### POSSESS THOU THE WEST

Possess thou the West with God's loving favor  
And God's great love for mankind.  
A wonderful theme and a wonderful Saviour,  
And all His great love we shall find.

God loves the great West, and needs many workers  
To work in His vineyard away.  
So heed the great call, let's go one and all  
And work for the Master today.

Possess thou the West, we must do our best,  
Keep praying as onward we go.  
We keep up the fight, for God and the right,  
Then we shall soon conquer the foe.

## REPORT NO. 2

### CONFERENCE PRESIDENT'S REPORT

To the Members of the California Conference of the Wesleyan Methodist Church of America:

Greetings in the name of our Lord on this, the Thirty-Sixth Annual Session of our California Conference.

To many of us this has been a most difficult year with many problems without apparent solutions. However, as I read Colossians 2:9,10, I break into song in celebration of this Christ of ours. The whole teaching of the Colossian letter is gathered up in these brief words, "In Him dwelleth all the fullness of the Godhead bodily; and in Him ye are made full." The fullness of the Godhead is in Christ and the saints are filled in Christ. There is nothing I need which is not to be found in Him. This matter is of supreme importance to us as a church today. The supreme concern for the Christian Church is what she thinks of Christ.

## REPORT NO. 2 (Cont.)

To hold fast to Him as our Center, as our all in all will keep us from succumbing to the peril of false mediation and false confidence. It will keep us from wasting time listening to the muttering witches in the hope of discovering some secret of the spirit world, when it is possible to hold direct and immediate communication in street and city, in the railway train, as well as in the sanctuary, with the Lord, our God, the Master of all spiritual realms.

Whether we look up or down, back or on, to depth or height, length or breadth, we will see Christ, and all the fullness of Deity resident within Him is our fullness; so that in Him for today, for tomorrow, and forever, we are filled to the full.

I wish to thank you all for your prayers and encouragement this past year. You have been very kind and I sincerely appreciate your attitude of helpfulness. Your fellowship has been an impetus to my life.

It is my desire for you that the rich blessing of the Lord shall support and strengthen you in the year to come. May the fullness of the Godhead inspire you in your service of love for the Kingdom.

An application must be secured locally, filled out, approved locally by sales board of the Airlines and they will then mail the application to Central credit card Bureau in Chicago. Allow two weeks for processing. The rates on American are, for all practical purposes, the same as Western Airlines, namely, \$23.90 first class and \$19.70 coach - one way, Phoenix, Arizona, to San Diego, California.

T.W.A. entertains the same arrangements or limitations as does American, however, T.W.A. does not serve the San Diego area.

BUS-LINES: Greyhound bus lines has a clergy arrangement. They offer a discount of 25% to all licensed ministers. An application, secured locally and properly filled out, must be sent (Greyhound will handle

the mailing if desired) to the central clergy bureau in Chicago. If the application is approved, the applicant will receive a coupon book. One coupon is to be presented when ever a ticket (one way only) is purchased. Once the ticket is purchased, it will be honored. (That is, no stand-by basis necessary). The discount arrangement will be honored on all transfer lines if the tickets for the entire trip are bought at time of the original purchase.

Trailways Bus-lines offer the same benefits and discount as Greyhound. Fare one way from Phoenix to San Diego regular fare is \$12.32; by using your clergy discount coupon the fare would be \$9.24.

RENT-A-CAR: Avis offers no special clergy rate. Information concerning their rates is therefore of little value for one person traveling alone. Airline travel can be secured thru Bonanza, clergy rate for as little as \$23.93 one way from Phoenix to San Diego as previously stated. However, were four or more traveling, a considerable savings can be secured by the use of a rental car. By dividing the car-rental rates, each individual would save as compared to air-travel. The following rates are standard with most of the recognized car-rental agencies at the present time. Fords and Chevrolets, one way from Phoenix to San Diego - \$10.00 plus .10 per mile plus a \$15.00 drop charge when car is left at its destination. Now, on the basis of a 400 mile trip this would be \$65.00. These same automobiles, with refrigeration would be \$11.00 per day plus .11 per mile plus a \$25.00 drop charge at destination or \$80.50. Even traveling the latter deluxe way, you can see that it would cost four people only about \$20.00 each -- much less than airline fare.

RAILROADS: Sante Fe & Southern Pacific offer a 50% discount to all licensed ministers. Applications can be secured at local ticket offices and when properly filled out they must be mailed to central clergy bureau in Chicago, Ill.. In two or three weeks a

coupon pass book will be issued to the applicant. One coupon must be presented at the time of each ticket purchase. If a ticket is sold it will be honored. (Not stand) As in the case of the bus lines, discounts onto connecting transfers will be honored if the ticket for the entire distance is secured at time of original purchase of tickets.

NOTE: It should be observed that all companies offering transportation to the public have been known to make Special arrangements at times according to their own discretion. In case of extreme emergencies etc., we suggest that the individual contact an authority of the company and explain the nature of the emergency.

Respectfully submitted,

California Conference of the Wesleyan Methodist Church

I have examined the accounts and records of the California Conference Wesleyan "500" Plan for the twelve months ended May 31, 1960, My examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

In my opinion the accompanying statements present fairly the cash position of the California Conference Wesleyan "500" Plan at May 31, 1960, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

STATEMENT OF LIABILITIES

LIABILITIES        None.

ADDENDUM

1. It is my firm belief that not enough care has been exerted in securing monies paid out from the "500" Plan, hence, I recommend the adoption of the proposed change in Standing Rule VIII C Part 3 submitted by the Missionary Board to this Conference.
2. It appears that in a number of instances, projects receiving loans from the "500" Plan do not feel obligated to make repayments promptly and systematically as would be expected by an outside lending institution.
3. The Wesleyan "500" Plan is currently ineffective due to the fact that there are a total of only 58 current contributors, and only 10 of these are pastors in the California Conference.
4. It is my recommendation that the assets of the "500" Plan be turned over to the Conference Board of Trustees and that there be no further solicitation by this means but that a greater emphasis be placed upon the raising of Conference Church Extension item of the Budget.

### REPRESENTATIVE TO THE BOARD OF TRUSTEES OF AZUSA COLLEGE

During the past Conference Year it has been my privilege to be one of the representatives of the California Conference of the Wesleyan Methodist Church on the Board of Trustees of Azusa College. A number of very fine relationships have been generated as the result of meeting men of God of other as well as our own denomination.

Progress has been made in a number of areas of the College. Regional accreditation now seems within reach in the not too distant future. A number of physical improvements have been made including the new gymnasium-multi-purpose building which is nearing completion. This has placed a heavy strain upon the finances of the school, in that gifts which formerly have been applied to operations, have recently been directed to the building program. Your prayers and interests are solicited for these needs.

Respectfully submitted,

### CONFERENCE HISTORIAN

After prayer and deliberation concerning what could be a very valuable piece of historical material, your Conference Historian is laying the ground work for not only a "running record", compiled yearly of conference events deemed by pastors and people as being worthy of record, but the editing and writing of a history of the California Conference from 1922 to 1960.

For several years ideas, articles and pictures have been "stashed" away against the day when a record could be made, - from the time the first pioneer preacher, Rev. David H. Scott, was sent by the Wesleyan

## REPORT NO. 11 (Cont.)

Methodist Connection of America to the Southern California area, up to the present time.

With this in mind, I would recommend that each local church historian be instructed, under the aid of his pastor, to send a report on his local church history to the Conference Historian by October 1, 1960.

Plans are being made to tape-record the record of the charter church organizational activities, and the experiences of our first pioneer pastors. They will reminiece and the tape will catch it for us. From this material we will draw much of the spirit of those early days as lived by the men and women who blazed our California Conference trail.

If the record also has a light spot here and there, it will be due to the fact that your historian rode west from Michigan to San Pedro, California, on the back seat of a touring car (at 18 miles an hour) with that first Wesleyan minister...and has both humorous, sad, serious, and most inspiring memories of people and events that composed those early years.

With God's blessing and your cooperation, we propose to have a historical composite of events spanning 36 years, ready to present at the 1961 Annual Conference.

### EDUCATIONAL SECRETARY

We of the California Conference of the Wesleyan Methodist Church are proud of our four fine colleges throughout the nation, namely, Houghton College in New York, Marion College in Indiana, Central College in South Carolina, and Miltonvale College in our own district of Kansas. The high academic standards and the evangelical Wesleyan theology are to be strongly commended. We were happy to have the field representative from Miltonvale Wesleyan College, Mr. Bob Girard, travel throughout the California Conference this year. In his six day stay in the San Diego area, we were thrilled with his ability, testimony, and vision. God gave us a wonderful harvest of young people through Mr. Girard's ministry.

We must ever be cognizent of the importance of denominational colleges for young people. Friendships, associations and opportunities are well fostered in these institutions. We deeply appreciate the tremendous sacrifices of the administration and faculties of our schools.

May God ever help us to be aware of our responsibility to these colleges. Responsibilities that transcend our financial support; responsibilities that include a real concern expressed in prayer for those who labor there, and our responsibility of sending students to our colleges.

Recently our Conference has recognized and sanctioned Azusa College as our West Coast school and in a very limited way we lend our support to this outstanding institution. The leadership of this school ranks with the finest in the nation and the contribution that Azusa College played in my life is beyond price or measure. Leaders such as Dr. Haggard and Mr. Robertson are academically strong and spiritually inspiring.

We as Wesleyan Methodists may well be proud of the colleges, faculties, and students that represent us across the nation.

Respectfully submitted,  
Derric Johnson, Educational Sec.

## PENSION PLAN BOARD

The Conference in 1959 asked the Pension Plan Board to make a study of the Pension Plan in its relation to the retiring ministers and bring in a report at this time.

## REPORT NO. 18 (Cont.)

There are three factors to study and report on.  
First, Social Security.  
Second, California Public Assistance and Welfare.  
Third, the Wesleyan Pension Plan.

First, The Social Security is a Federal Plan. Ministers paying Social Security may upon retiring at 65 years of age, draw benefits in proportion to the amount paid. The exception is, if they have wages of more than \$1200 a year between the ages of 65 and 72. After 72 years of age this does not apply.

Second, California has a system of caring for its needy by the California Public Assistance and Welfare. They have strict rules and regulations regarding the Welfare funds. A recipient must be a resident of California 5 years out of the last 9 years. He must not have an assessed personal property of more than \$1200 less encumbrances, for a single person, or \$2,000 for a married couple. This does not include personal effects as clothing and household furnishings. Also real property may not have an assessed value of \$5,000 or more. Notice, it is assessed value. Property of more value except a home must be utilized to help meet the needs of the applicant or recipient.

The Public Welfare and Assistance makes thorough investigation in each individual case into the income, pensions, Social Security, Retirement pay, insurance payments. Every regularly expected payment or income has to be reported. Also the ability of relatives to help the needy is studied. A study is made of the needs of the individual or family; if after this investigation and report, the State sees a need, it will augment the personal income as they will have a monthly income of \$95.00. The Director of the Public Assistance and Welfare told me that medical care and medicine are not counted in the \$95., but are above. He also stated that a person with outside income (other than P.A.W.) is more free to spend that income than he would be if all his help came from the P.A.W.

## REPORT NO. 18 (Cont.)

Third, the Wesleyan Plan pays its retiring ministers on the number of years they have served the church and paid their personal assessments. The rate of Pension payments received is based upon \$20.00 per year of service. Thus, a person serving 30 years is eligible to draw \$600 per year. The personal assessments paid since January 1, 1960, are  $1\frac{1}{2}\%$  of his gross income, -- secular or ministerial.

On giving the information of our California's P.A.W. to Bro. D. A. Rees and later to Bro. H. K. Sheets, our new Secretary, they have given thought to our problems. Bro. Sheets writes, "It would seem that the Conference should continue to fully support the Pension Plan, and allow it to be a personal matter with those entitled to benefits whether they decline to receive them, and depend entirely on the State Assistance, or whether they allow the State to supplement what they receive from the Pension Department."

## REPORT NO.24

### THANKS

First and foremost, we of the California Conference wish to express our thanks to God for His gracious Spirit manifested during the business sessions and public services and for the sweet fellowship of the saints.

We appreciate the leadership and messages brought to us by Dr. Sheets, and his personal interest in the work of this conference.

Our thanks are extended to our Host Pastor, Orval Butcher, and his wife, and for the invitation extended to us to meet here in this fine sanctuary.

To the Skyline Church members and friends, we want to thank you for sharing your facilities with us. It would be impossible to mention all the planning, hard work, that you have put into the preparation for this conference. Your kindness in so many ways the extra courtesies extended, cannot be enumerated. May we quote the Apostle Paul,

"We are bound to thank God always for you, brethren, as it is meet, because that your faith groweth exceedingly, and the charity of every one of you all ... aboundeth ... so that we ourselves glory in you..."

II Thess. 1:3-4

We must not fail to mention the many hosts and hostesses who have opened their homes to us, without any thought of remuneration.

A special thank you to the campmeeting committee for all their hard work which is unseen and unsung.

To the young people here, who have served, and sung, and baby sat, and run errands, and cleaned up the messes we have left behind, thank you.

## REPORT NO. 24 (Cont.)

To the kitchen crew, may we say the food has been delicious, and the service delightful.

We have enjoyed the large bouquets of vari-colored glads that Rev. John Henley brought to decorate the platform.

To all the committees which have done their work efficiently and quickly, thank you.

Last of all we appreciate the good spirit of the entire Conference. It has been noted that there has been no feeling of rush or confusion. Everything has been done in order and with cooperation from all.

## DAILY PROCEEDINGS

The opening session of business for the Women's Missionary Society of the California Conference was set for June 27, 1960, at 8:30 A.M., at the Skyline Wesleyan Methodist Church of Lemon Grove, California. The theme of the conference, displayed across the front of the auditorium, was "The Gospel of Love".

The song service was led by Dorothy Berk, including the introduction of our theme chorus, "My Prayer". June Jones led in prayer and our devotions were led by our Area Chairman, Marie Lind, the theme of which was from II Chron. 20:12, "Neither know we what to do, but our eyes are upon thee." We were again led in prayer by Dorothy Butcher especially asking God's blessing for the following business sessions.

The roll was made and taken.

The first four rows of chairs were designated as the bar of the conference.

A motion was made and carried that June Jones, wife of our conference president, all pastor's wives, all Y.M.W.B. Superintendents, and Marie Lind, our Area Chairman, be seated in the bar of conference.

A motion was supported that there be a Committee on Committees. The following members were elected: Noreen Reckard, Chairman, Dorothy Berk, Lillian Fahy, June Jones, and Joyce Mudgett.

Edna Judy, our president, gave her report. It was accepted with a rising vote of thanks. (See Report No. 1.)

The following local societies gave their reports: Covina, El Monte, Pasadena, Sunland, Bostonia.

We were dismissed with prayer.

JUNE 27, 1960, 1:30 P.M.

The session opened with prayer led by Dorothy Berk.

The minutes of the last session were read and approved.

The report of the Committee on Committees was read and accepted. (See Report No. 2.)

Local society reports received were as follows:  
Sacramento (Arcade), Whittier, Phoenix, La Puente.

The Courtesy Committee presented Mrs. Marian Sheets, wife of Dr. H. K. Sheets, one of our General Superintendents. She greeted us and exhorted us to the "Goes of Christ": "Go and sell, go and show, and go and teach."

We were dismissed with prayer led by Gwen Butcher.

JUNE 28, 1960, 8:30 A.M.

The session opened with a song service led by Mrs. Wilma Stoddard.

We were led in prayer by Mrs. Noreen Reckard.

The reports of the Efficiency and Plan of Work Committee (See Report No. 6.) and the Women's World Fellowship Secretary (See Report No. 7.) were read and accepted.

The business session was dismissed with prayer led by Gwen Whitted.

Following the business session a time of fellowship was enjoyed. The lovely refreshments were graciously served by the Bostonia W.M.S.

The Courtesy Committee presented Mrs. Margaret McCarty, General Women's World Fellowship Secretary, and Miss Marie Lind, West Coast Area Chairman.

A presentation of corsages were made to Mrs. McCarty and Miss Lind in appreciation for their sacrificial, devoted leadership.

Mrs. McCarty brought us a message around the theme, "God is for us" and talked to us concerning the Women's World Fellowship, its purpose and God's leading in its origin and continuing ministry.

Following her Spirit-inspired message we had a gracious prayer and praise time during which we were blessed with His gracious presence in a special way.

This period was dismissed for the noon hour.

JUNE 28, 1960, 1:30 P.M.

The meeting was opened with a song time led by Dorothy Berk.

After our prayer, Mrs. McCarty gave us a devotional message. Her emphasis was on Christ, the all sufficient One, and One who points us to His Father from whom we receive spiritual life and sustenance for ourselves and strength to win others to Christ.

The roll call was taken and the minutes of the last session were read and approved.

## REPORT NO. 1

### PRESIDENT'S REPORT

Personal Greetings to Officers, Delegates and Friends:

I am thankful "that the kingdom of God is not in word, but in power". (I Corinthians 4:20). The faithfulness of the Holy Spirit to work through "earthen vessels" brings strong witness of "the Excellency of God"!

I am grateful for the evident Blessing of God in our local societies and in our conference. I am challenged where there are places of human failure...to PRAY more...and to LOVE more, the Lord being my Helper.

I have appreciated each opportunity through the year to carry forth the purpose of this office. Each time I have requested the help of individuals or societies, you have responded wholeheartedly. "Thank you" and "GOD bless you" for all you have made possible.

Early in the Conference year, with the help of the Executive Board, I prepared and printed the California Conference W.M.S. Handbook. This was mailed to officers in all local societies.

I assisted our Editor in printing and mailing 3 Issues of the Missionary Booster. Our appreciation to all who mailed in News Items, etc.

It was my privilege to meet with the El Monte Society for their November meeting; and to speak to the Sunnymead Society in January.

I attended 9 Conference Missionary Board Meetings and 2 Camp Board Meetings to represent the W.M.S.

Correspondence totaled 72 letters and cards, plus several phone calls in the interest of Conference Missionary Work.

## REPORT NO. 1 (Cont.)

When possible, the Executive Board has met, and plans were formed for these full-time W.M.S. Sessions at Annual Conference. It is our earnest hope that you will receive from them Spiritual blessings, and added W.M.S. information and ideas. We welcome your opinions and suggestions of things you feel would profit our Conference Sessions and Work for the coming year.

May we each consider anew "that God So Loved the World..." GOD'S LOVE is the MOTIVE of Missions:-

We must tell the World of God's Love.!

We must live before the World God's Love !

We must go to the World with God's Love by prayer,  
by our finances, by sending forth laborers, by  
witnessing where we are.

Our theme for this W.M.S. Conference and the coming year is:

"Go ye with the GOSPEL OF LOVE!"

Respectfully submitted,  
Edna Judy

### PRESIDENT'S REPORT

To the Annual Wesleyan Youth Convention of the California Conference: Greetings in the name of our Lord and Saviour Jesus Christ.

Praise be unto the Lord of Lords and King of Kings for the magnitude of His blessings upon us.

The year has been marked for the glory of God in the Youth Camp, the district rallies, and the Mid-Winter Youth Congress. More than one hundred young people were enrolled in Camp and all of us were helped to grow in spiritual stature by the inspired preaching of Rev. Derric Johnson. Many sought the forgiveness of sins, covenants of dedication were renewed, calls received, and renewals of the Spirit of the Lord were in evidence in the camp.

District rallies with keen attendance competition saw numbers mount to a new record with seekers frequently finding the Lord.

The Mid-Winter Youth Congress at San Diego gave a powerful impetus to the lifting up of Jesus Christ before men. Talent secured and directed by Derric Johnson and Orval Butcher lifted the spirit close to God and caused us to be thankful for men who have given to God all of their capabilities.

California Wesleyan Youth has in its ranks the potential power to change the world from evil to righteousness. Let us be faithful that we may not be ashamed, but triumphant at His appearing.

Respectfully submitted,

Rev. James H. Judy,  
President.

### THANKS AND RESOLUTIONS

In behalf of the California Wesleyan Youth, the Thanks and Resolutions Committee submits the following:

We wish to express our deepest appreciation to our president, Rev. James Judy, for his enthusiastic leadership this past year.

For the excellent guidance at youth camp we would like to thank Rev. Derric Johnson, Rev. Richard Rossow, Rev. James Judy, Gail Moser, and the many others who contributed their services to make this youth camp a success. We would also like to thank Skyline Church and congregation for making mid-winter retreat and youth conference a good fellowship in the Lord by being such gracious hosts.

To the many pastors and youth leaders the young people would like to say a hearty "Thank-you."

Respectfully submitted,

Rev. W. Eugene Welliver
