"As we observe the ministers of the gospel, we notice that often the wives of such are forgotten. The minister having a call from the Heavenly Father finds it easy to make the sacrifice of a lifetime to keep his life in divine harmony. His wife oftentimes makes even greater sacrifices, not because of a heavenly call but with a sincere heart, desiring to be a faithful and loyal companion. And very often is left as a widow to be forgotten while the husband would have been pensioned if living.

"Let it be a Standing Rule of this Conference until revoked, That all widows whose husbands have faithfully labored in the Indiana Conference, be pensioned equally with the Superannuated Ministers and the pension be paid from the Superannuate Fund."

move that the President of the Conference be granted one full month of vacation with pay this year. Said vacation to be taken at such a time as he chooses and that the Conference instruct him to leave the cares and problems of his work at home and go for the purpose of relaxation and rest."

THE INDIANA CONFERENCE

Report No. 4

REPORT OF THE CONFERENCE SUNDAY SCHOOL BOARD

In the good providence of God we are able to report another year of Sunday-school work which shows some gain.

The records reveal a gain in enrollment of 247 and the average attendance is up slightly.

In evangelistic effort, 707 scholars were converted which is some above last year and 252 joined the church. We would like our people to see the need and opportunity of evangelism in our Sunday schools and the need of effort to tie our scholars to the church.

In benevolences the reports reveal a gain of \$1010.08 over last year. We appreciate the response of our schools to our letter of appeal for Hephzibah Orphanage. We did not get a 100% response, but 68 Schools sent a Thanksgiving offering to help lift the burden. In the Teacher Training Department we had 13 to graduate in the College school under the leadership of Rev. H. T. Hawkins. In the new Course, Indiana has the honor of having the first graduate in the Connection in the person of Mrs. Olive Gingrich of LaFayette, Indiana who graduated from both Courses during the year. We have 30 students enrolled in the Hulburt Course and 9 in the Certificate Course of the new study book. Here is a good field for the pastor who wants to improve his teaching corps.

This year we are reporting on a new Department—the D. V. B. C. We have eight schools reporting with a total enrollment of 619, an average attendance of 486 and 28 scholars converted. Here is a rich field for service during the summer months and we urge our pastors to give attention to this department wherever it can be worked.

We recommend that the 10 cents per member assessment of the main school be continued for the financing of the Connectional and Conference work.

We recommend that a Convention be held in each district during the first two weeks of October. The dates and places for these Conventions have been arranged and the program is already outlined. We recommend that the districts remain the same as last year and that the District Superintendents be as follows:

Northern District, Eastern Section: Edgerton, Albion, Laotto, Green Chapel, Fort Wayne, Larwill, Warsaw, Silver Lake, Laketon. E. L. Smithee, Superintendent.

Northern District, Western Section: Hamlet, Davis, South Bend, Star, Beaver Creek, Elkhart, Plymouth, Shiloh, Sligo. Loren Irby, Superintendent.

Central District, Western Section: Peru E. Wash. St., Peru First, Kokomo South, Kokomo North, Fowler, Mt. Olive, Miami, Tipton, Hoops-ton, Logansport, LaFayette. Everett Wilson, Superintendent.

WESLEYAN METHODIST CHURCH

Central District, West Central Section: Converse, Mt. Zion (Howard County), Sims, Marion (Nelson St.), Marion (West Eighth St.), Santa Fe, Pleasant Grove, Wabash, Amboy, Elwood, Greentown. Leo Welch, Superintendent.

Central District, East Central Section: Jonesboro, Gas City, College Church, Marion (George Street), Fairmount, Back Creek, Gaston, Fowlerton, Matthews, Summitville, Mt. Etna, Monument City, Lancaster, Huntington, Warren, Plummers Chapel. Clifford Hoover, Superintendent.

Central District, Eastern Section: Hartford City, Bluffton, Bryant, Pleasant Grove, Portland, Pleasant Valley, South Salem, Uniondale. Virgil Vardaman, Superintendent.

Southern District, Western Section: Anderson, Byron, Indianapolis, Kirklin, Sheridan, Westfield, Carmel, Bakers Corner, Cicero, Atlanta, Deming, Fishersburg, Victory Chapel, Thorntown, New Harmony, Noblesville, Martinsville. Vestal Van Matre, Superintendent.

Southern District, Eastern Section: Blue River, Carthage, Richmond, Shelbyville, Lewis Creek, Wesley Chapel, Fountain City, Muncie, New Castle, Grant City, Mt. Zion (Henry County). Thomas Ballard, Superintendent.

We desire to urge our people to give special attention to the various departments of the Sunday-school and to emphasize evangelism in the classes and on some special Decision Day. Respectfully submitted,

E. L. GLOVER, Conference Sunday-school Secretary;
A. E. BEYLER, Treasurer;
E. L. KIERSTEAD.

Report No. 10

REPORT OF THE COMMITTEE ON RESOLUTIONS

The Committee desires to submit the following resolutions:

I. Evangelism. From the very beginning, the life and growth of the Church have been made possible by the fire of evangelism. The marvellous growth of the early Church can be attributed to whole-hearted, aggressive, Spirit-inspired evangelism on the part of both ministry and laity. They went everywhere preaching the Word, and the Lord added to the Church daily such as should be saved. As we look on the fields already white unto harvest, surely we must realize that this is no time for any one to be at ease in Zion. Furthermore, the financial increase with which God is now blessing the Church makes the necessary material means available. This is the time to enter new fields and to build a stronger Wesleyan Methodist Church.

II. Education. The modern trend in many institutions of learning tends to destroy faith in the Bible and devotion to the standards of our Church. We therefore urge our people to support Marion College wholeheartedly with finance, with prayer, and with patronage, and we disapprove of such teaching in the schools of our land as would impair faith in the inspired Word and would undermine our doctrines and standards.

III. Tithing. This Conference has adopted the storehouse tithing plan, and we believe it to be God's plan, designed to solve the financial problems of the Church. Yet, our statistics reveal that less than 40% of the church membership in the Conference are tithers. We therefore recommend that our pastors and evangelists enlighten and awaken our people by preaching clearly and consistently on this subject, and that every pastor urge his church to adopt this plan.

IV. Church Standards. (A) We should guard against any tendency toward irreverence in our churches and Sunday schools. We especially warn our pastors, Sunday-school officials, and teachers to use extreme care

WESLEYAN METHODIST CHURCH

in their regulation and supervision of all spiritual and social activities of the church and Sunday-school. We consider the use of the term "class party" in designating the social gatherings of Sunday-school classes as ill-advised and improper, since the term carries with it the atmosphere of the world. Equal care should be exercised in the preparation and in the supervision of the program in order to avoid an atmosphere of worldliness.

(B) The wearing of rings of all types by people of the world has become increasingly popular, and hence the use of the wedding ring has more and more come to have the appearance of worldliness. It is our conviction that we, as God's people, should be willing for Jesus' sake to abstain from every practice that savors of conformity to the world. Let it be a standing rule until revoked that the use of the wedding ring is not in accord with our standards as a Church, and that we as a Conference disapprove of our ministers' performing or taking part in the ring ceremony.

V. Morals and Reform. (A) "Remember the Sabbath day to keep it holy." (Ex. 20:8.) We deplore the increasing prevalence of the spirit of indifference toward the sanctity of the Christian Sabbath. Since the world has so largely forsaken the outward observance of the Sabbath day, there is ever-increasing danger that we as the people of God may drift in the same direction. Therefore we earnestly exhort our people to refrain carefully from any and every activity that would hinder their duties in worship on the Lord's Day. While we realize that there are certain forms of labor that may be a necessity on the Sabbath, we warn our people against the encroaching claims of modern life which would urge the discarding of our time-honored convictions with regard to the Sabbath day.

(B) Recognizing the increasing drift toward the practices of the world in the conduct of business, forms of amusement, and habits of dress, we urge that the people of God carefully refrain from questionable amusements, mixed bathing in public places, the wearing of scanty or improper clothing, and the ever-increasing use of masculine attire by girls and women. One has said: "Opinions are ideas which men hold, but convictions are ideas which hold men." May the Holy Ghost crystallize our convictions until there shall be such unanimity of sentiment and practice among us that the world shall recognize that the people who call themselves Wesleyans are a folk truly separate from the world.

(C) The last few years have witnessed an alarming growth of radicalism in the labor movement, especially in the Congress for Industrial Organization. It is increasingly apparent that many C. I. O. unions are dominated by leaders of Communist sympathies. While we do not condemn membership in labor unions as such, yet we do desire to warn our people against participation in union activities of a violent or riotous nature, and against any union affiliations that would obligate one to engage in such lawless activities.

(D) The war spirit is growing in the United States in a way that is

THE INDIANA CONFERENCE

truly alarming to all lovers of peace, and is being fostered by certain public officials and by others who wield large influence in affairs of state. This growing sentiment has already involved us to a limited extent in the Second World War, and, if continued, will inevitably plunge our nation fully into war. We deplore this growing war hysteria, and condemn efforts to involve our country in war; and we encourage a spirit of genuine neutrality among our citizens, to the end that the United States may remain at peace with all nations.

(E) The sale and consumption of alcoholic beverages continue to increase, to the great detriment of the health, safety, and morals of the American people. Liquor advertisements are flaunted on every hand with the avowed intention of making every person a drinker. Accidents due to drunkenness are taking the lives of thousands annually. Ill-regulated taverns are debauching multitudes. The sale of liquor in the vicinity of army camps is a menace to the welfare of all enlisted men. The present State systems of liquor control are totally inadequate. It is our conviction that prohibition repeal has proved itself a miserable failure. We demand a return to national prohibition and the adoption of an intensive program of temperance education as the only feasible procedure for dealing with this growing menace.

In conclusion, we would reaffirm our faith in the Bible as the infallible and inspired Word of God and in the great doctrines of salvation as interpreted and presented in the Articles of Religion in our book of Discipline.

(Signed) E. J. MILLS, Chairman;
A. D. MINX,
J. C. PICKETT,
E. A. CRIM,
ALLEN BOWMAN, Secretary.

Report No. 12

REPORT OF FINANCE COMMITTEE ON WIDOWS PENSION RESOLUTIONS

We, the Committee on Finance and Appropriations, have carefully considered the resolution which was submitted to the Indiana Conference by Rev. Melvin H. Kohn, and which provided that all widows whose husbands have faithfully labored in the Indiana Conference, be pensioned equally with the Superannuated Ministers and that the pension be paid from the Superannuated Ministers' Fund.

We are in hearty sympathy with the purpose and intent of this resolution, but inasmuch as it is contrary to the regulation included in paragraph 146 of the Wesleyan Methodist Discipline (p. 79), which provides that there shall be "a fund in each Annual Conference for the support of superannuated ministers, their widows and orphans, to be distributed equally, or according to necessity, by each Annual Conference at its annual sessions," we therefore recommend the rejection of the above-mentioned resolution on the ground that it is contrary to the disciplinary provision for the distribution of the Superannuated Ministers' Fund.

However, we recommend that the Indiana Conference at each annual session provide for such special offerings as the Board of Trustees may deem necessary to give suitable financial aid to all needy widows whose husbands have faithfully labored in the Indiana Conference.

Action of the Finance Committee on the second resolution of Rev. Melvin H. Kohn, which was referred to the Committee on Finance and Appropriations, is as follows:

We, the Committee on Finance and Appropriations, have carefully considered this resolution. In view of the fact that the present plan which provides for the support of the superannuated ministers, their widows and orphans, other widows and needy people who are incapacitated to take work, has functioned successfully for a number of years, and is functioning successfully at the present time; and in view of the additional financial burden of Conference evangelism which is being recommended to the Con-

THE INDIANA CONFERENCE

ference for the coming year, we feel that it would be unwise at present, to change the present plan which provides for needy people within the Conference.

We further recommend that, if necessary, the Indiana Conference at each annual session provide for such special offerings as the Board of Trustees may deem necessary to give proper financial aid to all widows, or disabled ministers who deserve financial aid from the Conference.

Respectfully submitted,

THOMAS BALLARD, Chairman;
C. D. CRABILL,
E. L. GLOVER,
LOREN VAN MATRE,
ROBERT WALSH,
C. G. LAWRENCE, Secretary.

Report No. 1

PRESIDENT'S MESSAGE

We have met together in this, the twelfth session of the Young People's Conference. The few years in which the W. Y. P. S. has been organized within the Conference have been years of rapid growth. There have come to our church many additions through the efforts of our young people and through the society. While we are an organization within an organization there is definite need of such, if we are to make a proper contribution to the Church of which we are a part. There have been societies organized under the disciplinary plan this year. This is important to our proper function of putting our influence in the right direction and our offerings in proper channels.

The place of the Young People's work in the economy of the Church is very important. It is the young people who have the energy and the

THE INDIANA CONFERENCE

enthusiasm to carry forward those projects which are forward steps in our local churches. It seems that both the challenge and the opportunity of the W. Y. P. S. were never so great as at the present time. While many of our young men are being called into Military Training Camps or are working in the interest of our government, let us pray and do all within our power to help these keep their Christian experience and to raise up those who will dare to be a Daniel in such camps.

The emphasis of our work must be placed on the evangelistic side, that of definite soul winning; the following of the Divine program is necessary. It is the propagation of the gospel to the ends of the earth, by a power born of compassion in the hearts of people and the purpose of which is the redemption of the lost. The fields in which we should place our interest is as wide as the Church itself. Let us be ardent followers of the Lord, with loyalty to the Church in such matters as: attendance of all public services, subscribing to and reading its literature, especially the Young People's Journal, and to the educational and missionary interests.

We want to thank those who have stood by so faithfully to see the progress made. While we may be a fairly large Conference, comparatively speaking, yet there is but one main project that we must go forward in and that is pioneer work. The Lord will reward every effort put forth to His glory.

GARL BEAVER, President.

Report No. 2

RESOLUTIONS COMMITTEE

We, your Committee on Resolutions, submit our report as follows:

1. Whereas the Indiana W. Y. P. S. has received encouragement and support from the Annual Conference, be it Resolved, That the Secretary express our appreciation in writing to that body.
2. Whereas Marion College has made such a vital contribution to the young people of our Conference and Area, be it Resolved, That we support the College with our finance, our prayers, and our influence.
3. Whereas, under the leadership of Almighty God and through the coöperation of the Church, the W. Y. P. S. has been afforded a most efficient organization in the Connection, the Area, and the Conference, be it Resolved, That the members of this body coöperate with the Church and maintain its organization and work as an integral part of the Church program.
4. Whereas the Indiana Conference and the Marion College Area W. Y. P. S. have grown and their program has broadened under recent leaders, be it Resolved, That this body express their appreciation of this efficient leadership by a rising vote of thanks.
5. Whereas the Connectional Agent has provided to send ten or more Journals to one church to individual addresses at the rate of 80 cents per subscription and give the pastor a year's subscription free of charge, be it

WESLEYAN METHODIST CHURCH

Resolved, That each local society of this Conference assume the responsibility of putting the Journal in every Wesleyan home and public library in its community.

6. Inasmuch as the Conscription Law involves a large number of the young men of the W. Y. P. S., be it Resolved, That our local societies assume the responsibility of providing spiritual encouragement and help for these through prayer and correspondence.

7. Whereas this day is marked by uncertainty and dissatisfaction resulting in susceptibility for spiritual truth, be it Resolved, That the Indiana W. Y. P. S. launch an extensive program of personal and mass evangelism.

8. Realizing that the spirit of compromise is prevalent throughout the Christian Church and is rapidly growing within the Holiness Movement, be it Resolved, That the Wesleyan youth of this Conference combat this situation by upholding the standards of our Church.

9. In view of the modern trend of Bible scholars to discount the doctrine of Holiness and ridicule the teaching of eradication, be it Resolved, That our societies make a place in their program for the study and propagation of this scriptural experience.

10. Whereas there has been a neglect on the part of the young people of our Conference in coöperating with the Youth Movement of the National Holiness Association, be it Resolved, That the young people of our churches be in sympathy with and attend such conventions as this association may provide.

11. Be it Resolved, That these resolutions be read quarterly in each local society.

All of which is respectfully submitted,

JOHN W. REED, Chairman;

FRANK WARREN,

MARY CHAPMAN, Secretary.

PRESIDENT'S MESSAGE

Dear Sisters of the Indiana Woman's Home and Foreign Missionary Society:

Another year has come and gone, we are meeting in our fifty-second annual session. It seems but yesterday that we were gathered together singing the songs of Zion, and conducting business for the Kingdom. Time has swiftly passed with its opportunities for gathering in the ripened grain. We trust no one has allowed the wheat to fall by the wayside for the fowls of the air to devour.

When Jesus saw the multitudes, He was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd. He said to His disciples, "The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest that He will send forth labourers into His harvest." Soon we will have a new Mission work where the scattered sheep may be gathered in. South America is our next door neighbor and it is a privilege to share with her the precious Bread of Life. We are glad to have Brother and Sister Phinney, the elected missionaries for South America, with us again this year. We shall learn to know them better and be more able to follow them with our support and our prayers for this new field of labor.

We thank all our dear sisters for their ready response for dormitory supplies. You were like Nehemiah was when he rebuilt the walls of Jerusalem. The work was done because the people had a mind to work. As you have given to the work of the Lord, He will in turn give to you.

Let us pray much for this session of Conference, that the Lord may enlarge our vision, deepen our spiritual fervor, and send us forth again into another new year with a passion for "Others."

HARVEST DAY COMMITTEE

We, your Committee on Harvest Day, do submit the following report:

1. We recommend that the Harvest Day dinner be carried on in the same manner as last year, and that each society be assessed according to its strength, for a cash offering which will not apply on the budget, in the following manner: \$2.00—Back Creek, Bakers Corner, Blue River, LaFayette, Nelson Street, College Church, New Castle, Fairmount, Plymouth, Wabash. \$1.50—Bluffton, Davis, Gas City, Greentown, Green Chapel, Hamlet, Hartford City, Jonesboro, Laotto, North Kokomo, South Kokomo, Larwill, Eighth Street (Marion), Mt. Zion (Howard County), Mt. Zion (Henry County), Peru First, Plummery Chapel, Santa Fe, Shelbyville, Sheridan, Shiloh, Summitville, Tipton, Lewis Creek, South Bend, Warren, Beaver Creek, Albion. \$1.00—Anderson, Atlanta, Amboy, Bryant, Carthage, Carmel, Cicero, Converse, Edgerton, Elkhart, Elwood, Fishersburg, Fountain City, Fowler, Fowlerton, Ft. Wayne, Gaston, Grant City, Huntington, Indianapolis, Kirklin, Laketon, Lancaster, Logansport, George Street (Marion), Miami, Monument City, Matthews, Mt. Etna, Muncie, Peru Second, Star, Sims, Warsaw, Wesley Chapel, Westfield, Richmond, South Salem, Uniondale.

2. We recommend that the Conference Secretary send out notices of the assessments to the local societies immediately following the close of Conference and that the local Treasurers send the offering to the Marion College Treasurer not later than October 1st, being sure to designate that this offering is for the Harvest Day Dinner Fund.

3. We urge that as far as possible that each society pay their budget in cash. Where this is not possible we urge that each society in contributing of canned goods give as unto the Lord. Due to the fact that so much canned goods is lost through spoiling because of moving it too soon, we recommend that no such donations be brought to the college sooner than two weeks after canning. We further recommend that each can bear the label of the contributing society.
