### PRAYER LEAGUE

We rejoice that God has still left His people a mighty weapon, aggressive as well as defensive, in the perilous times economically and socially of these last days. Coupled with the challenge to prayer is the promise of audience with God and assistance from Him. "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land." (2 Chron. 7:14.)

It has been the happy privilege of the Prayer League to share the mutual burdens of the workers over the Conference in 40 revival meetings through the year, and also to transmit one request for physical help. Seventeen bulletins, totalling 629 notices, have been mailed by the Secretary at a postage expense of \$7.68.

ROBERT C. TIGAR, Secretary.

### HOLINESS CONVENTIONS

#### District No. 1

The Lord graciously met with us in three good, uplifting, and spiritual conventions this year. The topics were well handled, and the presence of the Holy Spirit was felt in each convention. The first convention at Kansas City, Kansas, was held in coöperation with the other organizations of the Church. We enjoyed a precious time of refreshing and blessing. The evangelistic message, delivered by Rev. H. K. Sheets under the unction and power of the Holy Ghost, resulted in a number of souls going to the altar. The second convention met at Easton with Rev. Childs. The convention met for only the one day, but the blessing of God was upon the services. The third convention, held at Ottawa, Kansas, was

also in coöperation with the other organizations of the Church. God gave us a wonderful convention there. Rich blessings from the Throne of God descended upon us and was manifested not only in the presentation of the topics but in three Holy Ghost led praise services. Truly we thank God for His blessings and for His presence in each convention.

R. E. BRITTON, Chairman.

### District No. 5

The Lord met with us in two good conventions on the Fifth District this year.

In both of these meetings we met with the other two organizations of the Church.

Last fall when we met with the Cedar Church they were in a revival meeting. The revival proved to be a blessing to the convention as the convention no doubt was to the revival.

Our spring convention was held at the Victor Church.

Both were well attended and proved a blessing to those present.

S. M. YONALLY, Chairman.

### MINISTERIAL ASSOCIATION

The Ministerial Association was held at Topeka on April 4th and 5th. There had been a goodly amount of praying, with an equal amount of preparation for the Association. From the very first session the benediction of the Almighty through the seal of the Holy Spirit crowned with glory the hearts of both the ministry and the laity, assembled in the Association.

The general discussions were arranged by the Chairman and his Assistant with the thought of giving consideration to the pastor and his problems. Problems such as pastoral study, visitations, legitimate and non-legitimate enterprises of the community were discussed with profit and inspiration to all. The various auxiliaries of the church, and their relation to both church and community were considered by different speakers, in the light of building a stronger church, and a more noble community in which to live. In the closing session the Holy Spirit assumed complete control by ordering an altar service, in which three seekers found definite victory.

The Pastor, Rev. Ralph K. Sheets, had arranged Evangelistic services for the evening with Rev. H. K. Sheets as Evangelist. The very inspiring messages brought under the inditement and unction of the Holy Spirit came to our hearts as grain upon a freshly watered field, to spring

forth immediately into a most promising harvest, causing us as we returned to our fields of labor, to live in expectancy of added measures of Grace and hearts full of praise as we realized how good it is for brethren to dwell together in unity.

W. S. FREEBORN, Chairman.

### SUNDAY SCHOOLS

The importance of the Sunday School cannot be overestimated. There is no agency more consistently effective in evangelism and Church extension than the Sunday School. The Sunday School opens the door and furnishes encouragement for large groups of laymen to do personal work, house to house visiting, and Bible study. There is a place for all from the cradle to the grave in this organization of the Church.

The marked blessing of the Lord upon the Conference in a deepening and widening vision of our opportunities to push out into the whitened harvest fields is being reflected in our Sunday Schools. Pastors and local Superintendents are more and more seeing the possibilities of larger schools with greater efficiency in organization and teaching personnel. During the year Teacher Training Classes were organized at Willis, Gage Park, and Cedar. The following new schools were organized: Snokomo schoolhouse near Williams Chapel by Rev. A. F. Messer assisted by Rev. Dale Campbell; Hopewell schoolhouse near Excelsior by Rev. J. C. Patterson; Belvoir school in Topeka by Rev. C. U. Hughes; and Freedom school, Freedom, Nebraska by Brother Stevenson.

A series of local Sunday School rallies were planned throughout the Conference which proved helpful in awakening interest in Sunday School work. Two pastors in each of the five districts of the Conference were asked to serve as visiting speakers for these rallies. Thirty three rallies were held representing a total of approximately 1800 miles travelled and a total audience of near to a thousand people in attendance, a large number of whom were active Sunday School workers. The Secretary desires to thank the pastors who coöperated so willingly in making these rallies possible.

While we are interested in every legitimate avenue for further training and development of our Sunday School workers, we would not encourage coöperation with the County Councils for Religious Education where these councils are under the guidance of leaders who are seeking to build character upon the "old man" instead of the "new man." We urge that our schools be spiritually awake, keeping forever as our objective the salvation of young and old within the school. Let us see the Sunday Schools doing their full part in promoting the interests of the gospel through every church in the Conference.

### BOOKS AND PERIODICALS

The total of all that has been written on all subjects and is available for reading today is more than any one person could read in a lifetime. Therefore one is forced to select what he reads even if all were wholesome and desirable, and much is not. Few will find time even to read all that is of the highest and best in Christian literature, biography, history, etc. We conclude that life is too short to spend time reading anything but the very best. We deplore the increasing amount of yellow journalism and would warn against it as poisonous. We do not include the Bible among books in the general sense of the word. The Bible is more than a book; it is The Book. We read it not only for information but for inspiration. It is more than a source of facts; it is the source of Faith. The reading of no other books or periodicals however spiritual they may

## WESLEYAN METHODIST CHURCH

---

be can substitute for the reading of the Bible. We would urge that the Wesleyan Methodist and the Wesleyan Missionary be in every Wesleyan home as far as possible, that parents be especially careful and prayerful in selecting books for the home library, and periodicals which are to come into the home. Parents and Sunday School teachers may do much toward encouraging the reading of our graded Sunday School literature which is of the very best. A circulating library for the local church, containing books appropriately selected is always of great blessing to young and old. Many of those who have been denied adequate school privileges have applied themselves to home study and much reading and have thus compensated in large part for the lack of school privileges.

H. K. SHEETS, Secretary.

### MORAL REFORM

We, your Committee on Moral Reform, submit the following:

We are living in a day of rapid changes, foundations of nations, Church and home are being shaken. Laws are being repealed until it seems they are merely scraps of paper. Lawlessness and crime predominate. Instead of the old time saloon, where liquor alone was sold, we see beer and other liquors delivered over the counter in hotels, cafes, and many grocery stores. Alluring advertisements both of liquor and cigarettes are brazenly placed before the eyes of our youth. Women addicted to both the use of tobacco and liquor are increasing in number. Where the end will be, God only knows unless we, as a Church, raise our voice against these gross sins of the day.

As was said of Esther of old, perhaps it is for such a time as this that we as a people have an existence. God is calling every Christian to arise and shine, stand fast in the faith, and abide by the Word of God. This task of the Church is a large one, therefore we feel that our members should be examples in word, in conversation, and in purity. We urge that our dress be modest without the use of jewelry or unnecessary ornamentation, and that all choir singers wear long sleeves and dresses of modest length.

We believe that all Wesleyan Methodists should be law abiding citizens and exhibit exemplary conduct before their children. In these times when the evils of tobacco, drunkenness, gambling, dancing, and other forms of immorality are sweeping our land unchecked, we should use the power of influence against all evil, and that it be not passive or silent, but aggressive and audible both in denouncing these evils and supporting our officers when they try to enforce the laws which exist.

W. S. HOTCHKISS, Chairman.

### STATE OF THE WORK

We, your Committee on State of the Work, submit the following report:

We give thanks and praises to God for His many blessings and for the victories of the past Conference year.

We are made to rejoice for the advancement made in the spiritual condition of the Conference, and for the spirit of unity and fellowship among the brethren; and for the gracious revivals held throughout the Conference.

Five churches have been dedicated the past year: Abilene, Mankato, Kansas City, Missouri; Clay Center, and Concordia. The Concordia Church was a rededication after an extensive building program was completed. The Ottawa Church has been extensively repaired. Much needed repairs have been made at Topeka, First Church; the Antioch Church has been newly painted; Inglewood has repainted the church and decorated the church and parsonage lawn with a border of Chinese Elms; and some interior redecoration is being done in Willis Church. Plans are being made for a new church building at Phillipsburg also at Gage Park, Topeka in the near future. The Kansas City, Kansas parsonage has been completed this past Conference year. A much needed electric water system has been installed upon the Camp Ground for which all are glad.

A pioneer church has been organized in Salina with a membership of 13. A mission church was organized in North Topeka with a membership of 20; a mission work has been started at Belvoir in East Topeka. The Hollis Church after being practically inactive for 14 years with only two members remaining has reorganized with a membership of 20 and some much needed repairs have been made there. The Williams Chapel Church has been repainted; the Union Valley Church is being revived with a pastor stationed there and the church society is being rapidly built up. A revival was held at Hopewell in the oil fields north of Hutchinson; seemingly this work promises a hopeful field. A new work has been opened at Hardy, Nebraska and God is blessing the band there.

Four new Sunday Schools have been organized the past Conference year.

The Woman's Home and Foreign Missionary Society and Young Missionary Worker's Band are taking advanced ground under competent leadership for which we rejoice.

God is greatly blessing our Young People's Societies of the Kansas Conference and we anticipate a glorious future. We are glad that our Miltonvale Wesleyan College under the leadership of its competent president, furnishes a wonderful opportunity for our young people to secure a Christian Education.

## THE KANSAS CONFERENCE

---

We are looking forward to another year of advancement and glorious victory in the Kansas Conference. We rejoice to see the Camp Ground dotted with tents, and such a spirit of victory prevailing throughout the Annual Camp and Conference.

Respectfully submitted,

F. E. SHIVERS, Chairman.

### VOTE OF THANKS

We, the Members of the Kansas Wesleyan Methodist Conference, wish to express our thanks to God for His gracious presence and help during the past year; for the revivals given, the new classes organized, and His help in building and repairing churches.

We are especially thankful for the mighty manifestations of the presence of the Holy Spirit in the Conference and Camp.

We are thankful to God for the increasing band of Spirit-filled young people.

We are thankful to God for relief from the intense heat.

We extend to our President, F. C. Hill, our appreciation of his faithful leadership and his whole-hearted labors in behalf of the Conference.

We express our gratitude to F. E. Shivers, our Conference Evangelist, for his faithfulness and labors among us.

We thank our Evangelist, R. D. Wise, for his uncompromising and soul-stirring messages which he delivered under the melting influence of the Holy Ghost.

We express our thanks to the Camp Meeting Committee, the workers in the Dining Hall, and those in charge of Abbott Hall.

We thank God for His gracious help in Miltonvale Wesleyan College during the past year, and for the remarkable sacrifice of President Hester and the faculty that has made it possible for the school to continue.

We wish to thank the people of Miltonvale for their hospitality extended to us, also to the business men for their contributions, and to the city officials for their hearty coöperation.

We extend our gratefulness to, and ask God's blessing upon all who have contributed in any way to make the Conference and Camp a success.

LOWELL GILGER, Chairman.

### REPORT OF STATISTICAL COMMITTEE

Your Committee on Statistics presents the following information as gathered from the reports of the churches. There has been a marked increase in almost every department of the Church. The net gain in membership is 74 and the increase in contributions for all purposes is \$12,553.60 more than last year. The average contribution per member is \$38.24. 73% of our churches reported totals for all purposes higher than last year, 70% reported higher pastors' receipts. Three pastors' receipts were above \$1000.00, eight others were above \$750.00, and 14 reported less than \$500.00.

The increase in the property of the Church is \$18,300 while the increase in indebtedness is only \$2,843.15.

The Sunday Schools report a net gain of 371.

Churches filling every item of the Budget are: Belleville, Concordia, Eskridge, Heber, Kansas City, Kans.; Kansas City, Mo.; Topeka, Gage Park. Topeka, First Church raised more than the assignment but did not fill every item.

We come nearer reaching the goal in the Connectional items of the Budget than in the Conference items. The order in which we approach the goal is as follows: Connectional Sunday School Work, Connectional Home Missions, Education, Foreign Missions, General Conference Delegate Fund, Conference Fund, Kansas Conference Missions, Superannuated Ministers' Fund, Hephzibah Orphanage. The increase in Conference Fund is \$120.11 over last year.

There is a loss of 84 in subscriptions to the Wesleyan Methodist. The number reported is 282 or not quite 1 subscription to each five members in the Church.

A. F. MESSER, Chairman.

## REPORTS

---

### PRESIDENT'S REPORT

Dear Sisters of the W. H. & F. M. S.:

Greetings. "The eyes of the Lord are over the righteous, and His ears are open to their prayers." 1 Peter 3:12.

How gracious is the promise, "the eyes of the Lord are over the righteous." We are assured of His presence, His guidance and continuous protection. Whatever our need, "His ears are open" to hear our petitions, whether they be small or great. Our greatest difficulty is to minimize our needs to that degree of thinking they are too small to carry to Him, or we will try of ourselves, thus losing the blessing of sweet communion with our Lord; as well as missing a lesson in faith and trust that brings us to the place where we can "cast all our cares upon Him for He careth for us."

We are just closing a year that has been crowded full of pleasant experiences. The fellowship of the saints in Gospel work in our own homeland has been very precious. The splendid and hearty coöperation of our District Leaders, the friendly notes from the local Presidents and their members have all made the year's work with our organization a real joy.

These are days when the Lord needs a company of consecrated, spirit-filled women; as godly mothers and holy grandmothers to stem this awful tide of loose morals, heathen garbed, careless, worldly flow of the women of our nation. The seething masses rush on caught in the whirlpool of thoughtless, carefree, happy-go-lucky living, and shall we sit idly by seemingly dazed with the awfulness of it, powerless to do, as the enemy has made us think we are in the minority, not very strong as a denomination, and the speed with which this evil has gathered momentum in its downward course we might as well give up trying. Let us not be daunted with this situation. "Is not He that is for us more than all they that are against us?" Shall we lift up our voices in protest and fall on our knees before God in behalf of our womanhood of today! Who will save them if we do not? May God give our women in this Conference a vision of the need of our sisters today is our prayer.

In closing we would exhort you to pray earnestly and continuously that the presence of the Lord shall be most graciously manifest in all of these services, that our minds may be quickened to think divine thoughts and to plan wisely, that our hearts shall be melted together as we seek not personal honor but Christ's glory.

### ORGANIZERS' REPORTS

#### District No. 1

"For all the promises of God in Him are yea, and in Him Amen, unto the Glory of God by us."

The first half of the year we organized two new societies, one at Kansas City, Missouri, the other at Eskridge, Kansas.

We arranged for Fall Convention which was held at Kansas City, Kansas, as a part of a joint District Convention. Also prepared a program for a spring Convention to be held while Miss Jones was in the District. Because Miss Jones was unavoidably delayed, a conflict of dates developed and Convention Programs were not sent out.

## THE KANSAS CONFERENCE

---

We put forth considerable effort to aid in collecting material for Easter Home Missionary Program, but secured little that was really helpful.

We traveled eight hundred miles in organizing the two societies and in visitation with Miss Jones. Out for postage, \$.96.

LOLA SMITH, Organizer.

### District No. 2

We render thanksgiving and praise unto God for His help during the past year.

On October 17 we organized a Society at Abilene. The itinerary of Miss Jones was planned, the climax of which was the Convention held at Wesley Chapel. We enjoyed having this consecrated worker in our home and traveling the district with her.

The quarterly questionnaires were mailed and other necessary correspondence attended to. Postage and mileage, \$3.25.

---

MARY DUNBAR, Organizer.

### District No. 3

O! Magnify the Lord with me and let us exalt His name together."

The past year has been one of manifold blessing and victory, Thanks be to our God.

Our first Convention was held at New Hope. God honored the goodly company who gathered that day in the interest of a great cause.

A special visitation was scheduled for Miss Hazel Jones on each charge of our District. Each society gained a wealth of information and real inspiration from her spirit-filled messages.

God graciously met with us and gave us showers of blessing in the midst of a dust storm on our Convention day. Representatives from each Society having part on the morning program and a very convincing and enlightening address by Miss Jones in the afternoon.

## WESLEYAN METHODIST CHURCH

---

Three consecutive quarterly questionnaires were mailed out to each society. Annual report blanks and efficiency standards were mailed to our thirty-eight respective societies. We received \$5.00 for traveling expenses for Miss Jones. Postage expense, \$1.89.

PEARL FREEBORN, Organizer.

---

### District No. 4

"Fear not little flock for it is the Father's good pleasure to give you the kingdom." Jesus appreciated the day of small beginnings encouraging His disciples by these words. Later He inspired Paul, the first missionary, to write, "Be not weary in well doing, for in due season ye shall reap if ye faint not."

Though our District is the smallest in the Conference and all our organizations have done their first full year of work we are trusting in a great God who has given many precious promises—all of which are "Yea and amen to every one that believeth." By heeding His word, "Be strong and very courageous," we believe He will lead us to great and certain victory.

Three of the four charges have W. H. & F. M. Societies. All four charges have fully organized Y. M. W. B. Societies, two of which were organized this year. One Foreign Convention was arranged for and held with Miss Hazel Jones as missionary. The visitation of all charges by Miss Hazel Jones was arranged for. I mailed twelve letters and three cards, also the quarterly report blanks for the third quarter. I corresponded quarterly with the President.

BERTHA MEYER, Organizer.

---

### District No. 5

"But my God shall supply all your need, according to His riches in glory by Christ Jesus."

The dear women of our district have had ample opportunity to test this promise the past year. Our hearts are filled with praise to Him who never fails as we look back over the accomplishments.

In our Fall Convention, which was held at Cedar, we had a stirring Temperance Rally. Our Spring Convention was held at Victor with an entire day given to the W. H. & F. M. S. and Y. M. W. B. Miss Hazel Jones' presence and talks were a real inspiration to us. We were very conscious of the Unseen Guest in our midst.

We arranged the schedule for Miss Jones' visitation of our District and sent out material to the other organizers for the Foreign Conven-

tion. We also sent out material for the Home Mission program to each local society.

We sent out questionnaires to the other organizers and to each society on our District. Reports from these were in turn sent to our Conference President.

### Y. M. W. B. SUPERINTENDENT'S MESSAGE

Truly it has been a pleasure to work with the young people and children of the Y. M. W. B. I have been made to realize more what an opportunity there is in the Y. M. W. B., an opportunity to arouse a vital interest in missions, to inspire our young people to a close walk with God.

How important it is that we as mothers assist our local Y. M. W. B. leaders by helping our children and young people to become more interested in the work and to save their money for missions.

We thank the Lord for His blessing upon the work during the past year. Four new Bands have been organized and others have taken on new interest.

I have written 73 letters and 10 cards. Postage, \$2.29.

RUTH HOTCHKISS.

### RESOLUTION

Resolved, That all the dues of Honorary Members be counted on Missionary Budget.

---

### MORAL REFORM

In these last days when Church bodies are so generally lowering the standards, we wish to denounce anew the movies, cards and the dance as grossly sinful. We also denounce public bathing places, popular music and popular fiction. Since the prevalence of semi-nudeness among children and young people is destroying all sense of modesty, we beg that our missionary women refrain from dressing their children in anklets, sunsuits and shorts. We urge that, for Jesus' sake, our missionary women refrain from form-fitting dresses and short sleeves.

"In like manner also, that women adorn themselves in modest apparel, with shamefacedness and sobriety; not with braided hair, or gold, or pearls or costly array; but (which becometh women professing godliness) with good works." 1 Tim. 2:9, 10.

VERA G. MACY,  
N. GRACE DAVIS,
