## REPORTS.

### PRESIDENT'S REPORT.

Another year has gone into eternity. The hour has arrived for another Annual Conference session. The privileges, opportunities and obligations of the year are gone forever. We trust that the mistakes and short-comings are under the Blood and that God will so bless and water the efforts that have been put forth that they may bring forth fruit to the glory of His dear name. While we may not have seen all that we would like to have seen accomplished, yet we have seen victory on every battlefield. And while there are still "fiery furnaces" and "lions' dens," we are thankful that

"The God that lived in olden time  
Is just the same today."

We are truly grateful to God for all that has been accomplished. We have seen many bowing at the altar of prayer and seeking forgiveness or heart cleansing. Numbers have been added to the church, yet when we think of the great God back of us, the "exceeding great and precious promises," and the power of the Holy Ghost all at our command, we feel humbled to think that we have used so little of all that is ours to use. God grant that with renewed courage and faith we may reach out into the whitened fields already to harvest. May the cry of our heart be, "O God, give us the lost of earth."

We have visited and held Quarterly Meetings on every field. Have given a number of weeks to revival work. We have endeavored by the grace of God to preach a full Gospel and build up the Church of Jesus Christ.

### Official Acts.

In December, received the resignation of T. J. Pomeroy as Prayer League Secretary, and asked Rev. Emerson to accept the position.

April 13—Received Rev. A. F. Messer on transfer from the Oklahoma Conference.

August 1—Gave Rev. E. A. Anderson a transfer to the Iowa Conference.

Besides this, we have visited a number of the circuits upon special request; and have endeavored to keep the unity of the Spirit among the churches.

### MINISTERIAL ASSOCIATION.

The Ministerial Association was held this year on the Wesley Center charge. Although the location was not so central, yet the attendance upon the part of the ministers and laity was real good. We had in all eighteen of our ministers present, besides a number of the laity. The Lord gave what appeared to us as one of the very best Ministerial Associations we have ever had. The blessing of God rested upon all of the services and His power was manifested at times in an unusual way. A few sought the Lord. The subjects assigned were well handled and discussed. The interest upon the part of the local community at Wesley Center exceeded our expectation. We had large congregations and the people very kindly entertained all who came. We are expecting these Associations to grow in interest, in results and in power and glory.

### HOLINESS CONVENTIONS, DISTRICT NO. 1.

The Holiness Conventions on District No. 1 were arranged, after a consultation with several of the pastors of the district, as local conventions, rather than as general gatherings at which each charge should be represented. The purpose of this change of plans was to secure a larger local interest and audience as well as benefit. A schedule was prepared for the conventions in which all of the charges could have been reached with a two-day convention on week days during the month of June, only a single evening's program at Easton and Eskridge. On the advice of Brother Travis, the pastor, these two points were omitted from the schedule as carried out. Due to a revival being in progress at Ottawa and the fact that the pastor at LeRoy could not assist during the week, the plans for these two points were also abandoned. The Conventions were held with the Gage Park Church on June 5, 6; Keene, June 7, 8; Willis, June 11, 12; Kansas City, June 14, 15, and at the First Church, Topeka, June 26, 27.

The weather interfered with the attendance at Gage Park and Willis, delaying the Convention a day at Gage Park and almost raining out an afternoon service at Willis. At other points showers fell between services, but not sufficient to conflict with the meetings. Attendance was satisfactory at all of the points, although very small at Gage Park on account of the service being unannounced. The number of different persons in the services were as follows: Gage Park, 12; Keene, 30; Willis, 40; Kansas City, 50; Topeka, 70; or a total of 202. We feel this is more than we could have reached in a delegated Convention in a central point, which central point is hard to find on the First District.

The same program was carried out at each of the points, at least in part, and consisted of preaching services on the two evenings of the Convention, with informal discussion hours during the day's program; one hour being devoted to Bible Study and Doctrine, another to ques-

tions of Present Day Importance to the Holiness Movement, another to the study of the relation of the doctrine and experience of holiness to the various branches of the Church work, and a fourth to the study of the standards of holiness in conduct. These discussion periods were largely presented by the laity of the local churches. Attendance at the day services was not very large and the groups were in the main informal circles.

The District Chairman attended each of these conventions and was assisted by the pastors on the charges in all except Gage Park, Brother DeWitt being unable to remain during the week. Rev. T. Ford, the Conference Evangelist, assisted during the first week of the Conventions and preached at Gage Park and Keene. Rev. F. E. Shivers assisted in the preaching at Kansas City and Topeka, and Rev. A. F. Messer also preached one evening at Topeka. The District Chairman preached at Gage Park, Keene and Willis.

Helpful prayer seasons were had in each of the Conventions and in several places gracious altar services occurred, there being one seeker at the closing night in Topeka, who though not then a finder has since been rewarded in her search.

ROBERT C. TIGAR, Chairman.

### HOLINESS CONVENTION, DISTRICT NO. 2.

As Chairman of District No. 2, I wish to submit the following report:

Our first convention, which was held on the Excelsior charge, was owned of God by greatly manifesting His presence. Some sought and found God and the convention closed with a great revival spirit on. In connection with this convention the W. Y. P. S. of the District had charge of the Sunday afternoon service, which was a blessing to the Church and all who were there.

The next convention was on the Chapman Creek charge. This was a real feast to our people and we were wonderfully helped and encouraged to stand by the old landmarks and earnestly contend for the faith once delivered unto the saints.

Our last convention on the New Hope charge, which was for only one day, was owned and blessed by the Lord in the presentation of the Word of God and the closer fellowship of the saints.

V. C. MARTIN, Chairman.

### SABBATH SCHOOLS.

Salvation in all of its various stages is very closely associated with the Word of God. "Of his own will begat he us with the word of truth." The Gospel is the power of God unto salvation. The "seed" that produces conviction and lays the foundation for faith is the eternal Word of God. It is by the exceeding great and precious promises left us, that we, by faith, enter into that second rest. Our souls are purified "in obeying the truth through the Spirit." We are to grow in grace by desiring the "sincere milk of the word." We are guided by the Word, comforted by the Scriptures and the vigor of our spiritual life is in exact proportion to the time devoted to the study of the Bible.

We hold, therefore, that since the Sunday School exists as the great means of teaching the Word of God that we cannot unduly magnify its importance. The Sunday School should be one of the greatest evangelizing agencies of the Church. The teacher holds in his hand that power, that when rightly divided and spoken with anointed lips, should lead souls to Christ and teach them and train them for Christian service. Our Sunday Schools are largely composed of the young, and youth is not only the memory period, but it is the period when lasting impressions are made and when decisions are made for Christ. Let us not slight this golden opportunity. Let us bear more fruit for God in our Sunday School work. This can be made possible by recognizing more clearly the importance of the Sunday School work and by electing as teachers and officers Spirit-filled men and women. We ought to carry more of a burden for the success of our Sunday Schools and put forth from time to time definite plans for increasing our attendance.

We heartily recommend our Sunday School literature.

Signed,

E. H. COOK,  
MRS. A. E. HARRIS,  
T. B. HOLLOWAY,

Committee.

### STATE OF THE WORK.

Your Committee on the State of the Work submit the following report:

We offer thanksgiving and praise to our Heavenly Father for a year of prosperity and constructive work in our Conference and organized Church societies.

Our pastors and evangelists have been very zealous and untiring in their efforts, and have rendered acceptable and efficient service.

Aggressive evangelism has been a prominent characteristic of the work during the past year. The good seed has been sown and watered with the dews of heavenly grace and God has given the increase.

Gracious revivals have been given in answer to prayer in nearly all of our churches. Many have been saved and sanctified. Spiritual life and Christian experience has been intensified and a beautiful spirit of unity, Christian fellowship and love prevails among us in a larger measure than ever before.

It gives us pleasure to report definite progress, not only in many of our churches, but in the work of our Sunday Schools, our Young People's Societies and in the Y. M. W. Bands.

### BOOKS AND PERIODICALS.

Paul in his exhortation to Timothy wrote, "Till I come, give attention to reading." Fenelon said, "If the crowns of all the kingdoms of the empire were laid down at my feet in exchange for my books and my love of reading, I would spurn them all." Fred T. Fuge writes: "When I entered the Gospel ministry nearly thirty years ago, I had two books, the Bible and a badly worn copy of Sam P. Jones' 'Living Words.' Since that day I have studied nearly two thousand volumes, and as far as I know I have never read one that I would be ashamed for Jesus to go through with me."

What then shall we read? First of all, the Bible. Some one has said, "The Bible was begun in the desert in Arabia ages before Homer sang and flourished in Asia Minor. Millions of books have since gone into oblivion. Empires have risen and fallen. Revolutions have swept over and changed the earth. It has always been subject to criticism and obliquy. Mighty men have sought its overthrow. Works of Greek poets who catered to men's depraved tastes have in spite of everything perished. The Bible is a book of religion and can be tried by no other standard." A knowledge of the Bible is essential to our best culture, refinement, and a guide to everlasting life.

After the Bible, good books and magazines should be found in every home. Cheap, trashy stories should be barred from the home as a viper would be barred. "Twenty-five years ago, when I was a boy," said Rev. J. A. James, a school fellow gave me an infamous book which he lent me for only fifteen minutes. At the end of that time it was returned to him, but that book has haunted me as a spectre ever since. I have asked God on my knees to obliterate that book from my mind, but I believe that I shall carry down with me to the grave the spiritual damage I received during that fifteen minutes." Reading may enrich or ruin.

The Wesleyan Methodist, The Wesleyan Missionary and the Sunday School Banner and Junior Papers are the best for Wesleyan Methodists and should be in every Wesleyan Methodist home. Other religious periodicals should be secondary. Let us read more, let us study more, let us be better informed in all good matters that will elevate, inspire and enrich our work and service for God and the souls of men.

W. R. EMERSON,  
ELIZABETH G. CURRIE,  
E. E. ESTABROOK,

### MORAL REFORM.

Ever since sin has entered the world there has been need for reformation in action and conduct. The modern trend in religion is to seek human excellence rather than Godlikeness. Morality without spirituality is fatal, while reformation without regeneration is the bane of Christianity. The real fight in the world today is to get men to Jesus, "That they may receive forgiveness of sins and inheritance among them which are sanctified by faith which is in Christ."

We believe the Bible to be the only revealed Word of God, and that we as a church should be more zealous in its reading, study, and in teaching it to our children in the home, church and Sunday School. We must fortify our children against the encroachments of modernistic and evolutionary teachings by getting first instruction to them so they may discern truth from error.

We believe that the rules and requirements of the Wesleyan Methodist Discipline as founded on the Bible should be brought to the attention of the people and more carefully and fully followed.

We deplore the seeming growing propaganda to depreciate and defy the enforcement of the Eighteenth Amendment and the effort to nullify or modify the same. And that we as a church should demand, as far as possible, that men and women who seek prominent offices declare where they stand on this issue, that we may vote intelligently.

We still hold that secret and oath-bound societies are a menace to the church and cause of God, and that we prayerfully seek to enlighten whomsoever we may, that they may be delivered from these vanities.

We note with deep concern the manner of attire which calls for extreme forms of fashion among the fair sex of our nation today. May we not exhort the mothers and sisters even as Paul, when he said, "That women adorn themselves in modest apparel, with shamefacedness and sobriety; not with broided hair, or gold, or pearls, or costly array;" "but let it be the hidden man of the heart, in that which is not corruptible, even the ornament of a meek and quiet spirit, which is in the sight of the God of great price."

We view with alarm the awful commercialization and desecration of the Sabbath, and pledge our support to help in keeping this day a day for rest and the worship of God alone. God said, "Remember the Sabbath day to keep it holy."

The masses that are sweeping into the divorce courts of today are appalling. The home as an institution is being alarmingly undermined by this evil. The great economic changes of the day, the weakening of moral responsibility, and the demand for freedom from the marriage

vow are factors working against the home. We recommend that we as a church do all in our power to check this growing evil, by crying out against it, and by instructing our children and young people in the principles and doctrines of righteousness and godliness, to the end that the home, the church and the nation may be perpetuated in the earth.

5. **Sanctity of God's House.**—Resolved, That such work as making quilts and disposing of the same be performed in the homes of the people and not in the houses erected for public worship.

### PRESIDENT'S MESSAGE.

Dear Sisters' and Co-Laborers:—Greetings in the name of our all-conquering Saviour.

Jesus said, "I am the vine and ye are the branches, If ye abide in me and my words abide in you, ye shall ask what ye will, and it shall be done unto you." If we have failed in receiving our hearts' desires the past year, we are forced to conclude that we have failed to abide, or failed in asking. "Herein is my Father glorified, that ye bear much fruit, and that your fruit should remain." The fruit of the Spirit is what the world is looking for in our lives. That is the convincing evidence to a gainsaying world of the worth of our profession, and of the power of Christ to redeem from sin. Love, joy, peace, etc., if found among the members of the W. H. & F. M. Society, will attract a lost world to the Saviour.

The past year has not been barren of results. Some Societies have been strengthened, some reorganized, while still others have been organized for the first time. The findings of our Statistical Committee will show whether or not we have made gains along financial lines; but these, as valuable as they may be, are only means to an end, and that end should be the salvation of the lost, both here and everywhere.

May our passion as a Missionary Society be the redemption of many souls from every tribe and nation, to lay as trophies at the Master's feet.

#### President's Official Report.

Change of circumstances made it necessary to change Convention worker. With the consent of the Executive Board we secured the services of Rev. P. D. Doty, who also visited nearly all of the charges in the Conference. Miss Macy, whom we had hoped to have as Convention worker, is with us this fall.

Ill health caused the resignation of Sister Gertrude Smith as Convention Leader of District No. 3. Sister Mary Mikesell was appointed to fill out the Conference year. My postage and telephone expenses were \$2.07.

Respectfully submitted,

N. MAE CLARK, President.

### Y. M. W. B. SUPERINTENDENT'S REPORT.

Greetings! Another Conference year has rolled by, and how quickly it has gone. One of the themes impressed upon us for the year has been, "faithfulness." "Moreover, it is required of a steward that

## WESLEYAN METHODIST CHURCH

---

a man should be found faithful." We are only stewards. Much is entrusted to us as Y. M. W. B. workers. How have we faced the responsibilities which have been ours? I trust we have met them manfully and with a great faith in our Lord.

The work of the Y. M. W. B. has progressed nicely the past year. We have had splendid response and co-operation, but we need a fresh awakening to grip us. May we pray earnestly for the work and ask the Lord to spur us on and keep us "faithful."

I sent a message at Christmas time through the columns of the "Voice of the W. Y. P. S." Aside from that, have written to each Band and attended to additional correspondence. Have written 30 cards and letters. Postage expense, 75c.

Thanking all of you, I am,

In His service,

MRS. E. H. DUNBAR, Conference Superintendent.

### REPORTS OF DISTRICT LEADERS.

#### No. 1.

Greetings in Jesus' name. As Leader I helped in arranging for and attended a part of the Missionary Convention of the First District, held at Ottawa, March 27-29. Brother P. D. Doty was with us, bringing helpful messages and inspiring hearts.

We are grateful for the co-operation given. Nearly all who were assigned topics were either present or sent papers discussing their subjects.

EDITH TINSLEY, District Leader.

#### No. 2.

I arranged for and attended the Missionary Convention which was held at Morgan Chapel. We enjoyed Brother Doty's ministry among us. We had unusually good sessions the first half of the Convention. The remainder of the Convention was entirely broken into by storm. It was impossible to travel the District on account of weather conditions.

I have visited four Missionary Societies of my District in regular session and every place found hands of loyal women working zealously for the cause which is so dear to our hearts.

I have written 47 letters.

Respectfully submitted,

MARY DUNBAR, District Leader.

## WESLEYAN METHODIST CHURCH

### **No. 3.**

Because of Sister Gertrude Smith's illness, I was asked to undertake the leadership of our District. Because of my inexperience, I assumed this responsibility reluctantly.

The Convention of the District was held at Concordia, April 10-12. We had a good Convention, for which we thank God, and take courage.

Brother Doty was present during the Convention. He also had speaking dates at the Concordia Mission, Gaylord, Wesley Center, Bethel, and Belleville. Because of a revival meeting at Victor, the date there was cancelled. We arranged for a service at Hollis in place of Minersville. Brother Doty reported good interest and offerings throughout the District.

To Christ be all the glory,

MARY C. MIKESELL, District Leader.

### **No. 4.**

The Missionary Convention was held at Excelsior April 19. Brother Doty, our returned Missionary, visited Langley the evening of the 17th and gave us a good talk on the Missionary work. On the evening of the 18th we drove to the Excelsior charge. A nice crowd was waiting to hear Brother Doty, and the next day we had an all-day program. The Lord met with us in our devotions and continued to bless and help throughout the day.

VERNA HINCHSLIFF, District Leader.

---

### **DISTRICT CONVENTION LEADERS' REPORT.**

The District Convention Leaders submit the following:

That we invite Sister Macy to be our Convention worker for the coming year, and the time and place of Conventions be as follows: District No. 1, Gage Park, April 3-5; District No. 4, Langley, April 10-12; District No. 2, New Hope, April 24-26; District No. 3, Bethel, May 8-10.

Signed,

Unto Him who is worthy we would offer praise and thanks for His innumerable blessings during the past year.

We would render unto God praise and thanksgiving for the inspiration our Sister Vera Macy has given us by her presence and addresses during this session of Conference. Also, for Brother McCarty's help and instruction in this great work.

We would not fail to give thanks for the lives and labors of our faithful workers in the homeland, in the local Missionary Societies, also for those who give their lives in editing our Magazine.

We desire to thank the Camp Meeting Committee and the people of Miltonvale for the generous way you have supplied our need. May God bless and encourage your hearts during the coming year.
