Report No. 8

REPORT OF CONFERENCE SUNDAY SCHOOL BOARD OF INDIANA CONFERENCE

Another year of Sunday-school activities is history and we are happy to report some advancement.

We show an increase of six in number of schools reporting with an increase of enrollment and average attendance.

In the evangelistic effort 674 scholars were converted and 213 joined the church.

In benevolences we have an increase of \$1594.76 over last year.

A number of schools conducted D. V. B. S. and report very gratifying returns in new homes contacted and conversion of scholars.

In the training department one class graduated under the guidance of Rev. William Ott. Special graduating service was conducted at Ft. Wayne at our convention for this class. We have a number of other classes enrolled in this department.

WESLEYAN METHODIST CHURCH

We recommend a continuation of the ten cent per member assessment of main school enrollment for Connectional and Conference work.

We recommend that conventions be held in each district in the month of October if conditions permit. The places for these conventions have already been chosen.

We wish to express our appreciation for the efforts put forth for Rally Day. The reports show that thirty-two schools or over one third of our Sunday schools had a record attendance. We urge that our Sunday-school workers begin as soon as possible after Conference to work for a new record attendance on Rally Day the last Sunday in September, and that a report of the results be sent at once to the Conference Sunday-school Secretary.

We recommend that the districts remain the same as last year with this exception—that Hartford City be changed to the Central District Eastern Central Section; and Huntington, Warren and Plummers Chapel be changed to the Central District Eastern Section with Superintendent as follows:

Northern District, Eastern Section: Edgerton, Albion, Laotto, Greens Chapel, Fort Wayne, Larwill, Warsaw, Silver Lake, Laketon, E. L. Smithee, Superintendent.

Northern District, Western Section: Hamlet, Davis, South Bend, Star, Beaver Creek, Elkhart, Plymouth, Shiloh, Sligo, Dowagiac. Loren Irby, Superintendent.

THE INDIANA CONFERENCE

In these days of indifference and drifting we would plead with our people to give special and prayerful attention to the work of the Sunday school in all of its different departments with emphasis on decisions for Christ by our scholars. The people or Pastor who neglects the Sunday-school field is overlooking the most fruitful field of the church. May God help us to press forward for a greater year in the work of the Sunday school in the ensuing year.

Respectfully submitted,

E. L. GLOVER, Secretary;

E. J. MILLS,

A. E. BEYLER.

Report No. 12

REPORT OF COMMITTEE ON RESOLUTIONS

The Committee on Resolutions wishes to submit the following report:

I. **Spiritual Life.** Realizing the importance of deep spirituality in our Church, we deplore the increasing tendency toward nominal Christianity, compromise with sin, and conformity to the world. Whereas, many people are living beneath Bible standards of conduct, and many have departed from the old paths of righteousness, be it resolved, that we, the Indiana Conference, do hereby reaffirm our adherence to those doctrines that have been held fundamental, namely, the Bible as the inspired Word of God, the Deity of Jesus Christ, His vicarious atonement, the resurrection of Christ from the dead, His ascension to the right hand of the Father, His second coming to earth, the creation of man by the immediate creative act of God, the fall of man from the holy state in which he was created, the doctrine of regeneration, or the "new birth," by which the sinner becomes a child of God and is delivered from the guilt of sin, and the

WESLEYAN METHODIST CHURCH

doctrine of entire sanctification by which work of grace the heart is cleansed by the Holy Spirit from all inbred sin through faith in Jesus Christ.

We urge our pastors and other leaders to teach these fundamental Doctrines, to stress the importance of public and private prayer, an intensive study of God's Word, faithful attendance of the church services, careful daily living, and a strict adherence to the family altar. Our pastors, class leaders and personal workers should insist on definite religious experiences, and definite testimonies on the part of our people.

We would urge our ministers and laymen to refrain from unnecessary employment and worldly pursuits which overemphasize material gain and which tend to prevent or hinder attendance upon the regular means of grace such as private devotions, family and public worship.

We view with alarm the modern tendency to substitute a social program for the spiritual program of the Church, and urge that our pastors supervise carefully the social activities of our churches and Sunday schools in order to avoid any atmosphere of worldliness.

Whereas the spirit of intolerance among many people has hindered the cause of holiness in many communities, be it resolved, that we encourage a spirit of tolerance under the leadership of the Holy Spirit, and without compromise.

Furthermore, we are reminded that members of the early Church went everywhere preaching the Word, and that the Lord added to the Church daily such as should be saved. Considering Christ's great commission to the Church, the fields that are already white unto harvest, and the financial increase with which God is now blessing the Church, let us seize our opportunity to evangelize new fields and build a stronger Wesleyan Methodist Church.

II. Church Program. Since the storehouse tithing plan has been adopted as the financial plan of the Conference, we urge our pastors and evangelists to enlighten and awaken our people by preaching clearly and consistently on this subject to the end that our churches may conform to this plan as soon as possible. Whereas the Tithing Secretary of our Conference has made available to our pastors Tithing Pledge Cards to be signed by tithing members, be it resolved, that each pastor distribute these cards to his congregation, forward a list of his tithing members to the Tithing Secretary, and keep the signed cards on file.

Believing that Christian education, both of our ministry and laity is essential to the progress of our Church, we urge our people to give their wholehearted support to Marion College by prayer, by financial aid, and by urging prospective students to patronize our own school. In this time of crisis, let us unite our best efforts to liquidate the bonded indebtedness of Marion College while economic conditions are favorable.

Whereas our Church provides three excellent periodicals for the instruction and edification of our people and the progress and unification of

THE INDIANA CONFERENCE

the Church, be it resolved, that each pastor shall be responsible for presenting these periodicals to his people and community, and that he shall keep a complete record of the subscriptions on his charge, and receive renewals from subscribers. We also recommend that our people make generous use of the books and other literature, which are available at our Publishing House.

Whereas the catechism which was published by order of the General Conference may be an invaluable aid in indoctrinating our people, be it resolved, that each pastor provide for its use in children's groups, prayer meeting groups, and other groups in which this type of instruction will be acceptable.

III. Moral Reform. We deplore the general lowering of moral standards in our country and pledge our coöperation with every local and national organization which exists for the betterment of mankind and the promotion of Christ's kingdom. Recognizing the danger of conforming to the customs and standards of the world, we urge that our people carefully refrain from participating in questionable amusements; the wearing of scanty or improper clothing, and the use of tobacco and alcoholic beverages.

Since the sale and consumption of alcoholic beverages continue to increase, to the great detriment of the health, safety, and morals of the American people, we demand a return to national prohibition and the adoption of an intensive program of temperance education as the most feasible means of dealing with this growing menace. Believing that total abstinence from all intoxicating liquors as a beverage to be the duty of all Christians, be it resolved, that our ministers and teachers give proper emphasis to the standards of our Church on this subject.

The use of the wedding ring is not in accord with our standards as a Church, and we disapprove of our ministers performing or taking part in the ring ceremony.

We view with alarm the increasing prevalence of the spirit of indifference toward the sanctity of the Christian Sabbath. We earnestly exhort our people to refrain carefully from every activity that would hinder their duties of worship on the Lord's Day. While we realize that there are certain forms of labor that may be a necessity on the Sabbath, we warn our people against the encroaching claims of modern life which would conflict with our time-honored convictions with regard to the Sabbath Day. Therefore be it resolved, that this Conference and Holy Body advise and instruct the members of the Wesleyan Methodist Church to refrain from laboring on the Lord's Day for personal gain.

IV. Civic Standards. Whereas our national life is proving to be tainted with communism and totalitarian sympathies, be it resolved, that our ministers encourage the spirit of Christian Americanism, faithfulness to the Christian principles of the nation, and the defense of our Christian liberties.

WESLEYAN METHODIST CHURCH

Recognizing the horrors of war, we urge that men and nations seek by every legitimate means to avoid armed conflict among the peoples and nations of the world and to propagate the truth of the gospel until Christ, the Prince of Peace, shall rule in every heart, until men shall be brothers the world over, until all the nations are at peace, and until righteousness shall cover the earth as the waters cover the sea.

While we should give moral support to the sincere, conscientious objector, who cannot with a clear conscience bear arms in military conflict, we wish to honor the boys who represent us in military service and who are undergoing hardship and endangering their lives in the defense of our free institutions. We hereby pledge ourselves to give to these boys our loyal support and to faithfully bear them to a throne of grace in earnest prayer.

Let us as a body support the movement for coöperative effort on the part of our military leaders and the Church, not only to remove from our soldiers in the camps the evil influences of the liquor traffic and commercialized vice and other temptations, but to furnish Christian literature and provide suitable religious services for the soldiers.

While we do not condemn membership in labor unions as such, yet we do desire to warn our people against participation in union activities of a violent or riotous nature, and against any union affiliations that would obligate one to engage in such lawless activities, or to desecrate the Sabbath Day.

Respectfully submitted,
GORDON GOODMAN, Chairman;
EVERETT WILSON,
JOHN REED,
A. D. MINX,
C. G. LAWRENCE, Secretary.

Report No. 1

PRESIDENT'S MESSAGE

To the Young People of the Indiana Conference:

The Psalmist said, "Let us come before His presence with thanksgiving." Truly, it is with hearts full of praise and thanksgiving to God that we are met here today for this, the thirteenth session of our Young People's Conference.

THE INDIANA CONFERENCE

As we look back over the past year it is not with regret but with praise to God for the accomplishments during the past year. There have been some new societies organized under the disciplinary plan, and also a gain in membership and finance.

At our last Conference a committee was elected to direct the work of Conference evangelism. We are pleased to report that two pioneer revivals have been sponsored under their direction. There is still a great need for evangelization within our Conference and doors are opening to us. I hope we will be able to enter these doors and organize some new churches. Truly, the "fields are white already to harvest," and we have a message that the world needs. Let us go forward in the work of evangelism.

In the past year many of our young men have been called into the service of our country. They have not only been called to take up arms against our aggressors, but have also been called to leave their homes and churches where they were surrounded by a Christian environment. Let us not fail to remember them in prayer.

As we look into the coming year, things may not appear to be so bright. Probably, we will face problems which we have never faced before. Circumstances may be somewhat different than they have been in the past, but let us remember that our God is not subject to circumstances.

I am certain that if we as young people will hold high the blood-stained banner of Jesus Christ and refuse to compromise with the world that we will continue to go forward.

I wish to thank each one for the coöperation given me during the past year as W. Y. P. S. President. It has been through the help of God and your coöperation that we have been able to go forward this year. I wish especially to express my appreciation to those who assisted us in the gospel team work. May God richly reward each one that has put forth an effort in the work of the W. Y. P. S.

Signed: H. J. LOGSDON, W. Y. P. S. President.

(c) The State rally at the campground May 30th, 1943.

(d) Provision pending rationing of gas: That the District President and his Advisory Board select groups of young people from over the district to conduct week-end meetings in the various churches of the districts, until all churches have been contacted. This to take the place of the district rallies.

3. That the State President attend one rally in each district in the state during the year; the District Secretary shall contact the President, and arrange for him to have charge of at least one service.

4. That an evangelistic committee of three members be elected to work in harmony with the Conference President and the State W. Y. P. S. President for the promotion of pioneer evangelism. This committee shall carefully select fields where prospects are good for a permanent work. Workers shall be chosen by this committee and expenses, not met by offerings shall be paid from the State W. Y. P. S. treasury.

5. That all organized societies shall secure a book of records in which shall be registered the officers and members. The list of members shall include a classification of active and associate members. This shall be made a permanent record and the roll of membership shall be revised at the close of each Conference year. The President shall call a meeting of the Divisional Superintendents, the District Presidents, and as many Local Presidents as are present to advise them in this plan.

6. That our young people give their hearts support to the Wesleyan Methodist and Young People's Journal and use them in their services.

7. That the local societies present a Bible or New Testament and a subscription to the Young People's Journal to each young man of their church who is called to the selective service, and that an appropriate service be held for the presentation of same.

8. That following the statistical report there be a list of churches not reporting a W. Y. P. S.

Respectfully submitted,

ARTHUR PERSONETTE, Chairman;
CLIFFORD HOOVER,
LEO WELSH,
MARY ADDISON,
CATHERINE BLOOM, Secretary.

and support from the Annual Conference; be it resolved, that the Secretary express our appreciation in writing to that body.

2. Whereas Marion College has made such a vital contribution to the young people of our conference and area; be it resolved, that we support the college with our finance, our prayers, and our influence.

3. Whereas under the leadership of Almighty God and through the coöperation of the Church, the W. Y. P. S. has been afforded a most efficient organization in the Connection, the Area, and the Conference; be it resolved, that this body coöperate with the Church and maintain its organization and work as an integral part of the Church program.

4. Whereas the Connectional Agent has provided to send ten or more Journals to one church, to individual addresses at the rate of 80 cents per subscription, and give a year's subscription to the pastor free of charge; be it resolved, that the local society take advantage of this offer, and also place a copy in the Public Library in its community.

5. Inasmuch as a large number of the young men of our society are now in the armed forces of our country and as we face the probability that our young women will also be involved in the war effort; be it resolved, that our local societies encourage them through prayers and correspondence.

6. Because of the trend toward a "popular holiness"; be it resolved, that our societies make a place in their program for the study of holiness as taught by John Wesley. We urge the coöperation between the society and their pastor in supporting this resolution.

7. Realizing that this is no time for compromise; be it resolved, that we take a firm stand against all worldliness, such as questionable amusements, fashion of dress and desecration of the Sabbath.

Respectfully submitted,

PRESIDENT'S MESSAGE

Dear Sisters of the Indiana Woman's Home and Foreign Missionary Society:

Greetings in Jesus Precious Name. We have gathered together today under conditions that are different than a year ago. Our own country is now engaged in another conflict. Mothers' sons have been and are being called to the front. Battles are being fought on land, sea and in the air.

Ours is not a battle with carnal weapons. We are always on the winning side. The Captain of our army knows no defeat. God forbid that we allow the smoke and din of carnal warfare to drown out our realization of the deep hunger of souls all about us and the world over. There are millions who starve, and our Christ is saying to each of us, "Give ye them to eat." We may all have a share in the distribution of the Life Giving Food that alone can satisfy and bring peace.

It is now impossible to send Foreign workers to their respective fields, but we can still give and pray. Home Mission doors are wide open. We can enter in with our gifts, our prayers and ourselves. "I must work the works of Him that sent Me, while it is day: the night cometh, when no man can work." John 9:4. Some one has said, "Prayer and missions are as inseparable as faith and works. Everything vital to the missionary enterprise hinges upon prayer. We have no right to send out missionaries unless we mean to back them up by prayer; for God's power only, in answer to prayer, can enable them to overcome their hindrances." We are taught to come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need. Heb. 4:16. This is a needy time. May we as soldiers of the Cross go forth in His name to herald the good news of salvation from sin to a lost world.

We appreciate your splendid spirit of coöperation, your ready response for dormitory supplies, and your interest in the work of God and the Church. May the Lord bless you and continue to make you a blessing.

SOWING AND REAPING

He bids me go forth in the morning
When everything seems so bright,
And scatter the seed all the day long,
Till evening and oncoming night.

WESLEYAN METHODIST CHURCH

And when evening shadows gather
And the day is almost gone,
"Thou knowest not whether shall prosper,"
Keep on with the sowing—keep on!

Some seed will fall by the wayside
And some where the rocks abound,
And some 'mid the thorns and briars,
But some will fall on good ground.

Sometimes the labor seems heavy,
Sometimes in sorrow I weep,
But I know, if in tears I am sowing,
In joy and gladness I'll reap.

What joy at the final gathering
With Christ in the "Harvest Home,"
From all the great fields the reapers,
Bringing their sheaves shall come!

—F. A. McGaw.

HARVEST DAY COMMITTEE

We, the Committee on Harvest Day, do submit the following report:

1. We recommend that this year's Harvest Day be a real social gathering, basket dinner to be served on the campus or in the gymnasium to students, faculty, and all friends of Marion College.

2. We recommend that the Conference Secretary send out notices informing the local societies of this change.

3. We recommend that the College Church Society appoint the committee to make necessary arrangements for Harvest Day dinner.

4. We urge that as far as possible that each society pay their budget in cash. Where this is not possible we urge that each society in contributing of canned goods give as unto the Lord. Since all fruit for Marion College must be sweetened, sugar may be obtained through your rationing board. Again we urge that no such donations be brought to the college sooner than two weeks after canning. We recommend that each can bear the label of contents and the contributing society.

5. We recommend that next year Harvest Day be changed from the third to the second Friday of October.

6. We recommend that each Local President be responsible for the attendance at the Harvest Day program of representatives of her church, that their interest might be renewed, their vision enlarged and the cause of Christian education encouraged.

Signed: JUANITA HOOVER,
HELEN KNOTTS,
HARRIETT DECKER.

PLAN OF WORK COMMITTEE

Your Committee on "Plan of Work" beg to submit the following report:

1. We recommend that special effort be made to enlist a closer fellowship with God and with one another on the part of each member of our societies.
2. That each meeting begin by a season of prevailing and intercessory prayer for the blessing of the Holy Spirit, upon our soldier boys our world conditions, and our missionaries at home and abroad.
3. That those who have observed monthly prayer services, continue in and others take up the same.
4. That we observe Harvest Day, World's Day of Prayer, a men's meeting and other such meetings as will tend to the advancement of the work.
5. That our societies ascertain from our representatives the needs of our Home work and send gifts and offerings accordingly.
6. That each society especially seek information as to the needs of special prayer for each field, and plan such in our programs.
7. That each society use the study book in their monthly meetings.
8. That we endeavor to secure each woman in the church as a member of our local societies and a subscriber of The Wesleyan Missionary, and each man as an honorary member.

Respectfully submitted,

FLORA G. ADDINGTON,
EDNA HOLCOMB, Committee.

Report No. 7

RESOLUTIONS

We, your Committee on Resolutions, submit the following report:

1. Whereas present world conditions are thwarting the cause of righteousness, be it resolved, that we, as Christian women, pray unitedly and persistently for the welfare of our country and our own boys during this great emergency and intercede daily for universal peace.
2. Whereas many mission fields are closed to our evangelistic efforts, be it resolved, that we double and triple our efforts to establish and carry on work in the fields that are open to us.
3. Whereas our own college has made a special appeal for the support of the agencies of the Church in this time of shortage of enrollment, be it resolved, that our Missionary Societies make special effort to coöperate in the maintenance of Marion College.

WESLEYAN METHODIST CHURCH

4. Whereas the vital life and effectiveness of program lies in leadership and coöperation, be it resolved, that we loyally stand by our officials and pray faithfully for one another.

5. Whereas the quadrennium is swiftly drawing to a close and General Conference is near at hand, be it resolved, that we pray for and anticipate a profitable session under the leadership of the Holy Spirit, that that session shall mark a broadening of our program and a deepening of our sense of responsibility.

6. Whereas moral issues are definitely at stake today, be it resolved, that we by word of mouth, prayer, and example, stand steadfast against drinking, smoking, the use of obscene literature, immodest dress and questionable places of amusement.

7. Whereas the conditions in our army camps are deplorable and are thus by action of our government, be it resolved, that we solidly and coöperatively use the power of franchise to correct these conditions and to purge political offices.

Respectfully submitted,

MILDRED REED,
OLIVE COLESON,
GLADYS IRBY, Committee.
