## REPORTS OF COMMITTEES.

---

### REPORT NO. I.

#### President's Report.

We desire in presenting our official report and statement of work in the Conference during the year, first of all to thank God for his watch, care and providential guidance.

Death has not invaded the ranks of our ministry during the year and we all have been preserved in a good degree of health. To Him let us render gratitude and praise.

The year has been one of severe testing in many ways, chiefly from floods and excessive rains which have destroyed the crops in many places and done much damage in sections where most of our churches are located. Notwithstanding these reverses our people have rallied and manifested their integrity to the cause and willingness to sacrifice in its maintenance.

We believe our financial showing will compare favorably with that of other years. Numerically and spiritually, we believe reports will show an encouraging increase. There have been several gracious revivals in the Conference during the year that have resulted in accessions to our churches. A general feeling of encouragement and uplifting is apparent throughout the Conference. Never have we had more self-sacrificing devotion and consecrated talent than characterizes the ministry of the Lockport Conference to-day. Let us thank God and take courage and walk in humility before Him, looking for greater displays of his saving power.

The report of Committee on Pastoral Relations of our last session shows that the following churches were left in the hands of the President to be supplied or provided for: Bennetts, Emporium, Forestville, Palmerville, Steamburg, Wyoming and Yorkshire, (or Delevan.)

On investigation we found only two members at Bennetts. They have no place of worship, and are so far removed from our other churches that we find it impracticable and unadvisable to maintain preaching there, and advise that this appointment be stricken from our roll.

We visited Emporium, Pa., and found that the small church there had decided not to re-rent the hall where they had held their services for several years; and as no suitable place could be obtained they have been obliged to dispense with regular preaching. We trust something may be done in the near future to establish our work in this flourishing town. They need a church building.

Forestville charge has been acceptably supplied under our direction by the Rev. C. W. Moshier, a licentiate in our Conference. Brother C. W. Moshier has labored very faithfully and the church has been blessed and strengthened and souls saved.

This Conference at its last session was informed that Palmerville church had been irregularly transferred to another place, known as Hazelnurst, Pa. The Conference instructed the President to visit and investigate the matter. We did as directed and found a few faithful members who are true Wesleyans and who desire to continue in our Conference. They have had occasional services during the year from Brethern C. P. Sage and G. O. Bruce. We visited the work in February in company with the Rev. G. O. Bruce. We held meetings for a week with good results and increasing interest. On our departure the meetings were continued by the Rev. G. O. Bruce and the Rev. J. N. Bedford who came to his assistance. Souls were saved and members added to the church. We consider the outlook very favorable under wise efficient direction for a strong church and permanent work. There

are also adjacent points where our Brethren held a few services with grand results, which are appealing to us for help. We trust some arrangement can be made to furnish them with a good preacher and pastor. We also recommend that the Committee on Boundaries recognize the present organization at Hazelhurst and change the name accordingly.

We visited Steamburg soon after Conference and conducted a Quaterly Meeting and made the best arrangements we could for the work at that time. They have been supplied occasionally with preaching and of late the Rev. I. Hodgkins has preached for them quite regularly.

By request of the Wyoming charge and with our sanction the Rev. C. P. Sage was installed as pastor and has continued on the work during the year.

In harmony with the request of the church at Machias, we secured the services of the Rev. C. R. Hawkins, a licentiate of our Conference who has preached to them with great acceptability during the year.

Delevan, the other appointment on this charge, desired to be left without preaching as their church needed repairing and they purpose to secure money from the rental of the parsonage to repair the church. We trust some step may be taken to open this church for regular preaching soon.

The Rev. G. W. Steele who was assigned to the Huntley charge at our last session, owing to advanced age and there being no suitable place for him to live in on the charge, tendered his resignation of that pastorate last Fall. After consulting with our "Advisory Board" his resignation was accepted. Since that time the charge has been without regular preaching.

The Rev. J. D. Brown, pastor at Higgins, resigned his pastorate last January and united with and accepted a pastorate in another denomination. Upon the call of the church and with our approval, the Rev. G. W. Cooper has preached to them the remainder of the year.

Also the Rev. W. Brown, to whom this conference at its last session assigned Napoli and Red House charges, left his work and pastorate about the first of last January. We are informed that he has united with another denomination.

At the call of the Red House Church, and with our sanction, the Rev. W. A. Backus has supplied the work. The Napoli Church has had no preaching since the departure of the Rev. W. Brown.

The Rev. N. F. Robb and the Rev. J. T. Brennan requested and have been granted letters of standing.

The Rev. E. H. Post and the Rev. C. G. Wagoner have been received as Elders in this Conference on letters of transfer from the New York Conference.

The Rev. W. A. Backus who was granted a letter of standing by this Conference at its last session, desired to return the letter, which was duly received.

We have visited every charge in the Conference, with one exception one or more times. We have held forty Quarterly Meetings and twelve weeks of special meetings. We traveled about six thousand miles in our conference work and have had the best health we have known in years. God's blessing has been upon us: His power has kept us and His grace has been sufficient every moment. To him be all the praise.

Our collections have amounted to \$301.59. Traveling expenses, stationery, postage, etc., \$72.00

Our book and accounts are open to inspection.

Respectfully submitted,

C. H. DOW, President.

No. 7. Sub. (1). No change. Sub. (2). Put in the words: "Annual Conference preacher", where the words "Licentiate" now appears. Sub. (3-4). No change. Sub. (5). Say: "Annual Conference Preacher" instead of "Licentiate." Sub. (6-7-8) No change.

No. 8. Sub. (1). Strike out the words in brackets, and all that follows. Sub. (2 to 9). No change.

Sub. (10). To read as follows: "Is there any good territory within reach of your work that is a good field for Missionary work?" Make the numbers following to correspond with this change.

Add the following at the end of the section to be known as No. 11:

"The President of an Annual Conference or any minister whose name is on the stationed list, may call a special session of an Annual Conference to meet at the place designated in the call, when two-thirds of the ministers whose names appear on the stationed list shall sign a

petition asking for a special session. The only business that can be transacted at such special session, is that which is set forth in the call, unless the unanimous consent of all the members of those present shall be obtained to transact other business, but in such cases three-fourths of the ministerial members of Conference, with the majority of the delegates present shall constitute a quorum. A majority of those present shall be a sufficient quorum to transact all the business mentioned in the call."

#### SECTION VIII.—Page 61.

No change till No. 5. Page 62. Change to read as follows: Put a semicolon after the phrase "of which he is a member," and add, "Provided further, that the pastor of the charge or church which recommends said person to be a suitable person to be licensed to preach, shall have examined said candidate, as to his literary attainments, Christian experience and ministerial gifts, recommend that he be licensed. Said examination should be equivalent to the preliminary course of study as prescribed in order to be recommended to the Annual Conference to be suitable." Then on page 64, tenth line from the top of the page after the words: "License to said person" say: "And said preacher shall be known as an Annual Conference preacher." Balance of the No. to read as it now does till the last two lines at the bottom of the page is reached. Here put a period after the word "sufficient," and strike out the rest including the word "required," at the top of page 65. Then on page 65, put a period after Section XXXIV and strike out the following words: "And it shall have power to recommend suitable persons for elders orders." No further change in the number to be made.

#### SECTION IX.—Page 67.

No. 2. Page 69. Have No 2, read as follows: "An Annual Conference Preacher is one who has been accepted and licensed by the Annual Conference as a suitable person to travel under its direction. Said license must be renewed at each session of the Annual Conference issuing the same. He may take a letter of standing or transfer, when nothing appears against him. Said Annual Conference preacher shall be amenable to the Annual Conference for his ministerial conduct, the same as an Elder.

No. 3. Make No. 3 to read as follows: It is to contain the first 8 lines of what is now No. 2, drop out the next 16 lines. Then beginning with the words "Every Licentiate," page 70, change so that it will read as follows: "Every Licentiate shall be amenable to the Quarterly Con-

ference that granted the license, unless he has been transferred by his pastor to some other Quarterly Conference. In that case he shall be amenable to the Quarterly Conference to which he has been transferred." Strike out all the rest.

No. 4. Page 72. Change this number so it will read as follows: "An Evangelist is an Elder or Annual Conference preacher, devoted to traveling and preaching the gospel, without a specific pastoral charge. The Annual Conference may appoint Evangelist to travel through their respective bounds, or such portions of them as they may designate as their field of labor and when so appointed, shall define their duties. No Annual Conference can designate as their field of labor any territory within the bounds of another Conference; nevertheless Annual Conferences may employ as Evangelists and Pastors who are members of other Conferences, but when so employed said Evangelist must take a letter of transfer to the Conference that employs him. This does not apply to preaching by invitation of the pastors."

No. 5. Page 72. Change so as to read as follows: "Pastors should be Elders, but Annual Conference preachers may sustain the relation of pastors, and perform the work of a pastor, including the administration of the ordinances, the solemnization of matrimony, when the laws of the State wherein they reside will permit them to do so; provided that they obtain a written statement from the President of the Annual Conference or Missionary Secretary that they are pastors or missionaries. Said statement must give the name of the charge and the time of service, and that it is by virtue of that fact, that they have this authority, and not because they have an Annual Conference license. This authority must be given in addition to the license, and only to those who are Pastors or Missionaries. When two or more Elders or Conference preachers sustain the pastoral relation," etc., balance to read as it now does.

Sub. No. (3). Page 73, add to what is there now the following words: "And to give letters of standing and transfers to licentiates, who desire the same."

Sub. No. (11). Page 74, should read as follows: "To leave to his successor a particular account of the charge or station, including the names of all the members and probationers on the charge, the same to be written down in a good substantial book, so that it may be handed down from successor to successor." This record shall show who takes the Wesleyan Methodist, and give the P. O. Address of each member.

## REPORT NO. VI.

## On Disposition of Conference Money.

Your Committee to whom was referred the question of the disposition of all money raised on the various charges within the bounds of this Conference for missions and education, begs leave to make the following report :

(1) That all money raised on any appeal be paid as the appeal demands.

(2) That on final settlement with the Connectional Treasurer that if it should appear that more money has been paid into the Connectional Treasury than would have been paid in on the Dollar Plan, that an amount shall be asked from the General Treasury as an appropriation, as will make the amount in the Conference Treasury equal to what it would be if all had been paid in on the Dollar Plan.

(3) That in order to ascertain this amount we require all pastors, not only to report all the money raised on their charges for missions and education, but also to state to whom they paid it, and that the same be entered on the books of this Conference, and that these reports be made the basis of determining how much money should be asked for from the parent society, to give us an amount equal to our share on the Dollar Plan.

(4) We recommend that, if possible, this Conference put a missionary in the field, and if necessary to ask the co-operation of the parent missionary society in the matter. Our borders should be enlarged, and our weak places strengthened, and the stronger one called upon to support the weak, and comfort the feeble-minded.

## RESOLUTIONS.

## No. 1.—PETITION.

Whereas it is the mind of this Conference that the Rev. S. Bedford is the proper person to take the work at Westons and Olean, and, as far as we are able to learn, the class at this work has given a unanimous call for his services through their delegate, and, whereas previous arrangements with the Rochester Conference prevent the Rev. S. Bedford from accepting this call although feeling its importance and its critical condition:

Resolved that we as a Conference sanction by a unanimous rising vote the call of the delegate from the above mentioned work and earnestly request the Rev. S. Bedford to accept that work; also that we petition the Rochester Conference to release the Rev. S. Bedford from his previous arrangements with them and permit him to accept the call from Westons and Olean which in our best judgment is the call of God.

J. S. WILLETT.

## RELIGIOUS SERVICES.

Meetings were held each evening during the Conference session.

The opening sermon was preached by the Rev. J. R. Jeffrey. The Revs. E. H. Post, formerly a member of the New York Conference, now a member of the Lockport Conference, C. W. Smith of the North Michigan Conference, E. Teter, our Missionary Secretary, and J. S. Willett preached the Word of Life to large and attentive congregations.

According to the promise that Word did not return void but produced the peaceable fruits of righteousness. The meetings were helpful, in every sense of the word, and our souls took on new strength and courage.

We were sorry to miss hearing our Connectional Agent, A. W. Hall, who on account of sickness returned to his home at Houghton, N. Y. May God strengthen Brother Hall and bless his body for the arduous work before him.

The business part of the Conference was transacted with harmony and dispatch, and the attendance was larger than last year, while the spirit of the Brethren was that of unity and peace.

Service on the Lord's day was commenced by an old-fashioned love-feast which was in charge of the Revs. R. F. Dutcher and S. W. Bond. God's glory came down on the people as they sat together once more in heavenly places. The Word was preached plainly and fearlessly by the Rev. E. Teter. The communion service was conducted by the Rev. E. H. Post and this service was followed by the ordination service which was in the hands of the President.

The pulpit in the Methodist Episcopal Church was filled by the Rev. R. F. Dutcher in the morning and the Rev. Chas. Sicard in the evening; the Free Methodist Church by the Rev. S. W. Jennings in the morning and the Rev. C. R. Hawkins in the evening.

The meetings were blest of God and some were saved and others sought and obtained purity of heart.

May the Father of all good continue to bestow his blessing upon his servants as they shall labor another year in His cause. Amen.

J. S. WILLETT, Secretary of the Lockport Conference.
