Reports of Committees

Report No. 1

PRESIDENT'S REPORT

We greet the sixty-third Session of the South Carolina Conference in the Name of Him "Who loved us, and washed us from our sins in His own blood." This year has been filled with the delightful and the difficult; with the thrilling and the trying; with victory in some quarters and defeat in others. However, all in all it has been a good year.

We are grateful to God for His grace which has sustained us; His mercy which has protected us; His anointing which has blessed us. We are indebted to the people who have received us; who have co-operated with us; and who have labored with us in the cause of God and His church.

A Busy Year

Attendance at the General Conference was a part of the year's schedule. It was, in my opinion, the best General Conference in a number of years. The religious services were great and the spiritual tone was good. Issues upon which differences of opinions were held were discussed in a Christian manner. When the issues were settled by vote the matter was ended in mutual understanding. This is as it should be!

The proposed "Merger" with the Free Methodist Church was one of the most discussed items considered. The report and recommendations of the Commission on Merger was not adopted by a vote of 96 to 62 which had the effect of rejecting merger and discontinuing the committee. However, the Fraternal Delegate of the Pilgrim Holiness Church expressed an interest on the part of the said church to discuss merger with us. A motion prevailed that the Board of Administration elect a committee so that if and when the Pilgrim's approach us we will be prepared to discuss it with them. Before its passage the amendment, "And continue study of merger with the Free Methodist Church" was added. Therefore, if and when the Pilgrim's approach us a three way discussion will result.

An appeal of the Ohio Conference on a Conference Resolution was heard. The resolution in question was, "We understand paragraph 51 in the Discipline to require that no one be received into membership of our local churches unless they have left off wearing of gold including the wedding ring. Be it further resolved that paragraph 52 regarding modest apparel be strictly adhered to." The General Conference President ruled the resolution "to be null and void". The Board of Appeals sustained him. It was pointed out that Paragraphs 41 (3) (a), 69 (1) and 71 gives the local church the right to determine who its members shall be and therefore it is left up to the local church. The Annual Conference cannot pass a resolution restricting membership since the local church determines who its

members shall be. This ruling, which was sustained by vote of the General Conference, does not change our church law nor conditions of church membership. The Local church can bar membership to anyone. This has been a principle of our church through its history.

Moving our International Headquarters was referred to the Board of Administration with power to act. Where it shall be built and the details of the building will be worked out by the Board of Administration.

The Pension Plan was improved. Conference Preachers are now eligible for benefits. If one ceases to be engaged in work covered by the pension plan he may discontinue paying assessments and upon retiring receive benefits on the number of years he participated in the plan. These and other improvements make it imperative that each one who is now eligible become members of the plan within two years because after that date one forfeits his right to become a member of the plan. Inasmuch as our Superannuate minister and widows are paid in proportion to the amount of budget paid we cut their salaries when we fail to raise a full budget. Inasmuch as we raised only 85% of this budget item Brother Kendrick and our other retired veterans of the Cross will receive 15% less income than they would had we paid a full budget. If those churches which failed will get busy and make up this deficit within two months, I believe, the Treasurer of the Pension Plan will give full benefits. Above all, we **MUST RAISE A FULL BUDGET ON THIS ITEM.**

The calling of a pastor for more than one year was referred to the Board of Administration with power to act. Before, or if and when, this becomes law you will be notified.

Much time has been consumed relative to the erection of the Conference parsonage. A beautiful lot at 1300 West Poinsett Street was purchased and a nine room parsonage consisting of four bedrooms, living room, dining room, kitchen, and a two room office is nearing completion and will cost approximately \$29,000.00 including the lot. While the building is more elaborate than first anticipated and thus, the cost greater, yet we feel that it is a parsonage you will appreciate and be grateful that we have it. The building is well arranged and substantially constructed. It is expected that the new location and the adequate parsonage will enable the conference president to better serve the conference.

This Session of conference is being held in the second largest tabernacle in the denomination and in the nicest. Many hours have been given to this project. The first plan was to erect an open building but the committee soon became convinced this was unwise. A cement block building was later considered but the committee decided this was not what we needed nor what you wanted. This present building was designed with you in mind. The cost will be near \$36,000.00. If all of our people will give \$10.00 each, with what we receive from outside sources, we can pay for it. A corner-stone laying ceremony is planned during this.

session of conference and a special service of dedication is planned for the first Sunday afternoon of Camp meeting.

State of the Work

Financially:

Even though farm income has been off for the last three years due to the severe drought, and even though the peach crop was a total loss this year in South Carolina, yet the over-all income of our churches has increased. Our pastors are better paid and the budget contributions on each item except Foreign Missions, Orphanage, General Conference Travel and Mountain Missions was greater than last year. This, plus the added item on Conference Parsonage, gives a substantial increase in total budget contributions. The total contributed for all purposes likely will be at an all time high.

Materially:

Along with the improvement of the camp meeting property and the erection of the conference parsonage the following churches have made major improvements:

Pelzer has built the largest church in the conference. The auditorium is 40 x 76 with full basement and balcony. The "T" is three stories and provides 16 Sunday school rooms—24 when other partitions are run. The Kendall Mills donated the lot and \$10,000.00. Rev. A. C. Legg, who became pastor after the project was begun, and his people donated 15,000 hours of free labor. The building is valued at \$80,000.00. **Piedmont** dismantled the old parsonage and replaced it with a beautiful seven room parsonage and full basement which is one of the nicest in the conference valued at \$28,000.00. **Walhalla** replaced their church building with a beautiful stone building of English design with the interior beams exposed. It is different to anything we have in the conference and is valued at \$50,000.00. **Williamston** has added five additional rooms to their church, installed rest rooms, and brick-veneered the entire church. **Clinton Road** has completed their new cement block church valued at \$25,000.00. The auditorium is 32' x 55 with full basement. **Ariail** (Easley) refinished the pews, laid a carpet, installed rest rooms and a nursery. **Startex** has installed new pews and erected a vestibule. **Liberty** has added Sunday school rooms in their basement, installed rest rooms, replastered the auditorium, placed celotex over head and plans to refinish the floors and pews and install a natural gas heating system. **Anderson** paid the balance due on the indebtedness of the parsonage, redecorated the interior of the church, and installed new pews without additional indebtedness. **Lyman, Davis Chapel, and Walhalla** have installed an electric organ. For other improvements you are referred to the pages of the "Challenger".

Numerically:

A number of churches report splendid gains in church membership,

Others showed a loss. It is hoped that a net gain will be reported. While no spiritual minded person is interested in numbers for numbers sake yet all spiritually minded persons are concerned that we are not winning more people to the Lord and church. Dear people, this is our mission! Failure here is tragic. Our financial and material progress is a means to an end and not an end within itself. A revival is our greatest need. Let us return from this conference gathering to experience revival in our hearts and in every church.

Spiritually:

The spiritual tone is good. We have noble preachers and laymen. However, there is room for improvement. The spirit of fellowship and good will among us is gracious. May it ever be thus.

Prospects:

Our prospects were never brighter. We are in a position to accomplish more for God than ever before. However, this will require an all-out effort. We will have to spend our energy on advancing the cause of Christ and cease spending it on our own cause. The challenge was never more urgent; the need never more desperate, and the opportunity never greater. Since 1934, it is reported more than 58 million children have been born in America. This group under 21 years of age makes America the greatest missionary field in the world. The unreached in South Carolina in the communities where we have established churches as well as in the vast territory we have not entered affords an opportunity for advancement, and confronts us with a responsibility for our failure to advance as rapidly as we should have. Let us forge ahead in 1956!

CARD CALL COMMITTEE

To the 1955 session of the South Carolina Conference: The Committee on Card Call is regretful to report that we had no occasion to send out any card call during the year as no new works were begun. We believe that the 347 subscribers were ready and expecting a call. Realizing the need of keeping the plan active we hereby recommend:

1. That we re-organize the card call.
2. That we send two calls a year. (Oct. and March)
3. That a letter of explanation be sent out and have present members sign a new pledge.

MEN'S FELLOWSHIP

We have Men's Fellowship organizations actively operating or recently reorganized in the following and possibly other churches: Carlisle, Greenville First, Pelzer, and Spartanburg.

The Carlisle unit is being reorganized as a separate unit, having been previously operated in conjunction with another men's organization of the church. The Greenville First unit is cooperating with the ladies of their Missionary Society in supporting Miss Virginia Hooker, a nurse who will soon leave for Haiti. The Pelzer unit is taking on new life by undergoing a reorganization.

This men's organization imposes few restrictions on the local groups

and more pastors are urged to take the lead in organizing local units in their churches.

May God richly bless this arm of His work.

Respectfully submitted,
L. L. Jarrard, Secretary.

PRAYER LEAGUE

Spartanburg District

I have tried to promote the interests of prayer. First, by praying myself; second, by preaching prayer to my church. I also sent letters to our ministers in our district, trying to promote the interest in prayer.

We may search in all directions, seek and try every method for the answer to our problems, but when we find it, it will be prayer.

A. W. Padgett, Secretary

Greenville District

In this day of turmoil, strife, greed, and unbelief, I still believe that God answers the prayers of every true believer. During the year we have preached and practiced fasting and prayer and have seen some answers. To which, we give God the glory.

The three churches of Greenville joined in observing a Watch-night service and a Sun-Rise service, which were refreshing to all.

Respectfully submitted,
Bertha E. Stamey, Secretary

1. We emphasize the need of much prayer and intercession in these evil days, and that fasting and self-denial be observed as well.

2. The W.M.S. dues of one dollar (\$1.00) per member are to be divided as follows; Foreign Missions, \$.25; Home Missions, \$.25; General Fund, \$.25 and Unspecified, \$.25.

3. The Y.M.W.B. dues are fifty-five cents (55¢) for our Conference. The fifty-two cents (52¢) is to be used for foreign missions, one cent (1¢) desk expense and two cents (2¢) for General Conference travel expense of Y.M.W.B. Superintendent.

4. The annual report blanks must be in the hands of the Conference Statistician by July 1st of each conference year.

5. Each local society should pay annually an amount equal to twenty-five (25¢) per active member to be used as a general administrative fund, not to apply on budget.

6. We urge each local society to have an alert Magazine Solicitor, an active Mission Study group and a large Prayer Partner circle.

7. It shall be the duty of each District Superintendent to supervise the interests of the societies in her district. This may be done by visitation, correspondence, the holding of conventions and rallies, the organizing of societies and bands where none exists and giving of her time as she deems needful. Each society or district is to bear her expenses on said visits.

8. We urge the use of the Standard of Efficiency so that each society may work to be placed on the Honor Roll.

9. The Executive Committee will serve as a nominating committee to nominate committees as deemed necessary before the opening of conference.

PRESIDENT'S REPORT

Greetings in the name of our blessed Redeemer. We are privileged to gather in this annual session and review the work of the past year and make definite plans for greater accomplishments for Him in the year before us. Our slogan for the Quadrennium is "What Is Your Vision?" and I trust we will each ask ourselves that question and with all earnestness ask of Him to enlarge our visions. We need to be in haste in getting the message of salvation to the world.

During the year one new Society has been organized and we welcome Community W.M.S. into our ranks. This now makes sixty (60) W.M. Societies with a total membership of 1,366 members. Our receipts for the year are a little below last years but we are happy to report a grand total of \$14,391.53 as reported by the Treasurer.

At General Conference in the report of the Southern Area Chairman we noted that South Carolina Conference had the greatest gain in the quadrennium in the number of new Societies organized with eleven (11) reported. We also had a gain of 292 members and of 95 subscriptions to the WESLEYAN MISSIONARY. Your delegation present at the General Conference was proud to represent you and were reminded of you back in our conference who had helped to make such a report possible.

The project adopted last year for the full support of one of our own South Carolina girls, Miss Marie Evatt, was heartily received by the people and the amount was raised in full. We thank you and praise the Lord for this achievement.

I fully appreciate the women of our conference and the loyal support that you give your leaders. Some of you have come from fields where your labors may have been difficult but labor on for the work is His and if we are faithful He will reward us in due time.

During the year I have endeavored to give proper attention to every detail of the work. I attended the General Conference as your representative and tried to glean all the good to be derived from such a great gathering. This has been my sixth year to serve in this office and it has been a pleasant task because of your wonderful support. I have endeavored to put my best into the work but I am keenly aware of my limitations. Because of the great responsibility placed on one in such a position and because of my lack of strength and time, I feel that someone else who could give more time, new life and impetus to work should be chosen. I want to be fair with you as a conference and not limit your service when there

are others capable of shouldering the work. Therefore, please elect someone else as President.

As we leave this session may this chorus express the desire of our hearts:

"Channels only, blessed Master,
But with all Thy won'drous power
Flowing thro' us, Thou can'st use us
Ev'ry day and every hour."

Respectfully submitted
Mrs. J. B. Hilson

REPORT OF THE AUDITING COMMITTEE

This is to certify that I have thoroughly and systematically audited the books and cash of the W.M.S., South Carolina Conference and find them to be correct and in good condition. I have also made proper reconciliation of the cash with the bank.

It is highly recommended that all reports to be included within a given fiscal period, be in the hands of the treasurer, at least, two week before the opening of the conference so that there is sufficient time for the closing of the books and the audit.

Respectfully submitted,
Freda Myers

The Y.M.W.B. books have been examined and found neatly correct.
