ONEIDA J. M. GLEASON, Pioneer Secretary

Standing Resolutions

1. A Committee on Auditing and Finance, consisting of three ministerial members, the Chairman being an Elder, shall be elected each year, the duties of which shall be to examine and report on the Treasurer's books and all financial reports, save missionary, and to be a Standing Committee to advise on financial plans.

2. All persons received into membership in the churches of our Conference, excepting those whose life of Christian fidelity has been of sufficient long standing, shall be received at first as associate members only.

3. When it becomes necessary for a church to call a pastor, it shall be the duty of the calling church to make provision for the expense incurred by the pastor in removing to the new field of labor. Money raised for this purpose shall NOT be applied on the pastor's salary.

4. The Conference Sunday shall be the closing Sunday of the Conference year, and the outgoing pastor shall be paid his salary for that Sunday by the charge he is leaving.

5. At the opening of the Conference Session the President shall appoint a Nominating Committee of not less than three members, two Elders and one Layman, to bring to the Conference a slate of Nominations for Committees, etc., for the Conference Temporary Organization. Delegates' Credentials shall be mailed to the Secretary not later than ten days before convening of Conference.

6. No person shall be received as a member of Allegheny Annual Conference until he shall have properly filled out an application blank, which application together with the recommendations of his references must pass the approval of the President and his Advisory Board. Exceptions to this rule may be made by the President and his Advisory Board, when they deem it best.

7. The pastor of any church in the Conference shall be free to hold at least one revival meeting a year, wherever he sees fit, and it is recommended that his usual salary be paid him while he is absent.

8. Each pastor shall send a monthly report on the blank provided to the Conference President showing the progress and state of the work under his care.

9. Each church may elect a Nominating Committee whose duty it shall be to nominate candidates for church offices for presentation to the church at the time of annual election of officers. Such nominations shall not exclude other nominations at the time of the business meeting.

10. Churches having business with the Conference Board of Trustees requiring a visit of that body to their church, shall be responsible for the

expense attached to such calls, unless released by the Board.

11. Inasmuch as trial sermons are hardly fair to church or candidate, and since the practice of having a trial sermon is contrary to the usual manner of locating preachers, we recommend that no preacher shall accept any such invitation, if given. Exceptions to this rule may be granted by the Conference President upon request of any church.

12. Since considerable expense of transferring of Automobile title and license attends the moving of a pastor from one state to another, we recommended that where possible the calling church bear this expense.

13. We recommend that all Districts emphasize Sunday School activities, and that Conventions be arranged for in conjunction with the visitation of the Conference Sunday School Secretary, who shall visit one Convention of each District during the year, at Convention expense.

14. We recommend that no one be elected to Elders Orders who does not have an abiding sense of a divine call to give himself wholly to the function and ministry of an Elder in the WESLEYAN METHODIST CHURCH. And that no one shall be ordained to this office and work who is not applying himself wholly to this one thing in cares and studies, and clearly determining by God's grace to give himself wholly to this holy ministry, if possible, long before the appointed day of ordination, and manifesting such a determination in faithful Christian service to the church or congregation whom he was called to serve during his years of preparation, so that, as much as lieth in himself, he has and will apply himself wholly to the work of the ministry, except in all cases of absolute necessity of such diversions to a legitimate avocation for livelihood which neither jeopardizes the Lord's work or blames the ministry.

15. We recommend that each church equip its parsonage with the necessary heating and cooking equipment, because of the variation of requirements in this equipment for the individual parsonage.

16. We recommend that in election of the local Church Advisory Committee each church permit the pastor to nominate the members of this Committee.

Report No. 1

CONFERENCE PRESIDENT'S REPORT

Dear Brothers and Sisters in the Lord:

As I stand here reading this report, I feel that it is an auspicious occasion—the one hundredth Annual Session of The Allegheny Annual Conference of the Wesleyan Methodist Connection (or Church) of America.

What a privilege of honor has devolved itself upon me to present this report under such circumstances!

To review the work of the century is entirely beyond my ability, as well as entirely outside the sphere of this report. I am to report the work of this year.

However, reflection only brings the consciousness that just as the reporting of a century's work is an impossibility, so is the reporting of a year's work an impossibility. No man knows the waves of influence that have been put in motion in the various churches of the Conference, that will ripple out over communities and effect thousands of lives in the years to come. Eternity alone can reveal the work of the year.

The effect of the war on the churches and Sunday Schools of the Conference is noticeable, but it has not defeated any church or any Sunday School anywhere in our Conference. In some places the attendance has decreased due to various factors arising out of the war situation, but always this gratifying consciousness is our portion—that no matter how many leave, our God is still on hand.

There have been a number of churches which have paid off indebtednesses of long standing. Churches have either built or bought parsonages during the year, and the finances have reached a tide never before known. Pastor's salaries have been increased, but not to the point where the pastor is paid a sum that is at all in proportion with his services.

One of the outstanding efforts of the year has been the construction of the Soldiers' Gospel Center near the Shenango Personnel Replacement Depot at Transfer, Pennsylvania. The difficulties involved in the construction of this work were well nigh insurmountable, from the human standpoint, but our God intervened in a remarkable manner. There is no explanation but that prayer accomplishes miracles. To God be all the praise and glory.

The organization of a new Camp Meeting down in West Virginia was effected in July 1941 and the first Camp was held July 1942. This new

Camp Meeting started under the divine leadership of the Holy Spirit and the first Camp was one of the greatest Camp Meetings I have ever attended. There was not a large number of people present for the day services, but God's spirit mightily prevailed and there will be fruitage unto all eternity. We are looking forward to a gracious Camp there this July.

The Annual Stoneboro Camp Meeting was a time of blessing and a further report of it will be given in the Stoneboro Camp Meeting President's Report as required by the constitution.

There have been some splendid advances made in the Pioneer Field, which will be reported by our Pioneer Secretary. The spirit of revival has been blessedly manifest and most remarkable gains have been made. For all the good that has been done, we give our Heavenly Father the praise and the credit.

We wish also to mention the Annual Day of Prayer and Fasting for the ministers of the conference and their wives. It was a beautiful day this year, both from the physical standpoint of weather and the spiritual standpoint of blessing. God met with us and definite work was accomplished.

Personally, it has been one of the greatest years of spiritual victory in my own life that I have ever known. Blessed be the name of the Lord! I am farther up the road and more firmly grounded in the experience of holiness than I have ever been in my life. I praise the Lord that doeth wonders.

17. Payment of \$30.00 monthly toward the salary of the Conference President's Secretary.

18. Approval of the financial item of the Pioneer Secretary's report, and that the Pioneer Secretary receive a salary of \$36.21 per week (of which amount \$1.21 is to be retained by the Conference Treasurer for victory tax) and that she be paid \$300.00 annually for traveling expenses, she to provide adequate liability insurance for her car. That all offerings received in pioneer meetings not needed for local expense and offerings from other meetings in the pursuit of the duties of her office be turned over to the Conference Treasurer to be placed in the Pioneer Fund.

19. Approval of the Report of the Conference Trustees.

20. That the Conference President be authorized to draw from Incidental Fund for such miscellaneous items as flowers telegrams, phone calls, etc., without contacting his advisory board.

21. We do not approve of the item referred to us that the Committee on Itinerary and Orders be granted \$3.00 each for meals at Conference before the boarding hall opens. We recommend that the Conference Treasurer be authorized to pay all members of Conference Boards and Standing Committees an amount equal to all expenses incurred in the pursuit of the duties of their respective offices, upon presentation of their bill.

22. Granting the petition of the Bethel, W. Va., Church for \$100.00 for pastor's moving expenses. (Referred to Mission Board.)

23. That all delegates be instructed to ask their churches through the Stewards or other proper disciplinary method to increase their pastor's salary so that the previous untaxed salary will not be decreased by the victory tax. We submit below the scale of increase:

(Tabulation omitted because of change in Federal Tax Plan.—J. B. M.)

24. Adoption of the recommendation of the Conference Board of Trustees that funds from the sale of Bethshan Home be set aside for the purchase or construction of a Conference President's Parsonage and that the Conference pay his rent until such time as a parsonage is provided.

25. That all church treasurers adopt the use of the new unified system of bookkeeping since this system corresponds with the system being used by the Conference Sub-Treasurers.

We further recommend that the reports of the Church treasurers to

Quarterly Conferences close at the end of the month preceding the Quarterly Conference; and that all church treasurers' records for the Annual Conference Year close April 30. (The Conference fiscal year is thus from April 30 to April 30.

That the above paragraph of instructions appear on the instruction sheet in the new treasurer's record books.

Second: We wish to express our thanks to the Camp Meeting Board for permitting us the use of the Camp Grounds and buildings for our meetings. We also thank those who have so kindly prepared and served the meals and all others who have contributed in any way to the entertainment of the Conference.

Report No. 9

CONFERENCE SUNDAY SCHOOL SECRETARY

To our dear fellow-laborers in the Gospel, Greetings:
Another year of service in this part of the Lord's Vineyard is history.

and while the record of activity is very small, we trust that over all may be written, "good and faithful."

Visitation for the year has been confined almost entirely to our own district. An invitation was extended to us to visit the West Virginia district, but because of the unfavorableness of the time it was deemed best to defer this visit until next year.

The annual report blanks were mailed out, and we are anticipating encouraging reports from all of our schools. We mailed out, too, 1237 copies of the booklet, "Youth For Christ." We are pleased to report that this new effort met with an enthusiastic response from our pastors and churches. We believe that the furnishing of our people with challenging reading such as this book presented, will be a great stimulus to Sunday School interest and activity. We deeply appreciate the effort of the Swauger Publishing Company in assisting us to purchase this fine reading for our people. A one hundred percent response financially from all our pastors would enable us to completely discharge our obligation in this matter.

Statistics reveal there has been a 57 per cent increase in juvenile delinquency since Pearl Harbor, due undoubtedly to the breaking of homes by war work and the draft. This, along with the terrible breakdown in morals, the increase in drinking and social evils, makes the place of the Sunday School imperative and outstanding. Let us recognize this and give ourselves to a more whole-hearted and vigorous prosecution of the interests of the Sunday School.

The value of the Daily Vacation Bible School as an auxiliary of the Sunday School is being recognized more and more; and, I trust, will soon become the rule rather than the exception in the Sunday Schools of our Conference. Teacher training, likewise, is of first rank importance, if we are to have workmen who need not be ashamed, rightly dividing the word of truth. An enthusiastic and spiritual observance of special days will bring its rewards in larger contacts and increased attendance as evidenced in the all-time high of 357 reached by the Akron First Church on Mother's Day.

Adequate equipment, efficient instructors and wise management are important factors in Sunday School work. These, coupled with earnest prayer, persevering effort, undaunted courage and an unwavering faith, are bound to bring results. Let us go forth therefore, into the new conference year with the determination to make our schools the best and biggest ever, for Jesus' sake.

Respectfully submitted,

H. N. ROBINSON, Secretary

Report No 12

CONFERENCE PIONEER SECRETARY

To the members of the one hundredth session of the Allegheny Annual Conference, Greetings! It is with strange emotions that we stand on the boundary line of two centuries—a boundary line which divides the historic past and an unknown future.

From the days of its organization, the Allegheny Conference has been a conference of pioneers. Its successive frontiers as they moved forward, frontiers not only the outposts, but the mileposts of holiness, evangelism and reform. Dr. Slocum says that these frontiers are more important than America's wilderness frontier which vanished with the buffalo, and their conquest demands far higher qualities than the spirit of adventure which built America.

It was the Spirit of God that gripped our early pioneers. At the third session of Allegheny Conference a letter was read asking for a preacher to be sent to a group of forty Christians who had adopted the Wesleyan Methodist Discipline in Guilford County, North Carolina. After a season of silent prayer for guidance, Adam Crooks, a young pastor twenty-three years old volunteered. The historian says: "Brother Crooks arose—his cheeks pale as marble—and said, 'I will go sustained by your prayers'."

Year after year through the century the Allegheny Conference has had visions of service, and her sons and daughters have gone forth over unbroken roads to carry the "Evangel of Light" to those who sit in darkness and the shadow of death.

Few people have any conception of the difficulties which confronted the early pioneers. Fewer still realize that our frontier today is beset with more subtle, even greater difficulties and hardships than those encountered by our early ancestors. Notwithstanding this, during the past year, aggressive work has been done in every district in the Conference.

Akron District

In the Akron District prospecting was done at Chagrin Falls, Cuyahoga Falls and in the city of Akron. A two weeks meeting was conducted at Alliance where a group of people are interested in having a Wesleyan church.

A tabernacle work at Carrollton, Ohio, came under Wesleyan supervision during the year and Rev. Mrs. Florence Dray was called to the pastorate. Carrollton is the county seat of Carroll County, and is only twelve miles from Leesville, the little village where the second session of our conference was entertained ninety-nine years ago. The tabernacle was built by Dick and Tillie Albright in 1908. In the first years an annual camp meeting was held there and bands of workers went out to pioneer the surrounding territory. The building which originally seated 2500 people is now being remodeled into a neat chapel with living quarters for the pastor under the same roof. There is promise of a strong work at Carrollton.

A tent meeting was conducted at Niles, Ohio, with Rev. Walter Kopp, Rev. H. E. Schmul and Rev. and Mrs. J. I. Rambo as workers. Owing to the fact that there had been no resident pastor at Niles for three months at the beginning of the year, the results of the meeting were not all we had hoped.

Indiana District

Two of the churches of the Indiana District sponsored building programs the past year. The trustees of the Nu Mine church purchased a church building in Adrian, Pennsylvania, razed it, and transported the lumber to Nu Mine where they rebuilt it. Nu Mine will soon dedicate and present to the Conference a lovely new building. At Mentcle the church building in which they had worshiped for years was bought and an annex was built. The church was dedicated free of debt.

Rev. J. C. Himes conducted a fruitful tent meeting at Rimersburg, Pennsylvania. Brother Himes followed up the work by conducting prayer meeting and street meeting each week for several months. This effort proved a great benefit to the work at Bethany.

September 27th a Wesleyan Methodist Church was organized at Johnstown, Pennsylvania with eight charter members. Later we moved from the conference tabernacle to more comfortable temporary quarters, and Rev. Guy Terpe was appointed pastor. An encouraging revival has just closed in which Rev. George Hawthorne gave excellent service as evangelist. Johnstown is slowly moving forward. For this we humbly praise the Lord.

A group of people at Soldier, Pennsylvania, placed themselves under conference supervision. Brother Earl Garvin and Herbert Troupe have assisted in pastoring the work. A Young Missionary Workers Band was organized with a membership of thirty-three. Some complications relative to a title for the church building, which we hope may soon be eliminated, have hindered an organization.

Some prospecting was done at Gallitzin and Barnesboro, and an effort was made to open a work at Rock Run, a rural district near Emeigh.

New Castle District

A penetration was made at Vanport, Pennsylvania in the New Castle District. At the close of a tent meeting which was under the leadership of Rev. T. McCracken and Rev. and Mrs. J. I. Rambo, a Sunday School was organized with an enrollment of thirty-six. Two regular preaching services are being conducted each Sunday. Brother McCracken has had the oversight of the work. For a few weeks Paul West has assisted him. The services are conducted in a neat portable tabernacle, the building of which was financed by the district. The Akron district has raised the money to erect a similar one in their pioneer field.

Some prospecting was done at Hadley, Pennsylvania, and Brother E. W. Brooks has been conducting Sunday School and a preaching service each Sunday afternoon.

The Gospel Center for Transfer Army Camp has moved under the most severe reverses. God has kept His hand over the project, however, and it now appears that we shall be able to realize our ambitions for this worthy cause.

Titusville District

In the Titusville District some thought was given to Rouseville and several other places as possible projects, and Brother T. A. Robertson is working on a possible project in Titusville.

The Sunday School at Stewart Run, which has been conducted under the direction of the American Sunday School Union was transferred and Stewart Run is once more a fully organized Wesleyan Methodist Church.

West Virginia District

One of the outstanding ventures of the year was made in the West Virginia District. A camp ground was purchased near Clarksburg and

the first West Virginia Camp Meeting was held. The opening of this camp ushered in a new era for the whole State, and our workers faced the challenge with a new faith and courage. Following the camp a tent meeting was conducted at Phillippi with Rev. John Bruce as the evangelist. Rev. Gerald Rodgers has conducted services at Cocks Mine, which we trust will terminate in an organization. Considerable time was spent in prospecting in the District. We visited Parkersburg, Weston, Elkin, Buckhannon, Fairmount and a number of other towns.

Daily Vacation Bible Schools: Your Secretary conducted Daily Vacation Bible Schools at Stewart Run and Emeigh. Revivals were held at Emeigh, Soldier, Kenmore, Bridgeport, Alliance and Bethany.

While the world is waging an all-out warfare of sin and destruction, let us conquest for Christ and share in His eternal victories. Let us give ourselves as channels through which God can effect His purpose of bringing light to souls through His Son. Finally, in these closing days of grace, when we look for the return of our Lord, let us give ourselves to the ministry of intercessory prayer and the material support of His work that we may come before Him with joy bringing our sheaves with us.

Financial Statement: Orders drawn on the Treasury: Elijah Baker for lumber, \$66.33; Leonard Snyder for drayage, \$30.00; Tent equipment, \$20.00; Evangelistic Help: Irene Stephens, \$45.00; W. R. Kopp, \$50.00; H. E. Schmul, \$25.00; J. I. Rambo, \$30.00. Salary \$995.75; Traveling expense, \$200.00. Total, \$1462.08. Refund to Treasurer from Johnstown Electric Co., \$6.97. Balance, \$1455.11. Received on salary from churches, \$250.45. Total salary, \$1246.10.

HOLINESS DISTRICTS—CHAIRMAN'S REPORT AND REORGANIZATION

Akron District: The Akron District has held four holiness conventions and one Young People's Convention this year. In these conventions our Missionary and Sunday School departments were represented in ways that brought help and inspiration. We were fortunate in having our General Home Missionary Secretary, Rev. Roy S. Nicholson as a special worker in one of these conventions. He preached under the unction of the Holy Spirit, bringing great help and blessing to the district. In our fourth convention held at Canton First Church, Rev. A. J. Shea of Syracuse N. Y. and Rev. Howard Speas of Canton Second Church were in a revival and Rev. A. J. Shea brought the message both morning and night.

God's presence was manifest in a very gracious way through the convention.

The Spirit of the Lord was upon the speaker and people alike in every convention held this year. A very splendid and helpful Young People's Convention was held at McLeister Memorial church where Dr. S. I. McMillen of Houghton, N. Y. was the guest speaker in two services. He was signally blessed of God in bringing helpful instruction to our young people. A very beautiful banner has been purchased by the district and is presented to the church having the largest attendance at the convention. We are happy to say that both interest and attendance are on the increase. The last Convention having 100 per cent attendance by the pastors. The old time standards of Holiness are being upheld, and God is pleased to bless. To Him be praise.

Indiana District: Our first district convention was held July 28-30 in the Dixonville church. The second convention met in the Hillsdale church November 3-5. It was thought best not to have another convention because of various situations, but we are glad to report that these two conventions were of the best.

New Castle District: The New Castle District held two three-day conventions this year; one at Rochester and one at West Middlesex. God graciously owned and blessed both conventions and every service was attended by the presence and power of the Holy Spirit. The programs were prepared after much prayerful waiting on God and the presentation of the Word was attended by unction from heaven. A delightful spirit of harmony and love has prevailed among the pastors and evangelists and

this we feel sure has contributed much to the success and blessings attending all their gatherings.

At the Rochester Convention plans were formulated for the construction of a portable tabernacle for use in the pioneer efforts within the bounds of the district. This tabernacle was completed at the cost of \$509.00 and was erected at Vanport, and dedicated in March.

One young People's Rally was held at the new Riverview Charge in a tent where revival services were in progress. As has been true of all our W. Y. P. S. rallies, the rich blessing of Heaven attended this rally.

Though arrangements had tentatively been made for a full schedule of conventions, the last two were dispensed with because of the difficulty of travel incurred by the shortage of tires and gasoline.

We are praying that the war will soon be over and we will again be permitted to gather in conventions with our lonely hearts made glad by the presence of our boys who now are scattered over the earth in the service of their country.

Titusville District: The Titusville District held four conventions the past year. Two were three-day conventions, and two were one-day meetings.

The presence of the Lord was manifest in these services. Especially was this true in the one-day convention which was dedicated to Missions. The entire day was in the hands of the Birch children.

We are looking forward to a fruitful year with the blessing of God upon us.

Report No. 16

STONEBORO CAMP MEETING ASSOCIATION PRESIDENT

The Stoneboro Camp Meeting of 1942 was one of the largest and best in all its history. The attendance was not only large but responsive to the divine truth that was preached.

God saw fit to use the ministry of Dr. Peter Wiseman and Rev. Jesse Whitecotton in a remarkable manner. There were great tides of blessing, deep currents of conviction, mighty praying, and victorious finding. There was deep searching of the Spirit and honest confessions of need. The results of blessing and victory that flowed in waves over the happy hearts of His children, can neither be described nor computed.

In charge of the young people's work was our faithful superintendent, Rev. Oneida Gleason. She was ably assisted by Rev. T. McCracken as song leader, and Miss Elizabeth Carlson as pianist. Truly the Lord has favored us with a corps of efficient, effectual workers; and we are grateful. Much good was accomplished in the young people's tabernacle.

Rev. and Mrs. Cecil Clifton, assisted by their staff, gave daily broadcasts from the platform of the young people's tabernacle and made two recordings of services which they re-broadcast during the year.

The old-fashioned discipline and rules enacted by the Board of Managers have had the approval of the Holy Spirit, and that approval we covet more than the approval of any one who would like to make our camp a mere social and recreational gathering. Not long since, we heard of a camp meeting where attendance at services was not required and people could come and go as they pleased without any regard to the services. The resulting camp meeting in such an atmosphere was such that one parent declared that he did not care to have his children attend. May the Lord help us to keep Stoneboro true to its purpose no matter how hard the enemy tries to defeat and nullify the standards of our camp.

The 1943 Camp may be the last we shall ever have. It is good, however to feel that the uncertainties of time are unable to affect the certainties of eternity, and that whatever happens down here, we have an eternal hope in heaven.

Respectfully submitted,

J. R. SWAUGER, President

The Public Meeting: Sister Vesta Zike presided at the Public Meeting held on Friday evening at 7:30 p. m. in the Large Tabernacle. Sister Leona Robertson led the singing with Sister Markell at the piano. "Lord, Send Me," and "All For Jesus" were songs selected. Sister Winifred Trimble prayed. A trio, "Carest Thou Not," was sung by Sisters Ruth Leyshon, Myra Lupton and Leona Robertson. Rev. Price Stark was the only missionary present, but proved that "one, with God, is a host." His remarks were based on John 3:16, and the Golden Rule. At the close of an address given under the inspiration of the Spirit, pledges and cash came easily, amounting to \$5411.50. Rev. Stark had a number of curios which he showed and explained after the meeting.

THE PRESIDENT'S REPORT

To all our dear women gathered for this thirty-seventh session of our Annual Conference Missionary Society, greetings in His precious name.

The Lord has been good to us and shall we not say like the Psalmist: "What shall I render unto the Lord for all His benefits toward me? I will take the cup of salvation and call upon the name of the Lord."

In the midst of a world that is torn and bleeding, this is a wonderful heritage that we enjoy. This has been a good missionary year. We have made strides numerically, financially, and I trust, spiritually. Dr. McMillen finished his itineracy of the Conference, which proved a great blessing to those whom he visited. There have been five new societies organized this year, namely, Bethany, Wolf Summit, Blue Eye Chapel, Annandale, Rock Run. The president effected the organization at Bethany. By way of correspondence I have written one letter, eighty-one cards, and gave a book review of "By My Spirit," at the Barberton Church. For all this we are indeed grateful, and give God the glory.

MRS. VESTA ZIKE, President

COMMITTEE ON RESOLUTIONS

Be It Resolved:

1 That we, the members of the Women's Home and Foreign Missionary Society, shall not be diverted from our sacred task of arousing and directing missionary spirit by habitually attending missionary activities, and with clean hands and pure hearts, devise lawful means to interest them in missionary work at home and abroad.

2. That we give ourselves unto prayer in our monthly day-meetings in a much greater way than in the past; realizing that out of an awakening within the society will come a deeper interest in the church. Proverbs 29:18.

3. That we individually give ourselves to a more persistent and faithful study of the Missionary Magazine, thus keeping ourselves informed of our Missionary activities and needs.

4. That with minds informed with the progress and needs of each branch of our missionary work and with hearts of one accord with passion for the lost of earth, we cease not to pray daily for the missionary enterprise in the Home and Foreign fields.

5. That we shall adhere to Scriptural methods of raising funds for missions, but out of sacrificial hearts and lives, give heartily as unto the Lord and His holy cause.

6. That we, our people, young and old, uphold by precept and example, modesty of dress, by which we mean wearing long hose on children, avoiding short sleeves low necked dresses, short skirts, and nude shades of hosiery which draw attention to our bodies and so tend to destroy purity and deep spirituality; also that we adhere to Deuteronomy 22:5 and I Timothy 2:9-10.

7. That we persistently adhere to Christian standards that create an atmosphere in the home and in the church so conducive to spirituality in these perilous times of departing from the faith of our fathers, that the world may know we belong to the King of Kings and look for His return for His holy bride.

8. That, as far as possible, we refuse to patronize grocery stores, restaurants or other places selling liquor, since we most deeply abhor drinking and smoking.

9. That we, as members of the Society, join the mothers, who are sacrificing their sons for our country in prayer for their salvation and protection.

10. That these resolutions be read in each society frequently enough that all members be well informed of their proposed attainments and requisites.

LYDIA BROOKS, Chairman

COMMITTEE ON PROGRAM AND PLAN OF WORK

We recommend:

1. That at the first meeting after Conference each local society having new officers, hold an installation service.
2. That the program and plan of work be read and discussed as soon as the minutes are received. We also urge that the president of each society refer to this as a reminder during the year.
3. That each society endeavor to hold a public meeting monthly, using Sister Reisdorph's prayer page, praying especially for the requests found in the Wesleyan Missionary. We suggest that a spirit of evangelism be carried on in our local community by the members of societies, each one feeling a personal responsibility to bring at least one soul to Christ during the year.
4. That each society elect one or more corresponding secretaries to keep in touch with our different mission fields, thereby bringing first-hand knowledge to our women.
5. That each society have an aggressive solicitor for the Wesleyan Missionary. Where it is difficult to get subscriptions we urge the use of the club plan.
6. That the President of each society remind those attending Stoneboro Camp Meeting of the daily Missionary Prayer Meeting from 4:15 to 5 o'clock, urging them to be faithful in this work of intercession.
7. (a) That each society put forth a special effort to send their President and delegates to the annual Conference, assuming their expense for transportation.
(b) That delegate's credentials be sent to Mrs. Verna E. Vogan, Sandy Lake, Penna., at least two weeks before Conference.
(c) That each society send at least one dozen quarts of fruit or vegetables to Conference. Fruit to be credited at twenty cents per quart and vegetables at fifteen cents per quart.
(d) That fifteen cents per member be raised for delegate's entertainment and sent to the Conference with the delegate.
(e) That each society instruct their delegate how much to pledge at the Public Meeting. Unless otherwise specified, the pledge is divided one-fourth for Home and three-fourth for Foreign missions.
(f) That each society send its statistical report either by the delegate or the President, or by mail, to be in the hands of the Statistical Committee the first day of the Conference session.
8. That we urge the use of the Study Book and the excellent programs in the Wesleyan Missionary. We believe the use of the book review method is the most successful.
9. That each local society raise a General Conference budget of not

less than six dollars for Mountain Missions, and five dollars for Hephzibah Orphanage. Let all dues and budget obligations be sent through the local church treasurer to the representative district Sub-Treasurer.

10. That we send programs and supplies to our Mountain Missions, Hephzibah Orphanage, and the Indian Mission, including a few bandages. (Note: Bandages should be cut from 2 to 4 inches wide and tightly rolled. These may be valued at fifty cents per pound. The amount is to be credited on the Statistical report but not applied on budget.)

11. That we endeavor to raise one-fourth of the Church Educational Budget.

12. That we stress the need of Home Missions, raising as much as possible for this. Two hundred dollars of the total conference receipts to be used for Zion's Hill Mission.

13. That the Red Letter Days as given in the Standard of Efficiency be observed when possible. That Easter and Self-Denial offerings be used for Home Missions.

14. (a) We suggest that where suitable, each society have a Mercy and Help Committee, whose duty shall be to visit the sick and needy and give aid where necessary and to send sympathy and greeting cards to shut-ins.

(b) That our Holiness District Conventions, where possible, observe a Missionary Service.

(c) That each society have a live Program Committee, varying once a month thereby each member be made to feel a greater interest in missionary work. We suggest the President act as Chairman of said committee.

(d) We urge that dollar dues be paid by all members.

15. That since the retiring President is Acting President during the Conference session, we suggest that the society send her to Conference and elect the new president as delegate, where possible.

16. We further suggest that where possible, a Missionary be secured to hold special services some time during the year.

MARGUERITE VAN DERLIN, Chairman

REPORT OF THE Y. M. W. B. SUPERINTENDENT

To my dear co-workers, Greetings in Christ.

The command of our Lord, "Go ye, therefore, and teach all nations," comes to each of us these troubled times. God is looking to us to help redeem this prodigal world. Our source of power is the Holy Spirit. The outlets of power, according to Dr. S. D. Gordon, are our lives, our lips, our

service, our money and our prayers. Prayer is the greatest means of winning souls. Whether we are in the foreign fields or at home, the victory must first be won in the secret place. That is why our missionaries beg us to pray, pray! How will we answer the Saviour as to our obedience to the command to go, if we have not gone in this the most important way? May the Lord help us each to be real missionaries in our secret chamber, if we are not privileged to go abroad.

Purse, person, and prayer; let us as Bands be one hundred per cent missionary and one hundred per cent for God in the coming year.

Respectfully submitted

MRS. MARY S. ROBINSON, Superintendent
