REPORTS

PRESIDENT'S REPORT

To the Faithful Members of the South Carolina Conference of the Wesleyan Methodist Church:

I come to you again I trust in the fullness of the blessing of the Lord, greeting you with the words of the Apostle Paul, where he said, "Grace be unto you and peace from God our Father. I thank my God upon every remembrance of you always in every day making request for you in my prayers." I feel grateful to God for His extended mercy through another year. While the death angel has visited our ranks and has taken to heaven some of our noble laymen, he has stayed the hand of death from the ministry of our Conference for which we thank God.

We are passing through peculiar times, the unrest, and the uncertain financial conditions I fear have affected the Church. While some pastors with their people are pushing on bravely and raising a full budget, others are falling behind. Many of our places of worship have been improved during the Conference year. Greer, Bethany, Graham Chapel, Anderson, Piedmont, Carlisle, Tucapau, Pelham, Clifton, and others have repaired and painted their houses of worship, Smith Chapel tore the old church down to the sills and built larger, they have a nice, neat church with only a small indebtedness.

I have endeavored to keep the laws of the Conference this year holding all the first and fourth Quarterly Conferences and some of the second and third where I could in connection with my evangelistic work. The Lord has given us some gracious meetings this year, some of the weaker churches have taken on new life.

We are very hopeful about a new class in Liberty, S. C., since our last tent meeting there in September with the Rev. G. L. Stewart and his band of workers. We have about twenty members there who are ready to organize when we can get a place to worship. Many doors are open unto us if we had men to enter and means to support them. This is a time when we need to raise a full Conference budget so we can have means to develop these new fields that are open before us.

REPORT OF THE AUDITING COMMITTEE

We, the Auditing Committee, beg leave to submit the following report:

We have carefully examined the Treasurer's book and find it to be correct.

Respectfully submitted,

E. W. CARTEE,

J. D. ELROD,

Committee.

REPORT OF THE COMMITTEE ON RECORDS

The Committee on Records beg leave to submit the following report:

We have noticed some improvement in the keeping of the Church records in the last two years.

We recommend however that the Churches that do not already have them, secure a book with a good heavy durable binding. The book should be large enough to cover a long period of years. Keep in mind the new method of grading that requires a marginal index, date and a more comprehensive record.

Standard of Grading

Penmanship,	15 per cent.
Completeness of Record	15 per cent.
Date at the top of each page	10 per cent.

THE SOUTH CAROLINA CONFERENCE

RESOLUTIONS

Resolutions Adopted in 1898

Resolved, 1st. That as a body in Conference assembled, we will not allow our pulpits or churches to be used by those who do not give evidence of being sound in the doctrines of the Wesleyan Methodist Church and true to our polity.

2nd. That as ministers and laymen we will use our best endeavors to prevent the promulgation of doctrines or usages not in accord with the Wesleyan Methodist faith.

Resolutions Adopted in 1905

Resolved, 1st. That the law with regard to complaints or violations of orders and resolutions found on page 37 of our Discipline, and beginning with the words, "When the President," shall apply to all cases of the violators of our Discipline, and no charges shall be entertained by the Judiciary Committee without said previous investigation and labor.

2nd. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

Resolutions Adopted in 1907

Resolved, 1st. That we affirm our faith in the soundness of the position taken by the Wesleyan Methodist Church of America in denying any of its members membership in any secret society.

2nd. That we believe that the preaching of Holiness that does not include a clear and distinct opposition to all secret societies is seriously lacking in the essential elements and must be more or less displeasing to God.

3rd. That we believe that the right type of Holiness preaching and teaching is the most effective means by which to induce men to separate themselves from all lodge entanglements; therefore, we will do our best to double our diligence in this line of effort.

4th. That we affectionately admonish our people to avoid all compromise with secrecy. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents or teachers of any Sunday Schools that are held in our churches if they hold membership in secret societies; furthermore, those belonging to secret orders shall not be allowed to hold services in our churches.

WESLEYAN METHODIST CHURCH

5th. That we seriously urge upon all our brethren and sisters that they may be careful to maintain a consistent, but radical, attitude of opposition to all organizations, secret or open, which are opposed to Jesus Christ and His doctrine and principles of righteousness.

Resolutions Adopted in 1914

Resolved, 1st. That all of our Licentiates not receiving any appointments to pastoral or evangelistic work be required to preach at least once a month, or twelve times during the Conference year.

2nd. That in addition to the above resolution, we earnestly request all preachers not receiving a regular appointment by the Conference, except those attending school preparatory to the ministry, to hold, if possible, a two weeks' revival during the year.

3rd. That all preachers unemployed by the Conference during the coming year be urged to select a fellow-laborer with whom they can work harmoniously, and go out and try to build up new works as they may have opportunity, and revive the desert places.

4th. That in order that the foregoing resolutions may have the greatest effect possible, and that each preacher may have a higher estimation of the dignity of his calling, and that the burden for souls may be increased, and that they may feel the sympathy of the Church to which they belong, we urge each charge to pass like resolutions.

5th. That it is not only the duty, but binding on each Circuit preacher of our Conference, to receive whomsoever the Conference may designate as Quarterly Meeting Evangelist, and give him their hearty support and coöperation.

Resolution Adopted in 1919

Be it Resolved, That the Committee on Public Worship consist of the President of the Conference, the pastor of the charge where the Conference is held, and the pastor's delegate.

Resolution Adopted in 1922

Regarding Tithing

Resolved, That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.

Resolutions Adopted in 1923

Resolved, 1st. That it is the sense of this Conference that our houses of worship should not be opened to any evangelist or minister of any other church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that

THE SOUTH CAROLINA CONFERENCE

usual denominational courtesies be extended to other ministers in occasional appointments.

2nd. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary; provided, this shall not interfere with previous arrangements between pastor and charge.

Resolution Adopted in 1926

Resolved, That the pastors be required to raise their Minute Money and send to the Conference Treasurer within sixty days after they receive their Minutes.

Resolutions Adopted in 1931

Resolved, 1st. That this Conference elect a Tithing Secretary, as provided for in our Discipline, whose duty it shall be to visit each charge at least once a year, if possible. Each church visited shall raise at least the traveling expenses of the Secretary at the time of his visitation.

2nd. That each local church or charge elect a Tithing Secretary, whose duty it shall be to thoroughly canvass the membership of the church or charge each quarter and labor most earnestly to induce each member to strictly tithe his income and to place the same in the church treasury for the purpose of meeting all the claims of the church, both locally and generally. This Secretary shall report at each Quarterly Conference the percentage of the membership who are tithing in keeping with this plan, the percentage who are giving in other ways, and the percentage who are not giving at all.

3rd. That each Pastor and church coöperate with these Secretaries in every possible way in order to make the entire membership of this Conference strict tithers.

Resolution Adopted in 1932

Whereas in America there seems to be a constantly increasing disregard for law and law observance, and whereas there has been a desire on the part of some to annul or repeal the Eighteenth Amendment to the Constitution of the United States.

Be it Resolved, That we unequivocally place ourselves in opposition to any plan whereby either this Amendment or the Volstead Act should be changed.

Be it further Resolved, That we will labor diligently in public and private to create that public sentiment for these laws that will not only keep them on our Statute books, but cause them to be more rigorously enforced.
