The Spartanburg Church, through its delegate, presented the following request:

To the South Carolina Annual Conference of the Wesleyan Methodist Church:

The First Wesleyan Methodist Church of Spartanburg, South Carolina, by unanimous vote, requests the South Carolina Annual Conference to transfer the deeds of the said church property back to the local trustees, according to Paragraph No. 389-A of the *Discipline*.

The First Wesleyan Methodist Church of Spartanburg feels that there is an important psychological advantage in having the deeds of the local church property held in trust by the local trustees. Inasmuch as the South Carolina Conference has no funds invested in the said property, the Spartanburg Church feels that it is within her moral and constitutional rights to have the property held in trust by the local trustees. Since the Conference rights will be fully secured by a protective clause, we feel that the status we are requesting will be superior to the status that many other churches in the Conference have whose deeds are held by local trustees without any protective clause, and that granting this request can result in no harm or loss to the Conference now or in the future.

L. W. BARBEE, Pastor
EUNICE W. BARBEE, Delegate

Reports

REPORT NO. 1

President's Report

Through the mercies of God we are permitted to gather for the Sixty-Ninth Session of the South Carolina Annual Conference. We come to review the progress and purpose of our Church in this day and to receive a fresh enduement and vision for the task before us.

Grateful thanks are due to God for His unfailing help. We have leaned hard upon Him and upon the prayers of His people. The Divine Presence has been our support in every difficult hour. We freely admit our human frailties and limitations and are grieved that our service has not been better.

STATE OF THE WORK

This has been a year beset with problems and yet God has given definite progress in some areas.

SPIRITUALLY

Our outreach, our impact upon our communities, our loyalty to great truths, and our fulfilling of our mission will be determined by the measure of genuine spiritual life. Therefore, we, both pastors and people, need to deepen our spiritual lives.

In order to do this, we need a clearer understanding of the Biblical basis for the Wesleyan message. Bible-based truth needs to be brought to bear upon current issues of our day. Preaching that is well buttressed with the Scriptures will produce stable and spiritual people.

Also, we should avoid giving the impression that we are endorsing erroneous doctrine. This is often done by employing singers or preachers who embrace error. It may be an expression of charity toward those of other beliefs but there is danger in fellowshipping with error.

Unregenerated members cannot possibly add spiritual life to a congregation and they are a source of potential trouble. We should be quick to invite into membership people who show signs of and give testimony to the new birth. On the other hand, it will prove our downfall, to become careless in examining candidates for membership in the Wesleyan Methodist Church.

The Youth Camp of 1961 was outstanding from a spiritual standpoint. There seemed to be a depth in the seeking after God. A number of our churches have felt the impact of this Youth Camp. There are indications that God is getting to us in some areas. We pray that this moving of the Spirit will spread.

CHURCH EXTENSION

A new church was organized at Sumter on July 2, 1961, with nineteen members. Rev. P. B. Pullin is the pastor. We have been in touch with this group for more than a year. They are thoroughly Wesleyan in doctrine and they face the challenge of their community with zeal and enthusiasm. This gives an increasing foothold in the lower part of the state where our churches are few.

At the last session of our Annual Conference we voted to launch a program that would lead to the eventual establishment of an Allen Mitchell Memorial Church. During the year an investigation was made of several possible locations for this project. The Board on Church Extension and Evangelism chose a section in the Spartanburg area known as Knollwood Acres. This is a new and growing residential area. We have purchased slightly more than an acre of land for \$3,600.00 and the Board has employed a man to work in this area, subject to the approval of the Annual Conference. We expect a small nucleus from the Spartanburg church for this project—just how many we do not know. God, we believe, has led step by step in this project thus far. However, the real test is ahead. It takes money, people, and property to start a new church but it takes more. God alone, can supply that additional need.

MATERIAL IMPROVEMENTS

WELCOME has built a new steeple, purchased a new piano, and laid carpet in the aisles and at the front of the church. The increased value is estimated at approximately \$2,000.00.

BETHANY has underpinned the parsonage, built new porches at the parsonage and plastered the Sunday School rooms.

CENTRAL, SECOND has constructed a new Education Building with eight Sunday School rooms, pastor's study, and rest rooms. They also built a new choir loft, and redecorated the sanctuary and installed new pulpit furniture. The cost was about \$10,000.

PICKENS VIEW has built a beautiful new parsonage. It is a seven-room, brick veneered building, with a full basement, and with electric heat. It is valued at \$15,000.

GREENVILLE, FIRST has constructed an attractive Auxiliary Building which is valued at \$18,000. It is of brick construction. They also have installed a new, concealed-speaker, public address system in the church.

ANDERSON has done extensive work on their parsonage. They lowered the ceilings, sanded and refinished the floors, painted it throughout and installed a gas-fired, forced air furnace. They also purchased an organ for the church. This was done at a cost of approximately \$2,500.

STARTEX put a new roof on and brick veneered their church. They paved the parking area. The cost was about \$3,000.

LYMAN has moved their church building to a new and beautiful location. They are in an extensive remodeling program which is resulting in almost a totally new church. They have put a basement under it with ten rooms including rest rooms, pastor's study, and classrooms. They have enlarged the sanctuary,

brick veneered the building, and put a new roof on. They also have installed new cathedral glass windows. The total cost was approximately \$17,000 and much work was donated.

LAURENS has added a room and remodeled the kitchen at the parsonage at a cost of \$2,000.

KNIGHTON CHAPEL has constructed a beautiful new church edifice at an approximate cost of \$30,000. It has a spacious sanctuary, ten Sunday School rooms, a pastor's study, and rest rooms.

For other improvements we refer you to "The Challenger."

NUMERICALLY

There are too few reports in for the fourth quarter for us to have an accurate picture of the membership item. Reports would indicate that unless there is an unusual loss reported for this last quarter that there will be a substantial gain for the year. The first three quarters witnessed an unusual number of new members received.

FINANCIALLY

A look at the Treasurer's report will reveal the need of increasing Budget payments. The work suffers when the Budget is so far below a full payment. Over all we paid 87.15 per cent of the Assigned Budget. Two items of Budget give us special concern. We lack almost 6% of paying the Superannuate Pension Budget and almost 19% of the Conference Missions Budget. We commend each church that did its best to bring in a full Budget. Let's be faithful in this area of our Stewardship.

Committee on Ministerial Meetings

COLUMBIA DISTRICT

The Columbia District held two meetings, one in Laurens and one in Florence. They were both very profitable.

Committee: A. C. Parker, R. L. Newton.

CENTRAL DISTRICT

The Central District held six meetings, one at each of the following churches: Clemson, Iva, Martin Grove, Oakway, Pickens View, and Tuckasegee. The meetings were well attended and the fellowship was wonderful. The presence of the Lord was greatly manifested in each meeting. We can say with the writer of old, "Behold, how good and how pleasant it is for brethren to dwell together in unity."

Committee: Jack Funderburk, A. W. Padgett.

GREENVILLE DISTRICT

The Greenville District held one meeting this year at the Ariail Church. We had our Conference President with us at which time he brought a timely and challenging message. It inspired all who attended.

Committee: C. R. White, W. E. Payne.

REPORT NO. 13

Secretary Of Church Extension And Evangelism

I wrote to the pastors of the Conference urging them to do their best to have their Sunday Schools raise the \$1.00 per member that was asked by the Conference committee on Church Extension and Evangelism.

I have spoken to youth rallies in two of our districts. I emphasized some of the possibilities and problems in the field of church extension, and encouraged the leaders of local youth organizations to attempt to raise the amount that their Conference W. Y. officials had asked.

I went to Spartanburg to see the proposed site of the Conference's newest project—the Allen Mitchell Memorial Church.

J. H. COLE, Secretary

REPORT NO. 14

Christian Action And Moral Reform

We, the Committee on Christian Action and Moral Reform, recommend:

1. That our Sunday Schools pay ten cents per member for the total enrollment in the main school to the Christian Action Council; this is to be sent to the Conference Treasurer.

2. We further recommend that the second Sunday of September be designated as the day for this special offering.

We commend the Christian Action Council for the promotion of highway courtesy and safety during the past year.

We also commend the State Supreme Court for its decision in upholding the Christian Sabbath.

We also offer the following resolution:

Whereas, there exists in our nation an issue concerning Federal Aid to Parochial Schools:

Be it resolved, that the South Carolina Conference of the Wesleyan Methodist Church, meeting for its sixty-ninth annual session, registers its position in support of our historic national principle of the separation of church and state, and therefore opposes any Federal Aid to Parochial Schools.

Committee: C. R. Tegen, J. A. Giles, P. B. Pullin, W. S. Allred, C. G. Shirley.

REPORT NO. 15

Director Of Christian Youth Crusade

Someone has said, "It's easier to build a wall at the top of a cliff than to build a hospital at the bottom."

Child Evangelism is endeavoring to do both—reach the potential offender before he meets the arm of the law and bring to those who have already “toppled” the One who is able to give them a new life.

The leaders of our denomination recognize the need of Child Evangelism within the churches. The new program of C. Y. C. will be the answer to many of our needs in our particular churches.

We contacted twenty churches and sent promotional literature to each. We sent a quarterly report to our Director of Education in Marion.

We have eight active Bible Clubs and one church reporting Junior Church. No doubt there are others but they failed to send in a record.

This is no time to relax. We must press forward, putting forth every possible effort to see that each child has an opportunity to hear the Gospel and turn to Christ.

BERNICE PADGETT, Director of Christian Youth Crusade

"We can spend so much time and money and it doesn't amount to anything because it is not at His direction," "Everything He does through us will accomplish," "If we want to do something we must be nothing," "God wants to exercise His power if we will put ourselves in the place where He can work."

9. Each district should plan at least three district meetings annually—one each quarter in which workshops will be held for: local presidents, treasurers, magazine solicitors, Women's World Fellowship secretaries, and Y. M. W. B. superintendents.

10. It shall be the duty of each District Superintendent to supervise the interests of the societies in her district. This may be done by visitation, correspondence, the holding of conventions and rallies, the organizing of societies and bands where none exists, and giving of her time as she deems needful. Each society or district is to bear her expense on said visits.

REPORTS

REPORT NO. 1

President's Report

"Safely through another year, God has brought us on our way."

As we look backward, many pleasant memories come crowding—

Your wholehearted cooperation in giving to special projects, such as supplies for Haiti rest cottage, the mimeograph and other gifts for Marie Evatt, curtains for the college dining room and other smaller items; the District conventions with their inspiration and spiritual lift. The meeting with representatives from different denominations at the Christian Action Council in Columbia, the visits of missionaries to many of our churches, personal letters assuring us of your prayers, the birthday surprise—all these have been pleasant things!

Heartfelt thanks for all you have done. I have a new sense of appreciation for the many faithful women of our Conference. There are more than those we see when we come to our annual gathering. Many have worked behind the scenes.

Special mention should be made of our Y. M. W. B. Superintendent who has worked untiringly to attain the goal adopted at last Conference—that of purchasing a jeep for the Cowarts. Largely through her efforts the goal is in sight.

Through *The Challenger* each month, as well as through occasional letter visits, it has been a privilege to contact you. It has been a joy to meet with a number of you in your churches. You will be interested to know that we have made a financial gain of three thousand dollars, making a total of \$26,108.37.

May our 1961 Conference Theme, "Ready My Place To Fill," find a hearty response in all our hearts if God permits us to labor another year.

Gratefully yours,

MARGARET G. CHILDS

REPORT NO. 10
Y. M. W. B. Superintendent

Greetings, To the Members of the South Carolina Y. M. W. Bands!

It is with gratitude and praise to God that we enter into this Conference session. Your labors this year may have seemed a bit strenuous at times but remember when we work for the Lord our labors are not in vain.

Your help and cooperation has been appreciated. Without it, and the help of the Lord, my efforts would have been fruitless.

Through the aid of our wonderful superintendents and district superintendents, the Conference has made a gain of \$1,446.82.

The following bands will receive HONOR ROLL awards:

Anderson, Belton, Carlisle, Central (First), Chesnee, Clifton, Community, Easley (Alice), Easley (Ariail), Easley (First), Easley (Glenwood), Fellowship, Fountain Inn, Glenville, Golden Grove, Greenville (First), Greenville (Sans Souci), Greenville (Woodside), Greenwood, Greer, Landrum, Laurens, Martin Grove, North Charleston, Oakway, Pickens View, Seneca, Smith Chapel, Startex, Westminster, Whitmire (First), Williamston.

I visited 4 bands, organized 2 bands, held 8 district rallies, attended 5 district workshops, and sent 556 letters, 175 cards, and wrote 234 receipts.

May we not be satisfied with present attainments but always strive to do our best for God, our church, and our Conference.

Respectfully submitted,

BERNICE PADGETT
Conference Y. M. W. B. Superintendent
