## DEDICATORY ISSUE

---

Rev. E. D. Carpenter

This issue of the Minutes of 1946 is, by order of the Conference Body,  
dedicated to the memory of the Rev. E. D. Carpenter.

## A Tribute to Rev. E. D. Carpenter

Rev. E. D. Carpenter was born on a farm at Sandy Creek, N. Y., June 3rd, 1859. As a young man he spent his winters teaching school, and his summers on the farm, until near the time when he entered the Ministry, taking work in what was at that time, the Syracuse Conference. In 1899 he transferred to the Champlain Conference. He was elected President of that Conference in 1902, and continued in that office for 18 years, by practically a unanimous vote until in 1920, when he voluntarily retired from the office. When he was elected President of the Champlain Conference there had been no camp meeting held at West Chazy for fourteen years. In the second year of his Presidency, the present grounds at West Chazy were plotted, and leased, for the payment of said grounds, to many individuals. Camp meeting has been held continuously since that time to the present.

Rev. Carpenter was also Treasurer of the Conference Superannuate Society for twenty years; President of the General Conference for twelve years; a member of the Book Committee since 1903; and Secretary of all Connectional Boards since 1911. Surely he was honored by his Church with high honors as well as being charged with great responsibilities. Truly he served faithfully and well in every position he was called to fill.

In the winter of 1943 Brother Carpenter fell on the icy walk near his home, in which he suffered a near fracture of the hip, from which he never fully recovered. However he was able to be about his home with the aid of crutches. In the early spring of 1946 he went to the hospital for a major operation, from which he did not recover, and he slipped away from us to his eternal Home. His funeral service was held from the Sandy Creek Wesleyan Methodist Church, with the Rev. F. R. Eddy, Connectional Agent, in charge, and all that was earthly was laid to rest in the cemetery at Sandy Creek, N. Y. there to await the trumpet call. God grant that we who are left may carry on in our sphere, as faithfully and efficiently as he did in his. May we forget his faults, and emulate his virtues, and may Divine Love, as a mantle cover us all.

(Written by Rev. L. C. Mattoon, By order of Conference, 1946.)

### Report No. 3

#### TITHING SECRETARY

Brother Chairman and Fellow workers:

It has been a pleasure to serve our beloved Conference as Tithing Secretary. Every church except one has been visited, and the message accepted in a friendly way. In the light of some observation both from the reports and on the field, two things appear to be pertinent: First—that our healthy and growing membership should become more keenly aware that **every** Christian is a steward of God, and that all he has is God's. Second—that God's plan, and our own Church plan, is "Storehouse Tithing." We believe, according to Scripture, that the minimum that any Christian should set aside definitely for God should be one tenth. It appears inconsistent for one to talk of full consecration and yet fail to pay the tithe to God. Yes, it appears very clear—the amount which God requires, and also where God wants the tenth to be placed.

This is the "Storehouse"—Malachi 3:10. How our Church and Conference could expand its borders in Church extension, evangelism, missionary work, and properly remunerate the faithful pastors if each member of the Conference would "bring all the tithes into the storehouse!"

Respectfully submitted,

CHARLES A. DAYTON.

### Report No. 4

#### SUNDAY SCHOOL SECRETARY'S REPORT

The Sunday schools of the Conference are growing. We now have 34, the largest number in 45 years; maybe more. The enrollment is (at 3rd quarter) 1607, and the total on Rally Day, 1945, was 1834. Thank the Lord, and all you good Sunday school folks!

Every Sunday school in the Conference paid its Sunday-school budget again. So we paid the Connectional budget (82.10, the largest ever) in full again. The Thanksgiving offering lacked only five of being 100%, even though in the whole Connection the drop was proportionately more. The total received was \$287.27 toward Connectional Traveling President, if there is one. This is good!

Again it is my privilege, and responsibility, to say: "There is **still** much Sunday-school work to be done." There are Sunday schools without Cradle Roll, or Home Department; Training Classes, and Daily Vacation Bible Schools are almost unknown. With a rather vague (or guesswork) recording of Sunday-school scholars converted (74 last year) and scholars joining the Church (51 last year), we fall down on the job of making the Sunday schools of the Conference "life saving" or soul-winning agencies. We **must** awaken to the task and to the responsibilities along this line.

### Report No. 2

#### THE PRESIDENT'S REPORT TO CONFERENCE

To the Members of the One Hundred and Fourth Session, Champlain Annual Conference, Wesleyan Methodist Connection (or Church) of America:

Through the providential care and guidance of our God we have been brought safely through another Conference year. My own heart is filled with inexpressible joy as I contemplate His great goodness to us, His children. To Him be all the glory and praise for the splendid advancement that has been made during the course of the year. To my mind, this has been the best year, from a spiritual standpoint, that I have known in the Conference. There has been manifest growth and deepening both among the clergy and the laity. We are especially grateful to note the splendid spirit of aggressiveness among our young people. Through the channel of their organization \$310.00 has been directed toward our pioneer work.

Three church buildings have been dedicated to the worship of the Lord during the year; namely Macomb, Cobleskill and Fort Miller. These are certainly a real asset to the Conference. In addition to these, two new fields have been opened—one at Springfield, Mass., in the New England States and the other on the St. Regis Indian Reservation. Two others are in prospect and, we trust, will be opened immediately following this conference session, if the start has not already been made. These in view are at Keene, New York and at Potsdam, New York. Six new workers will be joining the Conference this year. Steps have been taken toward separating two of the circuits and placing a pastor on each charge. The circuits concerned in this move are Cobleskill and Carlisle, and Norfolk and Brookdale.

We are thankful to state that nearly all budgets have been paid in full and that some have been well overpaid. As my report will show, nearly \$1450.00 has been received by me personally for pioneer work. This is apart from the regular Conference Extension Fund provided by the budget. In addition to that which I have received and disbursed, Cobleskill alone

## WESLEYAN METHODIST CHURCH

The Sunday-school departmental work needs to become alive; organized classes, if active, and actively Christ centered would be a great benefit. Also, libraries that "serve" are needed. Why cannot our members be called to be teachers, officers, including librarians, to extend the cause of Christ and the Wesleyan Methodist Church in the communities where they are located? Let's emphasize this need and call for workers.

Thanks for your coöperation during the 20 years I have been Conference Sunday School Secretary. May we pray and work together for Christ and the Wesleyan Methodist Church through the Sunday school as long as He wills.

#### "THE CHAMPLAIN CONFERENCE CHALLENGER"

This work as your editor has been a delight to me. It has, under God, been a benefit to the Conference, as well as to me. To some extent the paper has failed to be all that I wish it might have been. Personally, it was experimental, and many mistakes were made. I am sorry. Financially, it was not a paying proposition; but, by your permission, in using Conference Sunday-school funds we came through without any debt. As it appears to me there are a few things that need to be settled before we leave Conference, should it be desired to continue the paper. First, we need about \$200 as a minimum for expense, providing for six issues. Or \$400

## THE CHAMPLAIN CONFERENCE

to make it a monthly, provided either ten cents per copy, or \$1 per year for the monthly, or ten cents a copy and fifty cents per year for semi-monthly. If single subscriptions were the method, we should have 500, (we mailed out 446 the last issue) for there would be extra expense.

Beside the assured financial method, we need a more regular reporting by Conference officers (the Conference President, and Conference W. H. & F. M. Society President were 100%), pastors and others. It is quite a job (and an unnecessary one) to write a card notice each issue. (If a monthly paper, the reporting could be done the first of the month.)

And if District meetings, Conference and Camp Meeting could assume some expense—as advertising, I believe it would be better, in publicity as well as good judgment financially. This is true in part for all the periodicals of the Church also.

## THE W. Y. P. S. CONFERENCE

The Young People's Conference for 1946 was called to order July 6, 1946 by Rev. Edwin Seaman, President. We were led in prayer by Rev. Orval Butcher.

The minutes of the last meeting were read and approved. The Service Flag Committee reported that due to the termination of the war, the project of buying a service flag and memorial had been abandoned.

It was voted to include the first five rows in the bar of conference. Rev. Orval Butcher from Miltonvale was introduced and after bringing greetings from his section of the connection he accepted the invitation to sit within the bar. After the roll call, all Young People's Presidents present were requested to join with the delegates.

Rev. Elton Seaman gave his Treasurer's report. The motion was made and passed to accept the report as read.

Rev. Edwin Seaman gave his Presidential report. It was accepted. There was a discussion on the extension program. Rev. Butcher offered a budget assessment plan. It was suggested that the young people have a project of their own. The recommendation was made to have the executive committee find a project to be used by the young people.

The motion was made to set \$500. as the goal to be placed on extension work this coming year. It was seconded and approved.

The announcement of the convention with courses and classes was made. The dates were set for August 19, 20, 21, and 22. The registration fee will be \$3.00.

Harold Chapman was elected as reporter. A committee to see about forming a sunshine basket for Bernard McClure was elected as follows: David Hill, Bob McClure, Tom Boghosean, Doris Dayton.

The motion was made, seconded, and passed to have the plaque given out at each convention.

The results of the election for the officers for next year are as follows:

President—Rev. Edwin Seaman

Vice-President—Rev. Harris Earl

Secretary—Kathryn Rigsbee

Treasurer—Rev. Elton Seaman

Isabelle Dayton was elected to be the delegate for the General Conference to be held at Houghton in June 1947. June Chapman is the alternate delegate.

It was suggested that a "Round Robin" letter be sent to each president. The letter is to begin in Glens Falls.

The motion was made, seconded and passed to adjourn,

Respectfully submitted,

ISABELLE DAYTON, W. Y. P. S. Secretary.

### W. Y. P. S. PRESIDENT'S REPORT

Friends of the W. Y. P. S.:

This has been an exceedingly busy year for everyone. For this reason it has been impossible for me to travel the Conference in the interest of the young people. However, I have had the privilege of organizing one new society, namely—Macomb.

We are especially grateful for the help of Rev. Aldis Lamos and Rev. Elton Seaman who traveled their districts in behalf of the Youth.

This has been one of the best years for us as a vital organization in the Champlain Conference. A goodly amount of money was raised for pioneer work and other interests. Quite a little money was given to the new Church at Springfield. The activities of the young people in pioneer work is an inspiration to the whole Conference and area. Last year we rose to second place in the area. Let us go on under God to take our place in the Church, joining forces with the other arms of the work, to labor unitedly for the furthering of our beloved Zion.

In closing, let me express my appreciation to Rev. Price Stark, President of the Champlain Conference, who worked untiringly for the young people.

Respectfully submitted,

EDWIN SEAMAN, W. Y. P. S. President.

## WESLEYAN METHODIST CHURCH

### Report No. 5 RESOLUTIONS

Whereas—The Lord has permitted us to gather once more at another Conference session; and

Whereas—Worldly practices, ungodly dressing and failure to hold up the Scriptural standards of Holiness are sweeping our land; and

Whereas—Our nation is facing one of the greatest crises in its history;

Be it Resolved—That as members of this society we pledge our whole-hearted support to our Conference and its officers. That by the Grace of God we maintain our Bible standards and continue to cry out against the sins that are endangering the modesty and character of our youths and prevail in prayer for a genuine Holy Ghost revival in our churches that will result in the Salvation of souls.

MRS. PEARL KEYSER.
