## REPORTS

Report No. I-A

### THE CONFERENCE PRESIDENT

To the Members of the Champlain Conference, Greetings:

According to God's rich Grace, we are met together at this One Hundred and Fifth Session of this institution which is so dear to everyone of us.

In almost every department of the work, if not in all there has been consistent progress.

Revival fires have been kindled in various churches of the Conference. Many have reported real spiritual awakenings with the members revived and the work enlivened. We trust there will be a good harvest, not only of those finding God but of those who decide that our church is their choice.

It is a very great pleasure to announce to you the birth of two new churches within our Conference this year. Both of these organizations have a building in which to worship. The names of these two healthy young churches are, Northside Cohoes and Springfield, Massachusetts. The former was organized with seventeen full members and three associates. Springfield has        members. Both of them have others who will, we trust, soon unite in full fellowship.

Your president cannot fully express his deep appreciation for the bountiful cooperation of each and every one in the matter of the President's Home. As you know, a very liveable home was purchased by your trustees last July, after this purchase had been recommended by the Conference board on Church and Parsonage Building and Location. You have undertaken the task of paying for this home so enthusiastically and earnestly, that in less than one year, it is completely paid for as well as many needed repairs and quite extensive renovation. Bless the Lord! There are several smaller items of maintenance and repair which we trust will be made soon.

Our splendid paper the "Challenger" is doing a valuable work under the supervision of Rev. W. F. Lewis. We feel that this has become a vital part of the "Conference Work".

There appears to have been a gracious spirit of cooperation on the part of the ministers this year. It has been a very pleasant and intensely, interesting task to share their burdens. We have found the members of the local churches ready to go ahead in the work where the pastor is willing to lead. There is, however, a keen lack

with some pastors as to what is really expected. Some have asked concerning a blank which would be sent to the president Quarterly such as other conferences have. This would be a valuable aid in coordinating our efforts for the effectiveness of God's work in our midst.

Report Number 10

### **Journal of the Champlain Conference Board On Church and Parsonage Building and Location**

Report Number 3

#### **SEC. I**

**JULY 9-10, 1946. WEST CHAZY, NEW YORK.**

Rev. Charles A. Dayton called the Board to order. All members were present. Rev. Aldis M. Lamos was appointed secretary of the Board. The business was the purchase of a home for the Conference President. The property presented to the Board for this purpose was the lot with house and barn joining the Camp Grounds on the North East Corner owned by Mrs. Ina Robinson.

A thorough, detailed investigation as to necessity, location, finance, condition of property, etc. was made. Before final action was taken, the Conference Board of Trustees was called to a joint meeting with the Board On Building and Location and Mrs. Ina Robinson. Then, after further consideration, the Board On Building and Location voted unanimously to order the purchase of said property, to cost \$4000.00, for the Conference President's home; the deed to be in the name of the Champlain Conference Inc., of the Wesleyan Methodist Connection (or Church) of America, headquarters at 330 East Onondaga Street, Syracuse, New York.

#### **SEC. II**

**JULY 10, 1946. West Chazy, New York**

Rev. Charles A. Dayton called the Board to order. All members were present. The business before the Board was the purchase of the open lot in the rear of the President's home joining the Camp Grounds on the East, the purpose to be a recreation field to be added to the Camp Grounds. Rev. Reginald Hewitt and Rev. Howard Chapman were appointed to investigate this property with the intention to purchase. After investigation they found said property was unnegotiable for purchase at this time.

#### **SEC. III**

**OCTOBER 4, 1946. SPRINGFIELD, MASS.**

The Conference Board on Building and Location journeyed to Springfield, Mass. arriving there at 12:30 P. M. They immediately conferred with the pastor of the Springfield charge, the Rev. George Hawthorne, concerning the purchase of property in said city for a new church and parsonage. The Wesleyan people in this city had carefully considered three possible lots for their new location. Of

## WESLEYAN METHODIST CHURCH

---

these three they had selected one at 98 White Street at the corner of Grand Street, and this they presented to the Conference Board.

The afternoon and evening of October 4 were spent in a thorough investigation of above said property with careful consideration given to it on the location and accessibility for attendance, financial ability of the constituency, cost of contracted labor and amount of donated labor necessary to build, cost and labor to maintain, etc.

The Conference Board was invited by the Springfield pastor to attend and participate in the regular evening service at Pension Hall which they did. The attendance was approximately 40, and would have been more but because of the lack of time the presence of the Committee was not widely announced. The Holy Spirit's presence was in evidence throughout the service. Rev. Charles Dayton, Chairman, appointed Rev. Howard Chapman, Committeeman, to preach. The sermon was delivered with freedom, force, and blessed Divine Union. No seekers after Salvation came forward for prayer, but the effect of the message was to the Spiritual profit of all present.

After the evening service the Wesleyan people and the Conference Board went over to the property under consideration. A half hour of informal discussion was carried on with all concerned. Then Rev. Charles Dayton called the Board to order. All members were present. The Board voted unanimously to order the purchase of the lot at 98 White Street, owned by Mr. Damour, to cost \$2500.00, for the site of the Wesleyan Methodist Church and parsonage in Springfield, Massachusetts. The Board approved the plans and the building program for the new church made by the pastor and the people of said city.

The property is to be deeded in the name of the Champlain Conference Inc., of the Wesleyan Methodist Church of America, headquarters at 330 East Onondaga St., Syracuse, New York.

### Sec. IV

OCTOBER 7, 1946. TICONDEROGA, NEW YORK.

The members of the Conference Building and Location Board met in Ticonderoga, New York with the local pastor, Rev. Sumner Brainard at 6:00 P. M.. The Ticonderoga Church Building Committee had made inquiry into the lots and buildings offered for sale in said village with the intention of building a church, or remodeling a building into a church, and had come to the conclusion that the land and mill building owned by Mrs. Hugh Mooer on South Wayne Ave. was the best suited for the purpose. As a church building was imperative to the Wesleyan work in this village, and of an instant nature, they called the above said Conference Board to

## *THE CHAMPLAIN CONFERENCE*

---

consider the purchase of the Mooer property. The Conference Board on Church and Parsonage Building and Location, the Ticonderoga Church Building Committee, and the local pastor, Rev. Brainard carefully appraised the Mooer building inside and out. After this a joint meeting of above said parties convened at the parsonage at 27 Parke Ave. Rev. Charles Dayton presided. All members were present.

The session opened with a general discussion of the property surveyed. The Board agreed that the possibilities of converting the mill building into a combined church and parsonage were good; the location was excellent; and the price of \$5500.00 was fair. However, because it would require considerable expense in money, time, and labor beyond the accessible supply to convert this massive frame, mill building into a suitable church and parsonage; and because of the expense of continual maintenance and cost of heating, the Board, with the approval of the local Committee disapproved the purchase of said property.

Rev. Brainard requested, in behalf of the Ticonderoga Church, that the Conference Board formulate a plan leading to the materialization of a church building in Ticonderoga. Considerable time was given in comprehensive discussion of this proposition. After all parties concerned had been satisfactorily advised the Conference Board unanimously voted the following proposition: "We, the Champlain Conference Board on Church and Parsonage Building and Location, approve the commencement of work on the new Wesleyan Methodist church in Ticonderoga to be built on the present church property, 27 Parke Ave., or in a more favorable site if available; providing the Lord so leads."

If the people of Ticonderoga can effect a transfer of property from the present site to a more accessible site nearer the center of town, it will be necessary for them to again call the Conference Board and wait on their approval or disapproval.

### SEC. V

DECEMBER 12, 1946. TICONDEROGA, NEW YORK.

(In the absence of Rev. Aldis Lamos, Committee Secretary, Rev. James Keyser was appointed Secretary Pro. Tem. and recorded the following minutes of this meeting. AML)

The Building and Location Committee of the Champlain Conference met at the Ticonderoga Church parsonage Dec. 12, 1946 to consider the purchase of a lot about 300 feet south of the War Monument, for the site on which to build a new church in Ticonderoga.

Rev. Charles Dayton called the Board to order, Rev. Reginald Hewitt and Rev. Howard Chapman were present. Rev. Walter

## THE CHAMPLAIN CONFERENCE

Lewis and Rev. Aldis Lamos were unable to be present. The pastor of the local church, Rev. Sumner Brainard, and two of the Church Trustees, Mrs. Hulbert and Miss French were present. The third trustee of the church, Mrs. Ploof, was confined to her home because of illness. Prayer was offered by Miss French.

The above said property was for sale a few years ago, and was considered for a church site, but before negotiations could be made Mrs. Jessie Lambers purchased the property. Mrs. Ploof contacted Mrs. Jessie Lambert a few days ago and found that the property was for sale again at \$500.00.

After discussing the subject, it is the opinion of the Conference Board, and of the local Church Trustees, that the property owned by Mrs. Jessie Lambert is an ideal location for the new church. The conference Board unanimously voted \* to approve the purchase of above said property by the Church Trustees.

The Board recommended the sale of the parsonage, the money received to be used in building a new parsonage in connection with the church.

The Board unanimously voted \* that the Conference Board of Trustees give the Ticonderoga Church Trustees the privilege of selling the parsonage and applying the funds received on the new building project.

The deed of this property is to be made out to the Champlain Conference Inc., of the Wesleyan Methodist Connection (or Church) of America, Headquarters at 330 East Onondaga Street, Syracuse, New York.

\*Rev. Walter Lewis and Rev. Aldis Lamos gave their approval to the above Board action by telephone.

### REPORT OF COMMITTEE ON RESOLUTIONS

1. We, the members of the Champlain Conference reaffirm our faith in the Holy Scriptures as the inerrant, inspired Word of God and the only sufficient rule of faith and conduct.

2. We reaffirm our appreciation of the Wesleyan Methodist discipline as being a valid expression of the faith, doctrine, rules of our Church, and pledge our adherence and loyalty to it.

3. We view with alarm the terrible breakdown in the social, moral and domestic life of our day, which is witnessed by a wave of evil sweeping over the entire nation, such as juvenile delinquency, wholesale divorce, desecration of the Christian Sabbath, the evil influence of the modern moving picture show, the easy access to places where alcoholic beverages are sold, the low moral standard evidenced by indecent dress, smoking, and some becoming bar-maids:

By way of restraining these evils, we resolve that with voice and pen we will proclaim with renewed emphasis the inevitable and unalterable terrors of the judgment;

That we will extol and exalt the unbounded efficacy of the Gospel of Christ to save from all sin; that we will magnify by experience and practice the glorious doctrine of Holiness.

4. We further resolve that in view of the evils of the alcoholic traffic and the untiring efforts of the wets to defeat the cause of Temperance and prohibition—we will most heartily commit ourselves to the interests of temperance; that we will earnestly pray, labor and vote against this evil.

Committee: George D. Jock and A. O. Northrup.

#### THE CHAMPLAIN CONFERENCE CHALLENGER

"The Champlain Conference Challenger" a monthly publication throughout the conference year, and paying its own way. That is something that it has been my desire and aim for several years. I am indeed grateful to the Conference folks that this has been my "labor of love" during the time since we met in annual session. The cost of publication was about \$350. for the year, also some other expense for which see financial report. I do not think it has been a perfect job. ( see my last editorial ) however it is the best I could do. I trust it has helped somebody, somewhere, somehow. If it has been an inspiration, if it has encouraged, if it has assisted in buying the Home for our Conference President, if it has accomplished something for the Lord Jesus Christ and the Champlain Conference, because it kept our Conference folks better informed of "the revival within our bounds" and showing to the Connection and to those who have read the "Challenger" pages from time to time, month to month, that we ARE alive then I am satisfied. But would expect someone to carry on, improving from year to year as our Blessed Saviour leads us on to greater victories and until He comes again for His redeemed. Prayer, study and hard work has and will accomplish much in evangelization. God grant that our Conference paper may serve well in its capacity.

Specifically, having an "Annual" that advertised the Conference and Camp Meeting, with workers, is highly proper. If there were a larger amount of money to work with, more pictures of Conference meetings, youth meetings, new churches and parsonages could be used. However, it appears, that these days should be "operating within our income" so far as our paper is concerned. More subscribers, full payment regularly, and as some have, overpayment occasionally, all help.

### RECOMMENDATIONS

1. That we continue monthly publication of "The Challenger".
2. That the subscription rate continue at 7c per copy, and 75c per year, in bundles. That \$1. per year be single subscription rate.
3. That either the Sunday school, the church treasurer, or someone be designated to attend to the payment regularly.

### SUGGESTIONS

ALL copy MUST BE typewritten on one side, and double spaced before being sent to the printer. All reporting should do so, if possible.

The Challenger will go to press as soon after the 1st of the month as possible. When received later than the 5th, it surely cannot be used THAT month.

#### SUNDAY SCHOOL SECRETARY'S REPORT

The Sunday Schools of the Champlain Conference are growing. As I write this report it is not apparent how much but a definite gain. The enrollment ( 3rd qtr. ) was 1726 in main school, the average attendance for first three quarters was 1288 plus. Rally Day 1946 we made a new record with 2111 present then. Also we made a new record for the Thanksgiving offering \$461.02.

EVERY Sunday school in the Champlain Conference, AS USUAL, paid their Sunday school budget, and in turn paid the Connectional S. S. Budget.

My work during the year has been largely office work. However, it was a privilege to teach a class at the Young People's Convention last August. I enjoyed and profited by it, I trust others did.

While SOME Sunday schools are making wonderful gains, others are not. It would appear that MUCH depends on the Pastor AND the Sunday School Superintendent, plus the cooperation of many helpers. If all Sunday Schools would try ( inspiration plus perspiration ) faith and WORKS, we could have an enrollment of 2500, or more, and an average of 2000. BUT REMEMBER you do not get and keep your Sunday School youngsters ( and most older young folks or anyone else ) by just wishing. It takes planning, systematic and continuous-all the year around, prayer and work to grow. Of course I know that winter storms, sickness, and counter attractions work against attendance. therefore build strongly

through special days, and regular programs to make EVERY SUNDAY COUNT.

Several Sunday Schools have made new records, it is hardly wise to mention the names because others as worthy might be missed. You who have worked hard, should feel repaid in your evangelistic endeavors. For after all our aim must be to "win them for Christ and the Church". Even an occasional Sunday (always strive to get them regular) may bring the message of Salvation to some who have never before heard or accepted it.

Because I have completed 21 years as Sunday School Secretary of the Champlain Conference it would seem that a few recommendations are in order.

1. Numbers DO help. Therefore strive to have as many people at Sunday School EVERY Sunday, as possible. Know your community, or city, as well as possible, and go after those with no church and "bring them in from the fields of sin".

2. Regularity is an asset. Special Days should be observed to get new recruits STARTED, then for the sake of never dying souls KEEP TRYING to build regular attendance. Example of church members can assist mightily in this.

3. Varied programs on regular Sunday School sessions are beneficial. IF the S. S. Supt. cannot or will not, build worshipful beginning and ending of every session then get a new supt. or a program committee to help.

4. A successful and growing Sunday School doesn't just happen. It takes planning. Hence a monthly "Workers Meeting" (for want of a better name) can mean the difference between growth or stagnation. You choose.

5. Trained workers are vital to continued fruitfulness. Any person or class or Sunday School can have special training, if they will. Why don't you? There are hardly ever more than two or three training classes in the Champlain Conference, sometimes not that. Do we need new books, new courses, or what?

6. More local Sunday School councils or institutes are needed. Several Superintendents and Pastors realize this. One night meetings, maybe a supper meeting and Round Table discussion, are in the offing. A limited number, maybe should be started this Fall.

7. Evangelism is our keynote for really successful Sunday schools. BE SURE everyone who attends your Sunday School, even for a single Sunday—does not leave without a warm handclasp, an invitation to come again, AND a Gospel message of Salvation.

### REPORT OF THE TITHING SECRETARY

Mr. President, and Members of the Champlain Conference:

It has been a pleasure to be your humble servant this year, in the capacity of Tithing Secretary. We visited several of our churches in this capacity, and were graciously received. God met with us, and we all had a blessed time. We have a supply of literature on hand, concerning Tithing and the Store-house Plan, that we might better serve the people.

We feel that the promotion of tithing is very important, and should be backed a hundred per cent by both our ministers and laymen,—not just something that we will try to endure because our Discipline calls for such a service. Tithing is God's plan to finance the Church. He offers rich blessings for those who do, and a curse for those who do not. We might better pay the tithe than the toll. We are all familiar with Malachi 3:8-12, but the Scripture backs up the truth in many other places. We know that there are many who understand tithing very well, but some do not; while others need their "pure minds stirred up by way of remembrance". For instance: out of 971 members, only about 454 are tithing. We need this financial support so badly to help us carry the torch of Salvation to the needy ones.

In some of our churches we could help matters if we had a good financial plan; some places they do have, but we would recommend the Store-house Plan. This works if it is worked. It is the authorized plan of our Church. We already have 8 or 10 churches in our Conference using this Plan. Why not give it a try?

Respectfully submitted,

Gerald R. Hewitt

#### RECOMMENDATIONS OF THE CHURCH EXTENSION COMMITTEE TO CONFERENCE

I. The Conference President shall act as Pioneer Secretary. ( This does not create the office of Pioneer Secretary. ) The Conference Board on Church and Parsonage Building and Location shall be the Church Extension Committee.

II. There shall be at least one Church extension service on each charge in the Conference this year, at which time all of the Church Extension activities within the Conference shall be presented.

This service shall be under the supervision of the Conf. President, or one whom he may appoint. Any person traveling the Conference in the interests of Church Extension must be appointed and under the direction of the Conf. President. Those thus appointed to travel the Conference in the interests of Church Extension shall receive not to exceed five cents per mile.

III. All offerings taken for Church Extension shall be forwarded to the Conference Treasurer, and credited to Church Extension. The Conf. Treasurer, upon the recommendation of the Conf. President and the Church Extension Committee, shall disburse these funds. Any designated funds can be disbursed by notice received in writing from the Conf. President.

IV. Whereas the W. Y. P. S. is an organization that is aggressively supporting the Conference Pioneer projects, we recommend that as far as possible all monies received for Pioneer work be passed through the local W. Y. P. S. treasurer to the treasurer of the Champlain Conference.

We further recommend that the local Church Extension program be sponsored by the local W. Y. P. S. as far as practical.

### **THE W. Y. P. S. CONFERENCE**

The W. Y. P. S. Conference was called to order July 12, 1947 by Rev. Edwin Seaman, President. Rev. Marjean Bennett led us in prayer.

The roll call was given for delegates. It was voted that the first four rows be the bar of conference. The presidents and alternates plus the delegates were included within the bar.

Rev. Elton Seaman, treasurer, read his report which was accepted.

Rev. Edwin Seaman gave the president's report.

The election of the officers for the coming year was:

President—Rev. Elton Seaman

Vice-President—Rev. Harris Earl

Secretary—Kathryn Rigsbee

Treasurer—Isabelle Dayton

Suggestion was given that the reporter be sent news from the different charges concerning activities. The reporter elected was Shirley Elliott.

Upon the approval of the society, Rev. Aldis Lamos is to be the Young People's representative on the Conference Board on Church and Parsonage Building and Location and Church Extension.

Rev. Elton Seaman clarified a misunderstanding by stating that we have just the Connectional Dues—no Conference Dues.

A statistical committee was selected consisting of Glenna McClure, Kathryn Rigsbee, and Dorothy Earl.

The motion was made and carried that the assessment for Church Extension of \$1.00 be for active members only.

Following is a list of rules for winning the plaque:

1. Youth subscriptions—based on active members
2. Pioneer Fund—\$1.00 per active member.
3. Connectional Dues—\$.50 per active member

Rev. Edwin Seaman announced the date for the coming Youth Camp as August 18-21.

It has been suggested that the young people have classes in the morning during Conference and Camp Meeting next year.

Harold Chapman was appointed as Courtesy Committee. He introduced the Vice-President of the Conference, Rev. Reginald Hewitt. As the representative from the Conference, he extended an invitation to the young people to have their business session on the main conference floor as an Order of the Day. The invitation was accepted.

It was voted that the treasurer's books and statistical reports

will be closed one week before conference.

Suggestion was made that we have a refreshment stand during Camp and have the Conference President's barn remodeled for recreation. Rev. Elton Seaman was elected to discuss the matter on the Conference floor. The Conference agreed to a temporary stand; using the profit towards the repairing of the barn. Isabelle Dayton was elected manager. The cost for this is to be taken from the W. Y. P. S. funds.

The secretary's report was read and accepted.

Motion was made and seconded to adjourn.

Respectfully submitted,  
Kathryn Rigsbee, W. Y. P. S. Secretary

### **REPORTS**

#### **W. Y. P. S. PRESIDENT'S REPORT**

Friends of the W. Y. P. S.

The last four years have been years of definite growth in the W. Y. P. S. The minutes of our Young Peoples' Conference have been incorporated in our annual conference minutes. Our W. Y. P. S. dues have become a part of the church apportionment. We have become a definite pioneer organization, having helped to sponsor seven projects already.

We have attempted to back our pastors and our conference and annual camp meeting and feel that in return they have backed us as an organization whole-heartedly. Each year we sense better coordination and greater interest between the W. Y. P. S. and the other arms of the church work. Where we have erred through inexperience, others have covered these mistakes with genuine Christian love. We are grateful. To the members of the W. Y. P. S. we say, "thank you for your loyal support and hearty cooperation." In my judgment, we have just closed the greatest year of growth and advance that we have yet known but feel that the next quadrennium will reveal amazing and unparalleled progress for Christ among our Wesleyan Youth.

Due to the fact that the General Conference has conferred upon me the honor of being Houghton Area President, I feel that it is only fair that someone else be elected as Champlain Conference W. Y. P. S. president so I ask that my name not be presented for nomination. This is one of the hardest decisions I have ever had to make because I have come to love the Champlain Conference Youth and the work that is connected with the office. Let me say however that you will have my whole-hearted support and if there is any way in which I can serve you I will be only too happy.

## WESLEYAN METHODIST CHURCH

I humbly beg that you pray for me in my new position. I am not capable of filling such a great office. My only hope is through the ability of God to help those who need Him.

We are especially grateful to our Conference President and the executive committee for their cooperation. In fact every pastor has also been taking an increased interest in this arm of the church work.

The future of the Champlain Conference W. Y. P. S. will be as strong and bright as the weakest effort put forth by the local societies. Because of the increased enthusiasm among all our people toward the youth, we are not in the least fearful of the coming days. New fields will soon be opened, new territories soon discovered, exploits will soon be done in the name of our King.

Respectfully submitted,

Edwin Seaman, Conf. Pres.
