SABBATH SCHOOLS.

Whereas, the Sabbath School is the most important factor in the continuation of the Church, nine tenths of her membership coming through that source; and

Whereas, it affords an avenue for reaching the children and instructing them concerning the truths of the Scripture such as is not found elsewhere; and

Whereas, there is the enormous loss of 60 per cent from the attendance of the Sabbath Schools during the teen age; and

Whereas, there is an increased activity in other denominations and a tendency to proselyte from our schools; and

Whereas, the tendency of the modern Sunday School is to unduly exalt entertainment and worldliness;

We deplore the lack of interest manifested by our own people in Sunday School work, and wish to exhort to greater activity and aggressiveness along these lines.

We recommend that when possible only those having good religious experiences be chosen teachers of our Sabbath School classes;

That special attention be given to the teen ages as this is the critical period in the life of our youth, and also the time when the tendency is to drop out of the Sunday School;

That while denouncing all worldly methods of entertainment, we do not forget that the desire for social life is a God-given instinct, and that it is our duty to mold and cultivate it to the glory of God;

That we should seek to make the Sunday School work so attractive that the children will be anxious to attend. This can be done by varying the order of the Sunday School services, so that it will break the monotony, by giving them some work to do, by appointing choristers who can be present regularly and who are interested in children and will arrange to have them take a special part in the singing.

That we should give special attention to the different departments of the Sunday School work, such as Teacher's Training Class; The Home Department which reaches those shut in from religious services; and the Cradle Roll, which takes an interest in the child early in life.

That above all, over all, in all, and through all we seek to let

THE KANSAS CONFERENCE

the Holy Spirit have His way; remembering that it is "not by might, nor by power, but by my Spirit" that we shall prevail.

Signed by Committee,

T. J. Pomeroy,
E. D. Howard,
C. L. Williams.

REPORT OF COMMITTEE ON STATE OF THE WORK.

Your Committee on State of the Work beg leave to submit the following report. We are grateful for the many encouraging features, and for the blessing of the Lord that has surely been on this Conference, but we are sensible of the fact, that Satan has been on the alert to bring about disunion in some few places, knowing that if he can cause division he has accomplished his end in defeating the cause for which we labor. But "we are not ignorant of his devices" and we trust we shall keep "looking unto Jesus" with that love that "thinketh no evil" and we shall surely come off "more than conqueror."

While we have suffered loss on some charges, we have added three new classes to the Conference during the year and confidence and hope are being restored.

Respectfully,

P. A. Miller,
A. B. Hotchkiss,
Alex Ballard.

RESOLUTION OF THANKS.

Your Committee on Resolution of Thanks submit the following report:

We, the members of the Kansas Annual Conference, hereby express our appreciation of the hospitality of the members of the Miltonvale Wesleyan Methodist Church and residents of College Hill in so kindly opening their homes and furnishing lodging free of charge to the ministers of the Conference. We also tender our thanks to C. L. Williams as director of Song Service, for his efficient service, also Miss Lena Gathers for her acceptable work as pianist. We recognize and appreciate the good service rendered at the dining hall by Mrs. Mason and her able corps of assistants and heartily thank them all. We acknowledge the gratuitous service of our janitors in their care of the building and efforts to make all

THE KANSAS CONFERENCE

comfortable, and to all others who have helped to make this camp meeting and Conference one of the very best held on these grounds, we extend our sincere thanks.

President and Advisory Board,
Committee.

BOOKS AND PERIODICALS.

Strong and far reaching is the influence of the printing press. Pages of printed matter will go and be read where the voice of the writer will never be heard. We hear the utterance of a speaker in only one place at a time, while in thousands of homes all over the world the ink from his pen is shaping the destiny of immortal souls.

We advise our people to exercise caution in the purchasing of books and papers, refusing to accept any with which we are not familiar, unless recommended by reliable persons. With pain do we observe that the spirit of this present evil age is creating a demand for corrupt literature. When men dislike sound doctrine we shall do well, to be ever on the alert to prevent the encroachment of subtle heresies under the guise of Scriptural truth. We should promptly spurn and reject books and papers from the pen of Satan's pastor, C. T. Russell.

We thank God for the privilege of being identified with a people who love the truth and turn not their ears unto fables. We rejoice that our Publishing House scatters leaves of Bible truth to the very ends of the earth. We should see that every family in our Connection receives weekly, our denominational paper, the Wesleyan Methodist, which sounds a warning note against iniquity of every kind and bravely bears aloft the old Wesleyan standard of Scriptural Holiness. We note the general excellence of our Sabbath School literature, and highly appreciate the weekly Banner. The enormous supply of wholesome books from our Publishing House, is as a reservoir of soul food and cannot fail to promote vital piety and should be widely circulated.

We are gratified to know that the financial end of our Publishing House is improving. And may God grant to hasten the day that through the medium of holy publications, the knowledge of our Lord and Savior Jesus Christ may cover the earth as the waters cover the sea.

THE KANSAS CONFERENCE

MORAL REFORM.

We look back with great pleasure to the fact that the Wesleyan Methodist Church had its origin because men like O. Scott, J. Horton, L. R. Sunderland, Luther Lee, L. C. Matlack and other grand and noble men of God refused to remain associated in Church fellowship with those who trafficked in the bodies and souls of their fellowmen. This reason for their separation no longer exists, but it is just as important that we, their successors, separate ourselves from the evils of our day as it was that they should come out from among them and touch no unclean thing. Therefore we desire to renewedly pledge ourselves to keep absolutely free from every form of worldliness that would entangle our feet and hinder us in the race or eternal life.

The liquor traffic with all its associated evils remains with all its abominations simply because the Church of God does not do its duty. We rejoice at the awakening of the public conscience at the present time upon the question and will with vote and voice do our best to bring about absolute prohibition to the nation at the earliest possible moment. Until that day arrives we especially favor the passing of a law that will take the federal government out of complicity with criminals in breaking down law in prohibition states.

We reaffirm the position taken in our Discipline that we will not extend membership in our Churches to those holding membership in any secret society. We believe that such association is incompatible with our highest service to God, and our best service to men, therefore we admonish our pastors and members to keep absolutely free from every form of secrecy, and to guard the door of the church faithfully, that none of them creep in unawares among us.

We believe that God has a just claim upon one seventh of our time and one tenth of our money, therefore we most earnestly request all our people to "Remember the Sabbath day to keep it holy" by keeping entirely free from Sabbath visiting, reading all literature not calculated to lead into deeper spirituality, idling away the sacred hours in careless ease or in pleasure and sight seeing, as well as to keep absolutely free from the grosser forms of desecration, such as ball playing, Sunday excursions, and all unnecessary work of every kind.

We believe that our Church paper, the Wesleyan Methodist, is worthy of our loyal support as a means of deepening our interest in holy things as well as an avenue of communication between the different departments of our work. We, therefore, urge every pastor

THE KANSAS CONFERENCE

to make a special effort this year to see that every family in the church has a copy of it in the home each week.

Our people everywhere are demanding a better qualified ministry, and are reluctant to grant indulgence to those who learn in the school of experience what could have been gathered in a much shorter time in our church school. If we demand trained men it is absolutely necessary that we provide the very best opportunities possible for our young people to secure their education. Therefore we pledge our prayers and loyal support to our school at Miltonvale and will endeavor by every means possible to encourage our people to send their children to the school, and to give their means to its support.

Silas W. Bond,
G. B. Howard,
Committee.

CONDOLENCE.

Whereas, in the allwise providence of God, there has been removed from our ranks by the hand of death one of the most capable and honored members of our Connection, The Rev. A. T. Jennings, late Editor of the Wesleyan Methodist, whose memory we revere, and whose noble life and example we seek to emulate, and,

Whereas, our beloved brother, the Rev. W. J. Seekins, who for many years so faithfully served the interests of the Connection as its business Agent, has been compelled to retire from the office which he held on account of failing health,

Be it therefore resolved: 1. That we greatly deplore the loss the Connection has sustained in the retirement of these able men, and that we pledge our sympathy to the bereaved family of our Brother Jennings, and also to our Brother Seekins in all that he has suffered and rejoice in his improvement in health which enables him to continue in active service in the vineyard of the Lord.

Be it also resolved: 2. That we greatly rejoice because the Lord has in reserve such noble and able men as our present Editor, the Rev. F. A. Butterfield, and our Agent, the Rev. J. S. Willett, who have so successfully filled the places to which the church, and we believe the Lord has called them. We therefore gladly pledge to them our prayers and loyal support in making the editorial and

THE KANSAS CONFERENCE

business departments of our work reach the highest possible efficiency. To this end we recommend that all the members of the Kansas Conference assume the personal responsibility for increasing the circulation of our Church paper, our Sunday School literature and religious publications on all our charges and in all our homes.

Silas W. Bond,
G. B. Howard.

CHARITY.

One important and distinctive characteristic of a holy people is a spirit of sacrifice, the reaching out a helping hand to the needy. Thousands of God's creatures are suffering for the necessities of life. Fulness of blessing is dispensatory blessing. To receive is to give. "It is more blessed to give than to receive." More and richer blessings follow the giver than he who withholds from God. "There is that withholdeth but it tendeth to poverty." The spirit of true Christianity is the giving spirit. "Give and it shall be given you, pressed down, shaken together and running over" is the Gospel measure. Is it not strange then, that some should even dare to rob God? We must give to God's cause or that which we have will be taken from us. Practical benevolence and a spirit of charity is encouraged in the Discipline, Section 19, paragraph 244.

We submit these few lines hoping to stimulate a desire to increase our treasures in heaven.

P. M. Martin.

THE KANSAS CONFERENCE

RESOLUTION.

Whereas, The Discipline provides for a Conference and a Connectional Sunday School Secretary, and

Whereas, The duties involving upon these officers require quite a considerable expenditure of money to successfully carry on this line of work, and such funds have not otherwise been provided for, therefore be it

Resolved, That we require our pastors to see to it that an offering is taken at each place on his circuit where there is a Wesleyan Sunday School, and that three-fourths of this offering be sent to the Conference Sunday School Secretary and the other one-fourth be sent to our Connectional Sunday School Secretary to help them in carrying out their respective lines of work.

T. J. Pomeroy.

FORMER RESOLUTIONS.

No. 1. Sanctity of the House of God.

Inasmuch as we as a church are opposed to any method of raising money except by means that are ordained of God, which is by the labor of our hands or the increase of our fields, or legitimate profit in business; and inasmuch as there are churches that are so mixed up with lodgery and kindred evils, who raise money by shows, grab bags, raffles and sociables and festivals, etc., and

Whereas, It might appear to those not informed, that we are doing the same things, when they see anyone performing manual labor in our houses of worship, such as making quilts and disposing of the same, be it

Resolved, That it be the sense of this Conference that such work be performed in the homes of the people and not in the houses erected for public worship.

No. 2. Soliciting Votes.

Whereas, There has been complaint by delegates of their being approached by persons desiring to be elected to certain offices, therefore be it

Resolved, That any person soliciting votes shall be deemed unqualified for said office.

THE KANSAS CONFERENCE

No. 3. Pastor's Moving Expenses.

Be it resolved by this Conference, That the class hiring a minister shall within ten days after his arrival pay to him his moving expenses. This not to be applied on his salary.

No. 4. Support of Conference Evangelist.

Resolved, That the charges and circuits each have a Conference Evangelist Fund, and that each charge or circuit raise an amount that they think reasonable for the support of the Conference Evangelist previous to each quarterly meeting.

No. 5. Statistical Report.

Resolved, That Conference require each pastor and evangelist to submit their statistical report upon the first roll call at opening of Conference session, and if it is not possible for him to be present at opening session of the Conference he shall mail report to the Conference Secretary so that it may be submitted at that time.

No. 6. Reporting All Offerings Through the Pastors.

Whereas, There has existed in the past and at present a neglect on the part of pastors and parties commissioned by the Conference to properly report their collections to the pastors on various charges; therefore be it

Resolved, That they be requested to so report all moneys to the pastors for entries on their statistical reports in order to give due credit both to the charge and the Conference.

No. 7. Religious Services.

In view of the fact that we do a great deal of work in committees, and a large number need and are anxious for religious services, be it

Resolved, That hereafter in our Annual Conference sessions we devote the hour of 3 P. M. each day to religious services.

THE KANSAS CONFERENCE

No. 8.

Whereas, The Tidings of Joy Mission at 445 Virginia Avenue, Kansas City, Kansas, has been greatly blessed of God in the conversion of those who are in adverse circumstances, and in feeding and clothing the destitute, and

Whereas, The financial burdens have been heavy and the support inadequate at times, therefore be it

Resolved, That we heartily endorse the work by giving our sympathy, prayers and financial support.

Amended to include our Missions at Dighton and Norton, Kan.
Grant Mann.

No. 9.

Whereas, There has been some dissatisfaction and the feelings of some of the brethren needlessly wounded, therefore be it

Resolved, In future Annual Conference elections of officers there shall be no suggestions of names nor nominations, that the votes of Conference be not biased thereby.

D. T. Grout.

No. 10.

Inasmuch as no person, or persons, are in a position to better understand the needs of the field and understand the wants of the people better than our Conference Evangelists, therefore be it

Resolved, That it be the sense of our Conference that our Conference Evangelists, by virtue of their office, if not elected as members, be advisory members on the Committee on Pastoral Relations.
