- -- CONFERENCE-RESOLUTIONS.

1. All statistical reports shall be filed with the committee not later than the second day.

2. Every pastor shall make a duplicate of his statistical report and shall read the same to his charge at the first meeting after conference.

3. Pastors shall equalize the amounts required for budget before over-reaching any one item and it shall be the pastor's duty to inform his people at the beginning of the year concerning the amount to be raised and he shall at once proceed to raise the amount apportioned to his charge.

4. Inasmuch as the work of the conference demands the attention and the attendance of all its elders and licentiates, therefore we will not employ as pastor or evangelist any elder or licentiate or pass the character of any elder or licentiate except by vote, who does not attend the entire session of conference.

5. Any member leaving conference must present his excuse to conference.

6. The conference treasurer, with all persons introduced to the conference, shall be honorary members of the conference, and shall be accorded a seat within the conference bar.

7. No preacher or licentiate who fails to attend the Ministerial Association, except for just cause, shall have his character passed at the next annual conference except by vote.

8. Any minister accepting work on a charge at the hands of this conference, who resigns or abandons it before the year is out without a good excuse or lawful reason, shall be considered by said conference and it shall take a vote of conference to pass his character.

9. All candidates taking the conference

course of study shall appear before the Committee on Itineracy and Orders, some member of the Committee, or some one whom the Committee may designate.

10. When an elder resides outside the bounds of the conference but retains his membership with a church within the bounds of the conference, a delegate shall be elected from this church to represent said elder, the seating of said delegate in the annual conference depending upon the attendance of said elder at the annual conference.

11. Friday preceding conference shall be set aside as a day of prayer for the conference.

12. Robert's Rules of Order shall be the parliamentary guide of this body.

13. We recommend that pastors, Sunday Schools, W.H. & F.M. societies and Y.M. W.B.s remit all funds raised, quarterly.

14. Pastors shall preach on the subject of church benevolences at least once a year.

15. The first Sunday in October shall be set apart as a day for special prayer to be offered and efforts made to interest and enlist the young people of our church in its work.

16. All charges receiving a new pastor pay the moving expenses, the amount being agreed upon by the pastor and the church.

17. We order that no money be paid from the conference Missionary Fund except by written order of the Missionary Board.

18. Be it required that all pastors of the Ohio Conference attend all sessions of the camp meeting unless providentially hindered.

19. The secretary shall send a statistical blank to the clerk of each charge having no pastor, requesting that the same be filled out with all available statistics and returned to the conference secretary.

20. We interpret Rule 4 to mean that the Committee on Pastoral Relations shall not give employment to any preacher who does not meet the requirements of this standing rule, without bringing his excuse before the conference for its action in the matter.

21. Inasmuch as the work of the conference demands the attendance of delegates as well as preachers, therefore we discourage the election as delegate to annual conference of any person who does not intend to attend the entire session. Information of the delegate's intentions shall be incorporated in their credentials.

22. The secretary shall prepare blanks for delegate's credentials, including the statement required by the last resolution. Said blanks are to be mailed to the pastors shortly before conference and when filled out by them, to be sent to the chairman of a standing committee on credentials, who, if possible should receive the same at least a week before conference in order that they may be able to inform the chairman of the Board of Trustees as to the number of delegates expected at conference and in order that they may be prepared to report immediately after the opening of conference. Said committee shall be composed of two members appointed by the President.

23. For the future the conference shall observe the disciplinary rule requiring each pastor to read his statistical report on the floor of conference.

REPORTS

No. 1.

Report of Conference President.

Soon after conference last year I received Bro. G.B. Clay by letter of transfer from the Indiana Conference.

I appointed Bro. Miller to the Africa church and Bro. Leroy Wilcox to a work near Beverly, Ohio.

On Sept. 23rd, in company with Bro. Roberts, we visited Red Town and Gloucester to find that they had withdrawn from the conference. In the same trip we visited White's Chapel, Athens, Cutler, Senecaville and Coshocton, holding services at White's Chapel and Athens.

During the year we visited and held one quarterly meeting on each charge except Africa and Dunkirk. Bro. Wise was appointed to hold the quarterly meeting at Africa. We held twelve quarterly meetings and preached some in other meetings. We found almost all the charges in a good spiritual condition. Most of them have had revivals during the year. We received from the various charges \$59.59 and we spent \$48.80 for traveling expenses, having driven over 3500 miles.

During the year I also gave Ivan Calhoon a transfer to the Dakota Conference.

Respectfully submitted,

J. M. Williams

Resolved, That we record our sincere appreciation of our departed brother, W.S. 6. We urge that strict economy be observed in all items of expense.

7. We also urge neatness of dress and laying off of all unnecessary ornaments.

8. We desire to go on record as favoring movements to obtain a fuller measure of world peace, but at the same time we recognize that there will be no permanent peace until our Lord returns.

9. We urge our people to be more careful in using scriptural methods in raising money for the various arms of the work. Let us "abstain from all appearance of evil".

10. We desire to support all efforts being made to establish a single moral Standard.

11. We deplore the present day spirit of lawlessness abroad in the land and urge our people to stand forth boldly against it.

Report of Auditing Committee.

We, your auditing committee, have examined the books of your conference Treasurer, Mildred P. Stratton, together with receipts, checks and vouchers, for the conference year 1931-32, and have found only a few minor errors, which did not alter the correctness of her report.

We also find that, because of the federal tax on checks, she has paid from her own funds twenty-four cents. The amount of this tax was not known until after her books were closed. We therefore recommend that she be reimbursed in this amount from the Conference Incidental Fund.

We commend Sister Stratton for the neatness, accuracy and thoroughness of her work.

Respectfully submitted,
H. P. Osborn
