STANDING RESOLUTIONS

1. Let it be a standing rule of this Conference that each pastor, whose total receipts exceed \$700.00 a year, shall seek to organize a new class, or to give his services in a revival meeting to one of the weaker churches whose total pastors receipts are less than \$450.00 to help establish the weaker, or new organizations; furthermore, that the church which he pastors grant him such privileges without censure and with full remuneration of salary in his absence; provided further, that such services shall be under Conference President's directions.

2. That pastors report in open Conference only the number of Wesleyan Methodists and Wesleyan Missionaries and Young People's Journals taken, loss or gain in membership; the totals in item IX and also item X.

3. It shall be the duty of the pastors to look after the insurance of our churches and parsonage properties. All insurance shall provide for the losses caused by fire and lightning, hail and tornado. A failure on the part of the pastor to do so shall be a censureable offense, unless it is impossible from a financial standpoint to do so, when in such a case, the pastor shall report this to the Conference President who shall see that the Conference shall provide the insurance, by assessing the churches, and in case of loss the insurance collected shall be used for church extension work in the Conference.

REPORT OF COMMITTEE ON RESOLUTIONS

Be it Resolved, That:

1. Our pastors read the General and Special Rules of the Discipline to the church; furthermore our pastors shall follow the Discipline in the managing of their churches.
2. Each pastor shall be responsible in securing at least one book in the Course of Study and send to the Conference Librarian who shall write the respective pastors designating the book the pastor is to furnish.
3. In addition to disciplinary provisions for the evangelists and pastors such persons shall take the Wesleyan Methodist, and the Wesleyan Missionary, the Young People's Journal and tithe their income.
4. All persons recommended to the Conference to study or travel shall remain members only when employed by the Conference.
5. No church (including member or committee) shall employ or advocate any preacher of other denominations to hold revivals or appointments

THE KENTUCKY CONFERENCE

except by consent of the Conference President, and our Conference Evangelists shall be used as far as possible.

6. Our churches shall employ preachers of our own Conference as far as possible.

7. Each pastor shall conduct, if possible, at least one revival annually, either in local church, or elsewhere, unless the Conference President shall determine otherwise.

8. Unorganized missions are not obligated to raise Conference budgets and they are not represented in the Conference by a lay Delegate.

9. All Conference Preachers, pastors, evangelists and officials give full financial report to Conference.

10. Pastors and evangelists shall attend Conference and Camp, unless good reasons be given the Conference President.

11. Each pastor shall seek to organize a Wesleyan Young People's Society and cooperate with it to keep it alive.

12. Inasmuch as there is a great wave of Anarchy or disrespect for proper authority we recommend that our Conference support our constitutional government and also the government and authorities of our Church in the Connection, Conference and local interests.

13. We record our stand as emphatically opposed to aggressive warfare, but we firmly believe in defending the principles of Democracy which includes our religious and personal liberties.

14. Inasmuch as the liquor interests are studiously seeking to ferret out every means by which to keep liquor flowing, be it Resolved, That we as a Conference, and as individuals, firmly oppose the manufacturing, sale and use of alcoholic beverages by vote; by patronizing as far as possible only places where it is not sold; by use of the educational process; and by moral persuasion.

15. Since amusement centers are increasing and are especially capturing the crowds on Sunday we should let a clear line be drawn in our teaching, preaching, and living to the effect that we are pilgrims and must abstain from all worldly forms and amusements.

L. J. CHERRYHOLMNES,

REPORT OF THE MISSIONARY BOARD

Your Committee requests that authority be delegated to the Secretary of the Conference to provide 500 maps of the Kentucky Conference with centers of population spotted where we have no churches and that each pastor be supplied with the proper number to meet the need of the churches.

The pastor shall then take the initiative in setting forth the \$.25 a month self-denial plan for each member, as provided with envelopes for the purpose of establishing new churches in the centers of populations deemed best by the Conference officials.

COMMITTEE ON THANKS

The Committee on Thanks, submits the following report:

"For what thanks can be rendered to God again for you, for all the joy wherewith we joy for your sakes before our God." 1 Thess. 3: 9.

First we wish to express our thanks for the guidance and help we have received as a Conference from the Connection. We indeed do appreciate their splendid guiding help and Christ-like spirit the past year.

The Conference feels instead of thanks we are greatly indebted to Brother Hunter and his companion for their sincere efforts to develop this Conference spiritually and every other way.

We appreciate the sincere efforts of the following Conference Workers, Brother Fossit, Brother Rothrock, and all the other Conference Officials.

We feel deeply indebted to our Missionary workers, both home and foreign, and express our sincere thanks for the good work that is being done to spread the gospel of Christ to lost souls.

In the day when great perplexing problems are facing our youth, we wish to express our gratitude to our educational institutions that are giving our youth the lasting elements of life.

We appreciate the pastors and give them a vote of thanks for bearing the burden in the heat of the day, in order that the Conference may be as it is.

We also express our sincere appreciation for everyone who has labored so earnestly that entertainment might be furnished for the Conference and coming Camp.

At a time of religious falling away, we express a sincere wish of thanks and pray for those laymen who have stood so faithfully by the Church and have held up the standard of Christian living.

REPORT OF FINANCE COMMITTEE

We, the Committee on Finance, submit the following report:

1. We recommend that all charges paying less than \$700.00 salary per year, seek earnestly to raise the salary of the pastor to that amount as soon as possible.

2. In order to support our Foreign Missionary work it is necessary that \$2.00 per member be raised for this purpose.

3. We also recommend that this Conference pay the budget of \$.50 per member for Home Missions; \$.25 per member for Hephzibah Orphanage; \$1.50 for Education.

4. We recommend that each member pay \$1.00 for Conference Missions and that the Sunday-school offering of the first Sunday of each month be applied on this, the same to be sent to the Conference Treasurer subject to disbursement by the Conference Missionary Board.

5. We recommend (1) that each member pay \$1.00 to the Conference President for serving the Conference, and that this be raised in advance of each Quarterly Meeting. (2) Each pastor shall pay the tithe of his cash salary to the Conference President, the same to be sent in monthly by the pastor. The President will send the pastor a receipt to be given to the local church treasurer. This shall not apply on the membership assessment.

6. We recommend that each pastor be responsible to send an offering to the Conference Treasurer equal to \$.10 per member to pay for the Conference Minutes.

7. We recommend the Storehouse Plan of tithing according to Malachi 3: 8-10 as the general financial plan of the Church.

8. That the Conference Treasurer be paid a salary of \$20.00 a year, and the Secretary receive \$20.00, the same to be paid at the end of the year.

9. For the assistance of disabled pastors the President shall be empowered to ask offerings from the various churches on the basis of membership, and at a rate, and for a time the need shall demand.

10. We recommend the Church Extension Card Plan, and urge all pastors to push the same.

11. All churches shall pay the current or outgoing pastor his salary or offering in advance or send when due for the Conference and Camp Meeting Sundays.

12. The Finance Committee endorse the Young People's plan of as-

THE KENTUCKY CONFERENCE

sisting the workers of Hope Mission and Jamestown Mission. (\$1.00 a month per society.)

13. Immediately after Camp Meeting each year the pastor shall call the stewards and agree on a set salary for the coming year.

14. Every new pastor's moving bill should be paid by the new church.

15. All churches paying less than \$700.00 cash per year shall give monthly donations above the salary.

16. We recommend that each church send the Conference Treasurer \$5.00 on or before January 1, 1942.

17. We recommend that in accordance with the action of the Book Committee that all newly organized churches and organized missions be exempted from the Connectional Budget for the first two years. Also that they should be exempted from the Conference Budget the first year and take free will offerings for the Conference Budget the second year.

18. We recommend that all evangelists pay one half of their tithes to the church for which they hold meetings, and the other one half to the church in which they hold membership.

REPORT OF COMMITTEE ON RESOLUTIONS

We, the Committee on Resolutions, submit the following report:

We wish to express our gratitude and praise to our Heavenly Father for His mercy and loving kindness bestowed upon us during the past year. Therefore be it resolved:

1. We do urge our women to intelligently familiarize themselves with the teachings of the Church: First, concerning doctrine and personal experience. Second, that we conscientiously devote ourselves to the promotion of our Church interests, that we become familiar with our Plan of Work, and that we set ourselves to the task of efficiently applying said Plan. Third, concerning dress as instructed by Peter and Timothy (1 Peter 3: 3, 4; 1 Tim. 2: 9, 10). And as exemplary Christian mothers, we train our children and youth to modesty and proper respect for the sacredness of their bodies; that we teach them not to wear the low cut, sleeveless dress and the short skirts which expose the limbs of children; that we teach them the facts of life. Deploring the tendency to nudity of body and limbs at bathing beaches and pools, on the streets, in the schools, and even in the churches of our land—we do urge that our children avoid all garments which accentuate the suggestiveness of sex.

2. We do deplore the low standard of morals existant in the common ranks of society which destroys the sanctity of marriage and encourages divorce which tends towards promiscuity and free love. We do deplore the present attitude toward sin, Sabbath desecration, drinking, cigaret smoking and the increasing use of the Marijuana drug.

3. We deplore the anti-Christian and blasphemous trend of the modern school program, wherein God is insulted and despised, and in which natural appetite is deified; the tone of the present day literature which lifts the degrading practice of smoking and drinking on to a plane of legitimate art; and which features flirtation and courtship between the married as a matter of course. We urge our strongest opposition to profane literature and ungodly amusements which do now corrupt our land.

4. We pledge to refrain from patronizing restaurants and stores that sell liquor if it be possible, and in every effective way show our disdain for the liquor traffic.

THE KENTUCKY CONFERENCE

5. That we urge our women to recognize intercessory prayer as the most important phase of our missionary work, not forgetting to uphold our suffering sisters throughout the world in this time of distress and war.

6. That we urge our women to recognize intercessory prayer as the most important phase of our missionary work, not forgetting to uphold our suffering sisters throughout the world in this time of distress and war.

7. We recommend that these resolutions be read publicly at least three times during the year in each society and that they be made familiar to each new member.

LORINE HAYES,
WILMA CHERRYHOLMNES,
