CONFERENCE PRESIDENT'S ANNUAL REPORT

To the representative of our Denomination, Rev. C. Wesley Lovin, brethren in the ministry, lay members of the Conference, and visitors, we greet you in the name of the Lord at this opening of our 70th Annual Conference. It is in the providence of God we have been permitted to meet during Canada's Centennial for another Conference on the grounds of Silver Lake Camp. We join the sincere and devoted members of this body in gratitude to God for His many blessings and unquestioned protection and guidance through another fiscal year. The words of the great Apostle express well our thoughts today, "I thank God for you Christians... My constant prayers for you are a real joy, and they bring back to my mind how we have worked together for the Gospel..."

Nine years ago when we assumed the leadership committed to us by you it was with no small degree of fear and trembling, knowing well our limitations in time, talent, and wisdom. Through the years we have come to realize that it is not the sole responsibility of any one person, but rather a responsibility which rests upon each of us. Words are inadequate to express my feelings of gratitude to you, my brethren, for your patience, your love, your many kind words of appreciation, and your sincere co-operation in all efforts projected and promoted in carrying on the Conference program. In addition I would publicly offer my thanks for the help received from the General Office, and in particular from the Rev. C. Wesley Lovin, Executive Secretary Church Extension and Evangelism; from Rev. M. E. Summers, Conference Vice President; and from all Conference officers and officials.

Reflection upon the last year reveals both advancement and reterachment.

ADVANCEMENT is evidenced in our **OSHAWA PIONEER PROJECT**. Under the efficient leadership of the pastor, Rev. W. W. Jewell, services were started last October in the Community Centre. In January the newly formed congregation moved to the Hillsdale School. A number of setbacks were experienced by the moving away of 3 or 4 leading fam-

ilies. Notwithstanding these setbacks the congregation continues to grow. If the number present for the ground breaking ceremony of the new church is any indication of interest, then we bespeak for the Rev. and Mrs. Jewell, and the present nucleus, a challenging year. We now have erected on our church property a commodious brick parsonage with attached car port and plans are well under way for the completion of the first unit of the church by the end of this year.

In the NORTH BAY AREA two small congregations presently being pastored by Mr. Ronald Shepstone, have expressed a desire for an associate relationship with the Conference. This request has been granted subject to confirmation by this Conference, and an associate church agreement accepted by the congregations mentioned, and the Conference.

While serving full time as manager of the Canada Bread Company in the North Bay area, Pastor Shepstone has found time through the year to conduct Sunday and week night services in the Nipissing Junction and Callander areas with a good measure of success.

A visit in November to HUDSON HEIGHTS, QUEBEC, was a memorable occasion. In company with the Rev. M. E. Summers, the day was spent with Mr. and Mrs. Laurie Summers, who for sometime have conducted Sunday School and Bible Study classes in the recreational room of their home in this Montreal suburb. The service rendered by the Summers family, who have recently moved, will not go unrewarded. It is hoped the work will be carried on by others of our people in the area, and that in time we can reach our ultimate goal of another Wesleyan work.

In POWASSAN there is a real need for a new parsonage. The faithful and loyal people of the church are well aware of this situation and are presently obtaining prices on the cost of building a house, moderate in design and yet adequate to meet the need.

Through the year the value of a number of our church properties has increased as a result of improvements.

At INKERMANN the interior of the parsonage has been painted and papered and a furnace room added to the rear of the church to house a new heating unit. The church building has been redecorated.

Much work has been done on the ARNPRIOR CHURCH PROPERTY which includes a new furnace for the parsonage, new pews for the church and a considerable amount of redecorating.

The WALTHAM PARSONAGE and grounds have also been improved thus enhancing the general appearance.

At WINCHESTER a number of changes and renovations have been made on the church, parsonage and camp grounds. These include a new dormitory for summer use during camp.

A general "paint up" has been given the BELLEVILLE CHURCH PROPERTIES. This, with some new landscaping and a paved driveway greatly improve the general appearance.

Our PIONEER CHURCH IN TRENTON continues its healthy and normal growth. To maintain an increasing average attendance is not an easy task, due to the number of family transfers from this air base town. The church is faced with the challenge of ministering to the many needy families who find, for a time at least, a home church away from home. The assistance of Mrs. Spearman and the help given by Rev. N. White

make it possible for us to assume the work of this pioneer pastorate.

RETRENCHMENT, for the present, is evidenced in our OWEN SOUND PROJECT. An average of one midweek service each month was held during the year in anticipation of beginning Sunday services this fall. In preparation for the opening of this new work an option to purchase a church building from the Christian and Missionary Alliance was unanimously approved by the Board of Directors and Conference Trustees. Due to spiralling costs in new church building, the Christian and Missionary Alliance found it impossible to give vacant possession of their present building this year. This has naturally meant a withdrawing of our option and delaying action for the time being.

Listed AMONG THE HIGHLIGHTS of the year I would name the Leaders' Conference held at Marion, Indiana, which was attended by Brother Summers and myself; the Annual Ministerial at Houghton College attended by a number of the pastors; our own Conference Ministerial and S. S. Convention, which proved to be a real inspiration and encouragement to all; the almost unanimous vote among the churches of the Conference for Merger with our Pilgrim Holiness Brethren; and the Conference-wide Day of Prayer and Fellowship for the pastors and their wives.

While our accomplishments for the year are measurably insignificant in comparison with the immeasurable task before us, yet there have been gains and for these we give praise first to God, and secondly to you, our pastors, and to you our laymen, for your devotion to God and your labours of love. Whether I serve as your Conference President for another year is in the Divine Providence of God. But whether I serve in this capacity, or not, let us join hand and heart to make this Conference year one of marked progress both spiritually and numerically. May God help us our "calling to fulfill", and may God grant to each of us a mighty outpouring of His Holy Spirit.

RECOMMENDATIONS

1. That we make provision whereby an Independent church or churches may have associate relationship with the Conference.
2. That we give consideration of assistance with the Conference and Denominational Budget Assessment of pioneer churches for the first three to five years depending on the amount of indebtedness being carried by the pioneer church.

REPORT OF CAMP CHAIRMAN**

As your Camp Chairman I thank you for the privilege of serving in this capacity during the past year and now attempt to report on the responsibilities assigned.

Yet I would first like to offer praise to our magnanimous Lord for the potential entrusted to us in this Camp and then thanksgiving for the enablement and realization of this potential He made possible this past year. Most of that realized was effected through dedicated human instrumentality, particularly our Camp Committee, with our Dining Hall Manager, Rev. W. A. Smith taking the lead, followed by others in key positions, who have shown the same vision, generosity of soul, and practical sacrifice. To these we are especially indebted.

While this past year has seen much planning for the future, yet much has been done toward the actual development of our grounds as well. I am sure you have noticed the new road to the east end of the grounds. While not quite ready for full use, we have the gravel on hand to finish it and hope to complete it this fall. This will not only afford shorter and easier access to that portion of the camp, but open up 30 to 40 additional cottage lots. These are needed, as nearly all, if not all, of those opened up two years at the west end have been sold. It is our intention as soon as we are financially able, to put the water line on the new road. We are not sure just when this will be, as the increased load will in all probability mean another pumping system as well.

It had been our aim to have plans for our latest project, the Camp Centre, completed before Conference, but our building program at Oshawa, plus other duties, prevented this. The rough layouts are ready, and the complete plans, which anticipate a chapel-recreation area with stone fireplace, washrooms, office and storage space, should be completed this fall. While accurate cost estimates have not yet been prepared, the building will probably cost in the neighbourhood of \$8,000. I would like to see this project pushed financially this year that we might be able to get this badly needed building under construction next year.

Several interested individuals have suggested another project; the erection of a motel-type accommodation, the units of which would be sold to individuals for their personal use. If we could get at least five subscribers to this type of a venture, we could get additional facilities without any capital expenditure by your camp committee. Again we have fallen short of our hopes, for we wanted to have drawings ready to present at this gathering. Rough sketches have been made and show a building of concrete block construction with units about 14' by 16' and include a two piece bath. It is anticipated that we could erect these for about \$800 per unit, ready for occupancy.

We have done a great deal of maintenance and improvement on existing facilities this year and this coupled with rising costs in every area, particularly, food, have really imposed some financial pressures. However we have held our prices to that of the past few years, except for our Junior Camps. A deficit of several hundred dollars in these camps last year forced us to make a modest increase, but we are still in line with most camps and below many. Only a continuing, and even increasing gen-

erosity on the part of God's people will forestall an increase next year.

In closing may I submit, on behalf of the Committee, a recommendation that we continue the same budget assessment of \$.50 per member for Camp and Conference Entertainment.

Submitted in humble gratitude for the privilege of service to God and His church in this area, and with thanksgiving for all the splendid assistance and cooperation.

Walter W. Jewell, Camp Chairman.

CHRISTIAN YOUTH CRUSADERS ANNUAL REPORT

Greetings in the name of the Lord Jesus Christ, on behalf of the
 C. Y. C. Programme.

C. Y. C. has flourished since its beginning three years ago.

The Lord has blessed during the year and our membership has shown
 a gain of 15.9% over last year. We have an increase in Registered C.Y.C.-
 'ers and Directors in the Conference.

There are three churches which have registered groups: Belleville;
 Trenton; and Brockville. Toronto has recently formed and will register in
 September.

Total registered C.Y.C.'ers: 83 an increase of 24.

Total Certified Directors: 17.

Breakdown of C. Y. C. groups: Heralds: 48; Cadets: 28; Crusaders: 7.

Our list of top award winners is also on the upward climb. These
 children have worked hard and consistently to earn their award, partic-
 ularly in Brockville, where two accomplished two years work in one, to
 qualify. Congratulations to each one! We trust the Lord will continue to
 help our girls and boys, and they will all come to serve Him daily.

The C. Y. C. Awards were given as follows:

The R. S. NICHOLSON AWARD:

Shelly Hobbs, Belleville

Wayne Hobbs, Belleville

The O. G. WILSON AWARD:

Stephen Elliott, Belleville

Linda Clow, Brockville

Robert Shackles, Brockville

C. Y. C.'er of THE YEAR:

Miss Linda Clow

Truly this has been a rewarding year in the work of C. Y. C. May I
 quote one of our directors, "I know it is only what is done for Christ
 which will last." This should be our motto in working with our youth.
 C. Y. C. is an outstanding opportunity for winning our youth to Christ.

I would urge our directors to keep up the good work.

I would challenge our pastors to become directors, and then activate
 some of their workers to be on fire for the Lord in C. Y. C.

I would suggest for the future: An annual meeting of directors at Conference. Also that a Conference level award be set up for the C. Y. C.-er of the year.

Prayerfully submitted,
Vivian G. Cowan

According to the Statistical Report of the Conference, the number of persons tithing stands at 341. No doubt, the actual number of persons tithing is much larger than the above figure, due to the fact it only reflects membership who tithe.

Our financial stewardship needs to be continually emphasized by giving the Scriptural teaching on this matter. In the weekly church bulletin, in the section where the "order of service" is outlined, the pastor may insert something like this: OFFERING—GOD'S TITHES AND OUR OFFERINGS. This will serve as a reminder of our responsibilities.

J. H. Walker, Tithing Secretary per F.S.I.

CARD CALL

The Denominational Card Call Plan is a worthy branch of the General Church Extension and continuously churches and congregations are receiving substantial help throughout the Denomination.

With all of our churches participating and boosting this Plan greater benefits can be derived and more new churches be permitted to spring up across the land to the glory of God and the saving of souls.

Card Call participants this year consist of 110 members.

Willis D. Mack

GENERAL EVANGELIST

To the Central Canada Conference of the Wesleyan Methodist Church now in session at Silver Lake Camp-Grounds,

Greetings:

The following is a brief report of our activities during the past year.

First, we would like to say that we have deeply appreciated the privilege of touring our conference in the interest of missions. It was a real inspiration to meet the pastors and people on the different circuits. We feel we have learned to know and appreciate our people so much more.

During the year we have conducted meetings in: Indiana, Penna., Florida, Georgia, Kansas, Ontario, Quebec, and Manitoba. At present we are in a Camp in Sask.

We are happy to report that we have had some very fruitful meetings during the year. God has helped in a wonderful way, and many folk have testified to receiving definite help.

We are extremely sorry that it has not been possible for us to attend

our conference. We trust all of you will remember us in your prayers.

And now for a brief statistical report:

Number of sermons preached	186	
Number of stories told:	79	
Money received:		\$3,897.51
Records sold:		\$406.50

Humbly submitted,
Evangelist Wilfrid E. Moutoux

WESLEYAN MEN**

Toronto, Ontario,
July 21st, 1967.

Central Canada Conference
of the Wesleyan Methodist Church
of America.
Greetings:

The Director of "Wesleyan Men" reports to Central Canada Conference.

This is our Fifth Annual Report, and it might appear as if the progress of organizing local groups is very slow but we are thankful for the two organized groups as well as the prospect of further advancement with more groups.

Toronto and Belleville have made effort and with aid from two Churches where there is no organized group, we helped support Billy Davis to the extent of over \$600.00. Billy successfully completed 2nd year college.

Conference last year had asked the Churches to give toward the second Memorial Cottage, however, the treasurer reports only \$50.00 given during the year to this worthy project.

A small "built-in" cupboard complete with stainless steel sink was made and installed, ready for this year's use. A walnut bed and dresser were added to the Memorial Cottage also.

We have on hand for the second Memorial Cottage:

2 beds complete
Arborite table and four chairs
1 aluminum door
\$307.64 in the Bank

Recommendations:

- 1 It is recommended that assistance be continued to help with Education of Billy Davis—all Churches participating.
- 2 It is further recommended that each Church raise funds for the second Memorial Cottage so that it may be built at an early date. Approximately \$1,000.00 will be needed for this purpose.

Respectfully submitted,
A. F. Pinch

Report No. 29.

Report of THE COMMITTEE ON CHURCH RECORDS as appointed by the Central Canada Conference Ministerial Institute, Meeting at the Trenton Wesleyan Methodist Church in February, 1967.

The Committee was asked to review the subject of local church records and to report to the 70th Annual Session of the Central Canada Conference with recommendations for standardized procedures and record forms.

The Committee composed of the Reverend Walter A. Smith, Chairman, and the Reverends Frederick S. Irish and Eldon F. LeRoy, met in the parsonage at Madoc, Ontario, June 12, 1967, and submit the following recommendations:

1. We call to your attention the responsibility of the local church toward the Annual Conference as seen in the Wesleyan Methodist Church Discipline, 1963 Edition, under Paragraph (60) sixty, subsections (1) one and (6) six; and also paragraphs (223) two hundred and twenty-three, and (228) two hundred and twenty-eight. These paragraphs state in part that the "local church is subject to such rules as the Annual Conference shall judge necessary", and also require that the local pastor shall report the work of the local church on the report form called the "Statistical Report."

Further, in reference to the responsibility of keeping accurate records in the local church, we call to your attention the instruction as outlined by the Wesleyan Methodist Church Discipline 1963 Edition, under paragraphs (131) one hundred and thirty-one, the last sentence of paragraph (134) one hundred and thirty-four, paragraph (138) one hundred and thirty-eight; the last two sentences of paragraph (162) one hundred and sixty-two; paragraph (166) one hundred and sixty-six; and paragraph (168) one hundred and sixty-eight.

Therefore we recommend:

(a) Inasmuch as the records of the Quarterly Conference and the record of all births, baptisms, dedications, marriages, funerals, and membership of the local church have a historical and legal value that necessitates their being correctly kept and carefully preserved: that the local church clerks and secretaries use the utmost diligence to secure the accuracy and the safety of their records. Further, that since church records belong to the church, minister, officials or individuals should not alienate them or in any way assume personal control of them.

(b) Inasmuch as there is a need for standardized methods of keeping records in the local churches of the Conference; that all organized and pioneer churches of the Central Canada Conference be required to adopt such record books and procedures as shall be approved by the Conference from time to time; and that in addition to those requirements for organizing a local church as stated in Paragraph (111) one hundred and eleven of the Wesleyan Methodist Church Discipline, 1963 Edition, such local church be required to show proof of having provided for such record books and procedures as the Conference shall from time to time approve.

(c) In order that the Conference may enforce the keeping of approved record books and procedures; that the local church membership,

birth baptismal, marriage and funeral records, together with the Quarterly Conference Minutes, at the time of the Annual Conference, be made available to the Pastoral Relations Committee for inspection; and if necessary, in the case of inadequate or poorly kept records that the local church be brought under discipline by the Committee on Pastoral Relations.

2. Inasmuch as procedures for keeping records on the local level are left up to the varied expressions of individuals, we believe that the following procedures will be helpful to all and so recommend that they be adopted for use by the clerks, secretaries, and pastors, of the local churches of the Central Canada Conference; and that copies of these procedures be available from, and circulated as required, by the Conference Secretary.

(a) The clerks or secretaries shall keep full and accurate minutes of the proceedings of all meetings.

(b) The minutes shall be written in ink in a legible hand, or typewritten, or printed.

(c) The pages shall be numbered, and the number of each page written or printed at the top of the page.

(d) Every page shall be signed or initialed by the secretary.

(e) The record of each local organization, committee, board, or quarterly conference be signed by the presiding officer and the secretary.

(f) The time and place of each meeting shall be fully stated in words and the date of the meeting shall be indicated on the margin at the top of each page.

(g) The minutes shall state by whose or what authority the meeting was held, as for example "at the call of the chairman," "the first quarterly Conference," or as the case may be.

(h) The opening of the meeting with prayer and the closing of the meeting with prayer, or/and the benediction, shall be recorded in the Minutes.

(i) The name of the presiding officer shall be recorded, and in the case of Quarterly Conference meetings, official boards, committees, and auxiliary organizations, the names of members present.

(j) The items of business shall be briefly indicated by paragraph headings or marginal notes, for ready reference as seen for example in the 1966 Conference Annual Journal.

(k) Care shall be taken that all numbers are distinctly written.

(l) All written reports shall be numbered chronologically by the secretary.

(m) All erasures, cancellings, interlineations, or other changes shall be initialed in the margin by the secretary.

(n) No unnecessary vacant space shall be left between the minutes of successive meetings. If any such vacant space be left, it shall be ruled in plain lines from the writing to the bottom of the page.

(o) The use of initials for organizations and other abbreviations should be carefully avoided.

(p) The record books of the local church, when no longer regularly needed, along with any documents of historical value, should be deposited for safe keeping with the Conference Record Clerk.

3. In order to provide a Standard size and quality Minute binder for use in the local churches of the Central Canada Conference, we recommend the following:

"a) That Locketts Sterling Line No. 7718 (seven thousand seven hundred and eighteen) Post binder book, size $9\frac{1}{4} \times 11\frac{7}{8}$ (size nine and one quarter inches by eleven and seven-eighths inches) with post size $5/16$ " (five-sixteenths inch) be the Standard Minute binder for each local church. These can presently be purchased at \$8.80 (Eight dollars and eighty cents) each, on a dozen lot purchase, in Belleville. They list at \$11.00 each (eleven dollars).

(b) That 20 (twenty) pound Bond sheets be purchased for use in these binders and prepared as the Conference shall order. These may presently be purchased at the rate of \$8.00 per thousand in Belleville.

(c) That such as Number 2206 (Two thousand two hundred and six) Accopress Binders may be purchased for 87 cents (Eighty-seven) at O'Neil's in Belleville, for use in storing quarterly reports not to be incorporated into permanent minutes.

4. Inasmuch as the financial reports of church treasurers are summarized in the yearly report, we recommend that the quarterly reports of church treasurers be kept on file, only, during the year, and disposed of as the local church or Conference may direct after that time when they are summarized in a yearly or annual report of that treasurer.

5. In order to expedite the purchase of binders and paper by the local churches, we recommend that the Conference Secretary be empowered to purchase and distribute the binders and papers as may be required, and that funds be made available as the Conference may direct so that he may be able to do so.

6. In order to provide for systemized reporting and record keeping, we recommend that the Conference Secretary provide Binder Sheets as in the following manner:

(a) a plain white unruled Binder sheet for use to record by typewriter or written by hand, the minutes of the meeting, or the pastor's report, the minutes of a committee, etc.,...

(b) a printed Binder sheet for general treasurer's reporting such as shall hereafter be called Form CCC 1000.

(c) a more detailed Binder sheet to systemize treasurer's reporting and shall be hereafter called Form No. CCC 2000.

Signed:

Rev. W. A. Smith, Chairman

Rev. F. S. Irish

Rev. E. F. LeRoy

Report No. 31.**JUNIOR YOUTH CAMP, JULY 1 - 8, 1967**

Seventy-five Junior Campers representing seven different denominations and twenty-one staff members attended the seven day Junior Youth Camp, July 1 - 8, 1967, at the Silver Lake Wesleyan Methodist Camp Grounds. Approximately two-thirds of the registered campers were girls. Twenty-five of the campers, who were locally registered Christian Youth Crusaders, were awarded Camp Cadet Pins.

Registration receipts were \$1,238.00; refunds of \$24.95 were granted leaving a balance of \$1,213.05 in receipts for registration only.

We thank the Lord for the spirit of unanimity that prevailed throughout the camp. Several important victories were registered for the Saviour and a high percentage of the children went back knowing Christ in a different way.

In the five classes of instruction, three different courses were presented from the curriculum series, "A Bible Exploration of The Christian Youth Camper," which is being used on the rotation method each year.

Our personal and public thanks is herein expressed to all the Junior Youth Camp Staff for their willing co-operation, prayers, and devotion to the Saviour. Continue to pray for the children who may have returned to home with an unsympathetic spiritual atmosphere.

Respectfully submitted,
Eldon F. LeRoy, Director.

Report No. 32.**INTERMEDIATE CAMP DIRECTOR'S REPORT**

It was with some uncertainty that I approached Intermediate Camp this year. The pre-registration was very low and there were still a number of needs for staff. But the overall results were gratifying. In spite of the fact that the enrollment of camps across the province took a real drop this summer, we did have a registration of 44. There were needs for staff, but the overall program seemed to go very well.

There had been some serious consideration of dropping this camp because of the shortage of staff. However, the response this year has been encouraging and we trust it will be a continuing one. It would be a real backward step if we were to drop this camp. This 12 to 15 year age group is one of the most vital for our church and nation. Let us give our best to serve our church and nation by striving to reach this age for Christ.

Sincerely submitted,
Fred Gordon

Report No. 33.**THE HOUGHTON TRUSTEE AND EDUCATIONAL
SECRETARY'S REPORT**

During this past year our conference has had a very good representation of students attending Houghton College. The overall enrollment continues to climb slowly and is now about 1135. In its endeavour to increase its outreach and service Houghton College plans to start construction in

1968 on a new Science building which will cost about one and one half million dollars. Also the feasibility of starting construction on a new students center is under consideration, as well as another girl's dorm. It is very possible that next year we may see three large scale construction projects in progress at the same time on the campus. Houghton needs our constant support in prayer and finance.

Along with Dr. Dow, I would like to express appreciation for the opportunity of serving you on the College Board of Trustees. It has been both a blessing and an inspiration.

Sincerely submitted,
Frederick K. Gordon

Report No. 35.
REPORT OF COMMITTEE ON THANKS

"Thanks be to God, who giveth us the victory, through our Lord Jesus Christ." I Cor. 15: 57.

As the 70th Annual Conference of the Central Canada Conference draws to a close, the words of the apostle Paul express, I'm sure, the sentiments of all of our hearts, as we review the past year and look upon all that the Lord has accomplished in our midst. Surely His presence has been with us, and His power has been manifested in many ways. We realize afresh that truly we are co-workers with God and that "with God all things are possible."

To our Denominational Representative, Rev. C. Wesley Lovin, we are indeed indebted; his messages have challenged our hearts anew to "face

the problems of the present age"; his words of wisdom have given guidance in matters of business whenever it has been needed; his clever wit and humour and his beautiful southern accent have kept us alert and have helped to make tedious reports more palatable.

To our Conference President and his wife and to all the conference officials, who have laboured so faithfully, we express our sincere appreciation.

To the camp Chairman and his committee may we express our gratitude for all the work of preparation necessary to make a camp and conference possible. They have given of their time unstintingly.

Upon Miss Florence Glass, our missionary representative, we pray God's richest blessing, as she seeks to carry the gospel message to those in far-away places.

Rev. Wesley Nussey in his educational address has made us all more aware of the work and needs of Houghton College and Academy. We appreciate his coming into our midst.

To those from the different churches who have led in the singing, and have provided special music, we express our thanks; their ministry has been both inspirational and enjoyable.

We are looking forward with anticipation to the music of Bro. and Sister Neff. We know that the Lord will bless their ministry among us.

To all the Fraternal delegates from other denominations and visitors, especially those who are soon to become one with us as a denomination, we thank you for your presence, and trust that your stay here has been pleasant and profitable because of the presence of the Lord.

Not the least of those to whom we give our thanks is the staff of the dining-hall under the capable management of Rev. W. A. Smith. Mrs. Halladay and her staff have done an excellent job in supplying our physical needs.

In closing we express our gratitude to each pastor, delegate, and official who has helped to make this a successful conference.

May each one of us who has been privileged to be here, return to our several churches and to our daily tasks with a new zeal to serve the Lord, a new vision of what God can do through us, and a new determination to "serve the present age" in whatever capacity God would have us to serve, "looking unto Jesus, the Author and Finisher of our faith".

Respectfully submitted,
(Mrs.) Laura E. Smith.

RELIGIOUS SERVICES

The Friday evening service of our Annual Conference was opened by the singing of "Send the Light" and "Bringing In The Sheaves", led by Rev. Harvey Atkinson. Mrs. Ruth Irish led in prayer followed by the reading of Psalm 2 by Mrs. Eleanor Spearman. The congregation were led in the singing of the hymn, "Ready". Announcements were given and the offering was received for Miss Glass. Mrs. Bailey, W.M.S. president of the Middle Atlantic States Conference played the organ for the service. Mrs. Laura Smith and Mrs. Phyllis Smith sang a duet "Shall I Find Any Star". The Rev. Wesley Lovin brought the message encouraging us to pray to use our energies to the greatest advantage before our missionaries have to

leave. We were challenged to expand at home so we can expand abroad. His text was Acts 1:8. We have three needs in expanding the kingdom: man power; money power; Holy Spirit power. Following the service Miss Glass showed pictures of Haiti. Offering received: \$53.87.

The Sunday afternoon service of the Annual Conference was opened with the singing of "I Love To Tell The Story" led by Mr. and Mrs. Larry Neff. Miss Glass led us in prayer followed by a duet by the Neffs "He Knows Just What I Need". Miss Glass brought greetings from Haiti. Mrs. Spearman reiterated what the WMS had done in the past year to help Oshawa. She said the offering today is to be half for Mrs. Bogart's support and half for property taxes in Oshawa. We were led in the singing of the chorus, "Everybody Ought to Know" followed by a duet from the Neffs, "Thy Perfect Will". Rev. Warren Woolsey, returned missionary from Sierre Leone spoke to us on the history and present day conditions in Sierre Leone. I. Cor. 16:9 was the scripture chosen. He stated that Sierre Leone was discovered and colonized in 1462 by Portugal for humanitarian and evangelistic purposes. Independence within recent years did not hinder mission work—in fact it bettered it for U.S. missionaries. He challenged us to pray that political stability be achieved. The work is going forward in that the conference has nearly doubled since 1960. Our meeting closed with the singing of "Send the Light" with dismissal by Rev. R. L. LeRoy.

Offering received: \$227.00.

W. M. S. PRESIDENT'S REPORT

To the forty-seventh Annual Conference of the Womans' Missionary Society of the Wesleyan Methodist Church: Greetings in the Name of the Lord, who said, "Lift up your eyes, and look on the fields; for they are white already to harvest." With the Lord's guidance and your cooperation we are thankful that each Society has progressed to make another year history. Have we done our best to gather "Fruit Unto Life Eternal"?

The Rev. and Mrs. Wilfrid Moutoux toured our Conference from May 16-31. They presented a most interesting account of the work which they gleaned while in India, a part of their recent World Tour. We feel these tours have provided us with a better insight of the work on the mis-

sion field. And tentative plans are being made for the Rev. William Morgan of South Africa to visit the Conference May 22 to June 9, 1968.

During the year we have corresponded with the Presidents of our Societies, and passed on to them information received which we felt would be helpful. Upon invitation we visited and spoke at Belleville, Brockville, Madoc, Winchester and Inkerman. (jointly at Winchester)

On July 14, 1967 the Lord called Mrs. Rae Helmer to be with Him. Previous to her lengthy illness she was our faithful Y.M.W.B. Superintendent for a number of years, and filled well her place as a member of the W.M.S. Executive.

An invitation was extended Mrs. Bernice Nixon, the District Missionary President of the Pilgrim Holiness Church, to visit this Conference. Mrs. Mildred Scott, our General W.M.S. President, recommended that this fellowship would be helpful to both Conferences.

As we plan for the future that is before us, may the challenge of the words of our Lord, "Behold I have set before thee an open door," grip each of our hearts in this Canada's Centennial year.

Respectfully submitted,
Eleanor Spearman.

Report No. 12.**REPORT OF COMMITTEE ON THANKS**

O give thanks to the Lord, for He is good; for His steadfast love endures forever! Psalm 106:1.

In the words of the psalmist we would express our gratitude to God for His leadership through the past year, the presence of the Holy Spirit in our sessions and the promise for the future, "Lo, I am with you alway."

We would express our appreciation to our Conference and Local executives who have given themselves unselfishly in the promotion of Missions at Home and Abroad.

To Miss Florence Glass, our missionary, for her most informative and challenging, "Highlights from Haiti".

To the representative of the Denomination, The Reverend Wesley C. Lovin, the Fraternal delegates and new friends with whom it was a privilege and joy to fellowship.

Sincerely submitted,
(Mrs.) Bernice A. B. Gordon

YOUTH PRESIDENT'S REPORT FOR 1966 - 67

To the thirty-first annual Conference of Wesleyan Youth now in session, greetings in the name of our Lord Jesus Christ!

Our hearts rejoice that we are privileged again to gather for our annual Youth Conference.

These are days when young people around the world are seeking for the reality and meaning in their lives. Many are seeking it through "love-ins", sex, LSD, student demonstrations, and liquor. Only in Christ can we find purpose to our lives. We do thank God that in the midst of this there are young people who have found the answer and are making their lives count for Christ. Who can estimate the value of youth to the total program of the church? Thank God for youth who do respond to the challenge!

As we review the year that is now history, here are several highlights that are noteworthy. Our camp program last summer was a real blessing and our Youth Rereat last September with the Dekkers was greatly used of the Lord. Another feature was the Second International

Youth Rally with Champlain Conference Youth last October. Many will remember the boat cruise in the afternoon and the evening rally in Brockville. Our Spring Youth Round-Up in Trenton was a great success. We had the best attendance this year we have had.

We look forward to a great year ahead. Our Youth Camp is about to begin and we hope that many are planning to attend. Our Youth Retreat this year is Sept 1-3 with Rev. John Teibe, Executive Director of Canadian Youth for Christ. Another great event coming is the Houghton Area Convention which is planned for Niagara Falls, Ontario, December 26-29. It promises to be a great convention.

I am grateful to all of you for your interest in Wesleyan Youth. I have appreciated working with our vice president, Rev. Eldon F. LeRoy and the other members of the Executive Council. This year concludes seven years as your Youth President. After much thought and prayer I feel that I must not allow my name to stand for this position another year. It has been a real privilege to serve in this capacity and I have deeply appreciated working with you.

May God continue to bless in the future ministry of Wesleyan Youth. May it please God to stir us to greater exploits for Him. My earnest prayer is that many young people may come to know Christ and hence brought into our churches because of the work of Wesleyan Youth.

Respectfully submitted,
Murray J. McKnight.

RECOMMENDATIONS OF THE W. Y. PRESIDENT

- 1 Recommended that we promote the Houghton Area Youth Convention to be held next December in Niagara Falls, Ontario and that each local seek for ways and means to interest our young people in attending.
- 2 Recommended that we have a Talent Contest in our Conference this fall; the winning contestant to represent our Conference this December at the Area Convention.
- 3 Recommended that the Committee on Audit be changed from a Standing Committee to Committee on Temporary Organization.
