#### CHURCH CONSTITUTIONAL AMENDMENTS

##### PROPOSAL A

The following statement, if approved, will become a new Article of Religion and will be placed in the Discipline as Article XIX, preceding the present XIX entitled "Rites and Ceremonies of the Church."

##### THE CHURCH

"The Christian Church is the entire body of believers in Jesus Christ. The Founder and only Head of the Church is Christ.

"A local church is a body of believers formally organized on gospel principles, meeting regularly for purposes of worship, edification, and evangelism.

"The Wesleyan Methodist Church of America is a denomination consisting of those members within annual conferences and local churches who hold the faith set forth in these Articles and acknowledge the ecclesiastical authority of its governing bodies."

NOTE: The purpose of this proposal is to give a clearer definition of the church and specifically to denote that the term "church" refers to more than a local organization, as seems to be indicated in Par. 41 of the Discipline.

## PROPOSAL B

This proposal is to add following "bounds" in Par. 60 (1) on Line 2, the parenthetical cross-reference: (as modified by VIII 5 below). The reference is to Article VIII, Par. 69 (5).

This portion of the Discipline now reads:

Par. 60. "The constitutional rights of each annual conference shall include the following:

"(1) The right to take charge of all the ministers and churches within its bounds except such of the general officers of the church as the General Conference shall define (who shall be amenable to the Board of Administration for their official conduct and to their annual conferences for their moral character), and subject to the right of the ministers and churches to enter into pastoral engagements for one year from the next session of the annual conference, or to contract the pastoral relationship at any time during the interval of the sessions of the annual conference when this does not interrupt any arrangement which was sanctioned by the annual conference at its previous session."

The proposed change would cause this paragraph to read as follows:

Par. 60. The constitutional rights of each annual conference shall include the following:

(1) The right to take charge of all the ministers and churches within its bounds (as modified by VIII 5 below) except such of the general officers . . . (The remainder is unchanged.)

## PROPOSAL C

It is proposed that the second paragraph in Par. 30 of the Discipline be deleted. This is Article of Religion XIX, and entitled "The Rites and Ceremonies of Churches." "If all these proposals are approved, this would likely become Article XX, inasmuch as an Article entitled "The Church" would become XIX. This would necessitate the renumbering of the Articles of Religion from this point forward.)

This Article now reads:

Par. 30. "It is not necessary that rites and ceremonies should in all places be the same or exactly alike, for they have always been different and may be changed according to the diversities of countries, times, and men's manners, so that nothing be ordained against God's Word.

"Every particular church may ordain, change, or abolish rites and ceremonies, so that all things may be done to edification."

The proposal is to delete the last short paragraph, making this Article to read as follows:

It is not necessary that rites and ceremonies should in all places be the same or exactly alike, for they have always been different and may be changed according to the diversities of countries, times, and men's manners, so that nothing be ordained against God's Word.

## REPORT OF COMMITTEE ON FINANCE

We, the Committee on Finance, recommend the following:

1. That each elder and pastor on the Conference Roll be responsible for paying, at least quarterly, 5% of his cash income into the Conference Administrative Fund, or that the church pay an equal amount for its pastor; this is non-budget.
2. That the Conference President's salary be \$85.00 per week and that he receive in addition \$1,000 travel expense, \$200 toward utilities, and that he be paid on the 1st and 15th of the month from Conference Administrative Funds available; and we recommend that the Conference President continue to pay 10% of his salary into the Conference Parsonage Fund.
3. That \$400 be paid into the Conference Parsonage Fund from the Conference Administrative Fund.
4. That fees of \$65.00 be paid the Conference Secretary and \$100.00 the Conference Treasurer from the Conference Administrative Fund.
5. That the Conference Treasurer pay the Superannuate Pension Plan assessment in full from General Budget funds available.
6. That auxiliary organizations employing the pages of the Conference Minutes pay a proportionate expense in their printing and that the price of the minutes be \$1.25 per copy, and that each church be sent at least one-fourth as many minutes as church members.
7. That the churches be assessed 25¢ per person on the subscription list of the Wisconsin Wesleyan and that Conference Finance be promoted in its columns.
8. That each church pay \$5.00 per delegate to conference regardless of attendance, and \$5.00 for pastor and family, payable before the end of the conference year to the Conference Treasurer. Any minister attending conference whose assessment is not paid by a church shall be personally responsible.
9. That the budget be apportioned at \$26.25 per full member, divided as follows:

1. World Missions	-----	\$2.00	per full member
Australia	-----	.25	"
Brainerd Indian School	-----	.25	"
2. Church Extension and Evangelism	----	1.50	"
3. Pension Plan	-----	3.50	"
4. Church Administration	-----	1.70	"
General Conference Expense	-----	.50	"
Board Meeting Expense	-----	.15	"
5. Hephizabah	-----	.35	"
6. Education	-----	4.00	"
7. Wesleyan Seminary Foundation	-----	.30	"
8. Sunday School	-----	.50	"
9. Conference Extension	-----	4.75	"
10. Conference Administration	-----	6.50	"

and that the first 75% of the assigned budget raised be divided equally between General Budget and Conference Budget and all budget raised in excess

of this be applied to General Budget until paid in full.

10. That each pastor provide the Conference President with a complete list of local church officers together with their addresses, and that each year the Conference President remind the chairman of the Board of Stewards by letter that the pastor's salary be reviewed. Such letter is to point out the urgent necessity of such action.

11. That the pastor and his local Board of Stewards hold a public meeting early in the church year to inform and instruct the local church in detail relative to conference finance.

12. That no receipts be sent from the Conference Treasurer's office unless requested.

Signed:

Richard Franklin, Chairman

John Clarke

Don Berry

Loring Peterson

Ernest Friebe

Sanford Gillingham

Arlan Ensign

David Perkins

Don Kirchner

#### REPORT OF THE RESOLUTIONS COMMITTEE

We, the Committee on Resolutions, recommend the following:

1. That each church hold at least one evangelistic campaign during the year;

2. That each pastor strongly urge his church people, by voice and example, to attend the annual camp, especially on Sundays;

3. That the churches of the Conference be better advertised by proper signs and by adequate information in the yellow pages of the telephone book;

4. Be it resolved that this Wisconsin Conference of the Wesleyan Methodist Church of America, assembled in its 97th Annual Conference on the Burr Wesleyan Camp Grounds, Hillsboro, Wisconsin, strongly favor a Constitutional Amendment recognizing the sovereignty of Almighty God for our nation (while granting freedom of conviction and propagation to those who choose not to recognize Him), reaffirming the doctrine that units of the government are to avoid acts and policies involving the support or establishment of organized religion, but declaring the principle that it is not deemed a contravention of this doctrine that the name of God be honored in state and civic life and that men be encouraged to read the Bible in its various versions, and to worship God in accordance with the dictates of their own conscience, not excluding the incidental occurrence of such activities even from premises built or financed in whole or in part by public money, that this nation may indeed be a nation under God.

BE IT RESOLVED FURTHER that we urge our people to circulate petitions after this tenor, these as well as individual communications to be sent to the

national legislators from our various areas of residence, endeavoring thus to show the concern of God-fearing peoples in Wisconsin that the public recognition of God the Creator of all men, who is revealed fully in His Son, Jesus Christ, be not destroyed from among us.

We urge members of each local church to circulate petitions among God-fearing people and to precipitate communications to their national legislators to uphold these beliefs.

5. That the conference have annually a committee of three, composed of the Conference President, the chairman of the Itineracy and Elders Orders Committee, and one elected member to arrange for minister's retreat or institute; and this to be a standing rule.

6. We recommend adding to the By-laws Section VI, Article A, sub-article 4 as follows:

a. The Conference Board of Trustees shall be designated the Conference Board of Administration, whose duties shall be to coordinate and promote conference planning and programs. This Conference Board of Administration shall not pre-empt specific responsibilities expressly assigned by the Discipline to conference officers or committees.

b. Said Board shall meet at least four times a year: during camp meeting, and the second Saturday of October, January, and April.

c. All conference committees, Boards, department heads, and conference officials shall submit quarterly in writing all official actions and plans; all treasurers shall submit brief financial statements to said board quarterly.

d. Said Board through its secretary, shall submit quarterly written instructions relative to its actions to each committee, board, department head, and conference official.

## WESLEYAN METHODIST CHURCH — WISCONSIN CONFERENCE

## STATISTICAL SECRETARY'S REPORT

Your statistical secretary, in addition to presenting the complete statistical report for the 1963-64 Conference Year, begs leave to submit the following observations and recommendations:

## (a) Observations:

(i) Under Item II (Periodicals) — only a check mark should appear indicating what periodicals and Sunday School supplies used on the charge.

(ii) Under Item IV (Sunday Schools) — No. of officers and teachers should not be included with No. of scholars in Main School. No. in main school is total of officers and teachers plus No. of Scholars.

(iii) Under Item VII (Disbursed for Pastor) — Amount spent for church travel and/or car expense should be unified throughout the conference. (Question — Does this include gas, oil, repairs, and depreciation? What about car payments?)

(iv) Under Item VIII (Disbursed for Church) — Pastors should take care to include "expense of indebtedness" — this is actual INTEREST paid on principal — DO NOT include this with the amount paid on indebtedness.

If pastor deducts car expenses from gross income under item VII then the same amount must be ADDED to church disbursement under column 9 in Item VIII.

(vi) Under Item IX (Disbursed for General Budget) — it is noted that only 5 charges paid budget in full, including one with slight overpayment! Budget total raised indicates only 65.2% of total budget assessed.

## (b) Recommendations:

(i) Statistical secretary prepare a notation sheet to accompany statistical blanks when mailed to pastors. This will help uniform reporting.

(ii) Pastors be obliged to meet deadline in reporting or be subject to a COLLECT phone call to expedite forwarding of reports.

(iii) A special column be utilized under Item X (Disbursed for Benevolences) to place amount sent in by church representing 1/2 pastor's tithe for Conference Administrative Fund.

(iv) Future reporting should not include cents. If amount reported has over 50¢, then add one dollar — if less than 50¢, then report amount minus cents.

Respectfully submitted:

Fred B. Francis

(Statistical Secretary)

#### REPORT OF THE W.Y. PRESIDENT

Greetings to the delegates, officers and pastors of the 1964 Youth Conference. This is my last report to you as your president. I have sincerely enjoyed working with you through the past years. I can see, as I look back, many places where I have failed. Yet, I cannot help but feel some progress has been made. I have had the privilege of speaking to many of you collectively and counseling individually, seeing many spiritual victories. Other items of a physical nature

which we have done are: 1. Speaking system for our camp; 2. Pews for Hales Corners Church; 3. \$150 for chairs for our dining hall; 4. Dish washer for our dining hall; 5. Funds on hand for our shuffle board court and tether ball game.

During this past year I made two general mailings, wrote for the Wisconsin Wesleyan, and wrote several personal letters. I have done counseling with youth and parents concerning youth from many of our churches. I preached at the Darrow Road and Hancock Wesleyan Churches. I attended the N.S.S.A. in Buffalo, New York.

I planned and directed the 1964 Youth Camp. I also cared for the activities, both physical and spiritual, of the youth during the 1963 Annual Wisconsin Camp Meeting. I have cared for the correspondence concerning Wisconsin youth that came to my desk. As far as I know I have carried out my duties to the best of my ability. I pledge to my successor, Rev. Jerry Rott, my prayers and full support.

Respectfully submitted,  
DONALD BERRY, President

#### BUDGET COMMITTEE

We, the members of the Budget Committee, recommend the following:

1. Due to the fact that the General Dues have been increased from \$1.50 to \$2.00 and the Conference Dues have been increased \$.15, we recommend that the total assessments be placed at \$3.25 per member. This is to be divided by the Conference W.Y. Treasurer as follows:

General Dues	-----	62%
Area Dues	-----	3%
Conference Dues	-----	35%

2. At least one service per year be held for both Conference Extension and Education.

3. That the Conference W.Y. President receive \$50.00 a year for his work (above his expenses) from the Youth Camp Fund.

4. That the Conference W.Y. Treasurer receive remittance for any expenses incurred.

Respectfully submitted,  
Rev. W. M. Wolf  
Rev. L. E. Sanders  
Sharon Keller  
Sandy Johnson  
Alan Tripp

## NEW EXECUTIVE BOARD REPORT

The Wesleyan Youth executive board of the Wisconsin Conference for the year '64-'65 has met, planned, and wish to present for your approval the following report:

It was agreed to have a W.Y. retreat in each district, specifically northern and southern district. Planning for such is in the hands of your president who shall have authority to appoint a district director for each retreat. Time, dates and places are forthcoming.

It was agreed that \$200 be taken from the Snack Bar Fund balance and be applied toward the securing of a more adequate water pressure system for the Camp Ground, providing this work is accomplished before Conference and Camp.

It was agreed that our special project for the year '64-'65 be the purchasing of bricks for the forthcoming Madison East Wesleyan Church. We shall endeavor to raise, by way of a contest, 10¢ per brick, striving to supply 5,000 brick or \$500 assistance in this project.

It was further agreed that our Youth Camp dates for the coming year shall be June 21-25 and that we contact in the following order, according to availability, these Youth evangelists:
