## Daily Proceedings

**Tuesday Afternoon Meeting, July 1, 1958**

On Tuesday, July 1, 1958, at 2:30 p.m., the Champlain Conference of the Wesleyan Methodist Church of America opened its 116th session at West Chazy, N.Y. Campground. The President, Rev. Reginald B. The Vice President, Rev. Edwin Seaman, spoke briefly and then presented the Conference President. The Conference Body stood as the President was introduced.

The President brought us his annual address speaking tenderly from the words of Jesus in John 4:35, "Lift up your eyes and look." In view of a whitened harvest field, the President pointed out that we are too problem conscious. He challenged us to "Look at the need and opportunity around us; Look at the way the Early Church expanded its borders; Look at ourselves." He closed with an exhortation from Romans 12:9-16, dealing with each phrase pointedly. Rev. Howard Chapman led in prayer and the Conference then sang "A Charge To Keep I Have."

## REPORT OF THE CONFERENCE PRESIDENT

To the members of the Champlain Conference Greetings:

Recently I received a letter from our General Conference President, Dr. Nicholson, he said, "The Annual Board of Administration meeting was a busy time. Each year there is more business to be given attention. "This is also true of our Conference work. There are always problems to be solved and decisions to be made, sometimes we do not know just what to do, but God always helps us out. Paul said, "Thanks be to God which giveth us the victory through our Lord Jesus Christ."

I am happy that the Champlain Conference is in a healthy growing condition. While we do have a few problems, yet there is no serious trouble that I know about.

In the past few years many of our Churches have built fine Educational Buildings, and this year West Chazy, Chichester, West Plattsburg and Bakers Mills are building, and perhaps others that I haven't thought of. I believe this indicates growth and advancement as a Conference.

We organized one new Church this year, namely Catskill. All of our Pioneer Churches seems to be making steady progress for which we are thankful. Catskill had an average attendance in their Sunday School of 15; Ogdensburg averaged 33; Hopewell Junction 31; and Plattsburg 50 plus.

I am happy to report a gain in the membership of our Conference this year.

As you know I was ill for several weeks this past winter, but by God's help I was able to direct the affairs of the Conference by telephone and correspondence. From my hospital bed I dictated letters, and my private secretary, Mrs. Josephine Hewitt, did a good job taking them and seeing to the mail. The Rev. Gerald Matson, Conference Secretary was a great help during these weeks, and my brother, the Rev. Gerald Hewitt, was a good chauffeur, and took me to the Doctor, etc., when I was not able to drive.

The Vice President, the Rev. Edwin Seaman, made one business trip for me, and this was certainly appreciated. I received hundreds of Get-Well Cards, and many of the Churches sent flowers and love offerings. Our General Conference President, the Rev. Roy S. Nicholson, took time out of his busy schedule to send me two Get-Well Cards. This was greatly appreciated. I want to say a hearty THANK YOU to all who remembered me during this time of affliction.

To the best of my ability and knowledge, and the help of the Blessed Holy Spirit I have continued in the work assigned me by the last Annual Conference. Following is a Report of my Official Acts:

**REPORT OF THE SUNDAY SCHOOL SECRETARY**

To the Members of the Champlain Conference — Greetings

Once again it is time to go over the record and take stock of the past year. As we view the reports, we realize that our Sunday Schools are Big Business, handling

over \$17,500 last year.

A look at the enrollment shows a gain, with 4045 as the total number on our Sunday School records. Of these, 775 are enrolled in the Home Department and Cradle Roll. The total average attendance for the year is 2458, showing a gain of 32 for the year, despite the heavy snows of the winter the Asian Flu and other epidemics. This giving evidence of the loyalty and faithfulness of our Sunday School people.

We tried a new venture which proved highly successful and profitable, the Dinner Meetings for Pastor's and Superintendent's and their wives. Our Sister Josephine Dayton presented some very practical and profitable talks at these meetings and the fellowship was grand.

The Secretary also had the privilege of representing our Conference at the first Annual Wesleyan Methodist Sunday School Convention and the National Sunday School Association Convention, both held at Grand Rapids, Michigan. It was inspiring and instructive to meet with thousands of Christians in worship and an exchange of ideas and to drink in the helpful materials which were presented.

Our congratulations to you for winning the Plaque for the highest per capita, in our group, in the Thanksgiving Offering; our Conference ranking third in the entire Denomination with \$.98 per person based on average attendance.

I wish to extend my personal gratitude to the members of the Sunday School Board for their cooperation and assistance and to all of you who have stood by and helped us in this first year as Sunday School Secretary.

I wish to submit the following recommendations:

1. That the Sunday School Budget be 25¢ per member in the Main School.
2. That at least one member of the Sunday School Board attend the National Sunday School Convention.
3. That District Conventions with Workshops be held as soon thereafter as practical, so as to get the material to the local level.
4. That the Sunday Schools of the Conference adopt the Ten-point Score System introduced by the General Sunday School Department.
5. That Mr. Ray Smith and the Rev. C. C. Murray be re-elected for two year terms to the Sunday School Board.

**REPORT ON COMMITTEE ON VACANCIES**

Notice was received on June 28, 1958 the Rev. C. C. Murray had submitted his resignation from the Committee on Itineracy and Elder's Orders, 4th year.

The Committee on Vacancies appointed Rev. John Lamos to finish the term of Rev. Murray, whose term expires in July 1959.

Rev. Clifton Chapman  
Secretary of the Committee

**GROUP INSURANCE REPORT**

The Ministers' Life and Casualty Union of Minneapolis offered the ministers of our Conference what they call a 'Protector Plan.' This plan was presented by your committee to the 1957 Ministerial Institute, which had been given power to accept or reject such coverage by the 1957 Conference. The "Plan" was accepted by those present. There were 42 members eligible and willing. This number joined and 41 have continued. The dues are payable quarterly and have been paid to date.

Inasmuch as your committee was involved with getting the plan started and it seemed to be necessary to collect and pay the initial premium, it also appeared best to carry on this policy until this session of Conference in order that some one local person become somewhat familiar with the plan.

It is astonishing how many of our homes have been assisted in times of great need. No doubt we have received much more in benefits than we have paid in to the Union. This has in turn relieved the local churches very much.

I therefore recommend that:

1. We have a member who is to be called the "Protector Plan Collector".
2. That the Protector Plan Collector notify each local church treasurer where the pastor is a member of the plan when premiums are due and that the treasurer send \$10 quarterly to Collector. Also, that the Conference treat our Conference President in like manner.

3. That the above aid be in addition to any Supperannuated Ministers' Relief Ass'n help.

Respectfully Submitted,  
Charles A. Dayton

### BOARD ON CHURCH AND PARSONAGE BUILDING AND LOCATION

The Church and Parsonage Building and Location Committee met Monday, July 15, 1957 at 1:30 p. m. at the Wesleyan Methodist Parsonage in Corinth; all members were present, Fred Shippee being the new member. The President's Advisory Committee also met with us. Bro. Reginald Hewitt presided, prayer by Harry Gibson.

The purpose of meeting was to consider the Catskill work, Rev. A. O. Northrup having resigned. Several communications regarding this, which had been received by Brother Hewitt, were presented to the committee.

After journeying to Catskill the committee conferred with Mr. and Mrs. Boomhower concerning the state of the work. The committee then met at the Chapel with those interested in the Church. Seven local folks were present.

Service began with Rev. Edwin Seaman leading singing. Floyd Tyler read Psalms 8 and 111. Harry Gibson and Ray Morgan then sang "Turn Your Eyes Upon Jesus." Charles Dayton and Fred Shippee led in prayer. During a general discussion period, various angles and then an expression was taken and the opinion was unanimous on the part of the local people to keep the work open and that Rev. Lyle Harvey be invited to care for the work for this Conference year. The Committee felt that Brother and Sister Harvey manifested a fine Christian Spirit and recommended that President Reginald Hewitt appoint the Harvey's to Catskill.

Motion to adjourned seconded and passed.

Group joined in singing "Bless Be The Tie That Binds."

Dismissed by Harry Gibson.

The Church and Parsonage Building and Location Committee met October 2, 1957 at 3:00 p. m. at Ogdensburg Church. Brother Reginald Hewitt presided with all members present.

Brother Thomas Boghosian reported on improvements to Brant Lake Church. Cellar dug, new furnace installed, toilets installed. Present indebtedness \$4,000.00 note, (monthly installment) no mortgage. A big improvement to the property. (This was approved, accepting Brother Boghosian's apology for not consulting with committee before proceeding with project. Brother Edwin Seaman spoke of improvements to Church building, about \$400.00. He requested, in view of these unanticipated expenses that the Conference assist in the amount of \$500.00.

The motion was presented (and approved) that in view of the acceleration of the improvement program caused by entertaining the Institute, we give the Ogdensburg Church \$200.00 towards these improvements.

Brother Kenneth Ross presented the proposition of purchasing the Episcopal Chapel adjoining the Watervliet property. It has been appraised at \$6,000.00. The Watervliet Church wishes permission to purchase this property for use as Sunday School rooms, Church office, etc. This was granted.

Brother Reginald Hewitt presented a letter regarding improvements to Brookdale Church and Parsonage, namely — Sunday School rooms in basement and rewiring of parsonage. This was approved, accepting apology for not previously consulting committee.

The Catskill work was considered and in view of the fact that there is about \$3,000.00 available in Superannuated Minister's Relief Fund, Brother Hewitt appointed Brother Kenneth Ross to investigate and try to locate a suitable property with a house that would provide living quarters and temporary worship facilities which we could purchase and put the present rentals towards buying.

Brother Ray Morgan spoke of building addition to Heuvelton. The plan is to go back 20' thus enlarging the auditorium and uphill towards the school with an addition of about 25' x 30' two story construction. This is still in the planning stage and the church is awaiting the architect.

Brother Reginald Hewitt received from Rev. Dennis Osgood, a request to build a small Sunday School room about 8' wide connecting the back of the Church to the garage. This would provide a much needed room about 8' x 12'.

In as much as this was a small project and involved no indebtedness, Brother Hewitt felt that it would be permissible to approve without formal vote of the committee and asked that it be recorded in the minutes.

There was presented at the Ministerial Institute and offer of a property near Chichester consisting of over 200 acres of land and the purchase price of \$75,000. This was considered for use as a Children's Home.

On October 17th Brother Hewitt investigated this and viewed the property. His estimation was that the property was entirely unsuitable for us, being too large, buildings in need of repairs and very little tilable land.

A few days later Brother Hewitt received a letter from Mrs. Nellis Shultis, the owner, stating that if we wanted the property for \$72,000.00 we could have it by paying \$25,000.00 down, the balance being paid in 10 years. She also mentioned that there is a water supply on the premises worth \$20,000.00 water rent being \$20.00 per customer per season.

It was felt by the committee that this property was unsuitable for our situation.

The Church and Parsonage Building and Location Committee met November 19, 1957 at Corinth Parsonage at 1:00 p.m. with all members present and Brother Reginald Hewitt presiding. The purpose of the meeting was to consider an urgent need for a water supply at the Chichester parsonage.

Rev. Robert Pepper, Chichester pastor had stated to Brother Hewitt that unless a well was drilled immediately he would be unable to continue in the work there and appealed to the Conference for help.

After considering the matter for some time the committee deemed it advisable to go to Chichester and investigate the matter more fully.

After conferring with Brother Robert Pepper and finding the present water supply to have been dried up for sometime it was decided to approve the drilling of the well.

The following is a motion which Brother Dayton submitted: I move that the Conference approve the Chichester Church's project in drilling a well which would be adequate to care for the needs of the Parsonage and Church; and further, that we approve the local Church borrowing on and encumbering the Parsonage with indebtedness to cover the cost of drilling; further, that as soon as \$300.00 is available in the Conference Missions Fund and the well be drilled, the local Church be given \$300.00 with which to purchase a pump; further, if the well is artesian, the \$300.00 be given to the local Church toward the price of drilling, pipe, etc.; further, that it be known that this Committee is entirely sympathetic toward this proposition and hopes that this will be done.

Following is a copy of the letter which the committee instructed the Secretary to write to the Chichester Church.

November 19, 1957  
Hague, New York

To the Chichester Church:

Greeting to our Brothers and Sisters in Christ.

The Conference Board on Church and Parsonage Building and Location met with your Pastor and carefully and thoroughly considered the water situation here in Chichester.

Recognizing the urgency of the need and due to the financial status both of the Conference and the local Church, the following motion was proposed, seconded and unanimously approved: (see motion above)

May the Lord richly Bless you good people and your labor of love for Him.

Sincerely,  
Floyd H. Tyler

Committee Secretary

On Wednesday, February 2, at the request of Rev. Reginald B. Hewitt, Charles Dayton, Fred Shippee and Floyd Tyler went to Watervliet to meet with Kenneth Ross and investigate the Methodist Church at Crescent and the Pawling Sanitorium at Wynantskill. We then met with Rev. Harry Mikels, Pastor of the Crescent Methodist Church and inspected the building. This is a brick structure of approximately 40' x 60' generally in a good state of repair with a wooden annex on the rear about 40' x 60' with basement. The lower floor of the annex apparently needs some repair. There is no water in the building and therefore no plumbing facilities. There are some kitchen facilities, this room now used for Sunday School classes. The entire building is heated with an American Standard oil burning, forced air furnace about 3 years old. The main part of the Church has a high-ceilinged Auditorium seating about 240 people. The floor is carpeted and the pews cushioned. There are stained glass windows in good repair and a pipe organ of doubtful value converted from hand operated pump type. The belfry has a good bell and there is parking space in the rear which would accomodate about 16 cars. The date of erection of this Church is 1852.

The Catholic Church has purportedly made an offer of \$15,000.00 for this property, however, Bro. Mikels would rather sell to our group and was of the opinion that the Church would sell with payment to be received by January 1, 1959. We think that the Church is in condition for immediate use as services are currently conducted there. We feel also that with an outlay of approximately \$2,000.00 the annex could be converted to temporary living quarters for a Pastor and also used in conjunction with the Sunday School. This property is in a growing community with no

Protestant Church in the township of Half-Moon. A survey taken in 1955 indicated population to be about 46% Protestant. The reason for the Methodists selling is that 4 Churches of the Parish have merged and are erecting a new structure about 4¼ miles away on the Clifton Park Balston Lake Road.

We then visited the Pawling Sanitorium and looked the place over. This property consists of about 74 acres of rolling land and has 6 large buildings including Administration building, Clinic, Infirmary and Dormitories, also 2 doctors homes and 4 cottages, buildings all have slate roofs and services by city gas. There is a water system with a large tower on the hill above the buildings. This has been used as a county sanitorium and is owned by Rennsalaer County who has had it up for bid and refused \$15,000. In our judgement, because of the size, nature of the buildings and the overhead expense of maintaining this property it was of no immediate value to us as a Conference for any purpose in which we are presently involved, however, we do not mean to take the responsibility of saying that there is no opportunity here or something which may arise either in the Conference or the denomination.

After considering the Shultis property at Chichester in view of any information that we had, we felt that it is not a proposition which we could handle.

Bro. Hewitt asked that we consider permitting the Plattsburg Church to partition off Sunday School rooms in the attic of the Parsonage without increasing indebtedness. It was the opinion of this part of the committee, in as much as no indebtedness is involved, to leave this to the judgment of the Conference President and the people of the Plattsburg Church.

#### Copy of Letter from:

The Methodist Church

Harry Mikels, D. D.  
Elmira, N. Y.

Phone Upton 7-7136  
March 4, 1958

Dear Brother Ken:

Greetings in the Master's Name. At a meeting of the Shenendehowa Methodist Church Board of Trustees, it was unanimously voted to sell the the Wesleyan Methodist Church, the Crescent Church. The price was set at fifteen thousand and one dollars (\$15,001.00). The Trustees would like to have a promise from your group so that we can start to build, but you would not have to pay anything until our new Church was completed. Also the Trustees felt that we would have to keep the Crescent Church until the new Church was completed. As to a probable date for the completion of the new Church, we are thinking in terms of January 1959.

Here is hoping that the Wesleyan Board finds this arrangement satisfactory, and that we will be hearing from them at an early date.

In brotherly love,  
Harry

The Conference Board on Church and Parsonage Building and Location met Monday, April 21st at 1:00 p.m. at the Corinth Parsonage with all members present except Rev. Ray Morgan.

President Hewitt presented the proposition of the Methodist Church at Crescent. The various extension projects of the Conference were also carefully considered as were the financial aspects of the Conference.

This Committee felt that this Crescent property is a real opportunity and could be handled by our Conference with the backing and cooperation of the Conference as a whole. (See details under Section LX).

The Committee then went to Watervliet and conferred with Bro. Kenneth Ross, in as much as Rev. Mikels had made his contacts with Bro. Ross, relative to the possibility of deferring the making of a decision as to the purchase of the Crescent

property until the Annual Conference in session could take action. Being unable to reach Bro. Mikels the motion was made, seconded and passed that Bro. Ross try and make arrangements to defer the matter as aforementioned.

The Committee recommends that in the event that Bro. Ross stays with the Watervliet Church and the Conference buys this property that Bro. Ross be appointed Crescent Pastor and that Martin Ayers be his assistant, the arrangements to be worked out with the Watervliet Church, Bro. Ross and Bro. Ayers.

Bro. Hewitt also presented the Macomb parsonage project; the local Church there is seriously considering either building a house or moving another house to the Church lot for use as a parsonage. By unanimous vote the committee made the following recommendation: that the Macomb Church purchase a moderately priced house or that they build a suitable parsonage on the Church lot and that when they have raised and spent \$600 on this project that the Conference then give \$300 which has been promised. All this subject to the approval of the Conference President.

Following this the committee dismissed and the various members returned to their respective fields of labor.

On Thursday, May 1st at the request of Rev. Reginald Hewitt, Rev. Fred Shippee and Rev. Floyd Tyler went with the Conference President to Hopewell Junction to confer with Rev. Russell Bissell relative to the construction of the parsonage there. The reason being that there had been nothing done beyond the foundation and the sub-floor.

A visit was made to the Poughkeepsie Savings Bank where we interviewed the secretary to the bank Attorney Mr. Hoppe who had charge of the loan for the parsonage. It was learned that the delay had been caused by a technicality in the changing of the Articles of Incorporation for the Conference from the use of the word Connection to the word Church. This Bro. Hewitt had done and sent the information to Attorney Zett of Fishkill who was doing the legal work for the conference in this matter. It was also learned that Attorney Zett had in November 1957 sent the petition stating this change to the bank and since that time matters had laid dormant, the bank apparently not interested in pushing the matter. Their response was that they had heard nothing further from either the Conference or Mr. Zett and that they needed proof of the change of Articles of Incorporation, upon receipt of the same they would proceed with the loan immediately.

Our next visit was to Attorney Zett who disclaimed responsibility for the delay but finally admitted partial responsibility and promised that he would obtain the necessary papers and take them personally to the bank to expedite proceedings.

Then we went to see Forrest Dutcher, the contractor engaged for this job. Mr. Dutcher has agreed to furnish us materials at cost and to help us all he can in this building. He stated that due to his other building commitments he would need 30 days advance notice and Bro. Hewitt told him to plan on starting by June 1st as it appeared that the loan would be forthcoming in the near future. M. Dutcher asked that materials delivered on the job, which are billed to him monthly on the 25th, be paid by the 10th of the month following and that the labor be paid along on a monthly basis. This was agreed upon.

Leaving Hopewell Junction we went to Catskill to talk with Bro. Harvey regarding the purchase of the property there. As prayer meeting was in progress we attended the service and found a very good spirit prevailing. Not being able to do anything definite regarding the purchase of property we proceeded to our respective homes.

On May 21st, Rev. Russell Bissell wrote to Committee Secretary, Floyd Tyler stating that the work on the Hopewell Junction Parsonage had begun and that they would be able to use cedar shakes on the exterior rather than the asbestos shingles as originally planned with no increase in price.

On May 10th Rev. Reginald B. Hewitt called the secretary of the Conference Board on Church and Parsonage Building and Location and stated that Rev. James Keysor, the Macomb pastor, had written him with the following proposition:

The house directly across from the Macomb Church is for sale, the owner is asking \$5,000 stating that this is the amount which he has invested in it. The Local Church is interested in buying this property for a parsonage as it is ideally located, in a fair state of repair with a sizeable lot, approximately 3 acres, a garage and a chicken house. The Church has requested of the Conference Committee permission to authorize Alvin Washburn, a local trustee to offer \$4,000. for the property with permission to negotiate.

Brother Hewitt in view of the urgency of the request stated that he was in favor of the proposition and instructed Floyd Tyler, Committee Secretary to contact the other members of the Committee and obtain their reaction. If this was favorable the secretary was to send the permission to James Keysor, but if not, to report back to the President. The general response was favorable and the secretary instructed Rev. Morgan to give Brother Keysor the permission to proceed.

The Conference Committee in session, May 15, considered this matter and in view of the recent improvements, including installing of bathrooms and furnace, approved the purchase of the property at a price not to exceed \$5,000.00 and recommends that the Church set up a suitable plan of financing and submit the same to the Building and Location Committee.

On May 15th the Conference Building and Location Committee, following an excellent dinner at Brother and Sister Harvey's home, met with the group at the Catskill Chapel and shared the fellowship of these good folk in a song and praise service led by Rev. Ray Morgan with remarks by Floyd Tyler on thoughts expressed in Luke 11:1-13. Following this, President R. B. Hewitt organized a Wesleyan Methodist Church Society with the following members: Rev. and Mrs. F. L. Harvey, Mr. and Mrs. Raymond Boomhower, Miss Barbara Platt, Mr. Sigurd Nickamp and Miss Charlotte Nickamp, Junior member.

After organizing this society there was a period of discussion concerning the physical location of the Church. There are some desirable lots in a growing section of the village which the committee had looked at. We can buy a parcel 150' x 150' with city water and sewage for the sum of \$2500.00 or a parcel 100' x 150' for \$1500.00 backed by a lot with a 3 bedroom house built 7 years ago and in a good state of repair fronting on a parallel street for which the owner is asking \$11,500.

It was a general feeling of the group assembled that the present location is entirely unsuitable and should be vacated in favor of one more satisfactory as soon as possible. After a period of discussion and consideration of the proposition that we buy the house and it's adjoining lot on a long term contract, if possible, it was decided that the Catskill group approach a bank to see what financial arrangements could be made.

The Committee then embarked on a trip to Chichester to obtain more information on the proposed addition to the Church there. Upon conferring with Rev. Robert Pepper, the Pastor, it was learned that the addition is to be 20' x 35' one story, wood construction extending at the rear of the Church to contain additional Sunday School facilities, a kitchen, rest rooms and furnace rooms. The estimated cost of this project is \$600.00 in as much as the foundation and floor is provided for and the rough lumber is donated. The Committee gave approval to this project and proceeded home.

The Conference Board on Church and Parsonage Building and Location met at the Macomb Church, Monday 26, at 2:30 p.m. with all members present except Brother Charles Dayton. A group including the trustees of the Macomb Church met with the Committee for the purpose of considering the matter of securing a parsonage for Macomb.

In considering the house across the road from the Church, the general feeling of the group was that the price of \$5,000 asked by the owner was too much in view of the general valuation of property in the area and that the condition is such that \$4,000 is all that the property is worth.

The committee then viewed several other properties which are for sale. The most promising of these is a property about a half mile from the Church of approximately 50 acres and a newly remodelled house including bath and oil heat. The owner Mr. Wall states that he has invested nearly \$7,000, but declined setting a price and asked that the Church make an offer. An offer of \$5,000 was made and Mr. Wall asked a few days to consider it.

The group again considered the Wayne Foepple place across from the Church and decided that the local trustees would offer \$4,000 for the property. The Conference Committee feeling that the Conference would assist in the making of the down payment.

Brother Hewitt presented the information that the Catskill Church has made arrangements to buy the property, which was contemplated, for \$13,000 and that the Catskill Savings and Loan Association would make the loan with a down payment of \$2600 on a 20 year plan at \$72.00 per month. The Committee approved this down payment from Conference Mission Funds. This to be made through a loan from the Superannuated Funds and authorized Brother Hewitt to instruct Rev. George Jock, Superannuated Treasurer to send the check to Brother Harvey.

The Committee then adjourned and the members went their various ways.

During Work week the Conference Board on Church and Parsonage Building and Location met at West Chazy Campground, Tuesday, June 3, to consider the building of an addition to the Sunday School rooms at Bakers Mills and such other business as might come before the Committee.

Brother Osgood stated that the Bakers Mills Church would like to extend their present addition 12' more providing 2 additional rooms 12' x 20' each, one upstairs and one down. The cost of this project to be handled by the local Church. The committee by unanimous action granted this permission.

There was also presented by Questionnaire the matter of an addition to the West Chazy Church for the purpose of an educational Building.

This structure to extend on the back of the present prayer room and to be of cement block construction with wood gable and roof. The estimated cost is set at \$10,000 with about one half on hand, a loan to be made to cover the balance and this to be raised by subscriptions. The Questionnaire was approved without discussion by the committee.

The committee secretary, Floyd Tyler, received a letter from Rev. John Lamos requesting permission for the West Plattsburg Church to build Sunday School rooms at the back of the present Church. The building to be an extension of the Church measuring 30' x 30' of one story construction containing 6 Sunday School rooms, pastor's study and a kitchen. The estimated cost is \$4500 with \$2200 already raised. Two members of the Church agreed to loan the balance to the Church without interest and to receive the principal in monthly payments.

The committee unanimously approved the West Plattsburg project at its meeting in Corinth on June 18.

The Conference Board on Church and Parsonage Building and Location met Wednesday, June 18 at 1:30 p.m. at the Corinth parsonage with all members present except Rev. Ray Morgan.

The matter of a delay in the clearing of the loan for Hopewell Junction was presented, as was the fact that the Contractor Forrest Dutcher has invested as of June 8, \$1709.50 in labor and materials.

Due to the fact that the Conference President has on May 1st authorized the contractor to proceed with construction as soon as possible the following resolution was adopted:

I move that an answer to the request from Rev. Russell Blissell for the Conference to advance \$1709.50 to Hopewell Junction to pay the contractors bill for labor and material to June 8th. We send this amount even if we need to borrow the same from the Superannuated Minister's Relief Association. \$859.50 of this amount to be returned by the Hopewell Church to the source from which borrowed as soon as their bank loan comes through, which we understand will be within a week or 10 days. The other \$850.00 was previously allotted for Conference action and we herewith pay it.

Further, that we approve the building of the requested front porch.

Further, that any legal fees and further expense be paid from the bank loan and deducted from the same.

Further, as explanatory the afore mentioned \$850 which we are herewith advancing as a gift to Hopewell Junction and will not be repaid, therefore we expect the legal fees, inspection, porch, and incidentals should be paid from the bank loans as there should be several hundred dollars to spare.

Further, that the balance of \$859.50 should be paid back to the Conference source from the first money to come through on the bank loan to Hopewell Junction.

The matter of the bank in Catskill refusing to make a loan for the purchase of property there was presented by Bro. Hewitt and the following resolution was adopted: In view of the fact that the bank declined taking the mortgage on the house which the Catskill Church was considering buying and that the Church wishes to buy the 3 lots from Mr. Tippins which were first considered; and the request of the Catskill Church for the Conference to raise \$2500. for the purchase of these lots. I move that we approve the action of the Catskill Church in buying these aforementioned 3 lots for the price of \$2500 or less for this purpose said money to be borrowed from the Superannuated Minister's Relief Association of the Champlain Conference at the rate of 4% payments to be \$500 annually plus interest.

The title to this property to be vested in the Champlain Conference of the Wesleyan Methodist Church of America and that the plans of any building to be erected thereon be submitted to this committee for their advise.

The meeting was adjourned and the members went their way.

## Report No. 1

### PRESIDENT'S REPORT

This report marks the end of twelve years of joyful service unto the Lord and rich fellowship with His children as your president. In my last "Challenger" letter I tried to express to a degree my appreciation and love of you all. I would ask the same cooperation and understanding shown me be given your new leader, backed by consistent prayer support. I do not expect she will be disappointed — nor the Lord.

This year I have not been able to do the visitation work which I so much enjoy but I have sought to keep in touch with you on the local levels by correspondence and "Challenger" contacts.

Deputation work was scheduled for Miss Margaret Wright in the fall. We appreciated her devoted spirit and consecration to her call. Let us remember her at the Throne in her new work in Nepal.

Also Miss Orie Spaulding, one of our own Champlain Conference missionaries, visited some of our churches in the spring. It was good to be able to become better acquainted with her and appreciate her fine worth. Let us not forget her on the field now: I'm sure she is not forgetting us here.

Our own Harris and Marcia Earl have visited a few of our churches since their return, their visits having been arranged by the churches visited. We heartily welcome them back into our midst and our communion.

"Praise is comely" says the Psalmist. My heart responds with the desire to give God, and God alone, all the praise for anything which may have been accomplished, for smoothing out the rough places, for producing fruit, not just leaves. I humbly acknowledge human instruments whom He has used but in doing so always remembering that without Him we can do nothing — absolutely nothing. And so I say, "Praise the Lord, O my soul, and all that is within me, Praise His holy Name."

## THE CHAMPLAIN CONFERENCE

And now I commend us all to our Heavenly Father and pledge with you to our new leader our faithful loving cooperation and all together we shall seek to labor together with God.

In His Faithful Name,  
Marjorie Stevenson

**Report No. 7****RESOLUTIONS**

Whereas the church is challenged from without and within by indifference and unconcern;

Whereas the church is faced with crises both at home and abroad that threaten to overwhelm her:

Be it resolved that we as individuals and as a conference society give ourselves as never before to prayer, scripture memorization and witnessing, that all possible effort be put forth for the salvation of souls as Jesus tarries.

Be it resolved, that we make this last year of the quadrennium an outstanding one in the promotion of our missionary interests at home and abroad.

Respectfully submitted.

Dorothy McDonnald and Helen Tyler

**Report No. 8****PLAN OF WORK****I. General**

We recommend:

1. The election in each local society of consecrated officers of vision to carry on a work which is ever new and challenging.

2. That the men be encouraged to join the local societies as honorary members, particularly emphasizing March and September as membership months. Also, that all efforts should be made to foster public missionary meetings.

3. That at a meeting before Conference when officers for the coming year are elected, a delegate (other than the church delegate, if possible) be elected, whose room and board for the Conference shall be provided by the local society. She shall be instructed as to the amount of the pledge for missions and her report be given at the first meeting after Conference.

4. That the financial obligations of the society, per member, be stated as follows:

a. Dues of \$1.00 to be sent directly to the Conference treasurer, 50 cents of which shall be divided by her and applied on budget, half foreign and half home unless otherwise specified. The other 50 cents shall be divided so that half shall be used for Conference expenses and the other half shall be sent on to the General Treasurer to be used for General expenses. And that, all monies and vouchers be sent to the Conference Treasurer at least quarterly.

b. An annual amount equal to 25 cents per active member to be used as general administrative also be sent to the Conference W.M.S. Treasurer.

5. That money disbursed receiving no budget credit be listed as follows:

a. General Administrative

b. Penny-a-meal Fund

c. Card Call

d. Conference Missions Funds

e. Honorary College Enrollment

f. Mile of Dimes

g. Medical Student Fund

h. Fund for the Jews

6. That in societies where it is deemed more expedient, one large offering be taken to defray the obligation for special projects, rather than taking a number of separate offerings. This large offering to be divided by vote of the society or the Executive Committee of the local society.

7. That since our witness for Christ is to begin in Jerusalem, let us seek to

win souls in our home communities by personal work, calling on new families, inviting others to our meetings, and in thoughtful service to all.

## **II. Home Work**

We recommend:

1. That each local society contribute liberally to the General Home Mission Fund for the support of Special Missions (see WESLEYAN MISSIONARY) and Church Extension work.

2. That each local society contribute five dollars or more annually for the support of Hepzibah Orphanage, the same to be applied on budget.

3. The use of the designated Thank-offering envelopes for Home Missions.

4. That local societies inquire into the needs of the home mission stations and orphanages before sending used clothing and that no monetary value be placed on same; that boxes of new merchandise be reported as to monetary value and that the sending society evaluate the same. The voucher evaluation, signed by the missionary, be forwarded to Conference Woman's Missionary Society Treasurer for proper receipting.

5. That each local society respond to the Card Call Plan and therefore assist in the extension program of the Church.

## **III. Foreign Work**

We recommend:

1. That we co-operate with the Foreign Missionary Department in the support of its entire foreign missionary program.

2. That each local society contribute three dollars or more annually to the Medical Student Fund, not to apply on budget.

## **IV. Medical Missions**

We recommend:

1. That our local societies make bandages when called for by our missionaries these to be forwarded to the Missionary Headquarters. (See the current Efficiency Standard under Medical Missions for specific directions for making bandages.)

2. The local society contribute \$3.00 or more annually to the Medical Student Fund.

## **V. Education**

We recommend:

1. The co-operation of our local societies in the Honorary Enrollment Plan for the colleges. The money for this project should be channeled through the Local Conference, and General W.M.S. treasurers.

2. The observance of Educational Harvest Day with program and offering which shall apply on educational budget excepting that applying on special projects presented by the presidents.

## **VI. Literature**

We recommend:

1. The use of the combination treasurer's blanks for the remitting of money by the Local Conference, and General Conference treasurers.

2. That a concerted effort be made to increase the subscription list of the WESLEYAN MISSIONARY by faithfully securing renewals and new subscriptions to include every home in the church and Sunday School with January being observed as campaign month.

3. The use of Program Calendars and other prepared helps.

4. The promotion of the Reading Course, wherein the Mission Study Secretary will keep a record of all reading done in the prescribed reading course, reporting statistics to the Conference Mission Study secretary by the 15th of January.

5. That the Efficiency Standard for the local society, the Plan of Work, and the Standing Rules be read as soon as available after Conference and once more through the year.

## Standing Rules

1. The Standing Rules of the Conference Missionary Society shall be printed in the Conference Minutes each year.

2. The Local Treasurer is to send a statistical blank to the statistician on or before June 1st. All blanks arriving after the deadline will not be included in the statistical report. Send the delegates credentials to the Conference Missionary Secretary two weeks before Conference. Receipts and disbursements must be made to balance before being sent, also rating according to efficiency standard. Take one home after conference to read to the local society.

3. We recommend that the Treasurer of the Conference Society be elected as a Committee of Remembrance with the authority to send flowers or other suitable tribute to those of our number who shall be called to their eternal reward. We further recommend that this shall include pastor's wives and officers of our Conference Missionary Society.

4. That each society respond to the Card Call plan by subscribing as a group in addition to those already receiving the Card Call.

5. The continuation of supporting worthwhile projects, such as sending goods, usable clothing, notions, pictures and medical supplies to our home missionaries, forwarding Sunday School charts and flannelgraph material for our foreign fields, and the preparation of exhibits to be displayed at conference and send to Home and Foreign Mission Stations. These exhibits shall be packed at the close of conference, the postage being paid from the conference treasury. (It is considerate to contact the Missionaries as to urgent needs.)

6. The sending of necessary supplies to the Campground to be itemized in the Challenger.

7. That since there is an urgent need for refurnishing dormitory rooms, those societies interested in co-operating may contact the matron in charge. (Mrs. Josephine Hewitt)

### 8. Special Projects

a. Conference Missions Project money amounting to the equivalent of 10¢ per active member per month or \$1.20 annually to be sent to the conference W.M.S. treasurer.

b. That special attention be given to the penny-a-meal fund which provides for the support of our Missionary, Mrs. Witthunn. That prayer and love be mingled with generous giving.

**Saturday Night Youth Rally — 7:30 p. m.**

The youth service was conducted by the President, Rev. Robert Finley. Mr. Elwood Stuart led the singing. After the prayer, offered by Rev. Hervey Taber, the congregation sang, "Since Jesus Came Into My Heart." The young peoples' choir rendered an excellent arrangement of, "He Keeps Me Singing".

The plaque, which is given on the bases of the highest score on the Efficiency Standard, was awarded to the Mooers' society.

Norma Timpson of the Corinth society (Central District) received first prize in the Book of John contest and Kenneth McDonald of the Colton society (St. Lawrence District), second prize.

Mr. and Mrs. Elwood Stuart joined in a duet, "The King and I", after which pledges and an offering were taken to help equip the youth center.

The retiring Vice President, Rev. Otis McDonald, spoke briefly in commendation of our Conference youth.

Rev. Stanley Hill of Wyanet, Ill., the Youth Director, was introduced and read for the Scripture lesson Jonah 1. His subject was "Running From God." He divided his sermon into four very interesting parts: Chapter 1 — "Running from God"; Chapter 2 — "Running to God"; Chapter 3 — "Running with God"; Chapter 4 — "Running ahead of God". After this very stirring message an invitation was extended and many young people sought the Lord at the altar.

### PRESIDENT'S REPORT

Truly the cry of Champlain Youth should be as Paul voiced unto the Ephesians "He hath blessed us with all spiritual blessing". Eph. 1:3

This year has been one of advancement in God's kingdom. I wish to express my appreciation for the help and prayers of each Youth that has made this possible. I trust that by the Grace of God I have fulfilled the work assigned me and unto Him be all the Glory.

My youth work for the year consisted of the following:

- July 1-7 — Youth Camp - West Chazy
- July 5 — Executive Council meeting at West Chazy
- Sept. 8 — Organization of the Brookdale Youth Society and a message to the youth.
- Oct. 2 — Executive Council meeting at Ogdensburg.
- Jan. 2-5 — Forestdale, Vt. - Youth Week services.
- Jan. 8 — Lisbon Youth Week Service.
- Feb. 4-9 — West Chazy Youth Week services.
- Mar. 10 — Executive Council meeting at Canaan Hill to formulate Youth Camp Schedule.
- May 2 — Spoke at a Southern District Rally held at Waterford.
- June 27 — Attended Northern District finals on Book of John contest. Also once each quarter attended the quarterly district meetings of the Northern District.

My recommendations are as follows:

1. Due to the financial status of the Conference Wesleyan Youth I would recommend that each local be asked to give a pledge at their first meeting after Youth Camp, payable before the closing of the books 1959, to be applied on the youth project and youth camp expenses.
2. That the Conference youth project for the coming year be to furnish the Youth Center with folding chairs, windows, signs, etc.

Let us ever praise God for what has been done this year, but never be satisfied to stand still. We have a great God and a great work to do, many other young people to see saved and established in the Lord. Let us each be a living testimony to God's love and grace, that we may see our friends and neighbors enjoy this experience also and join our ranks for larger and better youth in the coming year.

Respectfully submitted,  
Rev. Robert C. Finley
