THE KANSAS CONFERENCE

(To be read)

Dearly beloved in the Lord; for as much as devout and holy men, as well under the law as under the gospel, moved either by expressed command of God, or by the secret inspiration of the blessed Spirit, and acting agreeably to their own reason and sense of the natural decency of things, have erected homes for God's ministers, separated to a special ministry in things spiritual in order to fill men's minds with greater reverence for God in His glorious Majesty and effect their hearts with more devotion and humility in His service; which pious works have been approved of and graciously accepted by our Heavenly Father; let us not doubt but that He will also favorably approve our godly purpose of setting apart this building as a home for those called to minister in holy things, and let us faithfully and devoutly beseech His blessing upon this our undertaking, in the name of Jesus Christ our Lord.

Prayer

Regard, O Lord, the supplication of Thy servants, and grant that whosoever shall dwell in this home shall be so yielded and dedicated to Thy service as "Vessels sanctified and meet for the Master's use, prepared unto every good work" to the end that their ministry shall be a heavenly benediction to all they meet.

Grant, O Lord, that whosoever shall enter this the home of Thy ministering servants shall be made to sense Thy presence and as they depart shall be strengthened to walk in Thy Holy Commandments. And that all who minister to the material comforts of Thy servants in this home shall by Thee be richly rewarded.

Grant, O Lord, that all who come to this home for spiritual counsel and comfort, shall by Thy blessing be made to both perceive and know what things they ought to do, and may have power and strength to fulfill the same.

Grant, O Lord, that whosoever shall be joined together in holy estate of matrimony in this home may faithfully perform and keep the vow and covenant between them made, and may remain in perfect love together unto their lives' end.

Grant, O Lord, we beseech Thee, that at the family altar of this home when prayer with thanksgiving and supplications shall be offered that they may receive from Thy hand such things as are requisite and necessary. Also, that as Thy servants study and search Thy Word that divine illumination for life and duty may be given as in Thy infinite wisdom Thou shalt see to be most expedient for them; all of which we ask for Jesus Christ's sake, our most blessed Lord and Savior.

WESLEYAN METHODIST CHURCH

(Appropriate Sermon)

Dedicatory Prayer

O most glorious Lord, we acknowledge that we are not worthy to offer unto Thee anything belonging to us; yet we beseech Thee, in Thy great goodness, graciously to accept the dedication of this home to Thy service, and to prosper this our undertaking; receive the prayers and intercessions of all Thy servants who shall call upon Thee in this home; and give them grace to prepare their hearts to serve Thee with reverence and godly fear; affect them with a solemn apprehension of Thy Majesty, and a deep sense of their own unworthiness; that those who dwell in this home may walk before Thee with lowliness and devotion, with clean thoughts and pure hearts, with bodies undefiled, and minds sanctified, that they may always perform a service acceptable to Thee; through Jesus Christ our Lord. Amen.

WESLEYAN METHODIST CHURCH

Resolutions Concerning Miltonvale Wesleyan College

To the Book Committee of the Wesleyan Methodist Church and to the Local Board of Managers of Miltonvale Wesleyan College and to the members of the Conferences of the Miltonvale Area, we, the Kansas Conference, wish to submit the following recommendations concerning our school at Miltonvale:

Whereas, there is need for a school in our Area that can fully meet the demands placed upon our youth in this generation, and

Whereas, our Local and General Board of Managers have approved a five-year achievement program to build at Miltonvale sufficient facilities for a four-year fully accredited college, and

Whereas, there has been extended to each Conference the privilege of finding attractive offers for the relocation of our school, and nothing tangible has been offered, and

Whereas, Miltonvale, Kansas, has served well as a location for our school for thirty-seven years and its name means much to an Alumni Association and a large constituency, and

Whereas, our school is free of debt, and over \$50,000.00 has been raised in cash and pledges for a building program at Miltonvale, and

Whereas, there is no spiritual, moral or social reason for moving our school elsewhere,

Be it Resolved:

That we give unanimous support to the continued location of our school at Miltonvale,

That we assure the school full support in the five-year achievement program,

That we pledge ourselves as a Conference to a greater support of the New Building Program at Miltonvale as an expression of appreciation for the school's being in our Conference,

That we continue to urge all our youth in the bounds of our Conference to attend Miltonvale College, and

That we will back any honest effort put forth at Miltonvale to provide employment for students, and

That we express appreciation for our retiring President, C. Floyd Hester, for the noble and efficient work he has done for our college through difficult and strenuous years, and

That we hereby pledge full support to our new President, Rev. Rufus Reisdorph, in the great task he is undertaking.

E. A. COATES,
W. S. HOTCHKISS,
E. J. CARRY,
LEO COX, Committee.

THE KANSAS CONFERENCE

Chaplain's Report—Chaplain Martin Cox gave his report.

In the will of God it has been my privilege to spend this year as a Chaplain in the United States Army, ministering to the moral and spiritual needs of the men in service.

At our last session of Conference I was located near Reims, France. Since that time I have been stationed near Marseilles, France; Namur, Belgium; Zirndorf, Germany; and Fort Leavenworth, Kansas.

For all the blessings God has bestowed upon us in this service, and for advancement made in His kingdom, we are humbly grateful.

The joy of being back in Annual Conference—with the fellowship of the brethren and the rich blessings of God—is one for which we sincerely thank God. The prayers you have offered for us during our absence and for our little daughter in her illness are deeply appreciated. My feeling toward the Conference is one of personal unworthiness, for I am sure I do not deserve the good things I have received at your hands.

We feel called of God to a field of service which will take us out of the bounds of the Conference for a time. We sincerely desire your prayers and assure you of our continued interest and prayer.

Labors—Sermons preached, 84; Other Army services held, 144; Civilian Messages, 33; Total number services held, 261; total number in attendance, 5902; number of contacts in Pastoral and miscellaneous activities, 16,815.

Report Blanks—The Secretary and Assistant Secretary were authorized to prepare blanks for the Ministers floor reports.

Appreciation—We, the members of the Kansas Conference, wish to express our sincere appreciation to the retiring President of Miltonvale Wesleyan College. It was through his sacrificial and untiring efforts that our school was maintained through the difficult years of the depression. He has contributed through these years to the spiritual life of our Conference and Church by his keen interest in youth and in their spiritual and mental training. We are deeply grateful to God and to him for the memorable service he has rendered.

Pledge of Cooperation—We, the members of the Kansas Conference, hereby pledge our full support to the new President of Miltonvale Wesleyan College, Rev. Rufus D. Reisdorph. We are confident as to his ability in the training of our youth, and to him we pledge our willingness to cooperate in every way possible to advance the cause of Christian education. We give whole-hearted support to the building program at Miltonvale and will stand back of our school with our money, young people and our prayers.

WESLEYAN METHODIST CHURCH

Memorial Service—Fitting tribute was spoken in behalf of Alfred L. Lange and T. L. Terry, deceased, by the Conference President, E. A. Coates. V. C. Martin led us in prayer asking that God's comforting presence be with the bereaved.

Temperance Hour—The hour of 9:30 Saturday morning was granted for a special temperance hour.

We express our humble thanks to God for His gracious presence and blessing that has been ours during these days of fellowship and deliberations.

Adjourned to the call of the Chair. Benediction by F. C. Hill.

REPORTS

PRESIDENT'S REPORT

Another annual milestone in the progress of the Kansas Conference has been reached. There have been some steep hills to climb, some places that were not smooth, but for the most part the year has been a very pleasant one. We offer our sincere thanks to God for His mercies of grace and providence that have rested upon each and every church in the Conference. We are thankful for the gracious season of revival, for the faithfulness of the laity, and for the vigilance of the pastors and evangelists.

In glancing back over the past three years, we pause to express our appreciation for the kindnesses and courtesies lavished upon us by all. These pleasant contacts have broadened our vision and enlarged our heart. We shall continue to make the rounds by way of the Throne.

May God bless and lead us on triumphantly to new and greater conquests for His kingdom.

FIELD EVANGELIST

To The Members of the Annual Conference: Greetings.

At the beginning of the Conference year the Missionary Board sent us to the Arkansas City charge to assist in a meeting. On this field we remained for five weeks with some gratifying results, but were not satisfied with the net results as the church did not reap as much benefit as had been hoped.

The new field at Chanute being without supervision, the Board stationed us there to look after the work. On this promising field we labored with a small group of faithful saints from Oct. 7 to Conference, August 1, and were made happy to see signs and tokens of the blessing and favor of the Lord. The field promises to be very productive and fruitful.

We are grateful for the cooperation of the Board and the Chanute Church and for the help of the Lord.

EARL J. CARRY.

MORAL REFORM

The Wesleyan Methodist Church of today is living in an age of lukewarmness and compromise. Let us beware lest we also become a part of this age.

Solomon said: "Train up a child in the way he should go, and when he is old he will not depart from it." There are 27,000,000 young people in America today under the age of 25 who have no religious training whatsoever. Let our parents become stirred to these alarming conditions and establish a family altar that children will have a knowledge of the Word of God and early learn the way of salvation.

It is appalling how careless many holiness people have become in their observance of the Sabbath. Let our deeds be only those of worship, mercy and necessity.

As a Church, let us be firm in our stand on the use of tobacco. 68% of the tobacco raised is used by women—many of whom are mothers. This should drive us to our knees.

Let our Christian mothers and fathers set an example of holiness rather than conforming to the immodest styles of the age.

Let us use our own publications and other Christian literature, giving them first place in our homes, and discourage the use of undesirable literature.

We advocate total abstinence for the individual and total prohibition for the State as the only safe, sane and Christian policy to be followed concerning all alcoholic beverages, including beer, fermented wine and fermented cider. Let everyone read carefully and observe the admonition of Sect. 58 in our Discipline. An examination of the political parties of the present day would convince the Christian citizen that consistency

THE KANSAS CONFERENCE

would cause him to affiliate with the Prohibition Party to help it organize and grow.

WAYNE BABCOCK,
WILLARD LLOYD,
VERNELIA CARRY.

STATISTICAL GLEANINGS

Another Conference year has come to a successful close with much for which to be thankful. Your Statistical Committee has prepared a full report for your future reference. We hereby submit some notes of interest.

It is with regret that our loss shows a loss of 50 in subscriptions to the Wesleyan Methodist, but a slight gain in Missionary Magazines and Wesleyan Youths; also an increase in pastors' salaries of \$4.50 per month; a gain in Sunday-school attendance of 60, and two new churches added.

Take heed to budget items. Our report shows all Connectional items except Sunday School are overpaid and all Conference items are underpaid. Our total for all purposes increase was \$28,925.82.

May we, "Forgetting those things which are behind, and reaching forth unto those things which are before, press toward the mark for the prize of the high calling of God in Christ Jesus."

ORVILLE HALL, Chairman.

RESOLUTIONS

1. **Evangelistic Help.** Resolved, That the Camp Meeting and Camp-ground Committee be authorized to engage evangelistic help for the Camp Meeting as far in advance as deemed advisable.

11. **Nominating Committee.** Resolved, That we elect a Committee of five elders, including the President ex-officio, and three delegates-elect, from three churches designated by the Conference to: First, examine all credentials that are in the hands of the committee at the time of its first meeting. Second, nominate all sessional committees and be prepared to report at the first session of the Conference. Third, nominate the personnel of all Conference Boards and report at an early session of the Conference. Fourth, nominate the Committee Chairman for next year. Fifth, nominate the District Chairmen. Sixth, nominate a minister of the gospel to preach the Conference sermon next year.

REPORTS

MORAL REFORM

Since the young people of the Kansas Conference are the Church of tomorrow, we esteem it our duty and privilege to hold high the standards for which our Church stands by much prayer and devotion to God.

Since the sin of Sabbath desecration is so prevalent we recommend that we, as a group of Christian Young People, use our influence against this evil.

We steadfastly put our disapproval upon all worldly amusements such as the dance, movies, unwholesome literature, and any degrading social gatherings, the drinking of alcoholic liquors, the use of drugs or tobacco in any form and all things which tend to lower the morals of our youth.

Also, as we see modernism and other false creeds moving forward with such increasing rapidity we feel that it is time for Christian Youth to move forward uncompromisingly.

VELMA HOTCHKISS,
BOB HUGHES.

SUGGESTIONS FOR W. Y. P. S.

We the Committee on Suggestions submit the following report: We suggest—

1. That we strive for a deeper spiritual society with Spirit-filled workers as leaders.
2. That each District plan a convention at least once this year with their District Leader in charge, inviting the W. Y. P. S. President as guest speaker assisted by the Vice-President. That the Chairman of each convention take a liberal offering to be given to the President to apply on his expense.
3. That the names of weekly leaders be posted not later than two

WESLEYAN METHODIST CHURCH

weeks before each quarter to give ample time for careful preparation of the lesson.

4. That each society be considered a personal workers' club and elect a committee to report the visits at the quarterly business meeting.

5. That the President of each society lead at least one service a quarter.

6. That the Pastor deliver an evangelistic message once a quarter especially for youth, and also be invited to speak to the W. Y. P. S. group once a quarter during it's regular hour.

7. That the President and Secretary of each society prepare and send the Statistical Report to the Conference Secretary so that the Treasurer's books may be closed two weeks before Young People's Conference.

8. That each society sponsor a Youth Revival, the President and Executive Council cooperating with the Pastor, being responsible for securing the Evangelist, advertising, and financing the meeting.

9. That the Conference Executive Council, cooperating with the Camp Meeting Committee, be responsible for securing a separate Young People's Evangelist.

10. That we pay our Delegate's expenses to General Conference.

11. That these suggestions be read at each society at least twice a year.

REV. OSCAR JOHNSON,
CHARLES BOARDMAN.

REPORTS

PRESIDENT'S MESSAGE

In Mark's Gospel we read that Mary of Bethany broke the alabaster box containing sweet perfume, that the treasure might never be used for any other purpose than that of the anointing of Jesus. We also read in the same account that Judas, posing as a practical benevolent man, looks on enviously and says, "Why this waste?"

'Tis true the ointment was precious. It resembled our present-day Attar of Roses, of which 150 pounds of roses are required to make one pound. It represented the work of an entire year for one man. The container which held this precious ointment was a flask of some description which was hermetically sealed, which fact indicated that it must be broken to obtain any portion of the perfume. We do not know what effort or what sacrifice was required on the part of Mary to obtain it, but whatever the cost we see her breaking the box and pouring the contents profusely on the head of her Lord. It was an outpouring that had no reservation, but rather a fountain of love, bent only on expressing itself without regard to cost. How representative it is of the outpouring of life that asks no pay. To reach a constant, flaming love for God, we must be willing to break all boxes in which is bound the very essence of our lives. Sometimes it is a box of some secret, almost unknown, reserve in the will, a half timid, half-tearful holding back of ourselves from some line of duty, some road of suffering, or from some lonely and strange looking path of service. These may often scarcely be perceived, but form deep reservations from a boundless abandonment to God. This is the box to be broken.

Mary lived to see that her alabaster box was a fitting type of the spotless body of Jesus, which was utterly broken; and the spikenard of His life was poured out to the last drop for her redemption. But more than that the very life of the Infinite Christ is poured out through us in the proportion that we are broken.

What great dividends are paid to those who give their all. I am sure your hearts have been awe-inspired as you have studied of the life of Hudson Taylor and his co-workers, as they spear-headed deeper and deeper into the vast recesses of China. The success which awaited them because of their self-denial was an inspiration to their faith. But we have some modern parallels to these lives in the consecrated workers which have manned our Mission Fields in other days and who are on the fields today. May the Lord richly bless these poured-out lives.

There is still the conservative, like Judas, who is shocked at the expense of doing things for God, and wonder at the consecration of God's

THE KANSAS CONFERENCE

holy ones. Yet this pouring out of ourselves is the last and sweetest stage of the Christ-life on earth. It lends fragrance to all with whom we come in contact, and unwittingly our own lives are enriched. When Mary wiped the feet of Jesus with her hair, the perfume came back upon her own head. Those who give the most receive the most. That which is poured out in loving service to God now, will some day settle back as sweet odor upon our heads.

We render thanks to the Father for opening the way for so many fresh recruits to get to our fields, and especially our own Betty Nelle Freeborn. May the rich blessing of the Lord attend her labors in the dark land to which she has been called, and may the Lord lay on our hearts as never before the necessity of keeping near enough to Him that he can use us in prayer and intercession.

Official Acts

I have attended to the duties and correspondence incident to the office. Two missionary news letters were sent out and some assistance was given to the preparation of the State Missionary Convention. We secured Brother Carter to travel the Conference and arranged the schedule for his visitation.

MORAL REFORM

Thus saith the Lord, Stand in the ways, and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls. Jer. 6:16.

Our hearts are stirred by the low standards of morals, the spirit of indifference, the lack of deep soul burden prevailing in many places today. We must stir ourselves to definite action regarding these things ere they engulf us so deeply that we bring disgrace to the cause of holiness we love so much.

Let us as a group of holiness women dress as becometh holiness. Let us be very careful in the selection of our children's clothing, refraining from allowing the wearing of anklets, shorts, slacks, and sunsuits. Let us guard the reading habits of our children, as well as the selection of their playmates. We urge the teaching of obedience to parental authority, and respect for the same, which seems so sadly lacking in so many homes today.

We are appalled by the alarming increase in consumption of beer, wine, and whiskey as well as the use of cigarettes among our American women. We exhort the combating of these evils by every influence, example, and teaching to check this terrible menace to health and morals.

THE KANSAS CONFERENCE

God said, "Remember the Sabbath Day to keep it holy."—WE have drifted far on this line also. We urge strict Sabbath observance by attending the means of grace, by refraining from visiting which takes us from the house of God, and from menial labor.

Let us cultivate a spirit of love among us, striving for the spiritual and moral good of one another, having the "ornament of a meek and quiet spirit, which is in the sight of God of great price."

MRS. MILDRED MACY,
MRS. IDA BRITTON,
MRS. MARY SUNDSTROM,

Committee.

AUDITING COMMITTEE

We, the auditing Committee, have examined the Treasurer's books and have found them correct.
