The Hockett Studio

Either of the 8x36 group pictures of the Indiana Annual Conference of 1920, 1922, 1923 and 1924 can be had for \$1.50 each. Now inasmuch as the 1925 picture is 50 inches long, we will have to sell it at \$2.00. Send all orders to the Hockett Studio, Fairmount, Ind.

Books and records are a necessity. PHOTOGRAPHS are a necessity in the part of a record the pen cannot write; therefore it is the duty of every one to have photographs taken at intervals. Many attending the Conferences have found it convenient and to their advantage to have pictures made at the HOCKETT STUDIO; in fact, there is no other place in the world where the HOCKETT PORTRAITS can be had.

RESOLUTIONS AND LAWS OF INDIANA CONFERENCE.

1. It is contrary to the spirit of the Discipline and our principles for our preachers to assist in any service with oath-bound societies.

2. That any candidate for Elder's Orders or traveling under the direction of the Conference, who fails to attend the Institutes and the examinations of the Committee, without sufficient cause, shall be deemed unworthy of the trust and care of souls, and refused a place among us as a minister of the Gospel, and when they shall fail to attend the Institute for two successive years they shall be dropped from the roll.

3. That it is the sense of this Conference that our houses of worship should not be open to any evangelist or minister of any other church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments.

4. Any waiving of the above resolution by a contract or lease of building must be obtained through the Board of Trustees of the Indiana Conference.

5. Whereas, The Discipline requires that the Stewards must meet the Pastors and agree with them as to the amount necessary for their support, be it resolved: That the circuits may at the same time enter into an agreement in writing with the Pastor as to the service he is to render to the church. In case the Pastor shall fail to render such services, unless providentially hindered or released by the circuit, said failure shall be considered a sufficient cause to make an adjustment of the amount originally agreed upon. Otherwise the contract shall be binding upon both parties the same as any other financial obligation entered into by contracting parties.

6. Each pastor shall file a duplicate statistical report with the Committee before the close of the second day of Conference, said report to be kept on file one year, and hereafter these reports shall not be read in open Conference.

THE INDIANA CONFERENCE

7. The membership, so far as possible, shall pay all their contributions for the Conference and Connectional interests to the pastors, who shall receipt them for the same and see that it is paid to the proper authorities. Where money is paid direct to the Conference Treasurer by the membership, he shall send a duplicate receipt to the pastor of the charge where such persons are members.

8. All charges with a membership of twenty-five or more shall in addition to the regular stipulated salary, assume the responsibility of providing a suitable home in which the pastor may live.

9. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary; provided this shall not interfere with the previous arrangements between pastors and charges.

10. All unaccounted for members appearing in the statistics in the membership list shall be transferred to the discontinued list. The roll of all the classes upon the charges shall be put in the hands of the Pastors and they shall have charge of the same and make all entries therein.

11. The Committee on Elder's Orders is hereby empowered to transfer all persons to the study list who may have been recommended to travel and may not have been given work.

12. It shall be a standing rule of this Conference until revoked by vote that the President shall receive \$35.00, the Secretary \$50.00, the Assistant Secretary, \$15.00, and each member of the Statistical Committee, \$15.00, the same to be apportioned pro rata among the various funds of the Conference.

13. The official character of no Pastor shall be passed until he shall have submitted a satisfactory report, including statistics.

14. It shall be a standing rule until revoked by this body that the President shall nominate His Advisory Board and the Conference shall elect his nominations.

15. It shall be a standing rule of this Conference that in the examination of character the Conference officials and Evangelists shall be called first.

16. In the membership report all members who are found on the circuits in excess of the number reported shall be reported received.

THE INDIANA CONFERENCE

17. No letter of standing shall be granted in the interim of Conference or during the session of Conference, until satisfactory evidence is given by the minister making the request that no outstanding debts are unprovided for and that he has honorably withdrawn from the contract for service made with a charge or Conference.

18. Be it resolved, That where the Conference demands the services of anyone, that it shall bear the moving expenses, if any expense shall thus be incurred.

19. The Camp Meeting Committee shall be elected as follows: One for three years, or for two years and one for one year, and that the person elected for three years be chairman of the Committee, and that thereafter each member be elected for a term of three years.

20. Be it resolved, That it shall be the duty of the pastors to look after the insurance of our church and parsonage properties. All insurance shall provide for losses caused by fire and lightning, hail and tornado. A failure on the part of the pastor shall be a censurable offense. If the church fails to insure their property upon reasonable effort of the pastor to secure the same, then said failure shall be reported to the President of the Conference, who shall then have the property insured. In such case, all insurance monies received from losses by fire, lightning, hail and tornado shall be used in Church Extension work as the Conference Board of Trustees deems best.

21. It is the duty of the Conference Evangelists to inquire, first, whether donation stewards have been elected at each church on the charge; second, whether donations are given regularly and systematically. He shall call for a report of the work of the donation stewards and urge that the charges are expected by the Conference to give freely to the pastors.

22. Whereas, We have a scholastic standard for our preachers, and whereas those saved, sanctified and called among our own numbers are compelled to meet these requirements before ordination: Be it resolved, That the Committee on Itineracy and Elder's Orders shall require all those desiring to unite with us from any other denomination or Annual Conference to present credits equivalent to our Conference Course of Study, regardless of their standing in the body of which they have been a member, and if they cannot do this they shall be required to meet the same conditions as our local preachers before ordination.

THE INDIANA CONFERENCE

23. Whereas, Our Conference has never recognized the gifts and callings of a singing evangelist, and we have within our bounds people of such calling who have no recognition, may it be the sense of this Conference that such persons may be so recognized by a vote of this Conference and that their names be placed on the list of Singing Evangelists.

Report No. 3.

COMMITTEE ON RESOLUTIONS.

Your Committee on Resolutions submit the following report:

1. We reaffirm the Wesleyan Methodist position concerning secret orders and the use of tobacco.

2. We insist that the rules of the Discipline relative to dress be followed, that it be as "becometh Holiness," and believe that those who do not comply with these rules should not be seated as Conference delegates.

3. Whereas, The spirit and doctrines of the Bible and our Book of Discipline plainly warn us against pernicious practice of evil speaking, false accusations and working ill toward our neighbors, be it deeply impressed upon our minds that such evils should be carefully guarded against, discouraged, and should be dealt with according to the rules of our Discipline.

4. The Eighteenth Amendment is no more an experiment, but has been proven a reality. Therefore we urge our people to lend all the support possible to make it a success.

5. We regret the spirit of Sabbath desecration that prevails and are fearful that the Sabbath is fast becoming a wide open day in this country as in other countries. We see the open theatre, the dance hall, the baseball game, picnics, reunions and visiting on the Lord's Day. We request that our people refrain from these and teach others the necessity of being faithful to the command, "Remember the Sabbath day to keep it holy."

THE INDIANA CONFERENCE

6. The spirit of the age doubtless is due much to the failure of the pulpit. The Old Fashioned Message was filled with warning of the approaching judgment and hell, but the modern preacher has left it out of his discourse because it grates on the ears of his hearers and he has turned to the prophecy of smooth things. There has not been enough of good theology included in the modern message for the people to discover that there is a God, much less pointing out the way to Him for redemption. Thus men have become lovers of pleasure more than lovers of God, disregarding civil and moral law, fearless of consequences, whether they sit in the judgment seat or in the electric chair, and the age is rapidly coming to the fulfillment of prophecy as recorded in the Word. Therefore let every loyal Wesleyan thrust in the sword, preach the Word without fear or favor, and be possessed with the Spirit of prayer rather than the spirit of the age.

7. In order that the ministers of our Conference may be more able to solve and deal with the growing problems of the Church; and in combating the wiles of the enemy in this day of selfishness, insincerity and modernism, be it resolved, that the ministers of each Flying Squadron District hold a Ministerial Council each quarter in their respective district.

8. For the purpose of convenience and helpful information to the members and pastors of the Indiana Conference, we recommend that space be used in the Conference Minutes for the setting forth The Storehouse Plan; also the recording of other helpful instructions that the Conference President and Finance Committee may designate.

9. Witnessing to the information that the public press has scattered abroad concerning Dr. Shumaker, Superintendent of the Indiana Anti-Saloon League, that he has been held guilty of contempt of court, and has been sentenced to imprisonment and fine; now knowing that the enemies to prohibition use such happenings as propaganda against the Eighteenth Amendment, be it known that the Wesleyan Methodist Conference now in session has expressed their sincere confidence and belief that Dr. Shumaker is a competent, faithful Anti-Saloon Worker, a true Christian gentleman and a defender of all that is in the best interest of human safety and good morals: be it therefore resolved, that it is a recognized right and privilege of citizens to offer constructive criticism of the acts of all public servants and agencies of government brought into existence by the authority or vote of the people, and we deplore any attempt to prevent the exercise of this right or to curb free speech: and be it further resolved, that we, with due respect to the consti-

tuted authority, most earnestly petition the Governor of the State of Indiana for the fullest possible exercise of his executive clemency toward Dr. Shumaker.

Respectfully submitted,
J. J. DILTS,
E. E. CORY,
T. M. BODENHORN,
Committee.

Report No. 4.

REPORT OF COMMITTEE ON FINANCE AND APPROPRIATIONS.

We, your Committee on Finance and Appropriations, submit the following report:

Believing that the ministry of the Gospel of Jesus Christ is a sacred calling followed by, "Woe is me, if I preach not the Gospel," and that the man of God should spend his entire time, if possible, for the Church to which he is called, therefore we urge that our people consider the responsibility that is upon him and rally to his support so that his hands may be free to work for the salvation of the lost and the upbuilding of His cause.

Whereas, Those charges which have adopted the Storehouse Tithing Plan has proven so gratifying, we therefore recommend that all our churches adopt this Plan as a means of financing the various arms of the Church.

We recommend that the Conference President's salary be \$1500 with an additional \$100 as a compensation for his official duties as President, and that his expenses incident to his official duties as President be paid out of the arm of the work he represents.

We recommend that the two Conference Evangelists receive \$1400 each.

We recommend that wherein the apportionments fail to meet the Quarterly Meeting Evangelists' salary, that they be paid out of the arm of the work they represent.

Inasmuch as it might seem unfair to discontinue the two Quarterly Meeting Evangelists without some previous notice, therefore we recommend that the office of the second and third Quarterly Meeting Evangelists be discontinued at the close of this Conference year.

We recommend that our pastors raise the Educational Budget assigned them and send same in Quarterly payments to the Treasurer of the College.

THE INDIANA CONFERENCE

We recommend that \$1000 be raised annually on the College Building Fund until the debt be liquidated and that 15 cents per member assessed to meet interest on College Building Fund.

Whereas, The results of using the Sunday School offerings on the first Sunday of each month for Home Missions has been so successful. We urge our pastors and people to the universal adoption of the plan. Further we recommend that these offerings be promptly forwarded to the Conference Treasurer so that the 30% which is apportioned to the Home Missionary Secretary may reach him without unnecessary delay. We recommend further that all monies raised for Home Missions go through the Conference Treasurer, except gifts for special work.

All monies raised for Foreign Missions shall apply on the Budget of \$2.50 per member.

We recommend that the Minute Fund be raised on the basis of thirty cents per copy.

We recommend that the following apportionments to the various charges be made for the coming year:

Report No. 11.

CONFERENCE SUNDAY SCHOOL BOARD.

We, the Conference Sunday School Board, beg leave to submit the following report:

The Sunday School Secretary has traveled the Conference throughout the year, except one Sunday spent in North Michigan Conference, when he was assisting them in Conventions, the week of General Conference, and two Sundays in Canada. He has attended Sunday School every Sunday, and has kept in constant touch with the local workers. At every opportunity he has addressed the workers and schools. He has sought to give constructive help and encouragement to the teachers and officers, advising and informing them as to the Standards of the Church. In almost every instance splendid co-operation has been found. Gratifying devotion and a desirable degree of spirituality has been quite evident in the School work.

In the month of May the Secretary, accompanied by the other members of the Board and the Connectional Secretary, attended and assisted in holding six conventions in the Conference, each member taking part in the program of each convention. This has proven an inspiration to the Board and a great blessing to the Conventions. The Rev. I. F. McLeister, until recently the Connectional Secretary, delivered some exceptionally good addresses.

The present interest in Teacher's Training is almost nothing. The Connectional office has planned and hopes to soon materialize a simplified method of this most needed work. We then hope to again arouse our people to this needful line of work.

The Board has paid the Connectional office \$196.71; Secretary's salary, \$239.00; printing, \$7.00; postage, \$7.10. Received for Sec-

THE INDIANA CONFERENCE

retary's salary and convention expense, \$134.00 from the District Conventions.

The Sunday Schools have raised for Home Missions the sum of \$——; reporting 7,694 enrolled in Sunday School, with 492 converted and 239 joining the Church, and have expended for local expenses the sum of \$5,785.35.

The Sunday School is a distinct element in the evangelistic work of the Church. It ought, therefore, to be carefully safeguarded and organized and supervised that it may be effective and its work conserved.

We therefore recommend that the classes and departments be carefully enrolled and that those thus enrolled become a serious concern to those who have them in charge.

No literature in print excels our own in spirituality combined with efficiency. The primary grades are well provided for, both with quarterlies and papers. We insist that all our schools should use our literature and thus avoid the light and trashy element so prevalent in the print of the day.

PRESIDENT'S ADDRESS.

Dear Sisters of the Indiana Conference and Members of the Woman's Home and Foreign Missionary Society. Greetings in the name of our all-sufficient Lord:

Under the blessing of God, we have been enabled to do the work of the Society during the past year; with due appreciation and thanks to God for His continued love and favor, and His good hand upon us, and with gratitude to my sisters and co-workers for their forbearance toward us, and co-operation with us in this great work.

While our hearts rejoice over the victories won, let us not be at ease in Zion. Let us redouble our diligence in making Christ known. There is much land yet to be possessed. There never was a time when so many open doors of opportunity were before us.

The good Shepherd says, "Other sheep I have which are not of this fold." He knows where these lost sheep are and sends us forth to seek and find them. The doors are open both in the home land and on the foreign field. So I appeal to one and all as a band of consecrated, devoted women that we move forward. The Scriptures teach that God calls men and women to the work of the ministry, and also that He calls them to special work. He called Moses to the special work of delivering Israel out of Egyptian bondage. He also called Joshua to lead Israel into the promised land, and His last great commission was, "Go ye therefore and teach all nations."

In Romans 10: 13, 14, 15 we find this message, "For whosoever shall call upon the name of the Lord shall be saved. How then shall they call on Him in whom they have not believed, and how shall they believe in Him whom they have not heard, and how shall they hear without a preacher? And how shall they preach except they be sent?"

We as members of the Woman's Home and Foreign Missionary

THE INDIANA CONFERENCE

Society of the Wesleyan Methodist Church have a mission that can be filled by no other than we who have heard the Gospel story, whose hearts God has touched. May we ask what greater opportunity can life afford or missions fill than to make Christ known to those who sit in heathen darkness? To do this, He, the Prince of Peace, must have first place in our lives, in our thoughts, in our purposes, and in our activities.

God wants quality. He wants workmen who are completely separated from the world. Let us urge you as one that loves you to make Him the King of kings first in your lives. And if this desire shall fill all our lives, we at the close of day will come with rejoicing, bringing our sheaves with us. Now, thanks be to God who always leads us to triumph through Christ our Lord.

Paul desired not so much to labor where the work was well begun, but he desired to press into new fields. So we are to be co-workers with Christ in the salvation of the world.

As your President, I have been pleased with your co-operation in the Conventions, the Harvest Day, and the hearty response to the call for funds to help our dear Sister Crim in her affliction, and our hearts are lifted to God for help in her behalf, and the way you have heeded the call for the needed supplies for the Dormitories.

We are thankful for the new Societies organized and the new women that have caught the inspiration and are ready to work, pray and pay. May our slogan for the coming year be, "Our all on the altar for Sacrifice or Service."

Lovingly,

IDA HOPKINS.

Since the "Gleaners" Society is composed of people not located near any local society, but interested in missionary work and of necessity widely separated, making it impossible to meet together in services, the members gladly responded during the year in taking turns in furnishing suggestive programs to be observed the first Wednesday afternoon in each month in our own homes. Some have invited in a few friends to enjoy the hour with them and reported a pleasant and profitable meeting. The work of the Society is carried on by correspondence.

The Word teaches us to "Gather up the fragments that nothing be wasted," and this we have sought to do in this manner, and we believe the approval and blessing of the Lord has rested upon our efforts.

Any one wishing to join with us in this work will be given a hearty welcome to our society.

MRS. AURIE BODENHORN, President.
