Item IX. Explanatory Policy and Procedure:

1. The holding of an appointment as assistant pastor does not entirely satisfy this Committee as satisfactory experience qualifying the candidate for election to Elders Orders. The Committee will give careful consideration to those candidates who hold full-time assistant pastoral appointments.

2. For the sake of the students in the Course of Study and with an aim for greater efficiency of operation and service to the Conference and the Kingdom, we sincerely recommend that all examinations be taken under the

immediate supervision of the Committee. The taking of examinations may be done at District Meeting, Camp-Meeting, Course of Study Institutes, etc. Examinations for local preachers will continue to be administered by the local pastor. Action by the 1958 Conference makes this effective and operative for the current year.

3. The Course of Study Institute for the Conference Year 1959-60 will be held at Colfax. The tuition charge will be five dollars (\$5.00) per course. Opening Date: Monday after third Sunday in June.

REPORT NO. 1-A

REPORT OF THE PRESIDENT

To the Eightieth Annual Session of the North Carolina Conference of the Wesleyan Methodist Church of America: Greetings in the name of our Lord.

Through the providences of God, we are permitted to bring you another annual report of our activities and a bird's-eye view of the state of the Conference. In submitting this report, we would express thanks for the privilege of serving you in this capacity for another year. This accounting must be recognized as man's appraisal, because we are fully aware that the true records are on High, and that we earnestly strive for final approval in that gathering on High.

It appears that I would be most ungrateful if I did not first of all publicly give thanks to God for the assistance which He has granted during these past twelve months. There has been consciousness of His undergirding and sustaining grace. Permit me to testify to His saving and sanctifying power. Even the most humble tasks of life are hallowed when done in His name and when He is pleased to grant the consciousness of His presence.

It would be a joy to speak at length of all those who have rendered such fine service in so many ways during the year. While the limitations of this report does not permit such indulgence, please be assured that I am no less grateful. For whatever success may have been obtained, a large share of the credit must go to our churches, our pastors, and the auxiliary organizations of the Conference. To all of these who have many times served far beyond the call of duty, I am deeply indebted.

The Rev. C. Wesley Lovin, Conference Vice-President, has again rendered the Conference great service by giving full time to the duties of his office. He has carried a heavy load of the work, and I would like to personally go on record in expressing my appreciation for his ministry of helpfulness.

The State of The Work

We are aware of the fact that the church is facing problems which become more complex with the passing days. We are not of the world, but we are in the world, and we are doing our work amid circumstances and environments that may not be to our liking. The church must not succumb to this spirit of the world, but must do what it can to change that spirit.

Spiritual—We believe the reports will show that this has been a good year in the North Carolina Conference. There have been many good revivals and some very fine victories. The recent Youth Camp was one of the best ever conducted. Yet we strongly feel that we have not arrived at that peak of Divine outpouring which God would be pleased to give us. With proper deference to size and financial strength, our Conference must never be satisfied to be known as anything less than a spiritual Conference.

Numerical—In many places there is a gratifying gain in church membership. Some problems exist in this area, but our people are realistically

facing up to them. We should have reached the place where a steady growth is the norm. Two new church organizations have been received; one at Greenwood Hills in High Point and the other at Galax, Virginia. The Rain Hill Church, which for several years has not functioned as an organized church, was re-activated with a good membership. To all intents and purposes, this gives us three new organized churches during the Conference year. This brings our total to 117. Regular services are being held in at least five other places by Wesleyan ministers. Four of these congregations are meeting in our own properties, and two of the groups should be ready for organization in the near future.

Financial—The total picture for budget askings received along with other financial income seems to represent a stable condition. Some churches continue to have difficulty meeting their obligations to the general church and the conference. Some thought has been given to plans which could more equitably distribute the financial obligations of our churches, but no final decisions have been reached. The continuing rise of costs is making it imperative that certain budget askings be increased on both the general and local level. It will take careful planning and action on the part of our churches to prevent our falling behind in our proportionate giving.

Material—No less than twenty church properties have been purchased, built, or extensively remodeled during the past Conference year. We now have 118 church properties. In addition, there are at least two buildings being leased, and approximately 25 auxiliary Sunday School and youth buildings. The Conference now owns 82 parsonages. As a whole, our churches are manifesting good judgment in keeping the percentage of indebtedness at a low figure.

Special Items—This has been a significant year for Wesleyan Methodism particularly because of the actions of the recent General Conference.

The voting down of merger with the Pilgrim Holiness Church brought disappointment to many of us. However, for the present, we continue to operate as separate denominations. It will be our purpose to cultivate that spirit of good will and fellowship which exists between us and then look to God for further leadership.

The reorganization plan for our denomination represents a great change for us. The unanimity with which the General Conference accepted this, the proposed constitution, and other major legislation, indicates the desire for progress on the part of our people. It is believed that the steps taken will go a long way toward giving our church the proper organizational balance.

There has been an unusual amount of serious illness among our ministers during this past year. The heavy strain under which they are operating may be a contributing factor. Let us pray that God may give our people, ministers and laymen, a physical touch for the responsibilities which they bear.

The sudden passing of our beloved Dr. Oliver G. Wilson was a shock to our Conference, as well as to the entire denomination. In the midst of such experiences, we can only bow to the will of God. The promotion of our own Brother D. C. Stone to higher service leaves a vacancy in our Conference ranks. Others of our faithful laymen have also answered the summons. May God raise up replacements for those who now serve above.

Virginia Conference—If plans are consummated, there will be a Vir-

ginia Conference organized during this Annual Session. North Carolina can be justly proud that she is making this contribution to the denominational family. Of necessity, some of our brethren will become members of this new organization. Whether or not this is their first choice, it is being done in the interest of God's Kingdom and the Wesleyan Methodist Church. Let us pledge to them and to the new conference our interest, love and co-operation as they launch out into this new venture.

A Personal Word—Please grant me the privilege of a personal word at the conclusion of this portion of my report. The action of the recent General Conference indicates a change in our sphere of service to the church. For twenty-seven years the North Carolina Conference has included my name on the list of Appointments. Nineteen of these have been as pastor, two as general evangelist and six as Conference President. You have borne with my short-comings, forgiven my errors and honored me far more than I ever deserved. You are, and always shall be, my people. Wherever it may please God and the church for me to serve, please grant me the honor of simply being one of you. Mrs. Phaup and Gary heartily join in this sincere request.

When God did not indicate otherwise, for more than a quarter of a century I have accepted the call of the Conference and church as God's call for my life. The assignment upon which we are about to enter was not my desire nor my choice. I can only accept it as the will of God. The responsibilities will be tremendous. It will help much to be continually assured of your love, loyalty and prayers.

Recommendations

1. I recommend that the North Carolina Conference heartily endorse and enter upon Operation Outreach, about which you will be hearing more from the general church.

2. I recommend the adoption of the following goals by the Conference, and that copies of these be prepared and sent to the churches for posting.

- (1) A revival in each church.
- (2) Payment of full budget by each church.
- (3) A 5% increase in church membership.
- (4) A 5% increase in Sunday School attendance.
- (5) Three new churches organized during the year.

Report No. 3

REPORT OF THE JOINT COMMITTEE TO STUDY THE PROPOSED VIRGINIA CONFERENCE TO THE ORGANIZATIONAL CONFERENCE JULY 22, 1959

During the Annual Conference of the 1958 North Carolina Conference of the Wesleyan Methodist Church of America, the Virginia District Missionary Board and a Committee elected by the District Caucus, were designated to study all matters concerning the organization of a Virginia Conference. These two Committees met in joint session at 10:00 a.m., Nov. 18 at the Lynchburg Wesleyan Methodist Church. The call of this meeting was at the suggestion of the Rev. Frank B. Dennard, Chairman of the Virginia District Missionary Board. This meeting was called to order by Brother Dennard and a discussion as to procedure followed. The Rev. C. Wesley Lovin, Vice-President of the North Carolina Conference, was asked to serve as temporary Chairman. The two committees were organized as a "Joint Committee," and the Rev. Earl T. Gentry was elected Chairman. The Rev. W. Lee Cockerill was elected secretary.

The "Joint Committee" voted to send copies of all deliberations and actions to the Rev. B. H. Phaup, President of North Carolina Conference and Dr. H. K. Sheets, Secretary of Home Missions and Church Extension of our Church.

The "Joint Committee" has met five times during the year. The time and places are recorded in the minutes to be found in the file.

Dr. H. K. Sheets was able to meet with us in one session and has advised us by correspondence. Conference President B. H. Phaup has met with us in three sessions and Conference Vice-president, C. Wesley Lovin, has met with us in all five sessions. Both have advised us by mail and orally. Correspondence with Members of the Board of Administration are in the files for reference.

Under date line July 1, 1958 Dr. H. K. Sheets advised us as follows: "The recommendation as it appears below was approved by the Board of Administration: "That definite plans be made for the Virginia Conference organization to become effective in 1959 following the rise of the North Carolina Conference. It is pointed out to the Board that the time schedule above—

- a. Would not interrupt North Carolina statistics for the Quadrennium.
- b. Would give pastors in Virginia who would not wish to reside permanently in that state opportunity to make adjustments with at least a year's notice.
- c. Would give the Virginia Brethren time to plan ahead without feeling "undue haste."

The "Joint Committee" requested the North Carolina Conference President and his Conference Missionary Board, in preparing the 1959 Annual Conference schedule, to arrange for time and place for the organization of a Virginia Conference in conjunction with our 1959 Annual Conference.

The "Joint Committee" agreed that Paragraph 155 of the Discipline should govern the exchange of pastors between the North Carolina and Virginia Conferences.

As a basis of representation to the organizing Virginia Conference, it was suggested that the duly elected delegates to the North Carolina Annual Conference of 1959 from the Virginia District Churches be seated. A ruling upon this from Dr. R. S. Nicholson, President of the Board of Administration, was to this effect, viz., each Church in the territory to become the Virginia Conference should elect their delegate(s) to the North Carolina Annual Conference in the usual manner. The Churches should again cast a ballot for a delegate(s) to the organizing Virginia Conference. These could be the same persons elected delegates to the N. C. Conference. The "Joint Committee" requested our Conference President, The Rev. B. H. Phaup, to instruct the Churches in this procedure and to provide the delegates to the organizing Virginia Conference with proper credentials.

Further, it was suggested that the ministerial representation consist of ministers who accept calls to churches in the Virginia District and any other ministers who request in writing their desire to transfer to the Virginia Conference.

The boundary of the Virginia Conference has been set by the 1959 General Conference to be the present Virginia Conference of the North Carolina Conference.

After seeking legal counsel it is recommended that we do not incorporate the Virginia Conference in the State of Virginia at this time.

By action of the "Joint Committee" the Rev. C. Wesley Lovin, General President of Wesleyan Youth, was requested to organize the Wesleyan Youth of Virginia at the North Carolina Youth Convention in July, 1959. Due to illness of Brother Lovin this did not take place. It is our understanding that the Rev. D. Clifton Wood, Southern Area President of Wesleyan Youth,

plans to call a convention in the early Fall of all the Virginia Churches for the purpose of election of Virginia Wesleyan Youth officers.

Mrs. R. D. Reisdorph was contacted with regard to organizing a Virginia Woman's Missionary Society. Correspondence from her is to the effect that she will direct the organization of the Virginia W.M.S. The North Carolina W.M.S. President, Mrs. Gipsie Miller has been requested to arrange a time during the Annual W.M.S. session for this organization.

Sustained efforts have been made to "sell the Virginia Conference" to our ministers and laity. A pastor's meeting was held May 25th. Laity were invited. Printed and mimeographed information has been circulated. News has been sent to "The Wesleyan Methodist," Marion, Indiana, for publication. "Virginia Conference Sunday" was observed in each Virginia Church on June 7, 1959 with an appeal for a special offering to match a \$1,000 gift from Department of Home Missions and Church Extension. Final figures for this offering will be contained in the report of the Treasurer of the Virginia Missionary Board, The Rev. C. A. Phaup.

Parsonage sites, estimates and descriptions have been investigated and reported to the "Joint Committee." These have been in the area of Lynchburg and Roanoke.

A proposed budget was studied and published and circulated in all the Churches of Virginia. The organizing Virginia Conference will pass upon the budget in this session.

An area which has caused no small amount of concern has been the providing for retired and disabled ministers. We have consulted with the North Carolina Conference Superannuated Board, The Rev. Lyman F. Lance, Chairman, and the Pension Fund, The Rev. David Rees, Treasurer. A letter from Dr. Rees will be submitted at the proper time through the proper committee.

As to what will develop with regards to the Group Insurance and Brotherhood plans now in effect for the North Carolina Conference will have to be worked out. The Virginia Conference will be interested in mutually working out these details so as to benefit our ministers.

The "Joint Committee" has sought to do the work which we were instructed to do by the authority that elected us. There have been cordial relations predominant in all our deliberations. The Conference President and Vice-President and Dr. Sheets have rendered valuable service to us and have presided over some of the sessions. We are not unaware of the gravity of the task that is ours as a Wesleyan Methodist constituency of the State of Virginia. We seek only the Will of God in all matters and earnestly request your prayers, blessings and support in any way possible.

SPECIAL COMMITTEE REPORT

The Reverend B. H. Phaup, newly elected Superintendent of the Wesleyan Methodist Church of America and Chairman of the Board of Administration, has served the North Carolina Conference of the Wesleyan Methodist Church for twenty seven years. He has given nineteen years in pastoral service, two years as General Evangelist, and six years as Conference

President.

The gifts and graces evidenced in these years of service have brought honor to him, success to the work, and respect to the Kingdom interest. The graciousness of his spirit has been complemented by untiring devotion and amazing efficiency in the performance of all duties. His sincerity and integrity in all relationships is beyond question. The fruitfulness of all his labors is public testimony of the continual blessings of God upon this Divinely Commissioned one.

The public ministry of the Reverend B. H. Phaup began following graduation from Central Wesleyan College where, as a student he attained academic excellence which to this time remains unequaled and unsurpassed. The record now to be written in new and larger relationships is in the hands of our Merciful Heavenly Father, who has called him into this service.

We the members of the North Carolina Conference, his home Conference, gratefully share him to the Church family at large. He is still one of us and remains in our minds, our hearts and our prayers.

Appreciation is also expressed to the devoted wife and young son, Cary. Without the co-operation given by these of the home this man's work could not be so well done.

A RESOLUTION OF APPRECIATION

The Rev. W. M. Phaup has served the North Carolina Conference as Secretary for twelve years. During this period of service his work is characterized as excellent. This is evidenced by the accuracy of our printed minutes, our permanent records which have been graded 100% at each General Conference during this period of service, and the accuracy of the general information that has gone out from the Secretary's office. Many untiring hours of service have been rendered in accomplishing this necessary work for advancing Christ's Kingdom. For this service the North Carolina Conference expresses sincere appreciation.

2. For the sake of the students in the Course of Study and with an aim for greater efficiency of operation and service to the Conference and the Kingdom, we sincerely recommend that all examinations be taken under the immediate supervision of the Committee. The taking of examinations may be done at District Meeting, Camp-Meeting, Course of Study Institutes, etc. Examinations for local preachers will continue to be administered by the local pastor. Action by the 1958 Conference makes this effective and operative for the current year.

3. The Course of Study Institute for the Conference Year 1959-60 will be held at Colfax. The tuition charge will be five dollars (\$5.00) per course. Opening Date: Monday after third Sunday in June.

Explanatory Note:

Some of the above students in the course are inclined to be tardy and delinquent in meeting the requirements under which they work. For their sake and for the aid of the Virginia Conference Committee on Itineracy and Elders Orders the names of these persons are starred. In each case the individual so characterized has been notified and counselled with.

Recommendation regarding the work of this committee in the North Carolina and Virginia Conferences:

We feel that for the time being for the best interests of the two conferences, the fairness of the students involved and the services to each conference can best be served by free and reciprocal co-operation in our work. Each conference has its own committee and roll. In such areas as library resources, teachings institutes and administering the total program, however, we request conference permission to work together in certain areas for mutual efficiency.

COMMITTEE ON THANKS

To our Heavenly Father and all wise God we wish to give heartfelt thanks for His presence and out-poured blessings on this eightieth session of the North Carolina Conference.

To Dr. Harold K. Sheets, General Secretary of Church Extension & Home Missions and General Superintendent elect of the Wesleyan Methodist Church of America, we wish to express thanks for his inspiring messages in the main services, for his assistance during the business sessions of the conference, and for his excellent chairmanship in the organizing of the Virginia Conference.

For the inspiration brought to us by Mrs. Ruby Reisdorph, General President of Woman's Missionary Society, we express our thanks.

In the kind providences of God our brother and friend, Rev. J. M. Byars, represented the Wesleyan Methodist Publishing House of Marion, Ind., and we thank God.

As in previous years, we are indebted to the Shady Grove Camp Meeting Board, to the Shady Grove Church and its efficient pastor, and to the members of the community for helping to entertain the conference body.

May we express what many have already spoken as they voiced their appreciation for the permanent contribution of sidewalk on the Camp Ground by the N. C. Woman's Missionary Society.

We express gratitude to each of our conference officials and various

committees for their untiring efforts in conducting the conference business.

To the Southern Pilgrim College we are most grateful for the use of their facilities in caring for the overflow crowds during our conference session.

From the speakers and those in charge of the evening services we have received much light and inspiration. For this we give thanks.

We are much indebted to the Rev. Boyd C. Kistler and his faithful helpers who have rendered such sacrificial service in the dining hall and kitchen.

The Committee on Thanks recommends that a copy of their report be sent to each of the parties concerned.

PRESIDENT'S REPORT

To the Members of the North Carolina Woman's Missionary Society:

Christian greetings! Another official year for the WMS of the North Carolina Conference has come to a close leaving us with the startling realization that we are one year nearer eternity than we were when the last annual report was made. There remains one year less to work in the world's whitened harvest fields. May the thought stir our hearts to activity during the coming year, if Jesus tarries.

With humble hearts we enumerate the achievements of the past year, fully conscious that it was by God's help that such were accomplished. "To Him be the glory, great things He has done."

Part I. Work of the Conference

1. Conference Project. The financing of the Conference Project is by means of pledges made by the local societies during the annual goals service. Total amount subscribed last year was \$2,105.

* We have a statement as of July 13, from the Conference Secretary for \$472.25 for our share of the Conference Minutes for 1956-'57.

2. Workshops. In November 1958, Leadership Workshops were held in Asheville, Forest City, Gastonia, High Point and Durham, N. C. and Lynchburg, Va. They were very well attended and the general overall evaluation was favorable. Workshop leaders were: Mrs. Sue Black, Mrs. Naomi Wood and Mrs. Gipsie Miller.

3. Vernacular Radio Ministry. This project was presented by Rev. Marion Birch at the time of the public service last year and in a few church contacts he made while in this area. The amount of \$1437 was paid on the Vernacular Radio ministry in Sierra Leone, West Africa.

4. Jennings Furniture. This was not an official conference project. The need was simply stated in the Leader's Guide and 22 societies responded to the amount of \$1,062.96.

5. General Conference delegates. The following ladies represented the North Carolina Conference in the quadrennial session held in Houghton, N. Y., June 23-30: the Conference President, by virtue of her office, Mrs. Sue Black, Mrs. Ruth Sparks, Mrs. Lucia Phillips, Mrs. Ruth Argo, Mrs. Cleo Adcock, Mrs. H. S. 2. Subscriptions. Statistical records show a gain of 41 in subscriptions over last year.

3. Membership. Gain in members reported was 459, loss in members 185, making a net gain of 274.

Time employed in some phase of WMS work about 20 hours a week on the average. I have edited, mimeographed and mailed 3,657 copies of the Leader's Guide, contributed monthly column to the Wesleyan Missionary, entitled, "Tools for the Task," and prepared one other article for the same. I drafted the Plan of Work which was adopted at General Conference as the agenda for the quadrennium.

I have given 19 messages and rendered other parts on various programs. It was my privilege to be one of the workshop leaders to speak in each of the district meetings and attend as many of the meetings as possible.

I met with the Virginia District Board to arrange a time for the organization of the Virginia Conference.

Correspondence: 278 cards or letters.

GOALS REPORT

We recommend a general conference-wide Christian Stewardship program outlined as follows:

Theme: "As good Stewards"

I. CONFERENCE GOALS: Stewardship of Business.

"Enlarge . . . lengthen thy cords, and strengthen thy stakes." Isa. 54: 2.

We recommend a wise enlargement by a balanced advance.

A. On the basis of \$1.00 per member, that the conference pledges for 1959-60 be appropriated for Camp ground improvement and the Conference Working Fund.

B. Leader's Guide—Scale of offerings for Leader's Guide:

1 - 25 members	\$3.00
26 - 50 members	6.00
51 - 75 members	9.00
76 - 100 or more	12.00

C. Promoting "A Community Missionary of the Year" recognition.

1. Aim: To encourage active Christian Community service among lay women.

2. Requirements: It must be service beyond the ordinary, including—

a. Visitation in at least one home a week (other than personal friends) with prayer and personal witness most of the time.

b. Speaking to at least 25 people about their souls during the year and leading at least one person to Christ.

c. Rendering at least 10 hours of social service to families or individuals outside the church, including migrant workers, delinquents, alcoholics, etc.

d. The title will be given to a lay woman—not a parsonage lady.

D. Nominations

1. Local groups in consultation with the pastor and a W. M. S. officer shall make nominations to the district executive committee,

who shall choose the most qualified one as the district nominee. All local nominations shall be submitted to the district chairman by April 15th.

2. The district nominee shall be chosen prior to and announced at the May district meeting. District nominations shall be submitted to the conference W.M.S. Executive Board by July 1st.
3. Announcement and recognition of the "Community Missionary of the Year" shall be a feature of the Annual Conference of 1960.

II. DISTRICT GOALS: Stewardship of Talents.

"Lord, thou deliverest unto me five talents: behold, I have gained beside them five talents more." Matt. 25: 20

We recommend that the districts lend their efforts toward a leadership program aimed at the training of God-given talents to a higher degree of usefulness, and that such training be:

- A. A technical training for the keeping of records, the handling of funds, and the making of reports.
- B. An administrative training for the filling of executive offices.
- C. A social service training for those who work in community missions.

We further recommend that the details of promotion be left with the District Board.

III. LOCAL GOALS: Stewardship of Time.

"So teach us to number our days that we may apply our hearts unto wisdom." Ps. 90: 12.

We recommend that each local society advance a great personal service movement among its members by the "Tithe of Time" method. A five day week includes 40 hours work, 40 hours sleep and 40 hours optional time. We recommend that the optional time be the period tithed, making 4 hours each week to be used for God's service.

Report No. 1

Dr. Nicholson's answer concerning our inquiry on the matter of delegates serving in the dual role of delegates to the North Carolina Conference.

"It is my judgement that they can serve in that dual role, provided they are elected as such by a ballot vote. That is to say, each church in the territory to become the Virginia Conference should elect their delegate (or delegates) to the North Carolina Conference in the manner prescribed by the Discipline. They would be given a certificate (credentials) showing

their election to the North Carolina Conference.

Then the churches should again cast a ballot for the delegate or delegates to the Virginia Conference. They could be the very same persons elected delegates to the North Carolina Conference, but they would be certified as delegates to the Virginia Conference's organizing session. That would mean that the same person was elected twice (by a ballot vote each time) and given two certificates—one for the North Carolina Conference session and one for the Virginia session."

 - (B) That no interest be charged on these assessments for any of this period of time.

He shall keep the accounts in a substantial book, in proper form, indicating who paid the money and for what purpose it was paid, and shall turn over the books, together with all money and other values on hand belonging to the Conference, to his successors in office. All money must be paid to the Treasurer and be paid by him to the sub-treasurers where there is such, with the following exceptions: If the pastors pay budget money to the sub-treasurers, the Annual Conference Treasurer shall receive all such receipts and give the pastor credit on such items as are indicated on the receipts issued by the sub-treasurers.
