The same shall be filed with the President of the Conference who shall deal with the situation as he sees fit.

Pension Plan—The committee elected at last conference session to study the Pension Plan in relation to this Conference and make recommendations gave the following report:

Report of Committee on Pension Plan

Fourteen elders of the Conference are now members of the Pension Plan, and three others are superannuates who are now receiving benefits. The committee distributed questionnaires to determine why more of our ministers have not joined the plan. Four of these 24 expressed intention of joining the plan soon. The other 20 gave a total of 27 reasons as to why they have not joined as yet. They are as follows: Lack of information concerning the plan, 6; Lack of funds for joining, 7; Benefits not available until ordination, 4; Other objections to plan, 6; Dissatisfaction as to method of figuring years of service for himself, 1; Procrastination, 1; Not been approached by committee, 1; Will join when it appears the Conference is in the plan permanently, 1.

The committee realizes that the plan is not perfect, and that it will need some adjustment and that some minor phases of it may never be approved by every minister of the denomination, also that it is a distinct advantage for the plan to be operated by the denomination rather than by the several conferences. We realize also that as many ministers as possible should receive benefit from the investment the conference is making. In order to enable as many ministers as possible to become members of the Pension Plan, we make the following recommendations:

1. That a committee be elected to continue the work this committee has begun.
2. That the committee endeavor to get answers from all ministers who have not returned the questionnaires.
3. That the committee endeavor to give information regarding the Plan to all our ministers.

4. That it be specifically called to the attention of the ministers that neither the entrance fee nor the back assessments must be paid by cash.
5. That the committee designate one of its members to solicit ministers to join the Pension Plan.
6. That the committee prepare proposed memorials to the General Conference, which shall be submitted to the Annual Conference, giving special attention to the case of benefits for unordained ministers and to other matters which the questionnaires indicate to be objectional.

Standing Rules and Resolutions

1. That no member of the Conference shall have his character passed who fails to carry out all the rules and orders of this Conference, unless providentially hindered, except upon a three-fourths vote of the body.

2. That we affirm our faith in the soundness of the position taken by The Wesleyan Methodist Church of America in denying any of its members membership in any secret society. Hence we as a Conference require that our pastors and churches shall not elect, or suffer to be elected, superintendents if they hold membership in secret societies.

3. That we earnestly urge all our Licentiates not receiving any appointments to pastoral or evangelistic work to preach at least once a month, and also to hold if possible a two-weeks' revival during the year.

4. That no person be licensed to preach who does not tithe his income; that all our licentiates be required to faithfully tithe their income; and that the license of no preacher be renewed, who fails to tithe.

5. That it is the sense of this Conference that our houses of worship shall not be opened to any evangelist or minister of any other Church to hold a series of meetings or to maintain a regular appointment for another congregation; provided, however, that usual denominational courtesies be extended to other ministers in occasional appointments.

6. We recommend that all charges and stations to which the pastor moves pay the moving and transportation expenses of said pastor, the same to be done in addition to his salary.

7. That the pastors be required to raise their Minute Money and send to the Conference Treasurer within sixty days after they receive their Minutes.

8. That this Conference elect a Tithing Secretary, as provided for in our Discipline, whose duty it shall be to visit each charge at least once a year, if possible. Each church visited shall raise at least the traveling expenses of the Secretary at the time of his visitation.

9. That each local church or charge elect a Tithing Secretary, whose duty it shall be to thoroughly canvass the membership of the church or charge each quarter and labor most carefully to induce each member to strictly tithe his income and to place the same in the church treasury for the purpose of meeting all the claims of the church, both locally and generally. The Secretary shall report at each Quarterly Conference the percentage of the membership who are tithing in keeping with this plan, the percentage who are giving in other ways, and the percentage who are not giving at all. Each pastor and church shall co-operate with these Secretaries in every possible way in order to make the entire membership of this Conference strict tithers.

10. That we as a Conference put forth every possible effort through education, pulpit, preaching, voting, and other means to advance the cause of temperance and to secure legislation for abolishing the sale of beer, wine, and whiskey for beverages.

11. That the Trustees of the South Carolina Annual Conference, together with the President of the said Conference, be and they hereby are empowered to execute all necessary papers, mortgage deeds, and papers of a like character, when necessary to secure loans to the South Carolina Annual Conference or to any church needing funds to liquidate Conference, church, or parsonage indebtedness, provided that the party or parties requesting such action shall set forth in writing the true nature and purpose for which the loan is requested (this writing is to become a part of the permanent records of the Trustees) and that the Trustees and President of said Conference are satisfied that the object for which said loan or loans is sought is both necessary and desirable. And the Trustees of said South Carolina Annual Conference are also hereby empowered to sign any or all deeds and papers for the transfer of real property that is now or hereafter may be held in trust by said trustees, where the sale of Conference, church, or parsonage or other real estate has been approved or authorized by the President of the Conference with the concurrence of his entire Advisory Board.

12. During the interim of Annual Conference the Missionary Board shall be duly authorized to draw on the funds for Conference Work, and Conference Missions, as it deems best for the interest of the Conference, and the Treasurer shall be authorized to make payments from these funds upon written order signed by the President and at least one half the other members of the Missionary Board, or signed by the President in behalf of the Missionary Board.

13. Any church which engages in a building or remodeling project or which purchases a parsonage, church building or a lot on which a church or parsonage is to be constructed, regardless of whether the property is to be owned by the local church or the Conference, is required to have the plans approved by the Conference Board on Church and Parsonage Building and Location.

Any church which secures aid from the Conference must have its property deeded to the Conference Trustees, as is required by our Discipline; and any church which engages in a building or remodeling project must have the plans approved by the Conference Board on Church and Parsonage Building and Location, according to the requirements of our Discipline, if said church is to receive aid from the Conference for these building projects.

14. All pastors shall have their Statistical reports in the hands of the Statistical Committee by 8:00 a. m. Wednesday of Conference.

15. The salary of the outgoing pastor shall close on Sunday preceding the opening of Annual Conference and the church is required to include the week of Conference in the incoming pastor's salary.

16. In the ordination of ministers to Elder's Orders, it shall be the policy of this Conference to ordain only those ministers who have passed the course of study as required by our Discipline.

17. Each charge should give its pastor the privilege of being away from his church, or churches, for two meetings per year, and no pastor is to be away from his charge for more than two meetings per year without a vote of his church, or charge, giving permission.

18. All officers and committees shall take up their duties at the close of the sitting of conference in which they are elected.

19. Conference shall convene each year on the Tuesday nearest July 15.

20. The books of the Conference Treasurer shall close two weeks before Conference.

21. The Conference Secretary shall be the Committee on Credentials.

22. Mr. Talmage Evatt, Treasurer of the South Carolina Conference of The Wesleyan Methodist Church of America, or his successor, is authorized to sign United States bonds held by the South Carolina Conference of The Wesleyan Methodist Church of America.

23. When a church engages in a building or remodeling project at least one-half of the estimated cost of the project must be on hand before said project is undertaken unless other satisfactory arrangements are made. If other arrangements are made the Board of Trustees must approve them before they are considered satisfactory.

24. A church which is not on a charge with other churches may keep only one record book for church and quarterly conference records and the Church Clerk serve as Quarterly Conference Clerk.

25. The President shall appoint an Auditing Committee in time for it to audit the books of the treasurers before Conference.

26. If a pastor desires to resign his work during the interim of Annual Conference, he shall give the President and his Advisory Board notice at least two weeks before the effective date of his resignation. However, if the President and his Advisory Board deem the cause for his desire to resign sufficient, they may accept the resignation immediately.

27. If a church obligates itself to its pastor in a financial way and for some reason fails to meet its obligation by the end of the conference year, the board of stewards of said church shall state in writing their reasons for not raising the amount pledged. The same shall be filed with the President of the Conference who shall deal with the situation as he sees fit.

Reports of Committees

Report No. 1

PRESIDENT'S REPORT

With a sense of unworthiness and yet with a sense of great joy and deep gratitude we report to the sixtieth session of the South Carolina Conference. By the co-operation of the entire Conference and the help of Almighty God we can report that this has been a good year. The reports will reveal an all-time high in budget contribution. Several churches report gracious revivals that will reflect a gain in church membership for the Conference. Our great need is a genuine revival in every church. This should be our slogan for 1952-1953. This will bring increases financially, materially, numerically, spiritually, and make for better pastor-laymen relations, decrease church problems, relieve tensions, and settle old scores.

This has been a year of unrest throughout the United States. Some of the factors contributing to this unrest are: the uncertainty of the Korean truce talks, the designs of the forces of Communism against this country, the greed, graft, corruption, and petty politics in high governmental circles, the strife between capital and labor, and the crisis facing us in the political world. Some of this spirit of unrest has been felt by some of our churches and pastors. This has hindered our progress. While these tremendous situations face us, let us remember that our God is greater than our crisis, bigger than our problem, and sufficient for our need.

Conference Paper

The Conference paper, South Carolina Challenger, is proving its worth to our people. Ten issues have been printed to date. Miss Sallie Evatt, Editor, is doing a splendid job and Rev. J. C. Lackey, Business Manager, is working faithfully at his task. The Publication Staff and the contributing editor are laboring hard to make this a good paper.

Holy Land Tour

I shall ever be indebted to the people of the Conference for their efforts, prayers, good wishes, and financial help in making possible our visit to the Holy Land. \$509.21, which is about 40% of the cost, was contributed by individuals and churches for this 16,000 mile trip. Words are inadequate to tell what the trip meant to me. I have tried to share the benefit of the trip through the columns of the Challenger, in the pulpit, and in the showing of the slides.

Improvements

Easley (Alice) Church added 4 new Sunday School Rooms, built a vestibule, erected a tower, sheet rocked and celetexed the interior of the church, installed rest rooms, at a cost of \$8,000.00. **Greenwood** completed a 6 room parsonage valued at \$14,000.00 which is the nicest in the Conference. **Greenville, First**; **Pelzer**; **Laurens** and **Greenville Woodside Ave.** hope to begin a building program soon. The **Greer** Church is moving toward completion of their church which when finished will be one of the nicest in the Conference. The **Central Second** Church brick-veneered their building and made other improvements at a cost of approximately \$4,500.00. **Whitmire** has completed 3 new Sunday school rooms and purchased a dwelling adjacent to the church. **Converse** Mission has purchased a well located house at a cost of \$2,500.00 and are now using it as a place of worship. For an account of other improvements you are referred to the columns of the Challenger.

Extension Program

As per the recommendation of the 1950-1951 Missionary Board and the approval of the Conference, the North Charleston church was brick-veneered, a vestibule erected, the auditorium celetexed overhead, new windows installed, new floor laid throughout the building, and convenient living quarters arranged for the pastor at a cost of \$9,000.00. We supplied the work until December at which time Rev. C. M. Elrod consented to supply the work until mid-March. Since March 23, 1952 Rev. L. W. Barbee has been serving as pastor. The work is taking on new life; and interest, attendance, finances, and the spiritual condition of the church are improving.

In April we received the deed to a church building known as the Smoky Mt. Tabernacle located near Cheorkee, North Carolina in Jackson County valued at more than \$3,500.00. Rev. J. L. Reagon built this Tabernacle and carried on services here for some time. He is now a member of a sister Holiness Church but desires to see a Wesleyan Methodist Church organized. Through the contact of Rev. H. M. Moody I was privileged to conduct a revival meeting in this building in the spring of 1950. Our contacts with the people and Brother Reagon since then have been most pleasant. The tabernacle is now a preaching point attached to the Tuckasegee Church. Two people have presented their names as prospective members of the contemplated church.

The churches of the Greenville District under the direction of the Committee on Church extension, Revs. J. A. Giles, W. R. French, and Mr. J. O. Smith, sponsored a tent meeting in the Sans Souci section of Greenville. A class with nine members was organized with others to be received. Revs. J. A. Giles, W. R. French did the preaching in the three

weeks meeting and Mr. Charles Ellenburg of the Easley First Church directed the singing. By the donations of the various churches and offerings received in the services the meeting was sponsored without cost to the conference. The Brethren served without remuneration and Brother Ellenburg would not accept money for his traveling expenses. Rev. T. C. Bryant worked hard to make this effort a success. To these brethren we express our heart-felt thanks. The two Greenville churches are to be commended and highly congratulated for their co-operation, help, attitude, and sympathy given in this work. I believe this method of church extension is the proper one. The Columbia District W.Y.P.S. under the leadership of its chairman, Rev. W. C. Young, is anticipating an extension effort in the "H" Plant Area this fall.

Number of revivals conducted in other conf.	1

I attended Greer Camp Meeting, harvest day and commencement exercises of Central college, 2 district W.Y.P.S. rallies, 3 district ministers' meetings, 3 district W.M.S. meetings, the conference youth camp, the southern area ministers' convention, the conference ministers' convention, the N.H.A. Convention of Columbus, Ohio, and numerous committee meetings of various kinds. I held, or caused to be held, two quarterly meetings on each charge one of which was the fourth. I consulted with stewards of local churches and in some cases raises in pastor salary were realized. Without regard to energy, inconvenience, personal interest, or time, I have done what little I could do for all the churches and preachers in general and for the churches and preachers needing my assistance in particular.

Report No. 3**MISSIONARY BOARD, 1951-1952**

During the early part of the year we employed Rev. C. M. Elrod to care for the North Charleston work until March, salary to be \$50.00 per week, also to pay for meals while there and pay transportation from Greer to North Charleston, one trip each two weeks.

During the time Rev. Barbee became interested in the North Charleston Church and was employed at a salary of \$50.00 per week and living quarters.

Another act of business, the voting of \$50.00 to the Landrum Church, in view of the fact that through mistake, money had been paid on budget, which was intended to be on improvements.

We also voted to buy paint for inside of president's parsonage and repair septic tank.

Talmage Evatt, Secretary of Board

Report No. 9

EDUCATIONAL COMMITTEE

The Educational Committee wishes to add its appreciation for the faithful support of the work of Christian education offered by the churches of the South Carolina Conference. The following churches have overpaid their budget assessment for education: Anderson; Central, First; Clemson; Iva; Lyman; Pelzer; Startex; Westminster.

The following churches paid their educational budget in full: Bethany; Buck Creek; Carlisle; Cateechee; Central, Second; Columbia; Conestee; Easley, Alice; Easley, Ariail; Easley, First; Easley, Glenwood; Eden; Gaffney; Glenville; Greenville, First; Greenville, Woodside Ave.; Greenwood; Knighton Chapel; Laurens; Liberty; Martin Grove; Mt. Calvary; Mt. Olivet; Pickens View; Piedmont; Smith Chapel; Spartanburg; Tuckasegee; Walhalla; Whitmire; Williamston.

In the past year the committee has attempted to foster a closer relationship between Central College and the churches of the Conference. It has been gratifying to find a welcome extended by the churches to the Educational Secretary and to various student groups from the school. An-

other encouraging feature has been the number of visitors on the campus for such occasions as Harvest Day, The Messiah, the Southern Area Ministerial Convention, the Youth Week Missionary Convention and the Commencement Activities.

Feeling the importance of a still closer cooperation between the school and the local churches, the committee recommends again that each pastor ask his church to elect an educational secretary to assist him in enlisting active interest and support for the denominational school and in keeping before the church the advantages offered at Central College for education in a Christian environment. The names and addresses of the educational secretaries should be sent to the Conference Educational Secretary in order that he may contact them and offer assistance in their work.

The Educational Committee calls attention to the contribution being made by the Central College Choir and recommends that pastors investigate the possibility of introducing this group to their local high school in an assembly program or the like.

Good reports have been received of the spiritual service rendered by music groups and gospel teams. The committee suggests that wider use of these groups would be of benefit to both the school and the local churches.

Respectfully submitted:

COMMITTEE ON CHURCH EXTENSION

Columbia District

The committee with the Conference President, made two trips over several counties seeking desirable locations for new Wesleyan work.

Furthermore, the committee made other trips through the Hyrdogen Bomb Plant area seeking a desirable location for a new work. Following our observations, we find that there are many opportunities for new work in the Columbia District.

The committee with the Conference President, have decided that the greatest possibility at the present is in the center of a great and permanent residential district in North Augusta, S. C. Plans have been made for

this work to begin September 1, 1952, beginning with a tent revival sponsored by the W.Y.P.S. of the Columbia District.

Committee: W. C. Young,
C. H. Pickel,
V. C. Taylor.

COMMITTEE ON MINISTERIAL MEETINGS—COLUMBIA DISTRICT

Due to the large area over which the churches are situated it has not been possible to hold as many meetings as desired.

Therefore, a one-week meeting was held in conjunction with the W.M.S., W.Y.P.S., and the Prayer-League Secretaries. This, we feel was very beneficial because of added blessings of the Lord.

Committee: W. C. Young
T. B. Rhodes

COMMITTEE ON MINISTERIAL MEETINGS—GREENVILLE DISTRICT

The Greenville District Ministerial Meetings were held twice during the Conference year. The first meeting was held November 10, 1951 at Alice Mill Church, Easley, S. C. A very interesting program on "How to Promote a Successful Sunday School" was presented by the Religious Education Class of Central College. Rev. H. Robb French preached a challenging message. The other ministerial meeting was held March 29, 1952 at Pelzer, S. C. The Rev. J. P. Trueblood, guest speaker, preached on the subject "Faith." Both of these were joint meetings with the La-

dies' Missionary Society of the District, whose programs were always inspirational. The host pastors and churches added zest to these services.

Committee: C. T. Bryant

PRAYER LEAGUE SECRETARY—COLUMBIA DISTRICT

During the year, we held one public meeting in which all the churches in the district participated. In the district we have observed fasting and prayer days, special prayer weeks and cottage prayer meetings.

We observed quarterly seasons of prayer in our district.

We have had two days of fasting and prayer.

Two times we have contacted all members in our district either by phone or letter.

Our churches have observed watch night services in our local churches or in a group of these churches, and they were well attended.

Standing Rules and Recommendations

1. We emphasize the need of much prayer and intercession in these evil days, and that fasting and self-denial be observed as well.

2. The W.M.S. dues of one dollar (\$1.00) per member are to be divided as follows: Foreign Missions, \$.25; Home Missions, \$.25; General Fund, \$.25 and Unspecified Fund, \$.25.

3. The Y.M.W.B. dues are fifty-five cents (55¢) for our Conference. The fifty-two cents (52¢) is to be used for foreign missions, one cent (1¢) desk expense and two cents (2¢) for General Conference travel expense of the Y.M.W.B. Superintendent.

4. The annual report blanks must be in the hands of the Conference Statistician by July 1st of each conference year.

5. Each local society should pay annually an amount equal to twenty-five cents (25¢) per active member to be used as a general administrative fund, not to apply on budget.

6. We urge each local society to have an alert Magazine Solicitor, an active Mission Study group and a large Prayer Partner Circle.

7. It shall be the duty of each District Superintendent to supervise the interests of the societies in her district. This may be done by visitation, correspondence, the holding of conventions and rallies, the organizing of societies and bands where none exists and giving help which she deems needful. Each society or district is to bear her expenses on said visits.

8. We urge the use of the Standard of Efficiency so that each society may work to be placed on the Honor Roll.

Report No. 1

PRESIDENT'S REPORT

Dear Women of the South Carolina Conference W.M.S.:

It is with gratitude and praise to God that we enter into this forty-sixth conference session. Your labors of the year may have seemed a bit strenuous, but when we labor for the Lord our labors are not in vain. We trust that you will leave this session with a greater urgency to labor even more diligently.

Your help and cooperation are indeed appreciated. Without it, and the help of the Lord, my efforts would be fruitless. I urge you to lift in prayer for our gathering that every minute may be profitably spent.

During the year I have contributed two columns of material each month for the S. C. Challenger. May I urge you to send me reports of interest from your society. All articles that went through my hands this year had to be solicited.

Mrs. Mary Green Seekins toured part of our conference, and every society that she visited benefitted greatly from her services. Miss Marie Evatt has been a real challenge and inspiration where she has spoken to groups. We appreciate others who have placed before us the great need of spreading the gospel.

Does it cost too much? In spite of all the sacrifices that may be made at home or abroad, the gospel is the only message that will meet the needs of any individual and nation. Will you help to meet that need by doing your best? Go back to your work with a new resolve that in spite of circumstances you will work more fervently.

Respectfully submitted,

Mrs. J. B. Hilson.
