follows; which was received, and after a statement from Bro. S.P. Rice, Agent of the Michigan Union College, concerning the Origin, history and prospects of said Institution, was unanimously adopted, to wit:

“That whereas the cause of Education is taking deep hold on the public mind, and by the various Denominations of professing Christians is made to subserve their interests in their efforts to to [sic] accumulate strength and influence; and in fact does yield to a power second to none, save the Grace of God; and whereas those denominations which refuse to co-operate in this great work, neglecting to furnish the most ample educational advantages to the youth under their care, must necessarily fall far behind the progressive spirit of the age, and deteriorate rather than advance in all that is noble and elevating to humanity, and useful to the church of God;

Therefore, Resolved, First, That this Conference expresses its great pleasure and satisfaction in the effort put forth in the Wesleyan Connection to permanently

establish and endow the Michigan Union College at Leoni Michigan and will hail with gratitude every indication of Success that may mark its progress and success from time to time:

Resolved Secondly That the interest thus manifested shall not be that of feeling and sympathy only; but such as shall secure to the funds of the College the more material and permanent aid of

11

↻

Dollars and cents, marked with the greatest liberality, such as is demanded at our hands in our high and holy position as Wesleyan Methodists and lovers of Education

Resolved Thirdly, That each ministerial member of this Conference be and hereby is earnestly urged to bring the subject of Education and especially the claims of the College before their several Congregations once at least during the Conference year take up a collection and forward the amount taken up to the treasurer of the College at Leoni =

Resolved, Fourthly, That all our members as well as ministers be urged to receive the regularly appointed Agent of the College favorably and aid in canvassing for the sale of Scholarships, and the most liberal donations;

All of which is respectfully submitted

John T. Hewitt
Chairman

Bro. Prindle from the Committee on Reform made a report as follows: That; Whereas the times in which we live are marked with aggressions upon the interests of society by the defiant and outrageous demands of the slave-power in Church and State, as well as by the corrupting traffic in intoxicating beverage and other kindred evils, we as a Conference repledge ourselves to the continued warfare against principalities and powers in resisting their encroachments upon the dearest rights of our fellow men –

12

↻

Resolved Secondly

We tender our cordial sympathy and coopération [sic] to our Christian brethren of other Denominations who are engaged with us in resisting the outrages of the slave power and despotism in general; and we will not fail to offer our prayers to Almighty God – that they and we may ultimately stand upon the ground of freedom to all and Right universal = Adopted;

Took up the 13th Question: “When and where shall our next Conference be held”? Answer: At Pratt-ville Oswego Co N-Y- the first Thursday of Apr- 1859 to commence at 10 oc-l-k-

Moved that when we adjourn we adjourn to meet again at 3 o’clock P-M- Carried The Committe [sic] on the Book Concern through J-T-Hewitt their chairman made their report as follows which was unanimously adopted = to-wit =

Whereas this Conference having heard from the Rev. Cyrus Prindle the Report of the Book Concern and believing that the circulation of our Books and Periodicals is a very essential means of diffusing the light of the Gospel and one the Wesleyans as a body can by no means dispense with: and rejoice in the prospects however distant of freeing the concern from debt – Therefore Resolved

13

So

I That we as a Conference hail with pleasure the improved appearance of our Hymn and other Books, and we pledge ourselves to use our utmost effort to extend the sale thereof.

II Resolved That as a Conference we highly approve of the Course pursued by our excellent Editor and Book both as it respects his duties as an Editor and the economy with which he conducts the General Concern.

III Resolved That as Wesleyan Ministers we believe the circulation of our Denominational Papers – particularly the “Wesleyan” is an essential element of our success and we individually and collectively pledge ourselves to double if possible the List of subscribers In our various charges –

IIII That as a Conference we highly appreciate the tallent [sic] and ability with which the business of the Book Concern has been conducted by Bro Knight and while we regret to lose his valuable services – we hope his removal will eventuate in his increased happiness and usefulness!
