### CONFERENCE EVANGELIST'S REPORT

In grateful recognition of God's mercy and His grace, with the highest esteem for my brethren and fellow-laborers, and acknowledging the divine help which the Lord has given in pursuing the labors assigned at the last annual Conference, I submit the following report. We have sought to fulfill both in letter and in spirit the mind of the Conference in the labors placed upon us not only in the conducting of Quarterly Meetings but also in giving as much of labor and prayer to the Extension interests of the Conference as time and opportunity would permit.

Of eight special campaigns where our ministry was extended over a period of from one to three weeks only one revival was conducted which was not directly in the interest of the Conference. In several instances we were unable to fill Quarterly Meeting appointments and in some cases found it necessary to change the date assigned because of labors mentioned above. But withal I am glad to state that the churches and pastors showed readiness to cooperate in every way and that practically without exception the services on the field and contacts with pastor and people were greatly owned and blessed of God. We were privileged to see a few more than a hundred respond to the invitation to seek their Lord in pardon or purity either in the Quarterly Meetings or in revival services during the year.

### CHURCH EXTENSION REPORT

#### Preambles

Whereas; a Conference-wide growing desire for more adequate provision for Church Extension Work exists, and

Whereas; Open doors for such work are challenging our response, and

Whereas; It seems unwise to increase the financial burden of the Conference, and

Whereas; A more wise and effective expenditure of certain monies covering cost of Conference visitation will enable us to accept the "Open Door" challenge of "Pioneer Evangelism" and yet not increase the financial burden of the Conference, and

Whereas; We are practically the only Conference in the Connection employing the services of a Quarterly Conference Evangelist:

#### Section I

I. Be it Resolved; That the Conference rescind that part of Resolution No. 15, Page 51, of Conference Minutes, 1936, providing for the office of Conference Evangelist, and, that the Quarterly Meetings involved be cared for according to the Discipline, Section 7, Paragraph 85, Page 53.

II. Be it Resolved; That the Conference place in the field a Pioneer Evangelist to do Extension Work as follows:

A. To open new fields.

B. To give special Evangelistic help to newly organized churches, and

III. Be it further Resolved; That the labors of the Pioneer Evangelist be under the supervision of the Missionary Board, and

IV. Be it further Resolved; That the Missionary Board be empowered to submit to the Conference Nominations Committee for the filling of this office.

#### Section II

In order to more effectively and continuously promote District Interests and Aggressive Conference Activities,

Be it Resolved; That one Pastor in each District be elected as General Chairman of the District;

A. To counsel and advise with Pastors relative to problems and needs concerning their work, when it is not possible for the Conference President to do so.

B. To give coöperate leadership to all District activities.

## WESLEYAN METHODIST CHURCH

---

C. To confer with other District Leaders and with the Conference President in the interests of a uniform Conference Program.

D. That the Nominating Committee furnish nominations for the District Chairmen.

### Section III

Whereas many of our Churches organized within the last decade, were started by Pastors with a Missionary zeal and vision for fields adjacent to their Parish labors;

Be it Resolved; That, since we recognize this as a means valuable in Conference Extension work, we encourage a continuation of this vision and burden among our pastors, in addition to the labors of the Pioneer Evangelist.

Be it further Resolved; That no extension work be undertaken by a Pastor, General Evangelist, or Pioneer Evangelist without the endorsement of the Missionary Board.

### PRAYER LEAGUE

Jesus taught His disciples "That if two of you shall agree on earth as touching anything that they shall ask it shall be done for them of my Father which is in heaven." He also taught them that they should "have faith and doubt not" if they expected to receive those things which they desired. And I am glad that He still hears prayer today when we truly pray.

I have sent out a total of 694 cards at the expense of \$6.94 in summoning the Prayer League to join in prayer for 44 revival campaigns.

VELMA DUNBAR, Secretary.

### SUNDAY SCHOOL

The Sunday School is related to the Church as the arm is to our physical body. It is a vital, strong arm upon which the Church leans heavily numerically, spiritually and financially. We recognize the handicap of a body without an arm or a church without a Sunday School; the peculiarity of an arm associated with no body or a Sunday School independent of any church; and the inefficiency of a body with a paralyzed or useless arm or a church with a Sunday School organization which fails to function. Thus we urge upon each church the importance of the work of the Sunday School and plead for a larger, prayerful and financial invest-

ment in this department of the church. It affords opportunity for fruitful service worthy of our best efforts and our spiritually qualified workers.

Education, without the Biblical knowledge and spiritual force supplied by the Sunday School, fails to meet the needs of youth in the development of character that can meet victoriously the temptations of our modern day. Jurists, education and social workers in the testimony that of the large number of youth involved in crime only a very small percentage has ever been under regular or systematic Sunday School instruction.

The work of the year has resulted in increasing the main school enrollment 67 and the average attendance 18. New schools are reported at Hardy, Lawrence and Naponee, while two schools do not report this year. A gain of 33 has been made in Cradle Roll enrollment. More than half the number received into church membership through the year have come through the Sunday School.

A series of One-Day Conventions was held during the year. Sixteen points were visited in which 35 Sunday Schools were represented. The total attendance of 838 included 180 active workers in the local schools.

We notice a substantial increase in the use of our own Sunday School literature and commend it to the use of every Sunday School.

E. H. COOK,  
FAYE OGLEVIE,  
Conference Sunday School Board.

## MORAL REFORM

These are days when things political, social, moral, financial, intellectual and religious seem to be breaking from their moorings and drifting rapidly toward the precipice that means destruction. In such days we certainly cannot afford to loosen our grip on things eternal or sever the ties that hold us to the standards that are tried and true, that have held us as a church and people from the current that has led so many down stream.

We reaffirm with emphasis our position against all types of sin and worldliness, some of which are creeping into the Holiness movement of which we are a part. Jude speaks of guarding against those men and influences that have "crept in unawares." That is certainly a needful exhortation of our day. Cards, dancing, tobacco, habit forming drinks or drugs, bathing beach influences, Sabbath desecration, idle talking and jesting, carelessness in meeting financial obligations and such like are more degrading and damning than ever. Especially would we lift a voice of warning against the so-called "good movie" that is being so subtly used in present day propaganda to solicit the patronage of the church. "Our

## WESLEYAN METHODIST CHURCH

---

people must take an uncompromising stand against these most dangerous influential corporations whose sole end is greed and gain with a total disregard of the moral welfare of our country. We, as a church, cannot afford to discriminate between good and bad pictures. The source is evil, therefore the fruit is evil."

Semi-nudity, lax principles and divorce are too largely the order of the day and are marks of Atheistic Communism rather than Christian citizenship. Shirtless men and dressless women are a disgusting spectacle on every street and highway. Our people would not go that far but let us not forget that shortening the sleeves, dressing the growing child unbecomingly to Holiness and other similar indulgences are but opening wedges that lend strong influences to the wrong side. How beautiful is the grace of modesty. Let us display it generously. When modesty is gone, virtue's guarding angel is off duty.

Exercise of parental authority and obedience on the part of children is getting to be a thing of the past. Let us remember God's covenant to Abraham because He knew he would command his children after him.

We re-emphasize the importance of reverence to God, His day, and His house and would stress anew the wholesome practice of keeping the Lord's day wholly unto Him, entirely free from secular reading, labors, pleasures, and unprofitable visiting.

Inasmuch as the humble practice of kneeling before the Lord in prayer seems in some places to be slipping from us, therefore we feel to re-emphasize its importance in this report.

We thank God for the noble band of men and women who are lifting high the blood stained banner of "Holiness unto the Lord." May our God strengthen their hands and increase their number.

WILLIAM A. SMITH, Chairman.

### STATE OF WORK

Once again it is becoming to record a survey of the work of the Conference for the year. This has been a year of steady advancement with greatest spiritual strength and power being felt in many of the churches while a goodly number are registering numerical and financial gains. For specific data refer to the Statistical Report.

Almost without exception the newer churches organized within the last decade or so are forging steadily ahead with promise of further increase in all departments of the work. Some of the older classes are catching a new vision, experiencing a spiritual rebirth, and having the joy of an ingathering of souls. May the Conference unitedly share a prayerful concern for those points where the work is moving slowly and where circumstances sometimes beyond human control make it unusually difficult to carry on and go forward.

The loyalty, sacrifice and faithful labors of our pastors have been praiseworthy. We are glad to note and to encourage our brethren in their closer application to the business of adequate preparation and training to meet the needs of the ministry of our day.

We are glad to note throughout the Conference an increasing loyalty to the Discipline not only in matters of moral requirement but in matters of church government and in particular in assuming responsibility and making Disciplinary provision for the care of the pastors of the several churches.

A splendid brick church building is being erected at Gage Park. Lawrence and North Topeka churches have purchased lots in good locations and edifices are under construction. The Lawrence class is worshipping in their new basement temporarily and the North Topeka group expect to have their basement ready for use soon. Major interior remodeling, re-decorating, a new roof, and a furnace in the parsonage have added greatly to the church and parsonage at Kansas City, Kansas. Kansas City, Mis-

---

souri people have painted their church building besides making other improvements. The New Hope people have painted their church and made other general improvements. At Gaylord a vestibule has been added to the church building, the parsonage repaired and both painted. Painting and varnishing have greatly added to the appearance of the church at Union Valley. Clay Center church purchased a new parsonage during the year, while Heber purchased a church.

Wichita church has purchased the building in which they have been worshipping. The Conference has purchased a church property in the Quinton Heights division of South Topeka and steps are under way to repair the church and reopen the field. Both church and parsonage have been moved from Excelsior to accommodate the new Hopewell class ten miles distant. This may be God's plan for forward movement on other fields. Pioneering efforts have been carried on in Leavenworth, Leonardville, Belle Plain, and Manhattan, with other fields in prospect. Classes have been organized at Naponee, Nebraska, and in North Topeka.

The enlarged tabernacle and dining hall not only help in providing more adequately for the increasing crowds at the Annual Conference and Camp but bear testimony to the faith of the brethren in the future of the Kansas Conference.

While we stand ready to conserve God's work wisely, prudently and scripturally, we are glad to encourage our people in avoiding strained relations with sister churches, in all of our aggressive undertakings, and recognize the need for spiritual unity among all of God's people. "If the Lord delight in us, then he will bring us into this land and give it us; a land which floweth with milk and honey."

H. K. SHEETS, Chairman.

### VOTE OF THANKS

"O, give thanks unto the Lord: for He is good."  
"His praise shall continually be in my mouth."

We, the members of the Kansas Annual Conference of the Wesleyan Methodist Connection render praise unto Him who is worthy of all praise at the close of the 67th Annual Conference. Our hearts overflow with gratitude to God for His manifest presence and for His blessing upon the Conference and Camp. We feel our spiritual horizon has been broadened and pushed back, giving an increased vision concerning the great possibilities and added responsibilities of the challenging work before us. We are thankful for and conscious of divine leadership into the already whitened fields, encouraging an eager and ready response to that command, "That they go forward."

## THE KANSAS CONFERENCE

---

We truly thank God for the leadership of our beloved President, F. C. Hill; for his efficient service, administrative counsel, and untiring labors in the work of the Conference.

We note with gratitude the advancement into new fields made by our Conference Evangelist, Rev. H. K. Sheets, whose God-given vision of the pioneer work, combined with his spirit of humility, devotion and service, promises to the Kansas Conference an enlarged field in which to serve.

God has especially favored us in enabling us to secure the services during this Camp of Evangelist W. D. Correll of Central, South Carolina. We praise God for the heart-searching, soul-stirring truth presented, paramount of which was that spirit-filled exhortation to labor, pray, and truly believe God for a Conference-wide revival, eclipsing all victories of the past. Our God is abundantly able! May He give us unwavering faith!

Our newly enlarged Tabernacle with a seating capacity of 2500, and proportionately enlarged dining hall with 24 tables giving a one-meal service to 360 are the contributing factors to the general order maintained in the religious services and general camp activities. For these we are indeed thankful. We appreciate the work of the Camp Meeting Committee, under the direction of Brother W. S. Hotchkiss; the competent help of the carpenters, Brother John Griffen and Brother I. H. Crouch; also the coöperation of pastors and laity in carrying forward the building program.

The work at the dining hall has been efficiently supervised by Brother Huscher and Sister Buck. The general Superintendent wishes to express thanks to all who have in any way assisted with the dining hall work: also for the many donations, which have been gratefully received.

We wish to thank the people of Miltonvale for their coöperation, and for the increased hospitality in supplying adequate rooming quarters. We appreciate the thoughtfulness of those who voluntarily furnished officials to patrol the grounds.

We have noted the growth numerically and spiritually of Miltonvale Wesleyan College—and are garteful for the great contribution to our services made by the College Male Quartet.

To God who is able to make all grace to abound, we give thanks for the sweet spirit of fellowship and unity and brotherly love which has prevailed during the entire business session of the Conference. Unto Him be praise forever!

MRS. R. B. ELDER, Chairman.

### STATISTICAL GLEANINGS

The Committee on Statistics glean the following interesting items from the reports for the year.

A growth is evident in practically all lines of church activity. The average contribution per member was \$40.60 as compared with \$34.85 last year. Sixty-one per cent of the churches increased in total receipts and 68 per cent of the pastors reported increase in total receipts for pastor.

Eight new church or parsonage buildings are reported this year, increasing the property valuation \$7,957.84, while the amount of indebtedness increased but \$1,701.90.

The following charges raised every item of the budget: Abilene, Ames, Antioch, Belleville, Chapman Creek, Concordia, Hall, Heber, Hopewell, Kansas City, Kansas; Lawrence, Miltonvale, Ottawa, Topeka, 1st, Gage Park, Wesley Center, Willis. Wichita Church raised more than the assigned budget but did not fill each item of the budget. Naponee, Union Valley and Wichita Mission, without budget assignment, reported substantial payments.

The total raised by the Conference for the budget shows an increase of \$1501.11, each item showing an advance over last year. The budget for Hephzibah Orphanage is 5.78 over the amount assigned the Conference.

Subscriptions to the church periodicals has increased. Seventy-seven new subscribers to The Wesleyan Methodist are reported, bringing the total to a little better than one-fourth of the membership. Fifteen new subscriptions to The Wesleyan Missionary are shown.

2. That promptness be emphasized.
3. That one meeting a month consist of original material.
4. That each society elect a Subscription manager for the Young People's Journal and have as its aim a Journal in every home.
5. That special emphasis be placed upon using the material found in the Journal.
6. That each society organize a local prayer band.
7. That the calling of the officers together for the purpose of fully realizing the responsibility intrusted to them be urged.
8. We particularly urge that each society carry out the requirements of the Efficiency Standard to the fullest possible extent.

LUELLE GARLOW,  
FLORENCE PARSONS,  
VIVIAN STRANG,  
Committee.

### MORAL REFORM

Recognizing that Modernism is sweeping our land today, we, the members of the W. Y. P. S., propose to uphold the Bible standards of living and stand by the doctrines of Full Salvation.

We urge that our young people refrain from worldly ornaments and dress, adorning themselves in modest apparel as becometh Holiness; that we avoid unholy conversation, reading matter, music, associates, amusements, and all social gatherings which do not honor God.

We denounce public swimming, cards, dance, Sabbath desecration and all forms of tobacco and alcoholic liquors—depending upon the Grace of our Lord who is able to keep us from falling and to present us spotless before the Presence of His Glory with exceeding joy.

MARY GILGER,  
WILMA JONES,  
VIVIAN HAUN,  
Committee.

## REPORTS

### PRESIDENT'S REPORT

Dear Sisters of the Kansas W. H. & F. M. S.:

Greetings. "Thou wilt keep him in perfect peace, whose mind is stayed on Thee: because he trusteth in Thee."

The prophet Isaiah disclosed the fact in this verse that, if we are kept in perfect peace, it is because we trust in God. It is the trusting that brings the peace. Faith in God anchors us to Him. Faith is to salvation what the main spring is to a watch. Without the main spring the watch is worthless, for it is the life, the dynamo, the power that throws the hands around the dial. So faith is that power, that factor in one's life, that moves him out for God.

A man or woman full of the Holy Ghost and faith can move the enemy out, for one can put a thousand to flight, and two can chase ten thousand. We must step out upon God's promises by faith. We cannot pray clear through by feeling, but by faith. We cannot live by sight, but by faith. Our God will see to it that those who step out upon His promises and trust Him will never sink beneath the waves of today's whirl.

We take this opportunity to thank all of our dear sisters for their faithful coöperation and help in the past few years of our labors together. It has been a joy to work with all who were so willing and who felt the call of the work on their hearts. And now for a short while our paths may seemingly separate, there is that joy in knowing that all of our ways will soon lead home—that Eternal Home prepared for us.

May this new Conference year bring you victories and blessings unnumbered. "Be not weary in well doing for in due season we shall reap if we faint not."

#### Official Acts:

Arranged for V. Dorothy Johnson to take our place in traveling the Conference in the interest of missions.

Called one Executive Board meeting to take care of some matters of business for the Conference Society.

During the year we have written 118 letters and 157 cards in connection with the work.

### ORGANIZERS' REPORTS

#### District No. 1

Dear Sisters:

We thank God for the privilege of serving as organizer of District Number One another Conference year. The missionary society participated in two out of three conventions held this year. In January at Ottawa an all-day missionary convention was held at which Miss V. Dorothy Johnson was the principle speaker. Her messages were pointed and helpful to all who were present.

The other convention, also held at Ottawa, in May was a joint convention with other of our Church departments. The quarterly questionnaires were sent out and gathered in for Miss Macy's inspection. Also the other necessary correspondence was cared for.

On July 28, a society of six active and two honorary members was organized at Lawrence.

My expense account is as follows: Letters—59—\$1.77; postals—90—90 cents; traveling expenses, \$1.85; Total, \$4.52.

N. MAE CLARK, Organizer.

---

#### District No. 2

"Great is the Lord and greatly to be praised." It has been a pleasure to work for the Lord this year.

We have attended to the usual duties of the office. Miss Johnson's coming to us proved a real blessing. We arranged for her visitation to the charges of our District, also for the convention at Miltonvale.

Postage, mileage and phone calls amounted to \$2.56.

MARY DUNBAR, Organizer.

---

#### District No. 3

Great is our God and greatly to be praised, to Him be all glory and honor. The usual correspondence, that of mailing the Questionnaires, letters, etc., was cared for.

## THE KANSAS CONFERENCE

---

A joint fall Holiness and Missionary Convention was held at Morgan Chapel seasoned with the rich blessing of our God. We were especially favored with the presence of Rev. W. D. Correll of Central, South Carolina, who, being a member of the Board of Directors of the Hephzibah Orphanage, gave a most interesting review of the activities of this Institution. With the coöperation of the Pastors, Miss Johnson's District visitation was well planned and successfully carried out.

Our expense for postage and phone calls was \$1.40.

PEARL FREEBORN, Organizer.

---

### District No. 4

Delight thyself also in the Lord and He shall give thee the desires of thine heart. Psalms 37: 4.

We do delight in our Lord today and praise Him for giving to us some of the desires of our heart. Not all has been accomplished that we are desiring and praying for but we are committing it unto the Lord and trusting in Him and He will bring it to pass. Praise His Name.

Two conventions have been planned and held this year. Both conventions were joint with Holiness, W. Y. P. S. and Y. M. W. B. We assisted in a pioneer revival at Belle Plain and have assisted in weekly services at that point and expect to see a church organization as well as a Missionary organization. They have contributed to Missions and are reading the Wesleyan Missionary with good interest.

We arranged for the visitation of Sister Johnson to all points in our District except one by request.

Quarterly questionnaires were sent to each society. Copies of the sheet of daily prayer for the fields were sent to each Society.

Suggestions for the World Day of Prayer were sent to each society. We arranged for it in our own local church.

#### Expenses:

Five dollars was allowed for work done in the Belle Plain meeting. \$14.50 has been returned through the treasury as a result of this meeting. Cash to be allowed for postage in Missionary interests, \$1.00.

BERTHA MEYER, Organizer.

### District No. 5

A joint convention was held with District No. 6 at Mankato with Miss Dorothy Johnson as speaker.

Truly the Lord was in our midst to bless and enlarge our spiritual vision.

Miss Johnson visited each charge.

Questionnaires were sent to the various societies quarterly.

Eleven letters and five cards were written in the interest of the cause.

BERTHA OGLEVIE, Organizer.

---

### District No. 6

"O, give thanks unto the Lord, call upon His name, make known His deeds among the people." Psalm 105: 1.

Our fall convention was held in connection with the other organizations of the church at Inglewood Chapel.

The blessing of the Lord rested upon His people in this inspirational service.

We appreciated the presence of Brother and Sister Robb French.

The spring convention met at Cedar and was another profitable gathering.

The joint convention of Districts 5 and 6 met as scheduled at Mankato in April with Sister Dorothy Johnson as chief speaker. Her message both challenged and inspired us.

Convention programs and quarterly questionnaires have been mailed out. \$2.50 has been received for necessary expenses incurred.

FERN MAHIN, Organizer.

### MORAL REFORM

We see in the present low ebb of public moral standards evidence of the spirit of compromise characteristic of the "great falling away" of the "last days." We urge our members, by consistent Christian living and activity, to support spiritual reform in those realms which are peculiarly the sphere of woman. We deplore the encroachments being made, particularly upon the young womanhood of our land, by the tobacco evil and exhort our people to use every influence, example and teaching to check this menace so injurious to health and morals. We urge our women to be "in behavior as becometh holiness," and in apparel as models of "the holy women of old." We urge them to use the same care and principles in selecting clothing for their children, refraining particularly from the use of anklets and sun-suits. Children are "an heritage of the Lord" and we are exhorted to rear them "in the nurture and admonition of the Lord." Thus they are entitled not only to godly parental example but to godly precept and guidance in making the choices of style and habit in the formative days of life. We recommend that each pastor preach upon the subject of dress at least once a year. We denounce the patronage of public bathing pools, the movies, card parties and nudist fashions and the use of popular music or fiction and habit-forming or intoxicating beverages. We recommend Sabbath observance and the public and private means of grace as mighty bulwarks of Christian faith and liberty.

BERTHA WILSON,  
ORPHA LEDY.

---

### COMMITTEE ON CONVENTIONS AND PROGRAMS

We recommend:

1. That our President secure a suitable worker to tour the Conference (during the year) in the interest of Home Missions.
2. That the material for the Home Missionary Program be taken from the Wesleyan Missionary and Y. M. W. B. Bulletin.
3. That each organizer be responsible for the questionnaires in her own district, selecting such items from the Plan of Work and the Efficiency Standard as apply to that particular quarter.

FERN MAHIN.
