PRAY ON

Altho' the frowning mountains still remain,
The valleys parched and dry cry out for rain,
And all seems loss with never, never gain—PRAY ON!

E'en tho' the way is rugged, rough, and steep,
And midnight only comes to hear thee weep,
'Tis this for thee, faint not, the vigil keep—PRAY ON!

Knowing naught but this; His Word is given,
And, as sure as on the Cross His side was riven,
For every trusting soul He'll bankrupt Heaven—PRAY ON!

Remember this! "The gates of hell shall not prevail."
Tho' Satan rages, and thy earnest prayers assail,
His promises are sure, not one shall fail—PRAY ON!

What if, with sleepless eyes you greet the dawn,
When faith burns low and hope is almost gone,
Be not deceived, it is the crisis hour, Wait on—PRAY ON!

(This Session of Conference marked the 50th Anniversary of the OHIO CONFERENCE. The following history was prepared to commemorate this occasion.)

Outline History of the Ohio Conference

Tonight we commemorate the fiftieth anniversary of the Ohio Conference. The first session met in August of 1908 on the Camp Grounds at Dunkirk, Ohio. From that time the conference has met regularly each year until the present occasion which makes the fiftieth annual gathering of this body. The conferences were held for a few years on the Dunkirk Camp Ground, then for a few years they were held in various churches; but from 1926 the conferences have all been held on Victory Camp Ground, Galena, Ohio.

Although we commemorate fifty years of Ohio Conference work, this does not mean that Wesleyan work has not been carried on longer than that. Actually we have within our bounds one church which was organized in 1843, prior to the Utica Convention which marked the beginning of the denomination. That church is West View. Several other churches which we have were organized within a very few years following the beginning of the denomination, that is within the decade beginning in 1843. But although there were Wesleyan churches in Ohio, there was no Ohio Conference.

As first set up by the organizing convention, the Allegheny Conference which centered especially in Pennsylvania, also included all of Ohio, east of the Scioto River. The Miami Conference began at the Scioto and stretched westward across Indiana and Illinois. Eastern Ohio remained with the Allegheny Conference for a few years, but in 1848 was organized as a separate conference called the Zanesville. Its first session was held at Senecaville. After a few years it changed its name to Central Ohio. Our present churches at West View, Greer, Jelloway (formerly Shadley Valley), Harrison, Africa, and Senecaville were all included in this conference as well as many other churches which have now passed out of existence.

The Miami Conference as first organized included a vast territory, but this was soon cut down by the organization of the separate conferences for the territory included in the states of Illinois and Indiana. That left only the churches in western Ohio within this conference. Through the years this conference declined in strength and size, and by one means or another all the original churches were lost. About 1870 there was a marked revival in the northwest part of the state which brought in new churches at Kenton and at Dunkirk. These have remained unto the present.

In the early 1900's the work in Miami Conference was at so low an ebb that plans were made to carry on the work in some other way. This eventually led to overtures with the Central Ohio conference looking toward a union of the two bodies. This was effected in 1908 and the new organization was named the Ohio Conference. At the begin-

ning the new conference had less than 20 churches. Through the years the work has grown in size until today we have about fifty. Other things have also increased in proportion or in excess of that ratio. There has been a marked increase in spiritual power and in evangelistic vision. These are all factors which we appreciate and for which we render thanks to God.

It would be impossible to note all of the events of the last fifty years but there are certain events of major importance which took place in consecutive years about the middle of the 1920 decade which have had a great bearing on the subsequent growth and development of the conference. Those steps were: **first**, the beginning of the conference missions or pioneer program which has since developed so greatly; **second**, the establishment of the camp ground near Galena, called Victory Camp; **third**, the beginning of the Ministerial Conventions which have been such a source of blessing from that day to this; and **fourth**, the putting of the Conference President into the field as a travelling President. Each of these steps has brought abundant fruitage in increased aggressiveness and spiritual advancements, but perhaps the greatest single step of them all was the founding of Victory Camp. In my opinion this has been the one factor which has contributed most to the advancement of the work in Ohio Conference. Many of our people have found spiritual help at these altars. On these grounds our preachers have found new uplift and spiritual vision, and the whole work of God has taken renewed vigor.

We have thus reviewed very briefly the past fifty years of history and another sixty five years which lies behind that. The work thus carried on over the past 115 years has been perpetuated by the good grace of our God unto this present day. We now enter into the labors of men who have gone before us. The torch which fell from their fainting hands has fallen into ours. We cannot escape the trust which is ours! The battle lines have changed across these years, but the conflict is still basically the same—the conflict of sin against holiness, and of light against darkness! We have entered into the labors of those who have gone before us. Let us not fail them, but let us snatch up the torch and lift it high for our generation to see! Let us go all out for a genuine revival in our day and for a perpetuation of the glorious message of Bible holiness!

(b) The Conference Treasurer's books shall close July 5.

15. (a) The Ohio Conference shall be authorized to charge 4 per cent on loans to churches from the Superannuated Elders' Fund.

(b) All notes to churches shall be drawn up on the form given in the Minutes of 1940.

Section III. Churches and Pastors

16. In addition to the duties as outlined in the Discipline, it shall be the responsibility of our pastors to:

(a) Attend all sessions of Camp Meeting.

(b) Remain on the work he is appointed to for the whole Conference year. Any pastor leaving the work during the year shall not have his character passed except by vote of the Conference.

(c) See to it that all funds and receipts from his charge be sent to the Conference Treasurer at least quarterly.

(d) Cooperate with the stewards in notifying non-attending members of their financial responsibilities.

(e) Instruct all local preachers on their charge of disciplinary requirements to study and travel under Conference direction.

(f) Be sure all Conference preachers on their charge have necessary licenses and recommendations.

(g) Submit monthly reports to the Conference President on prepared forms, and also return monthly report blanks to the Sunday School secretary.

(h) We also recommend that each pastor transfer his member-

ship to the church he is serving.

17. It shall be the responsibility of our churches to:

- (a) Pay the moving expense of the in-coming pastor.
- (b) Pay pastor's salary for fifty-two weeks per year, beginning with the rise of Conference, and grant him a 2-week vacation.
- (c) Pay traveling expenses and room and board for pastors and delegates at Conference.

18. No church shall begin or continue in any major building or remodeling program until it has conferred with the Conference Committee on Church and Parsonage Building and Location. The Building Committee of said church shall sign a written agreement, to be acted upon by this Conference Committee; they shall also report monthly in writing to this Conference Committee; the matter of such reports and agreements shall be agreed upon mutually by these two committees concerned.

19. The Committee on Pulpit Supply shall conduct the vote on retaining the pastor not later than June 1st, giving the required two weeks notice in advance. The chairman of the Committee on Pulpit Supply shall immediately inform the Conference President of the results. If the vote is for a change and the pastor so desires, his name shall be placed on the list of available men. The list shall be sent to churches requiring same on or after June 10, and pastors desiring to be included on that list must notify the Conference President by that date.

Section IV. Standards of Practice

20. (a) We recommend the use of Associate Membership as a probationary membership for all adults who are received into the church on confession of faith.

(b) We recommend and urge all our pastors and churches to receive into JUNIOR MEMBERSHIP all boys and girls who give evidence of being genuinely converted, that they be baptized, and that they be given a course of instruction by the pastor in the doctrines and standards of our Church. (Discipline, Par. 73, Sub. (2)).

21. We, the Ohio Conference, declare our opposition to worldly practises and adornment. We believe that the wearing of the wedding ring is a violation of the scriptural injunction against the wearing of gold, which is not purely utilitarian in its use, because the wearing of the wedding ring encourages the wearing of other superfluous ornaments and adornments. We, therefore, do earnestly request that all our local churches comply with this expressed standard. It shall be the duty of our pastors and ministers to support this resolution.

22. We require that all workers, preachers and singers at Children's and Youth Camps, Conference and Camp Meeting, wear sleeves below the elbow, and all their apparel be in accord with the Wesleyan Methodist Discipline.

23. No pastor, conference preacher, or evangelist on the roll of the Ohio Conference, shall be permitted to own a television set, or

allow one to be brought into a church parsonage, and the Conference shall refuse any type of appointment to one owning a television set.

Report No. 2

OHIO CONFERENCE PRESIDENT

To the members of the fiftieth annual session of the Ohio Conference of the Wesleyan Methodist Church of America, Greetings in the Wonderful Name of our Living Lord:

It is with heartfelt praise to God and sincere gratitude to the Church that I report my labors for the past year. God has abundantly supplied from His unlimited heavenly resources the much needed grace and help in order that I might be victorious spiritually, and the church has amply supplied my physical needs.

Never in my ministry have I faced so many major crises as have been before me this past year until there were times I felt completely incapable of making any decision, yet there has been a real consciousness of the support of our Zion and the gracious undergirding of the Holy Spirit.

The forward step taken by the Conference last year in placing a full time Vice-President in the field has been of inestimable value. Brother Eldon R. Martin has been of real assistance in carrying the prayer burden, in making additional contacts, in assisting many of our smaller churches and in being willingly helpful in the small menial tasks as well as giving counsel in all major decisions. The entire responsibility of our Pioneer program has fallen more and more upon his shoulders.

The joint action of the Conference Trustees and the Missionary Board in supplying a very commodious parsonage for my use and in making possible a much needed Conference Office has been greatly appreciated. The President's parsonage at 249 East College Ave. in Westerville was purchased for \$14,000.00, an additional \$1200.00 has been used to equip and remodel the office. Contracts have been signed to sell our property at 100 S. State St. and to buy at 248 East College Ave. thereby furnishing single homes for both the President and the Vice-President, close to both the office and the Westerville Church. As it now appears, we will be able to do all of this with an indebtedness of \$11,500.00.

I have received from the Conference Treasurer \$3900.00 in salary. My parsonage rent is credited at \$840.00. My gifts, donations, revivals and fees I have received \$203.23 and \$63.00 on my social security payment. In traveling the Conference, I have preached 100 times and traveled considerably more than 17,000 recorded miles for which I have been reimbursed in the amount of \$1002.40. My phone bills were \$267.07 and my desk expense was \$93.65.

June 23

Frankly, brethren, while there have been some indications of a real moving of the Spirit in our midst in the last year—we need re-

vival. A revival of intercession, a revival of scriptural standards, a revival of compassionate love, a revival of a burning desire to win men to Jesus and a revival among us preachers that will convert us from mere hirelings to shepherds who willingly lay down our lives for the sheep.

May God grant that in this session of Conference and Camp, the working of the Holy Spirit shall so direct and supercede all of our actions so that we shall see the beginning of such a revival in each of our hearts.

Yours and His for Revival,
Donald C. Fisher

Report No. 3

REPORT OF THE VICE-PRESIDENT

To the President, Pastors, and Delegates of the 50th annual session of the Ohio Conference of the Wesleyan Methodist Church of America: For the first time in the capacity of traveling Vice-President, it is my duty to give an account of my stewardship over the responsibilities to which you elected me at the last session of the Ohio Conference. This has, naturally, been a year of tremendous adjustment from the pastorate to a work which was new in so many areas. Many lessons have been learned through this experience and we feel that we are just now becoming acquainted with the problems and responsibilities of this work to the extent that our labors can be effective and fruitful.

Immediately after Conference there was the task of moving twice, helping to prepare the Conference office, and two obligations which had previously been engaged: Youth Evangelist at Stoneboro Camp, and for our vacation, the fall revival at Central College in South Carolina. These activities were interspersed with district Pioneer rallies, Pioneer Sunday, and tabulation of the results.

I have endeavored to be of assistance to the President of our conference in every way possible—in prayer, in counsel, in office work, and in his official conference duties as he needed such assistance.

The greater part of our labors have been in the interest of Pioneer Missions and in assisting our Pioneer points and smaller churches. We spent two weeks in revival services with our new church at Bucyrus, and God gave us a gracious time of victory, and many who had dropped away from church attendance came back to the services, there were some definite and lasting victories at the altar. It was our privilege to assist the Conference President in organizing the Bucyrus Church on January 30th. There has been a steady increase in attendance and finances, and the spiritual life of this new church is very encouraging. We also engaged in profitable revivals on our Pioneer points in Lima and Marion-Mark St., and have endeavored to lend them assistance and encouragement throughout the year.

Altogether, we conducted evangelistic meetings in twelve of our

churches in addition to Pioneer Rallies, Youth Rallies, Annual Youth Tour, and numerous other services on Sunday and on week nights throughout the year. We reported many of these evangelistic services through the Conference Messenger as time and space permitted. But it is impossible to report the times of the outpouring of the Holy Spirit in blessing and conviction in these services, and the glorious times when souls prayed through to victory at our Wesleyan altars. Only eternity can evaluate the intangible, yet mighty, effectual work of God in these lives.

From Conference Missions funds I received \$3663.00 in salary. \$823.12 traveling expense, \$101.01 for phone, and \$720.00 credited to parsonage rent. My gifts were \$20.00. In the interest of Pioneer Missions and other Conference work, I traveled 13,718 miles and preached 186 times. I received \$574.00 in offerings which was remitted to the Conference Treasurer to be applied on my salary.

Much time was spent in surveying new fields and making contacts with interested groups. We had hoped that the church building in Cleveland, in which we had been interested for several years, would become available, but this particular avenue has been closed. However, the Missionary Board is making definite plans to enter Cleveland this year, and it seems to us that the prospects there are very promising. Pray that God shall grant us wisdom as we go forward in this metropolitan area of such enormous need.

Plans are under way for a tent meeting in Orrville in August. This is a city of some 6000 population without a definite Holiness church. Two families of the Rittman Church live there, and the Rittman church and pastor are standing behind these efforts, praying that God shall open the way for a Wesleyan Methodist Church in the area. There are definite prospects for a strong church in the suburbs of Cincinnati, with the Norwood and Vine St. churches interested in a new work in that teeming city.

I want to express my deep appreciation to both pastors and churches who responded so wonderfully to the financial need of Pioneer Missions with a total of \$13,197.01 paid in cash for this work during the year. I also, wish to thank each of you for your prayers which have made many victories possible, and for your cooperation in every aspect of the work. To me, it has been a year of going down before God in humility, and in my weakness becoming partaker of His strength. There have been battles and problems, His grace has proved sufficient, and His arm mighty to pull down the strongholds of the enemy and to snatch men and women from the clutch of the devil, to bring them out of darkness into the marvelous light of the gospel, to break their bands asunder, to make them children of God and joint-heirs with Jesus Christ, and to give them an inheritance among them which are sanctified, and give them the glorious hope of the appearing of the great God and our Lord Jesus Christ. We have a great gospel, a perishing world, and a wonderful Lord.

Yours in Him,
Eldon R. Martin

REPORT OF THE SECRETARY OF EVANGELISM

Due to the fact that we have been made responsible for the conference sermon and in that message have tried to deal with the truth concerning our need of revival, we will refrain from speaking further on the subject other than to submit the following report:

We regret we have not been able to devote more time to the duty assigned at the last annual conference. Although through the *Conference Messenger*, with the cooperation of the Editor, there have appeared several articles by our different evangelists concerning our need of revival. I trust you have read these articles prayerfully, and have met their challenge. Also we have sent out one personal letter to each local pastor to stir waning interest in evangelism.

In planning your local revival, have you given prayerful consideration to our own evangelists? These brethren must be kept busy if they are to remain in the field. Will you help them to help you? In behalf of our evangelists and in keeping with the sentiments of some of the pastors and the laymen with whom we have talked concerning this matter, we submit the following suggestions:

Whereas the evangelist many times is remembered no longer than the closing night of the meeting, we suggest:

1. That each church place a list of the evangelists on the bulletin board that they may be remembered in prayer as they desperately need this prayer support.
2. As each evangelist is a voting member of the annual conference and expected to be present, and whereas they have no income while at conference, we suggest that either through the local church of which he is a member or through a conference entertainment fund, that each full-time evangelist's expenses be provided for.

Let's pray and labor together in these closing days to reach as many lost souls as possible before Jesus comes.

Respectfully submitted,

Dennis R. Matherlee,

Secretary of Evangelism

Report No. 12

COMMITTEE ON MORAL REFORM

We, the committee on moral reform, regard it as our duty not only to speak out against prevailing evils in our day but also to be actively engaged in transforming the society in which we live and thus to redirect that society into activities which are more and more in harmony with God's will. Man is a social being, and thus society is natural; but to the extent that society takes its course apart from God it is to be challenged. However, since society is natural and thus of divine origin it is the duty of the Christian to bring society as far as is possible into harmony with the Divine will. Many Christians are satisfied simply because they regard themselves as clean and clear in their own personal experience when they are completely unconcerned about the consideration that only by diligent action can one consider oneself as free from the sin of one's social context. Personal deliverance is good, but it is sadly impoverished if there is no effort for social deliverance; and this is not achieved simply by separation from and denunciation of society.

With these preliminary considerations in view we wish to urge the people of the Ohio Conference to participate in every effort to improve the moral tone of our nation. In order to accomplish this, we must be active in contacting those in political positions on issues of significance; we must vote as every opportunity is given; and we must participate in civic affairs. Let us voice our approval of human liberty and oppose any movements toward human slavery.

Inasmuch as our young people have often made a general exodus from the Church after reaching a certain period, we recommend that the New Birth and Holiness be emphasized; moreover, we recognize the necessity that Christian education and instruction be properly carried on at home and church levels. We urge each church to recognize its responsibility to instruct its youth on the more serious matters

of life, as e.g. courtship, marriage, and the problems and effects of divorce.

Since the public schools often inject subject matter foreign to Scriptural principles and practices, we urge our people to be active in Parent-Teacher Associations and other school organizations with the definite purpose of raising the tenor of public school life.

Recognizing the unprecedented secular educational program, we urge our churches to support Marion College with prayer and gifts, and to send their young people there for a Christian college education.

Let us use our influence to reduce the prominence of alcoholic beverages and tobacco as they are advertized by various media of communication. Let us fight against the narcotics traffic wherever such is possible.

Let us strictly adhere to the discipline in matters of standards of dress, observance of the Lord's Day, and reverence for holy things; for personal holiness and uprightness of life are salutary influences in a corrupt world.

We look forward to the return of our Lord, but we must occupy until He comes; and we must do good and by it overcome evil. Let us, therefore, not rest in an independent security, but let us derive strength from the quiet place and press out into the noisy walks of life to use that strength to transform our world.

The Budget for Conference Work shall be divided as follows:

- 65 per cent to Conference Incidental Fund
- 27 per cent to Camp Meeting
- 8 per cent to Conference Building Fund

Recommendations:

1. We recommend that 10 per cent of all monies raised for Conference Missions be designated for Church Extension Fund.
2. We recommend that each pastor inform the Conference Sec-

retary as to the number of copies of Conference Minutes he will be able to sell. On receipt of the Minutes, the treasurer of the local church shall pay for them out of some available fund, and distribute them at such a price that the greatest number of copies be distributed, absorbing the balance of the cost. No unsold copies are to be returned to the conference.

3. We recommend that the Rally Day offering be used to pay for the equipment in the Conference Office.

4. We recommend that the expenses at Conference of each General Evangelist be paid by the church of which he is a member.

5. We recommend that the Educational Secretary make arrangements for Howard Noggle to tour the conference at some time during the year to present the need of the special project at Marion College to the churches and that each church endeavor to raise an amount equal to one dollar and a half per member toward this project this year.

Assignments for the local churches are as follows:

1957 CHILD EVANGELISM REPORT

This report concerns only the BIBLE CRUSADERS CAMP held at Victory Camp grounds July 2—5, 1957.

There were a total of 123 enrolled this year. The spirit of the Camp was the best we have ever seen with many of the boys and girls receiving help at the altar of prayer in the evening services. The work of our evangelist, Sister Beatrice Lelear, was greatly appreciated, and her labors were well rewarded by the filled altars. There was a spirit of revival present throughout. Many were the tearful testimonies and fervent requests for prayer for unsaved loved ones. God bless our children.

Report No. 1

PRESIDENT'S REPORT

Greetings to the 1957 session of the OHIO YOUTH CONFERENCE. It is with joy sans satisfaction that I bring this report to you. Joy that the Lord has helped in the youth work this year, and dissatisfaction in the fact that our progress is not all that we would like to see. My own failures have been partially known to me, and often the desire of my heart has been for more hours in the day. I have again appreciated the fine spirit of helpfulness that the executive council has shown. It has been a real privilege to serve with them and to serve you.

I have performed the following duties in the youth work this past year:

Two executive council meetings

One area council meeting

Spoke at rallies in 5 of our districts, and attended rallies in the other districts.

Conducted the conference youth tour

Organized one new local at Empire

Held one youth revival

Have traveled over 5,000 miles in the interest of this work

Served as secretary for the MARION AREA youth council

Attended one MARION AREA Council Meeting

Attended one MARION AREA Youth Convention

Attended the youth leaders' conference in Marion, Indiana

Published two issues of a conference youth news letter

Promoted the youth work to the best of my ability

Improvements were made on the youth office with a new florescent light and new screens. We are grateful to Carl Huff and Paul Henry for their help in these projects.

The youth tour was a real source of encouragement as we were privileged to see some of our youth pray for help at an altar of prayer. Your response to the appeal for the Youth Week offering was another encouraging factor of this year's work. Our conference offering was close to \$400.

Yes, these are crisis days for our youth, but we can have the Christ of every crisis as our guide and help. The opportunity is great; let us therefore labor for the Lord in the youth work.

Respectfully submitted,

John Cole,

Ohio Conference Youth President

RESOLUTIONS COMMITTEE

1. Be it resolved that we, the Wesleyan Youth of the Ohio Conference, reaffirm our faith in God as revealed in the written record of the Bible, in the personal revelation of Jesus Christ, and in the individual ministry of the Holy Spirit.

2. Be it resolved that we urge our youth to an early experience of the new birth and entire sanctification, and to live holy before God, moral in conduct and modest in dress, as taught by the Scriptures and emphasized by our church discipline.

3. Be it resolved that we sincerely support our youth organization and leaders on general, conference, district, and local levels by faithful attendance and prayer.

4. Be it resolved that in view of the wicked attempts of the liquor and narcotics interests to degrade the youth of our nation, we vigorously reject their temptations and privately and publicly exhort our fellows to do the same.

5. Be it resolved that our youth earnestly seek God's will concerning their future endeavors, and that to assist this inquiry the need for Christian education as given in our own schools (preferably Marion College) be emphasized, and that the need for young Christian medical doctors, teachers, preachers, and missionaries be indicated.

6. Be it resolved that all our activities be influenced by the realization of the imminent return of our Lord.

7. Be it resolved that each youth be urged to attend, with an open heart, our annual youth camp and annual camp meeting.

8. Be it resolved that our youth strive earnestly to win other young people to a vital religious experience by personal evangelism and a consistent Christian life and that they be informed of the great needs of the vast, unevangelized multitudes.

9. Be it resolved that district youth rallies be very carefully planned and appealingly advertized, and that the locals give their whole-hearted support to the same.

10. Be it resolved that Youth Week be observed by all locals, and that churches without locals be encouraged to aid youth work by such observance.

11. Be it resolved that each local give at least one service during the year to the study of God's laws concerning marriage and the home, particularly pointing out the pitfalls surrounding courtship and the dangers of marriage with unbelievers, Roman Catholics, and supporters of unscriptural faiths.

12. Be it resolved that the youth of our conference support the WESLEYAN YOUTH with their subscriptions.

13. Be it resolved that all business meetings, both on the local and annual conference levels, be conducted prayerfully.

14. Be it resolved that all local treasurers sending monies to our Conference Youth Treasurer specify budget item to which said monies shall apply. Be it further resolved that all monies not so specified

shall not be applied to said budget.

PRESIDENT'S MESSAGE

To the women of this 50th session of the Ohio Conference of the W. M. S., greetings in His Matchless Name!

We have all heard the old saying, "Hitch your wagon to a star." That is only a saying, but I would like to refer you to Matt. 2:2 which says, "We have seen his star in the east." I believe His star will lead us to Him as the wise men were led to Him. In thinking of our program as a W. M. S. for another year, could we make it a star year? If a star has five points, let's make our planning around five points of this star.

1. Perfect attendance at every W. M. S. meeting.

2. Thorough reading of the Wesleyan Missionary, marking prayer requests.

3. Sacrificial giving of our time and money.

4. Regular visiting of those sick in body and soul.

5. Holy Spirit filled.

Luke 1:37 says, "For with God nothing shall be impossible." If we are filled of the Holy Spirit we can then believe God for the seemingly impossible. May I challenge each local W. M. S. to make this a star year with progress in each and every arm of the work because of our faith in the Living Christ. In order to see the star we must look up—Our help cometh from above.

It was my privilege to participate in two Missionary Conventions this year, one at Athens and the Northern District at Rittman. God blessed and honored both. I visited two local groups to help iron out problems, and organized two new societies, Bucyrus and Plain City. We sincerely welcome these new groups. The whole executive committee attended the Work Shop in Charles City because of your most generous contribution.

Missionary speakers were obtained for various occasions during the year. The Rev. George Huff toured the conference church by church with a great challenge. Total receipts for this tour amounted to \$2428.55. The Rev. Wm. Gale toured the conference in District meetings presenting the work of Brainerd Indian Training School with total receipts amounting to \$764.00. The Spring Ministerial Institute revived an old custom of a missionary service the first afternoon. It was our privilege to obtain the Rev. and Mrs. Alton Liddick for this service. The offering amounted to \$64.00. I have received \$26.21 for travel, telephone and desk expense.

This has been a busy year and some progress has been seen, but we can do much more. Time is short; laborers are few. A Spirit-filled program is our secret of power. Let's wait and pray until our God hears and answers.

Sincerely in His service,
Lucille F. Day

MISSION STUDY

It is very important that each local secretary keep a correct record of both the number of books read by individuals and who has taken each book, that none be lost.

No names are to be reported to the Conference Secretary until after January 1, 1959. Though we have until that time to complete the reading, the local secretary should report to the Conference secretary after January 1 of each year, the number having read six books and the number having read four books.

Y. M. W. B. SUPERINTENDENT AND TREASURER

The Psalmist instructs us to give unto the Lord the glory due unto his name and to worship him in the beauty of holiness (Ps. 29:2). Therefore we give Him honor and praise for what He has done through you as local superintendents and your boys and girls. You have made splendid gains in every item. May I urge you to worship the Lord in the beauty of His holiness and He shall continue to prosper thy ways.

This completes ten years with you as Y. M. W. B. Superintendent. I have enjoyed the fellowship of each co-worker and appreciated the spirit of co-operation. The same is solicited for my successor as you labor together for the cause of missions among the children.
