Whereas The Wesleyan Methodist Teachers' Quarterly, July-August-September Quarter, states on page 51 that the number of people recorded in the Bible (600,000) is wholly unrealistic and as corrupted by wall-meaning scribes, and;

Whereas, The cloud (ibid, page 52) is suggested as reflecting a glow of fire rather than being a pillar of fire, and;

Whereas, The crossing of the Red Sea (ibid, page 54) is discussed in such a way as seeming to minimize miracle, and;

Whereas, The wall of water, (ibid page 54) is pictured as not being distinct or high and states, "Nothing is gained... by having fluid water stand up perpendicular", and;

Whereas, In reference to Jesus the quotation is given: "Numerous traditions have grown up around Thomas, for example, that his twin was a sister named Lydia or that he was a twin brother of Jesus himself;" (January-February-March Quarterly 1961 page 125), therefore;

Be it resolved that the Georgia Conference go on record as being opposed to and as requesting published explanation for this seeming let-down of the Fundamentalist view-point.

Signed: Robert L. Brush

Report #8- CONFERENCE TREASURER

In order to help the conference understand the first section of this report it is necessary that I give you additional information. I wish to congratulate you on your efforts this past year in the work of the Lord. All items of General Budget have been paid with the exception of \$226.65 on Education and \$77.03 on General Sunday School. I regret that these items were not paid in full. Items on General Budget are assigned at set amount per member and when any church fails to pay their budget in full for that item, it is left unpaid unless some other church is very active and overpays their budget by that amount. I realize that some of our churches have done their best toward paying their budget and have not quite made it. Some of the churches that have paid their budget in full were the ones least able to do so. Three churches in the conference have made no attempt to pay their budget nor have they even written a letter to acknowledge their responsibility to the organization. I trust that every pastor and every delegate will go back to their homes aware of the need and of the responsibility of the local churches.

In all the Conference Budget items we have had a successful year. Due to the cooperation of the churches and the skillful leadership of Rev. Hicks, we have a good report. As you are all aware, we began the year with .00 in President's salary fund, .00 in the Conference work fund. Also the conference voted to overdraw the President's salary in the amount of \$354.90 to pay Rev. W. M. Phillippe, Jr. the salary due to him. This was paid in full at Conference last year. We began this year overdrawn by that amount. By vote of the Conference, each Church was to

## Report #8 Continued

pay \$1.00 per member to repay this and other unpaid expenses reported by Rev. Phillippe, Jr. It would seem that the churches did not wish to do this as only 8 charges responded to this request sending in a total of \$269.00 which was used toward replacing the amount overdrawn. This left \$85.90 that was not repaid. However due to the fact that this conference year had only 11 months in it and Rev. Hicks was paid for only eleven months and because Rev. Hicks paid into the President's salary fund \$230.32, we were able to overcome this shortage. Due to efficient operation and aided by Rev. Hicks' payment of \$221.00 into the Conference work fund, we were able to complete the year with a good balance in that fund. President's parsonage fund was changed from a non-budget item at conference last year and began the year with \$23.13 was aided by payment by Rev. Hicks of \$150.00 which enabled us to finish the year with a good balance in that fund. Ashburn Camp fund closed the year with \$77.50 in treasury, because this amount came in after Ashburn Camp had closed.

Non-budget items of interests include the sale of the Conference parsonage at Odum for \$4,555.00 to the Liberty Wesleyan Methodist Church. After deducting the amount of the loan due on the property the net proceeds of sale (\$3,408.78) was deposited with the Wesleyan Investment Foundation. Conference Extension funds (\$60.00 of which was paid by Rev. Hicks) has paid \$300.00 toward the purchase of Prinson Memorial Church and has agreed to pay \$200.00 more when the deal is closed. Conference pioneer has paid to Savannah First Church \$731.40; to Darien \$550.00. The Home Department and the Wesleyan Investment Foundation has loaned Liberty in Turner County \$600.00, Savannah First Church \$279.73, and the Brinson Memorial Church \$1,000.00. The Home Department has given aid in the amount of \$3,470.71. Aid was disbursed as follows: Conference President \$600.00 (Phillippe \$50.00) (Hicks 550.00), Savannah \$878.21, Darien \$550.00, Jesup \$357.50, Toccoa \$385.00, Waycross \$150.00.

We should give our thanks to the Home Department and every member of our Conference should be a member of the Card Call Plan and support every effort of the Department.

The cost of the Pioneer calendars was paid from pioneer funds (\$19.21).

Conference Work funds were disbursed as follows: The operation of the President's office \$1,518.13. This includes office and travel expense, telephone and all board meeting expense with the exception of \$66.22 which was paid from funds from sale of the Conference Parsonage. This also includes the cost of all stationery for President, Vice President, Secretary and Treasurer. This includes phone bills of \$68.70 paid for W. M. Phillippe, Jr.

Please note that \$70.00 was paid by the WMS for their part of 1960 Minutes.

Also please note that over payment of the Pension Plan is due to this item being paid in this conference year to make up a deficiency from last year and a special offering of \$211.50 is not posted to any church account. Also \$20.75 for another Pension Plan offering with no budget credit.

## REPORT 15- DIRECTOR OF CYC

"And that from a child thou hast known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus." II Timothy 3:15

Pray of our Conference that we can say of our children in the future what Paul could say of Timothy. We can not help the past but we can do something about the future.

I am grateful for the interest that some of our churches are showing in the CYC program. Some are showing a keen interest; others are beginning to. I have contacted several of our pastors and received reports from four. I am praying that others are considering it seriously. I met with the Sunday School Secretary in Covington to make plans for our CYC Camp.

While there I held a service in the church. I assisted Rev. Arnold as co-director in the CYC Camp. There were no funds received this year.

## REPORT #23- EDUCATIONAL SECRETARY

Greetings in Christ,

Believing that education is of vital importance to the growth of the Conference, we urge every pastor and member to strive to support the financial program which Central Wesleyan College is in.

On behalf of Central Wesleyan College, six letters were written in the capacity of Secretary and five interviews were held with prospective students concerning the college.

May God's blessing continue to rest upon Central and may He continue to lead in its development.

James C. Meaders, Secretary

## REPORT #24- MORAL REFORM

Believing that the followers of Christ are responsible for exercising influence upon our nation and the world, the following resolutions are presented:

1. The Home: As the family is the foundation of our society, we urge family devotions, family activities and discussions. Our families should seek to hold a consistent standard of righteous living by guarding against unprofitable and evil radio and television programs, unwholesome music and literature which does not serve a worthy purpose.

## REPORTS

## Report 24 (Continued)

Rather than criticising our youth, let us purpose to lead them into the things of God by understanding their problems and diligently showing them the way.

An urgent need exists for instruction concerning the evils of tobacco, alcohol, and the attendance of places of questionable reputation.

2. The Church: We urge that each church support the Annual Conference and General Conference programs. We feel definitely the need for a pouring out of God's Spirit upon His people during this dark hour in the history of the world. We must proclaim Jesus Christ as "The hope for all mankind".

We recommend that each church endeavor to arrange youth programs of recreation based on Christian principles.

3. The School: The public schools which our children and youth attend often offer activities detrimental to Christian conduct. We recommend that our youth refuse to participate in such activities, and that requests and explanations be made to the proper authorities. We reaffirm our faith in the creation of man by the immediate creative act of God according to the Genesis account and not by the process of evolutionary transition.

4. Social Integration: We urge continued opposition to the movement of social integration, inter-marriage, and other such institutions. We further oppose violence and disorder as created by the so-called "freedom rides" and "sit-in" movements. We believe that such movements are organized by Communists pressure groups and are a result of Communist teaching and infiltration.

5. Political and Religious Freedom: The government that leads our nation needs and should have our prayers. We urge continued support for our constitutional and historical position of the principle of separation of church and state. We further urge our people to begin now to build an effective opposition to the re-election of a Roman Catholic to the Presidency of the United States. We urge that all pastors stress to the people the importance of voting in elections at all levels of government.

Be it further resolved that the Conference oppose Communism wherever possible, on all fronts and continue to oppose the admittance of Red China to the United Nations and U. S. recognition of said country. We urge our people to write their Congressmen, Senators and government officials concerning this matter.

We also urge that our people oppose higher taxes and fight inflation when possible.

Committee: Mrs. Madge McKinley  
James C. Meaders

## REPORT #5 - Y. M. W. B. SUPERINTENDENT'S REPORT

Madam Chairman, members, friends and delegates of the Georgia Conference, Greetings.

It has been a real pleasure for me to serve as your conference Y. M. W. B. Superintendent for the past two years as the Georgia Conference and two years of South Georgia Conference. I am grateful for the confidence that you had in me when you placed me in this responsible position. I assure you that I have done my best to preserve that confidence.

Members, friends and delegates, let's pledge more loyalties and prayers to this great organization, the Y.M.W.B., and let's tand by our local superintendents in which lies the success of our bands of tomorrow and our future missionaries.

## W. M. S. REPORTS

## REPORT #5 - Continued

It is time for the Y.M.W.B. to move and reap as the fields are white unto harvest, time is growing short. My prayer is daily that we may all have a vision of lost souls. I think it might awake some of us if we were so burdened for the lost that we couldn't sleep at night, for seeing the following: "leathery-skinned face of a leper in Formosa", "the tear-stained face of a refugee child in Hong-Kong", "the lined and weary face of a faithful missionary in India", "the sad weary faces of those hundreds of people around the world who look to us for help and guidance are still in the dark". To make Him known takes funds, prayer and faith and enthusiastic effort (plain hard work).

Who is to blame?

Millions of heathen are dying today, worshiping idols of wood and of clay. If only they knew of "The Wonderful Name". But they are in darkness, and who is to blame? Lost in a world of despair and of night, groping in darkness without hope or light. Living in ignorance, dying in shame, seeking the gospel, who is to blame? The fields are white unto harvest. Dear friends, won't you kindly a helping hand lend? The world is in darkness, and who is to blame? Some of our workers are ready to go, and the heathens are waiting the gospel to know. Funds are not sufficient, and oh what a shame, when they are seeking the gospel, then who is to blame? Let's send them the blessed gospel of light, for it will banish their darkness and night, not that we are working for glory or fame, but this is our duty, so aren't we to blame?

May I ask the question, who is to blame for our churches losing the vision of missions through the Y.M.W.B.? We have 36 churches in the Georgia Conference and only 14 reporting work. May we all get a vision to teach our children about mission work through the Y.M.W.B.

I have sent out 54 pieces of mail, expense of stamps \$3.08, stationery \$0.98; total for stamps and stationery \$4.06, received from desk fund \$3.84.

It is in a spirit of deep humility and with great gratitude that I submit the above report. Even though we have not accomplished a great deal we have tried to do our best. Now that we approach the climax of this conference year we are still working toward one very significant goal, "Win the lost at any cost".

Respectfully submitted,  
Mrs. Nathan Poppell  
Conference Y.M.W.B. Superintendent

## REPORT #7 - PRESIDENT'S REPORT

To the members of the third annual session of the Georgia Conference, greetings:

"We serve the Lord Christ"--He who is the object of our supreme affection, the source of salvation and inspiration, the Author of the Gospel which it is our business to promote.

## W. M. S. REPORTS

## REPORT #7 - Continued

The activities of the past year have been limited by serious illness. Nevertheless, it gave a wonderful opportunity to prove in my own life promises which heretofore there had not been opportunity to claim. How very mysterious, at times, are the workings of our Lord and "His ways past finding out".

On September 21 - 24, the Georgia Conference was host to the Southern Area Quadrennial missionary convention at the First Church of Atlanta. Such an opportunity rarely knocks at the door of our Conference more than once in a life time. The officials of our denomination expressed sincere appreciation to the Georgia Conference for their entertainment and the work done to make the convention successful.

Upon the resignation of Rev. Mrs. Louise Kerr as the Augusta Chairman, Mrs. R. N. Cooley was appointed by the executive committee. Also, Mrs. Delbert Stuart was appointed Conference Magazine Solicitor upon the resignation of Rev. Mrs. Ella Cawthon.

In March Rev. Malcom Ellis held four district conventions.

Over 100 pieces of mail have been sent out with remuneration of \$5.00 for expenses incurred.

Thank you for the privilege of serving you. I do pray for you and trust you will feel the undergirding of the Holy Spirit in your work.

Respectfully submitted,  
Nancy Swauger, President
