of Rev. Swauger's acceptance by the

Conference and his devotion to duty we refer to these facts gleaned from the files of Conference Minutes. He was elected to the Conference Mission Board in 1929 and held this place until his elevation to the presidency in 1935. At this time also he was elected Tithing Secretary and filled this position for two years. He served as a faithful member of the Committee on Itineracy and Orders from 1931 to 1936 and held the Trustee's office from 1933 to 1944. He was a member of the Judiciary Committee for the year 1935. Beside these he served on various committees and other capacities of the Conference.

At the annual Session is June 1930 Rev. Swauger was elected to Elders Orders at Sandy Lake, Pennsylvania, Rev. F. R. Eddy preaching the Sermon. In 1931 the Conference elected him to the vice presidency. This also gave him a place on the President's Advisory Board. In both these offices he was serving on that fateful day in December 1935 when he was ushered into the highest office of the Conference by the tragic death of President A. L. White.

Rev. Swauger transferred his residence from New Castle to Sandy Lake soon after assuming presidential duties. From this quiet little borough he traveled the Conference, holding Quarterly meetings and diligently and faithfully filled all the duties and responsibilities devolving gently and faithfully filled all the duties and responsibilities devolving upon the presidest. At an early date he established the "Conference Messenger" which filled a very definite need in the Conference and continues still, enlarged and expanded. He initiated the "Pastor's Monthly Report" and other plans and efforts for advancement which are still bearing fruit. One of these was the establishment of the "Aid Fund." Under the Spirit led ministry of Rev. Swauger the Conference took on a spirit of advancement from which it has never lapsed.

At the General Conference of 1943 the Denomination recognized the faithfulness, fidelity and usefulness of Allegheny's president and elected him to the office of Home Missionary Secretary. With reluctance he resigned the presidency to assume the duties of the denominational office. He had faithfully served Allegheny from December 1935 to July 1943 as its president.

its president.

His work in the office of Home Missionary Secretary from 1943 to 1955 is a matter of official record and speaks as loudly of loyalty, fidelity and steadfastness to responsibility and duty as does his record of service within the Conference of his adoption. Though he was called to denominational labors he maintained his ministerial membership in the Conference unbroken and attended every session his official duties allowed. Allegheny owes a huge debt of gratitude to her adopted son, Dr. J. Robert Swauger, and delights to honor him with all honor worthy of a stalwart Servant of God.

Honorable mention is also due to our departed brother, Rev. Fred DeCost, who served faithfully in the pastorate of the Olive Hill church, West Virginia, from 1945 to 1955.

Standing Resolutions

- 1. A Committee on Auditing and Finance, consisting of three ministerial members, the Chairman being an Elder, shall be elected each year, the duties of which shall be to examine and report on the Treasurer's books and all the financial reports, except the W.M.S. and Y.M.W.B., and to be a Standing Committee to advise on financial plans.
- 2. All persons received into membership in the churches of our Conference excepting those whose life of Christian fidelity has been of sufficient long standing, shall be received at first as associate members only.
- 3. When it becomes necessary for a church to call a pastor, it shall be the duty of the calling church to make provision for the expense incurred by the pastor in removing to the new field of labor. Money raised for this purpose shall NOT be applied on the pastor's salary. When an Elder is elected to the Conference Presidency, expenses incurred in moving to the Conference Parsonage, shall be paid from the Conference Treasury.
- 4. The Conference Sunday shall be the closing Sunday of Conference year, and the out-going pastor shall be paid his salary for that Sunday by the charge he is leaving.
- 5. At the beginning of the Conference session the president shall appoint a Nominating Committee of not less than three members, two Elders and one Layman to bring to the Conference a slate of Nominations for Committees, etc., for the Conference Temporary Organization. Delegates Credentials shall be mailed to the Secretary not later than ten days before the convening of Conference. The Secretary shall be Chairman of the Credentials Committee and shall compile the Roll of Delegates from the regularly filled Credentials received.
- 6. No person shall be received into membership in Allegheny Conference until he shall have properly filled out an application blank, which application together with recommendations of his references must pass the approval of the President and his Advisory Board. Exceptions to this rule may be made by the President and his Advisory Board when they deem best.
- 7. The pastor of any church in the Conference shall be free to hold at least one revival meeting during the year, wherever he sees fit, and it is recommended that his salary be paid to him while he is absent.
- 8. Each pastor shall send a monthly report on the blank provided, to the Conference President showing the progress and the state of the work under his care.
- 9. Each church may elect a Nominating Committee whose duty it shall be to nominate candidates for church officers for presentation to the church at the time of the annual election of officers. Such nominations shall not exclude other nominations at the time of the business meeting.
- 10 Churches having business with the Conference Board of Trustees requiring a visit of that body to their church, shall be responsible for the expense attached to such calls, unless released by the board.
- 11. Inasmuch as trial sermons are hardly fair to the church or candidate and since the practice of having trial sermons is contrary to the usual manner of locating preachers, we recommend that no preacher shall accept any such invitation, if given. Exceptions to this rule may be granted by the Conference President upon request of any church.

- 12. Since considerable expense of transferring automobile title and license attends the moving of a pastor from one state to another, we recommend that where possible the calling church bear this expense.
- 13. We recommend that all districts emphasize Sunday School activity, and that Conventions be arranged for in conjunction with the visitation of the Conference Sunday School Secretary, who shall visit one Convention of each District during the year, at Convention expense.
- 14. We recommend that no one be elected to Elders Orders who does not have an abiding sense of divine call to give himself wholly to the function and ministry of an Elder in the WESLEYAN METHODIST CHURCH, and that no one shall be ordained to this office and work who is not applying himself wholly to this one thing in cares and studies, and clearly determining by God's grace to give himself wholly to this holy ministry, if possible, long before the appointed day of ordination, and manifesting such a determination of faithful Christian service to the church or congregation whom he was called to serve during his years of preparation, so that as much as lieth in him, he has and will apply himself wholly to the work of the ministry, except in all cases of absolute necessity of such diversions to a legitimate avocation for livlihood which neither jeopardizes the Lord's work nor blames the ministry.
- 15. We recommend that each church equip its parsonage with the necessary heating and cooking equipment, because of the variation of requirements in this equipment for the individual parsonage.
- 16. We recommend that in election of local Church Advisory Committee each church permit the pastor to nominate the members of this Committee.
- 17. The Conference Secretary, as Chairman, with the Conference President shall be a Standing Committee on Publications, whose duty it shall be to examine all matters pertaining to Conference printing and publications, and let contracts for same.
- 18. All churches shall have a systematic means of keeping records, as required by Discipline, Paragraph No. 74. The "Ideal Church Record" published by the Bethel Publishing Company, Elkhart, Ind., is a suggested form.
- 19. Local church treasurer's books shall close April 30, thus making the Conference fiscal year from May 1, to April 30. All funds received after this date shall be counted in the following year. Funds will be credited on Sub-Treasurer's books if received by May 5.

To meet the requirements of Paragraph 164 of the Discipline regarding revision of the Roll of membership, April 30, may be considered the close of the Conference year for Statistical purpose.

- 20. Minister's Pocket Credentials shall be issued annually to Elders and Conference Preachers who are eligible.
- 21. Since the use of the wedding ring is not in accord with the standards of our church, we therefore, as a Conference, disapprove of our ministers performing or taking part in the ring ceremony.
- 22. The pastoral vote shall be taken on each charge on the second Sunday in April. When it is the desire of the church to vote on a week night, it will be done sometime during the week previous to the designatd Sunday. Permission to vote on another Sunday may be obtained from the President and the Advisory Board.
- 23. Each church shall allow their pastor a reasonable vacation with pay to be taken at his convenience. Two weeks is suggested.

Reports

Report No. 1

THE CONFERENCE PRESIDENT

Dear Brothers and Sisters in Christ:

To the members of the 113th Annual Session of the Allegheny Conference here assembled, Greetings in the name of Him who said, "Fear not; behold I am the First and the Last; I am He that liveth, and was dead; and, behold, I am alive forevermore, Amen; and have the keys of hell and of death." (Rev. 1:17b, 18.)

"Up from the grave he arose,

With a mighty triumph o'er His foes; He arose a victor from the dark domain, And He lives forever with His saints to reign—

He arose! He arose! Hallelujah, Christ arose!"
What a message this is to people who are wondering what is going to happen in this weary and sin-cursed earth! Only Christ has the answer! Again, the time of our meeting together on this sacred hill-top is in a perilous and troublesome age. We live in a difficult and hectic time. We live in the tensest, fastest, noisiest and yet in some ways the

most enlightened period of the world's history. Everything is stepped up to a frenzied, jet-propelled pace.

Then, it is a serious age because of the vast movements and countermovements of power-politics, the discoveries and advancements of science, the intellectualism and spiritual retrogression in the field of scholarship, and the selfishness and godlessness of the common man. When we consider how Christ is blasphenied openly, when we glance at our morning papers and see the headlines which portray a drink-dulled, sex-obsessed, dope-crazed civilization bent on destroying itself as fast as it can, when we observe how the vulnerable youth of our land subjected to godlessness and filth in their schooling and recreation and when we detect the rapidly growing apostacy of the church, we realize the seriousness of our age. The phenomena that are described in the third chapter of Paul's second letter to Timothy, peculiarities that will attend the last days, are prominent in every day's news: blasphemy, disobedience, unholiness, false accusations, cruelty, hatred of good, love of pleasure, godliness in form but void of power, and the like.

It is a time of terrible Satanic opposition. "A growing number of mission board executives are becoming concerned at the Satanic opposition to the Gospel on the field. Sickness, mental breakdowns, outbreaks of violent nationalism are one form of harassment. Accidents, professional jealousies, doctrinal disputes, misunderstandings among personnel crop up with alarming regularity. The intensity of the attacks is the alarming part. Then, at home, pastors and Christian leaders report that a strange wave of frustration and discouragement is afflicting some of the most

spiritual people." (Taken from Christian Life.)

Trends of future events are serious and critical. The December Intelligence Digest said, "No generation has ever lived at a more critical time. None has even seen anything approaching what this one will shortly witness. . . . Watch, watch at all cost—the Middle East; for in that area events without historic precedent are about to occur. For those events it would be wise to make preparation. The climax will come in the Middle East."

At the 1955 International Congress on Prophesy held in New York

City, Dr. Wilbur Smith of the Fuller Theological Seminary, a profound Bible scholar and expositor and noted author, in a keenly discerning sermon on the theme: "The Kings of the East," outlined five significant movements that today are converging simultaneously and rapidly toward the consummation of our present age of grace. These are: (1) The movement toward the establishment of a World Government; (2) the establishment ment of the State of Israel; (3) the aggressive and onward sweep of Russia toward her declared goal of world domination; (4) the rapid deepening apostacy within the professing church; (5) the awakening of the backward peoples of the East to nationalistic consciousness and aspiration toward liberty and self determination; the beginning of the predicted onward march toward Armageddon, of the kings of the East." There is a yet more startling portent—together with all these foregoing portents there is yet another more startling one-one which now appears to be taking rapid and definite shape. This is the clearly defined movement toward the fulfillment of the predicted Word of God: ". . . All nations . . . Against Jerusalem." (Zech. 12:9; 14:2, 6)

When we consider the seriousness of our day, the Master's prophetic warning speaks to us with particular significance, "The night cometh, when no man can work" (John 9:4). The hour grows late! The night is upon us! These words of the Saviour have a definite application to

the end-time, the closing of the age.

We are now faced with a spreading apostacy that, in spite of all that has been said and written to awaken the people, is engulfing millions in the stifling folds of godless ecclesiasticism. "For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; and they shall turn away their ears from the truth, and shall be turned unto fables." (II Tim. 4: 3, 4)

Among many believers there is a marked decline of deep piety and interest in spiritual things. The popularity of certain forms of evil has had a noticeable effect upon large segments of the churches that remain fundamental in teaching. "Because iniquity shall abound, the love of many shall wax cold." (Matt. 24: 12)

The unbelief spawned by our whole system of secular education, the devotion given by a pleasure-mad public to the shrines of amusement and sport, and the barren conquests of fleshly lusts, have created a psychology not unlike the days of Noah. There are souls, particularly among the young, that may be reached now, who will soon be swept away, far from

the church and the Kingdom.

Do we understand our times? Herein lies the secret—Understanding our times—Knowing the Word of God. We must learn what He has to say about our civilization. We must recognize that as we near the end of the age we are not to expect moral and spiritual improvements to keep pace with the scientific discoveries, mechanical inventions, or even the intellectual advancement of our day. God is not taken by surprise by our times, and neither will we be, if we look into His Book. We must also realize that the Lord is not unaware of or indifferent to what is happen-Because He is God, He has infinite patience, and He is waiting for His time when He will step in and take over and thus bring an end to this headlong plunge of our civilization to destruction. Such long-suffering on His part (as in the days of Noah) is due to His mercy and love which is extended to sinners. As long as final judgment is withheld, there is hope for the lost. The Holy Spirit is still here to convict the world of sin, of righteousness and judgment. God will save those who come to Him through Christ and we Christians must be about our Father's business, praying for those who know Him not, and witnessing to them, while

it is day and we can work for our Lord.

We do not believe that Jesus spoke these words about the coming night to discourage effort, but rather to urge the church to prompt and effective action in preaching the Gospel to the lost. There must be no delay! We cannot wait for others around us to get ready to do something, we must move on with those who are ready to go; and, if necessary, to go alone—to lead the way. Certainly we believe in collective effort; much is gained when many hands unite in drawing the net. But the Saviour's command "Go ye" is to our own hearts—yours and mine. The spirit of evangelism is the crying need of the church today.

To cope with these times we must live closer than ever to the Lord and take from Him ever-increasing grace, strength and power required for such pressures as spirit, mind and body are called upon to endure. Our times are not beyond our God, and so they are not beyond us. The darkness only shows up the brilliancy of the light. He has asked us "that ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world" (Phil 2:15); "For the grace of God that bringeth salvation hath appeared to all men, teaching us that, denying ungodliness and worldly lust, we should live soberly, righteously and godly, in this present world; looking for that blessed hope, and the glorious appearing of the great God and our Saviour, Jesus Christ." (Titus 2:11-13)

To cope with these times, we must understand: (1) The age old sin problem—its nature and extent; (2) the selfishness of this age—selfishness in business, in politics, in society, even in religious circles; (3) The shallowness of this day—Dr. Will H. Houghton once said, "We are so highly civilized now we do not read books anymore. We look at pictures. If we become any more civilized, we shall come down to blocks." (4) The problem of senselessness—the attempt by man-made schemes to save our-

selves.

To cope with these times we will have to re-discover the value of intercessory prayer. The spiritual awakening in Korea is due mainly to the abandonment of the church to the Holy Ghost in the ministry of ceaseless intercession. The Holy Spirit has had full sway in the hearts of believers and a full tide of prevailing prayer has followed. In Seoul they can get 2,500 out for an all night of prayer. The churches and halls are crowded with people for the 4:30 to 5:30 a.m. prayer meeting. As a result of these prayer meetings the hosts of darkness have retreated in confusion. With us, the leakage of power is mainly in the secret place. Quenchless zeal, sacrificial giving, fearless witnessing, uncompromising preaching, triumphant living and diligent Bible study are more dependent upon the life of prayer than most of us dream.

To cope with these times we must be alert to Satan's policy with reference to our church, which is two fold: (1) To corrupt its doctrine and break down its separation from the world; (2) To sow discord and strife among the brethren. If he succeeds at either point, he will have nullified

our witness for holiness, if not fully destroyed our communion.

Today, as in former days, there is unrest and censure if not open persecution. And who knows, as the conflict between God and Satan sharpens before the age's end, but that oppression for Christ's sake will intensify! Today, also, there is disagreement as to methods and procedures, and disputes on doctrinal matters as God's people contend earnestly for the faith. On the one hand we must beware of compromise and apostasy but on the other hand we need to be careful about our love for one another. Let it never be remarked of us that we do not love one an-

other but, rather, May it be said: "Behold, how they love one another!"

Six times in the Epistle of John the words "love one another" appears as a command. By such love for our brethren we know that we have passed from death unto life (I John 3: 14). Such love is a witness to ourselves of the reality of our profession. It is also a witness to the world that we have been saved. It is travesty to talk about loving one another if we do not manifest that love daily. For the kind of love that Christians bear mutually is the love of God which is shed abroad in our hearts; and God's love is perfect, and it is operative. "My little children," says the beloved Apostle, "Let us not love in word, neither in tongue, but in deed and in truth" (I John 3: 18). To love one another is the Eleventh Commandment: "A new commandment I give unto you," our Lord declared to His own, "that ye love one another; as I have loved you, that ye also love one another" (John 13: 34).

In these serious days, we who love the Lord who first loved us, can demonstrate that affection by loving one another. Such an attitude, not in word or tongue only but in deed and in truth, will go a long way toward encouraging our brethren and in bearing testimony to the Light in

this world of darkness.

To cope with these times we must maintain expectancy and watchfulness. Without doubt this is the day of greatest opportunity for the soldier of the Cross as well as his day of greatest responsibility. It is a thrilling age for the Christian, the real soldier of the Cross. Yet, it is one of extreme peril. When the Christian perceives all these evils and the deepening of the apostasy about him, growing in intensity year by year, he knows that the coming of the Lord draws very near. One generation of believers in Christ will never die, but will be caught up, living, to meet the Lord in the air, when His glad rapture-shout will be voiced. Are we among that generation? It may be that we are. And so we must live day by day in constant expectancy. What an age in which to have been born if we keep in mind: "Watch ye therefore, and pray always, that ye may be counted worthy to escape all these things about to come to pass, and to stand before the Son of man."

Throughout the year we have continued in the work assigned to us by the last annual conference. To the best of our limited knowledge and ability, through much waiting upon God in prayer, we have sought the guidance of the Holy Spirit in every action taken. Following is a report

of our actions.

	Travel Allowance	1,100.00
	Parsonage Rent	540.00
	Vacation pay

	Funeral fees	15.00
	Gifts	122.00
	TOTAL	

2. Received for office supplies, box rent, telephone bill, toll calls, postage, mimeograph supplies, insurance for car, etc. \$451.63. ITEM XII. SOME PROPOSED RECOMMENDATIONS: We rec-

ommend:

1. That in the Annual Journal for 1956 one or two pages be made a memorial to Dr. J. R. Swauger, consisting of a picture of him and a writeup as to his conference and denominational activities.

2. That the Conference do all in its power to press Evangelism this quadrennium as proposed by the General Conference.

3. That each Zone do its best to revive the Preacher's Prayer meet-

4. That the Conference continue to have a week of prayer as proposed by the Denomination which will be the first week in January.

That the pastors do all they can to interest their people in supporting the Stoneboro Camp with their finances.

ITEM XIII. SOME CONFERENCE AIMS FOR 1956-1957: Let each

church strive:

1. To awaken our people to a new reverence for the house of God. Let us have a greater reverence for the sanctuary. Silent prayer upon entering the place of worship is a good practice.

2. To awaken our people to a new awareness of God. We need a

new sense of the conscious presence of God.

3. To awaken our people to the absolute necessity of the walk of victory in Christ Jesus.

4. To awaken our people to a new deepening of their spiritual lives. Dr. Nicholson stated: "This quadrennium's principle objective is the deep-

ening of the spiritual life of each member of the Church . . ."

5. To awaken our people to the desperate need of the reviving of the old fashioned family altar in the home. The breakdown of our national morality begins in the home and its restoration must begin in the same place. We must urge our people to keep the fire burning on their family altars. "The fire shall ever be burning upon the altar, it shall never go out." Lev. 6: 13.

go out." Lev. 6: 13.

6. To awaken our people to our world-wide debtorship of taking the gospel to every creature. Many doors are closing which have been open for

years but others are opening.

7. To awaken our people to the tremendous debt we owe our com-

munity through our local church.

- 8. To awaken our people to the need of a greater loyalty to the Bible Standards held by the church. The church which wishes to remain Christian, with Christians in control, must take a position against popular sins and worldliness. Neglect here means a lowered standard of conduct. Remember that no church which has departed from God and which has become dominated by worldliness has ever found its way back to spirituality.
- 9. To awaken every church member to his responsibility of being an evangelist in his surroundings. Our main business is soul winning. The theme for the quadrennium is Evangelism.
- 10. To awaken our people to the need of prayer for a continuous revival. Our barrenness ought to inspire intercessory prayer. CONCLUSION:

Your prayers have been appreciated; your co-operation has been helpful; your understanding and patience have been beyond what we deserved We are grateful for your help, elated over your victories, but humbled at our failures. For the part we have had in those failures we sincerely beg your forgiveness. Let us look forward to 1956-1957 in full confidence of His help and direction.

Respectfully submitted, Rev. H. C. Van Wormer, President

VICE PRESIDENT'S REPORT

Dear Brothers and Sisters In Christ:

Another year has past and gone as far as our Conference is concerned. One cannot help but wonder if we have really done our best in the field of labor that God has called us to labor in.

We are living in a machine age, and I am afraid that even the church is succumbing to its influence. There is nothing wrong in considering, or as we would commonly say, to think on with care, to trust with consideration, or even esteen this machine age. But I am sure that God never intended, that His church and His ministry would become as this age in which we are now living.

We read in Rom. 12: 2—"And be not conformed to this world." We are aware that this refers to outward fashion, but I am sure that it can

:mean this as well. God wants His followers to be different.

Sometime ago I read an article from our daily newspaper, which was as follows, "Ministers who substitute wit, music, and movies for old-fashioned Gospel preaching, drew sharp criticism at the Southern Baptist Pastor's Conference. This article went on to say that preachers are praised as administrators, book reviewers, organizational wizzards, after dinner speakers, program pushers, good mixers, psychologists, conciliators, and what have you." "Sin is rampant," the writer asserted. "Sensualism turns the hands of America's timepiece to six o'clock. Humanity with tall its needs pleads for revitalized pulpits."

Fellow Ministers of Allegheny Conference, I appeal to you, let us as individuals, carefully and honestly consider where we stand as Spiritual

Leaders in our Churches.

Instead of me trying to state where you and I stand, and to say

as to what condition or state I believe our churches of the Allegheny Conference to be in, let us as individuals ask ourselves the question, "Have I faithfully insisted in having a Spiritual Church? And have I, by the

example of holy living, led my people in the holy way?"

Please do not think that I am taking this opportunity to find fault: with you, I am not offering this as criticism, but I am deeply concerned about the religious trend that we can see on every hand today. We still have the Gospel of Jesus Christ to be preached. And, thank God, it is yet. "The power of God unto Salvation to everyone that believeth." And beloved, it has no substitute even in this day.

I beg of you brothers and sisters of the ministry, never let it be said, that any of us have offered, or suggested that we need anything else but the eternal God and His message to offer as a cure for the spiritual ills of this dying world.

I thank God for the privilege of working with you again this Conference year just closing. Every church and pastor has been better to

me than I deserve. Thank God for what He has done for me.

And lest I forget, I want to again thank you for all of your prayers, and expressions of sympathy you offered me and my family during the days of sorrow that we passed through. I have tried to tell you before. but I just wanted to tell you face to face. May God bless each and every one of you. I shall never forget you.

DI would like to have you join with me, and make the words of the

poet our prayer for the coming year; where he said:

"Remember, Lord, the ancient days; Renew thy work; thy grace restore; And while to Thee our hearts we raise, On us Thy Holy Spirit pour."

DELEGATE TO THE CONVENTION OF NATIONAL ASSOCIATION OF EVANGELICALS

The Annual Convention of the National Association of Evangelicals was held in Cleveland, Ohio, April 12th to 14th inclusive with the largest attendance on record. The addresses of Dr. Henry W. Savage, Dr. Paul S. Ries, Dr. George L. Ford, and other leaders were intensely inspiring and held a gripping challenge for all who have a heart burden for the work of the Kingdom of God. It is the writer's opinion, from all indications at the Convention, that this was the greatest year of growth and service the Association has experienced. While growth is not always an indication of the blessing of the Lord on a movement, the atmosphere

of genuine spiritual devotion and enthusiastic endeavor for the salvation of the souls of the lost and the promotion of God's glory were certainly indicative of the blessing of the Lord on the N.A.E. I believe that we, Wesleyans, could well afford to take some lessons from some other denominations and associations in enthusiastically putting our all, as individuals, into the service of our blessed Master. If there is any cause in all the universe that should gender enthusiasm and challenge us to labor, with all that labor—WORK—mans in the service of the Lord, it seems to me it should be—"laying ourselves out" for; first a REVIVAL, and then all the ramifications of the service of the Lord in our church. From all indications this seemed to be the very life of the leaders of this convention.

The 1956 Convention was one of the busiest times one could imagine. There were meetings of the various commissions and departments at almost all hours, from early morning till late at night. All business was cared for with precision yet with perfect freedom and an absence of any strain. The Commission meeting that probably drew the largest attendance of all was that of the Commission on Evangelism and Church Extension.

The officers elected for the coming year were: Paul P. Petticord, President; Howard W. Ferrin, First Vice President; C. C. Burnett, Secretary; Robert C. Van Kampen, Treasurer; and George L. Ford, Executive Director.

As is generally known, the N.A.E. is not an organization that makes or dictates church doctrines or policies, but an organization for service to the affiliated churches and its opportunities in the field are constantly

becoming more and more apparent and enlarged.

It has served our own denomination in a number of instances and, especially in the field of Foreign Missionary Service, we are finding this service becoming more necessary. However, individual churches are the recipients of services that they could not otherwise enjoy. This has been graphically illustrated in a certain city where pressure was placed upon the officials to force a certain church to remove a sign that read, I believe, "Jesus Saves". This would have been accomplished had not the N.A.E. come into the picture and used their influence, where it did the most good, and the sign was allowed to stay.

The N.A.E. has now come to the place where its voice is recognized in the national capitol and is fast coming to the front in international services. I return from this convention to solicit for this association your Charles C. Cross, Delegate

heartfelt prayer.

CONFERENCE SUNDAY SCHOOL SECRETARY

To the Members of Allegheny Conference: Greetings!

God in His infinite mercy has brought us together for another Conference. It makes us feel we need to pause and give Him praise, and with the song writer we can truly say, "Through many dangers, toils and snares, we have already come; 'Tis grace hath brought me safe thus far, and grace will lead us home."

All have been concerned about souls, but not with enough concern. There is not a doubt or question that multitudes of Christians never stop to think, therefore, never come to realize how great a responsibility is ours. All we need to do to discover this is to soberly think upon some of the facts of this our time, and it will awaken us to some degree, at least. God give us a greater concern for our Sunday School!

The Scripture that seems to me to sum up what is needed is Gal. 5:6. "Faith which worketh by love." In this verse we have three of the elements so necessary in Sunday school work: Faith, Love and Work. It is needless to say, where we have these three essentials, we have Prayer. Thus we have four suggested steps that will lead to success in the Sunday School. Prayer, Faith, Love and Work-they go hand in hand. The Holy Spirit is being resisted, grieved and quenched, and in many instances crowded out and the plans and resources of man substituted. Souls are languishing, starving and weak for lack of true spiritual nourishment; while many are perishing without hope in Christ and the blessed knowledge of sins forgiven. Who cares? Who really takes these things to heart? Millions of boys and girls never attend Sunday School and never hear Father or Mother pray; there is cursing and drinking, carousing and fighting their lot from day to day. Are they not important enough? Is it not worth while? We dare not play Sunday School any more than we dare not play church. Some one has said that one of the most powerful factors in a Christians life is "Prayer." My life in the Sunday School, your life as well, will never be as effective unless it is wrapped up in earnest prayer. Prayer that is inspired and indited by the Holy Ghost and that moves the very depth of the soul to "strong crying and tears." We need prayer that is born in a deep passion, prayer that is prompted by a real sense of need. We need to strive in prayer and to agonize. This is the kind of prayer that moves to intercession and soul agony. We need the kind of prayer that moves our hearts and also the heart of God. This will help us to reach the lost through the Sunday School. Another has said of prayer, "Prayer moves the heart that moves the arm that moves the world."

Progress has been made throughout the conference during the past year. Some have shown rapid and marked gains, others have had a steady growth. Some of our pastors have reported real victories in their Sunday Others have stated it was a real up-hill battle, but praised God for His unfailing help. We observed gains in nearly every school in the Conference for the month of April, This was due perhaps to more interest on the part of non-church going folk at Easter time. While many will not return until next Easter, we need to take advantage of each special occasion to reach as many as possible. We may gain just one family, but thank God for that one family. These special days can be well worth while if we use them to make new contacts and new friends for the church.

It was our happy lot to labor in the interest of the Sunday School at Greenville and at Cooperstown with these good pastors and their good people. The Akron District had a one day Sunday School convention. The missionary convention at Massillon gave time and place to the interest of the Sunday School. The object lessons of Sister Lelear were greatly appreciated. The Conference Sunday School convention at Sandy Lake

was blessed and owned of the Lord. To many this Convention was one of the bright spots of the year. We feel it went a long way in meeting the need that has been felt for sometime. More interest was manifested than we anticipated. No one who attended the Thursday night service will forget the wonderful presence of the Holy Spirit and the good message Dr. Reisdorph brought. We appreciated the ministry of both Dr. Reisdorph and Rev. Failing. The work shops were very helpful and encouraging to all interested in Sunday School work. The Superintendents Hour and Sister Larson's excellent demonstration of the value of the Object Lessons were also greatly appreciated.

Sunday School work is not a tiresome duty, an irksome task, a lifeless, ritualistic performance or a burdensome drudge, but a real pleasureand delight. To everyone who loves the Sunday School and Sunday School work there is inspired spiritual energy, moved by a Divine and Spiritual impulse. Let us pray that God will give us this Faith that Worketh by

Love.

Report No. 10

THE PIONEER SECRETARY

To the Members of the One Hundred Thirteenth Annual Session of the Allegheny Conference: Christian Greetings!

This occasion once again affords me opportunity to bear witness to the mercy, goodness, and faithfulness of our God. More and more Heholds our deepest affections and constantly lures us on to know Himbetter. All our hopes for time and eternity are in Him. I believe I cam say that He has been enlarging my soul towards the lost, and increasingly drawing out my heart to ask for the planting of new Gospel centers in the unoccupied populated areas. The Lord has been helping me by prayer to enter more truly into the needs and problems which the Pioneer Pastors and churches face. The courage and heroism that has characterized our Pioneer Pastors is an example to us all. I am sure the Lord is looking on and will not be unmindful of those who venture all for Him and His Kingdom. Many of them have not drawn back from the suffering occasioned by holding to the old paths, but have joyfully borne their cross.

Some plans of the Pioneer Department for the past Conference year did not work out. The Mission Board's decision to center the Pioneer work in the New Castle area, could not be carried through to reality because of some intricate problems involved.

Two other suggested possibilities made by pastors of our Conference at the time of the last report, came to no actuality. Each pastor reported later that some disappointing turn of events had made a consideration

of a Pioneer project in co-operation with them unwise.

Considerable time was spent looking over the Youngstown area. The Pioneer Secretary spent several days with Brother Delmar Kaufman and Brother Harold Schmul searching for a suitable Church Project location brother maroid Schmul searching for a suitable Church Project location; in the new housing developments. In every case it was discovered that the Catholics were already on the ground with their own new church building and parochial school plant. The contractors and salesmen were loyal Catholics. The whole set-up was slanted toward the sale of new completed homes to young Catholic couples and families. Where lots were available, the price made them out of our reach. In every case, we had no assurance of any substantial nucleus with which to begin such a costly project. In a Catholic center so strong such a costly investment. costly project. In a Catholic center so strong, such a costly investment

would never be justifiable.

There are some basic problems involved in launching a new work. Most of the difficulties that confront pioneering are spiritual, primarily, and must be overcome largely in the realm of the spirit. One of the first problems is to find men who can and will qualify. Men who are so sufficiently given to God and His cause as to undertake such a sacrificial and devil-contested enterprise are not so easy to find as one might suppose. The second basic problem is to find the Lord's providential openings. So often one finds in the beginning of a new work disgruntled people with soured holiness, who prove to be the dross of silver. They just cannot be used in the new work. The process of sifting them out requires time, and often loss through offence, turning others away. In this way the enemy often hinders and where the worker is not skilled the whole project may be lost. The work which was started at Conference over a year ago did sot prove to be substantial and disintegrated shortly after Conference. The third basi limitation is a financial one. Even with the closest economy the funds are always limited. They never reach around. I am inclined to think, however; that this is the least of our problems. It is easier to raise money than to beget spiritual regeneration. I believe where there is found God's man and the Providential opening, there will also be found the adequate supply to execute God's purpose. Those churches and individuals, nevertheless, who are entrusted with financial increase should be careful in distributing the same, thus laying up in store a good foundation for the Judgment to come. In this way no part of God's work would suffer.

There have been some bright spots in the Pioneer work of this year. The labor and assistance of godly evangelists such as Brother H. E. Robertson, Sr., as been of untold worth to the young Pioneer pastors. By example they have been taught the use of the prayer route in solving their problems, and in waging holy warfare.

Continued revival fires have rested upon the usual services of the English church. God's steady visitation upon the unsaved of the community has dug out raw sinners and brought them into the clear. This has been a mighty force of encouragement to the young churches of that area.

The Tazewell and Abb's Valley churches have been manifesting new life. Bluefield has had some sifting, but is on better spiritual ground than it has ever been. A spirit of prayer and heavenly consolation rests upon the people there. The young church at Princeton has been making satisfactory progress.

God continues to honor the pastors and the faithful one at Butler with an occasional conversion worthy of the name of our God. The pastors and the group at the Salem Church continue to make good progress. The presence of the Spirit attends the services and encourages them to believe for good things to come. Through the sacrifice of the pastors, and help from the II Canton Church, this church has been making real progress on their building fund. The Sherrodsville Pioneer Church has purchased property adjoining their church for their parsonage location. The late revival at Hartville revealed that there is sifting going on. God's people are getting their feet down and there is every evidence of spiritual deepening. Brother Robert Miller and his people at Jamestown continue to move forward with their plans for building. The Hubbard Church has suffered a series of losses occasioned by former friends of the work moving away or going elsewhere. The pastors, in order to save expenses, held all meetings in their own house during the winter and early spring months. They have now moved to a hall on Highway 62 between Hubbard

and Youngstown. The cost of the hall has largely been borne by the

pastors. It has been a hard pull for them.

The outstanding moving of God in the Pioneer field during the past year was the inception of the new Wesleyan Methodist Camp Meeting of the Southern District of Allegheny Conference which ran from June 28-July 7 inclusive. Night campers averaged 40. Attendance at the day services was swelled by those who came in from the outside. The night services went far beyond all expectations. Interest continued to grow throughout the Camp. A wonderful spirit of gravity and fear prevailed on the grounds. God gave some unusual altar services and some abiding victories in this Camp.

The meals were excellent and served efficiently. Through the generous giving of faithful ones in that area, plus the added giving of other attenders, all expenses were adequately cared for. The Lord wonderfully used the ministry of Brother T. A. Robertson and Brother Henry Lelear

during this encampment.

Plans for the second Wesleyan Methodist Camp Meeting of the Southern District, Princeton, W. Va., have already been advertised. It will be held June 26-July 5. Evangelist Robb French, Brother T. A. Robertson, and Brother H. C. Van Wormer will be the workers. The Camp has two attractive log dormitories with modern facilities with a capacity for caring for 220 campers. Meals will be served on the free-will-offering plan. Every camper is required to take his own sheets and blankets. All the churches of the Southern District are praying and planning for the Camp. There is the prayer of expectancy on the part of many. They are looking to God for His moving on the people, and for the kindling of revival fires in the hill country.

Out of last year's Camp meeting came the organization of the new Wesleyan Church at Princeton, W. Va. On Monday night, October 3, 1955 this class with 13 full members was received. This group had been gathered together by the pastoral labors of Rev. B. G. Blackburn. Brother Blackburn continues the pastoral oversight of this new organization under Conference appointment. The organization has a partially completed cinder block church building 30' x 40'. The building has a full basement with unfinished auditorium above, with a total value of \$4,000, free of

They are completing the building paying as they go.

The map which hangs before us, drawn by Mrs. McPherson for our united study, sets forth the boundary of Allegheny Conference. Upon this map are pointed out over fifty cities without a single Wesleyan church. These cities range in population from 5,000, more or less, to 120,000. There is one city of 120,000 (Youngstown, Ohio), one of 75,000, one of 50,000 nine of 20,000, thirteen cities of 10,000 each, and twenty-seven cities of 5,000, more or less.

These startling facts make us realize that there is much land yet to be As I have studied these facts, they have troubled me. I have sought the Lord for direction in this matter that involves so many souls. In the face of this tremendous opportunity and awful responsibility, the pastors and churches of Allegheny Conference should be utterly committed

to some part, parts, or all of the following policy:

First, our total membership should be committed to basic united participation in the 30¢ per month offering each, in the support of the pioneer work.

Second, every church of the Conference should stand responsible for a substantial gift in cash and pledges toward the special Pioneer project approved by our Mission Board.

Third, those established churches which are in strategic centers of

population should be encouraged by their pastors to adopt the Mission Plan. This plan is that of the established church acting as a mother church to a Pioneer (Mission) Church in another part of the city. This plan has been used effectively in every age. It affords an outlet of expression in teaching, ministering, and financial giving on the part of the matured Christians of the established church. It also will prove the promise, "Give, and it shall be given unto you." One can think of scarcely any churches now in existence in our Conference, which did not come about by using some phase of this plan.

Fourth, a plan which might be called the "Volunteer Plan" should be encouraged by effectual Prayer. It is promoted by voluntary enlistment on the part of any truly qualified man who has the call of God upon him and is strong in faith. He moves into an unoccupied center under the approval of the Pioneer Department. Such an one takes the responsibility of self support. From this point, prayer meetings are opened up and God's providence followed toward a permanent home for the young

Pioneer Church.

Fifth, the suggested Lupton Plan, which was explained by letter, could be used by any congregation that desires to do something special toward Pioneer work. The plan proposed by Brother E. D. Lupton and his church was that each of ten churches should pay for one year, an additional 10% of the Pastor's salary, which should go toward the support of a Pioneer pastor. The pioneer pastor and project to receive this help awould be determined by the Conference President and the Mission Board.

In the light of the increased difficulty encountered these days in establishing new churches, it is the judgment of the Pioneer Department that as a Conference we should concentrate our resources this year in a special Pioneer project. The Pioneer Department has been making its plans with this in mind. In view of the manifest favor of God upon the opening of the W. Va. Camp meeting and the Princeton Wesleyan Church, we are persuaded to believe that the time has come to move into Beckley West Virginia, the next strategic center of population.

Beckley, W. Va., the county seat of Raleigh County, has a population of over 20,000. Its rich coal operations make it a center of wealth. This city is located some 35 miles north of Princeton, W. Va. We already have a small nucleus here who are interested in the Camp, and who have committed themselves to assist in this new project. The Rev. Emmett Coble, who is 30 years of age, is married and has two children, has inquired for entrance into our Conference. He is an elder in the North Carolina Conference and was an associate at Central College of Brother William Mydock and Brother James H. Cyphers. Brother Coble has given his word to come to Allegheny Conference and to pioneer in the Beckley field. These providential signs point toward this new door of conquest. After the Princeton Camp Meeting, it is the plan of the Pioneer Department to use Brother Kenneth O. Brown in launching a tent meeting in Beckley, W. Va. The new project will be carried on from this beginning.

A qualified man who seeks entrance into this Conference has asked permission of this department to open a new work in East Liverpool, Ohio, under the Wesleyan Banner. He has asked no financial assistance. He informs me that they have been having prayer meetings with 25 in attendance. They have also been conducting Saturday night Street Meetings. East Liverpool is a city of more than 24,000. This is a center that should engage our prayers.

Every pastor and church will do well to safeguard themselves from the spirit of self-centeredness and the lust for things, by promoting true Holy Ghost revival. Such holy fires will kindle love for God and express-

itself in mission, home and abroad.

EVANGELISM SECRETARY

Evangelism is Sick. A sick, anemic Evangelism is the patient of denominational leaders, preachers, and Doctors of Divinity. Likewise, she is the parent of a weak, spineless, believism. Her bobbed haired, Her bobbed haired, jewel bedecked, worldly minded converts belie her diseased constitution, It is apparent that something besides vaseline or Cloverine is needed. This. condition is the topic most frequently discussed in conference and conventions. Innumerable resolutions, programs, plans and promises are passed or made to revive her former enthusiasm and health. Needless to say no expenses has been spared in the effort to save her. The latest methods, means, and measures known to the Ecclesiastical Doctors have been employed, specialists from the fields of education and promotion havebeen called in for consultation. The Specialists have analyzed, criticized, and prescribed without success. Numerous treatments, transfusions, and adjustments have been tried, but the patient fails to rally.

For instance, a steady transfusion of propaganda and publicity is tried to bring back that certain atmosphere she has carried, but the results are more like a carnival than Calvary. The crowd technique has been tried! times without number, only for the Chief of Staff to find they have the masses without the Master. Dr. Enter Tain Em and his aid, Sr. Dish Rattler, have tried repeated shots of religious movies, refreshments, and recreation, but no improvement has been noticed. It appears that it will take more than food, fun, and fellowship to restore her former vigor. Dr. I am Neutral, specialist in nauseating neutrality, has placed Evangelism on a steady diet of positive preaching with disappointing results. Dr. Crack Em has suggested a series of adjustments in doctrine, standards and attitudes, also a special course if psychology; but these have been dead rods. They have given no life. These Quack Doctors and their remedies have been a waste of time and money. The question naturally comes, if these eminent ones, with their know-how, machinery and resources have failed to restore Evangelism to health and vigor, what will she respond to?

A minority have called for a menu of fasting, prayer and obedience, and old fashioned Gospel preaching. Dr. A. W. Tozer seems to understand her need when he says, "Too many religious leaders are overlooking the fact that the faith of Christ makes no concessions, accepts no compromise, allows no terms and makes no deals. Christ offers Himself to men as Lord and Saviour and receives returning sinners only when they turn against themselves and come fully to God's side. Fallen man escapes the judgment of the world as Lot escaped the destruction of Sodom; by forsaking it altogether, not by adjusting to it. The current vogue in religion never says "Thou shalt not"; that would be negative thinking and contrary to best psychology. It does not command men; it smiles, cajoles and suggests, and ends by letting man have his own way."

To better understand this, let us review evangelism's early beginnings. Evangelism is the child of Revival. It is a misconception of the highest magnitude to believe that evangelism is to get the church to be a little busier. Evangelism is more than action, it is unction; it is more than activity, it is Holy Ghost anointing. As L. W. Northrup, Free Methodist Chairmen of the Committee of Evangelism, observed, "We must be revived. A forward movement without a revival at the center is a backward movement. It is a delusion-it contradicts divine revelation. will have clamour without conviction, feasting without fasting, planning without prayer. Trying to put a church together without a revival is working with a rope of sand. Without a revival a church will be dead, carnal, blind and stubborn. This latent incapacity for spiritual things persists in a church which has been formed by the art of men, rather than born of the Spirit in revival fires. Only the revival church bears the stamp of God. Only the revival church loves revival—but on it she thrives, she thrills, she lives." (Unquote) Revival alone will give Evangelism that dynamic strength to fulfill her mission. "Evangelism, the activity of making Christ known and loved" is the primary occupation of the church; in fact it is the only justification for her existence. "Winning men to Christ is not a part of the program of the church, it is the only activity of the church. To accomplish this mission in the world, the fires of revival must be kindled here. Individual and congregational revival must precede world Evangelism. The fire of Evangelism does not start at the top, planned and programmed; it begins spontaneously in the grass roots and goes up. It is useless to criticize the head, arms, and legs for immobility when the heart is nigh dead. Orders issued and resolutions on church extension will be feebly carried out by the various arms of the church until the heart beats strong and true. The size of the brain and the brawn of the arms are of no use when the heart is weak or dead. The heart is everything. Intercessory Prayer and unquestionable obedience is the heart of

Revival Evangelism. This sickness is unto Death unless we find a rem-

The remedy will not come out of denominational apothacaries, or from the bulging brief cases of professional pill-pushers. The formula will never be compounded in educational dispensaries, Conference or Convention X-ray rooms. It will take more than a little soothing syrup, Hadacol, or One-a-day Vitamins. There is no patent medicine, handy tablets or self help exercises that will envigorate sick Evangelism.

If evangelism ever recovers her health, vision, and vigor we must follow the directions of the Divine Physician carefully. The tried and true prescription is hundreds of years old, but careful application of the patient to the directions is guaranteed to restore youthfulness and health. It is not difficult to find. The pages of Holy Writ give the same prescription over and over again. Take II Chronicles 7: 14 for instance. "If my people which are called by my name, will humble themselves and pray, and seek my face, and turn from their wicked ways: then will I hear from heaven, and will forgive their sin, and will heal their Land." Joel gave Israel the cure for them in their day, "Sanctify ye a fast, call a solemn assembly, gather the elders, and all the inhabitants of the land into the house of the Lord your God, and cry unto the Lord... Blow ye the trumpet in Zion, and sound an alarm in my holy mountain . . . turn ye even unto me with all your heart, and with fasting, and with weeping, and with mourning; rend your heart and not your garments, and turn unto the Lord your God . . . Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that suck the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet. Let the priests, the ministers of the Lord, weep between the porch and the altar." Here is the promised cure, "And I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions: And I will restore to you the years that the locust hath eaten the cankerworm, and the caterpillar, and the palmerworm. And ye shall eat in plenty, and be satisfied, and praise the name of the Lord your God that hath dealt wondrously with you."

It appears that the main ingredients in the prescription necessary to restore a healthy vibrant Evangelism are: A. Humility of spirit; B. Tears of contrition; C. Confession of sins; D. Fasting of sleep and food; E. Ex-

pectancy of faith.

Brethren, we are in no place to fix responsibility for this condition. Who among us can point a finger or cast a stone? Our own fruitlessness stands as a silent witness against us. The question is not, who is to blame—the question is, Brethren, will we take our medicine? Will we take it long enough, strong enough, and often enough to do us good? Are we going to: Prescribe for others what we will not take ourselves, put the medicine back in our theological medicine chests to gather dust, or practice what we preach? Brethren, will we take our medicine?

THE EDUCATIONAL SECRETARY

In Deuteronomy 6:7, we read three words which constitute one of the great commands of the Old Testament, "teach thy children." We note that God did not ordain that the children of the Hebrew homes be

taught and instructed by tutors from among the heathen, but by the Israelites themselves. In the early history of these people this commission was considered very important, and to obey the Divine instruction became a vital part of the life of the nation. Never has there been a time, however, when this responsibility was of more importance than to-day. I should like to give three reasons why we should give diligent and constant consideration to and interest in a spiritual program of education.

In the first place, this is a definite and direct command of God. word does not obligate those who are outside of grace to teach our sons and daughters. We are not commanded to shift this great task upon those who are not acquainted with our God. God is concerned first about the spiritual life of our children. They must first be taught about God, and such teaching must come from those who know God. "Teach thy children," God says, such a simple command so clearly stated demands

our most careful attention.

On the other hand, this command is especially important when we consider the position educational program plays in the work of the church. Some one has said during this Conference, "For Wesleyan Methodist to survive, we must maintain Wesleyan Methodist School." On this same principal we may say that if we continue as a spiritual organization, we must maintain spiritual schools. A study of denomination reveals that before churches apostasize the schools drift into a state of liberalism, compromise, and worldliness. It is in the schools and colleges that young people are prepared for the leadership in the churches. If the graduates are not properly taught in the Word, how can we expect them to maintain a spiritual ministry? When men with carnal ambitions, worldly desires, and sensual appetites fill our pulpits, we can only expect, sooner or later, to have an apostate church. If we want to keep our churches spiritual we must first maintain a spiritual program of education.

Finally, the importance of this is seen when we consider the influences of evil which is associated with secular education today. In the elementary and high schools we see the tremendous effect this influence is having upon our youth. Regardless of how much spiritual help we have given them up to this time, it is here that we lose them. We need Christian day schools, and colleges that are holiness not only in principle, but also in practice. Recently, in one holiness school operated by a leading holi-As he taught some portions of Matthew 5, he informed his students that this standard is not given for us today, but that this is the standard by which people shall live during the millennium. Such teaching only opens the door to carnal living among prospective leaders, and soon breeds carnal practices in the churches. A church will seldom rise higher than the leadership of that organization. Then we have the influence of outbroken Today much of the fundamental teaching has been crowded out in order to make room for movies, dancing, and a vast program of sports and entertainment. Almost every influence both in the classroom and on the playground is demoralizing, detrimental, and destructive. In some circles of education immorality is taught by precept and by practice, and our young people find it difficult to resist these tremendous influences of evil. Our only hope of saving the youth of this generation is to provide for them a system of education that will honor the Holy Spirit, give place for God's Word, and teach them the principles of Holy living.

In conclusion, let us seek to maintain spiritual institutions of learning, in which our young people can find God, become indoctrinated in His Word and be directed into His will for their lives. Willard Dunn, Sec.

CHILD EVANGELISM REPORT

The need for Child Evangelism is greater than ever before in our modern history. Juvenile Delinquency and crime among the children is on the increase. Not petty crimes or the usual expected acts of disobedience found in the average child that is not a Christian, but crime in the nth degree, murder, theft, immorality. It is shocking, but true. The newspapers and juvenile courts prove these facts. It is not unusual anymore to read in the paper and find where a child has killed his parents, perhaps a friend or a playmate for apparently no reason at all.

Is the child to blame? Never!!!

In many instances, he is the helpless victim of circumstances over which he has no control. Television placed in the home, before which he spends hours gazing at all kinds of scenes that play upon his emotions and fire his imaginations until his tender feelings and finer instincts are replaced by a hardness and shrewdness that would put a seasoned criminal to shame.

A recent newspaper account told of a certain boy who killed some members of his family, ate his supper and stayed all night in the same house with those dead bodies before he told his neighbors about it the

next day. Hardened criminals would have paled at this experience.

If the children are lost then all is lost. The future would look gloomy indeed, but thank the Lord-the children can be evangelized, providing the churches are willing to do the evangelizing. That is the number one

problem.

Child Evangelism does cost tremendously. Money is the least part of the price. It costs in time, work and strength above all in prayer and waiting upon God. On the other side, it costs more not to try to evangelize the child—it costs in heartbreak in the home, often our nation a crime bill, and it costs in the reproach it brings upon the church for being so complacent and unconcerned. Finally it costs the soul of the child.

Are we doing our part to try to evangelize the children? Are we willing to sacrifice mostly our time and effort to win them to Christ—or do we have this attitude assumed by even many so-called Christian: I'm glad the Lord hasn't called me to do Children's Work, they get on my nerves. Well, the Lord can help your nerves if you let Him. (Maybe it's not your nerves, but your carnality!)

Nervous, irritable people aren't much of an inspiration to children.

They are won by kindness, patience and love.

I sent out 96 letters of inquiry. Received 62 replies. 38 reported D. V. B. Schools. 20 have Junior Church, 12 Bible Clubs. As far as I can ascertain over 2,000 children have been contacted through these various meetings.

TITHING SECRETARY'S REPORT

In the conference year 1955-1956, the Conference had a per capita giving, based on the contributed totals for all purposes, of \$216 plus. God's blessing always follows our obedience to His plan for our church finances. God has advocated the storehouse, which is the church (Mal. 3: 10), as the treasury for our tithes and offerings and any people, any church, who will follow the teachings and commandments of God in this matter will, according to God's promise, be blessed beyond measure in the financial aspects of their church program as well as deepening the spiritual atmosphere of the church and lives of the believers. In these days, however, our people are pressed by many demands for financial support from religious broadcasters, publishers and editors of periodicals, and other religious enterprises, thus it has become mandatory that we teach the rudiments of scriptural giving. Giving is a grace and as such must be practiced as a part of our worship of God. The tithe is the foundation of our giving, and it is the Lord's. The tithe is rendered to the storehouse and then the Christian is free to give of his remaining prosperity to the other causes which may be presented to him. Unless, however, we launch a program of teaching the essentials of giving as they are rendered to us in the Scriptures, our next generation may not be as obedient to this important part of their worship.

Of the 3,534 members of the Conference, 2,529 are reported as tithers. This figure does not represent the number of storehouse tithers. Let us by the grace and help of God launch an endeavor to enlist all of our people as storehouse tithers in the year 1956-57.

STONEBURO CAMP MEETING PRESIDENT'S REPORT

In compliance with the duty imposed upon the president by the Camp

Meeting Association, the following report is herewith submitted:

Again, we had some damage done on the Campground. This time it was a wind storm which damaged the dining hall, the old worker's cottage, blew down some trees and limbs and did some damage to other buildings. We appreciate the interest Brother Elsey took in getting the old worker's cottage and dining hall repaired. He spent several days working on the buildings. We also appreciate the others who worked with him to repair this damage. We appreciate Bro. Comadoll coming over and laying up the blocks to repair the damage to the dining hall wall.

We were able to build another dormitory which has been a great help

in making more room for the long waiting list. Several cottages are being built which will also help relieve the housing situation. Several from the Titusville Church are building a dormitory for themselves. The more individuals build the better it is for the Camp Meeting Association, for the camp is at the place where it cannot afford to do much more building. The expense of keeping up the present buildings is becoming increasingly heavy.

We wish to express our appreciation to the Titusville Church for cancelling the \$1,000 note which was held against the Association on the Caretaker's home. They had loaned the money to us without interest. Then, we desire to thank the churches and individuals who helped, so that we could pay the interest and another \$1,000 on the principle of the Care-

taker's home. We now owe \$4,500 on this property.

We feel that we should thank God for all His goodness to us. Some have stated that it seems harder to raise money for the Camp than heretofore. When one takes into consideration that last year over \$24,000 was spent for building material, caretaker, evangelists, equipment, payment on loan, etc., one is made to realize that it takes much more money to make things go than ever before.

The Association opened a section where one story cottages may be

built. Several plan to build here.

The attendance at the last camp was large from beginning and held up well to the end. The last few years the camp has been having larger attendance at the close then ever before. We believe this is a very good sign. As late as it was after the last one prayed through, several hundred stayed for the Hallelujah March.

The workers proved to be used of God and there were some great services. The prayer meetings were good and well attended. We wish to thank all the workers, superintendents, etc., who have labored so diligently to make the camp possible and to make the campers comfortable. To all who have labored and to all who have given to make the camp a success, we say a big, "Thank you."

We urge each pastor to try to get his people behind the camp as much as possible and to urge them to help the camp with their finances. There are many other interests taking the people's attention, but this is our

camp and we need to give it our support.

If Jesus tarries, let us come to make this year's camp the very best. We need to keep Stoneboro Camp deeply spiritual, old-fashioned, Godcontrolled, Christ-centered and Holy Spirit anointed. Stoneboro Camp must be a place where the Holy Spirit is honored and is allowed to have His way, where God's glory rests and where God's presence is manifested. The whole burden rests with us. Let us pray, hope, believe, and expect a real outpouring of the Spirit upon the camp this year.

RESOLUTIONS AND PETITIONS

PETITION:

We, the undersigned, do hereby move that a committee be appointed to study with the Board of Administration the possibility of the Allegheny Conference appointing and supporting missionaries to Foreign Missionary service. We move further that this committee consist of seven members, appointed by the Chair, four of which shall be selected from the Elder and three from the Missionary Society.

Guy E. Terpe Clyde A. Blair Signed: R. Willard Dunn C. E. Huntsman

RESOLUTIONS: Your Committee on Resolutions submits the following Report:

BE IT RESOLVED:

1. That by adopting this report, we, as a Conference, re-affirm the historic stand of the church in matters of Christian doctrine and practice. Thus may we encourage our people to adhere, not from sense of staid, cold duty, but from a heart abounding in fervent love for God and a passion for holiness, to the General and Special Rules of our Discipline, especially as they regard the matters of dress, Sabbath observance, parental authority, and holy things. In as much as these things are important to the maintaining of our witness, may our ministry give itself to the preaching of the doctrine of holiness to maintain the heart relationship of our people to God in these matters.

That we re-affirm our love and our loyalty to our beloved denomination by praying for its leaders; and that we resolve to express our appreciation for the officials of our conference and the standard they maintain by praying for them, standing with them, and not burdening them

with non-essential problems.

3. That we engage ourselves earnestly in the task of reaching and leading our youth into a definite experience of salvation, and further that we encourage them, as soon as it's practical and wise, to unite with the church. Since the losses to our church are tremendous among our teen age young people, let us endeavor by all proper means to engage their talents and abilities in the service of God and the church, thus creating in them a feeling of responsibility for the church.

4. That since the divorce evil is one of the great curses of our land, a corruption to the morals of our youth, and a destroyer of our homes, therefore we deem it essential to preach against this great evil, and that we go to the head of the stream and instruct our youth in the sanctity

of marriage.

That since we recognize the many hazards of military life, and that many young men and women who have left our Sunday Schools and churches for the armed services were unsaved, we recommend that our churches have special times of prayer for their salvation and protection, and we further recommend that the churches, through their pastors maintain correspondence with them, and that each name be registered with the Wesleyan Commission for Servicemen to maintain the contact for Wesley-

an Methodism.

That we continue to exhort our young people to refrain from the purchase of television sets since we recognize the television as an influence to evil, a destroyer of the sanctity of our homes, and a hindrance to the spiritual life and growth of our people. We, therefore, urge our preachers to be an example unto our people by refusing to view television as well as to refrain from the purchase and possession of such.

7. That we urge our people, through the preaching and example of our ministry, to maintain the family altar as a spiritual institution in our homes, to practice the grace of systematic fasting, and to engage themselves in deeper prayer lives issuing forth in bleeding intercession, moti-

vated by fervent love for God and a burning passion for souls.

That since we recognize Communism to be a subtle, Godless influence, and that the present trends to a welfare state are opening wedges in our nation to its supplanting our democratic way of life—be it resolved:

a. That our ministers and church leaders warn our people through the preached Word and the printed page of the subtle approach, Satanic

origin, and destructive results of this political philosophy.

That we recognize our solemn obligation to pray for the President: of our Nation and the committees of Congress who are engaged in exposing this Communistic infiltration in our American system, and further,. that God will grant them wisdom and courage to fight this evil.

9. That since there is a rapid population shift to some of the industrial areas of our conference from the farm and coal regions, we recommend that our pastors keep each other informed of those who move-

from area to area from our Sunday Schools and churches.

10. That since we recognize the religious motion picture to be an: influence to evil and not consistent with God's divine plan for the presentation and propagation of the Gospel of Jesus Christ, we urge our churches and pastors to refuse to endorse them and to refrain from using them in. the churches of our conference.

11. That since we recognize the Revised Standard Version of the Bible to have many changes in text which are an injustice to the Holy Scriptures, and further, that it projects the theological bias of the translators and revisers, we recommend that our people be discouraged from its use and that our ministers refrain from its employment in public serv-

ices.

That since we recognize the newly published and much publicized "Interpretor's Bible" as an intrument to undermine the Gospel of Jesus Christ by calling into question the historical characters of the Scriptures, the inerrancy of the Holy Word, and the inspiration of the inspired writers of the Scriptures by the Holy Ghost, we deem it adviseable that our people be warned that its use as a commentary on the Holy-Scriptures is dangerous and may lead to the destruction of their faith.

Whereas we recognize the continued advancement of the Roman Catholic system in numerial strength and political power in our nation, schools, and local governments, and that since we recognize this constitutes a menace to free government, freedom of worship and conscience if

it should gain a majority position, be it therefore resolved:

a. That the ministry of the conference instruct our people in the

practices of the Roman church.

b. That we resist, with Christian grace, by zealous evangelism in our communities, to glean the unsaved lest they fall into this great error.

c. That we endeavor, by the persuasion of the Gospel and godly lives, to lead as many adherents of this spurious faith to Christ as possible.

d. That we warn the youth of our churches about the disadvantages of marriage with those who are adherents to the Roman church. F. E. Mansell, Chairman

Partial Report:

The above named Committee met in the office at Stoneboro, June 7, at which time Dr. Nicholson was asked to attend the meeting. After some lengthy discussion it was recommended by Dr. Nicholson that the Committee send a delegate to visit the Secretary of Foreign Missions to discuss, in a wholesome and constructive manner, some problems and conditions which exist in the Foreign Missionary Department. In the light of the results of this visit the Committee will endeavor to meet with the executive Committee of the Wesleyan Methodist Church rather than the Board of Administration to give further consideration to the purpose and work of this Missionary Committee.

Willard Dunn, Secretary

Report No. 29

REPORT OF COMMITTEE ON RECOGNITION

On behalf of the Allegheny Annual Conference, your Committee wishes to express appreciation to Reverend and Mrs. W. H. Armstrong for the long years of service which they have rendered to the Conference. Mrs. Armstrong has been a most gracious parsonage lady and an untiring

worker in every interest of the church. Brother Armstrong's presence in this body with his radiant countenance, wise counsel, and victorious testimony will long be remembered and cherished in the hearts of all of us. Much as we shall miss them, we bid them God-speed in their retirement and pray that health, happiness, and the rich blessing of the Lord will be theirs to the end of their journey.

Rev. Harry Kastle retires from active service this year. We express our appreciation for the service which he has rendered, bid him Godspeed and extend our best wishes to him for many happy days ahead and an abundant entrance into the everlasting kingdom of our Lord and

Saviour Jesus Christ.

To our beloved Rev. Joseph B. Markey, who for twenty-five years has been the faithful and efficient secretary of our Conference, we extend our sincere congratulations. We deeply appreciate the service which he has rendered to the Conference and to the Cause of Christ in the offices in which he has served. His patient spirit and untiring devotion is an example to us all. It is our hope and prayer that he may be spared in health and vigor to carry on in this office for another twenty-five years. H. N. Robinson, Chairman

A gift of appreciation consisting of a splendid wallet containing five five-dollar bills was presented to the Secretary with the adoption of the above report.

THE W. M. S. PRESIDENT'S REPORT

To the 50th Annual Session of the Allegheny Conference Woman's

Missionary Society, greetings in Jesus' Precious Name!

This is an especially important session as it marks the 50th year of the existence of our Woman's Missionary Society. Such an occasion always calls for a two-fold consideration of our work to promote the advancement of missions. First, we want to know what has been the extent of our growth during these years of effort; and, second, we want to estimate the possibilities of achievement for our Lord in the future and at least set forth a goal toward which we may strive and which we hope not only to attain but to double or triple in the near future if Jesus tarries.

First, we will retrospect and compare our first year of existence with

our 50th year report: Membership:

West of the second seco	1906	1907	1955		Gain
Active	15	16	1684	1775	91
Honorary	7	2	689	9 734	45
No. of Societies		11	95	96	1
Subscriptions			1575	1638	63
Receipts	\$52	5.68 \$67	7659.46	\$70309.29	\$2649.83

Truly these gains have been made only by much prayer, faith and effort upon the part of the officials and W.M.S. members from the conference down to the local societies, none of whom may see their rewards

here in this life.

Nevertheless, the love of Christ constrains us to push the battle for souls in this critical and fast closing time of seed sowing. May we as earnestly and wholeheartedly put our shoulders to the wheel and sacrifice and labor at this eleventh hour as our precious sisters did when they first caught the vision 50 years ago to do their best to make Christ known to those who had never heard. May we never shirk; may we never get discouraged; may we never lose the value and worth of a soul's salvation by becoming enamored with the paltry, perishing things of this fleeting, selfish life so that we fail our Blessed Master and miss His "Well done . . . thou hast done it unto Me."

As a working goal or definite aim we submit the following Golden

Iubilee Goals:

- 2,500 W.M.S. Members in 1956-1957.
 A "Wesleyan Missionary" in every W. M. S. and Wesleyan home.
- 3. More sacrificial giving to Missions.
- Every W.M.S. member an intercessor. Every W.M.S. member a soul winner.
- Prevailing prayer in each W.M.S. service.
- A prayer partner in every society. Gathering sheaves for His coming.

Let us do our best by God's help to go way beyond these goals the coming year for "all things are possible to him that believeth." "Ask largely that your joy may be full."

Next, we wish to give you a resume of the work of this conference

year-1955-56. Our Standard of Efficiency rating is 94%.

In carrying on the work of the year we have sent out 6 circular letters and separate cards and letters totaling over 700 pieces. We had Rev. Edwin Wallace make Golden Jubilee Posters to help present and promote interest in the work for the coming year. Besides, we had Golden Jubilee bookmarks made by Bro. Paul Woolweaver also to increase and extend the work of the W.M.S.

Two weeks after annual conference last June your president and duly elected delegates (in two instances alternates) attended the General Conference W.M.S. Session held at Fairmount, Indiana, June 21-28. Because of the length of time that has transpired since, this session it is difficult to give a fresh interesting report, for the Minutes have been published and the WESLEYAN MISSIONARY has given the inspirational high lights of the services.

Some changes were made in our discipline. A few items in the Standard of Efficiency have been changed. One new rule which shall definitely effect our Conference Quadrennial report is that the 4 late conferences before General Conference can report only their first 3 years of the quadrennium so as to do away with the last minute rush the committee has to go through to add our reports before General Conference.

Only one new society was added this conference year. July 27, Mrs. Ethel Kopp was authorized by the President to organize a W. M. S. at Hubbard, Ohio, with 7 active and 3 honorary members.

Our missionary day at Stonebore Camp, August 23rd, was again owned of God. Rev. and Mrs. Robert Crosby, missionaries from Puerto Rico, brought the morning message for the youth service; Dr. Roy S. Nicholson, General Conference President, gave a stirring appeal in the afternoon and Dr. Robert Benninger, returned missionary from Africa, presented a spirit-filled informative message on Africa in the evening service. Rev. and Mrs. Hugh Newcomb and their son represented the Indian work at one of the afternoon prayer services. Rev. and Mrs. J. L. Landrey from India and Mrs. Robert Benninger from Africa spoke with enthusiasm in the afternoon services. Dr. S. I. McMillen spoke Thursday to the whole camp on the alarming immoral conditions of this day.

Rev. and Mrs. William Cessna who were first elected to go as missionaries to Haiti were finally sent by General Board to Japan where they are studying the language and endeavoring to serve the Lord in their chosen field of service.

The fall missionary tour of the conference was made by Bro. Melvin Welch, returned missionary from Africa, beginning September 25-December 11, except for the two weeks he had to go to the Ohio Conference. This time was filled in by Rev. Price Stark, former missionary to Africa. We greatly appreciated Rev. Stark's kindness in taking 2 weeks from his busy pastorly duties to fill the break in Rev. Welch's schedule.

October 12-28—Rev. and Mrs. Floyd Banker, furloughed missionaries from India, held convention services in the Akron, New Castle, Titusville and Indiana Districts.

Dr. Benninger also gave one Sunday per month to the churches near enough for him to commute in one day.

April 4th at the Ministerial Institute held at Erie, Pa., Mrs. Ruby Reisdorph, General Conference W.M.S. President, spoke to a fine group of women assembled. At this service Miss Ruth Stearns, missionary elect to teach music at Brainerd Indian Training School, was introduced and her list of equipment presented to the Societies.

On the day of this service the earthly form of our dear former Y.M.W.B. Superintendent, Bernice Davis, was laid to rest to await the resurrection morning. Her triumphant home going Easter morn is an encouragement to those of us who remain. A memorial missionary offer-

ing is to be taken at this session as a lasting memorial and appreciation of our self sacrificing sister.

In a special service Friday afternoon of this week we will commemo-

rate the 50th year of the existence of Allegheny Conference W.M.S.

Following this service will be a memorial service for Miss Bernice Davis, former Y.M.W.B. Superintendent.

Rev. and Mrs. Ferdinand Witthuhn, furloughed missionaries from Haiti have been secured to speak at our missionary service Friday P.M., Tune 8th.

Rev. and Mrs. Henry Ortlip are expected home on furlough from

Haiti in the near future.

Also, Rev. and Mrs. Saunders and girls are expected home from Africa

soon.

Though it has been a very busy and sometimes difficult year, the Lord has definitely answered prayer and helped us time and again when we could see no way through. Not all the accomplishments and victories can be tabulated nor even mentioned by us nor by the local presidents. We are reminded again of the words of the Master "Without me, ye can do nothing." So we recognize what is favorably done the Lord has accomplished; what is bungled or a failure is the work of the human. May His precious Blood cover it all and help us to do better in the future year!

Finally, we wish to thank you every one, for your faithfulness, for your splendid co-operation and your fervent missionary zeal.

God help us each one to be faithful to the very end!

Yours in Christian love, Mrs. H. C. Van Wormer

Report No. 4

COMMITTEE ON RESOLUTIONS

BE IT RESOLVED:

1. That, since the theme of our Annual Conference is "True Evangelism," our Woman's Missionary Society adopt this theme for the coming year.

That we give ourselves to Bible study, systematic fasting, and intercessory prayer, and that we be "doers of the Word;" going out two by two in home visitation, believing that "Prayer and a holy purpose plus faith in Jesus Christ can accomplish anything.'

3. a. That we do not by our indifference neglect our missionary work at home and abroad; and that we be faithful in attending our missionary services.

b. That we strive to obtain as many of our men as possible as hon-

orary members.

- 4. That we give ourselves to prayerful study of the "Wesleyan Missionary" and other helpful material, and that we do our best to interest our people in getting the "Wesleyan Missionary" into other homes and institutions.
- That we adhere to Scriptural methods of raising funds for missions, and out of sacrificial hearts and lives, give heartily as unto the Lord and His holy cause; for the "Lord loveth a cheerful giver."

 6. a. That we faithfully hold to the Biblical standards of our Disci-

pline in creating a wholesome atmosphere in our homes.

- b. That we stress the maintenance of a family altar in every home, with the children having a part. That we, as parents, faithfully instruct our children concerning the plan of salvation, urging them to obtain a personal experience, knowing that this will create in them the desire to follow Bible standards.
- c. That we encourage our children to use their own Bibles, and have a regular system of memorizing scripture in the Home. Psa. 119: 11.
- d. That we pray faithfully for our children in school, that they may reject any erroneous teachings presented and be careful in choosing their friends and associates.
- 7. a. That we abstain from all worldly amusements, including the theater, the dance, cards, etc. That we abstain from reading or allowing our children to read comic books and other unwholesome magazines and books, and that we provide wholesome literature for our children.

b. That since modern mixed bathing is conducive to loose morals, we urge parents not to participate in, nor permit their children to partici-

pate in such unwholesome activity.

c. That we abstain from listening to unwholesome radio programs; buying Sunday newspapers, and other Sabbath desecrations, such as pleasure riding, visiting, buying, etc. Isaiah 58: 13, 14.

d. That we urge our people to refrain from buying television sets, realizing that television in its present operation is an evil influence, and will mean the loss of the soul if one indulges in looking at it.

- 8. a. That we who are mothers tell our children the true story of life and instruct them in the care of their bodies, in order that they hold these truths sacred and be prepared to withstand the low moral standards of this day.
- b. That we parents be companions to our children, and provide for them wholesome recreation frequently.

c. That we as mothers guard well our children and, as far as possible, know where they are and what they are doing at all times.

d. That mothers carefully select their "baby-sitters" since there is

so much immorality prevalent today.

9. a. That we uphold by precept and example modesty of dress, as becometh holiness, by which we mean wearing dresses half-way between the knee and ankle, with long sleeves and modest neckline, which things accompany purity and deep spirituality. I Tim. 2:9, 10. Also that we adhere to Deut. 22:5, "The woman shall not wear that which pertaineth unto a man—for all that do so are an abomination unto the Lord thy God."

b. That we refrain from the wearing of jewelry, which includes brooches and other ornaments. Isa. Chapter 3. Also that we do not wear nude shades of hose, toeless and heelless shoes, or hats which display flowers, veiling, and other superfluous adornments. Furthermore we urge our women to wear hose and dress modestly in the home, that we may be examples of modesty to those who approach our doors.

c. That we do not adhere to the worldly style of cutting or curling the hair, or the long bob. I Cor. 11:15. Also we believe with John Wesley on the Scripture, I Tim. 2:9 that "broidered hair" means curled

hair.

d. That we also dress our boys and girls modestly. Not permitting our boys to go without shirts, to wear shorts or sheer shirts. And that our girls wear long hose, and not be allowed to wear sheer blouses, shorts, or slacks.

10. That we urge the avoidance of unnecessary debts, and neglecting

long-standing bills.

11. a. That, as far as possible, we refrain from patronizing establishments selling intoxicating beverages, and also discourage the use of tobacco in all its forms since we greatly detest the use and effects of both. II Cor. 7:1. Also that we refrain from patronizing establishments open on the Sabbath Day.

b. That we be patriotic by displaying the American Flag in observing national holidays, thereby honoring God who gives us freedom

and liberty.

12. That these resolutions be read in each society semi-annually, that all members may be kept informed by the proposed attainments and requirements.

CONFERENCE WESLEYAN YOUTH PRESIDENT'S REPORT

To the members of the 25th Annual Youth Convention of the Allegheny Conference assembled in His Wonderful Name, Greeting. Wonderful indeed has been the council and care of the Saviour the past year to the youth of our Conference. We are celebrating our twenty-fifth year of Conference service. God has given us excellent leadership in the persons of Sister Mary McLeister, Sister Gleason, and our good Brother McCracken. You may rest assured that it is our desire to follow in their train. We solicit your prayers that the Master will help us to hold high the standards of Bible Holiness to the Youth of our generation. Only this generation can reach this generation with the truth.

Never before has Wesleyan Youth needed the care and council of the Master as today. Innumerable voices call, endeavoring to entice us from the narrow way of discipleship. Great dangers and grave responsibilities beset us on every side. Safety is assured only as we walk as He walked and are held by the nail scarred hand. A safe rule to follow is to open the day with prayer and close it with a period of self examination. In so doing we will be able to follow the exhortation of the Apostle Paul to youthful Timothy, "but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."

The Executive Council and the General Youth Committee, composed of District and Zone Chairman have endeavored to find the "mind of the Spirit" on all matters pertaining to the youth program. We have worked in complete harmony with the Conference President and his Advisory Board. We urge that all local presidents and officers cooperate 100% with their pastors and the local church program. We have traveled hundreds of miles, and spent many hours in the pursuit of a suitable location for a Pioneer Project exclusively for the Youth of the Conference. The location selected is the Canton McKinley Housing project. Three lots with an evaluation of \$3750.00 have been given to us. The door is wide open. We have four families in the project at the present time now attending either the Canton First Church or Canton Second Church All attending either the Canton First Church or Canton Second Church. All together there are eight families immediately effected, and their cooperation is expected from the very beginning. At present we have \$4000.00 on hand. The proposed building of 40x60 will cost approximately \$10,000.00. It is our plan, with the consent of the Conference President that we place our own preacher in the project to pastor the work, and we will have the privilege of carrying on his support. This plan has the hearty approval of the Pioneer Secretary as well as that of our Conference President. Does it have yours?

The following is an outline of our activities for the past year.

1. Preached at the following Zone Rallies: Akron, Canton, Pittsburgh, New Castle, and Dixonville; and at the Titusville District Rally.

2. Preached one Youth Revival at Titusville, Pa.

3. Preached one all day rally for the Christian Holiness Youth at Carlisle, Pa.

4. Presided over the Youth Congress in December at Canton, Ohio. 5. Prepared the program with the Executive Committee at Titus-

ville, Pa. in January with aid of the Conference President.

6. Planned and participated with the Youth Committee in the canvassing of the Lewistown-Fairhope community, likewise the south Canton community.

7. With cooperation of H. E. Robertson, the Vice President, and Paul Rexrode, carried the necessary legal documents in the Canton Mc-Kinley project to secure release from them for the construction of a

church. Secured 95% positive results.

We recommend the following goals for 1956-1957.

1. The organization of at least eight (8) new societies. And that, each district or zone chairman endeavor to organize at least one new society in his district this year.

2. Twenty-five participating societies for the Emicieny Standard.

3. In schools where there are a few Christian young people, that they are and fasting one day a week. Obtaining endeavor to organize for prayer and fasting one day a week. Obtaining a room in the school if necessary but where possible using the home of a neighbor or friend.

4. That spiritual Youth Week activities be planned instead of social

and recreational activities.

5. Each young person read one good non-fiction book each year. H. E. Schmul, President

REPORT OF THE COMMITTEE ON RESOLUTIONS

We, the Committee on Resolutions of the Wesleyan Youth of the Allegheny Conference submit the following:

1. That we, as Wesleyan Youth, govern our lives by adhering to the standards of the Bible and the principles set forth in the Discipline, as interpreted by the Allegheny Conference.

2. a. That we, as Christian youth, have a definite plan of daily Bible reading. Bible memorization, and prayer and accept priviledges of carrying a soul burden.

b. That we strive to have each active member of the Wesleyan Youth become a member of the Wesleyan Youth Prayer League.

3. a. That we refrain from reading unwholesome literature such as comics, detective, and True Story or other literature detrimental to our spiritual life.

b. That we build Christian character through careful and extensive

reading of edifying literature.

4. That we take a positive stand against worldliness in that we refrain from the following:

a. Card playing, games of chance, theatre attendance, public beaches, mixed bathing, dance halls (including participation in Senior Proms), skating rinks, circuses, carnivals, fairs, and viewing television.

b. Immodesty of dress and immoral conduct.

c. Worldly amusements and sports.

5. That, due to the problems of modern education, in as far as possible and advisable, we will support our own church schools with our prayers and finances.

6. That our societies be evangelistic in our plan of work by supporting the Sunday School and other church services, by distributing tracts, street car evangelism, street meetings, personal work and pioneer work.

7. That our regular meetings be restricted to a time of spiritual up-

lift instead of a time of eating, drinking, and frivolity.

8. That each society shall appoint a proper chaperon for their group attending the annual convention, who shall be responsible for their conduct and attendance at all services of the convention, and we request the presence of the pastors.

9. That each society have two adult counselors, one of which shall

be the pastor.

That a copy of these resolutions be posted and that they be read in the local society quarterly.

Wayne Carpenter, Chairman

REPORT OF THE CONFERENCE YOUTH SOLICITOR

I appreciate each local solicitor who has sent in his report this past year. I have been able to be of some help. We have had an increase in subscriptions this year, but surely Allegheny Conference young people can do better than we have done in the past. We should be more interested in the WESLEYAN YOUTH now that we have two from our own Conference writing articles each month. This year we have 647 subscriptions. Let's all work together and see if we can't do better next year.

Every Wesleyan youth should be a reader of THE WESLEYAN YOUTH. Along with the other periodicals, it should be in every Wesleyan Methodist home: and as a missionary ministry, local groups and individuals should sponsor the placing of THE WESLEYAN YOUTH in such public places as libraries, doctors' and dentists' offices, railroad stations, and such places. THE WESLEYAN YOUTH should be in institutions as jails and similar places. THE WESLEYAN YOUTH is now the official organ of Wesleyan Youth everywhere. That is why we should want our subscription list to grow, that its ministry may be expanded both among the youth and the adults of our churches, and wherever we may find an opportunity to place it in unsaved homes or in public places.

During the summer and fall months, there is an offer of one copy of "Sunday Evenings With Jesus" Vol. 5, a tested and proven book of program materials, to any individual or local society having five renewal or new subscriptions to THE WESLEYAN YOUTH. The subscription should be sent to Syracuse, but you should also notify the office in Marion,

Indiana, and they will send the free book by return mail.

Pray much that THE WESLEYAN YOUTH may be a medium of evangelism and soul strength for our youth everywhere. Marion Geahry, YOUTH Solicitor

REPORT OF W. Y. PRAYER LEAGUE SECRETARY

The Prayer League continues with a strong emphasis upon four things essential to any strong spiritual Youth Group, namely, Prayer, Bible Reading, Fasting, and Soul Winning. Following the Youth Congress there has been new interest in several churches in the Prayer League. There are now 51 churches participating in the Prayer League with a total membership of 548. This should be much better and it is my sincere hope that in the following year many more will take up this important work.

REPORT OF THE CONFERENCE EFFICIENCY STANDARD CHAIRMAN

We can be encouraged by the interest shown this year in reporting the efficiency ratings. I believe that the Efficiency Guide that was printed and sent out has been of some help and interest. We wish to thank our president, Rev. Schmul, for his help and encouragement, and the Cleveland society for their help with the Efficiency Guide.

Efficiency means efficient living with Christ, efficient thinking, planning and working. Let's do more this coming year for Christ and our

societies.

The winner of this year's "close" race for the efficiency banner is Cleveland, with 89.2%; and next comes Ashville with 89%; and third, Rochester, 87.7%. We thank all for their cooperation and honesty. Ladonna Kopp, Efficiency Standard Chairman

REPORT OF THE COMMITTEE ON THANKS

We, the Committee on Thanks, in behalf of every young person at the Convention wish:

First, to give Praise to God for His presence in our midst. To God be the honor and glory for everyone who has received help.

Second, to express our appreciation to our leaders. Bro. Schmul, Bro. Robertson, and Bro. Kaufman, for their untiring efforts in making this convention possible.

Third, to say thanks to our teachers for the lessons they have taught us. We are sure everyone has benefitted from these classes.

Fourth, to express our grateful appreciation to our speakers, Bro. Roy and Bro. Gale, for each God anointed message they have brought us; and for the light that they have shed on our pathways. May God help us to walk in it.

Fifth, to express our thanks to Dr. and Mrs. Benninger for their informative talks.

Sixth, to express our thanks to our singers, Bro. and Sr. Degenkolb.

We have deeply enjoyed their singing under the anointing of God.

Seventh, to express thanks to the police, who have been so patient and understanding.

Eighth, to say to Bro. Kopp and his many workers in the dining hall,

who have fed us so well: that we enjoyed our very tasty meals.

Ninth, to give thanks to Bro. Chess; who, though perhaps not seen

so much, has worked so hard to keep things neat.

Tenth, to say that the testimony of Bro. Scala was a blessing to all. We know that we must have missed some who have worked in this Convention, but will you just accept our thanks and appreciation and may the Lord bless each one for helping in the Convention.
