## Report No. 1

### OFFICIAL ACTS OF THE PRESIDENT

1. August 11—Being informed that a mutual agreement has been reached between members of the Warren Church and Marvin G. Baker for ministerial labors for the coming year, I appointed Marvin G. Baker pastor of the Warren Church.

2. August 23—Received Letter of Transfer for Conference Preacher, Samuel T. Long, from the Kentucky Conference.

5. September 30—Received word from the Conference Vice-President, the Rev. Vestal Van Matre, that on September 29 he had organized a church with fifteen full members, seven associate members, and sixteen junior members at Hamilton, Indiana. I received this church and declared it to be a Wesleyan Methodist Church. Knowing it to be the desire of the church, I appointed Floyd J. Metz pastor of the newly organized church.

6. October 28—At the request of the Muncie Church, I appointed Mark Budensick as their Assistant Pastor.

7. January 2—Following a unanimous vote of the Muncie Church, I appointed Mark Budensick pastor of the church pending receipt of his Letter of Transfer.

8. January 14—At his request, I granted a Letter of Transfer for Elder Oscar C. Ahlbrand, to the Florida Conference.

9. January 20—Received a Letter of Transfer for Conference Preacher, Mark Budensick, from the Iowa Conference and issued him a Conference Preacher's License.

10. February 4—Received and accepted the resignation of Elmer C. Jay from the pastorate of the Noblesville Church and appointed Brother Jay to the work of Conference Evangelism.

11. March 14—The Deming Church had been supplied by various preachers since conference. On this date I received written word that the regular attenders desired Donald McKinley to serve them. I appointed him as supply pastor of the Deming Church and issued him a Conference Preacher's License.

12. May 21.—At his request, I granted a Letter of Standing to Elder Dale Bardsley.

13. June 3—Received and accepted the resignation of Wilbur G. Williams from the pastorate of the Sheridan Church with the understanding that the resignation does not become effective until June 30. Brother Williams felt this action was necessary because of his plans to study overseas during the summer and the coming year.

14. June 3—Received notice that the Sheridan Church had voted for Darold Woodruff to serve as their pastor for the remainder of the year and during the coming year. I thereupon appointed Darold Woodruff pastor of the Sheridan Church with the understanding that his responsibilities are to begin July 1.

15. June 6—Accepted resignation of R. R. Prickett from the pastorate of the Valparaiso Church, the resignation to become effective June 30.

16. June 6—Having received word that the Valparaiso Church had unanimously voted for Howard B. Castle to serve as their pastor for the remainder of the year and for the coming year, I appointed Howard B. Castle pastor of the Valparaiso Church with his responsibilities to begin July 1.

17. June 6—Since Elmer C. Jay's resignation on February 4, the Noblesville church had been supplied by the Reverends Amos and Vernia Jackson, Virgil S. Vardaman, and Chester H. Leonard. On June 1 the church voted unanimously for R. R. Prickett to serve as pastor for the remainder of the year and for the coming year. On this date Brother Prickett accepted the call and I appointed him pastor of the Noblesville church with his duties to begin July 1.

18. June 13—At his request I granted a Letter of Transfer for Elder, Roscoe Irby, to the Ohio Conference with the understanding that he finish the present conference year as pastor of the Lebanon church.

19. June 24—The New Castle Church Division. Late in May the New Castle Church voted on the return of the pastor, C. A. Kerschner who had served them since last August. The vote resulted in 27 voting for change and 19 voting for no change. Within a very short time Don Phillips called several of the minority group together and they voted to withdraw from the church and start another church. At the same meeting they voted to invite Brother Kerschner to become pastor of the new group. On May 26 elected representatives of the minority group, namely, Don Phillips, Marion Futrell, and Orville E. Rhoades, came to Marion and talked about starting another church. On June 4 I took the Advisory Board to New Castle and met the church in a closed business meeting and we made a sincere effort to get the dissenters to wait another year and then start another Wesleyan Church in a peaceful way. Our efforts were not successful. We were handed a petition signed by 23 members and several others asking for "recognition as a duly organized Wesleyan Methodist Church." We took the matter under advisement and left without reaching any agreement. One week later on June 11 the representatives of the minority group met with me and the Advisory Board in Marion. At that time they demanded our decision. Inasmuch as the entire proposal was to be on their terms with an unwillingness to be reconciled, there appeared to be no alternative but to deny the petition. Among the reasons given for our decision were the following:

1. The meetings which resulted in the request for another church were held very soon after the vote on the pastor and the action taken so hastily is considered as a protest to the desires of a majority of the church.

2. The method proposed to start a new church, by withdrawal in disagreement, is against the established policy of the conference.

3. This type of withdrawal will not give a proper witness to our cardinal doctrine of holiness. It announces to one and all that holiness does not work out in practice.

On Thursday night, June 13, the New Castle church voted to waive its right to call a pastor and leave the matter in the hands of the conference in accordance with paragraph 87 of the Discipline. On June 24 I received and accepted the resignation of C. A. Kerschner from the

pastorate of the New Castle church, the resignation to become effective June 30. Having consulted with the Pulpit Supply Committee and with the Advisory Board and having previously received an affirmative reply from Brother Vardaman, I appointed Virgil S. Vardaman pastor of the New Castle church for the remainder of the conference year and for next year with his responsibilities to begin July 1.

On June 26, at his request, I granted a Letter of Standing to Elder C. A. Kerschner. Information was received that the minority group had withdrawn from the church and were organized into a Free Methodist church with C. A. Kerschner as their pastor. This is a true record of the principal facts as they happened.

20. June 26—At his request I granted a Letter of Transfer for Elder Paul Eger, to the South Carolina Conference with the understanding that he finish the present conference year as pastor of the Shelbyville Church.

21. July 2—The proposed merger of the Missionary Bands of the World was officially approved by the Board of Administration in its June meeting. On this date the Advisory Board and I met with the Salem Park Missionary Bands church in Indianapolis. I officially received this church of 22 full members and 2 junior members and declared them to be a Wesleyan Methodist Church, with Donald Pruett as pastor.

22. July 2—Among the membership of the new Salem Park Wesleyan Church are four Elders. Consequently, I received the following Elders, formerly with the Missionary Bands of the World, and they were referred to the Committee on Itineracy and Elders Orders for recommendation: Herman S. Bolinger, Jr., Iris Eversole, Adah Fiddler and Donald Pruett.

23. July 3—Received a Letter of Transfer for Conference Preacher, Thomas J. Arnold, from the Tennessee Conference.

24. July 8—Received a Letter of Transfer for Elder Lewis Daughnbaugh from the Ohio Conference.

25. July 24—At his request I granted a Letter of Transfer for Conference Preacher, Samuel T. Long, to the Illinois Conference.

26. July 29—At his request I granted a Letter of Transfer for Elder, Don H. Polston, to the Oklahoma Conference.

27. July 31—At his request I granted a Letter of Transfer for Elder, Robert W. Klatt, to the Illinois Conference.

28. August 2—Received a Letter of Transfer for Elder Roscoe Rhy, from the Ohio Conference.

## Report No. 7

## REPORT OF SPECIAL COMMITTEE

At the 1957 session of the Indiana Conference, we were elected as a special committee to study the provisions for the Conference Board of Trustees and The Missionary Board in the **Discipline**, paragraphs 120, 121, 277, and 278, especially the differences between them in the light of our Conference having only board, and the relationship of this matter to the work of Conference Extension.

Upon careful examination of the **Discipline**, we have discovered that there are differences in the provisions for these two boards in four areas: personnel, mode of election and term of service, duties, and the manner of filling vacancies.

1. As to **personnel**, the Board of Trustees is to be made up of not less than five members, two of whom shall be laymen; and the Missionary Board is to be made up of not less than three members, of whom the Conference President shall be one, and he shall serve as President of the Missionary Board, and the President of the Conference W. M. S. shall also be a member by virtue of her office.

2. As to **election and term of service**, members of the Board of Trustees are elected by ballot for three years, but members of the Missionary Board are elected for one year, the means not designated.

3. As to **duties**, the Board of Trustees is "to receive, and hold, and dispose of all property within the bounds of the conference, according to the provisions of the **Discipline** and the directions of the conference." On the other hand, the Missionary Board is to carry on the work of missions between the sessions of the Conference, as the Conference may instruct, or direct. It shall elect a treasurer unless the Conference does so. It may serve as the Board of Managers for the Conference. It may employ missionary evangelists between sessions of the Conference, and they shall report to the Conference as if appointed by it.

4. As to **filling of vacancies**, in the Board of Trustees this shall be done by the Committee of Vacancies, but in the Missionary Board it shall be done by the board itself.

In the light of these differences, your Committee feels that while some of the provisions are not mutually exclusive, it would be impossible for one board to operate according to all of the rules for both boards. It is our judgment that while the **Discipline** is a bit ambiguous at this point, we are not abiding by the provisions of the **Discipline** with only one Board.

Furthermore, we have inquired as to the procedure in most of the other conferences in the United States, choosing the ones most comparable to our own and one or two of the Mission Conferences, and have discovered that we are not in accord with the general practice. Of the twenty conferences that responded to our questionnaire, 16 have separate boards, while 4 have the same board; though in only one of these is the procedure quite like that of our own conference. Not one of the ones with separate boards was dissatisfied, most were enthusiastic about the system, many ascribed their gains, at least partially, to this type of organization. It is noteworthy that these include the fastest growing conferences in the denomination.

Therefore, your committee recommends that under "Resolutions and Laws of the Indiana Conference," Article IV, paragraph 10, be changed to read as follows:

The Conference Missionary Board shall be composed of the Conference President, the Conference W. M. S. President, and two elders and two laymen nominated by the Nominating Committee and elected by the Conference. The term of the elected members shall be for one year, and they shall not serve more than four consecutive years. It is recommended that no one, other than the Conference President, be at the same time a member of the Missionary Board and the Conference Board of Trustees. The Conference President shall be President of the Missionary Board by virtue of his office. The Missionary Board shall have complete control of all funds raised for Conference Extension, and shall carry on the work of the Conference Missions between the sessions of the Conference.

## REPORT OF THE RESOLUTIONS COMMITTEE

We, your committee on Resolutions, submit the following report:

1. In view of the trend today toward shallow decisions for Christ: be it resolved that our church place a strong emphasis on the necessity of our people living a consistent saved and sanctified life in Christ.

2. Inasmuch as we are living in an age of laxity; let us stress the importance of regular attendance to the means of grace, especially to the mid-week prayer meeting, and realize our obligation of using the store house plan of tithing.

3. In observance of the fourth commandment. "Remember the Sabbath day to keep it holy." Exodus 20:8; we insist that our people abstain from buying and selling, and participating in worldly pleasures on the Lord's day.

4. Realizing sin and immorality are running rampant in the world today, we wish to voice our protest against immodest dress, public bathing, the use of tobacco, intoxicating beverages, and narcotics; furthermore, we ask that our children be instructed against the evil of being associated with these and other forms of worldliness. We urge our people to read and heed the general and special rules of the Wesleyan Methodist Discipline.

5. Recognizing the great evil of divorce, we admonish our ministers to preach against it and to instruct our youth in the sanctity of the home.

6. Since we are grieved over the invasion of the television into the American home, we urge our people to take their stand against this channel of evil as well as that of the degrading literature found on the news stands of today. We further denounce the Satanic influence of the "Rock 'n Roll" music that is undermining the morals of our teenagers. Therefore, be it resolved that in our homes there be established family altars which would create a godly atmosphere and influence our children toward Holy living.

7. We believe our ministers should continue to sound a warning against false cults, especially that of the Roman Catholic Church in its bid for world power. We caution our people against voting for any Catholic for public office and warn our young people against familiar associations with Catholic young people.

8. Due to the integration issue in our nation, we earnestly ask our people to manifest a Christ-like spirit regarding racial discrimination.

9. Due to the fact that we are ever on the brink of war, and young men of our churches are continually being called into the armed forces; we recommend that the Wesleyan Service Men's Commission have our wholehearted cooperation.

10. Let us determine to continue to seek a revival and keep the anointing of the Holy Spirit upon us.

Respectfully submitted,  
Owen Heinzman, Chairman  
Helen Gustin

George Sundstrom  
William Abresch  
Gertrude Bostic, Secretary

## Report No. 15

**REPORT OF THE SUNDAY SCHOOL BOARD**

Being conscious of the continued increase in population and the wonderful opportunity the Sunday School affords of reaching these for Christ, we urge that every pastor and church organize and plan for a great increase in attendance. Let us not be satisfied with less than a 10% gain.

We recommend that the Rally Day be observed on October 5th and that the offering be received for Conference Extension. This may be applied on the \$4.00 per member asking.

In keeping with standing rule in the minutes Article III paragraph 5, which reads, "The Sunday School offerings of one Sunday of each month shall be divided equally by the local treasurer between Home Missions and Conference Expense Fund until these budgets are in full", we suggest that churches take advantage of this day to raise the two budgets where needed.

We recommend that the Junior Bible Camp be held the week following Youth Camp, under the direction of the Sunday School Board.

We appoint the following as District Superintendents and ask that they promote the work of the Sunday School in their respective District.

We recommend that a typist be employed for Conference Week and that she be paid by the Sunday School Board. She may be asked to type for any department or committee.

Report No. 1

## PRESIDENT'S MESSAGE

Greetings to the sixty-ninth session of the Indiana Conference Women's Missionary Society.

We say with the song writer, "Praise God from whom all blessings flow," and it brings the words of the song "How Great Thou Art" to our mind. Truly God is great. In these perplexing times in which we live we are made to wonder what the future holds, but we are assured that we are serving a great God, He made the earth and everything within, therefore, He is able to care for that which He has made.

The quadrennial slogan "What is your vision?" has been running through our mind for several days, especially since the reports have been received and tallied. There were gains in some phases and losses in others. We were made anxious about the loss of members. The question is: What is the reason? Are we missing the mark? Have we failed to make our meetings interesting or is it a lack of vision? During the quadrennium we have had a gain in finances and added 4 new societies making a total of 103.

The Conference was toured February 2 through April 20 with Rev. Malcolm Ellis, returned missionary to Africa, and Rev. William Davis, returned missionary to South America. The Reports and offerings from this tour was most gratifying.

The response to the projects presented throughout the year was very good especially the Headquarter giving. We did not quite reach our quota, but we are glad for the amount raised.

Indiana is represented on five mission fields Africa, India Japan, Nepal and Haiti. Our latest recruit, Miss Jeannette Landis, R.N. from the Shiloh Church arrived in Africa on July 20th.

As we have come to the close of this another conference year and another quadrennium we look in retrospection to the accomplishments and realize it has been because the women in the local societies have labored, prayed and given and most of all the Lord has been with us.

During the assembly of this Conference let us pray for a fresh anointing upon us. May we be stirred with a greater passion for the lost. We must work while it is yet day, for the night cometh when no man can work. Let us be diligent about our Father's business and as we do our labor of love, do it for the glory of God.

Respectfully submitted,

Elizabeth Leach

**Report No. 7****REPORT OF THE RESOLUTIONS COMMITTEE**

We, the Committee on Resolutions, submit the following reports:

**A. Be it resolved:**

1. That we, the Wesleyan Youth of the Indiana Conference consecrate ourselves in faith to our Heavenly Father and strive with His divine guidance to become more spirit-filled and practical young people.

**B. Be it resolved:**

1. That each pastor present to his youth the challenge of genuine Christian living by faithfully presenting the Word of God in its plain and simple truth;

2. That each pastor endeavor to create a close relationship between him and his youth in order that the youth of his congregation will feel free to see him for personal counseling about problems of any kind;

3. That each local pastor keep before his young people the value of higher education in a Christian environment and that we urge our young people to attend Marion College.

**C. Be it resolved:**

1. That we youth seek to develop our lives spiritually through daily studying and searching the scriptures and by seeking constant guidance through the channel of prayer;

2. That we aggressively apply ourselves to the development of strong Christian character, rejecting all temptations which Satan may put before us, and that we witness to other youth the joy of Christian living;

3. That we endeavor to prepare ourselves for a life of service to Christ and our fellow men by diligently practicing leadership as we in turn are led by Him;

4. That we seek the guidance of the Holy Spirit in our personal lives, enabling us to present a better testimony to the world.

**D. Be it resolved:**

1. That we sincerely support the leaders of our youth organization giving our full co-operation on General, Conference, District, and local levels;

2. That we render better service in recognizing and fulfilling our

responsibility to our local churches in regular and special services by seeking the will of God.

E. We submit the following recommendations:

1. That youth rallies be very carefully planned and appealingly advertised, and that the locals give their whole-hearted support.
2. That Youth Week be observed by all locals, with speakers dealing with the more serious phases of youth problems as the Spirit directs, and that this be a time for adding large and permanent gains to each society;
3. That each active local organize a Bible quiz team and co-operate with the district, state, and area programs of Bible Quiz Teams;
4. That each local strive to increase its subscriptions to the WESLEYAN YOUTH by at least 10 per cent and endeavor to send a gift subscription to the local library (if permissible) and to charitable institutions (hospitals, etc.);
5. That each local endeavor to stimulate interest with well-planned, spirit-filled services, bringing about a deepening in spirituality and a growth in membership.

Respectfully submitted,

Nancy Kierstead

Clarice Williams, Secretary

#### Report No. 8

### REPORT OF THE FINANCE AND APPROPRIATIONS COMMITTEE

#### I. Rallies

We recommend that each district co-operate with the following conference program as to rallies:

A. That the district chairman be responsible for the rallies and that notices of said rallies be sent to the churches and the Conference Youth President at least two Sundays in advance in order to promote closer co-operation between the district chairman and the president. Rallies should be held quarterly and, if possible, monthly. If no other system is being provided by the district, rallies should be held on the fifth Sunday when it occurs.

B. As the Scripture recognizes that Christ grew in wisdom (education), stature (physical), and in favor with God (spiritual), and man (social), we too suggest that the rallies be as equally balanced in their interests.

C. As soon as possible after conference a rally be held in each district under the direction of the district chairman. This shall be a banner count rally. One of the purposes of this rally shall be to organize for the new year and prepare for the conference promotional rally.

D. The president or vice president shall participate in a rally in each district during the months of April or May for the purpose of promoting the May 30th rally and Youth Camp, with a special evangelistic emphasis.

E. That the district chairmen call a meeting of the local presidents, district officers, and district adult counselor within a month after the rise of this conference for the purpose of planning district

rallies for the year. A notice of this should be sent to the Youth Conference President.

F. The local president shall be responsible to see that each active and associate member signs a membership card annually. No one shall be reported as a member until the pledge card is signed.

G. That the following point system for district banner be adopted: local president or vice president at rally, 5 points; pastor present, 5 points; for each 1% of active members present (to be based on the current number of members except for those in college), 1 point; for each active WY member present, 1 point; for each non-member present, 1 point; for each mile traveled to the rally site, 1 point.

H. That a loving cup be passed to the society, and the award be based on the percentage of subscribers to THE WESLEYAN YOUTH as to the number of church members plus the number of subscriptions to THE WESLEYAN YOUTH. The loving cups are to be secured from the Executive Council by the district chairmen.

I. That the conference print and distribute to the locals suitable blanks to implement the point system.

J. That there be a conference rally held on the Campground on Memorial Day, and that the conference banner be awarded on the same basis as that of district rallies.

K. That the conference loving cup be awarded on the same basis as that of district rallies during the annual conference.

L. That the local president, adult youth counselor, and youth solicitor shall be responsible for promotions to subscriptions to THE WESLEYAN YOUTH and shall see that members subscribe.

## II. Projects

A. For conference project we recommend the following:

1. That there be a leaders' conference in the fall at Marion College for local presidents or a representative, district chairmen, and the Executive Council, and that the program be planned by the Executive Council.

2. That the Executive Council take up the advisement of having a caravan, council going to Marion in the spring.

3. In keeping with the emphasis of the church extension program that assistance be rendered in such area as deemed advisable by the Conference Board of Trustees, and to such extent as deemed advisable by the Missionary Board.

4. The Executive Council be responsible to promote the Bible quiz program and provide the information to the local presidents of such.

B. For locals we recommend the following: That the locals plan and promote the interests of the Bible quiz in organizing and preparing a team, plan visitation programs and special meetings with members of the local such as jail services, hospital and shut-in visitations, distributing tracts, and radio programs.

## III. Finance

For finance we recommend the following:

A. That the salary of the conference officers be as follows:

1. President—\$120.00.
2. Vice President—\$50.00.
3. Secretary—\$75.00

## THE INDIANA CONFERENCE

4. Treasurer—\$75.00

5. Assistant Secretary—\$10.00

Said salary to be paid in equal payments, on December 5, and the other June 1.

B. That the desk and traveling expenses of the president, vice president, secretary, and treasurer, be paid from the Youth Conference Budget; and the desk and traveling expenses of the Youth Camp Committee be paid from the Youth Camp Treasury and the said expenses be paid at least quarterly. That traveling expense be figured on the basis of 6 cents per mile.

C. That the budget for the following year be as follows:

1. General Dues, \$1.50 per active member of the local.

2. Conference Budget (based on church membership) 60c.

3. One-third of the Conference Budget to be designated for the Youth Camp and the rest used at the discretion of the Executive Council.

4. On the basis of the above apportionment exact assessments for each item shall be made for each local and mailed to the pastors and local presidents by the conference secretary within two weeks of the rise of this conference session.

5. That above funds be sent in quarterly on remittance blanks furnished by the conference. Inasmuch as this is based on church membership, the church should feel its responsibility to aid the local when necessary.

D. That the Executive Council shall have power to appropriate money from the Conference Budget for the general promotion of the Youth work.

E. That all monies raised within the local for missions be forwarded to the Wesleyan Youth Treasurer for departmental credit and that said money be raised by monthly missionary offerings and be sent in quarterly with the Wesleyan Youth Budget.

#### IV. Standing Rules
