## REPORTS

### Report No. 1

#### CONFERENCE PRESIDENT'S REPORT

To the members of the Ninety-fifth Session, Allegheny Annual Conference, Dear Fellow Soldiers, We extend you greetings in the name of our Great Commander, the Ruler of earth and sky and sea.

As we bring you another annual report, we can say in the language of the Psalmist, "The Lord of hosts is with us, the God of Jacob is our refuge. Selah!"

If ever there was a time when the Soldiers of the Cross needed the confidence and support afforded by the presence of the God of Jacob, it is in these days of uncertainty and distress. Small wonder is it that "men's hearts are failing them for fear." Clouds are gathering, pernicious plottings are deepening, and perils are thickening. Infidelity is spreading, immorality is increasing and society is drifting farther and farther from God.

With thirteen million men out of work, with the national debt reaching unparalleled proportions, with public officials brazenly consenting to deeds which would have made our fathers blush, with moral standards trailing in the dust, and with political practices that shamelessly betray the solemn trust of fellow citizens, our nation and our age are in a condition so

serious that the bravest heart must needs look up to heaven for encouragement.

It behooves us, in the midst of such swirling maelstroms of uncontrollable and malignant forces, to recognize the issue that is upon us and face things squarely.

A remedy is needed, but, thank God, we know that remedy. It is the Gospel of Jesus Christ applied to the hearts and consciences of men. Into our hands is committed this sacred trust. We dare not fail. The call is upon us, and we can solemnly declare, "Woe unto us, if we preach not the gospel."

New fields lie out before us. Great is our need for Missionary Funds for local use, so that we may enter these whitened fields. While some holiness bodies have swung to the popular line, there is still an appeal in the old-fashioned Bible principles to which we, as a Conference, have clung.

Many, whose sense of the fitness of things is disturbed by the compromise to be found on every hand, instinctively turn to us for a church home, where they may find and enjoy that old-fashioned strictness to which we are committed. Brethren, it pays to stand true to the Old Paths. After others shall have had their meteor-like displays, and shall have disappeared in darkness, those whose lights, though perhaps less brilliant, have shone steadily with a pure radiance, shall continue to lighten the pathway of the pilgrim in his journey to the Eternal City. Let us then hold strictly and sensibly to the Old Paths. **Sensibly strict and strictly sensible** would be a motto not inconsistent with our ideals.

We are a holiness organization. Let us renew and intensify our efforts to get folks so thoroughly sanctified that they will spontaneously testify to Two Works of Grace with a clearness that is unmistakable. There is altogether too much shallowness in Christian experience within our organization. Many testimonies are vague and have no heavenly ring. Lives are inconsistent and irregular. Loyalty lags in many instances. There is much need for the continued presentation of the clear requirements of the gospel. Let us determine to do our part in this time of need.

It is a pleasure to report that, as a whole, the Conference was visited with revival fires that burned with greater illumination and fervor than has been known for a long time. God has been pleased to honor the united cry of His children, and the results have been a cause for gratitude.

#### BETHSHAN HOME BOARD

1. **President's Report:** The years come and go without variation. Seed time and harvest, winter and summer. But when we come to dealing with human nature we have a varied code. Life, civilization, moral standards, governments, are constantly changing. But there is one problem which we have to deal with as a changing human race that is ever the same—it is sin. Sin marches on, gathering its harvest of misery, suffering, wreck, ruin, and filling lives with its tragedy. At Bethshan we have the constant problem of dealing with the ravages of sin in the life of the unmarried mother. Although we are saddened by the tragedies that are

brought to our attention from this point of view, yet we are happy to know that there is a home, a refuge, a resting place, a place of comfort and salvation that can be extended to those whom providence turns our way. We have been able to care for all who have sought our aid. The doors of Bethshan still swing open with a welcome for those who are in need of her protection and consolation. Let us continue to support this place of refuge for those who may not, and cannot, find it elsewhere.

C. E. ZIKE, President.

#### COMMITTEE ON THANKS

We, the members of the Allegheny Conference, and of the Conference Woman's Home and Foreign Missionary Society, Wesleyan Methodist Connection (or Church) of America, in the ninety-fifth Annual Session conjointly assembled devoutly record our most hearty thanks:

**First:** To the Triune God of Providence, that amid the blessed mysteries of the providence of heaven and that most special and minute supervision of our lives and His ceaseless providential care, He has so graciously permitted us to turn aside from our daily employment, and, in the midst of Nature's scenery and simplicity, assemble ourselves together in Annual Session on the hallowed hill of Stoneboro Camp Grounds, where the current of earthly thoughts passes away and the heart swells with gratitude and praise to Him who reared the mountain summits to their imposing magnitude, who has compassed the waters with bounds and weighed them

in the hollow of His hand, who has spread out the broad landscape in its pictorial beauty and fertility.

An Annual Conference Session in the tabernacle on a Holiness Camp Meeting Grounds! Precious days of Christian conversation and deliberation, of earnest prayer, and of holy song! How many blissful memories of pure associations and spiritual triumphs linger with us after such a scene! Instruction, exhortation, supplication, meditation, adoration, experience, thanksgiving and praise blend their powerful influences on the human heart, giving rise to purer emotions and higher resolutions. The sacred hill-top breaks before us into singing, and all the trees of the grove clap their hands, and "all that hath breath" seems to utter a song of praise to Almighty God. Thus the Annual Conference Session on this holy ground becomes an occasion of joy and gladness, as well as a bond of social reunion and blessed communion. And in the second Annual Session on this holy hill: the presence and power of the Holy Spirit from opening hymn of praise to the benediction of the closing session; the gracious help of the Lord in dispatching business; the holy unction of the Lord in the preaching of the Word; the showers of blessing from clouds of mercy; the shouts of victory on the rostrum and in the pew; the joyful sound of the altar service; the triumphs of the wonderful Christ, the manifestations of His power, and the revelations of His glory, the proclamations of a spiritual Sabbath and a Christian jubilee; all truly acclaim that the King of Glory, the Lord God of Israel walketh in the midst of the Camp. Thanks be unto God for conscious favor with the Holy Trinity, and for perfect peace and good-will to each other, and for the remembrance of His Holiness.

Second: To the Camp Meeting Board for its great kindness in opening the gates to the Camp Grounds, and the doors of its Tabernacle and Dormitories and Cottages and Dining Hall. To our host and hostess whose cordiality and proficiency in labors more abundant in the Dining Hall so spacious and commodious for serving meals appetizing and satisfying. To the cooks for their cookery; the waiters for their faithfulness; the helpers for their helpfulness; the donors for their donations; the Churches of the Conference for food in superabundance; the laborers for their exertions; the postman for his postmanship; the private Secretary to the President for his secretaryship, secretarial sagacity, and integrity; and to all the males and females from every part of Israel, even "from Dan to Beersheba" that have voluntarily and cheerfully and sweetly served their generation in this ninety-fifth eminently successful Annual Conference Session. Selah.

GEORGE B. CLAY, Committee.

**Report No. 9****CONFERENCE SUNDAY SCHOOL SECRETARY**

We wish to register our hearty thanks to God for His guiding hand and manifold blessings on this part of the work of our Zion. While the average Sunday School enrollment in the United States of America has in the last ten years dropped about forty per cent, our gain in enrollment as a Connection for the same period has been a little over twenty-three thousand. That is something for which to be devoutly grateful. But, we must not stop here. The statistics of our Conference for last year showed a general and serious decline in attendance. This is to be regretted and we must earnestly and faithfully labor to correct this decline and advance in the right direction. We are persuaded that the work of the Sunday School is a very worthy and important arm of the work of the Church. It has for some time been our profound conviction that the Sunday School when properly organized and conducted can be and will be a feeder to the

Church. The Sunday School is one of the Church's best agencies for reaching the unsaved, especially children of non-Christian homes. Statistics show that more than eighty per cent of the additions to the churches by conversion came through the Sunday School and ninety-six per cent of all conversions occur before the individual has reached twenty-five years of age. So we can readily see that here is a large and fertile field which if properly and faithfully worked will yield a bountiful harvest.

While it is exceedingly difficult, out of the material at hand, to get teachers who in years, ability and temperament are adapted to work in particular grades, yet it is our opinion that as far as possible this ought to be striven for. Especially does this apply to the teen age classes, for a misfit here is likely to work damage that can never be repaired. Seventy-five per cent of the boys and sixty-five per cent of the girls who leave Sunday School do so in their teen age; and many of them go out to lose all interest in the Church and religion and abandon themselves to lives of sin and crime. For this reason we believe care should be exercised in the selection of teachers and that the work of Teacher Training should be pushed in a greater measure.

We were happy during the year to authorize the organization of a Teacher Training Class on the Greenville Charge and expect from time to time to receive favorable reports from this class. We hope other Sunday Schools will catch the spirit of Teacher Training. Three new Sunday Schools have been organized in the Indiana District all of which are under Wesleyan direction and are using our literature.

Due to many other gatherings demanding our attendance and attention as a Conference it is difficult to arrange a Conference Sunday School Convention, but I believe that conventions held annually at least within the Districts will lend gracious impetus to the work.

We are expecting growing and glowing reports from every Sunday School. Let us push forward in this great work which will mean the salvation of our children, the blessing of our homes, the building up of our churches and the extension of Christ's Kingdom.

Respectfully submitted,

H. N. ROBINSON, Secretary.

On the platform, representing Zion's Hill Mission, were Rev. Charles Blanchard and Mr. and Mrs. George Hutchinson.

Brother Blanchard described the location of Zion's Hill Mission, which is located 100 miles east of Lexington in Bloody Breathitt County, which he hopes may soon be changed to Beautiful Breathitt County. For many years the road leading to the Mission has been a difficult one to travel, but thanks to the W. P. A. which has been working for some time, they expect soon to have a good road. He also stated that he had experienced a definite call to the mountain work. The people are mostly of purest Anglo-Saxon blood, but are ignorant, superstitious, deceitful, but religiously inclined. Very few cars are used, most of travel being done by walking or on mule back. The school, while the primary aim is spiritual, aids in physical and mental development also. Some of the needs expressed were: a revival, Christian workers, a teacher, a cook, a handy man and funds to complete the school building and much prayer.

Rev. E. F. McCarty reported the work on Foreign Fields in prosperous condition, with better roads, school systems, many native preachers and several self-supporting churches, and medical work in Africa and India. Several missionaries are booked to sail this fall. Some are going for the first time, while others are returning after furlough. Conditions in Japan are not so conducive to evangelism as its people are forced to support the military program.

The annual offering in cash and pledges was \$1541.81.

Benediction.

### Report No. 2

#### COMMITTEE ON PROGRAM AND PLAN OF WORK

We recommend:

1. That at the first meeting after Conference, each society hold an installation service, and the Program and Plan of Work be read.

2. That each society endeavor to hold a Public Prayer Meeting monthly.

3. That prayer be the keynote of every meeting, praying especially for the "Subject of the Program."

4. That each society keep in touch with our Mission Fields by correspondence. Round Robin letter of encouragement would be appreciated.

5. That we have an aggressive Solicitor for the Wesleyan Missionary in each society.

6. That we urge the use of the Study Book and the excellent programs in the Wesleyan Missionary, noting especially Sister Reisdorph's prayer page. We also suggest the use of Sister Clarke's prayer reminders, where suitable.

7. (a) That each society put forth special effort to send their President and a Delegate to Annual Conference, and to assume the expense of their transportation.

(b) That ten cents per member be raised for Annual Conference Delegate entertainment and sent to Conference with the Delegate.

(c) That each society instruct their Delegate how much to pledge at the Public Missionary Meeting.

(d) That each Delegate take back to her society a report of the business transacted.

8. That Delegates be instructed to give their report to the Statistical Committee upon arrival at Conference.

9. We suggest: That where suitable the society have a Mercy and Help Committee.

10. We suggest: That our Holiness District Conventions, where possible, observe a Missionary Service.

11. That a yearly meeting in the interest of Medical Missions be held and the offering received be used for that purpose.

12. That we endeavor during the year to raise one-fourth of the Church Educational Budget.

13. That the Red Letter Days as given in the Standard of Efficiency be observed. That Easter and Self-Denial offerings be used for Home Missions.

14. That we manifest our interest in Bethshan Home by prayer, cash offerings, clothing, donations of fruit and vegetables and household supplies, considering the Prayer Sheets.

15. That each local society raise the General Conference Budget of not less than six dollars for Mountain Missions and five dollars for Hephzibah Orphanage. Let all dues and Budget obligations be sent to the Conference Society Treasurer, Mrs. Rachel L. Dreyer, Tionesta, Pennsylvania.

16. That if one dollar dues seems too heavy a tax, we accept fifty cents, in which case the entire amount be sent to the Treasurer, designated as fifty cent dues.

17. That we send clothing and supplies to our Mountain Missions and Hephzibah Orphanage, including a few bandages. (Note: Bandages should be cut two inches to four inches wide and rolled tightly. These may be valued at fifty cents per pound, the amount to be credited on Statistical Report but not counted on Budget.)

18. That we continue our support of Dr. Sim I. McMillen.

19. That we stress the need of Home Missions, raising as much as possible; two hundred dollars of the amount raised to be used at Zion's Hill Mission.

20. That we remember to raise the ten cents per member for General Conference Delegates' Expense.

MRS. MARY S. ROBINSON, Chairman.

### Report No. 3

### COMMITTEE ON RESOLUTIONS

#### Be it Resolved:

1. That we, the members of the Woman's Home and Foreign Missionary Society, adhere faithfully to prayer, reading the Bible, sacrificial giving, and in recognition of the fact that the observance of standards in

itself is not sufficient, we urge the importance of being deeply and consistently spiritual, and in order to do this, the necessity of having the glory in our lives and His rich anointings upon our hearts.

2. That we systematically pray earnestly each day for Home and Foreign Missionary Work.

3. That we read as widely as possible such literature as will instruct us about each branch of our Missionary Work in order to aid us in maintaining our interest and zeal.

4. That our youth be watched over with godly jealousy and that we instruct by example and precept the dignity and necessity of social purity; insisting upon modesty of dress; assisting them in the choices of wholesome companionships and reading matter; also creating a sympathetic home atmosphere which will hold them to the Church and interest them in Spiritual welfare.

5. We deeply deplore the increased prevalence of drinking and cigarette smoking among our women and girls and the loose divorce laws. That as far as possible, we refuse to patronize groceries, stores, restaurants, or other establishments selling liquor.

6. That we, by example and testimony maintain our stand against public amusement parks, public bathing beaches, and moving picture shows.

7. That we further urge our people to reread our Discipline and renewedly pledge our allegiance to its doctrines and precepts.

8. That these resolutions be read before each society, also in the public meeting one or more times during the year.

MARY CHURCHILL, Chairman.

## Report No. 5

**REPORT OF Y. M. W. BAND SUPERINTENDENT**

We feel it is an honor to have a part in this great work of spreading the Gospel Story. However, we realize that there is also a great responsibility connected with this office. We wish to praise God for His help given through the past ten months.

Two circular letters have been sent out during the year and there is at least one new band to be reported, viz, Punxsutawney. We would be glad to help any other new churches or Sunday schools to organize bands.

Let us not forget to send all band money through the Conference Superintendent. (Notice Discipline, paragraph 310, Article 6, Sub-paragraph 5.)

Let us remember also, that the workers in Foreign lands are depending upon us for our prayers. We must not fail. To this end let us keep informed that we may pray intelligently.

We solicit your prayers that God will help us to fulfill our duties as pleasing to Him and in such a way as will be for the advancement of His cause in every land.

MARY S. ROBINSON, Superintendent.
