RESOLUTIONS AND LAWS OF THE INDIANA CONFERENCE

1. It is contrary to the spirit of the Discipline and our principles for our preachers to assist in any service with oath-bound societies.

2. That it is the sense of this Conference that our houses of worship should not be open to any evangelist or minister of any other church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments. Any waiving of the above resolution by a contract or lease of building must be obtained through the Board of Trustees of the Indiana Conference.

3. Whereas, We have a scholastic standard for our preachers, and whereas those saved, sanctified and called among our own numbers are compelled to meet these requirements before ordination: Be it resolved, That the Committee on Itineracy and Elder's Orders shall require all those desiring to unite with us from any other denomination or Annual Conference to present credits equivalent to our Conference Course of Study, regardless of their standing in the body of which they have been a member, and if they cannot do this they shall be required to meet the same conditions as our local preachers before ordination.

4. That any candidate for Elder's Orders or traveling under the direction of the Conference, who fails to attend the Institutes and the examinations of the Committee, without sufficient cause, shall be deemed unworthy of the trust and care of souls, and refused a place among us as a minister of the Gospel, and when they shall fail to attend the Institute for two successive years they shall be dropped from the roll.

5. The Committee on Elder's Orders is hereby to transfer all persons to the study list who may have been recommended to travel and may not have been given work.

6. Whereas, The Discipline requires that the Stewards must meet the Pastors and agree as to the amount necessary for their support; Be it resolved, That the circuits may at the same time enter into an agreement in writing with the Pastor as to the service he is to render to the church. In case the Pastor shall fail to render such services, unless providentially hindered or released by the circuit, said failure shall be considered a sufficient cause to make an adjustment of the amount originally agreed upon. Otherwise the contract shall be binding upon both parties the same as any other financial obligation entered into by contracting parties.

7. The membership, so far as possible, shall pay all their contributions for the Conference and Connectional interests to the Pastors, who shall receipt them for the same and see that it is paid to the proper authorities. Where money is paid direct to the Conference Treasurer by the membership, he shall send a duplicate receipt to the pastor of the charge where such persons are members.

THE INDIANA CONFERENCE

8. All charges with a membership of twenty-five or more shall in addition to the regular stipulated salary, assume the responsibility of providing a suitable home in which the Pastor may live.
9. Be it resolved, That it shall be the duty of the Pastors to look after the insurance of our church and parsonage properties. All insurance shall provide for losses caused by fire and lightning, hail and tornado. A failure on the part of the Pastor shall be a censurable offense. If the church fails to insure their property upon reasonable effort of the Pastor to secure the same, then said failure shall be reported to the President of the Conference who shall then have the property insured. In such case all insurance monies received from losses by fire, lightning, hail and tornado shall be used in Church Extension work as the Conference Board of Trustees deems best.
10. We recommend that all charges and stations to which the Pastor moves pay the moving and transportation expenses of said Pastor, the same to be done in addition to his salary; provided this shall not interfere with the previous arrangements between Pastors and charges. That where the Conference demands the services of any one, that it shall bear the moving expenses, if any expense shall thus be incurred.
11. Each Pastor shall file a duplicate statistical report with the Committee before the close of the second day of Conference, said report to be kept on file one year, and hereafter these reports shall not be read in open Conference. The official character of no Pastor shall be passed until he shall have submitted a satisfactory report, including statistics.
12. All unaccounted for members appearing in the statistics in the membership list shall be transferred to the discontinued list. All members in excess of the number reported shall be reported received. The roll of all the classes upon the charges shall be put in the hands of the Pastors and they shall have charge of the same and make all entries therein.
13. It shall be a standing rule of this Conference until revoked by vote that the President shall receive \$35.00, the Secretary \$50.00, the Assistant Secretary \$25.00, and each member of the Statistical Committee \$25.00, each member of the Auditing Committee \$10.00, Assistant to the Treasurer \$10.00, the same to be apportioned pro-rata among the various funds of the Conference; each member of the Camp Meeting Committee \$15.00, and the Treasurer of the Camp Meeting Association \$40.00.
14. It shall be a standing rule until revoked by this body that the President shall nominate his Advisory Board and the Conference shall elect his nominations.

Be it resolved, That if any lay-member of the church shall be guilty of immorality, and later be brought to repentance; that they shall not be put into any position of public leadership in the church, either by election or appointment, until after at least two consecutive years of exemplary Christian life.

19. The Pastor shall bring to each Quarterly Meeting a fully itemized report of his labors during the quarter. The report shall be itemized as follows: 1. Number of sermons preached. 2. E. E. CORY,

Superintendent of Southern District.

No. 3.

We, the Committee on Resolutions, beg to submit the following report:

We firmly believe in the restraining influence of law as a corrective moral measure, therefore we urge our people to help encourage law enforcement and especially to use our influence and ballot to nominate and elect men to office such as will enforce the eighteenth amendment.

Inasmuch as the liquor interest and organized vice are resorting to every means to increase their profits, and in doing so have become a menace to society, we therefore urge our people to pray earnestly for our beloved nation, especially for her law-enforcement officers.

We also deplore the present break-down in moral standards, particularly in sex relations, cigaret smoking, especially among women, luteness of dress, letting down of womanly modesty and reserve in general. We adjure our people to avoid such behavior and dress as is the vogue of the world and contrary to the Word of God. Inasmuch as certain influential social leaders are advocating the pernicious practice of companionate marriage and birth control, we believe this is not only unchristian, but if permitted by law would be a gross sin against society and amount to nothing less than legalized prostitution.

THE INDIANA CONFERENCE

We therefore recommend that our ministry keep informed on these matters and faithfully warn our people.

We firmly believe the teaching of the Word of God and vital religion to be the only solution to prevalent moral problems.

Realizing the church and home, the two greatest institutions of our national life, we urge our people to guard with zealous care the family altars and places of Bible study and secret prayer as a safeguard to our children, and as a means of promoting the work of God in general.

We deplore the brazen immorality of the modern movie, and whereas those at the head of the large corporations have acknowledged that they must use the sex appeal and illicit love to make it a profitable business, and whereas those that are connected with this business have repeatedly said if the church people of this country would withhold their support they could no longer operate, we recommend that our church keep her testimony sounding out against the vice propagating business.

In order that a greater degree of church loyalty and intelligent service may be rendered by our people, we recommend that our ministry urge our members to read the annual conference minutes, and especially to be informed of the church discipline, and, when deemed necessary, that parts of the discipline be read in public meeting or a drill be conducted at the suitable times.

We recognize an increasing spirit of irreverence throughout the land. A disrespect for the House of God, the Sabbath, the ministry, and the Word of God.

May our beloved people avoid boisterous, irreverent conduct in the House of God and hold the reverence for the Lord's Day by refraining from attendance at the family reunions and picnics, and from making the Sabbath a week-end holiday, and to hold respect for our ministry and esteem them highly for their work's sake.

Respectfully submitted by

G. S. APPLEMAN,

C. D. CRABILL,

CHAS. MURPHY,

Committee on Resolutions.

REPORT OF SUNDAY SCHOOL BOARD

Report No. 8

We are glad to report a very substantial increase in attendance in many of the Sunday Schools of the Conference, with 240 uniting with the church out of the Sunday School ranks.

Also we had four very gracious and well attended Sunday school conventions. Rev. F. A. Butterfield gave two splendid addresses at each of these conventions. There has been a substantial growth in interest in the Teacher Training work in the northern part of the Conference. A class of thirteen were given diplomas at the Peru convention. This class was from Plymouth. Three recently finished the course from the Larwill church and were granted diplomas. At the present time there are thirteen students at Fairmount about ready for the third examination.

WESLEYAN METHODIST CHURCH

We recommend that the Conference districting revert to the former Sunday school plan—Northern, Southern, and Central Districts—and that each district be subdivided into Eastern and Western sections as follows:

Northern District

Western Section—Hamlet, South Bend, North Liberty, Plymouth, Peru, Wabash. Charges—Rev. A. M. Jackson, District Superintendent.

Eastern Section—Edgerton, Albion, Ft. Wayne, Elkhart, Larwill, Laketon, Bluffton, Warsaw. Charges—Rev. C. D. Crabill, District Superintendent.

Central District

Western Section—Anderson, Ellwood, Fowler, Greentown, Hoopston, Lafayette, Logansport, Kokomo, Marion (West 8th St.), Marion (Nelson St.), Mt. Olive, Mt. Zion (Howard County), Miami, Santa Fe, Thorn town, Fishersburg. Charges—Rev. J. J. Coleman District Superintendent.

Eastern Section—Bryant, Fairmount, Fowlerton, Gas City, Hartford City, Jonesboro, Lancaster, Marion (George St.), Marion College, Mt. Etna, Muncie, Portland, South Salem, Summitville, Warren. Charges—Rev. C. G. Payne, District Superintendent.

Southern District

Western Section—Indianapolis, Kirklin, Sheridan, Westfield, Boxley, Cicero, Tipton, Waveland. Charges—Rev. Lauren Crowe, District Superintendent.

Eastern Section—Blue River, Fountain City, Lewis Creek, Mt. Zion (Henry County), New Castle, Shelbyville, Hedricks Chapel, Grant City. Charges—Rev. F. L. Berkebile, District Superintendent.

We recommend that the present plan of organized work by the Sunday school be continued, Rev. H. T. Hawkins supervising work with those ranging in ages from birth to thirteen; Rev. F. O. Spitler those from 13 to 25, and Rev. E. J. Pitts the ones ranging in ages from 25 on up.

We further recommend that our schools continue to pay 10 cents per member of the total enrollment to be divided as before for Conference and General Conference work

REPORT OF COMMITTEE ON STANDARD OF APPORTIONMENT OF THE TITHE

We appreciate the growing interest and obedience to the law of the tithe, as taught in the Holy Scriptures, and as therein setting forth God's plan for financing His cause. It cannot be reasonably imagined that an All-wise Person would launch a gigantic enterprise like the work of redemption to be carried on by His Church without providing an adequate plan for successfully financing all the work involved.

WESLEYAN METHODIST CHURCH

All that legitimately belongs to the work of the church is important and vital, and each interest should receive its proper consideration and support. The law of the tithe provides for this. The New Testament history informs us that there was the institution of the Christian ministry, succeeding the priesthood of the old dispensation; the evangelization of the world, and the care of the poor and needy. These suggest, in general, the field our benevolences should cover.

In our denominational or church relationship we unite to promote the work of Christ, as by this method we can most successfully carry forward these arms of religious activity. We have therefore our local church expenses and the benevolences incident to our Conference and Connectional enterprises. With each of these, by our vows of church relationship, we are each definitely related, and for their support we are responsible.

The divine plan for the disposition of the tithe is the Store House method. See Mal. III-10. As the local church is at the basis of all activity it must first provide for its own maintenance. This involves the support of the ministry, the maintenance of the house of worship, and the care of the needy, or such incidental expenses as success may require.

Since it is proper for all who contribute their tithe to know for what interests their money is expended it is obligatory upon us to state HOW it shall be apportioned to the various arms of the work. In the Store House plan this is done, and the church, rather than the individual, is honored in the success that will surely follow our co-operative adherence to the divine plan.

Standard of Apportionment

A careful study and observation of the distribution of the tithe confirms our conviction that the following apportionment is sure to conserve the interest of all phases of our work, both local and general. A little variation may be in order under certain local conditions, but in general the following basis of apportionment will prove to be a safe, fair and successful rule:

- 60% Retained for local church.
- 12% Conference work.
- 8% Education.
- 16% Home and Foreign Missions.
- 4% Miscellaneous.

With this percentage of apportionment as a basis it is the mind of the committee that when each arm of the work is provided with the amount required for it, the balance may be placed in the miscellaneous division and voted out from there to where it is needed, as the Tithing Band shall judge best.

Conventions were discussed at this time. Brother and Sister Charles Carter to travel in convention tour.

A motion prevailed to give the Executive Committee the privilege of setting the time of convention tour.

The Executive Committee was given the privilege of securing a caretaker for the rooms.

Gertrude Brown read a very instructive paper on "The Christian's Duty Towards Missions."

The minutes of the previous meetings were read and approved.

The services were brought to a close by singing "Nearer My God to Thee."

Benediction by Miriam Jennings.

THE INDIANA CONFERENCE

Dear Sisters of the Woman's Home
and Foreign Missionary Society:

Once more we are permitted to greet you in our annual gathering; we have come from every section of our Conference to do work for the King of Kings. A great task is ours, to spread the glad tidings of His kingdom everywhere.

Oh, Christ we come; our all we bring,
To serve Thy world, and Thee our King.

We find that the enemy of man is heartless and defiant, and has summoned all the forces of evil to defeat the work of the Lord. We are so glad our Christ has greater power than the enemy and if He can depend on you and me to do His bidding, and not grow weary in our efforts to save the lost we will become victorious. We are surrounded by a great cloud of witnesses who urge us on to do our best.

While some of our number have fallen and entered into rest, let us honor them today by increased devotion to the great missionary cause they loved so well.

We commend you for the splendid work you have done, but when we think of the evil of the land, our hearts are saddened and we feel that we must put forth greater effort to save our girls. We used to say our boys, but these days our cry is, save our girls. When we see the girls, and I must say some of our mothers smoking, it makes us hang our heads in shame, and we are made to cry mightily, Oh, Lord, save the youth of our land. Mothers, let us watch, watch, I say, and pray that the enemy may not get our children, but may they be saved for the church and the cause of Christ. Are we going to need missionaries to go forth in this great Christian land of ours to cry aloud against this great evil that is destroying both soul and body?

The cry of our heart is, Oh, Lord, save our boys and girls and make them real missionaries at home and abroad. Give us Christian and influential mothers; save us from a debauched and degraded nation.

We feel the financial depression so much, but the Lord will honor our efforts if we will do our best if we have to pay less; let us pray more and deprive ourselves of some things needed that the missionary work may not fail.

In a letter I received from Brother McCarty, he said: "Read Isaiah 41-10, 'Fear thou not, for I am with thee; be not dismayed, for I am thy God. I will strengthen thee, yea, I will help thee, yea, I will uphold thee with the right hand of my righteousness.'"

There are loyal hearts, there are spirits brave,
'There are souls that are pure and true;
Then give to the world the best you have,
And the best will come back to you.

For life is the mirror of king and slave,
'Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you.

PRESIDENT'S OFFICIAL REPORT

Report No. 1

Helped plan the convention tour and attended all the conventions. I know the Lord honored our efforts by putting His blessing on the people; some of the convention was the best I ever attended. We had more of our pastors in the meetings than we have ever had. Our helpers were Sister Banker, Louvesta Conley, and a part of the time Elizabeth Wilson.

Attended Educational Harvest Day at Marion College.

Have kept up correspondence relative to the work; wrote 179 letters and 108 postal cards; and visited some of the weaker societies.

Sent Thank Offering boxes to Fairmount to Reba Rigsbee and some literature to Egerton Society.

President's expenses outside of convention tour:

Carfare, stationery and stamps.....\$19.42

While the financial depression is still upon us I have heard some good reports from the different societies, for which we praise the Lord.

Again the harvest is passed and the summer is ended, and we, as Gleaners in the Missionary field, wish to come forward, bringing in that which, through the help of the Lord, we have been able to glean here and there for Him.

We certainly are made to rejoice in that our members, scattered over six states, have stood so loyally by this work, and are sure their reward shall be according to their faithfulness.

Although we have suffered some loss of membership, we are glad to be able, in spite of this and "hard times," to report the gain in funds raised of \$49.39 over that of last year, for which we praise God and take courage.

AURIE L. BODENHORN, President.

RED LETTER DAY REPORT

Report No. 6

We, your committee on Red Letter Day, submit the following report:

We recommend that the first missionary meeting after Conference minutes are received be set apart as a time in which our women study such plans and instructions as advised by our Conference.

We recommend that at least one meeting during the year be set apart for the study and prayer for our Home and Foreign Missionary work.

We recommend Harves Day for Marion College be observed the third Friday in October, and that each Missionary Society recognize their responsibility for the same.

We recommend that we co-operate in observing the World Day of Prayer.

We recommend that we observe Easter as a time for special programs, gifts, and offerings for Home Missions.

We recommend that we observe May meeting, to be known as gift day, making bandages and such gifts as may be sent with our outgoing missionaries.

We recommend that one evening in the year be set apart to which we invite our families and friends, a suitable program be rendered, the purpose of which is to stimulate missionary interest to get new members, and pay dues.

We recommend that the last meeting be given to devotion and praise, opening self-denial boxes, taking care of unfinished business. Also that anyone having plans, recommendations or resolutions present them to their delegates to present to the Conference.

ZELLA METZ,
INDIA PAYNE,
Committee.

REPORT OF COMMITTEE ON RESOLUTIONS

Report No. 7

We, your Committee on Resolutions, submit the following report:

Recognizing the hand of God as resting upon our labors as a missionary society during the past year, we would offer unto Him praise due His name, and being aware of the tendency toward formality and worldliness creeping into our Holiness churches. Be it resolved

THE INDIANA CONFERENCE

That we, as a body of Christian women of the Wesleyan Methodist Church, pledge ourselves to work harder and pray more earnestly for the missionary cause, both at home and abroad.

That we, as members of our W. H. and F. M. Society of the Indiana Conference, pledge anew our co-operation with our officials and support of every arm of our mission work. Inasmuch as we have derived much insight into conditions prevailing on our mission fields by the use of the study books in the past, we still urge the use of said books in the future.

Furthermore, we recommend that every member of each society be urged to subscribe for and study the Wesleyan Missionary, also that it be used in our monthly meetings, and that copies of the same be preserved on file in the society for future reference as history study.

As the Bible must be our standard in all things, and we are told in I Tim. 2:9 that women should adorn themselves in modest apparel, neither wearing gold or pearls or costly array, we feel it important that our dress, as mothers, be modest and neat, in accordance with our discipline and testimony as children of God, and should insist that our daughters dress as becometh children of Christian parents, that we be not judged by what they wear.

That we further pledge ourselves to take an uncompromising stand against all forms of evil and ungodliness, including intemperance and the use of all forms of narcotics, social reform and social immorality, our unqualified support of the Eighteenth Amendment and all other phases of moral reform.

Again, seeing on every hand the alarming conditions in our country arising from the ruthless disregard of the holy Sabbath day, we hereby promise to set the proper example before the world by observing the command to keep the Sabbath day holy, and help others so to do.

AURIE BODENHORN,
GERTRUDE BROWN,
AIMEE CROWE.

PLAN OF WORK

Report No.8

We, your Committee on Plan of Work, submit the following report:

We advise that devotions be held at each meeting, with earnest prayer for our missionaries and their work, both Home and Foreign.

We urge that dues be paid as early in the year as possible and disbursements be made to Conference Treasurer quarterly.

We recommend that when more convenient, members have the privilege of paying and portion of their dues monthly, and a free will offering be taken.

We recommend the use of the study book and an interesting program at each monthly meeting with special study of our own mission fields.

WESLEYAN METHODIST CHURCH

We recommend that each society seek to make a gain in membership this next year, and that each society set their goal of members at the beginning of the year, and whenever possible, the pastor devote one Sunday morning a month to the mission cause. At this time some one chosen by the society seek to obtain dues for one-twelfth of the number of members for which they are striving.

If desired, work meetings may be held between study meetings, each society adopting plan of work suitable to its community.

We recommend that a liberal donation of fruits and vegetables be sent from each society to Marion College on Harvest Day.

When desirable, the women may get together to prepare them for this purpose.

We urge the use of thank offering and self-denial boxes to be opened as designated on boxes or at public meetings.

ELMA PORTER,
MILDRER HAMMER,
MAUDE NORMAN.
