REPORT OF COMMITTEES

Report No. 1

OHIO CONFERENCE PRESIDENT'S REPORT

Your President entered immediately on the discharge of his duties and has continued through the year. This has been a year of much blessing and grace. The blessing of the Lord has rested on the work of the Conference. The Quarterly meetings have been times of refreshing. I have held five revival meetings and have paid especial attention to the weaker churches and to such as have been left without pastoral care. The Conference has been able to continue its work in Dayton and that church is in a prosperous condition. That the future hope of the Conference depends on our development of Conference Missions, is without question. Many open doors are before us and can be entered and churches organized and maintained if the proper support can be secured. Our rural population is drifting to the centers of population and employment and we are forced to follow or to lose a large portion of the fruits of our labor.

The financial support of the Traveling President has been the most regular and best since the inauguration of the plan. I have received, as was shown by the Treasurer's report, \$1164.83. The moral support and loyal cooperation of our people has been all that could be desired.

My official actions have been few. In March of this year, I received the resignation of Rev. R. C. Crossman as pastor of the Africa church. June 25, I transferred Rev. L. L. Folger and Rev. Anna K. Folger to the Ind. Conference. At the same time, I sanctioned the arrangement whereby Rev. G. W. Calhoun became the pastor of Africa church for the remainder of the year. August 3, I gave Rev. Jennie Miskimens a letter of standing.

Submitted in the fear and love of the Lord.

A. W. Smith.

Report No. 2

RESOLUTIONS

Where as: Certain rumors have been rampant in the city of

THE OHIO CONFERENCE

Zanesville, O. concerning the attitude of the Ohio Conference toward the Park St. Wesleyan Methodist church and Whereas: we believe that the rumors have been started and circulated with malicious intent to alienate that society from this conference and turn it toward the S. Ohio Conference. Therefore be it Resolved, That this Conference go on record as serving notice on all men, that the Park St. Church is held in the same high esteem and love as is any other church in our body. Farther, we likewise desire to assert that any imputation that either officers or members of the Ohio Conference are prejudiced against Park Street Church on account of racial prejudices is unfounded and false and that we not only desire this church to recognize our brotherly attitude toward them but that we desire them to know that they are both a welcome and desirable part of our Conference organization. We also by rising vote this day not only express these sentiments to them but serve notice on all such organizations as may seek, for selfish reasons to alienate this church, that we will love, serve and to the full extent of our Disciplinary rights protect this church from all encroachments of other conferences and organizations. More over we deplore the fact that it has been necessary for us to carry on for years a defensive campaign against a sister Conference for the protection of our territorial rights, and that we now publicly and in the light of a recent General Conference decision, call on the South Ohio Conference to fully carry out the provision of that body in relation to the continued campaign which has been waged for the purpose of alienating the Park Street Church and transferring it to the S. Ohio Conference.

Report No. 10

AUDITING COMMITTEE

The Auditing Committee beg leave to submit the following report:

We have carefully examined the Treasurer's books and can find no errors. There are some erasures and corrections which had been made. In his annual report we find that the bank balance is 70 cents more than the cash balance required. Our treasurer is to be commended for his exceedingly careful work. We recommend that this Conference by a rising vote express our appreciation of his work.
