CONFERENCE RESOLUTIONS

1. All Statistical reports shall be filed with the Statistical Committee no later than the second day of Conference.
2. Pastors shall equalize the amounts required for Budget before overreaching any one item, and it shall be the pastor's duty to inform his people at the beginning of the year concerning the amount to be raised and he shall at once proceed to raise the amount assessed his charge.
3. Inasmuch as the work of the Conference demands the attention and attendance of all its Elders and Licentiates, therefore we will not employ as pastor or evangelist any Elder or Licentiate or pass the character of any Elder or Licentiate except by vote, who does not attend the entire session of Conference. The Committee on Pastoral Relations shall not give employment to any preacher who does not meet the requirements of this standing rule, without bringing his excuse before the Conference for its action in the matter.
4. Any minister accepting work on a charge at the hands of this Conference who resigns or abandons it before the year is out without a good excuse or lawful reason, shall be considered by said Conference and it shall take a vote of Conference to pass his character.
5. Inasmuch as the work of the Conference demands the attendance of Delegates as well as preachers, therefore we discourage the election of any person as Delegate to Conference who does not intend to attend the entire session. Information of the Delegate's intentions shall be incorporated in their credentials.
6. We recommend that each church pay two dollars towards the board of each Delegate and pastor at Conference, said amount to be sent with the Delegate's credentials. Also that each church pay the traveling expenses to and from Conference.
7. The Secretary shall prepare blanks for Delegate's credentials, including the statement required by the last resolution. Said blanks are to be mailed to the pastors shortly before Conference, and when filled out by them to be sent to the Chairman of a Standing Committee on Credentials if possible, in order that they may be able to report immediately after the opening of Conference. Said committee shall be composed of two members appointed by the President.
8. The Secretary shall send a statistical blank to the clerk of each charge having no pastor, requesting that the same be filled out with all available statistics and returned to the Conference Secretary.
9. For the future the Conference shall observe the disciplinary

WESLEYAN METHODIST CHURCH

19. All charges receiving a new pastor pay the moving expenses, the amount being agreed upon by the pastor and the church.

20. We order that no money be paid from the Conference Missionary Fund except by written order of the Missionary Board.

25. Be it required that all our workers, preachers and singers on the platform at Conference and Camp Meeting, wear sleeves at least to the elbows, and all their apparel in accord with the Discipline.

26. We recommend that first, every church in the Ohio Conference be urged to enter every open door that may be found within its borders, and inaugurate a church extension campaign including a special evangelistic program, specializing on Holiness, Church Organization and Church erection. Each charge is to have at least one Sunday each quarterly meeting except where other satisfactory arrangements can be made by the President with the pastor.

Inasmuch as it is necessary for both pastor and Conference President to arrange their program for the year, be it required that the President, at the Annual Conference prepare his slate for six months in advance, and post the same on the Conference bulletin board, as a guide for the pastors in arranging their programs for the Conference year.

The plan shall be administered by the Board of Trustees, incidental expenses being paid from the Conference Incidental Fund so that the entire proceeds from the plan may go to the new project. Money from the appeals shall be paid through

THE OHIO CONFERENCE

the Church Extension Treasury but shall not be given budget credit. No church shall receive the benefit of the plan more than once for the same building; but this shall not prohibit the Conference Trustees from authorizing loans or gifts from other sources for the benefit of said church.

WESLEYAN METHODIST CHURCH

Report No. 4A

We, the Wesleyan Methodist Young People's Society of the Ohio Conference in the Thursday morning session, rose to a vote of thanks for the courtesy extended our organization in relinquishing the Wednesday afternoon session of Annual Conference to accommodate the Young People's services.

We also wish to express our interest in the program of Ohio Conference and we desire to coöperate with Conference officials as far as lieth within our ability. Above all we pray the spiritual standards of the Bible and discipline be emphasized this coming year in our Conference.

We also wish to thank the Conference for granting us space in the Conference Minutes for the publishing of our W. Y. P. S. minutes last year. We propose to pay the sum of \$6.00 for at least 3 whole pages in the Annual Conference Minutes for the W. Y. P. S. Conference business.

Report No. 4B

WAYS AND MEANS

We advocate the following plan whereby we believe not only the pastors' salary may be increased, but all the financial obligations of the church met:

1. The adoption of the Storehouse Tithing Plan, as recommended by the Discipline.

2. That there be at least quarterly a donation for the pastor, and that the Conference President also be remembered at the time of his Quarterly Meeting visitation.

3. That the non-resident and non-attending members be communicated with once a quarter and informed of the condition and needs of the church, by the stewards.

4. That there be a study of the Discipline relating to finance and stewards duties, and also the duties of all church officers at least once a quarter.

5. That the pastor be paid weekly, including his time at the Annual Conference and the Camp Meeting.

6. That each church elect a Tract, Tithing and Educational Secretary, who shall secure a tract box, to be kept filled with literature on tithing especially that published by our Church, and other religious subjects. Offerings shall be taken for this purpose.

7. That each pastor transfer his membership to the church he is serving.

THE OHIO CONFERENCE

Report No. 5

PRESIDENT'S REPORT

To the members and friends of the Ohio Conference: Greeting in the name of our Lord by whose grace and favor we are assembled for this, our thirty-second Annual Session.

This session is one of particular interest by virtue of its association in point of time with the recent General Conference. We look back with gratitude for divine blessings over the ninety-six years of our existence as a Connection. Surely, God has blessed us through the years, and that blessing is the greater evidence that He has a mission for Wesleyan Methodists in this lost and wayward world.

We believe that God would also have us look ahead to a future that is as bright as His exceeding great and precious promises can make it; to a future that challenges us with the greatness of the white harvest fields that beckon us the world around; to a future that we trust shall be filled with exploits and accomplishments for the glory of His Name! The world needs the message of Bible Holiness! Hands beckon from fields far and near. We believe God would have us "Go Forward." We join particularly with the Foreign Department in desiring a great forward movement in present mission fields on this Golden Anniversary occasion. God has a task for Wesleyanism on those fields. And then beyond that we cannot but feel that there are other foreign fields where God has a place for us to labor for Him. The same is true on our own continent. We believe that it would please God for us to cover this nation and Canada, from ocean to ocean, with a network of churches where full salvation is preached. The fields are white! The responsibility and the opportunity are ours!

But no such super-structure of home and foreign evangelism can be reared except as it has a broad and solid foundation in already existing Conferences. Here is where our past of the program comes in. Only as we move forward in the local Conference can the denomination expand its missionary activities! This gives us a twofold privilege: that of furthering spiritual kingdom-building in Ohio! and simultaneously of helping to lay the foundations of a similar forward movement world-wide! What a task is ours! and what a privilege! To your knees, O Israel; and then arise and go forward!

With these considerations in mind we suggest some objectives of special endeavor which we believe are absolutely vital to our work.

1. We must conserve our present work. While new fields beckon old fields still present opportunities. Too frequently some of our older churches have had to record a loss. While we recognize that some losses may be healthy, yet when losses continue it is not a good sign. They must be checked and the tide definitely turned or the work will eventually have to be abandoned.

WESLEYAN METHODIST CHURCH

2. We need to consolidate our more recent gains. In this respect we cannot too strongly urge the need of prayer for each of our churches and especially for our newer ones. We also recommend the adoption of some definite church extension plan to assist in securing houses of worship for new churches.

3. There are many openings for further expansion throughout the Conference. We urge an increasingly definite and aggressive program of Conference Missions and the whole-hearted support of such program by the entire Conference constituency.

4. We also desire to speak a word in behalf of the support of Connectional Activities. This is our work. We have a share in it. By this means we can definitely assist toward success on every field where Wesleyanism is called to labor. To that end, let every pastor make diligent effort to enlist the prayers and interest of his people in every phase of Conference and Connectional work.

The careful observance of these points will make for greater success in our efforts for Christ.

The official actions of the Conference President are as follows:

1. On November 1, the resignation of W. B. Ward from the Kenton Church was received. The vacancy was filled in December by the choice of J. C. Omerod by the church.

2. On February 6, the mission which has been conducted for the past 3 years or more at Westerville was organized into a church with 9 full and 4 associate members. We believe this field holds prospect for the future. D. E. Howard continued as pastor.

3. On April 5, word was received that the work at Sugar Creek had been discontinued.

4. On June 6, a church organization was effected at Plainfield, Ohio, with 10 members. This work began with a tent meeting held last fall by Evangelist Sweigard of the Rochester Conference. Following that services were continued in a home. Interest and results increased until in June the church was organized. Eugene Savage was appointed pastor.

5. On June 17 a church was organized at George's Run near Mingo Junction, Ohio, with 16 members. This grew out of a contract through Rev. Clifton's radio program with a group of holiness people who had withdrawn from another denomination on account of its unspiritual character. Services are held in a rented hall on a main highway. The work holds good prospects for the future. In fact it appears to be one of the most promising new works I have seen. Since organization, the pulpit has been supplied by H. S. McConn.

6. On June 11, the resignation of Albert Swift from the Marion Church was received. On June 20, the services of Earl Lutz were secured as a supply for the balance of the year. The work seems to be improving.

THE OHIO CONFERENCE

7. White's Chapel was supplied by Allan Baker until late fall since which time Fred Fields has held services about every 2 weeks.

8. Rine Memorial Mission was supplied by Fred Fields until the middle of March when he resigned and his place was taken by Allan Baker.

9. Under date of July 17, the transfer of Annual Conference Preacher, Donald Fisher, was received from the Indiana Conference.

I have received from the churches, either direct or through the Conference Treasurer, the sum of \$1060.56. Also the sum of \$30.15 toward the deficit in last year's salary; and gifts to the amount of \$48.00.

Respectfully submitted,

LESLIE D. WILCOX, President.

Report No. 6

MISSIONARY BOARD REPORT

First of all we desire to register our praise and gratitude to Him who alone giveth the increase for His blessings upon our Conference during the past year. We particularly have cause for thanks in that three new churches are reporting to this Conference. Two of these, the churches at Plainfield and George's Run near Mingo Junction have been developed without cost to the Missionary Board. The latter was organized directly as a church. The former sprang out of a tent meeting held last summer and was conducted as a mission until in June, when it too was organized. The third church which is being reported this year was organized in February as a result of a mission that has been carried on for 2 or 3 years at Westerville under the direction of the Board.

Besides these, there have been three projects which the Board has especially sponsored.

1. We continued a partial support of the Mission at Wheeling, W. Va., until May when it became apparent that the work was not making sufficient progress and was therefore closed.

2. Although the work at Marion was organized as a church last year, it appeared imperative to give a limited amount of support to the pastor in order to keep the work open. This was continued until June. In May the church was completely redecorated under Board sponsorship in the hope of increasing response by increased attractiveness. Some of the expense was cared for by local offering but the response was not as great as anticipated and so the Board had to assume most of the cost. The work seemed so unproductive that the pastor resigned in June. Earl Lutz was secured to take over the work and it now appears more promising. We are not yet willing to abandon hope of a good church in Marion.

3. Early in the year we decided to concentrate our efforts on a summer evangelistic campaign. We hoped to enter 2 or 3 cities. Due to

WESLEYAN METHODIST CHURCH

trouble in securing evangelists we were forced to limit our plan to a meeting in Toledo in July. For some reason which we cannot entirely understand, the meeting was not a marked success and we regret to say that there are no results which can be tabulated.

There are one or two matters further which we feel should claim your attention.

1. It is the conviction of the present board that all Conference Missions money should be used for the work of opening new work and supporting the same for such period as may prove necessary to give it a start. Therefore, early in the year we decided by unanimous vote that we should not use any more of Conference Mission funds to assist in building programs. However we recognize that this is a worthy and vital work and should be supported. To that end we recommend that this Conference take definite steps to so augment the Church Extension.

2. It has been the custom of previous Boards to tour the Conference in the interests of Conference Missions. Realizing that there was some objection to this plan, we decided to try another method. So we sent out a carefully prepared appeal by mail. But the response was very small. We feel that the method of a Missionary Board Tour should be continued. It has advantages and gives results that no other method can. Our receipts this year were only about \$340 in contrast with \$423 last year.

3. We desire to urge a still more concrete and intensive program of Conference Missions. Calls continue to come from every corner of the state. Just now there are 3 or 4 openings of bright and immediate promise. The time is ripe. Let us press forward under the guidance of Almighty God. By His grace we are well able to possess the land!

REPORT ON MORAL REFORM

We, the Ohio Conference of the Wesleyan Methodist Church, recognizing the deplorable moral condition of our land, do pledge ourselves to wholeheartedly support every properly constituted effort toward moral reform, and do especially urge our ministers, Sunday schools, superintendents, and teachers to give more definite attention to temperance teachings, and, remembering that we are temples of the Holy Ghost, and that we are instructed by God's precious Word to be examples; we believe that it is mandatory that we dress as becometh godliness as set forth in 2 Timothy 2: 9, 19 1 Peter 3: 1-4, and elsewhere.

Be it further recommended that we strongly oppose public bathing beaches and swimming pools and keep ourselves and our children away from them.

W. Y. P. S. PRESIDENT'S MESSAGE

"We are living in perilous days—especially when we think of our youth and the problems they confront. Yet God has never failed in a crisis and it is with praise in our hearts that the Ohio young people as a whole are meeting the challenge that has come to them. This year has found on Victory Grounds a more spiritual group of young people than any year I have been associated with the Conference. To our delight many Wesleyan youth are measuring up to the standards of the Church and in line with that fact we too note a more zealous, deep Christian activity.

Another pleasing fact is the progress being made along lines of organization and systematic endeavor to cooperate in the youth program. Methods have been adopted for the first time during the past few years which have been and are conducive to W. Y. P. S. progress.

Above all pray for Ohio Youth—Work with them—Boost her program for God and the gospel. My only purpose and desire is to humbly serve my Christ and be a fit leader and godly example to the precious youth in our state that working together we may reach our goal."

Obediently yours in love,

JOHN N. WOODHOUSE.

THE OHIO CONFERENCE

The Marion College Quartet refreshed our souls as they sang with fervor and unction.

The speaker of the evening, Miss Ione Driscoll of Africa was then presented and with Brother Charles Carter as interpreter brought us greetings in Temne. Her message that followed was well received. She stressed especially the importance of prayer for our missionary work and that the proportion of those bowing at an altar of prayer in Africa who really get established on the Rock is about the same as here in the homeland. One great need of Africa is that the native teachers become more spiritual, and the great need for us here at home is to pray until we pray as we ought to pray.

A trio composed of Ruth Taylor, Mildred Osborn and Jessie Clymer sang "Heaven Is Nearer," after which pledge slips were passed and the offering received. Total in cash and pledges approximately \$225.00.
